Gohan and Kai-Oo-Shin getting killed...

I can't believe Vegeta's been killed, too

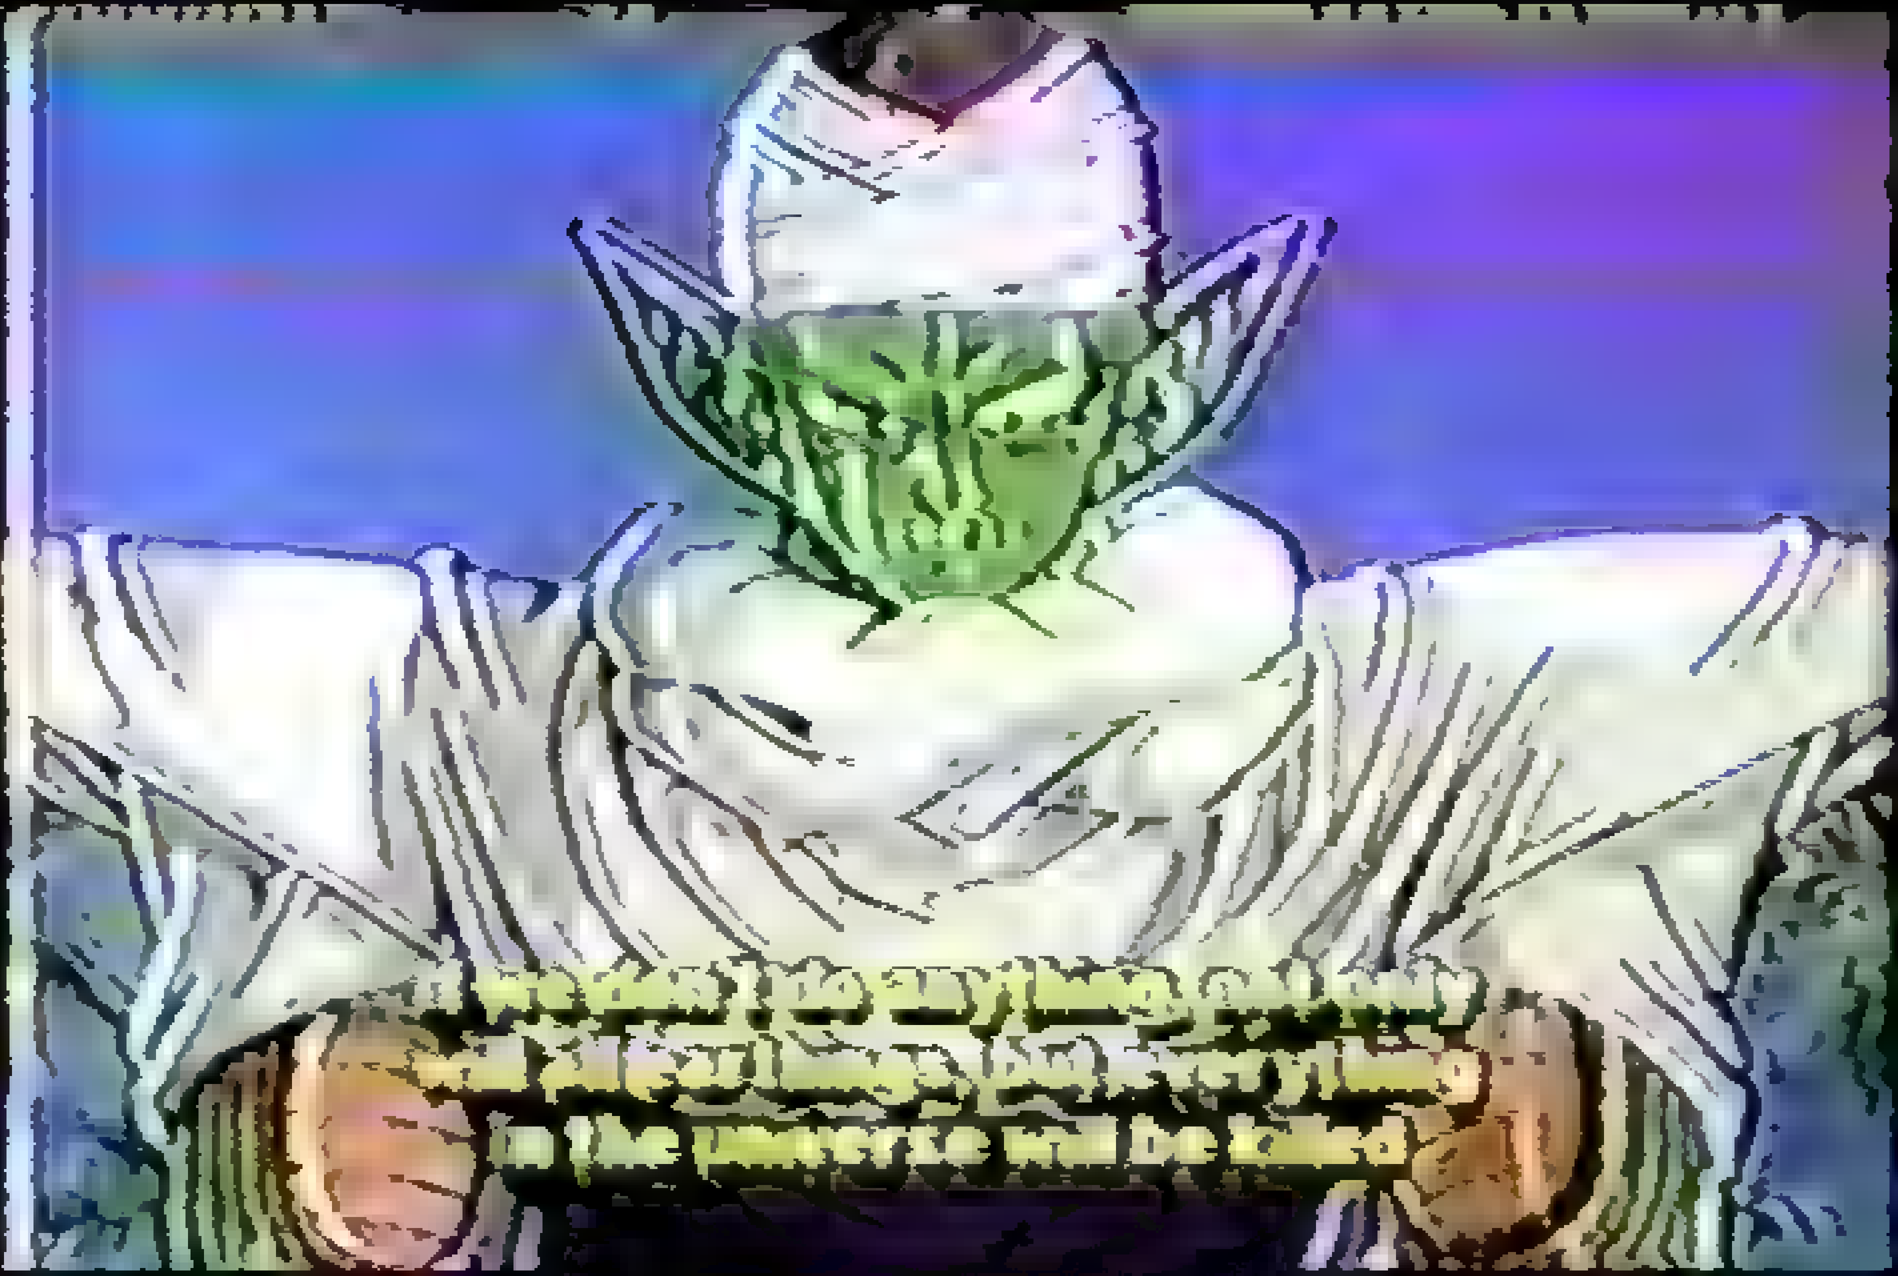

powerful as Kai-Oo-Shin feared

Majin Buu's strength is as unimaginably
powerful as Kai-Oh-Shin feared

If we don't do anything, not only
in the universe will be killed.

in the universe will be killed

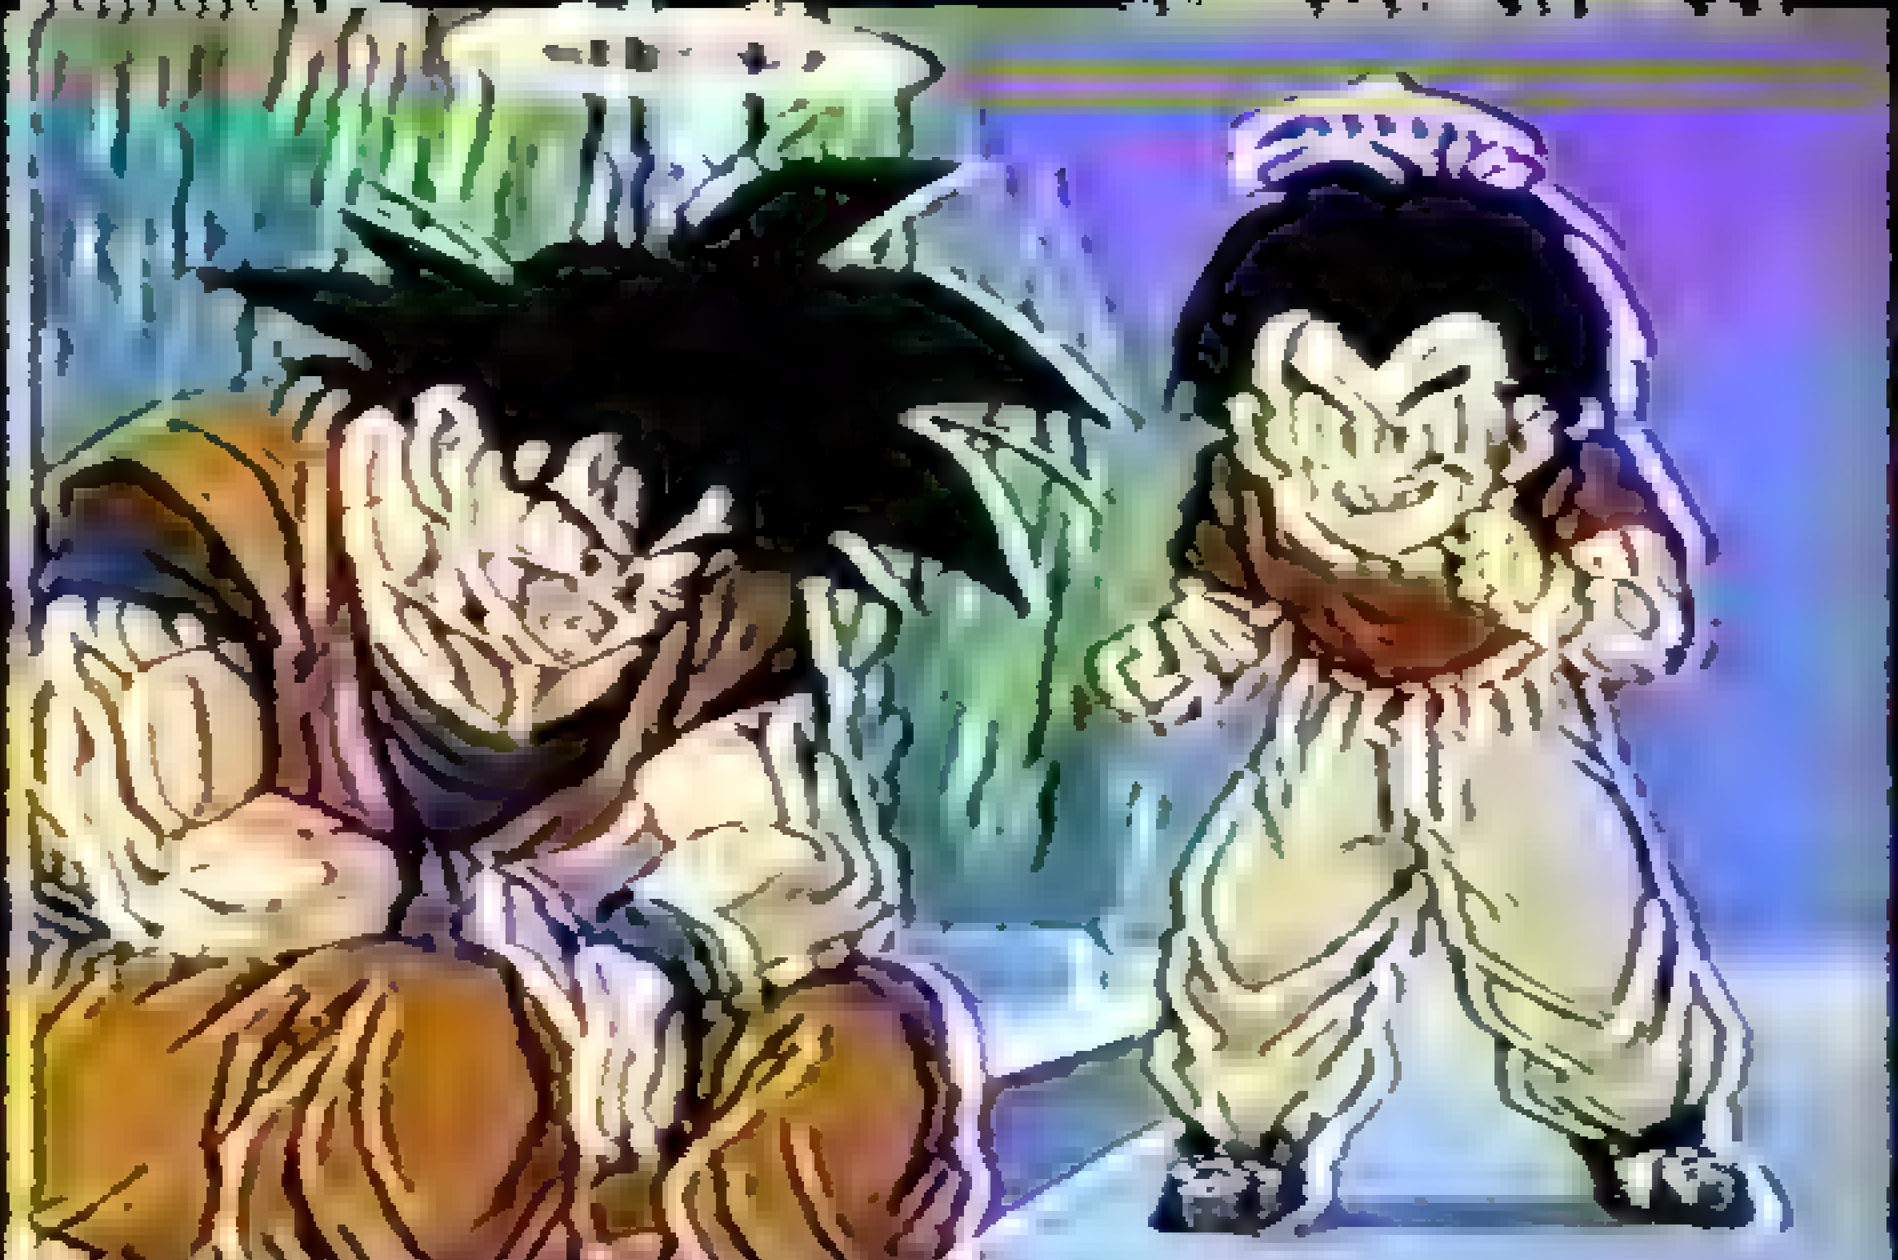

You should still have a little time left!

You should still have a little time left!

I can't defeat Majin Boo

Vegeta and I were almost equally powerful...

Vegeta and I were almost equally powerful...

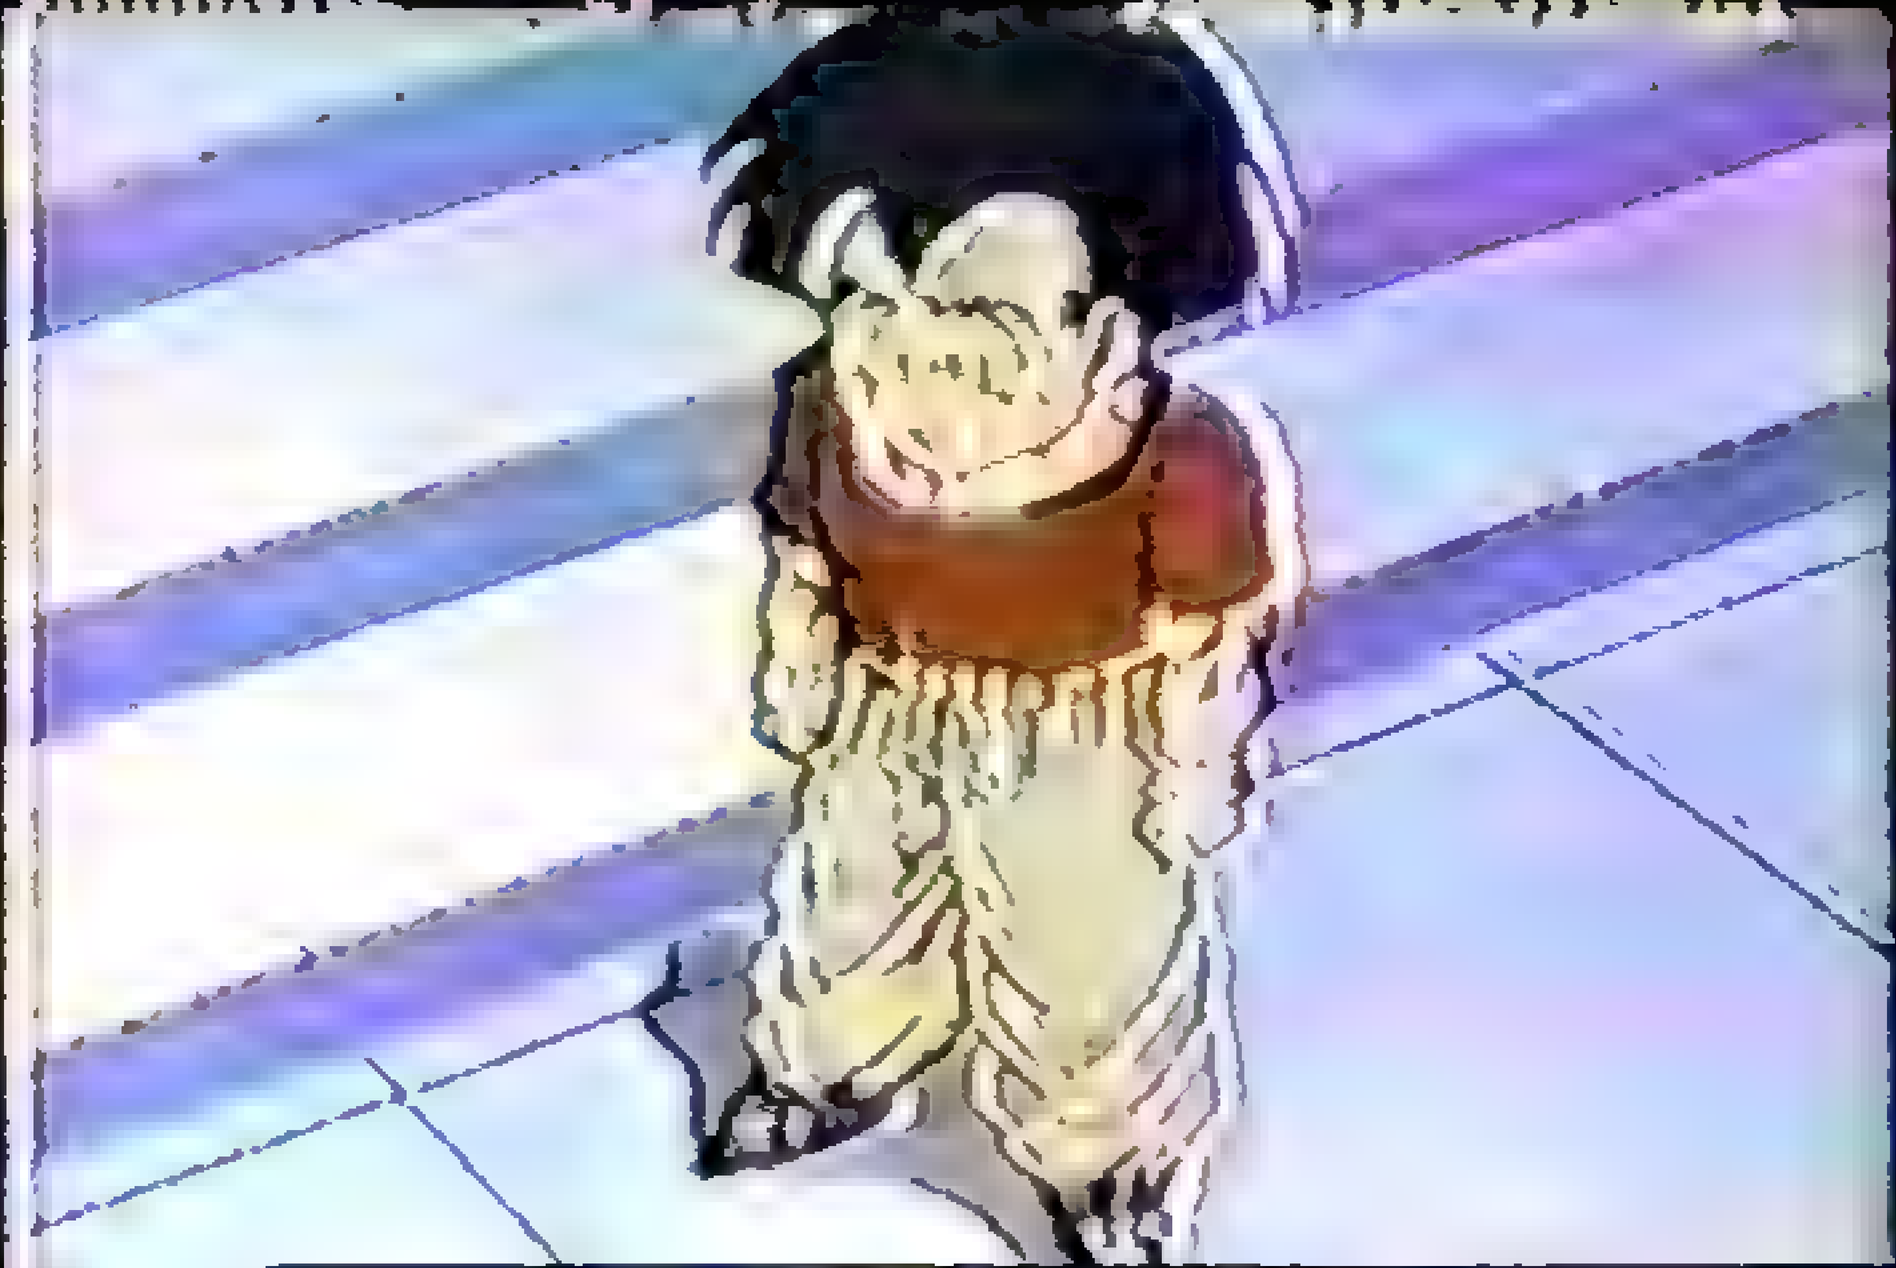

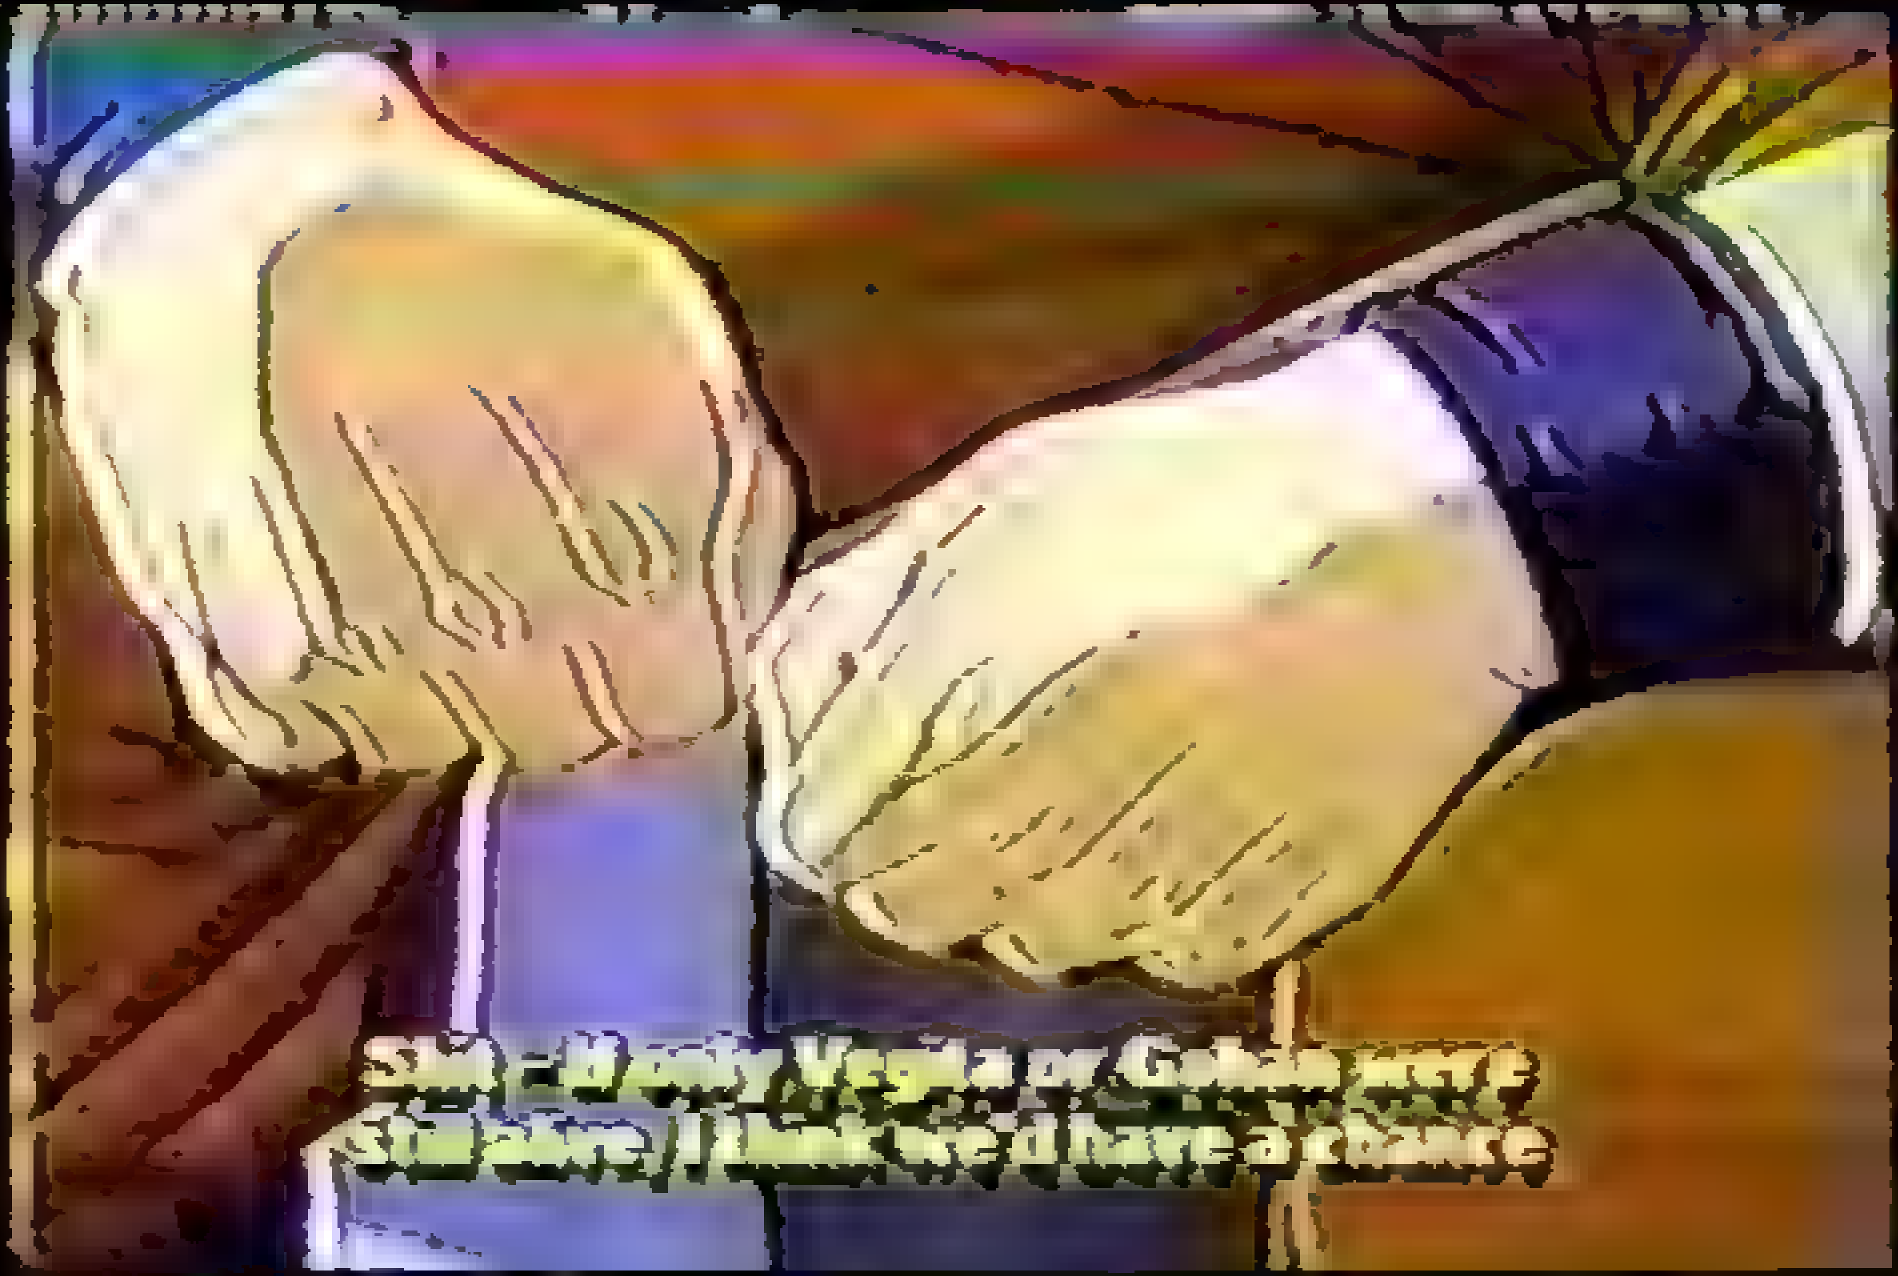

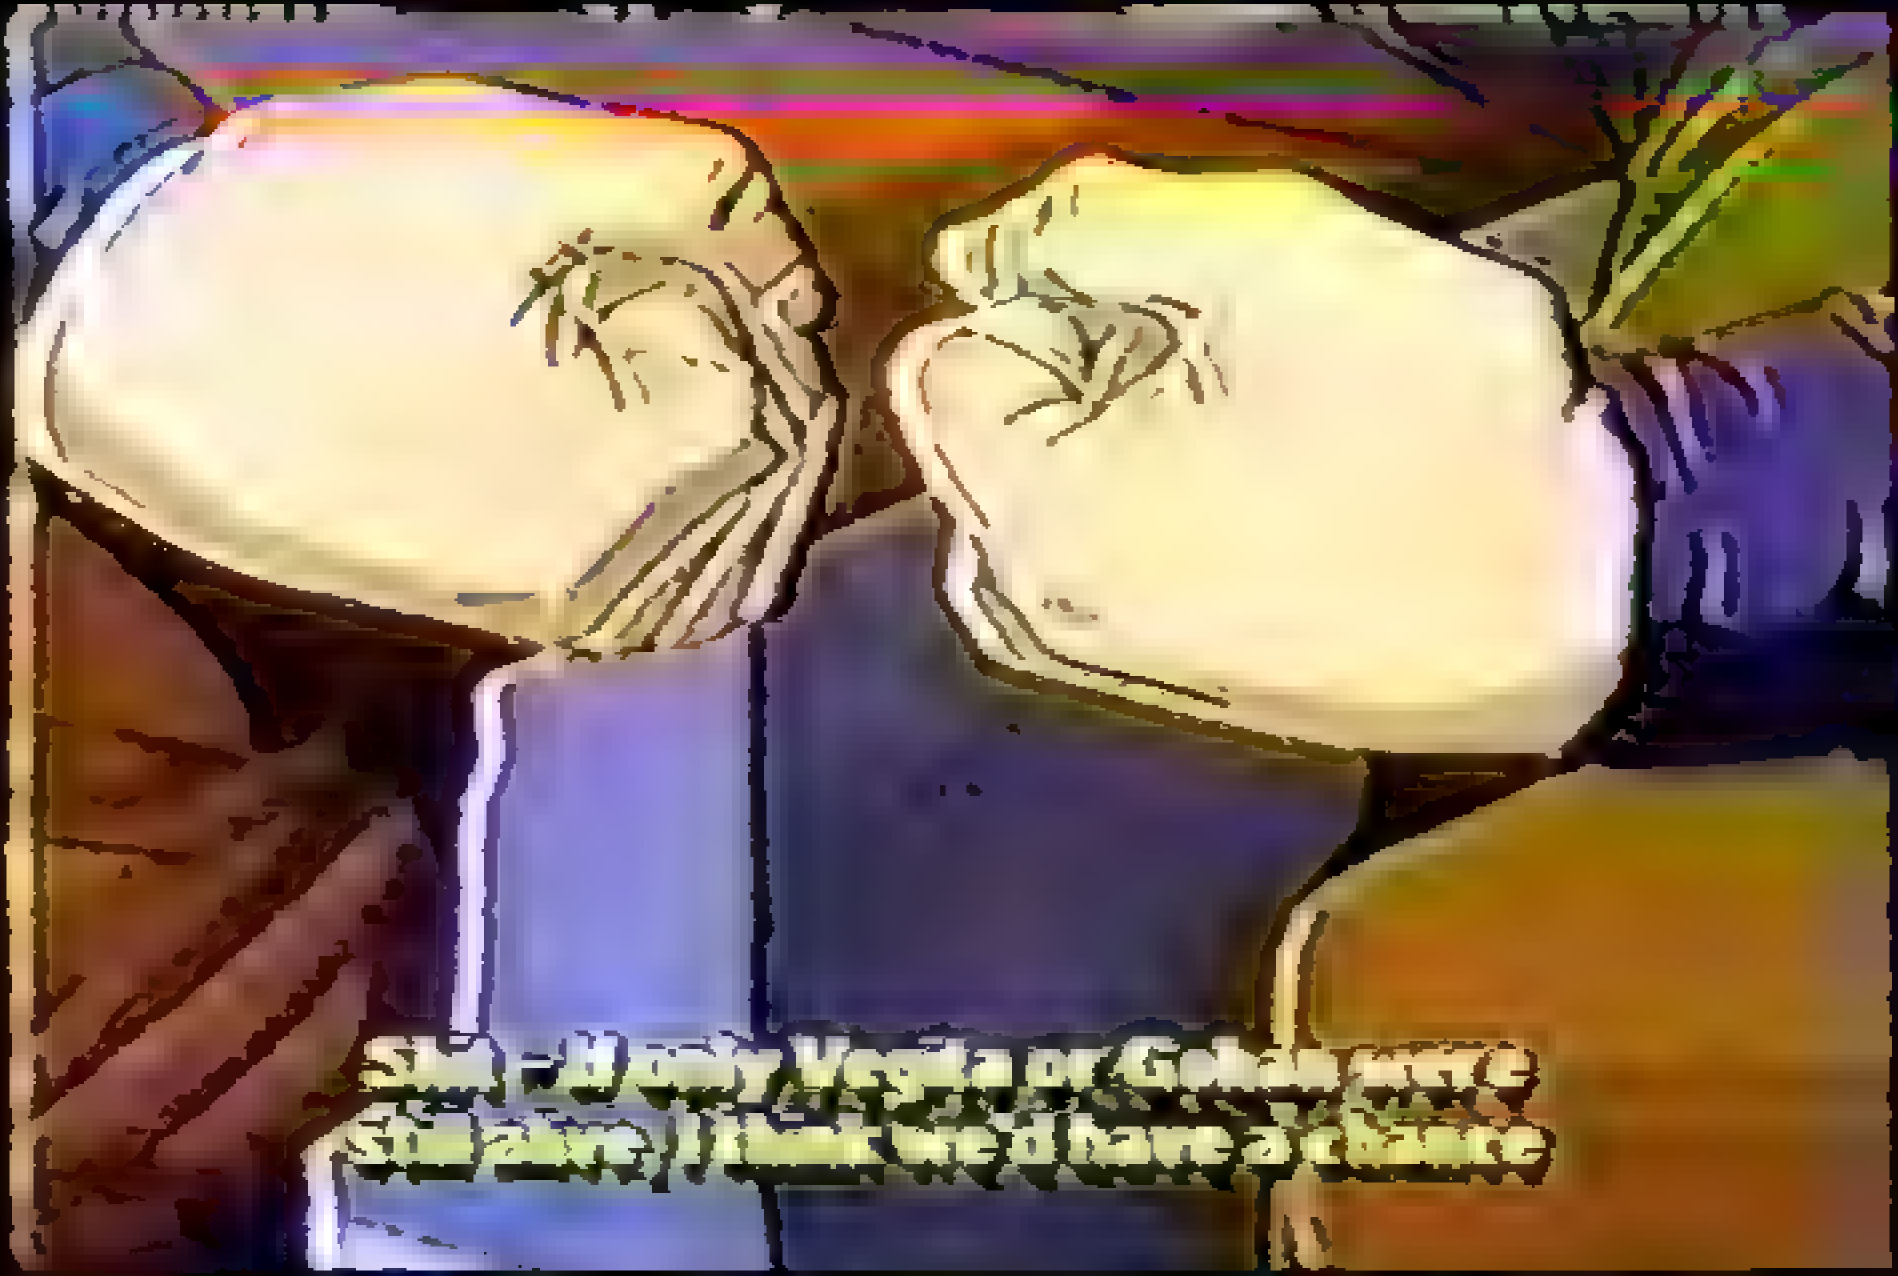

I sorry Dad I don't think I could beat him

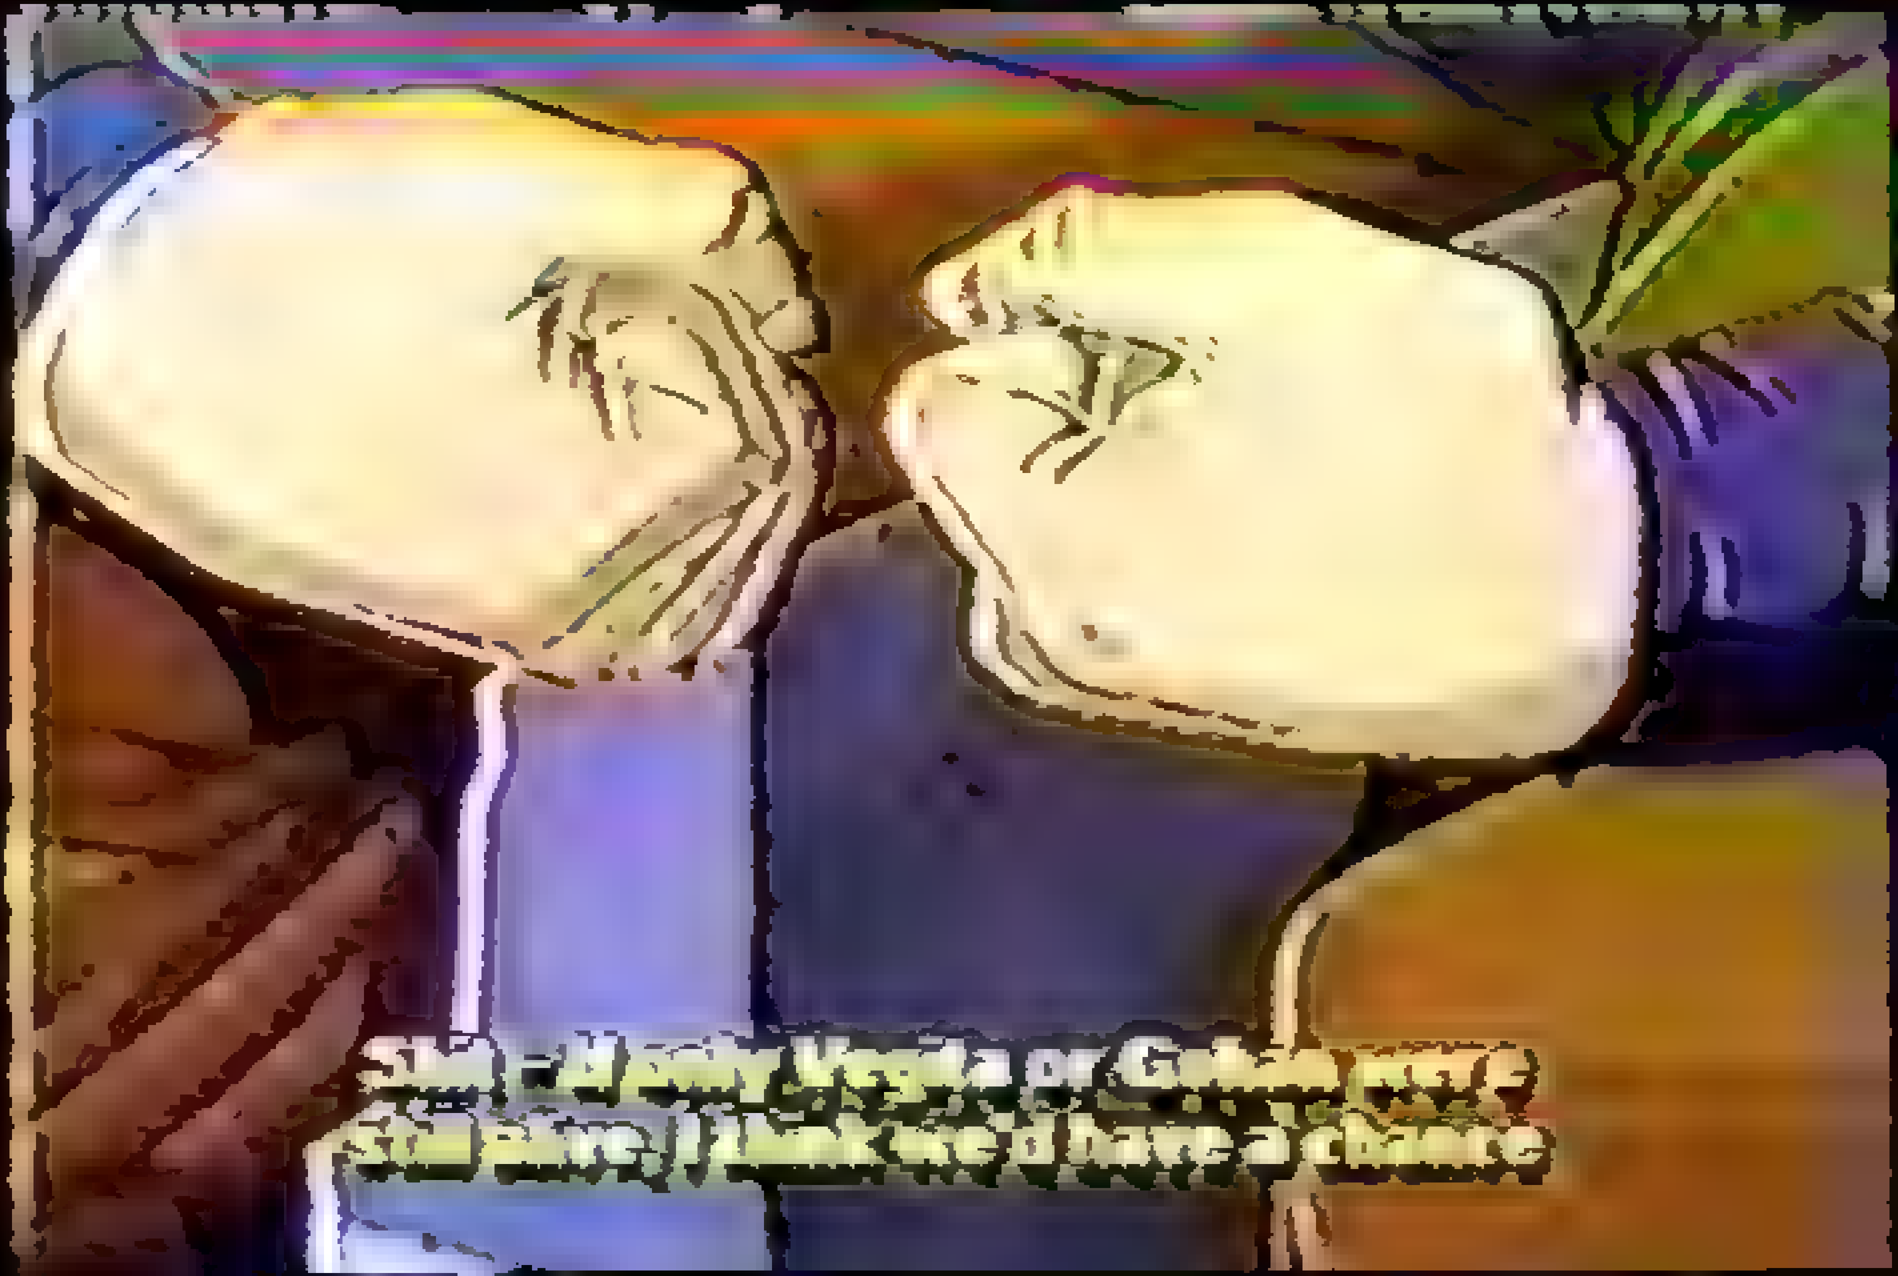

I see... Not even you are
strong enough... I see

Shit - If only Vegeta or Gohan were
still alive, I think we'd have a chance

Vegeta or Gohan
we'd have a chance

That's not what I meant
I want to use Fusion

That's not what I meant!
I want to use Fusion!

Fusion ... You mean joining?

I heard about it on Namek

are almost equally strong and
about the same size can use.

only people that
equally strong and
the same size can use

The joined pair have an
incredible amount of power

The joined pair have an

that neither on had before, they
become a whole new person

that neither on had before, they
become a whole new person

That's right, Piccolo and the Nail fused

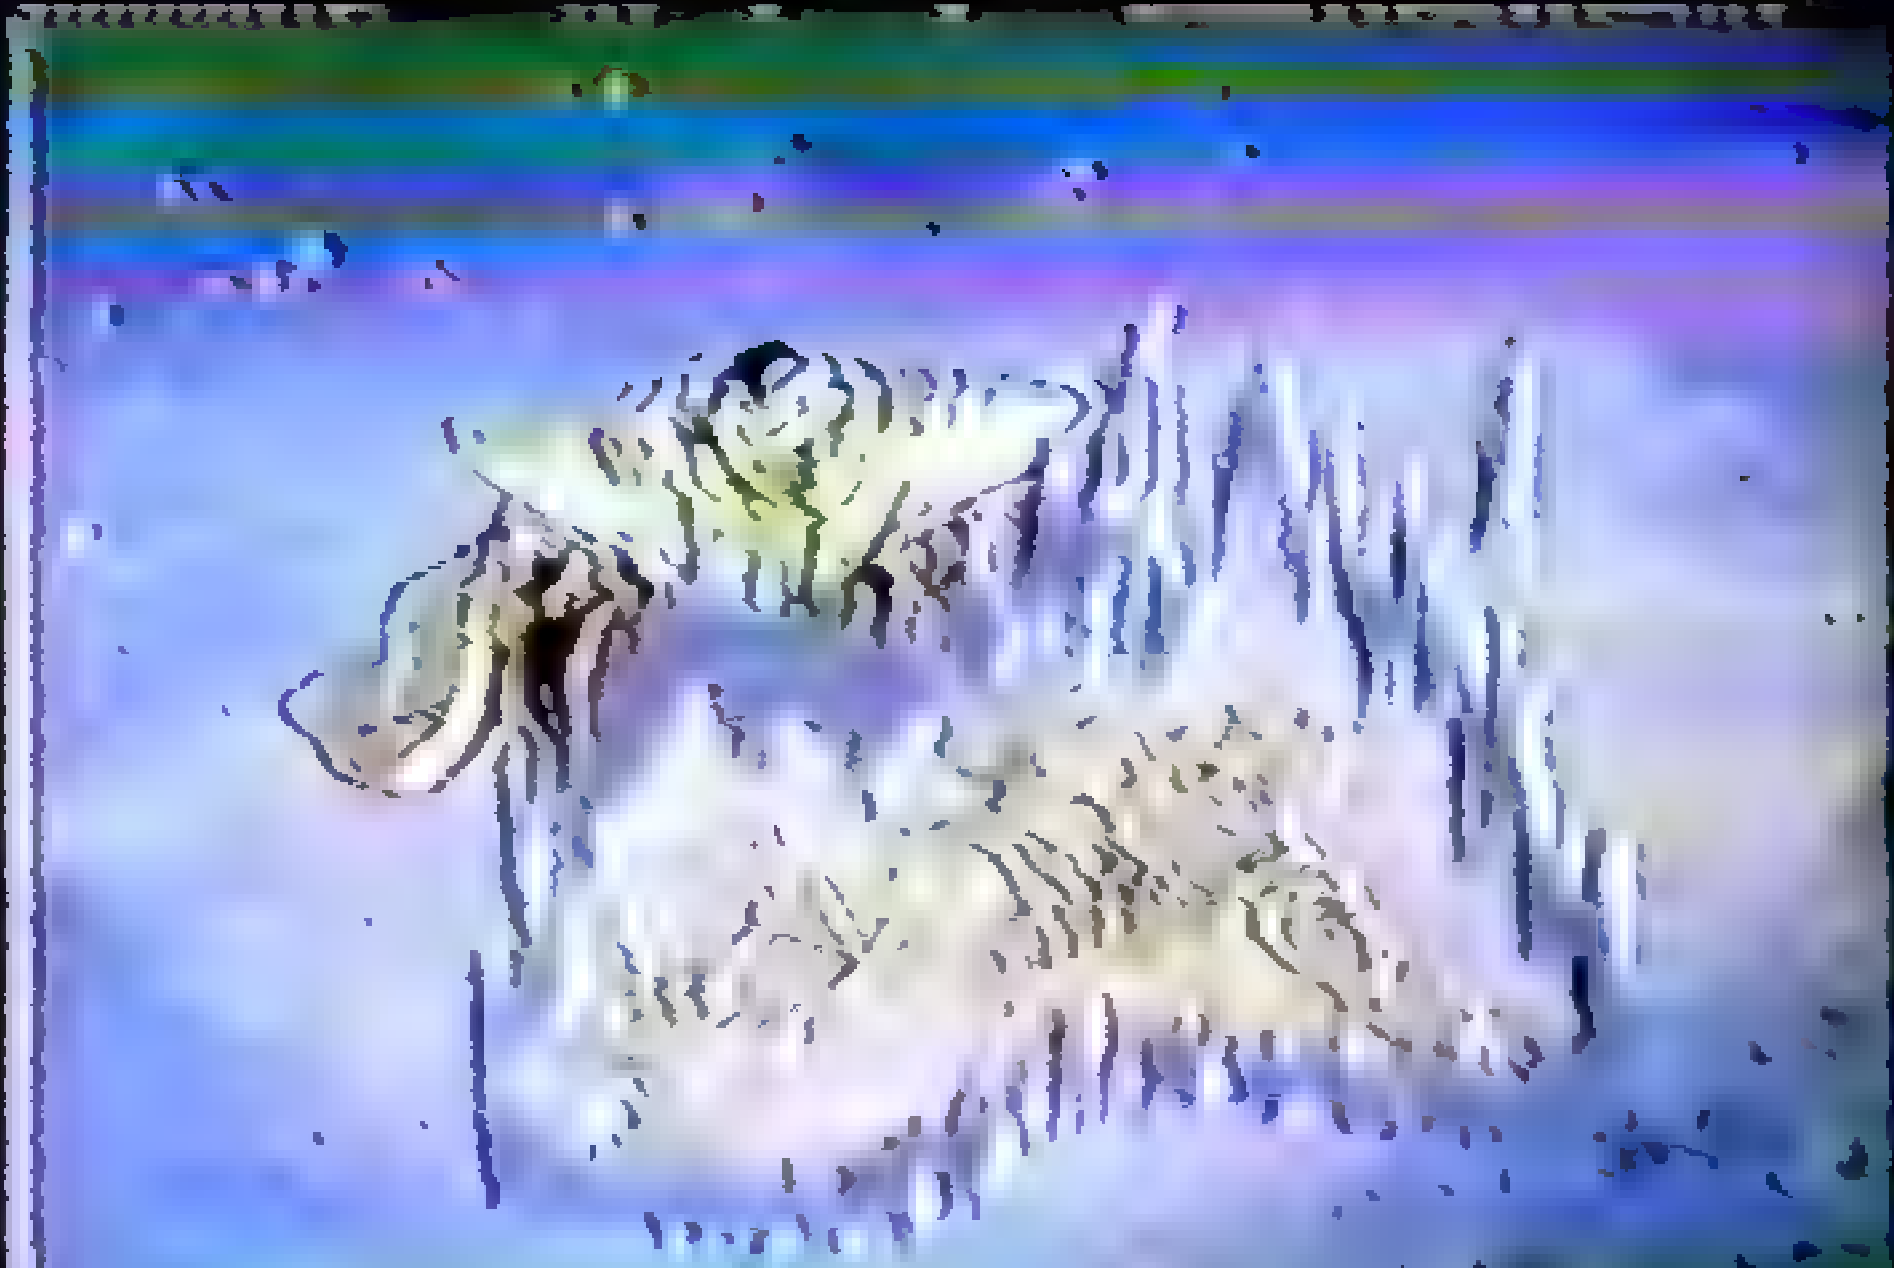

Yes, we did...

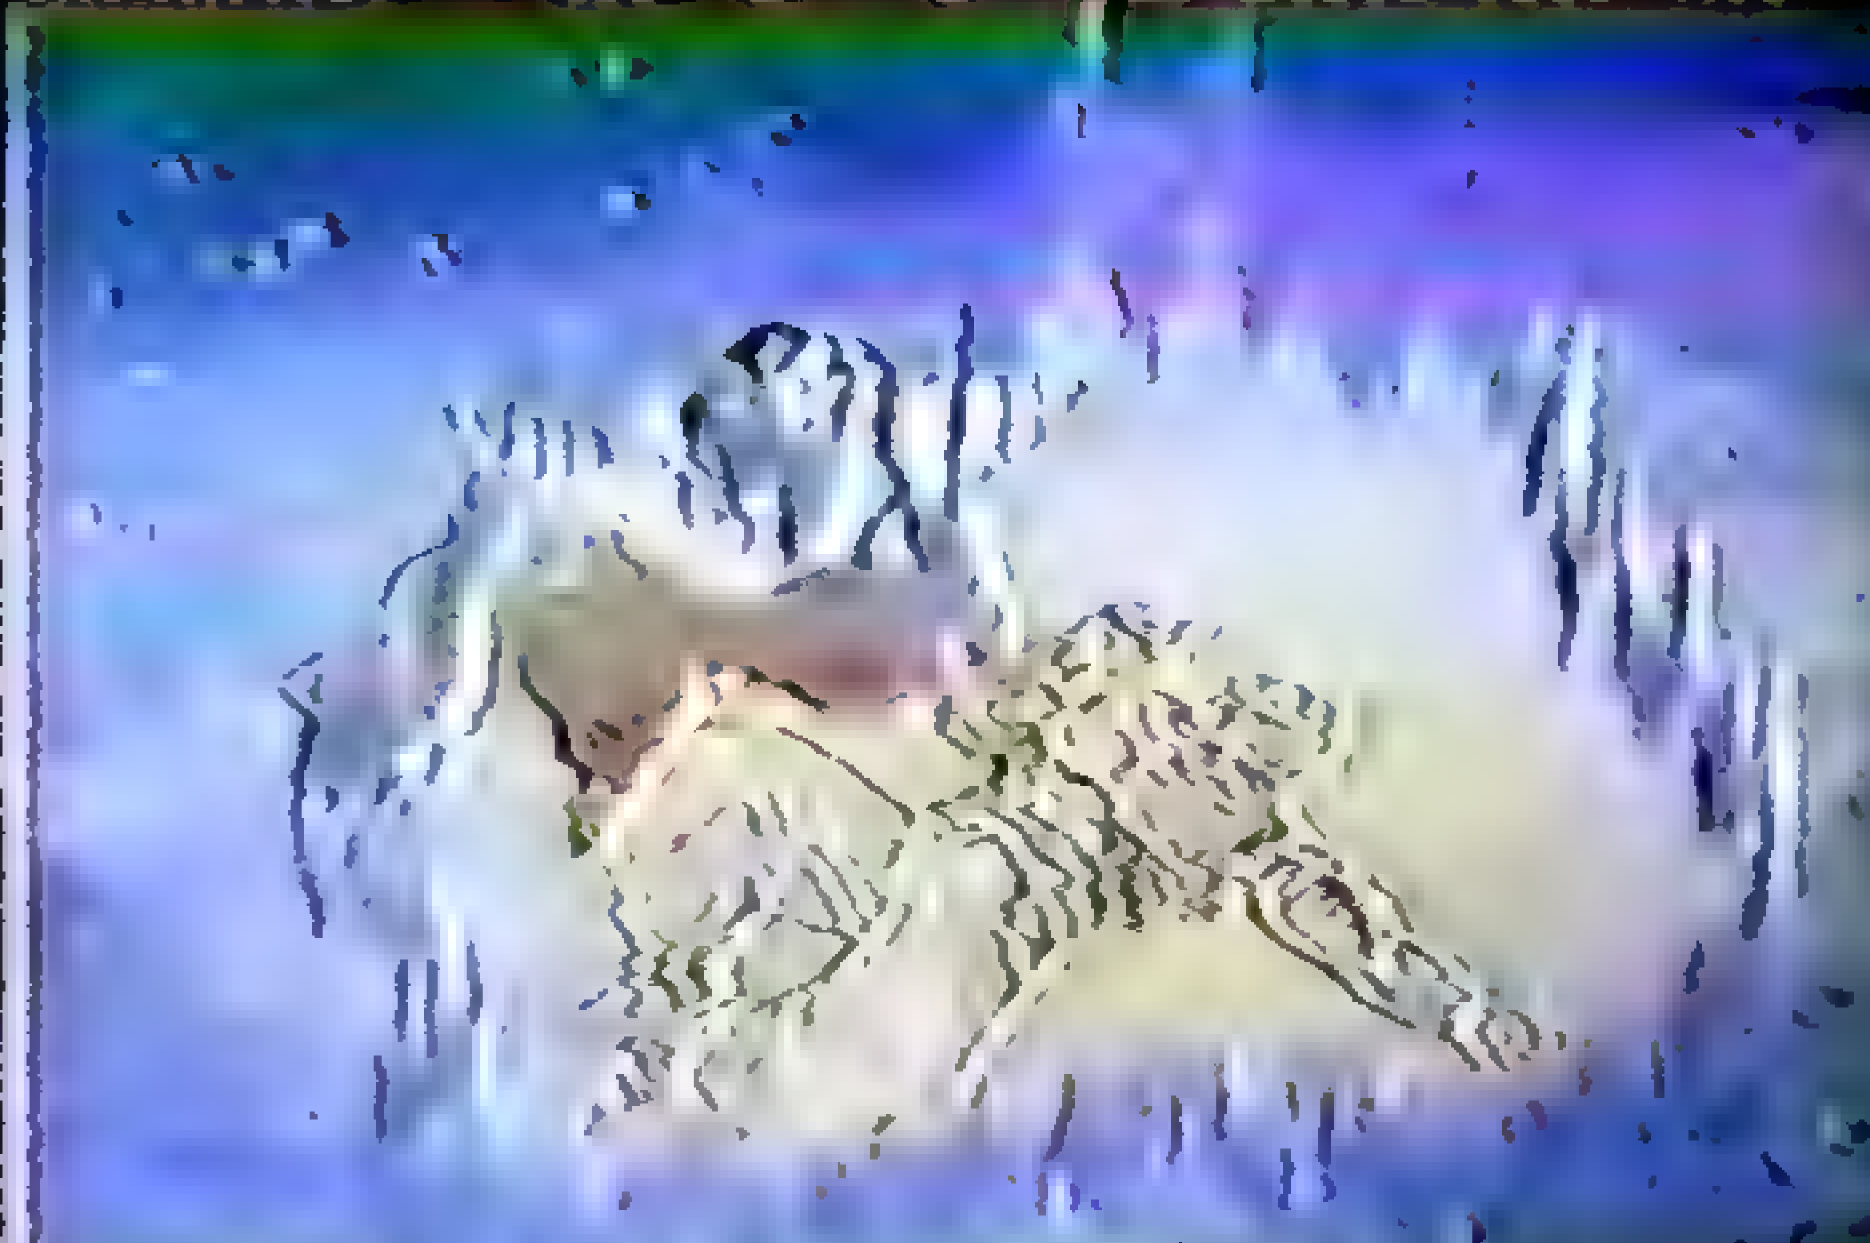

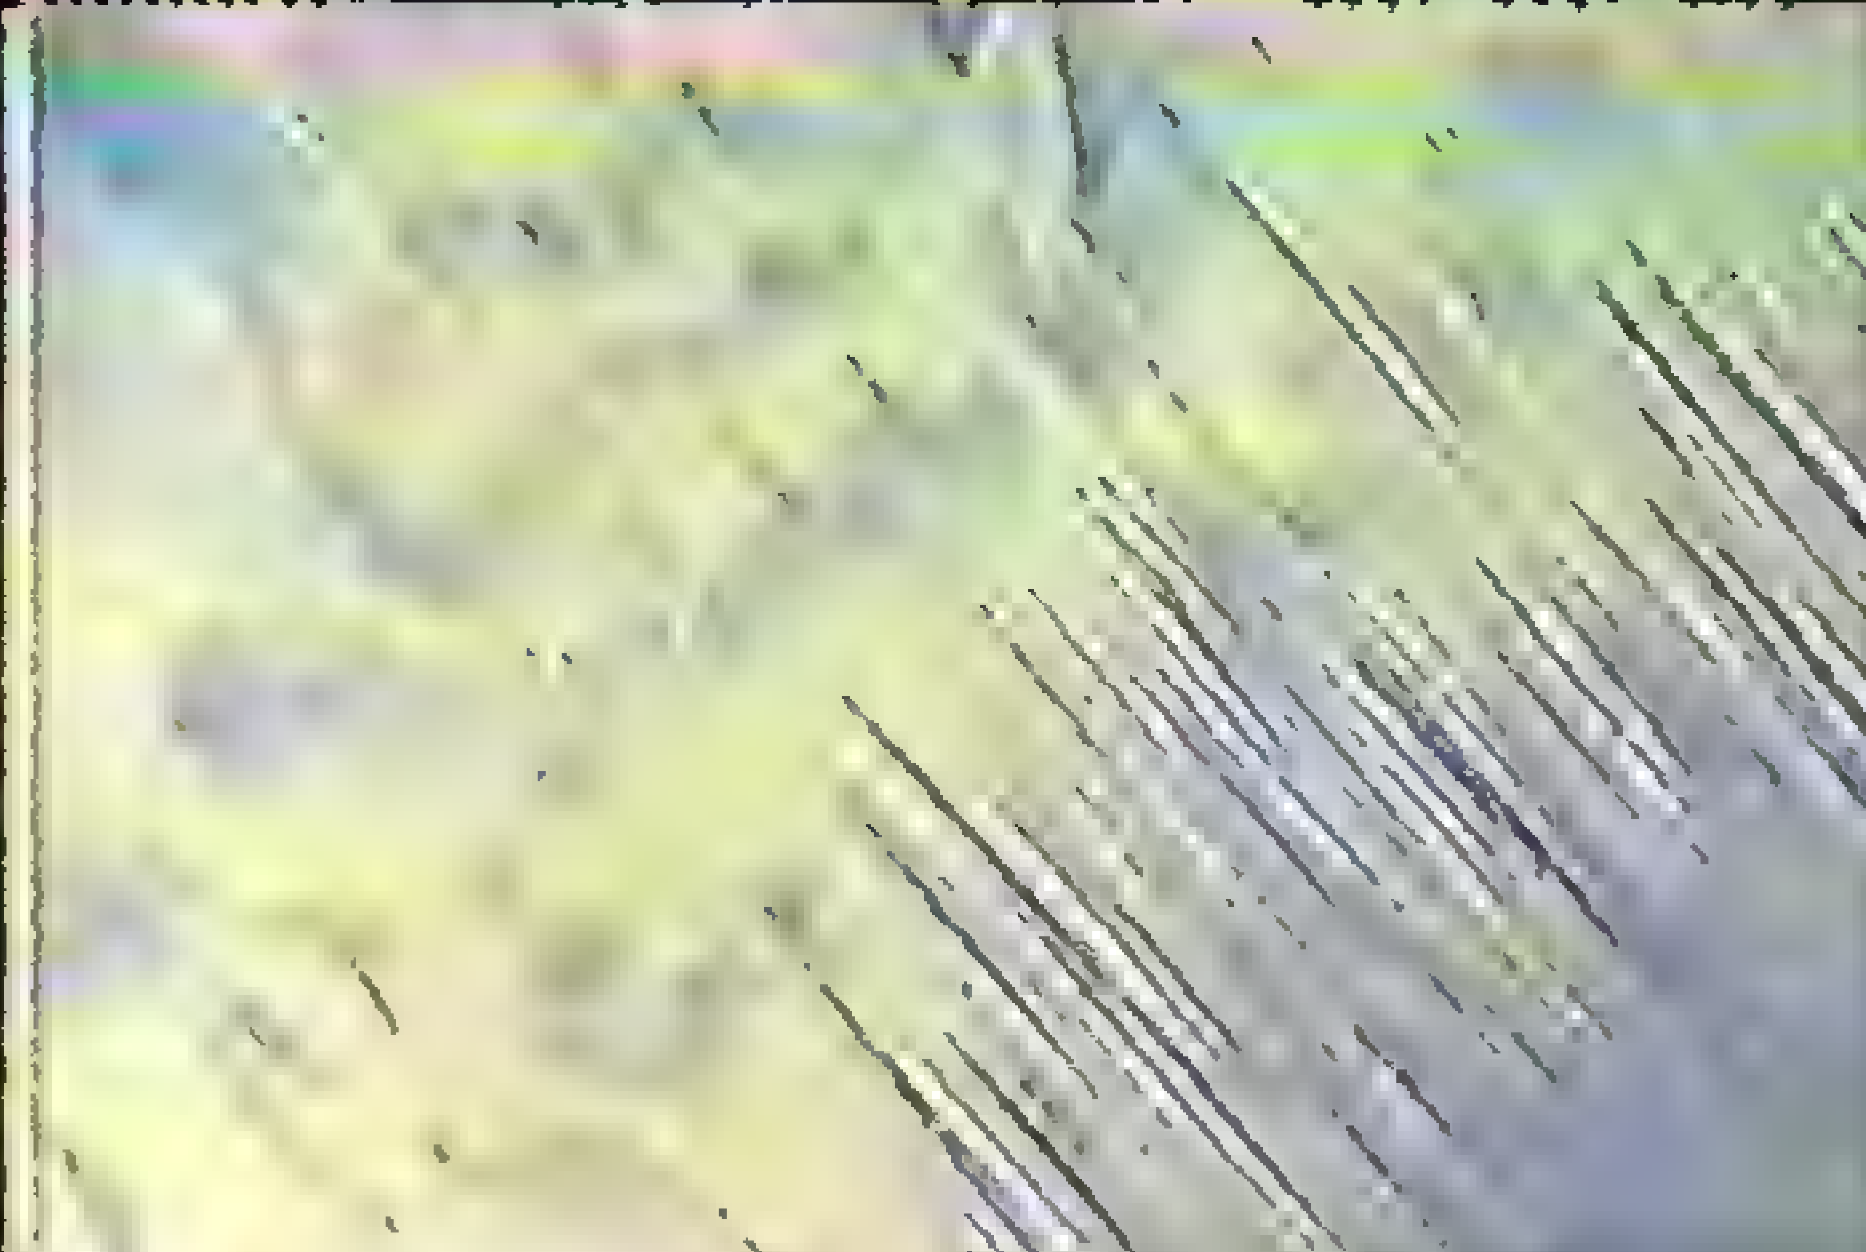

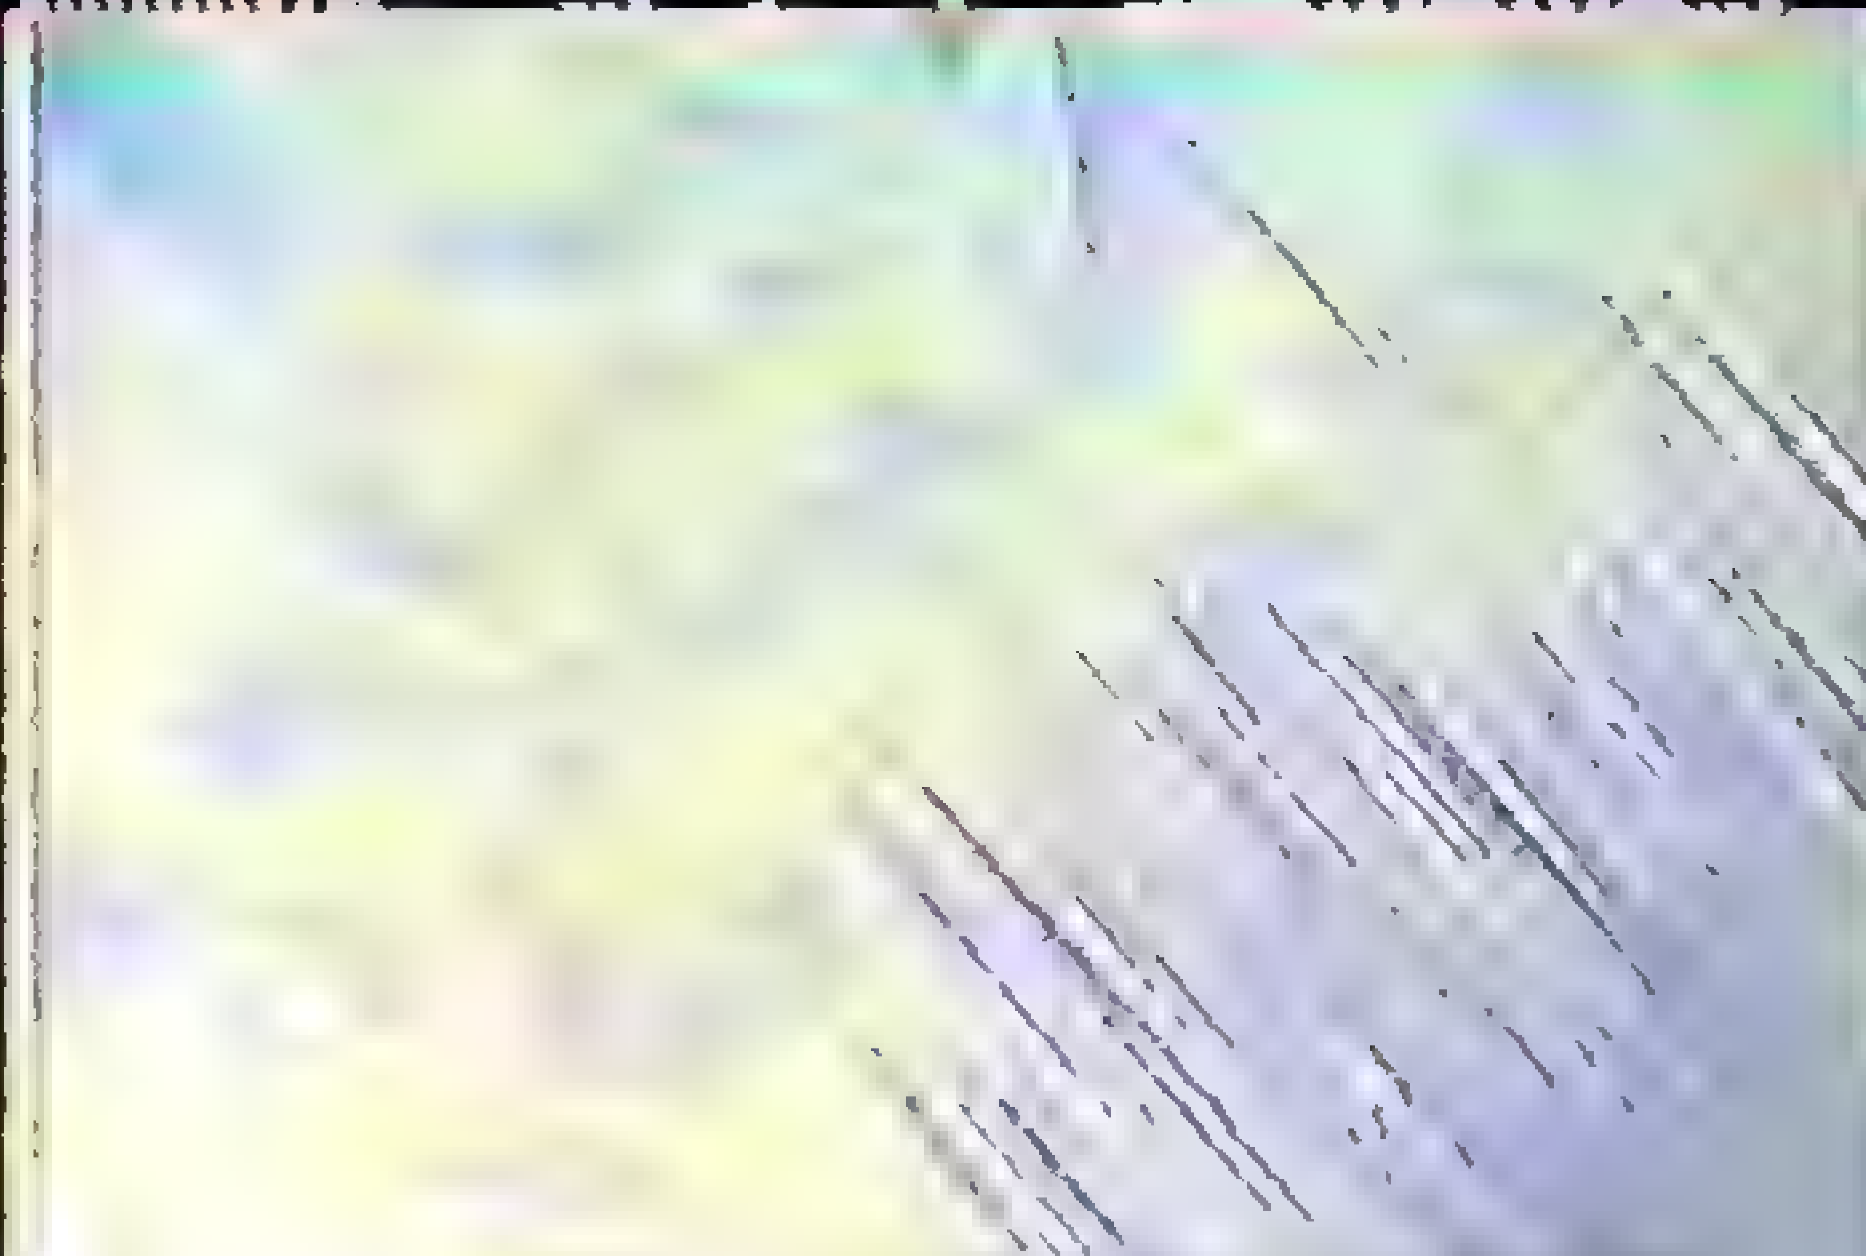

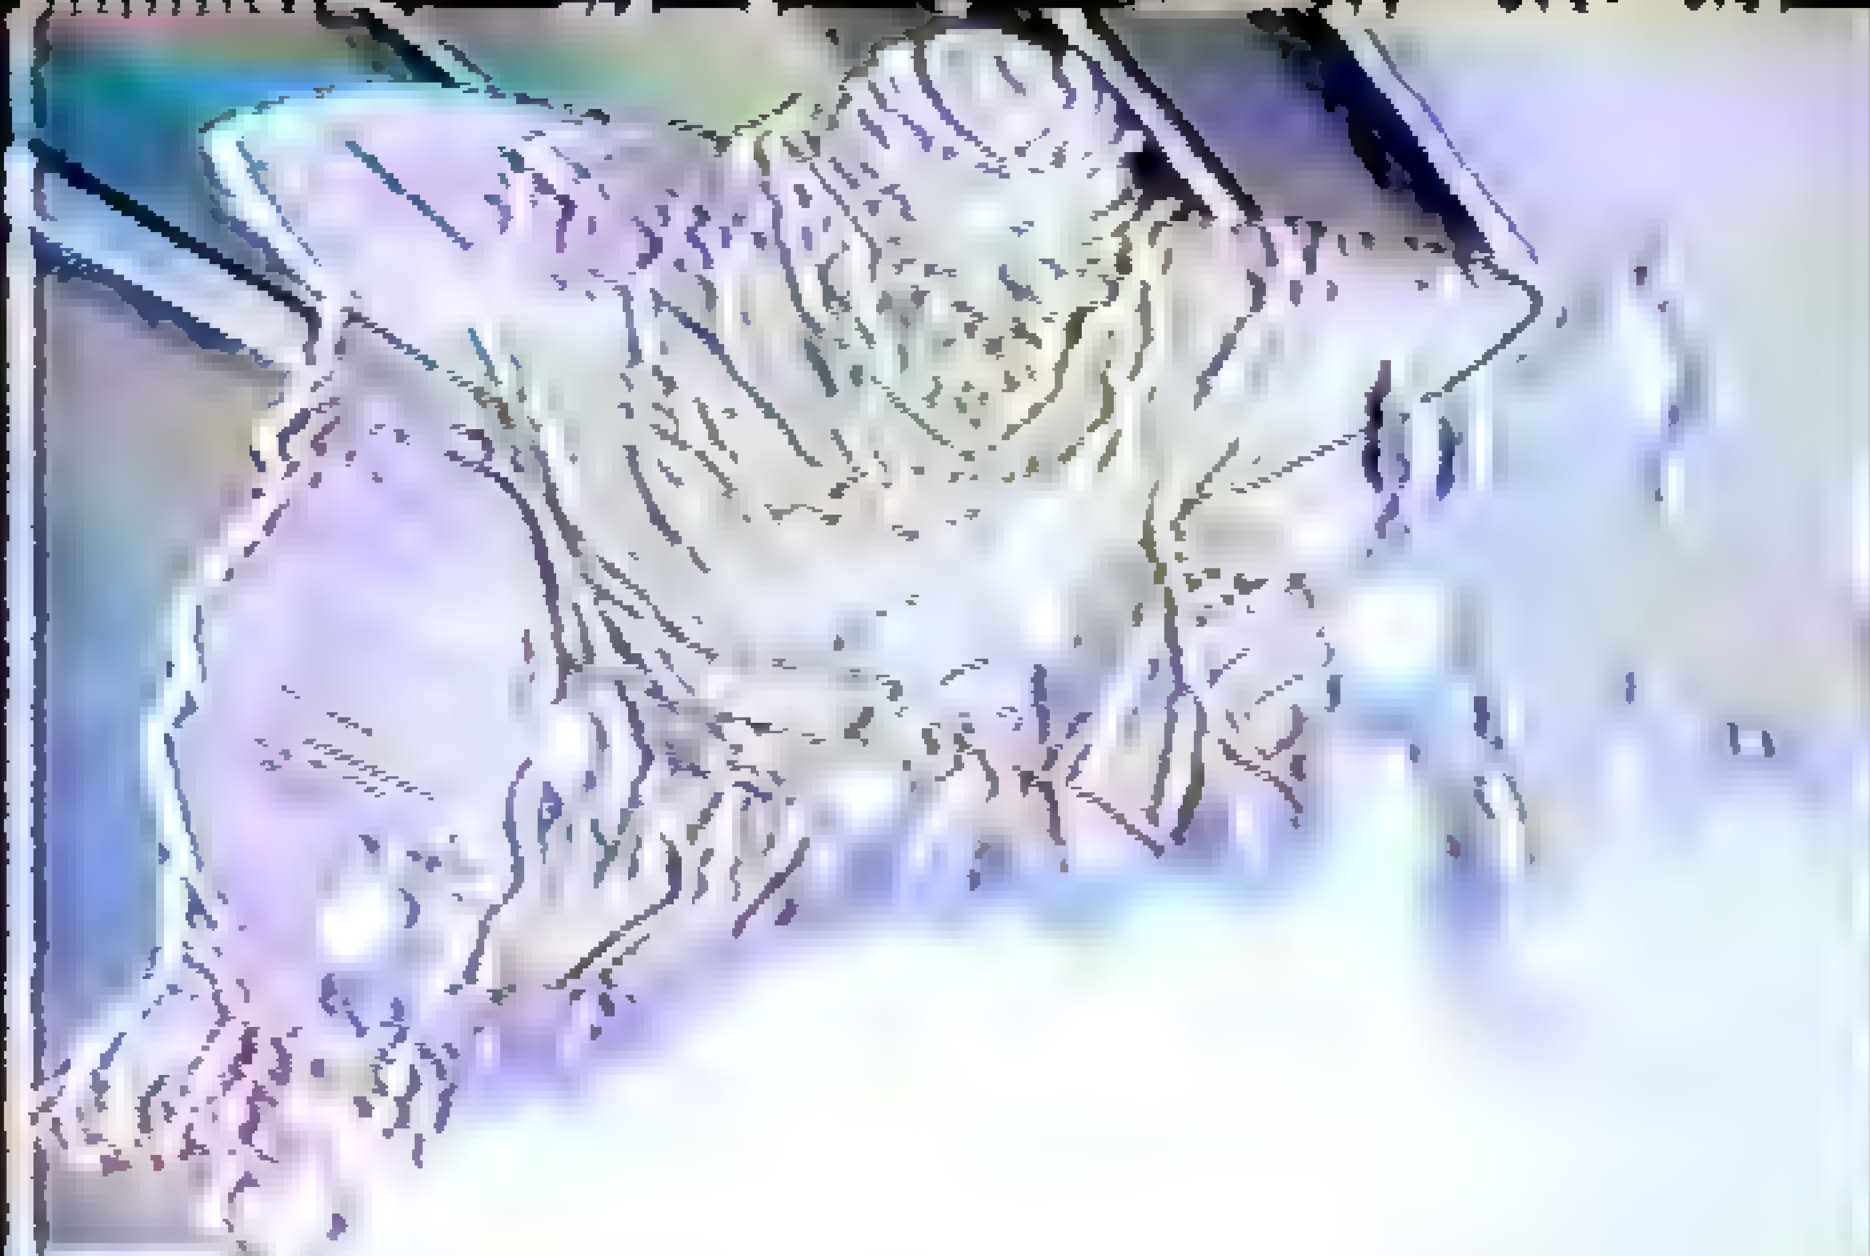

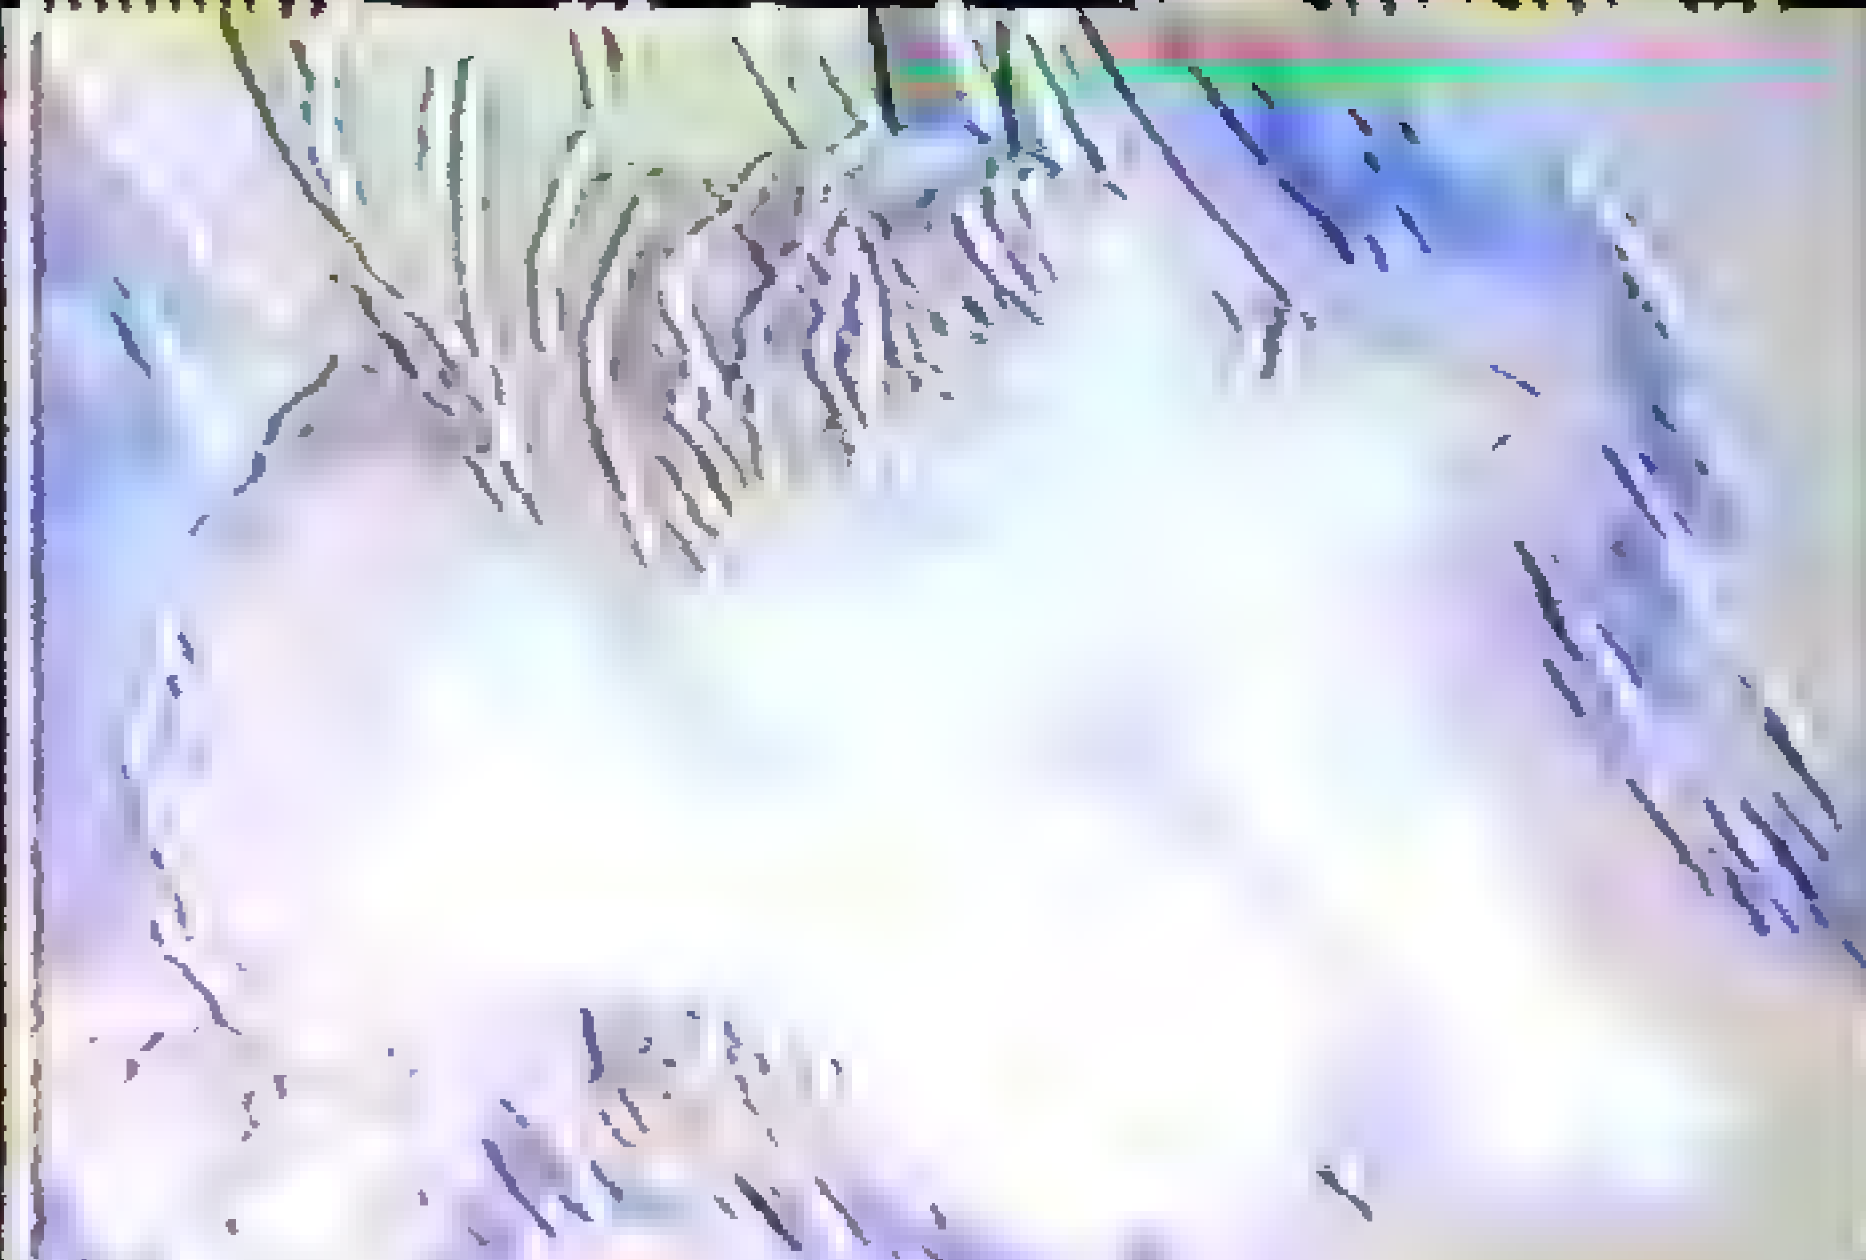

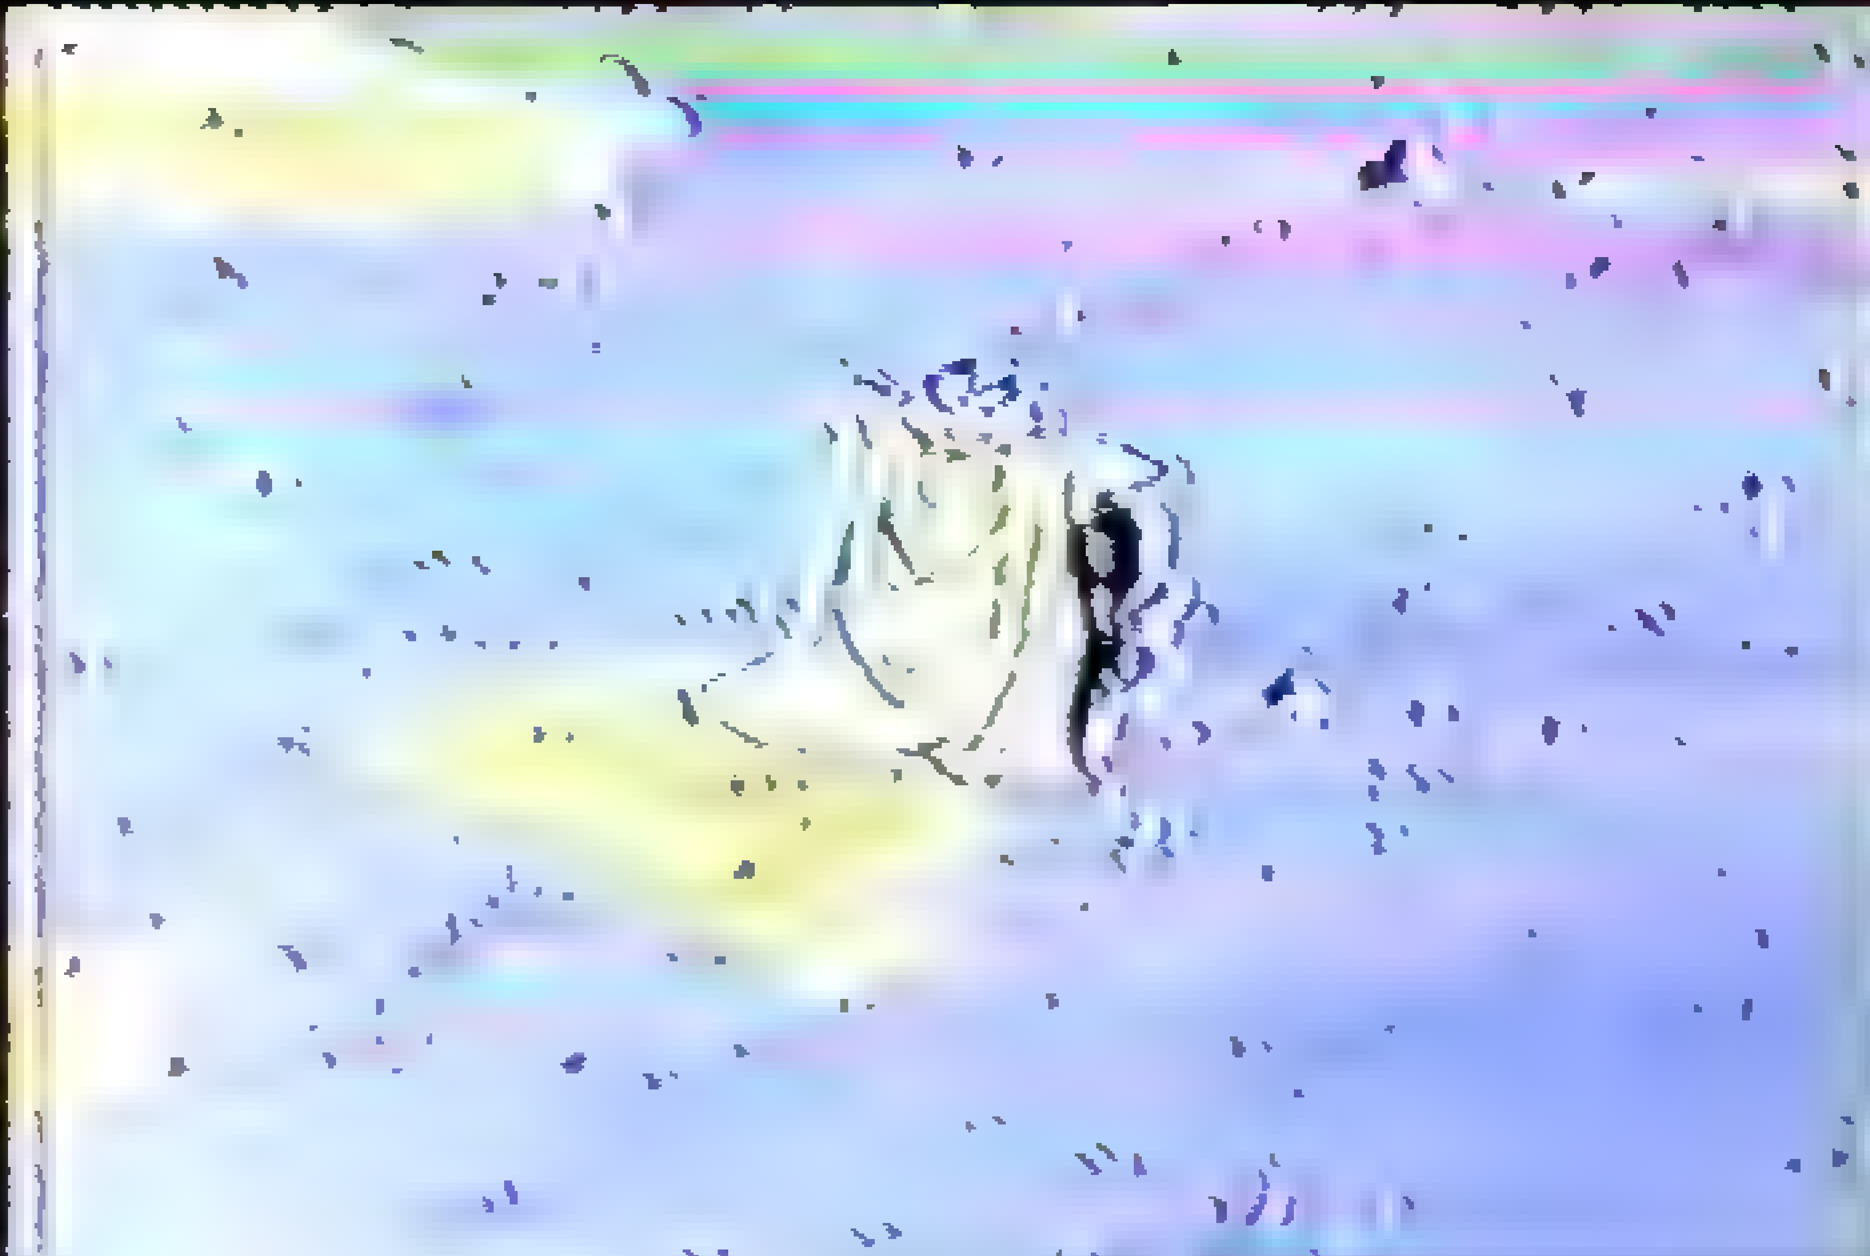

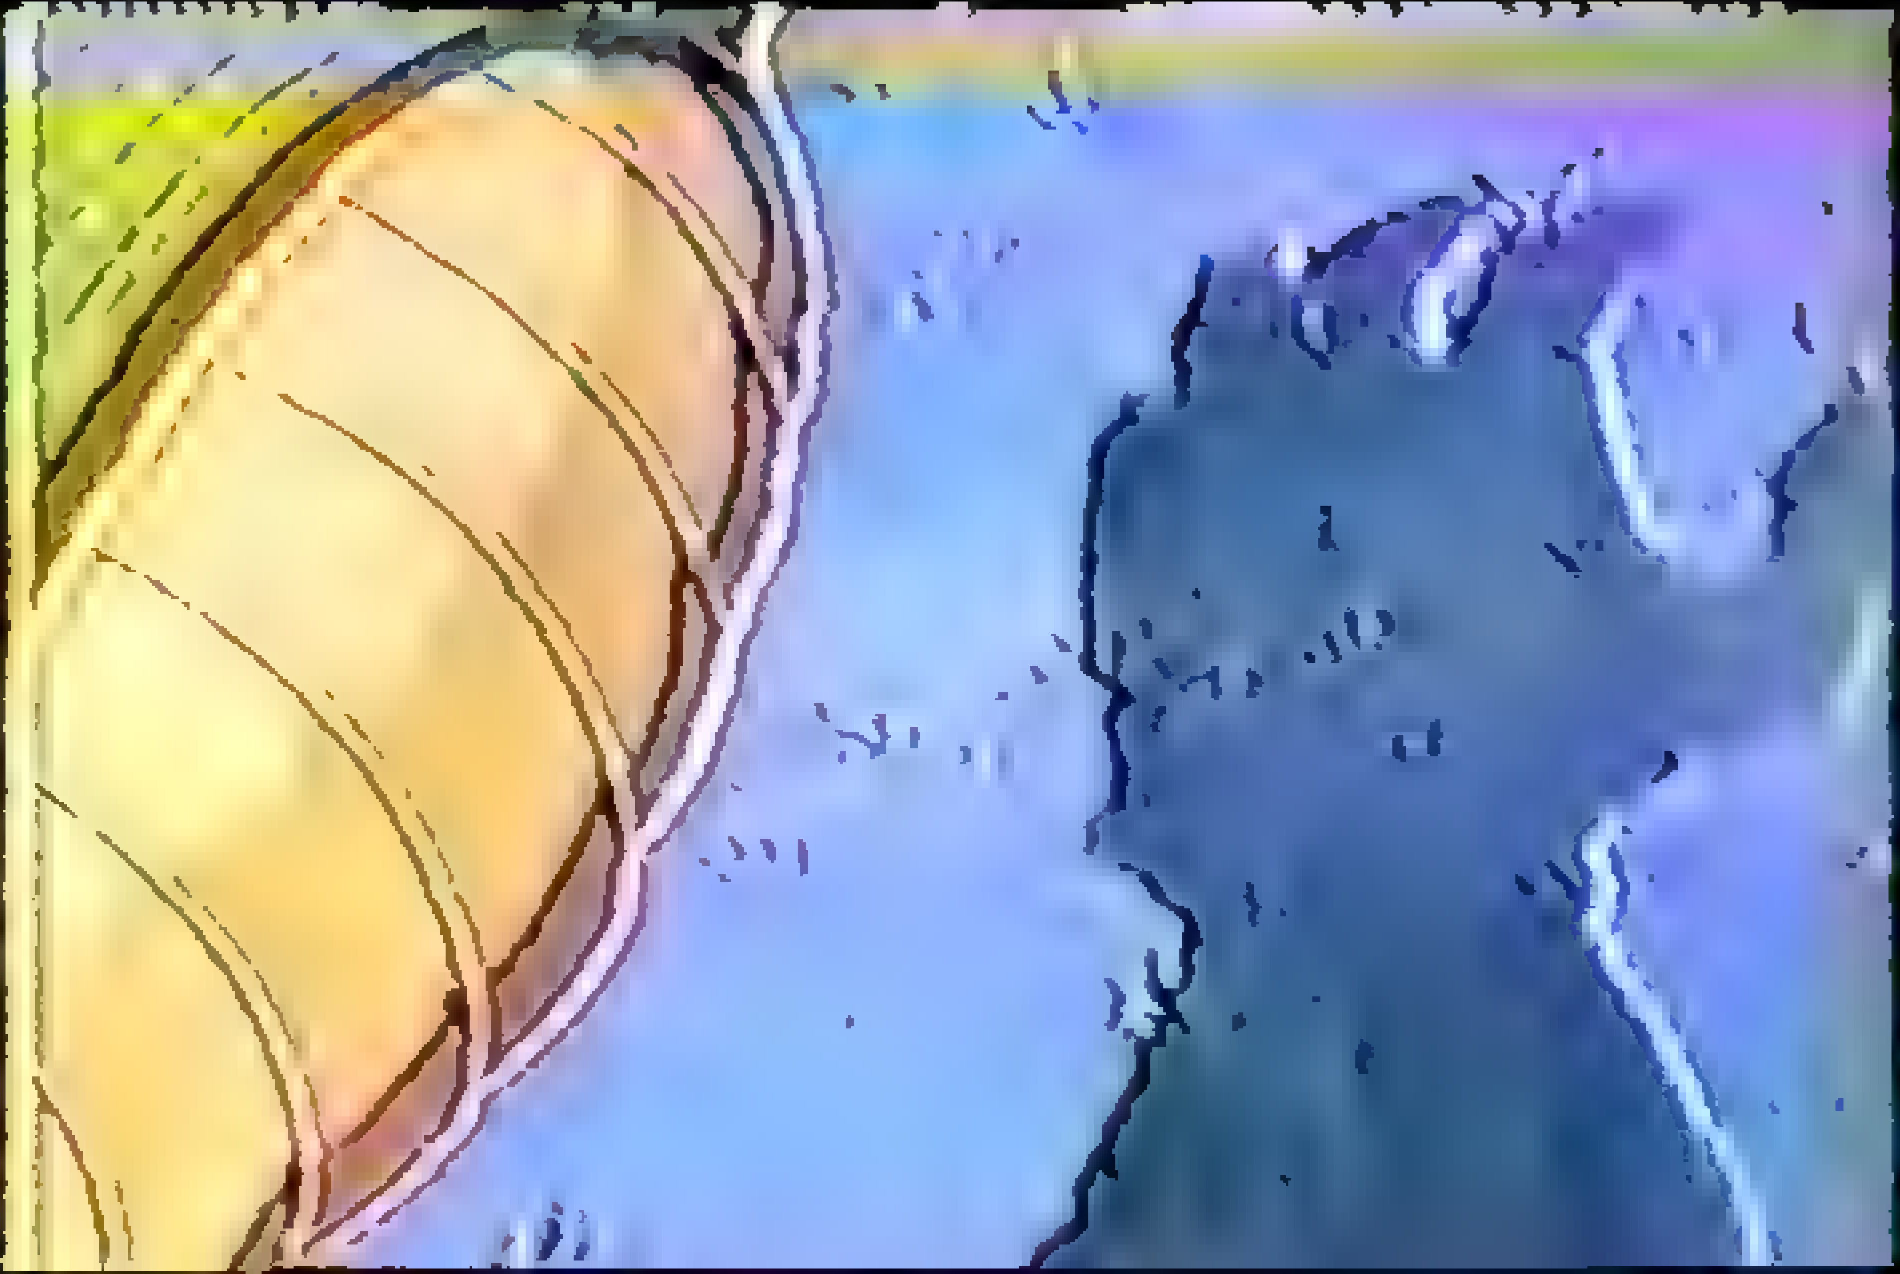

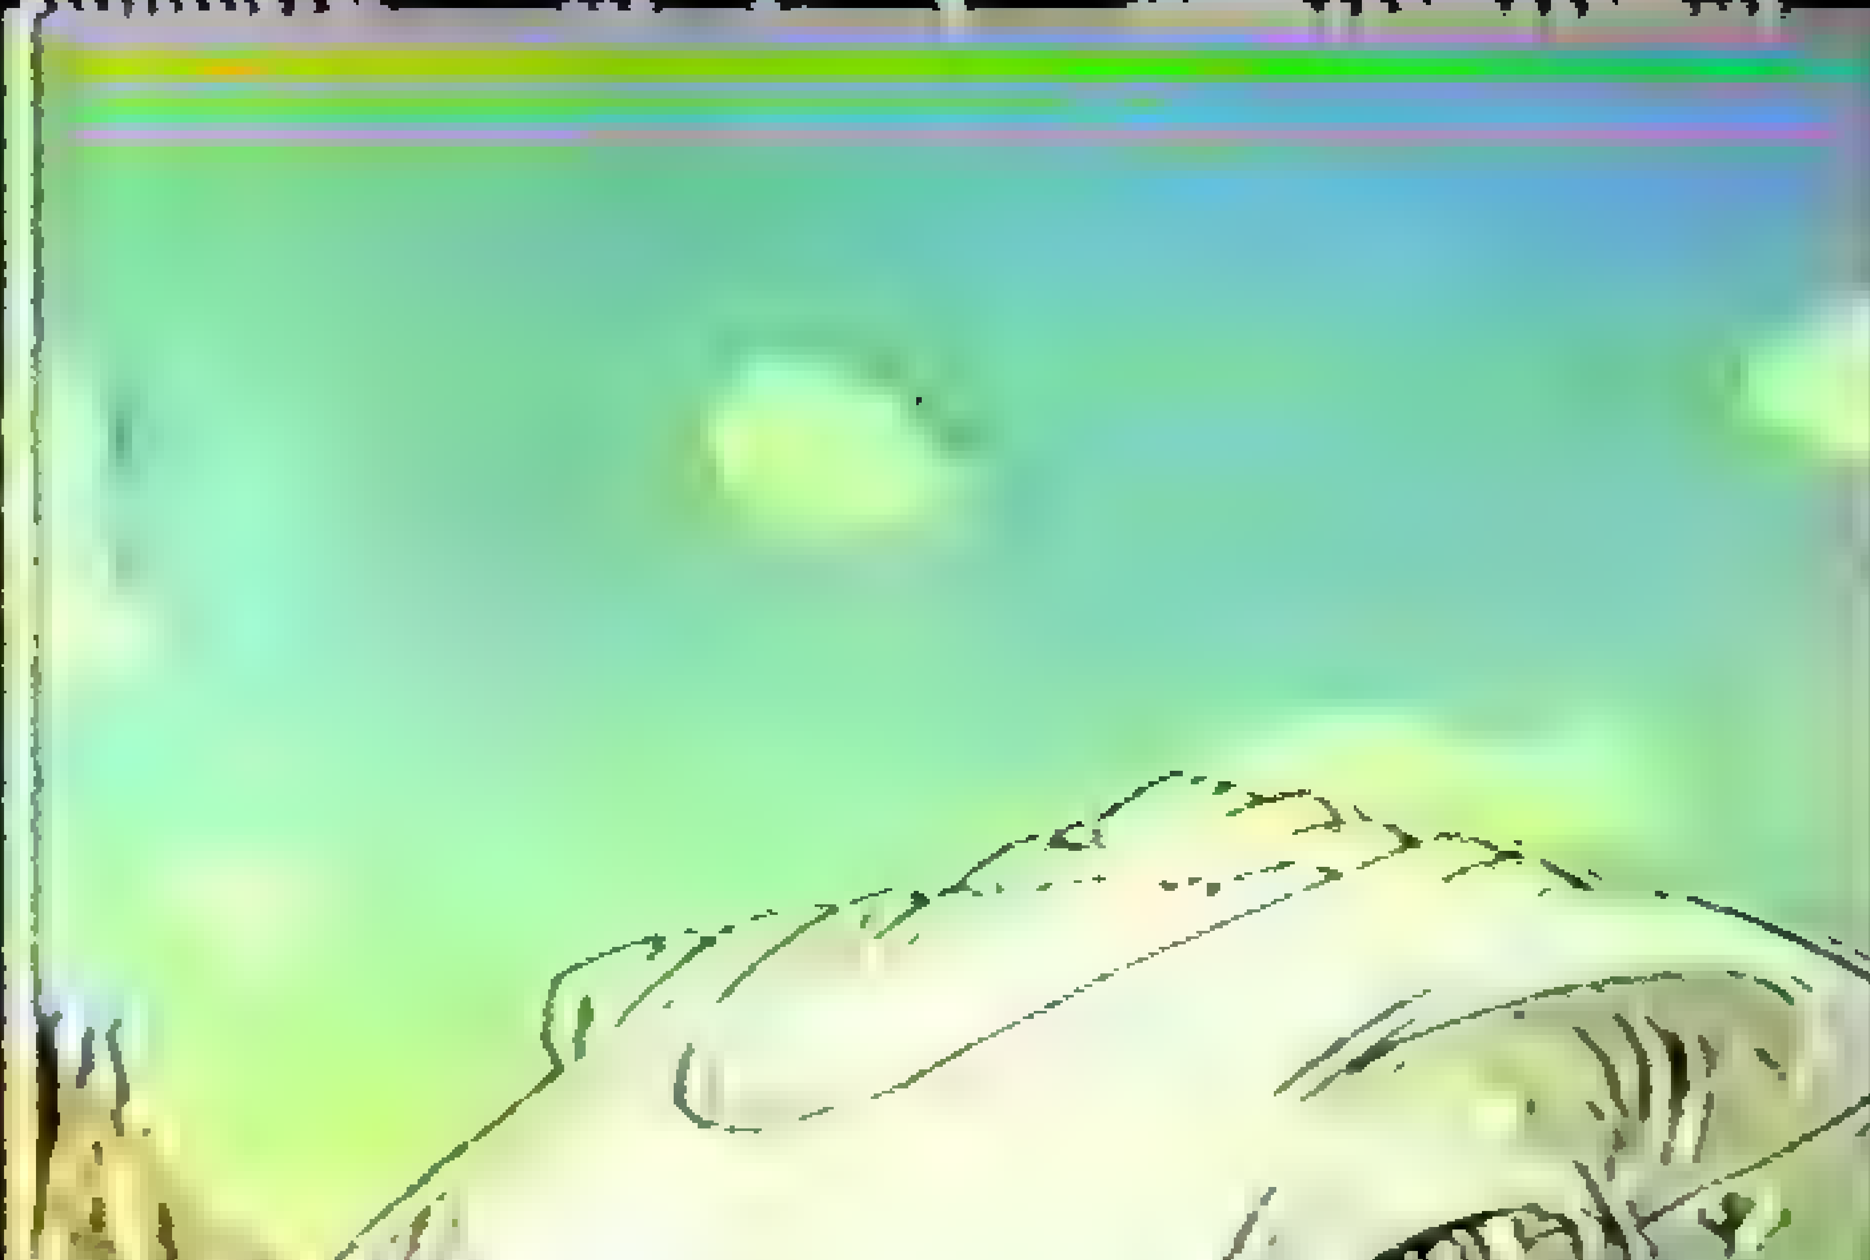

Is this what fusing is like?!

I have gained the ultimate power!

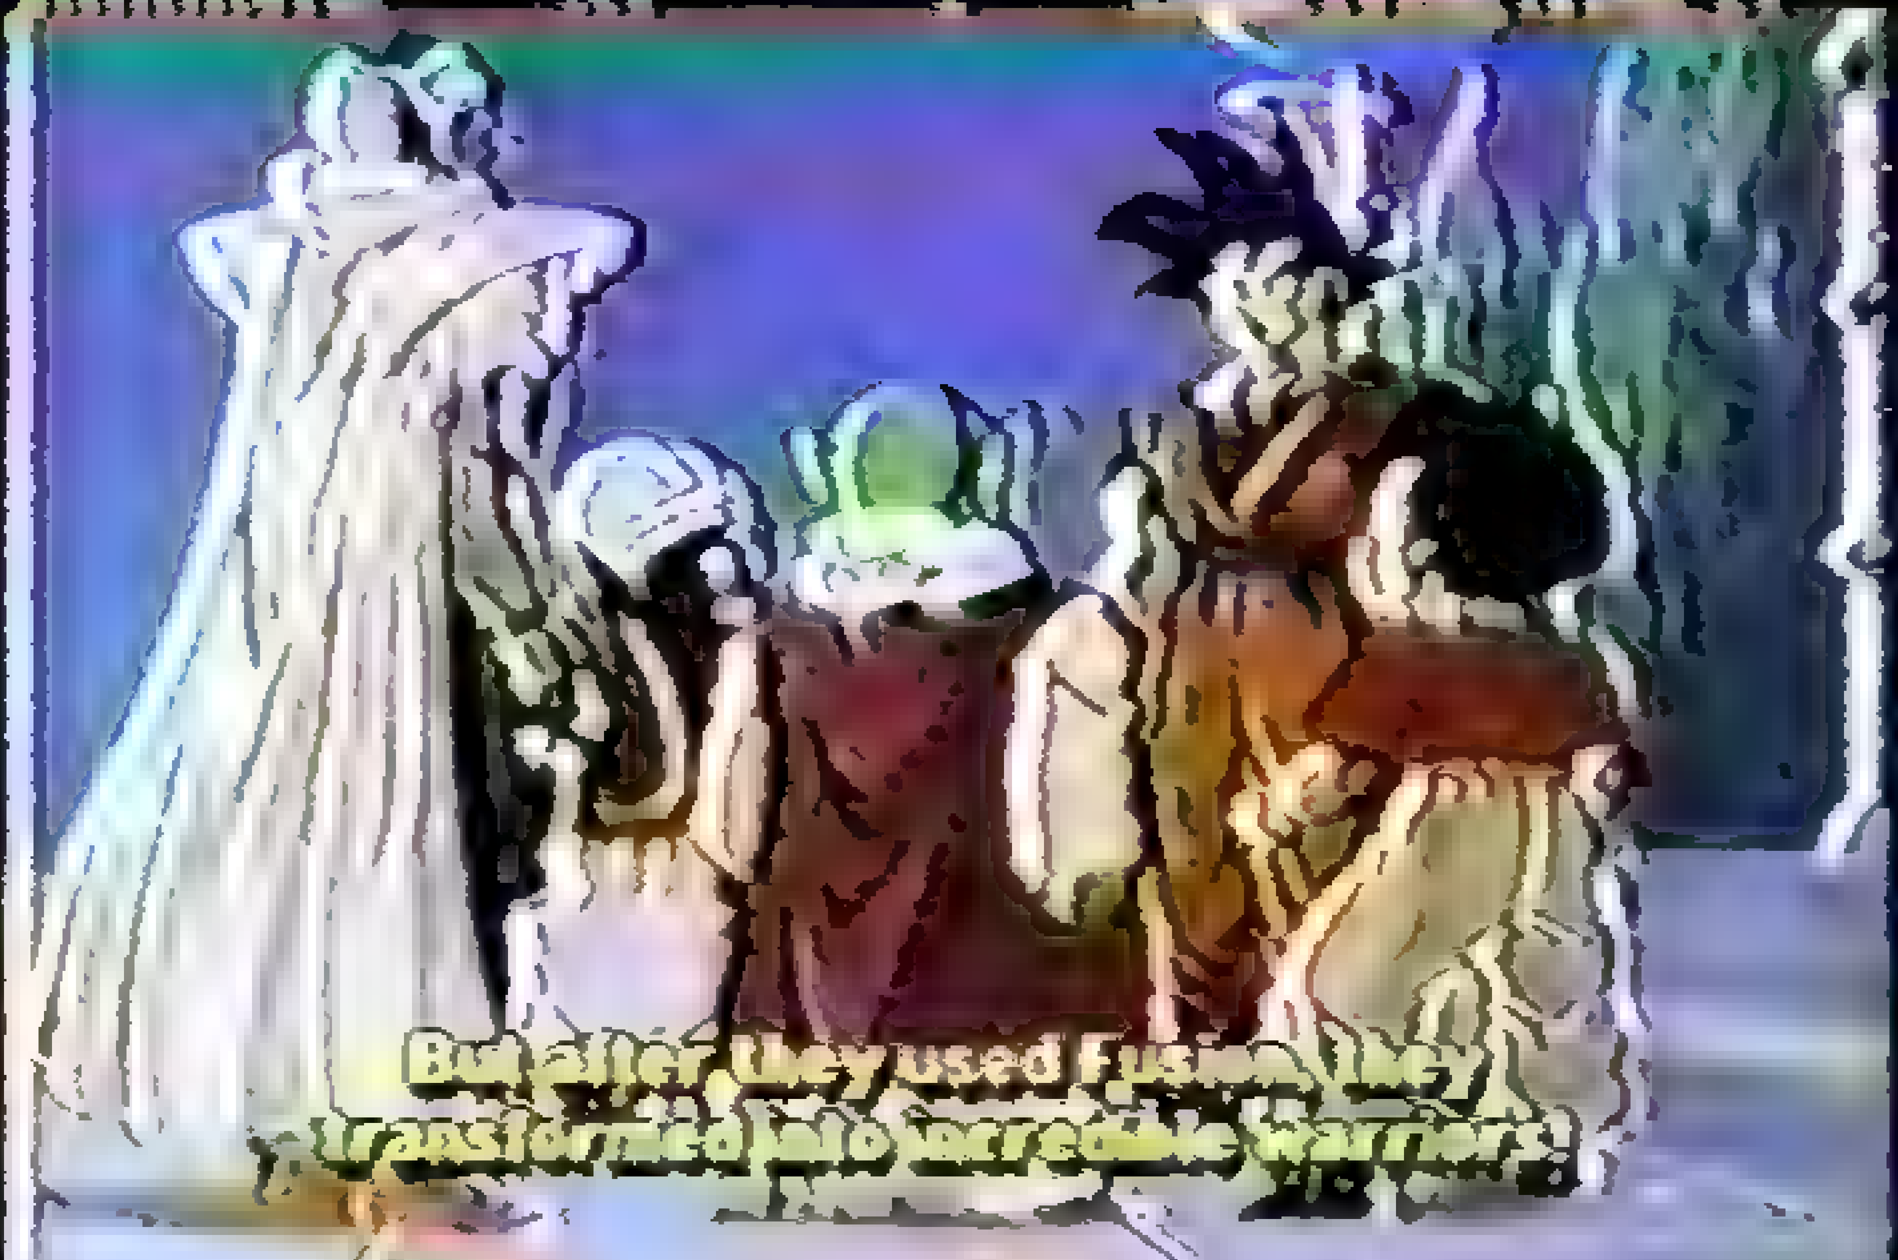

Fusion is even more powerful

that taught it
to me were pretty weak and

But after they used Fusion, they
transformed into incredible warriors!

But after they used Fusion, they
transformed into incredible warriors!

But after they used Fusion, they
transformed into incredible warriors!

I understand that you're saying...

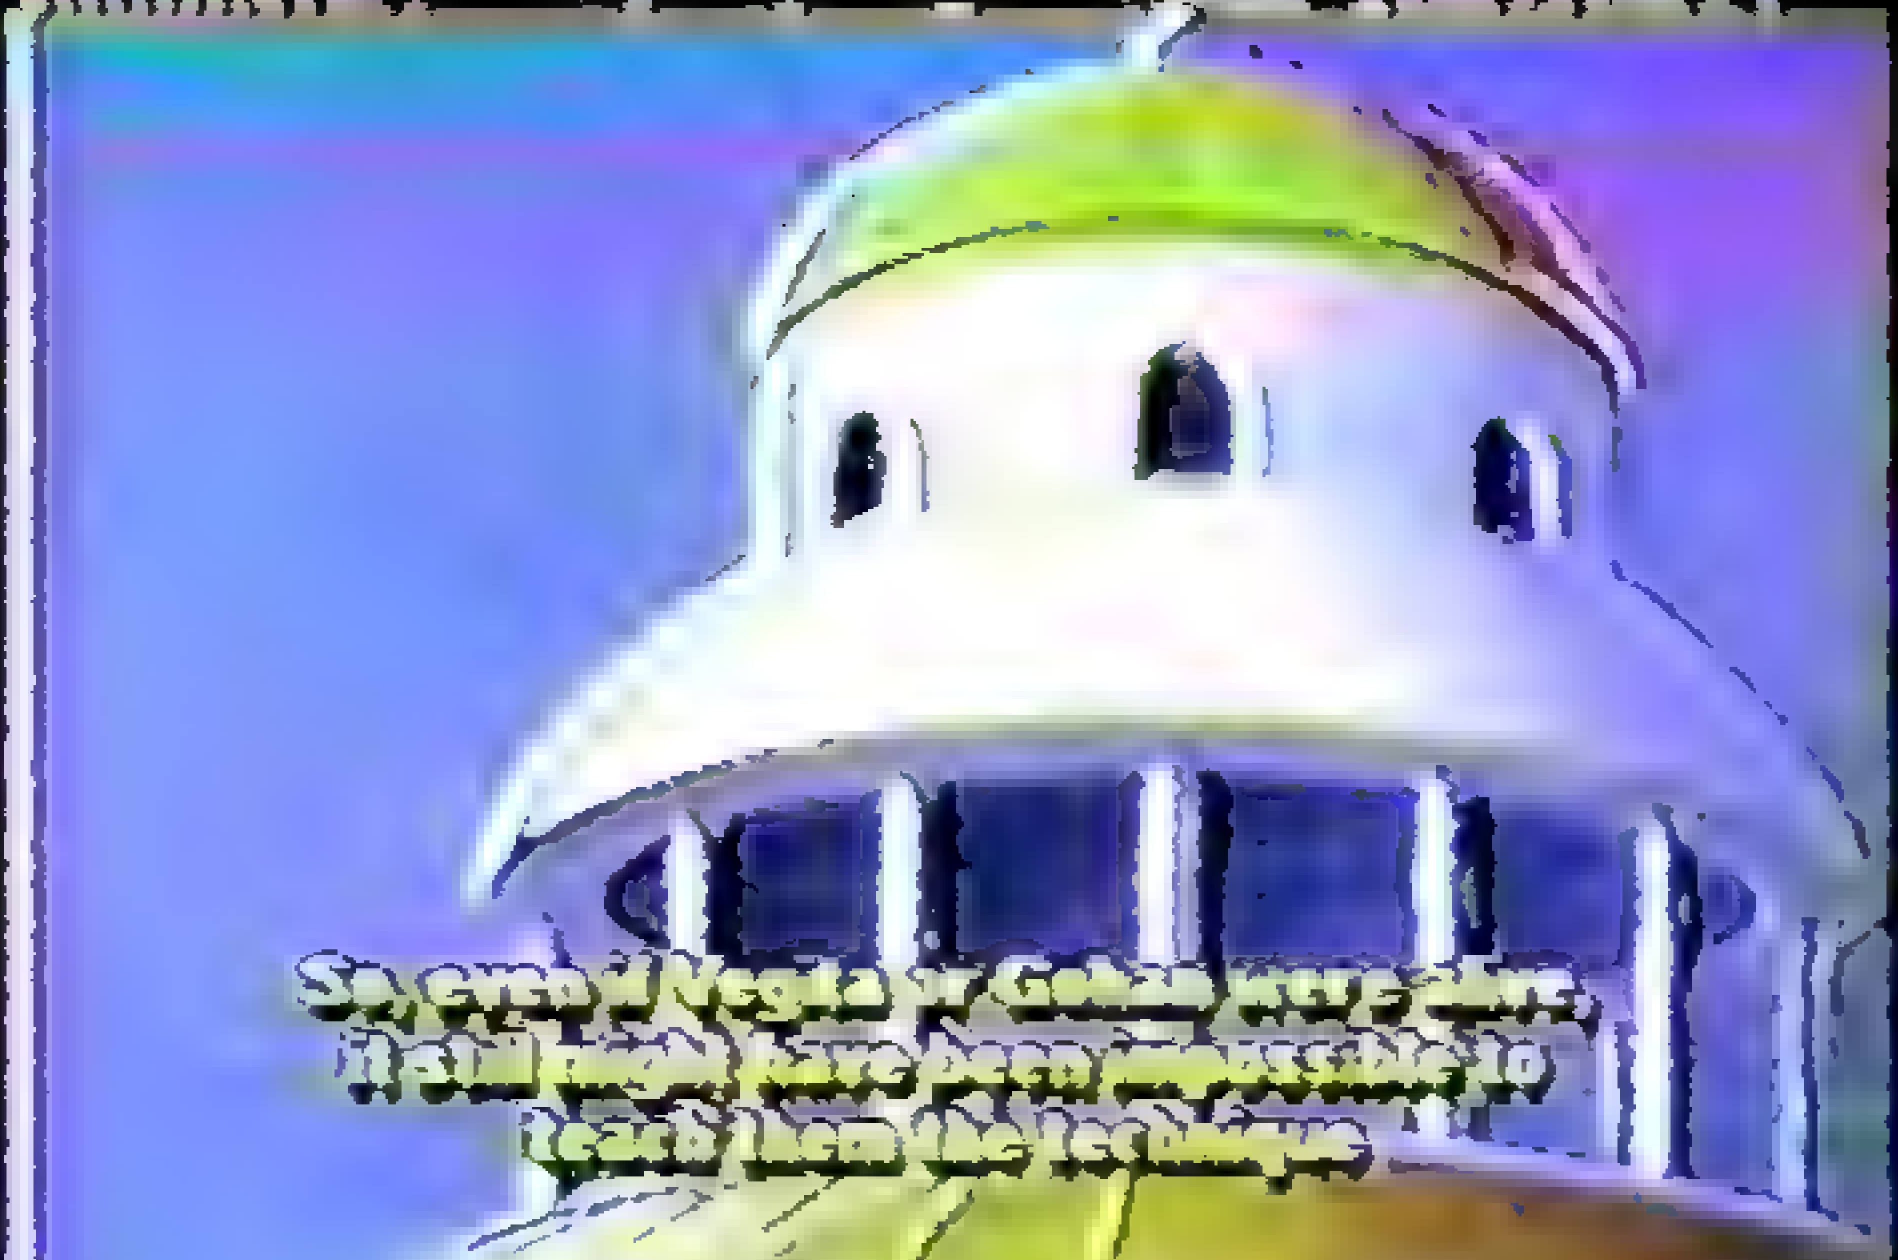

It took me about a week to learn the technique

So, even if Vegeta or Gohan were alive,
it still might have been impossible to
teach them the technique

So, even if Vegeta or Gohan were alive,
it still might have been impossible to
learn them the technique

Then again, I've only learned
the technique, I've never used it

Then again, I've only learned
the technique, I've never used it

There was no one like me in the after-life

I guess it was just a dream

You're going back to the
alter-like pretty soon, aren't you

So, the dead Gohan and Vegeta would be there?!

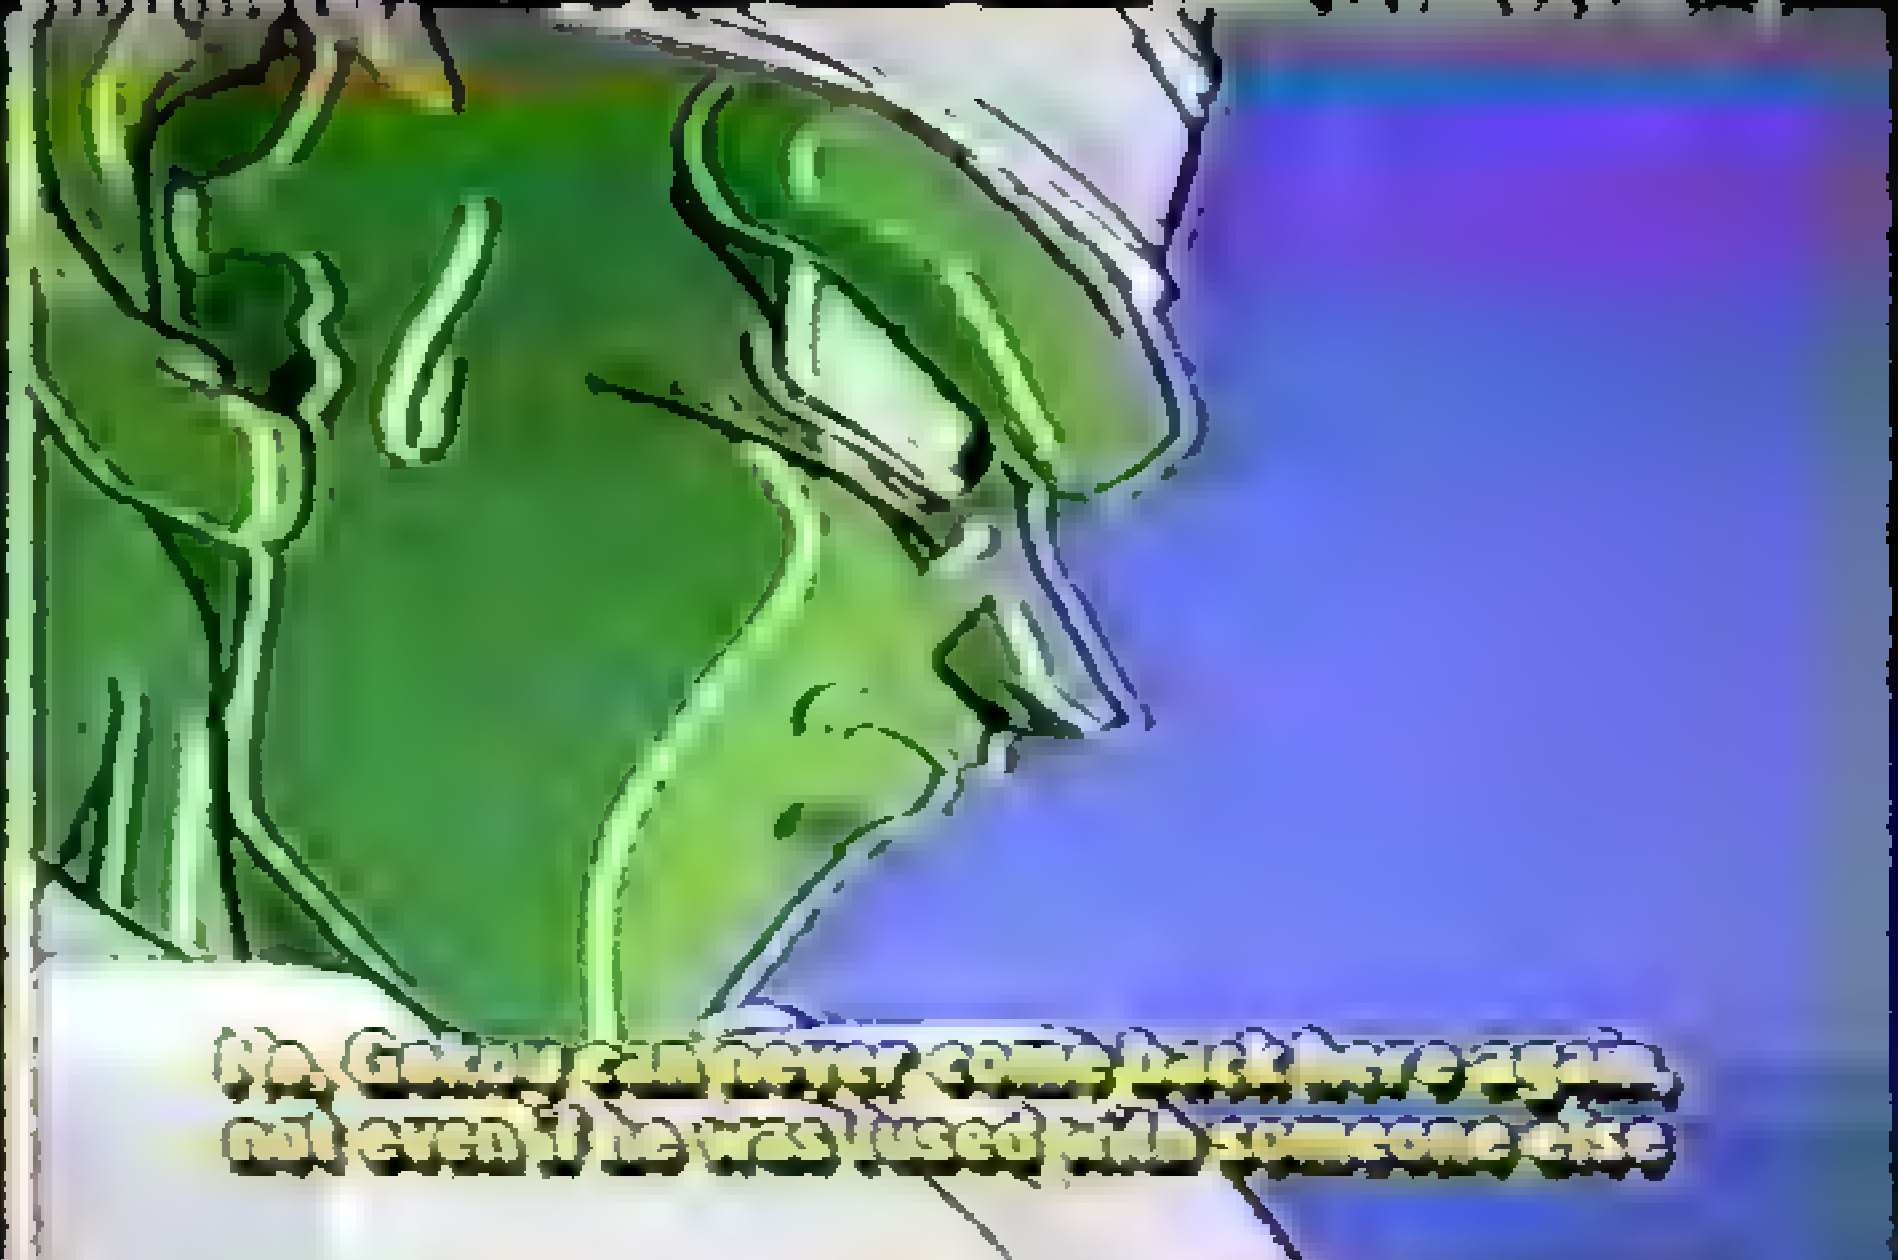

So the dead Gohan and Vegeta would be

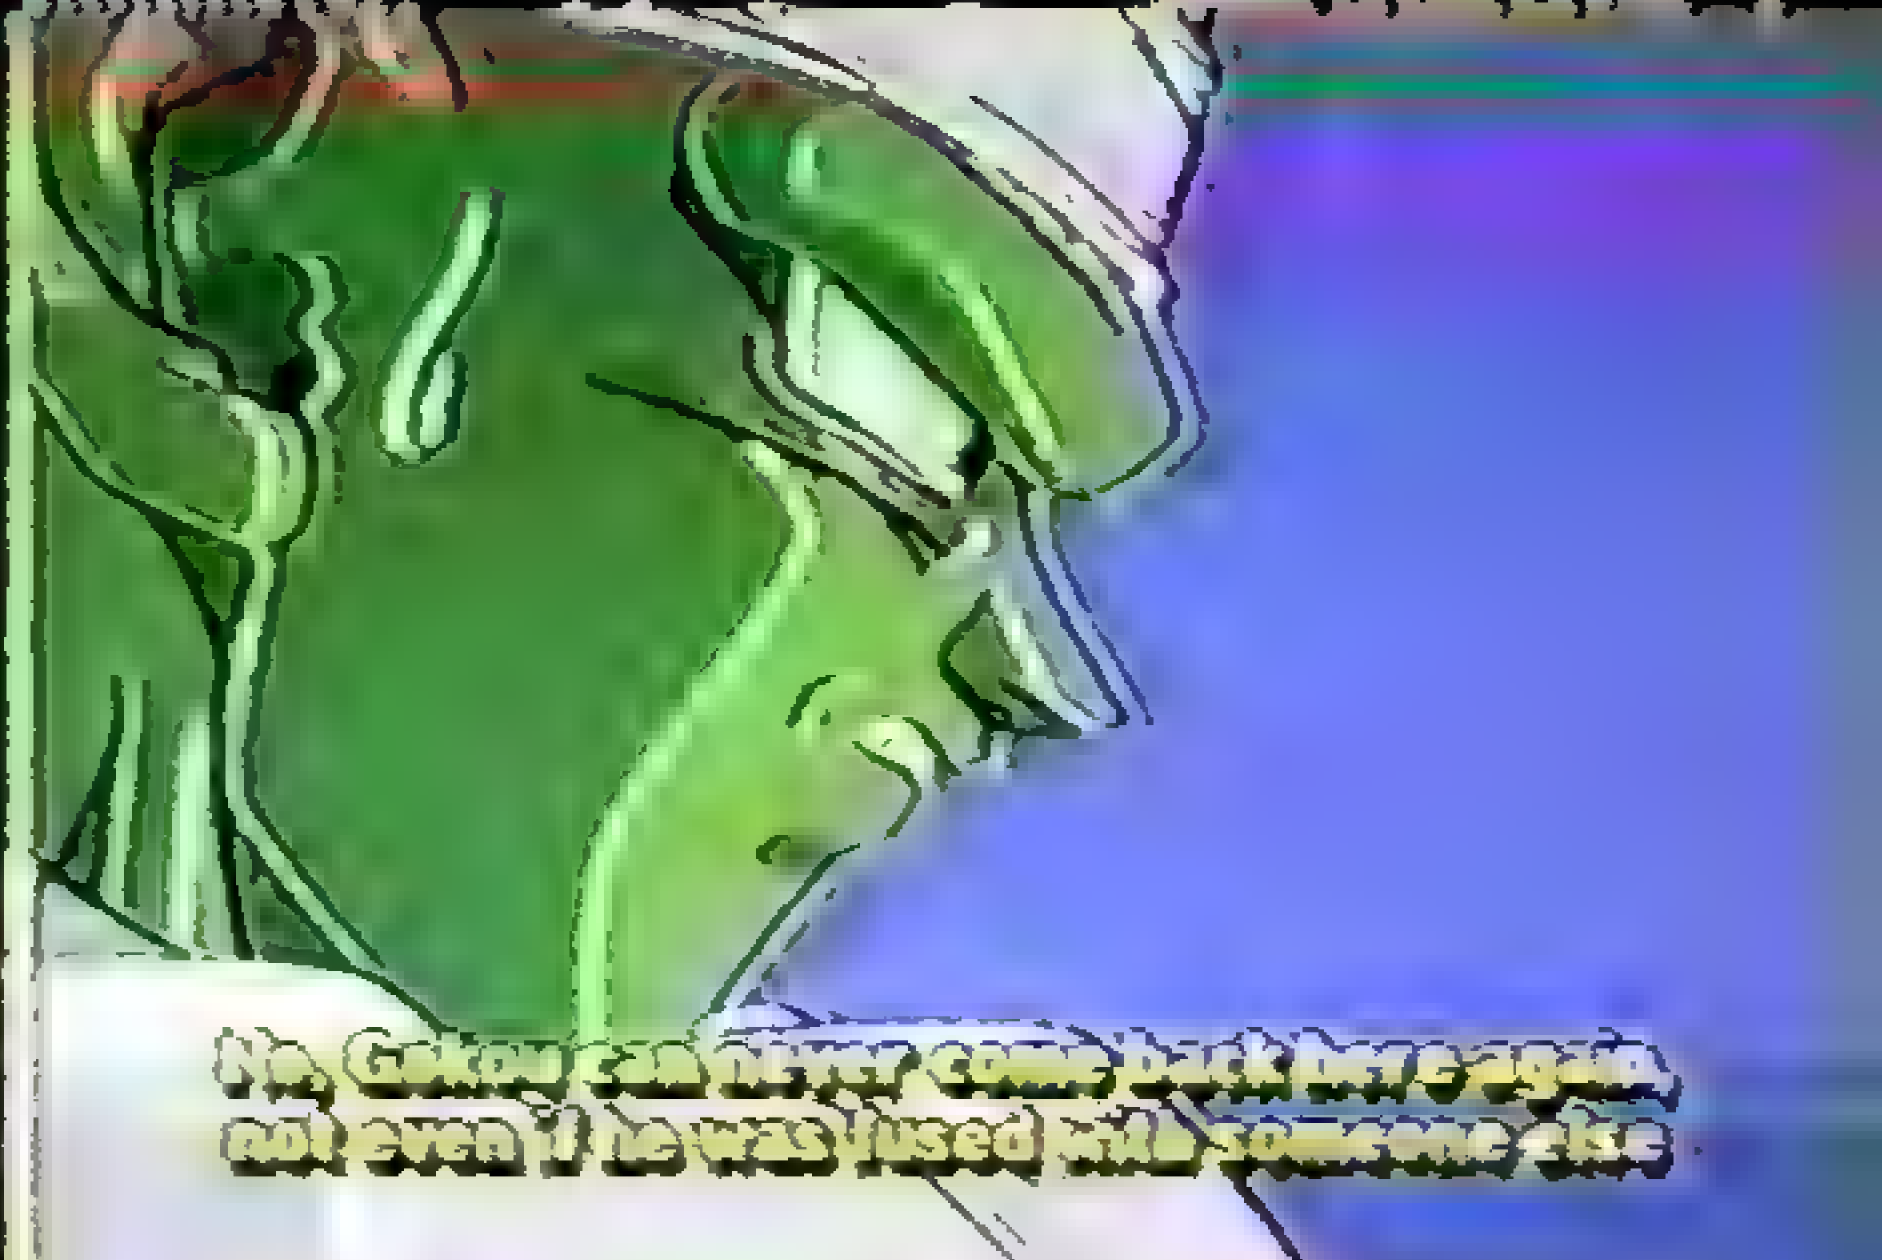

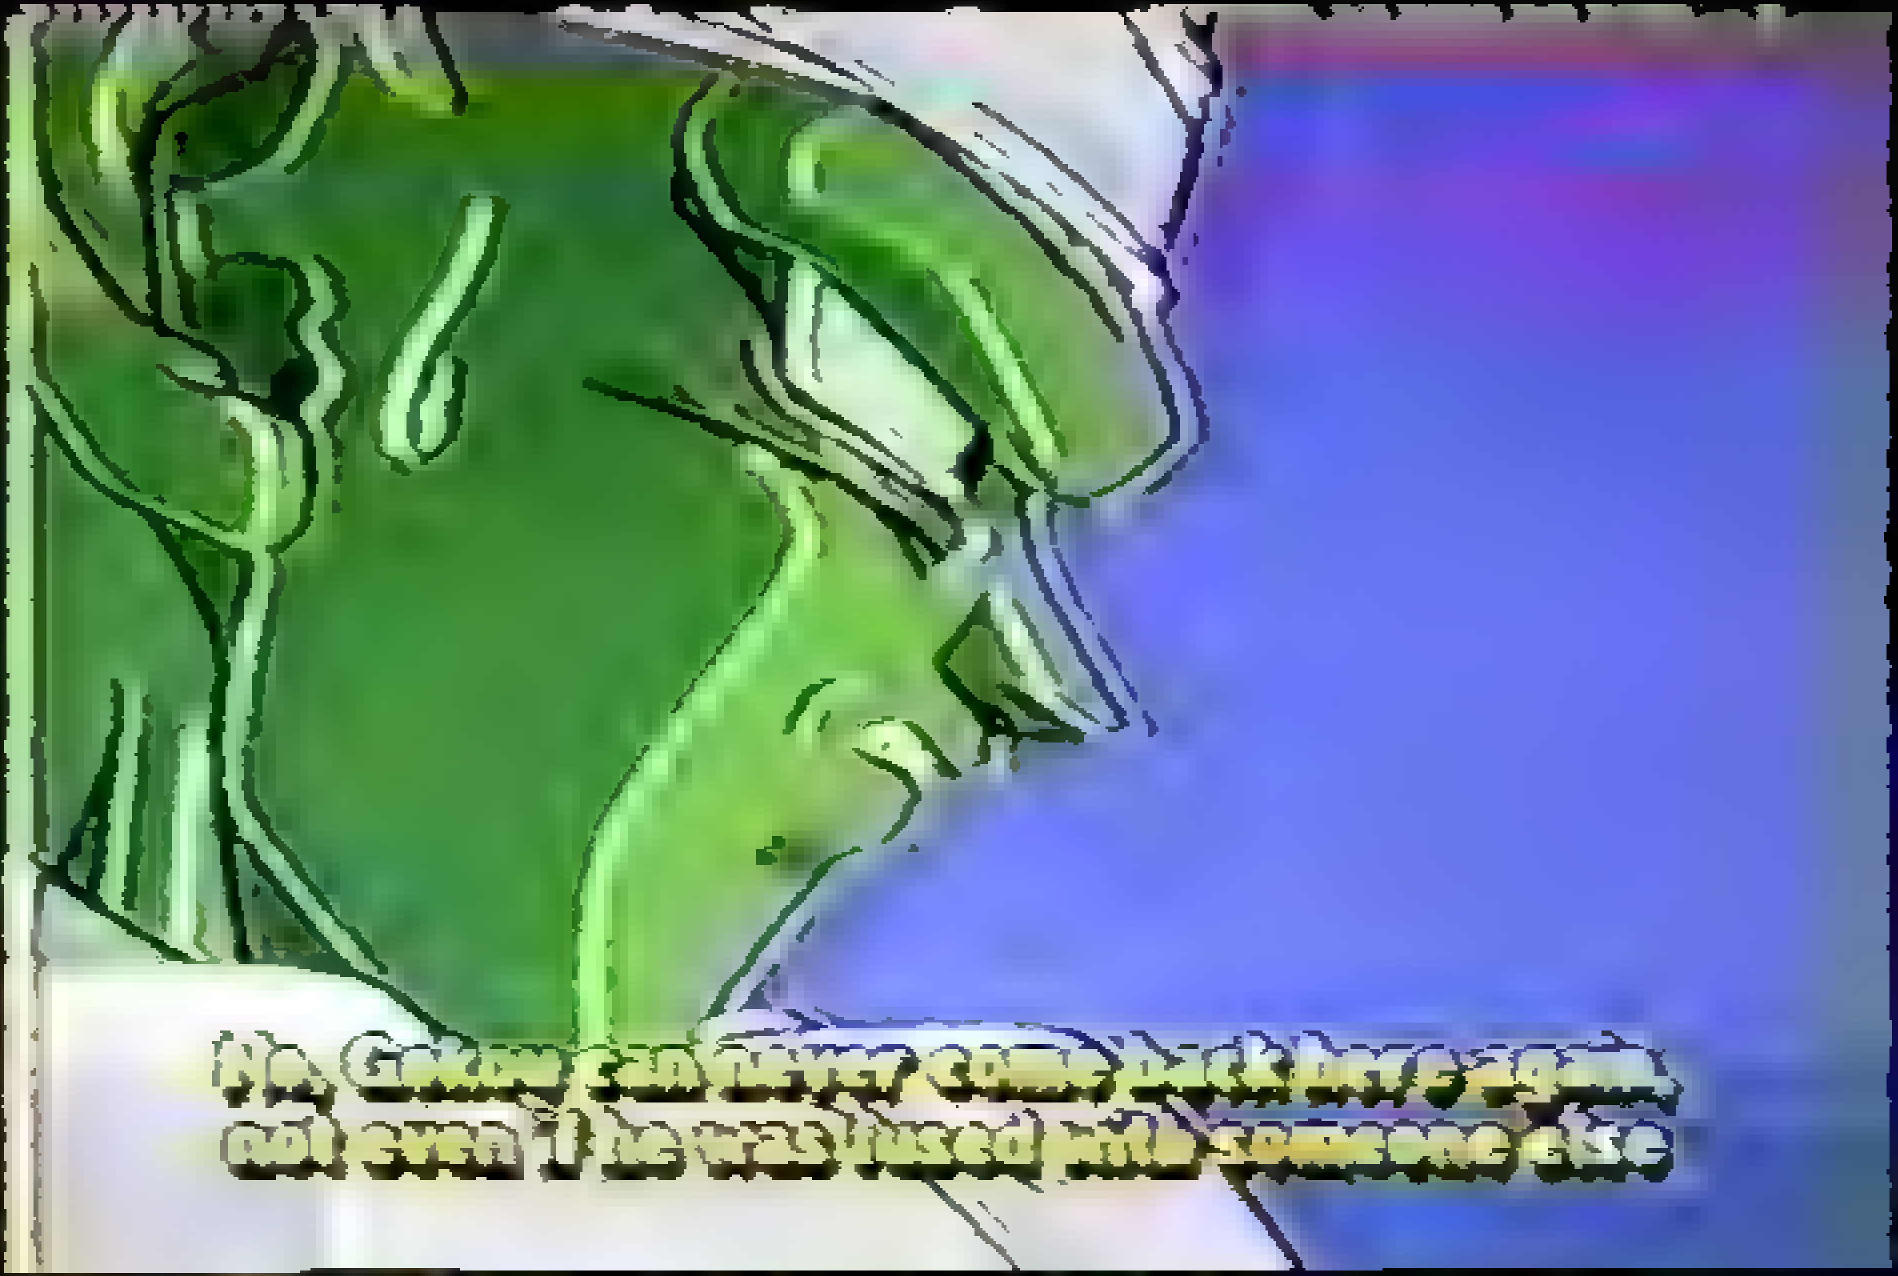

You could fuse with them,

No, Gokou can never come back here again,
not even if he was fused with someone else

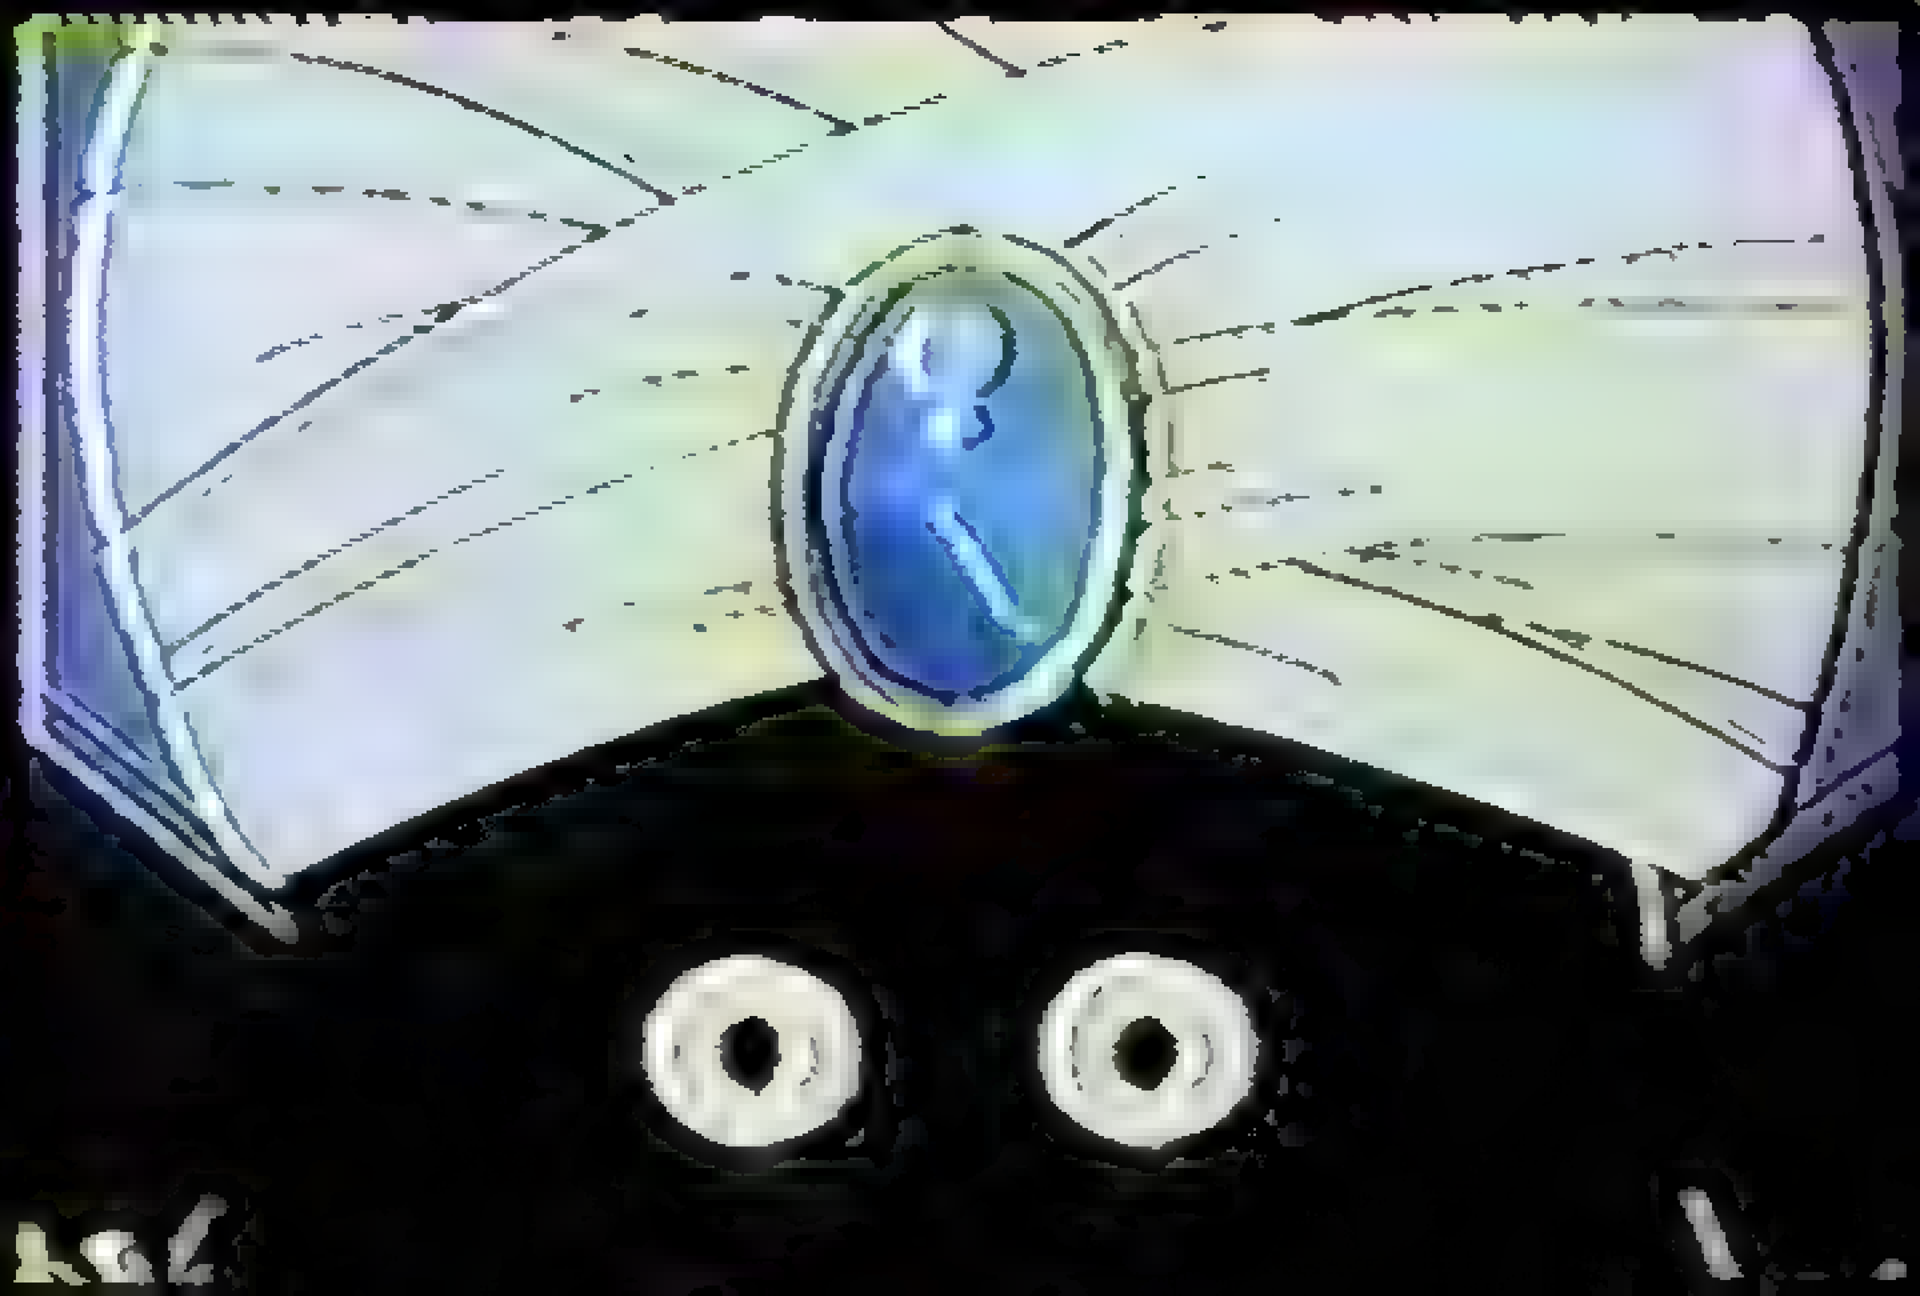

No, Gokou can never come back here again,
not even if he was fused with someone else

No, Gokou can never come back here again,
not even if he was fused with someone else

What about the two sleeping inside?

Goten and Trunks are about
the same size and power...

Could they use Fusion?

they use

Way to go, Mr. Popo

Way to go, Mr. Popo
You saved us!

Way to go, Mr. Popo.
You saved us!

I'm going to teach the kids the Fusion as long
as I can, but there's still isn't enough time

I'm going to teach the kids the Fusion as long

Piccolo, you can continue
their training after I'm gone

Piccolo, you can continue
their training after I'm gone

These kids might be able to pull this off!

Trunks and Goten to
the Fusion

It seems like it would take a long
time for Trunks and Goten to
master the Fusion technique...

A lot of humans are going to be
sacrificed to Majin Boo in that

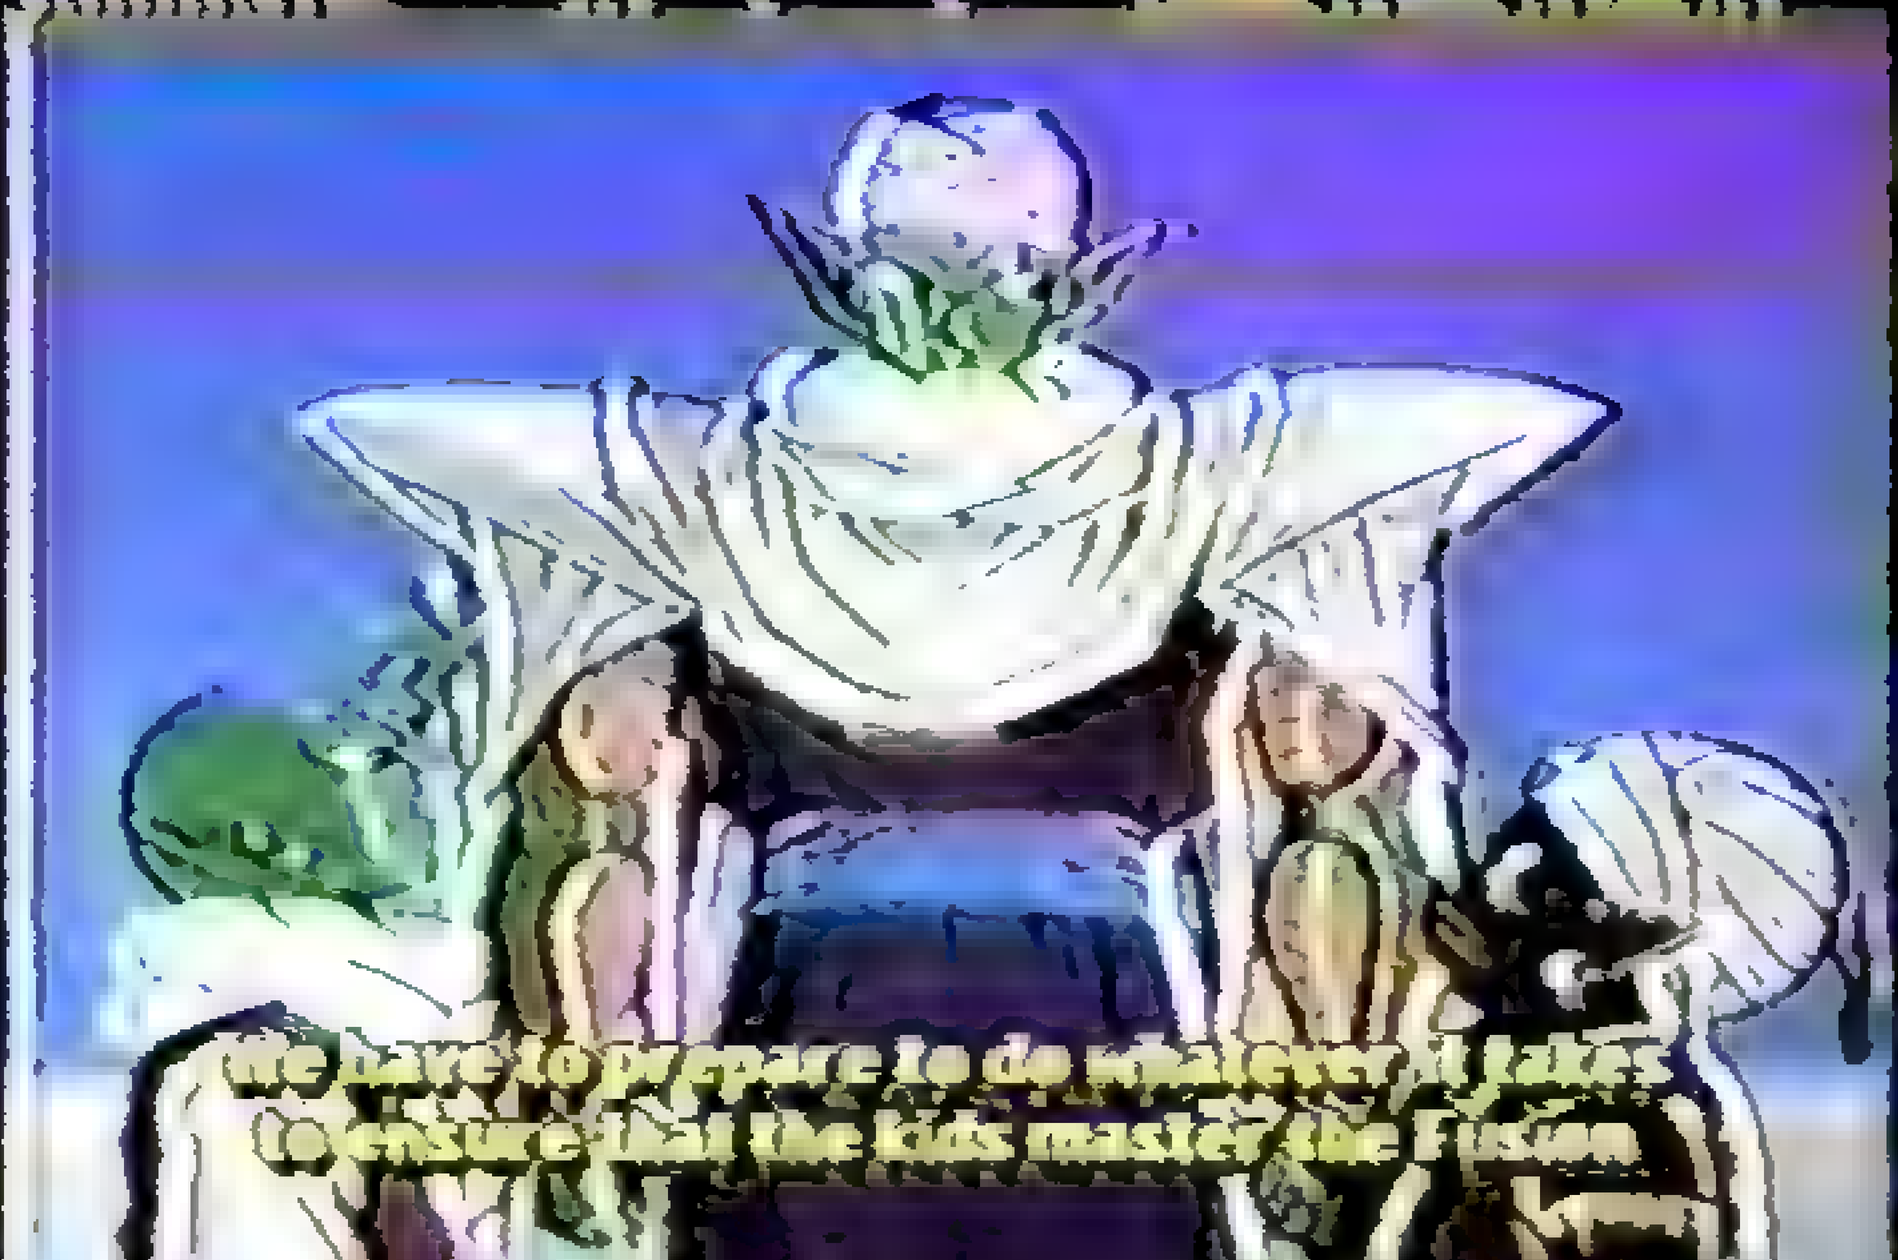

A lot of humans are going to be sacrificed to Majin Boo in that time...

In fact all of humanity, maybe the
entire planet might be destroyed

That's our gamble — Are
to take the risk?

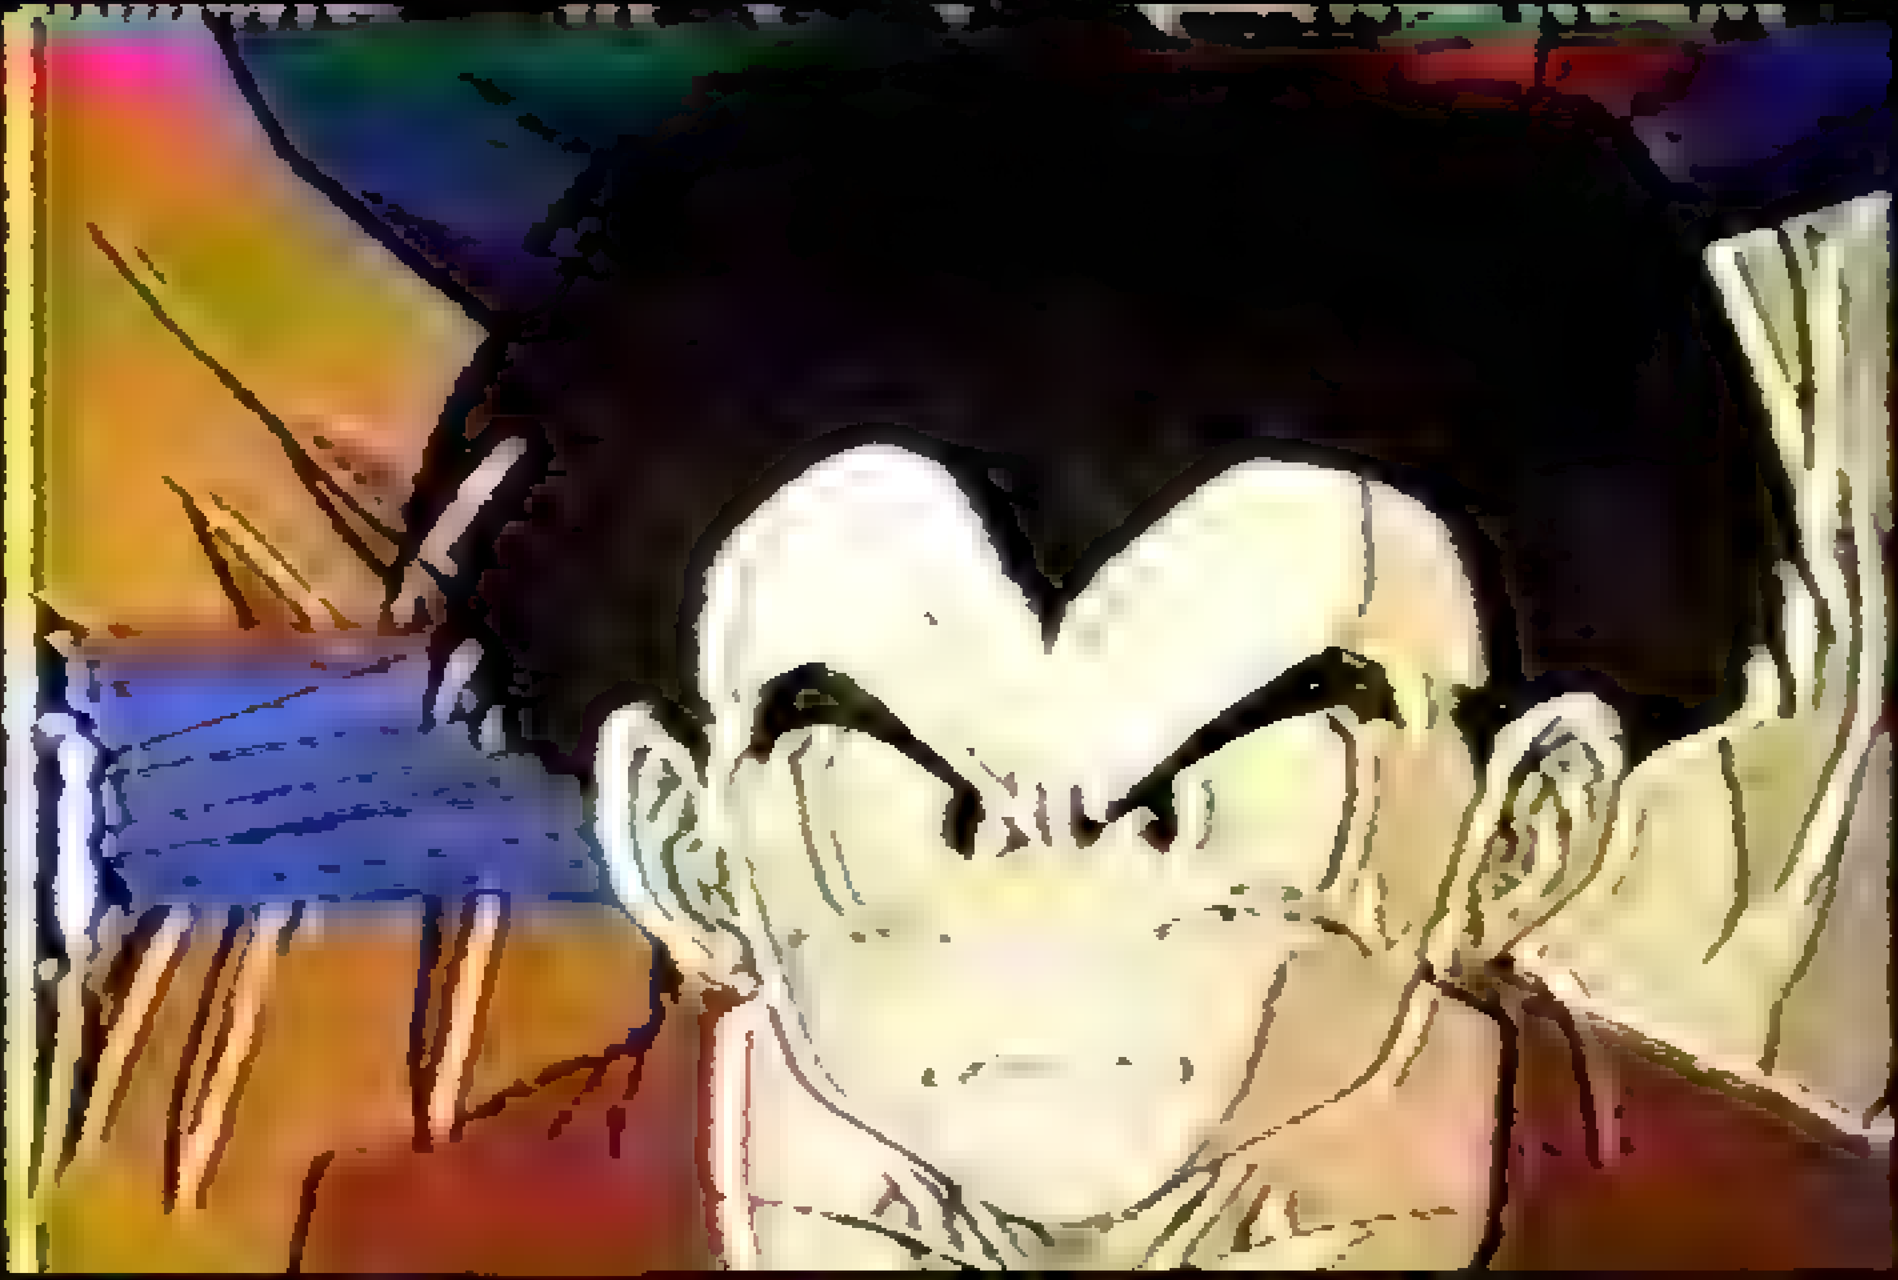

We have to prepare to do whatever it takes
to ensure that the kids master the Fusion.

We have to prepare to do whatever it takes
to ensure that the kids master the Fusion

We have to prepare to do whatever it takes
to ensure that the kids master the Fusion

still around, we'll be
able to bring everyone back

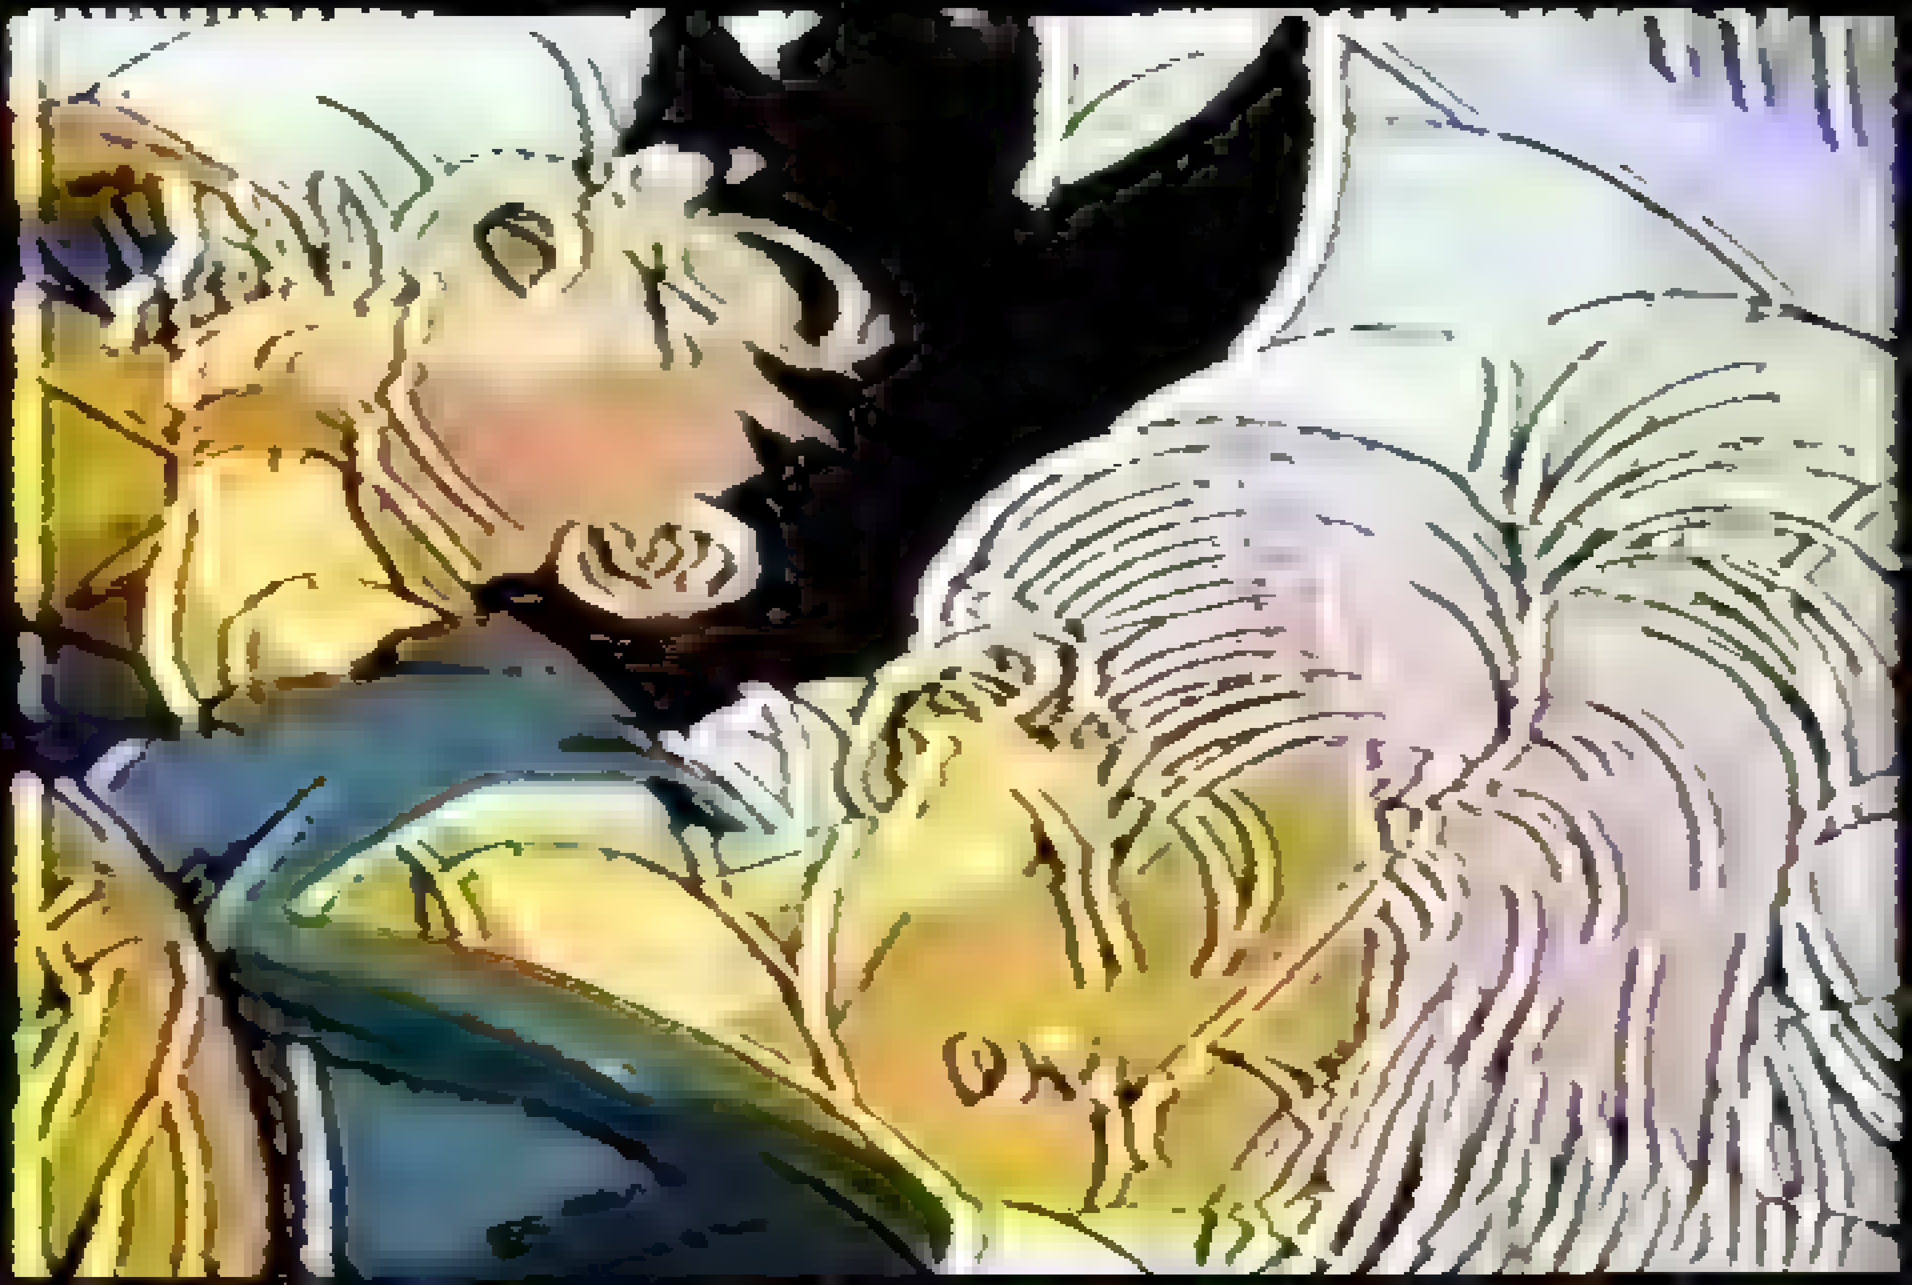

We still have hope

We still have hope

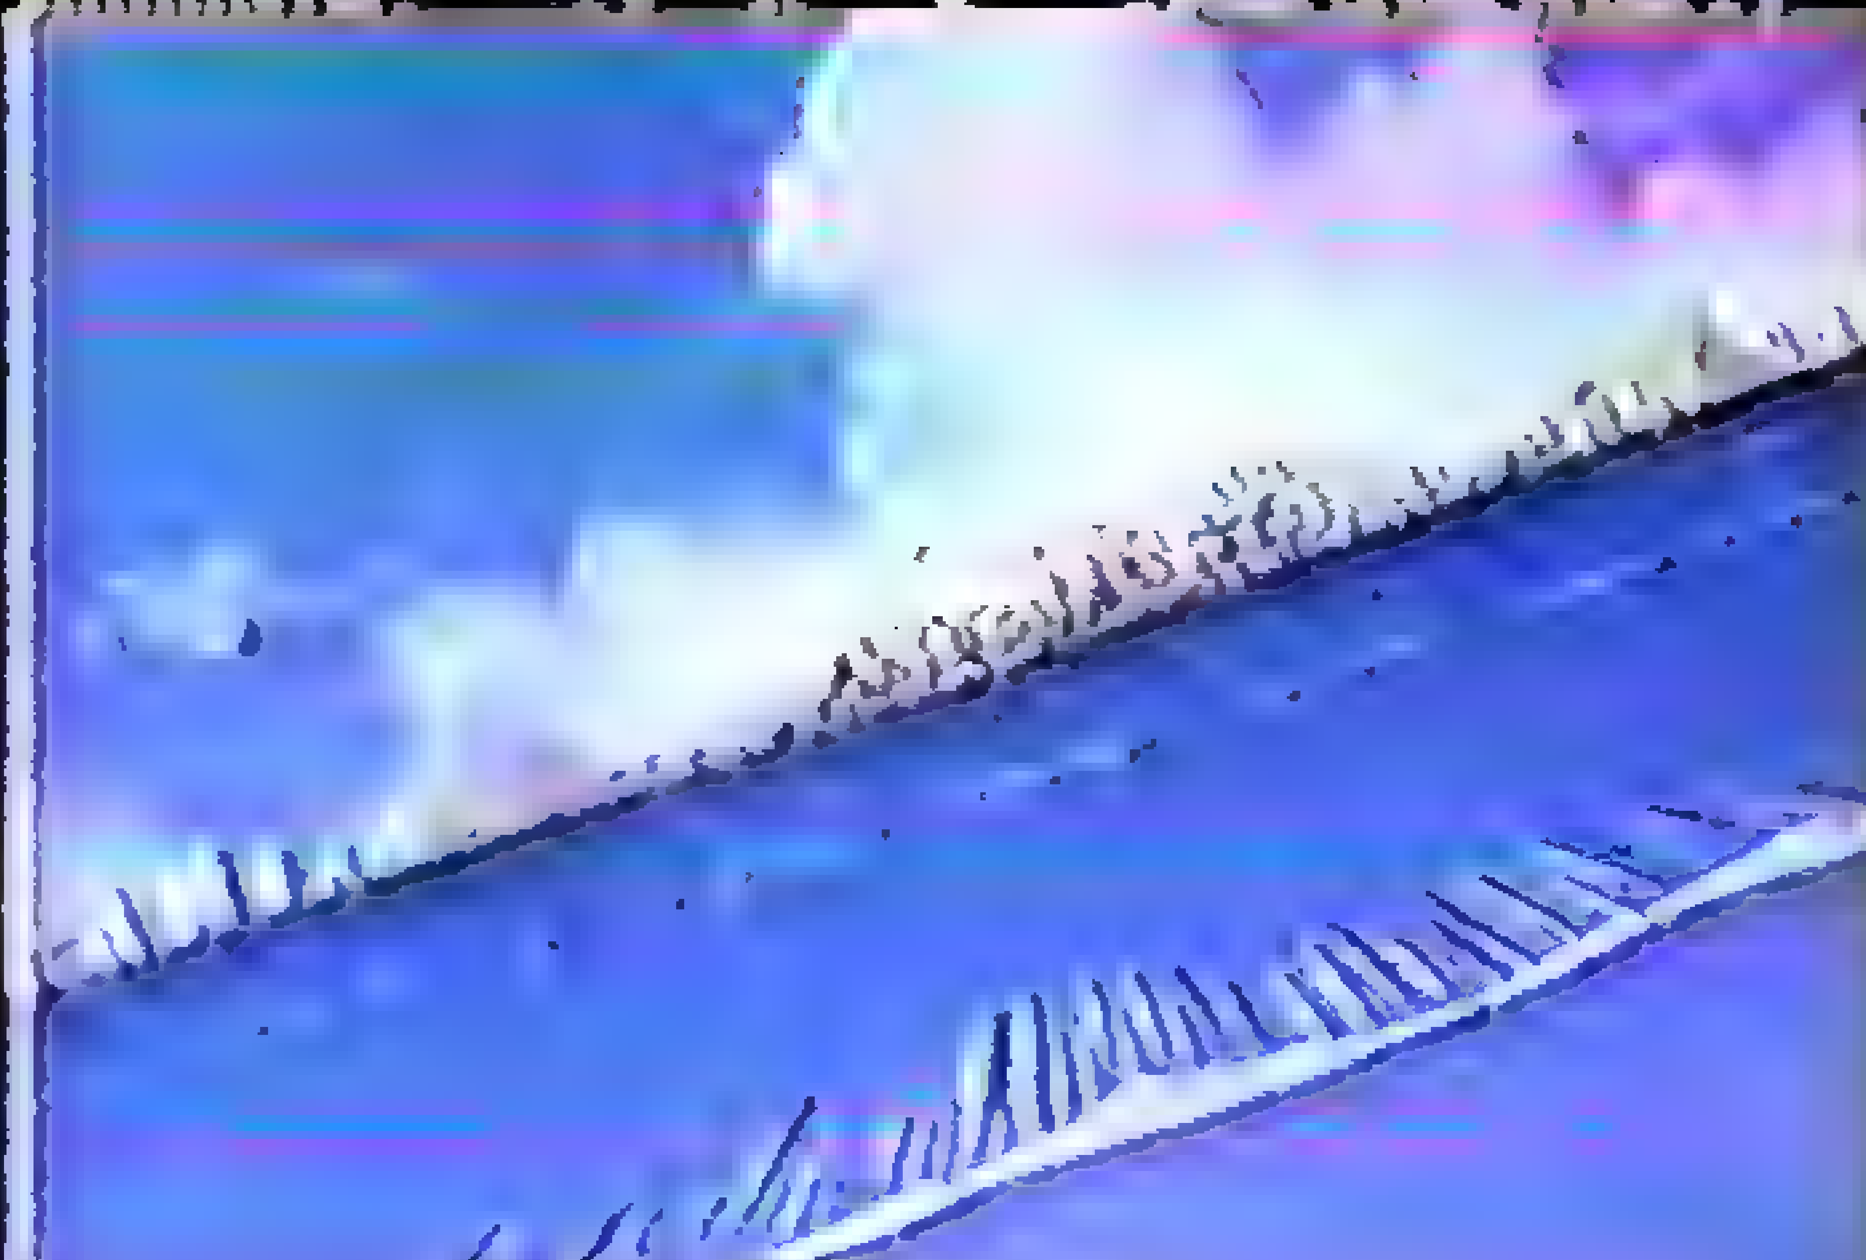

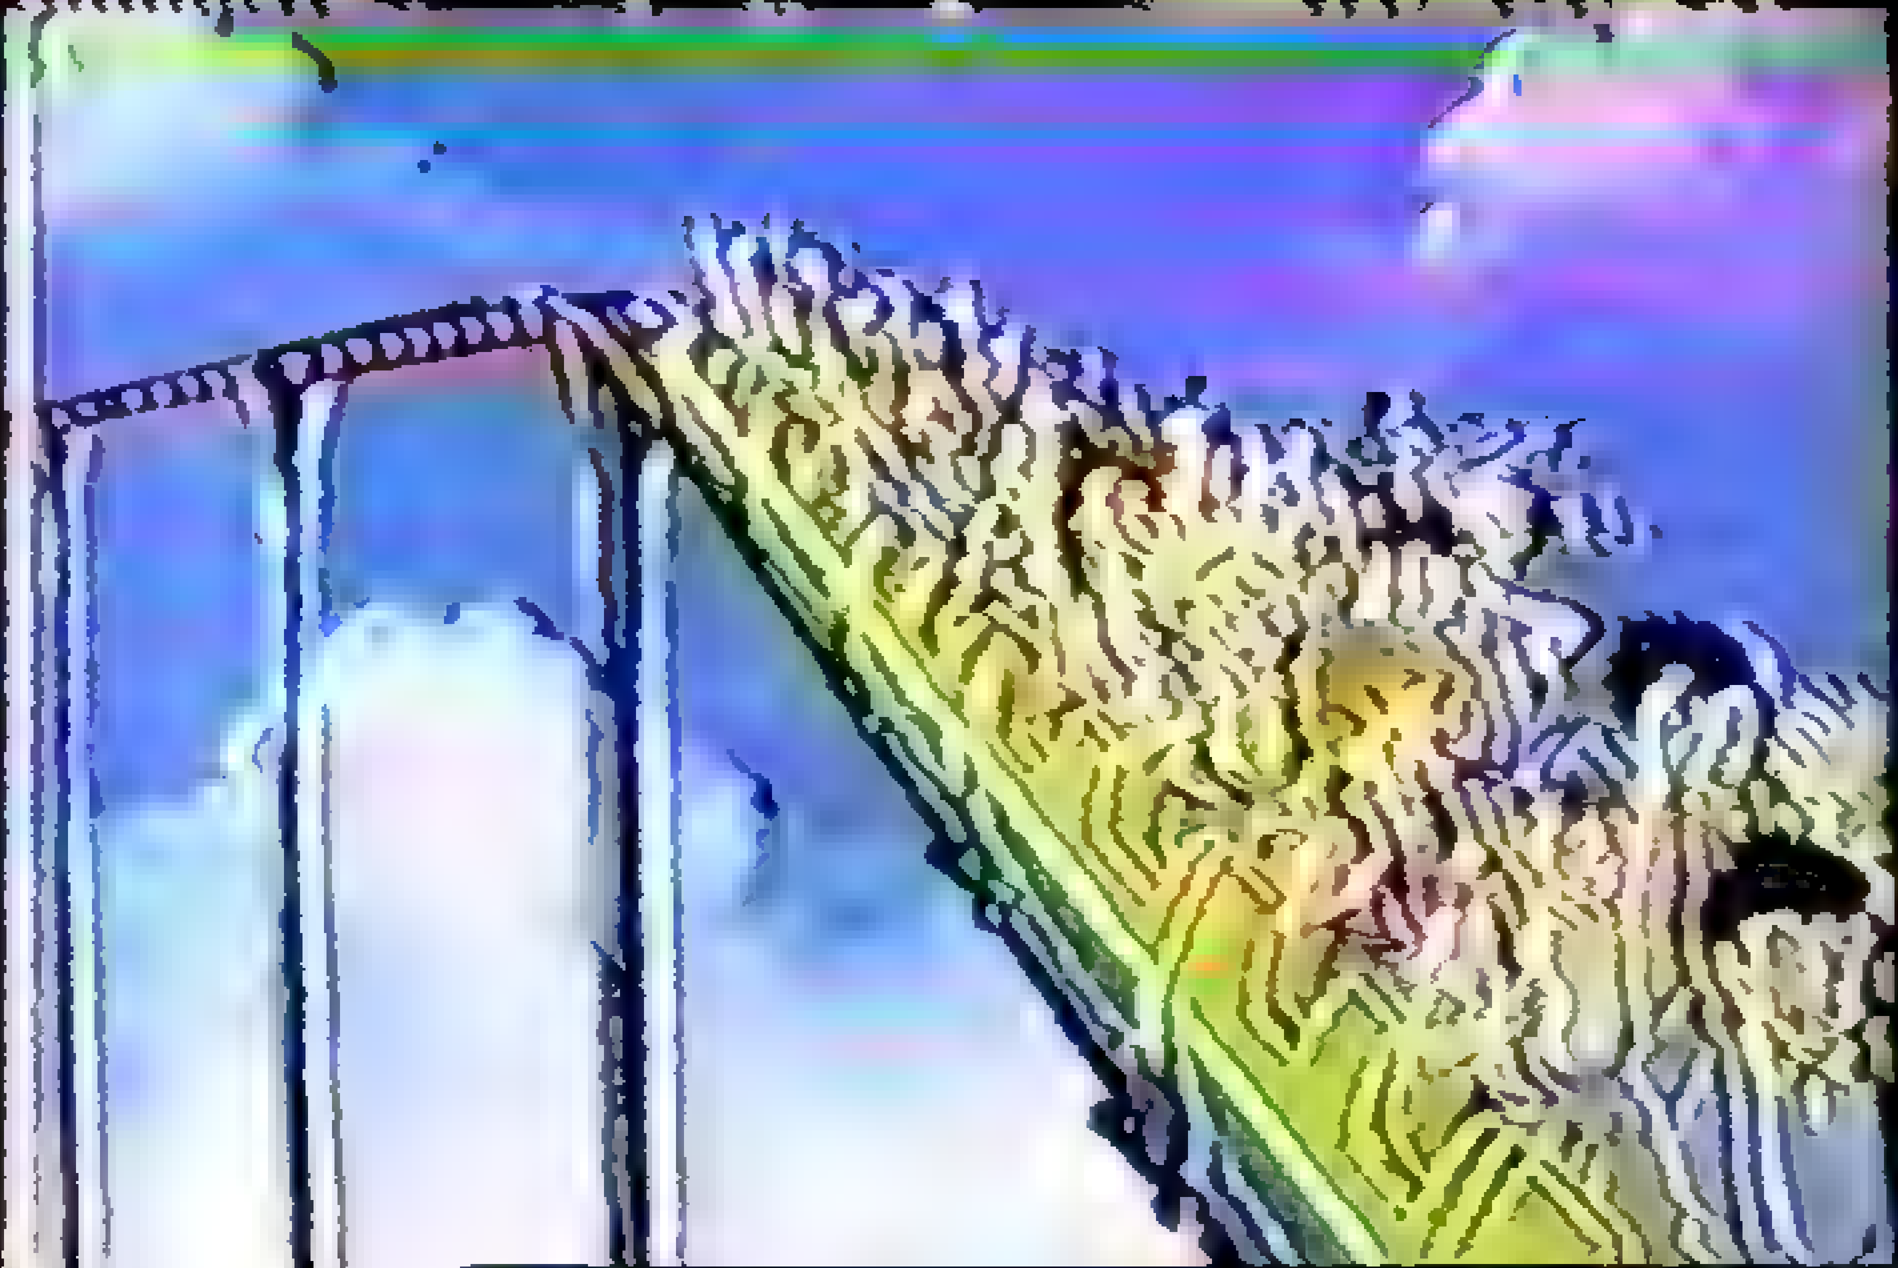

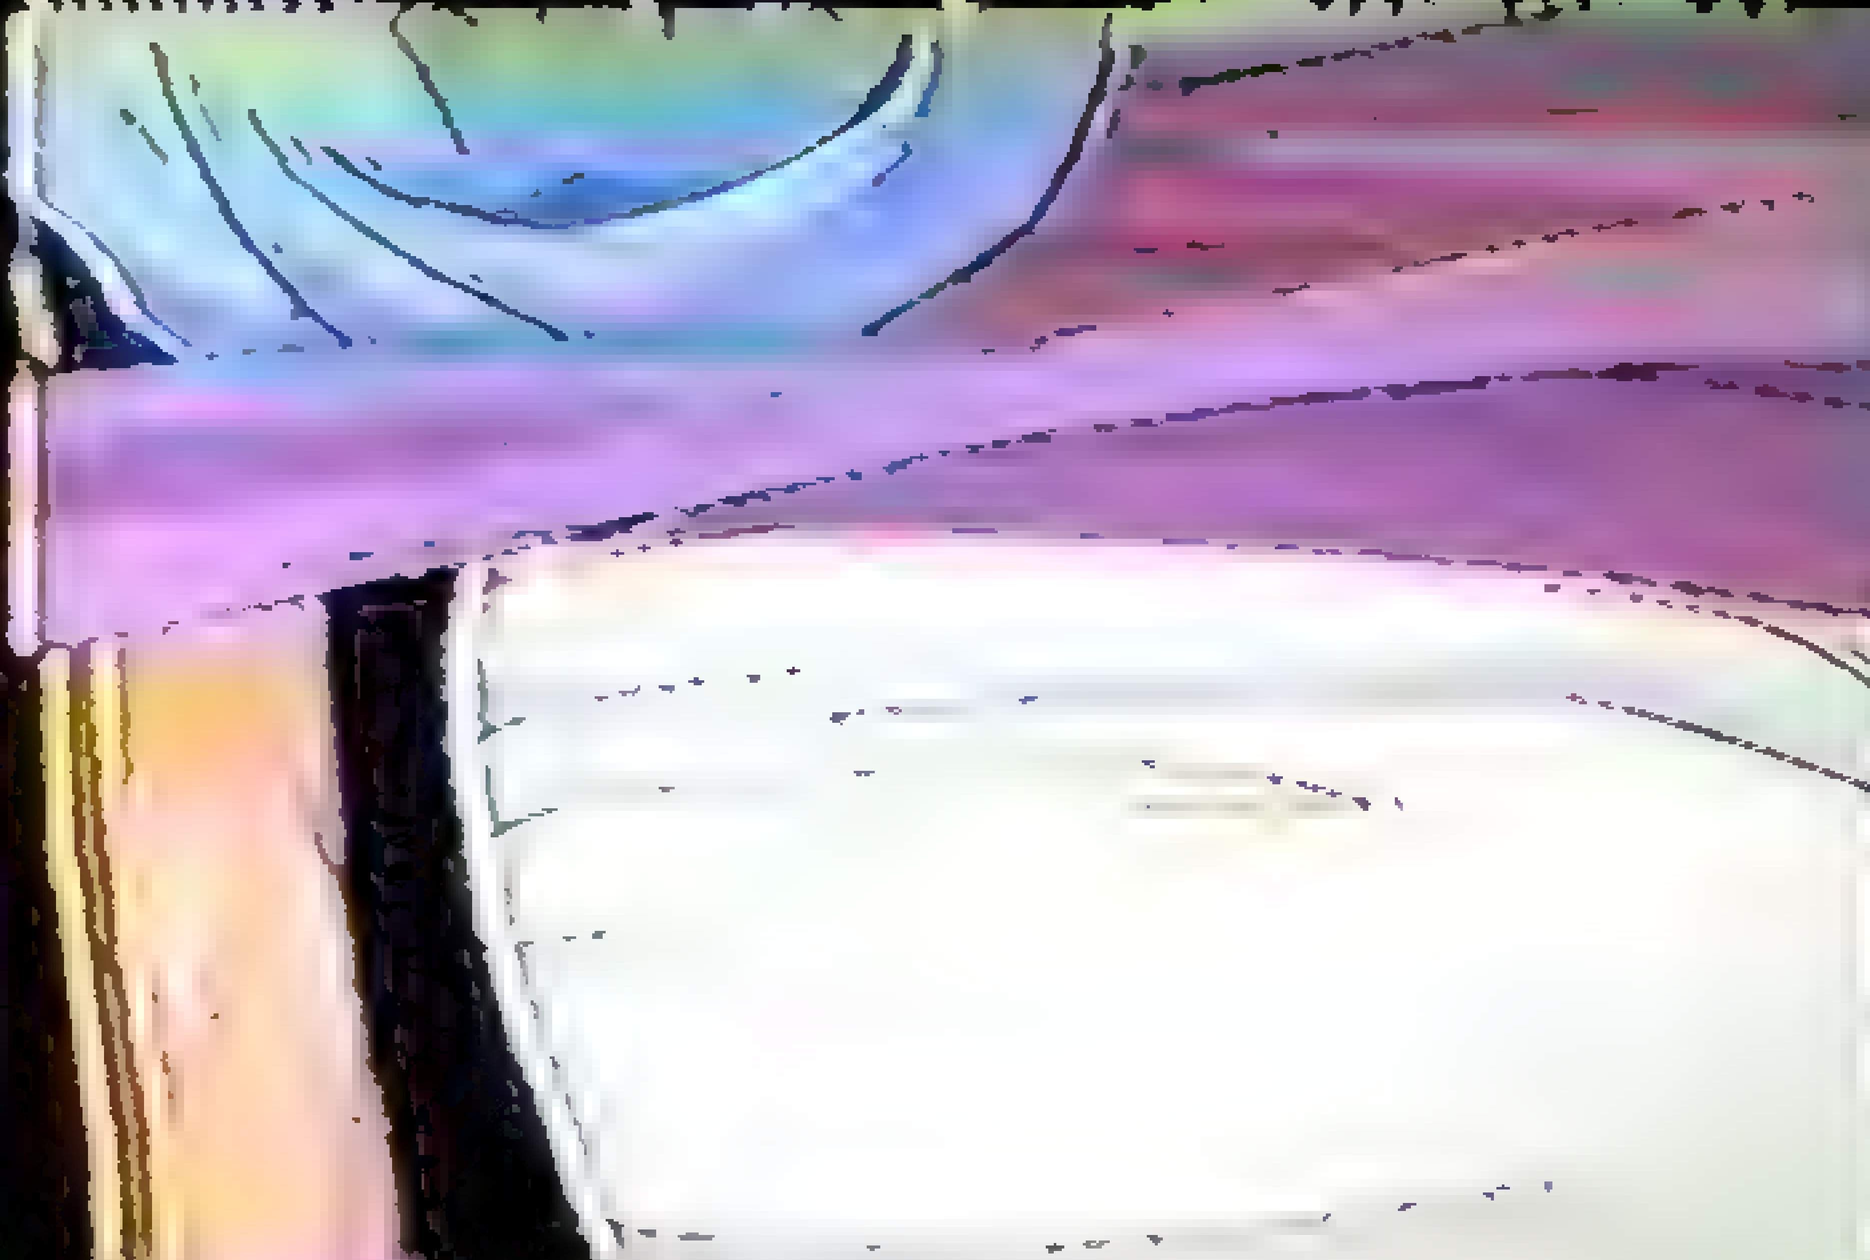

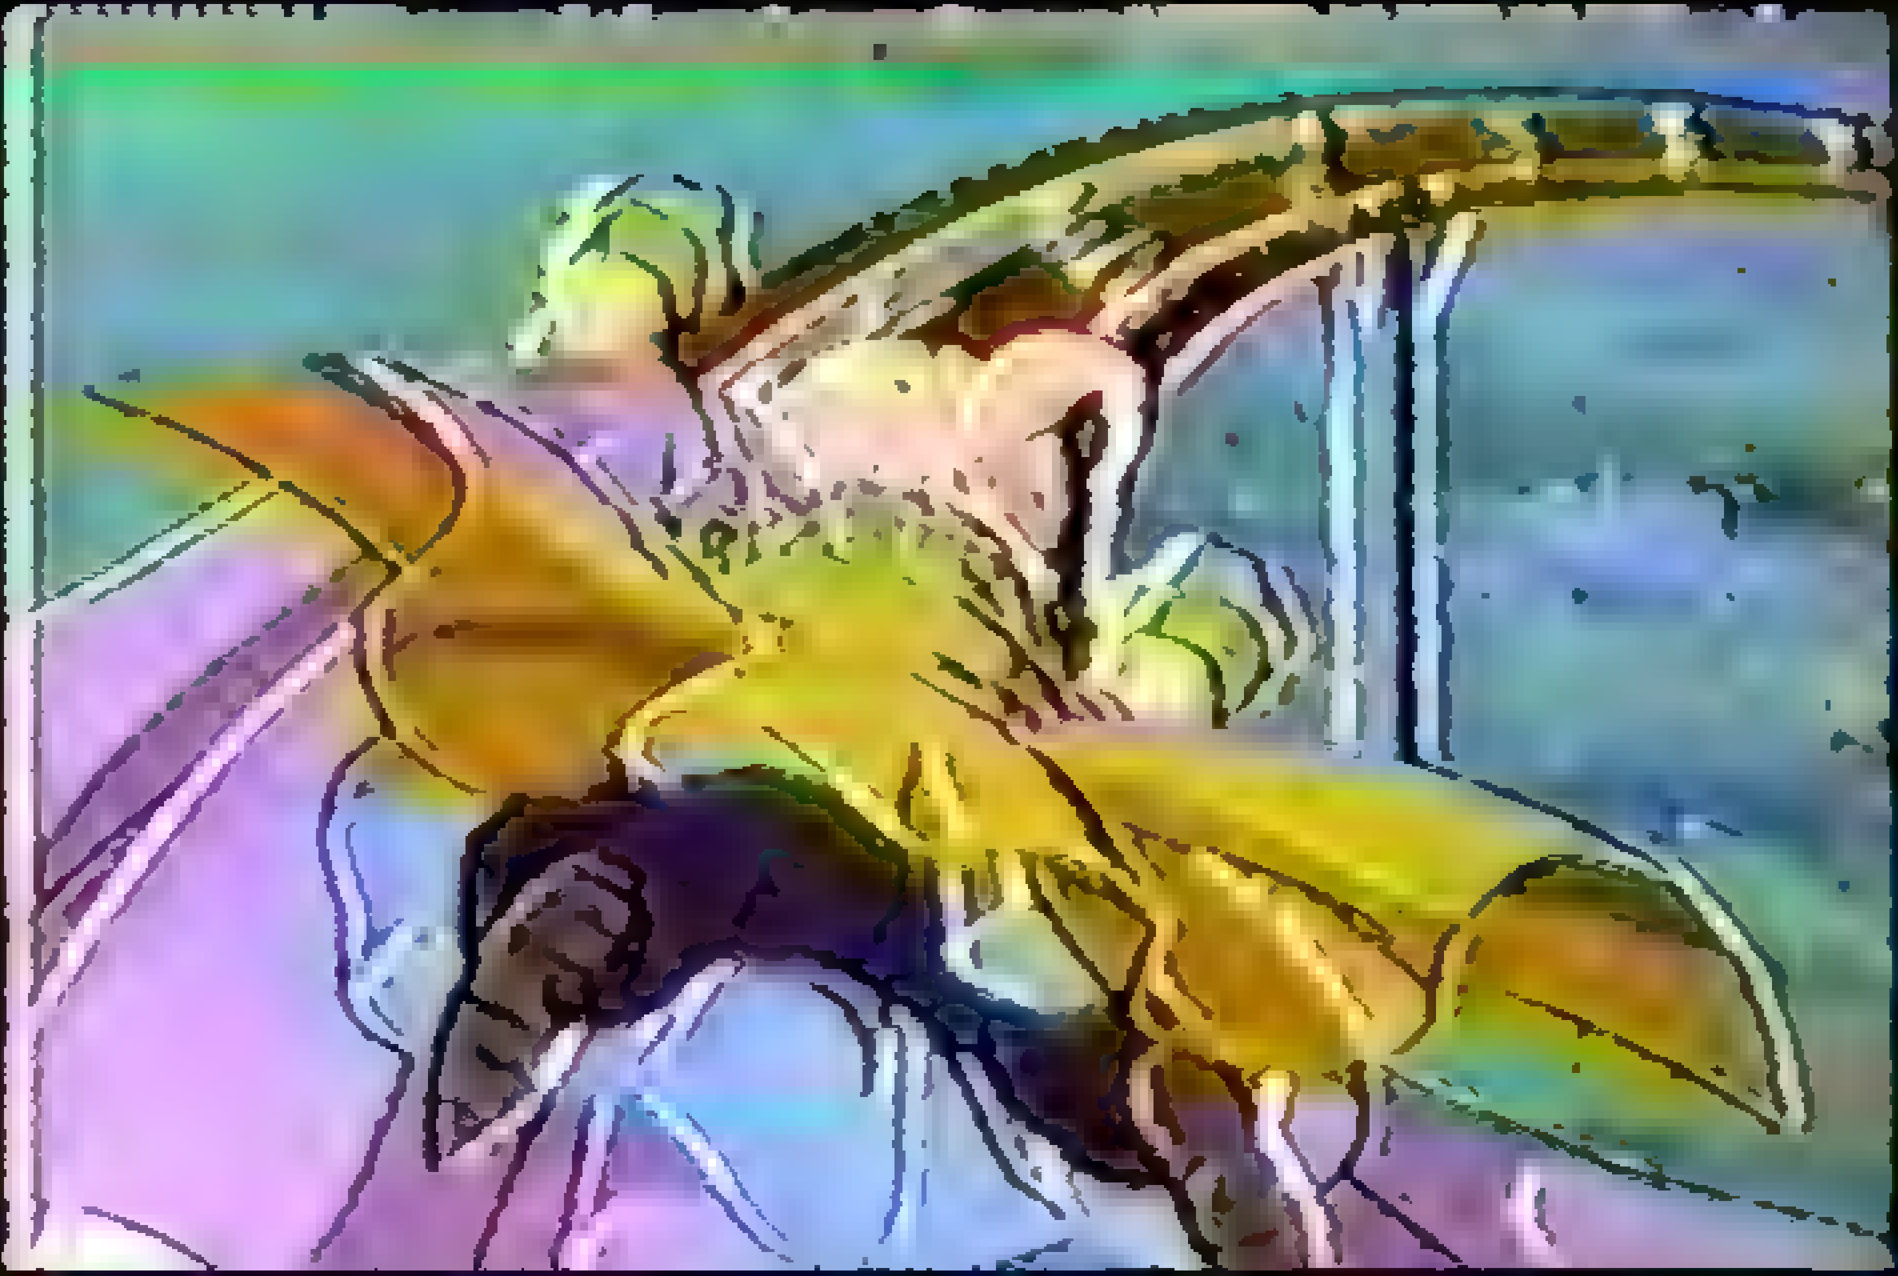

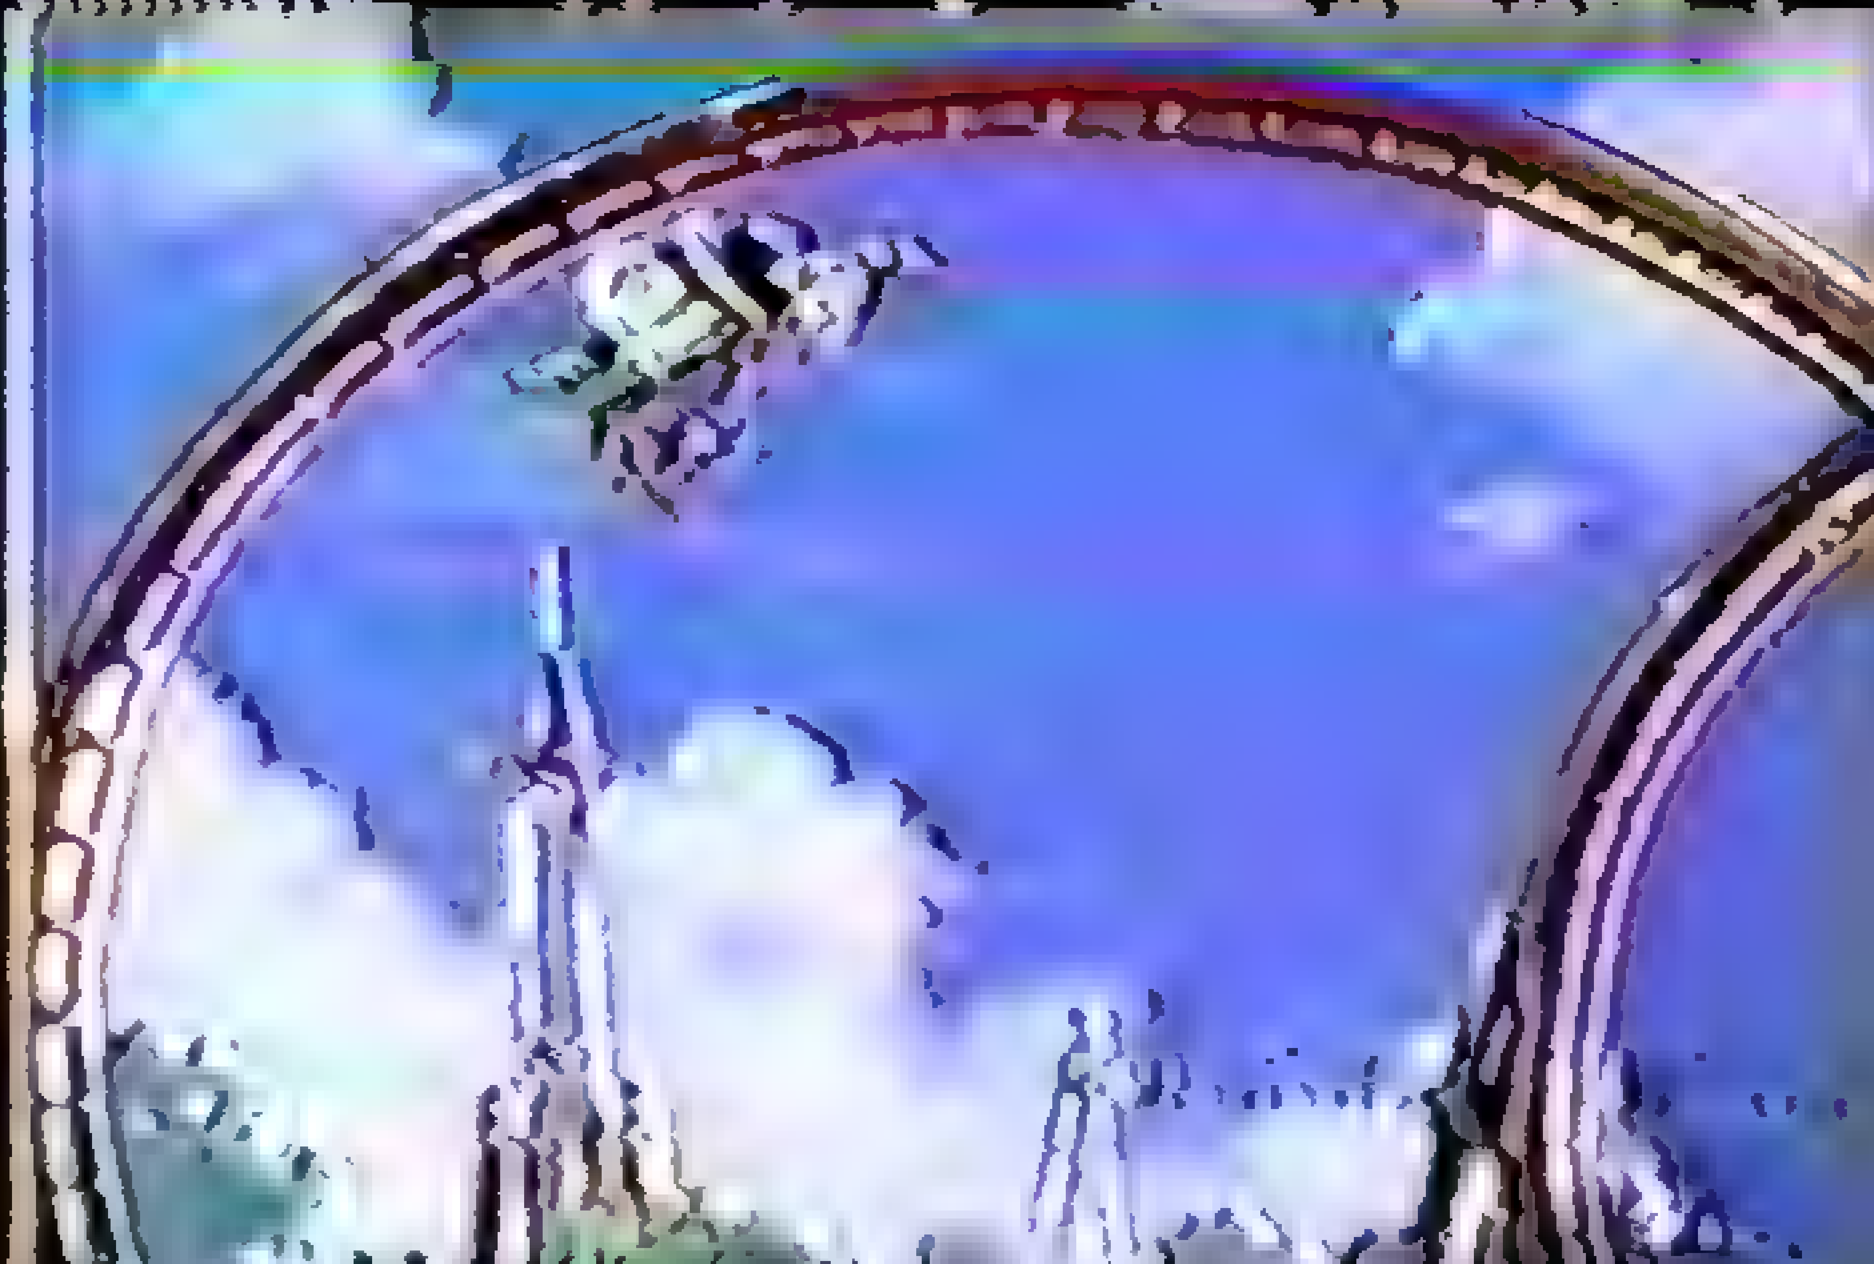

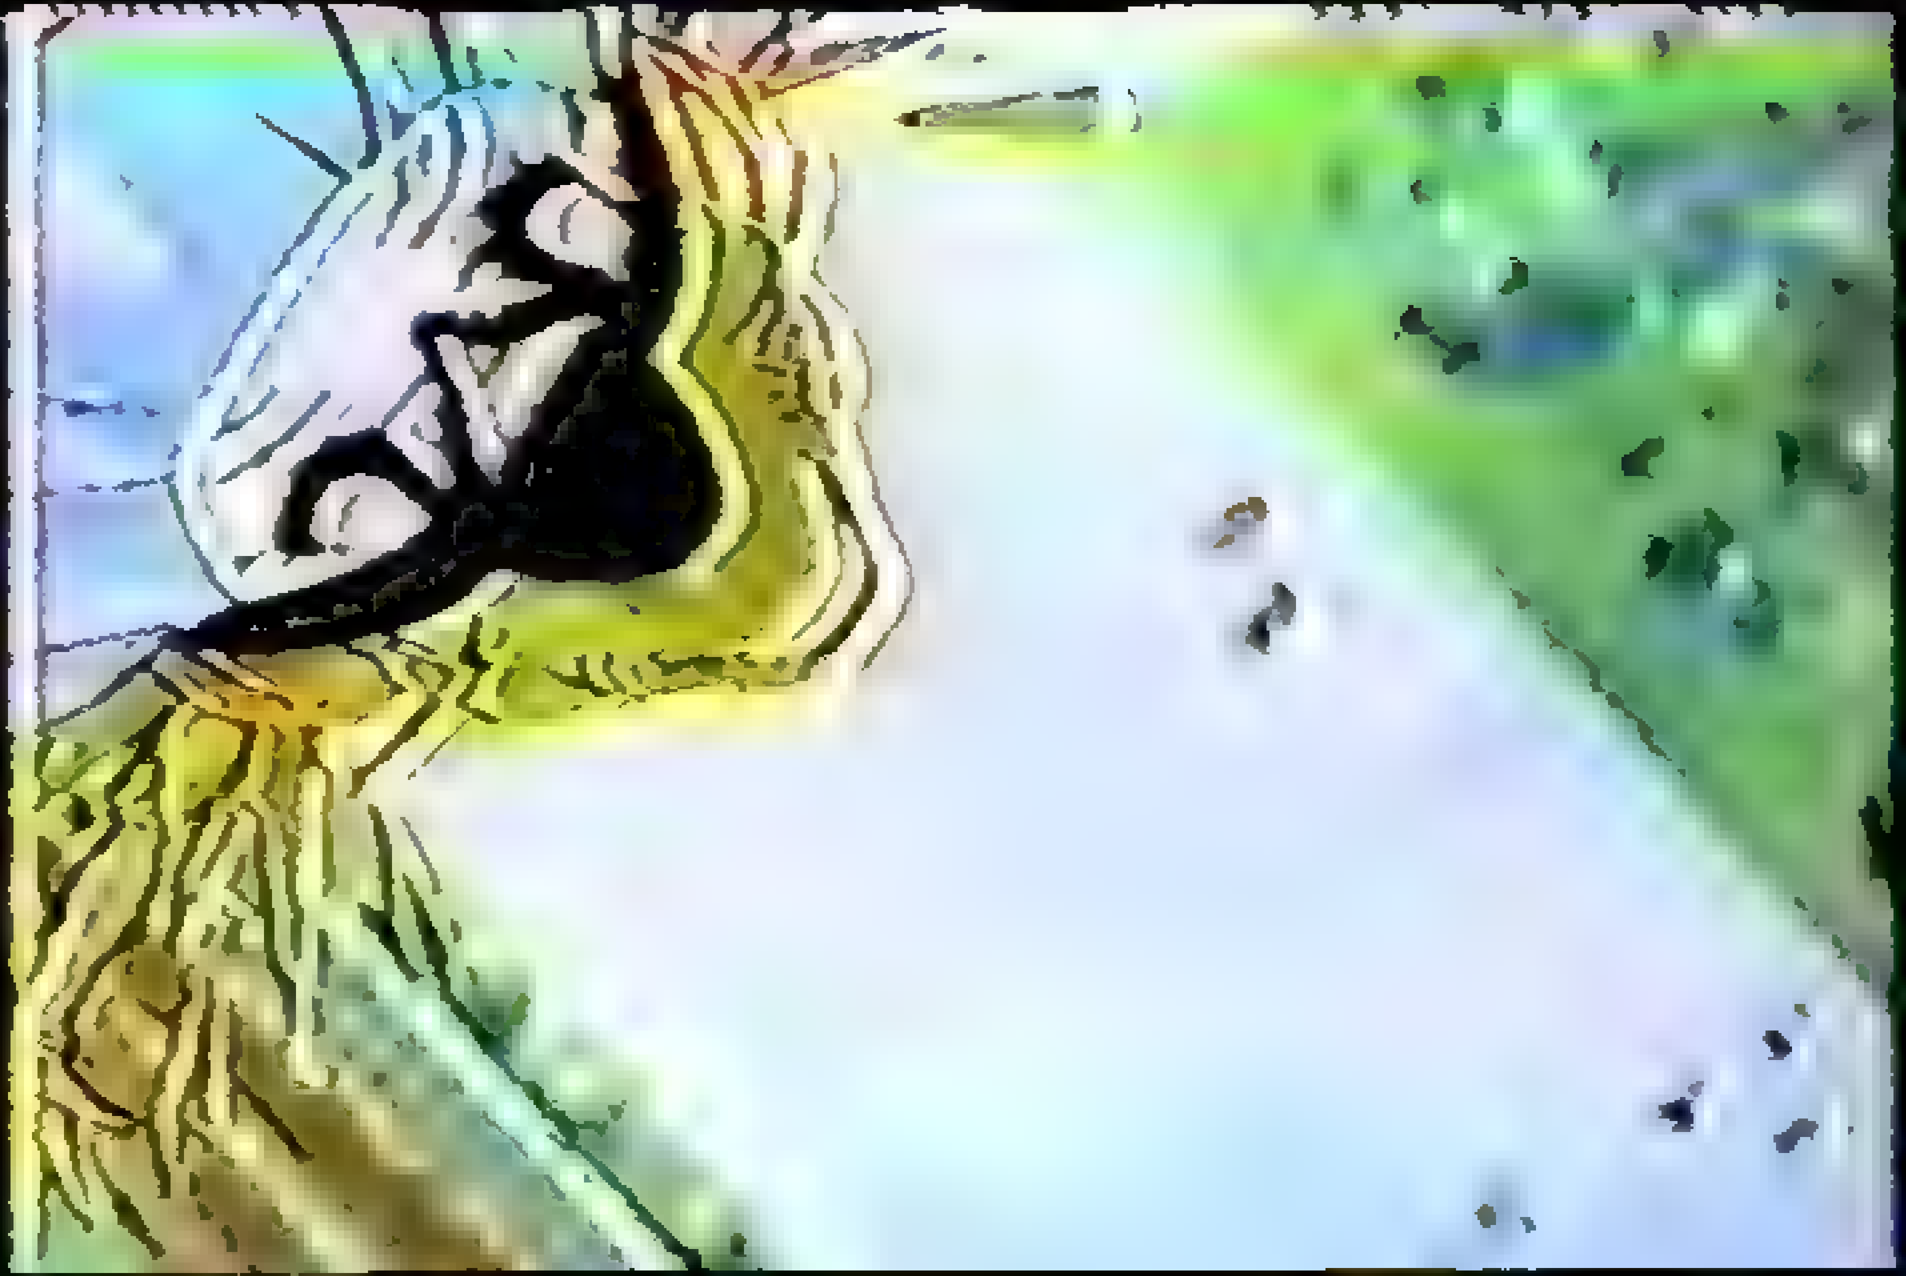

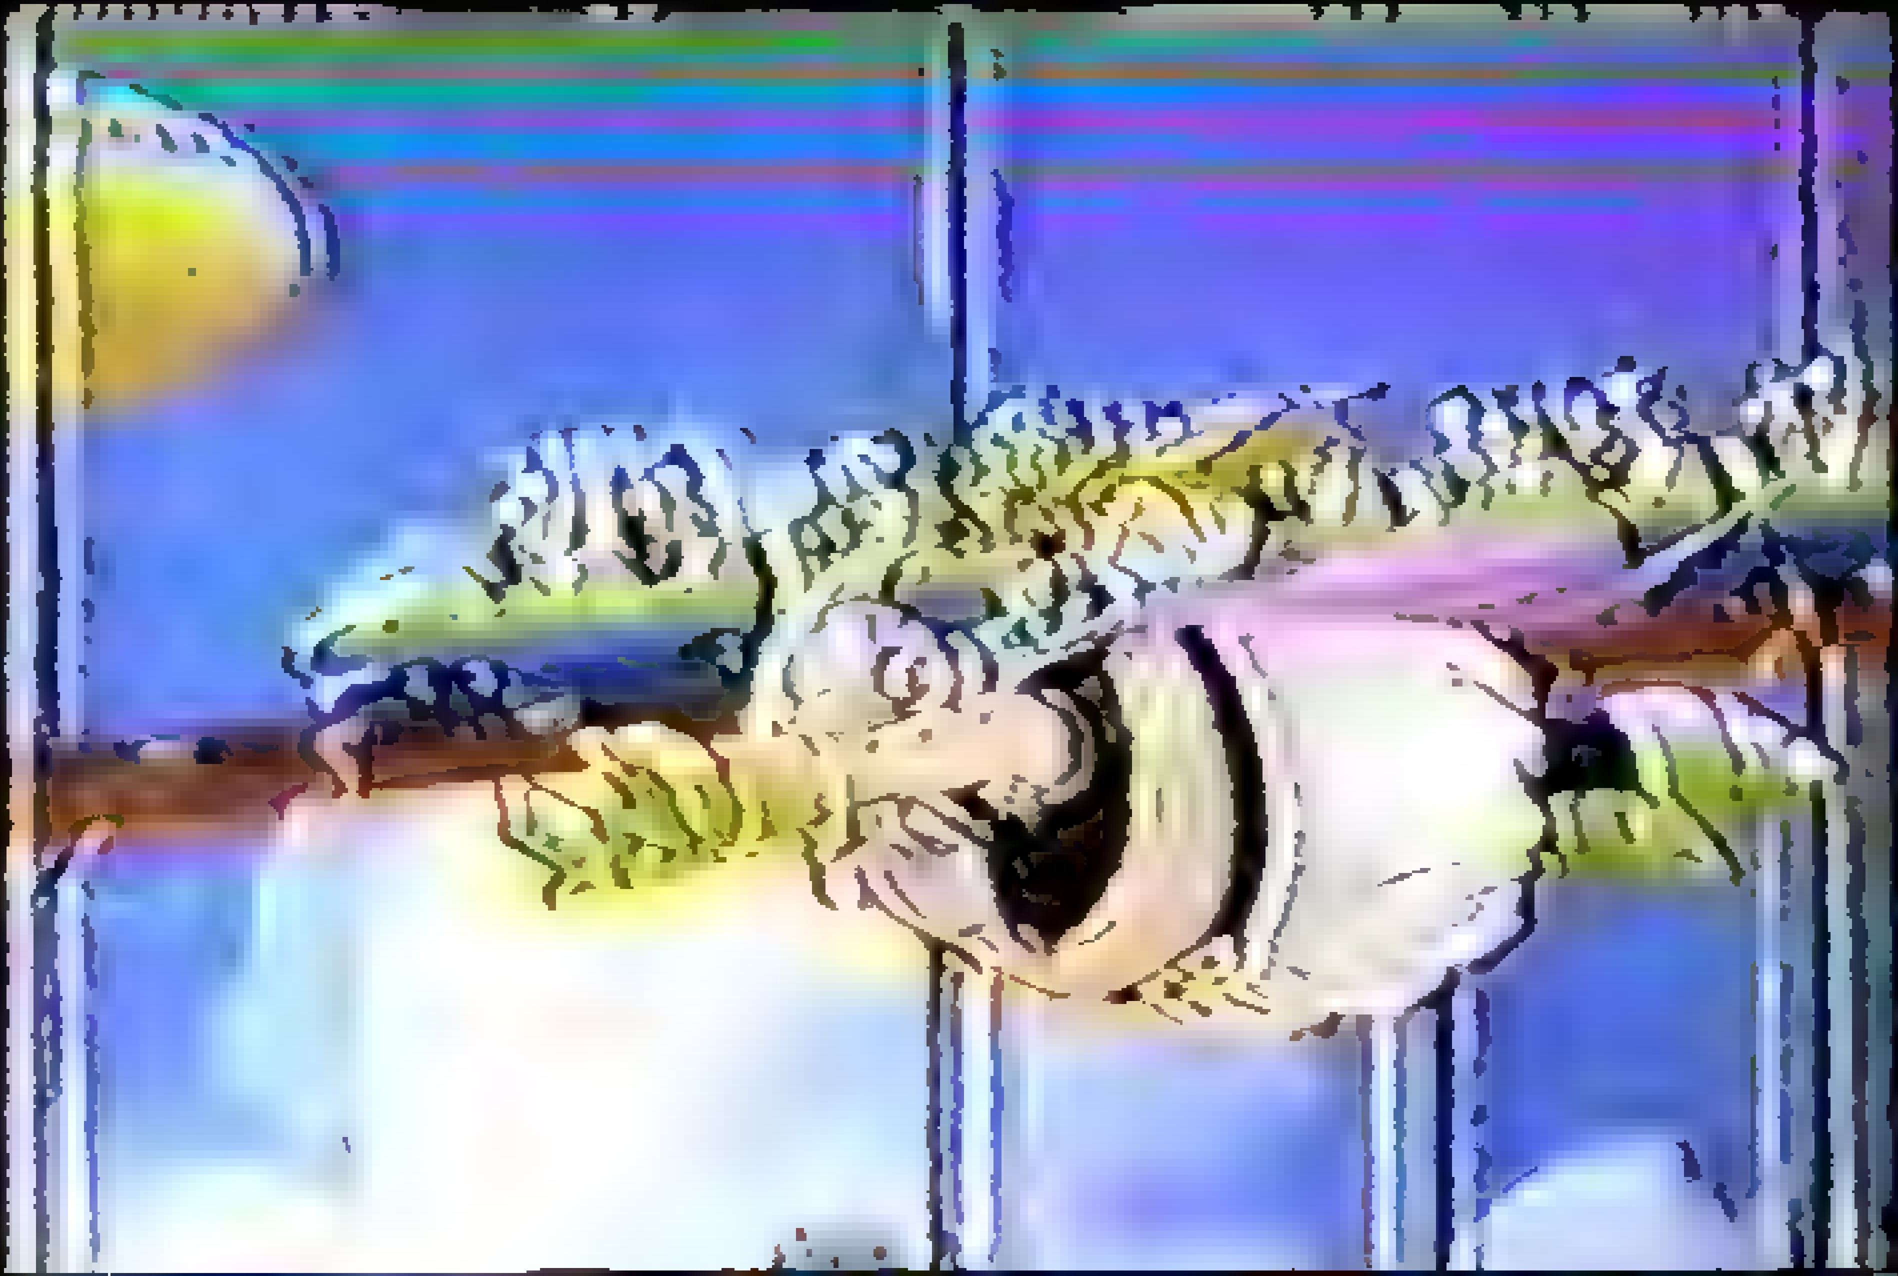

We don't have time to play

Use the Zed Sword to defeat Majin Boo

I know that you can use that sword

I know that you can use that sword

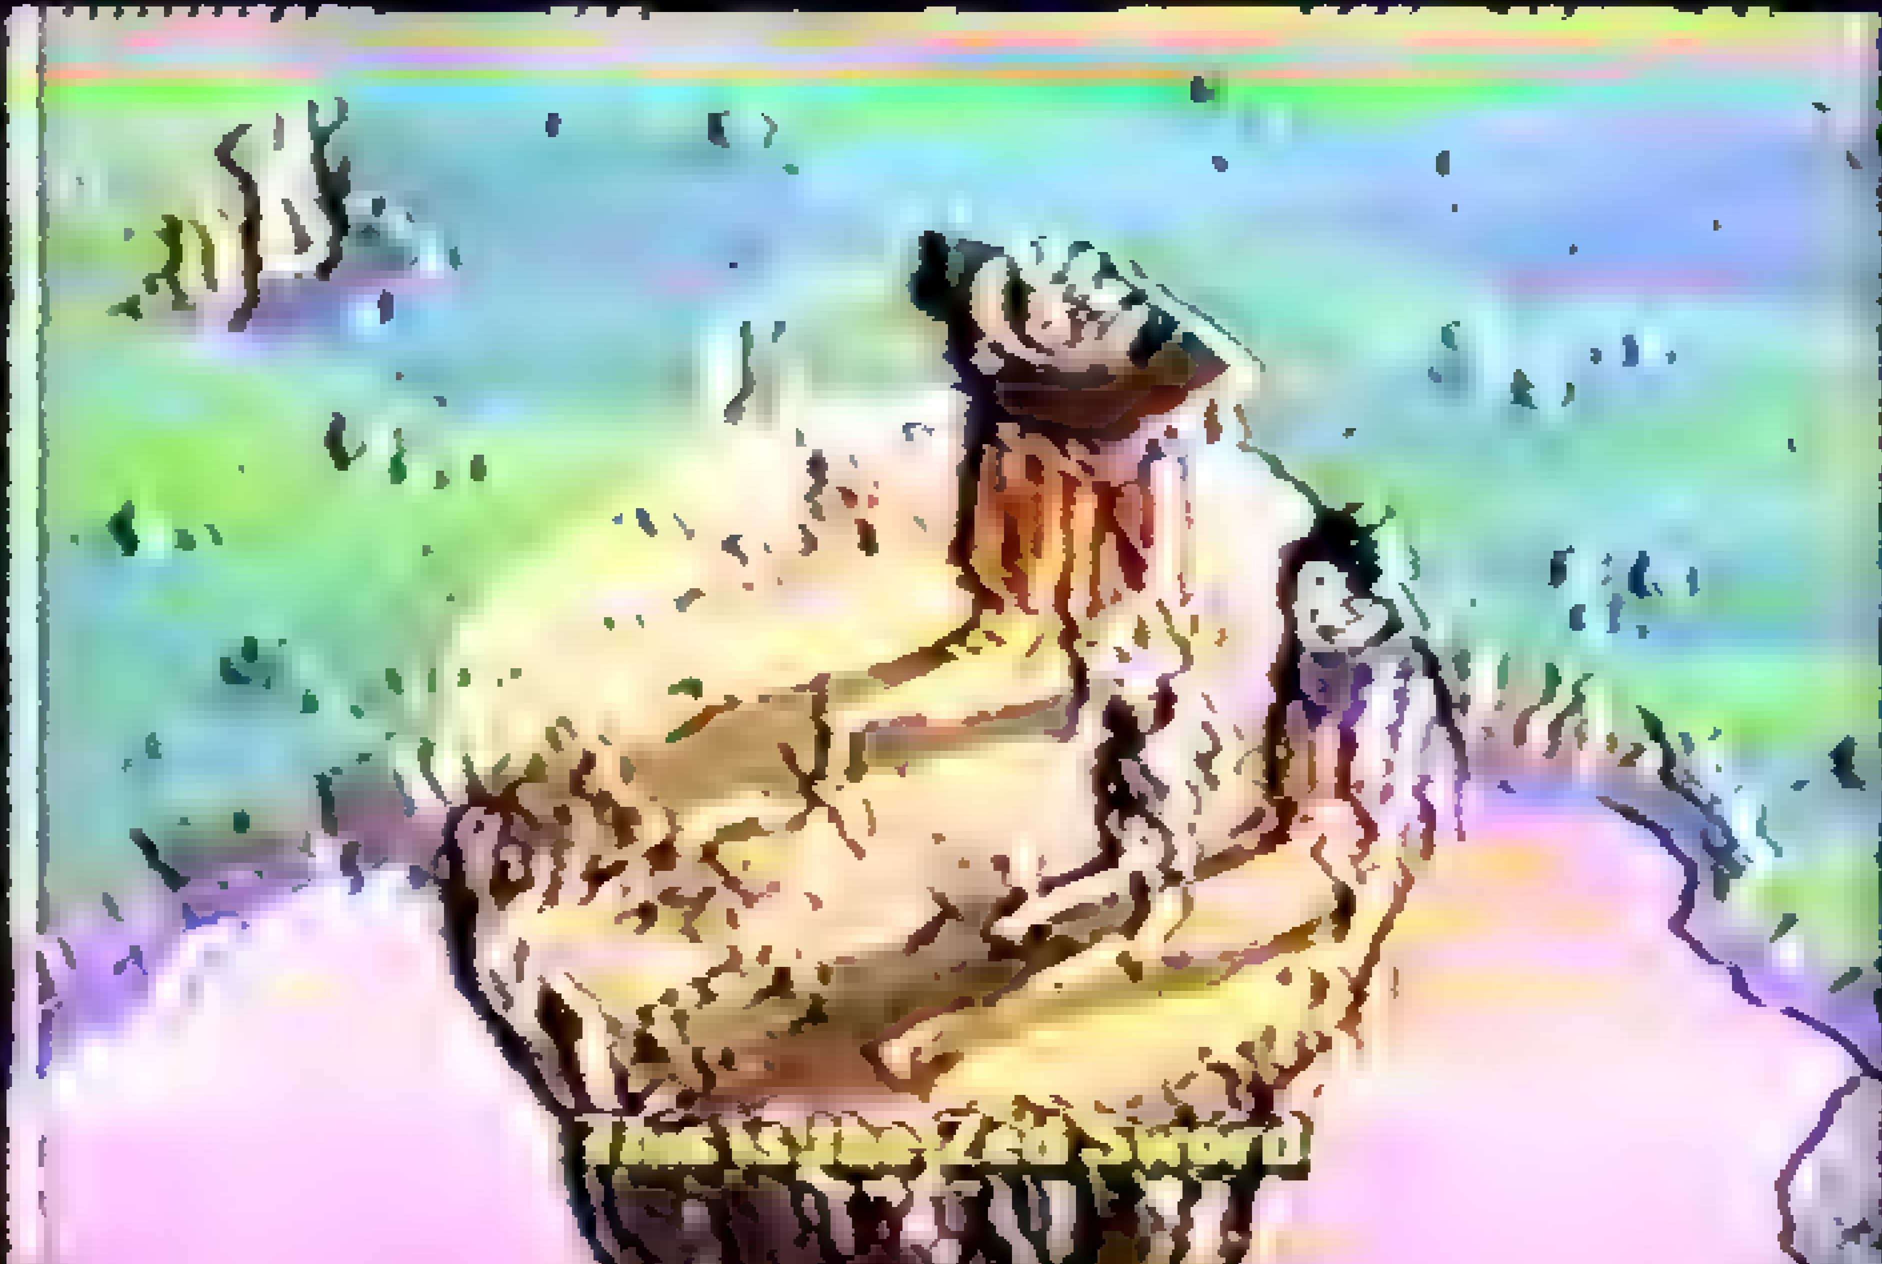

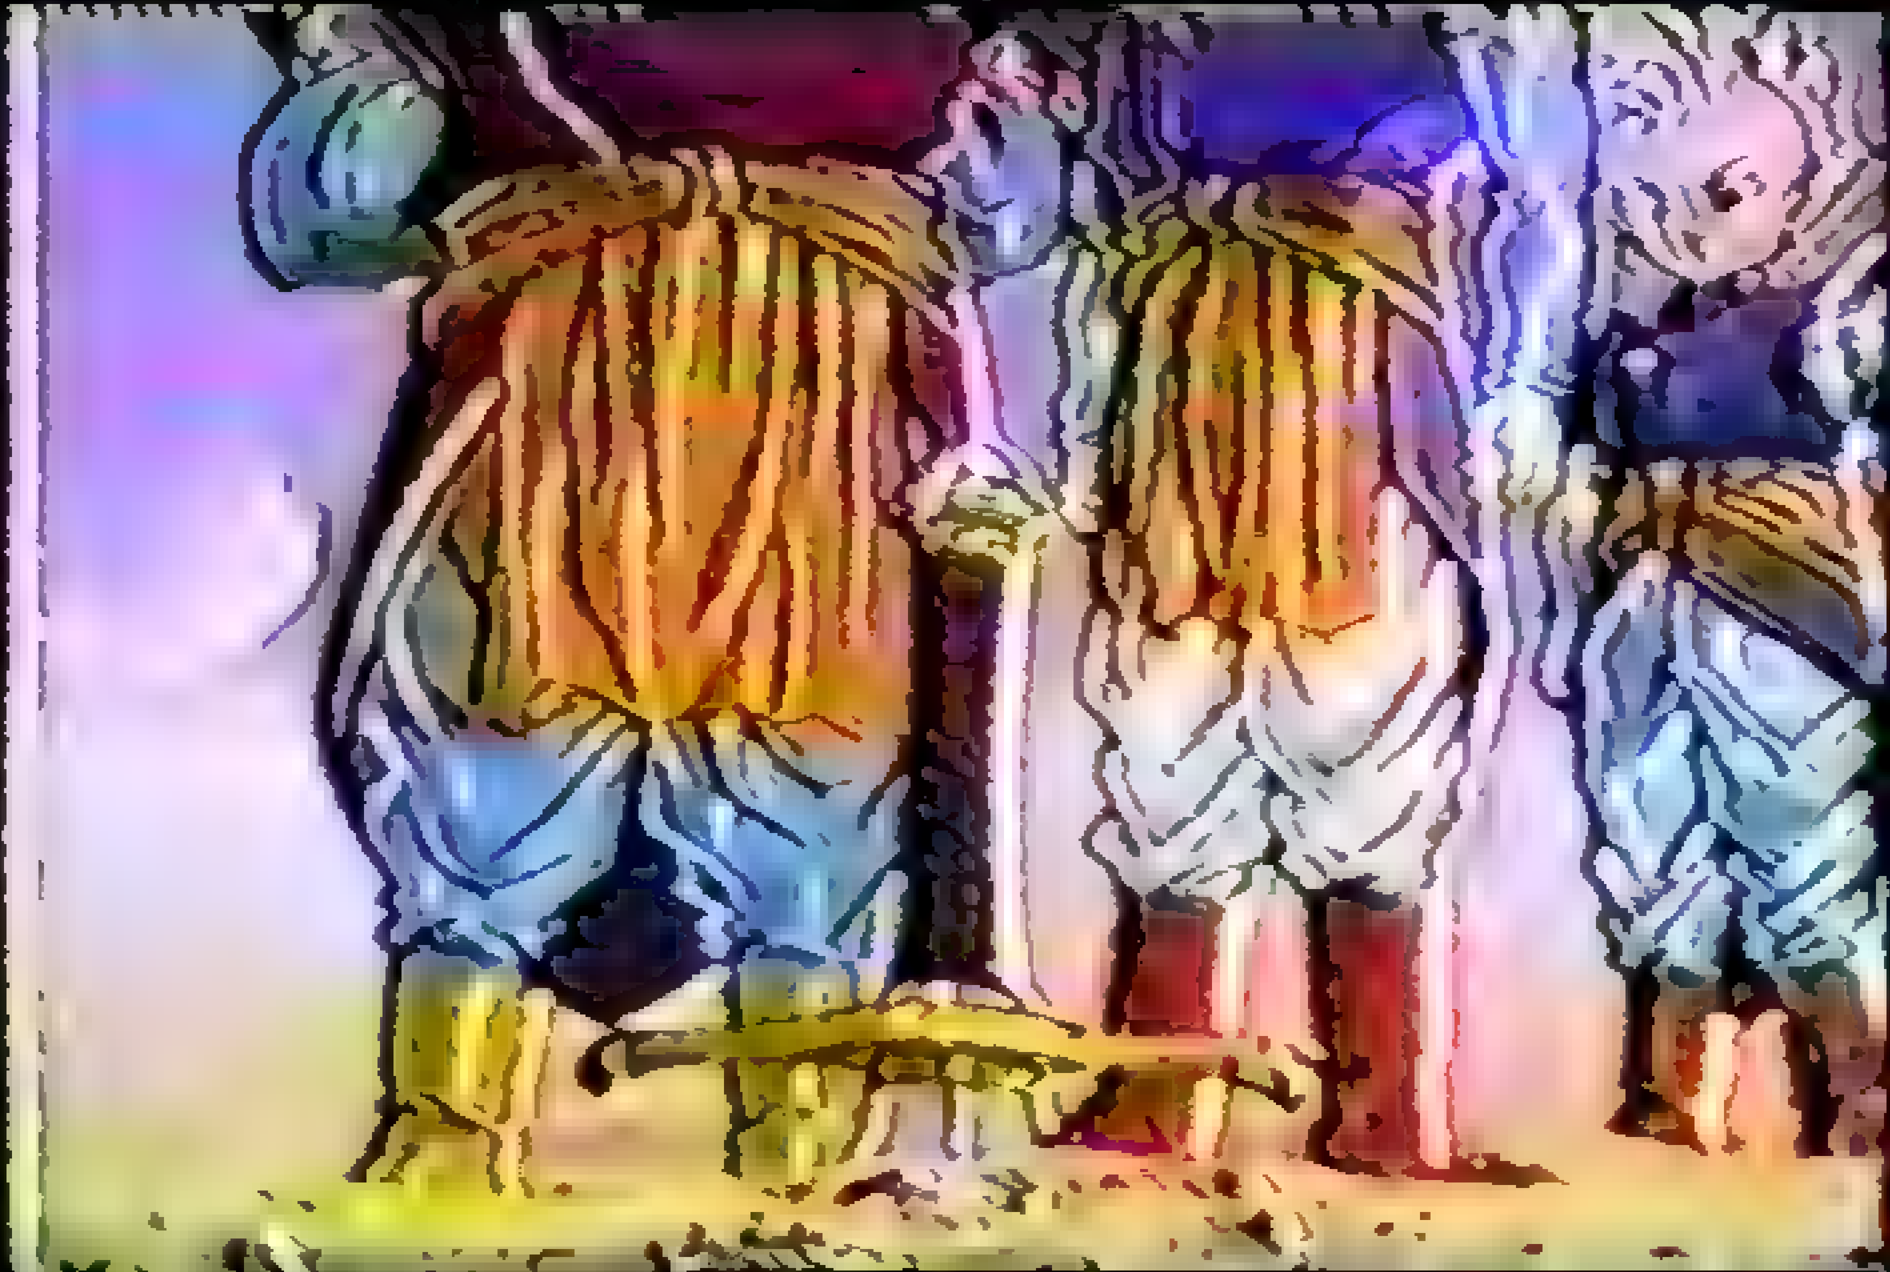

Try to pull it out

It's also believed that the Zed Sword
is strong enough to defeat Majin Boo

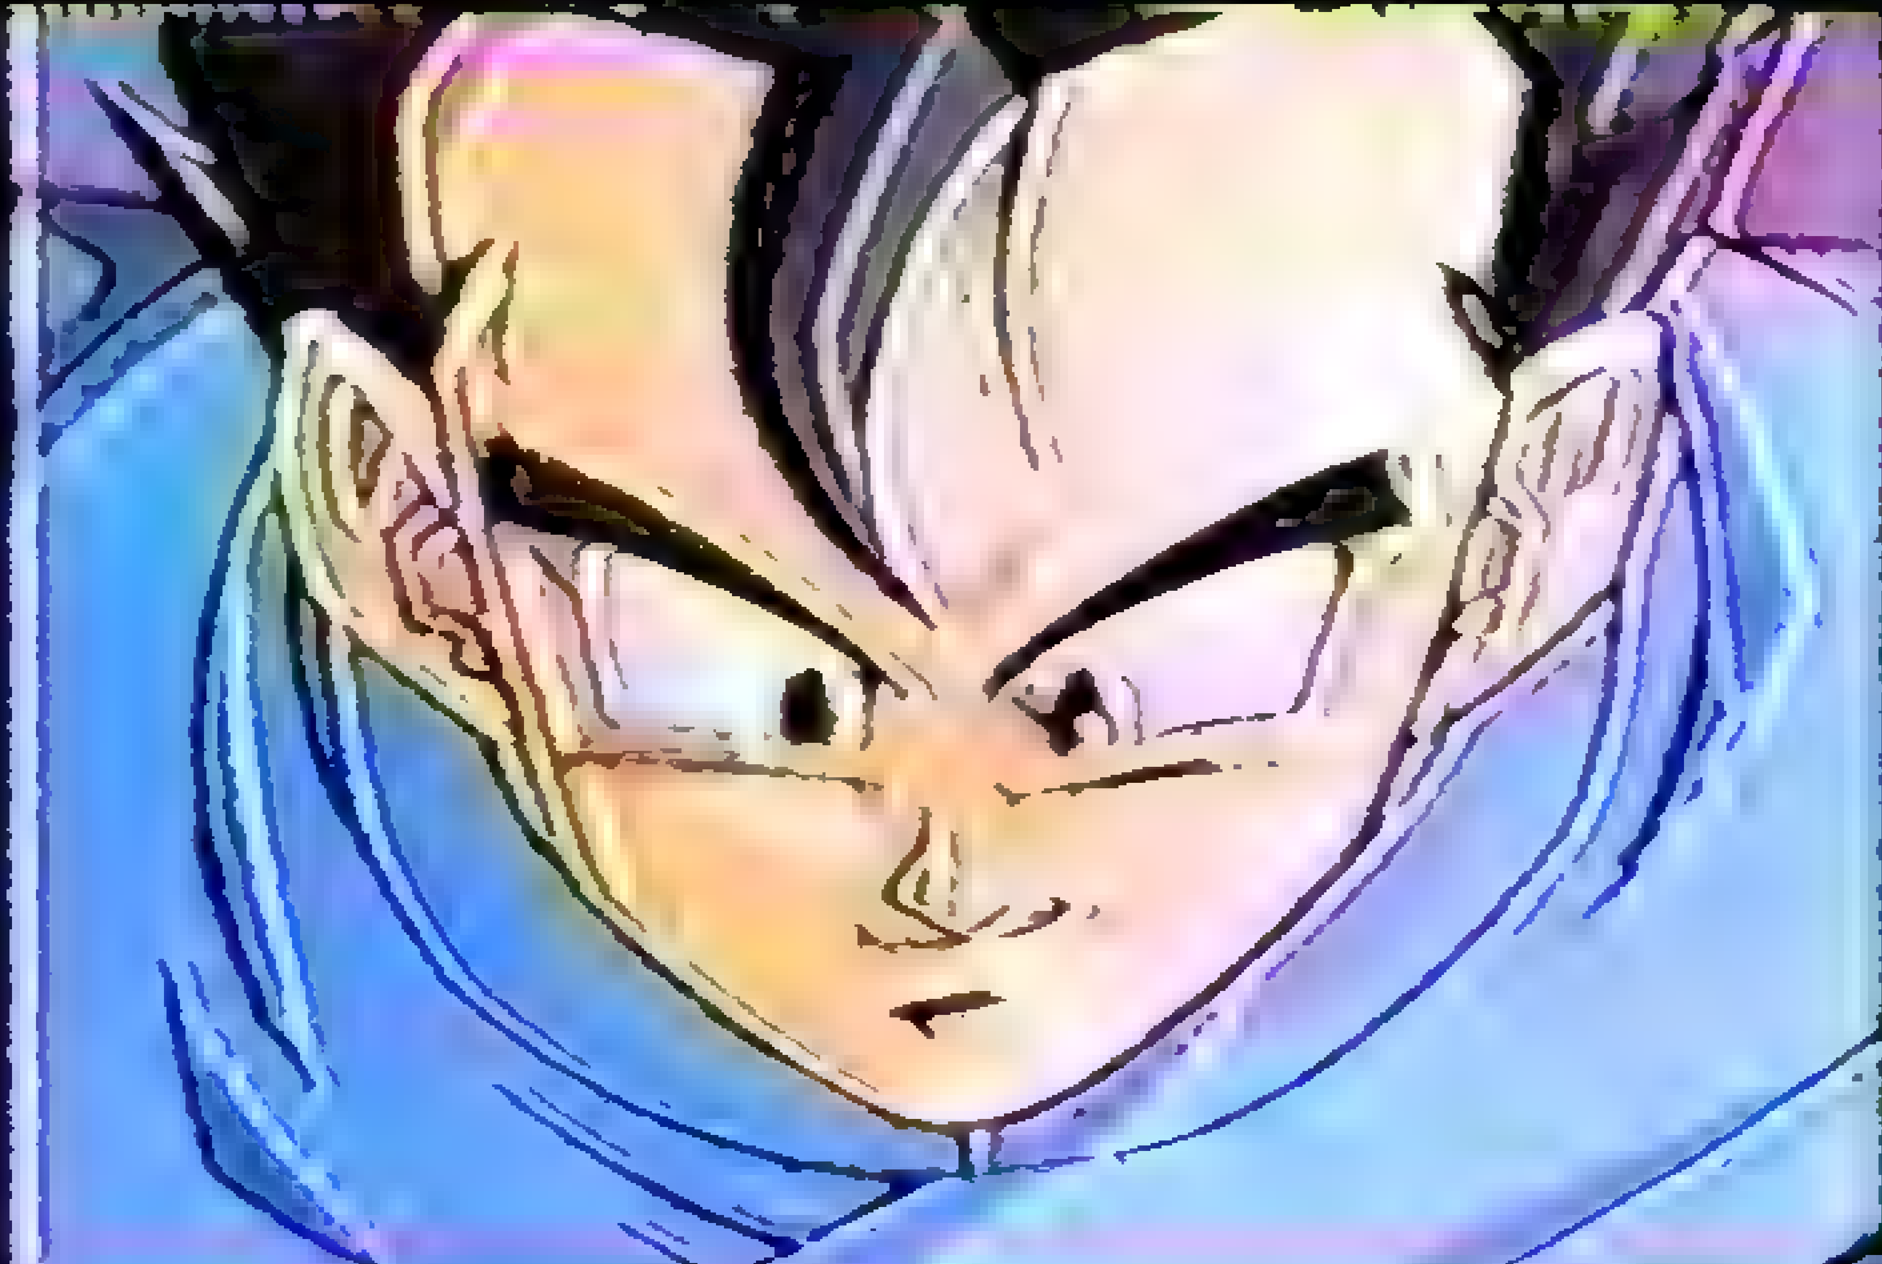

It's also believed that the Z Sword
is strong enough to defeat Majin Buu

It's also believed that the Zed Sword
is strong enough to defeat Majin Boo

And Gohan's going to try to pull it out

I've Pulled it Out!!
The Legendary Zed Sword

I've Pulled it Out!!
The Legendary Zed Sword!

I've Pulled it Out!
The Legendary Zed Sword

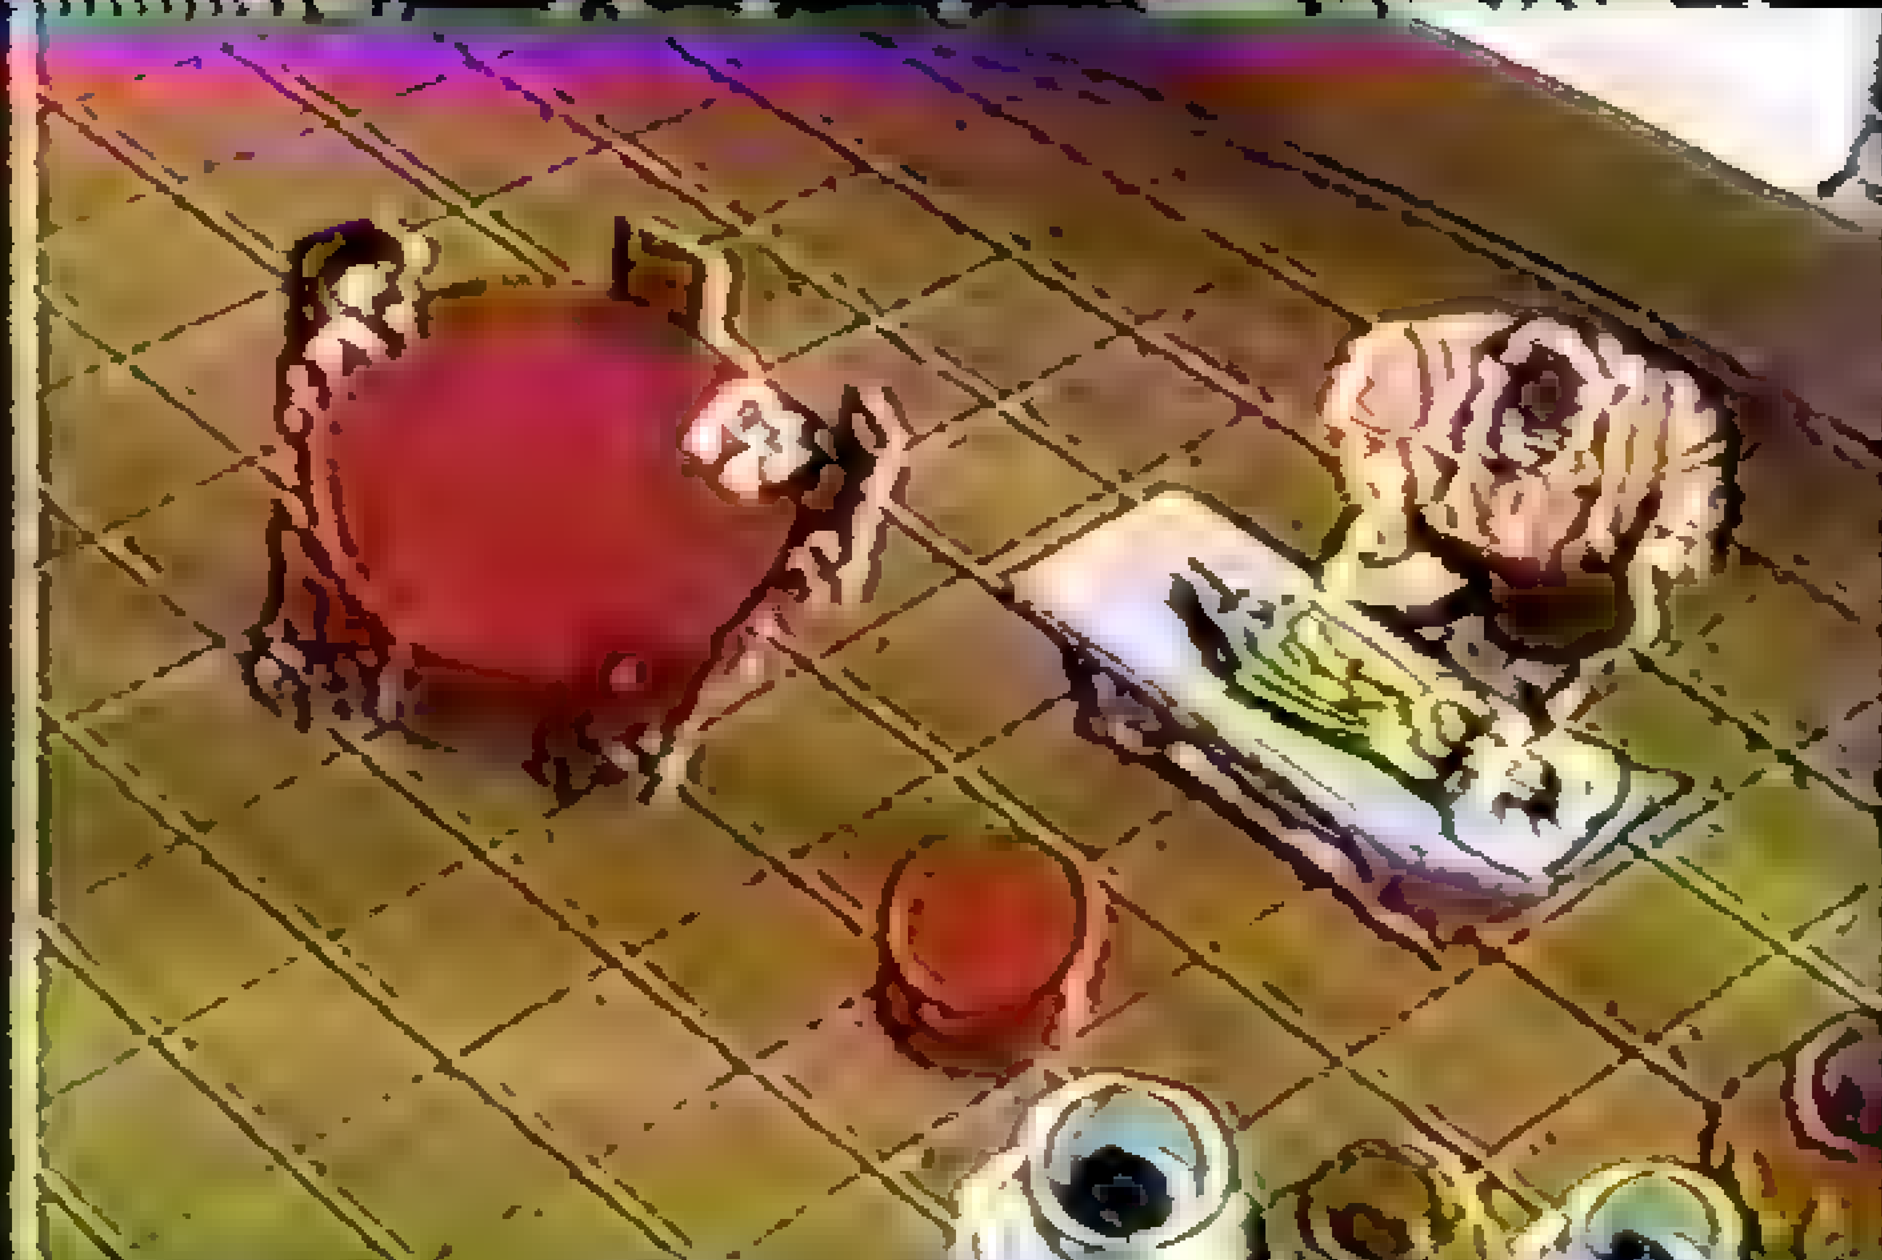

Gohan defeated Cell, and
yet he was killed by Buu

Gohan defeated Cell and
yet he was killed by Boo

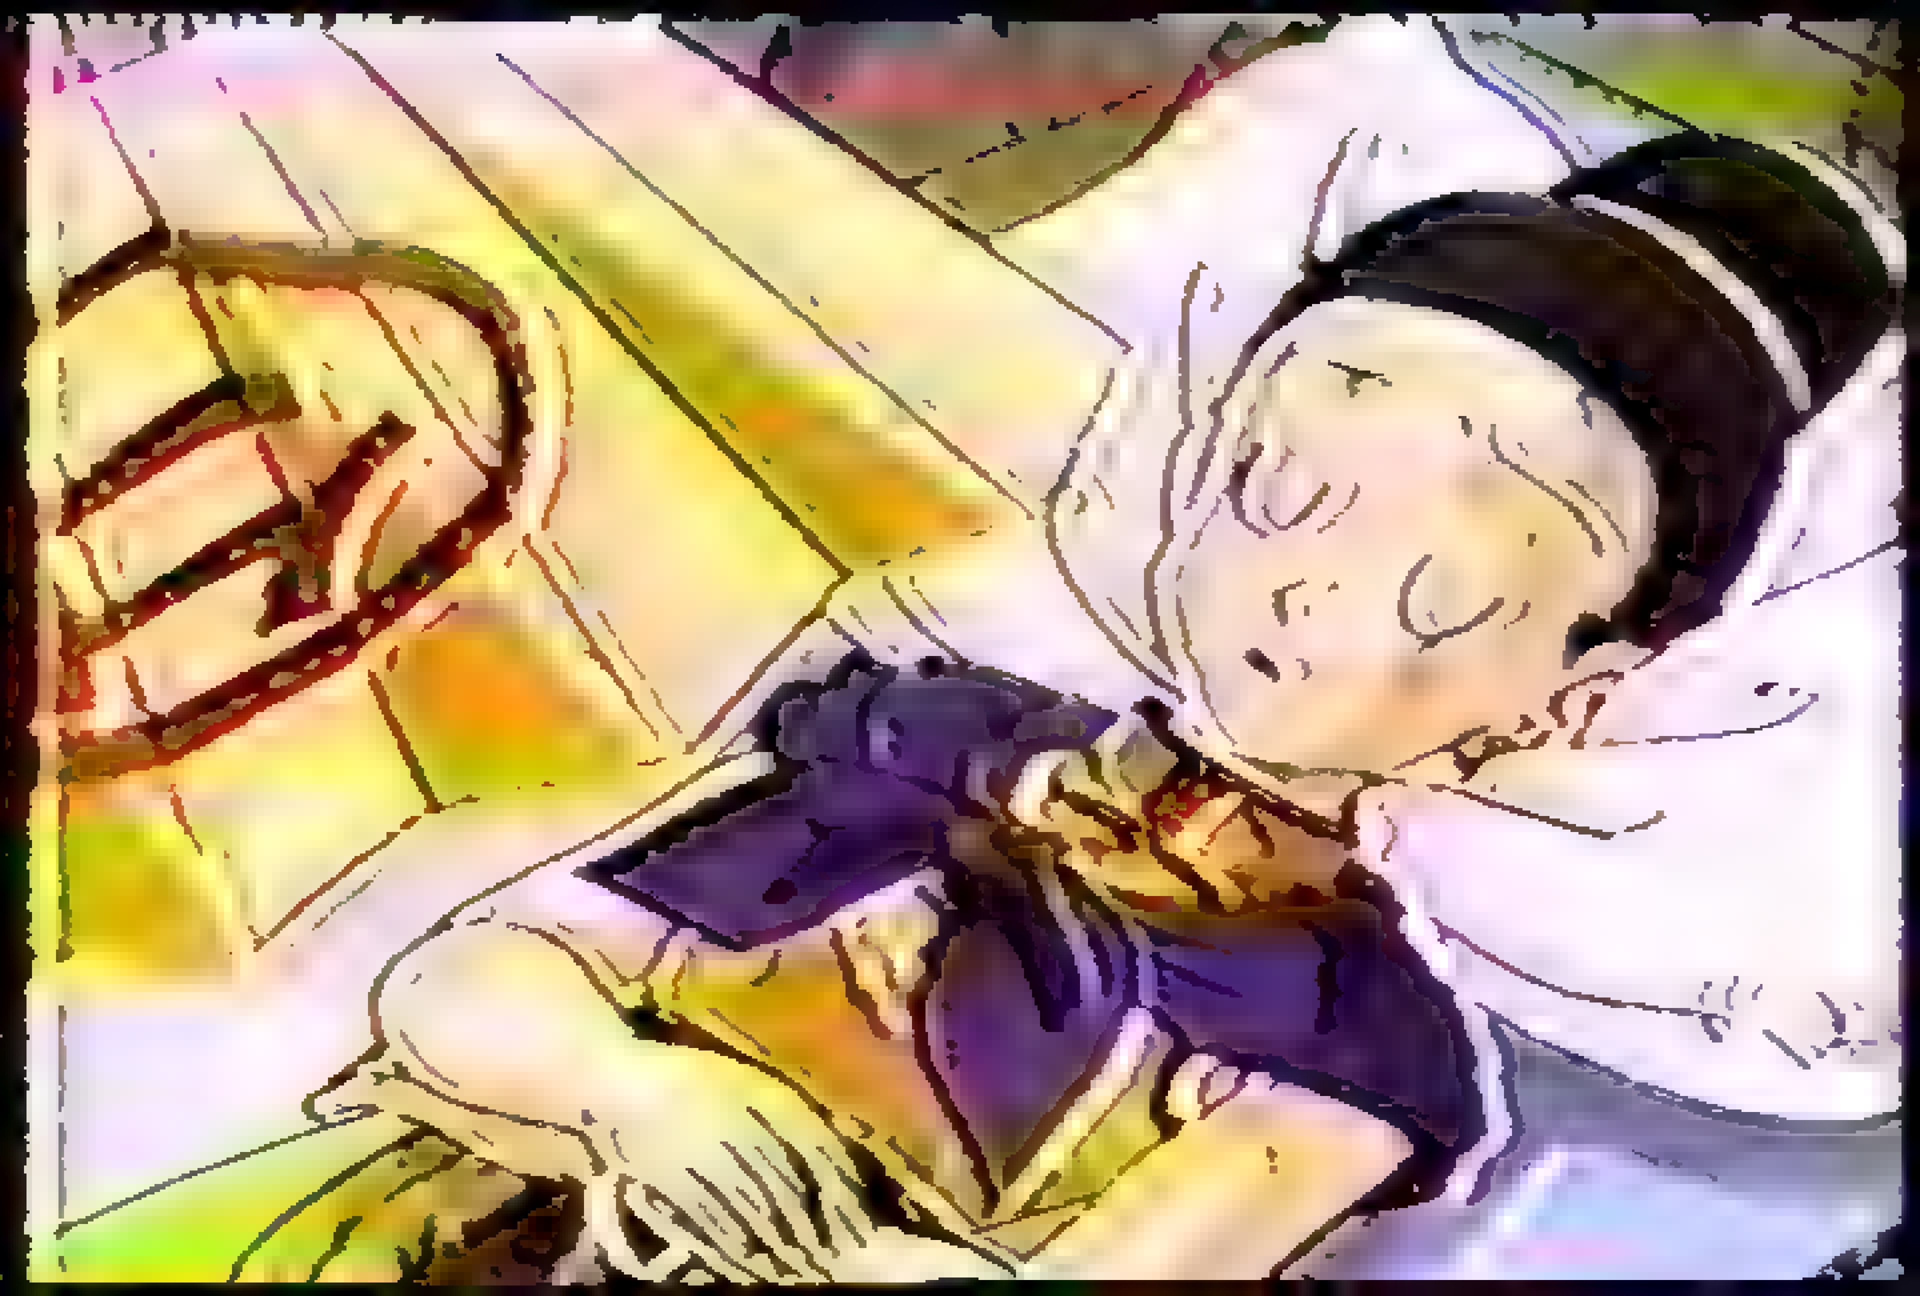

Not only is Gakou dead, but so is

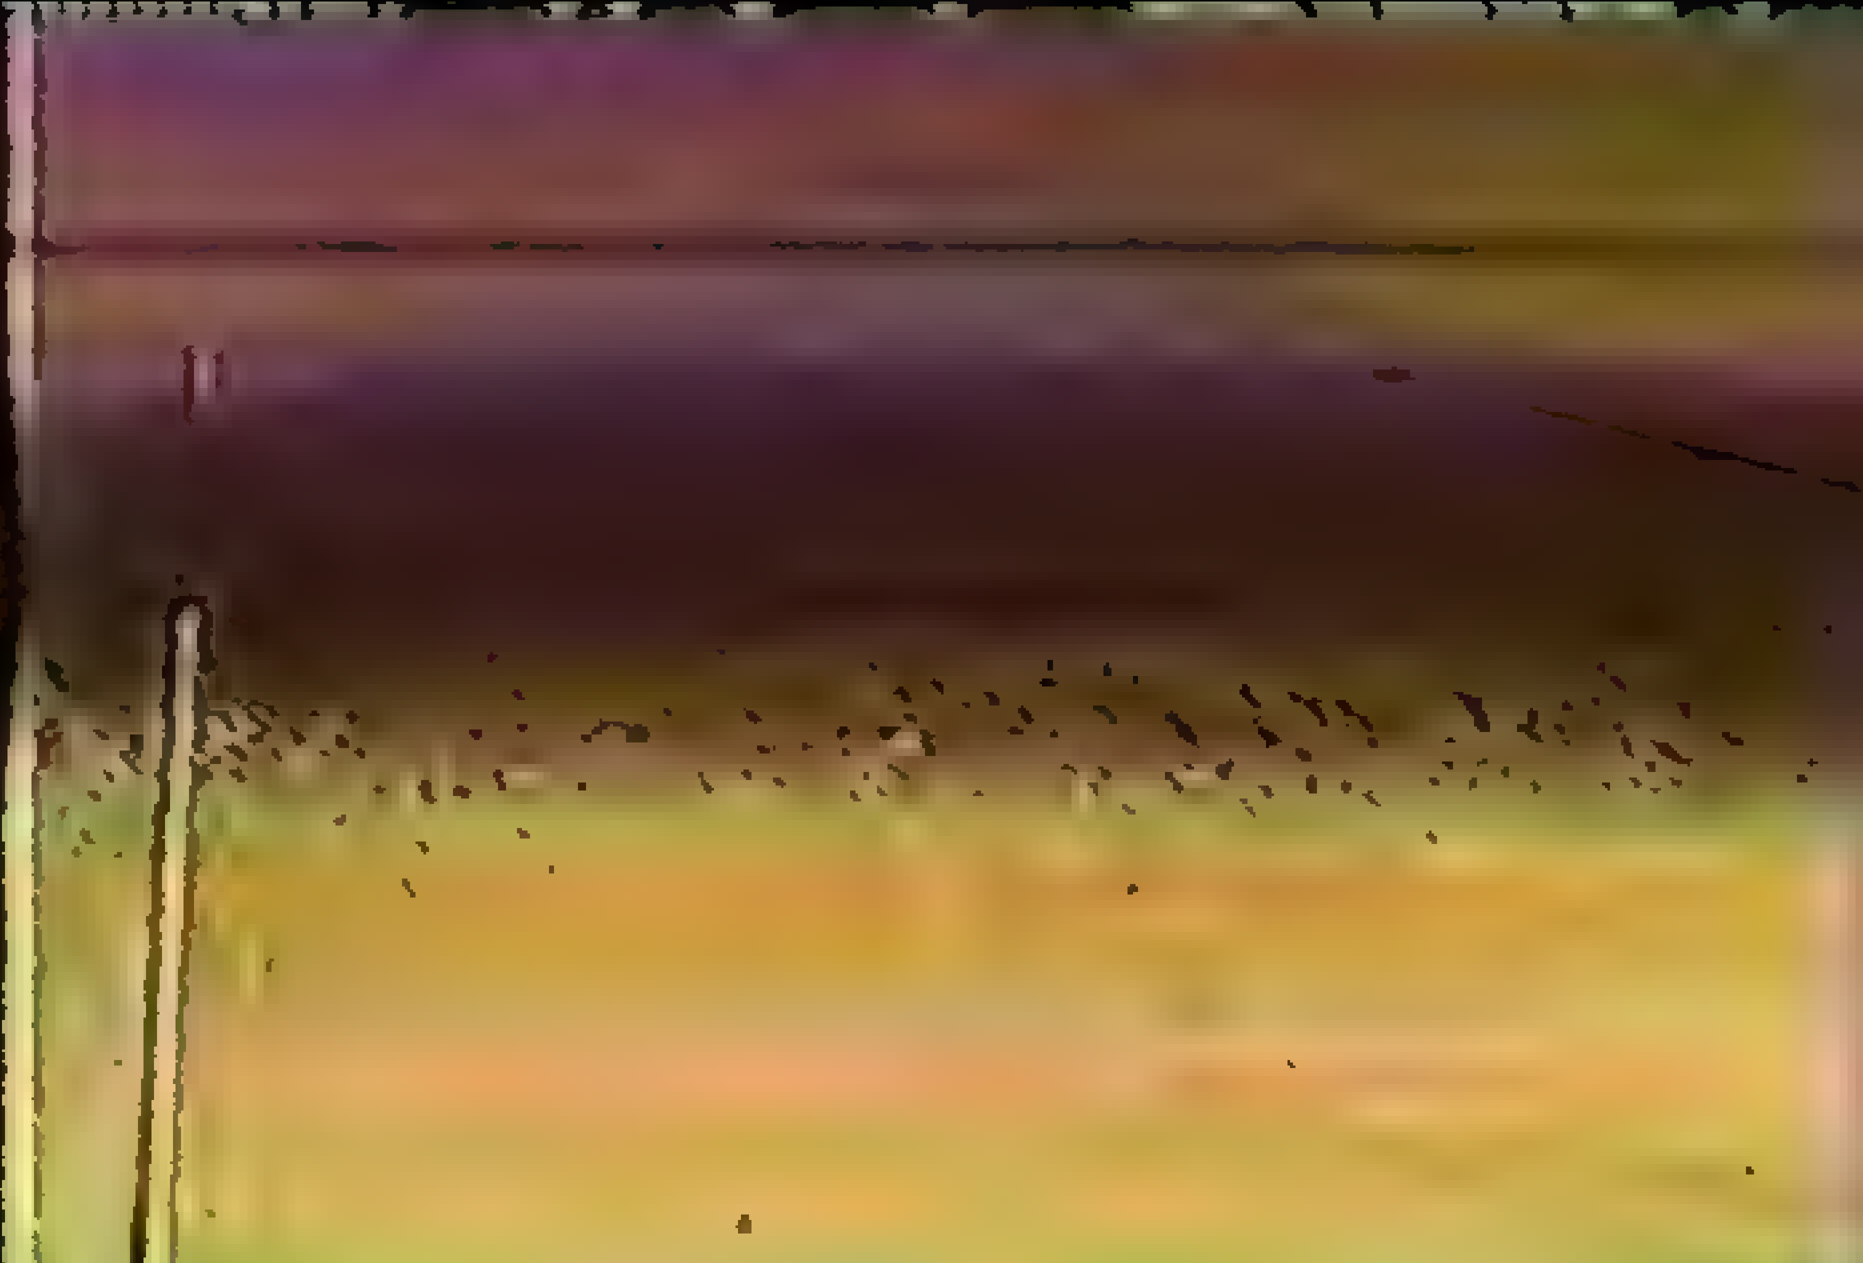

I feel really bad for

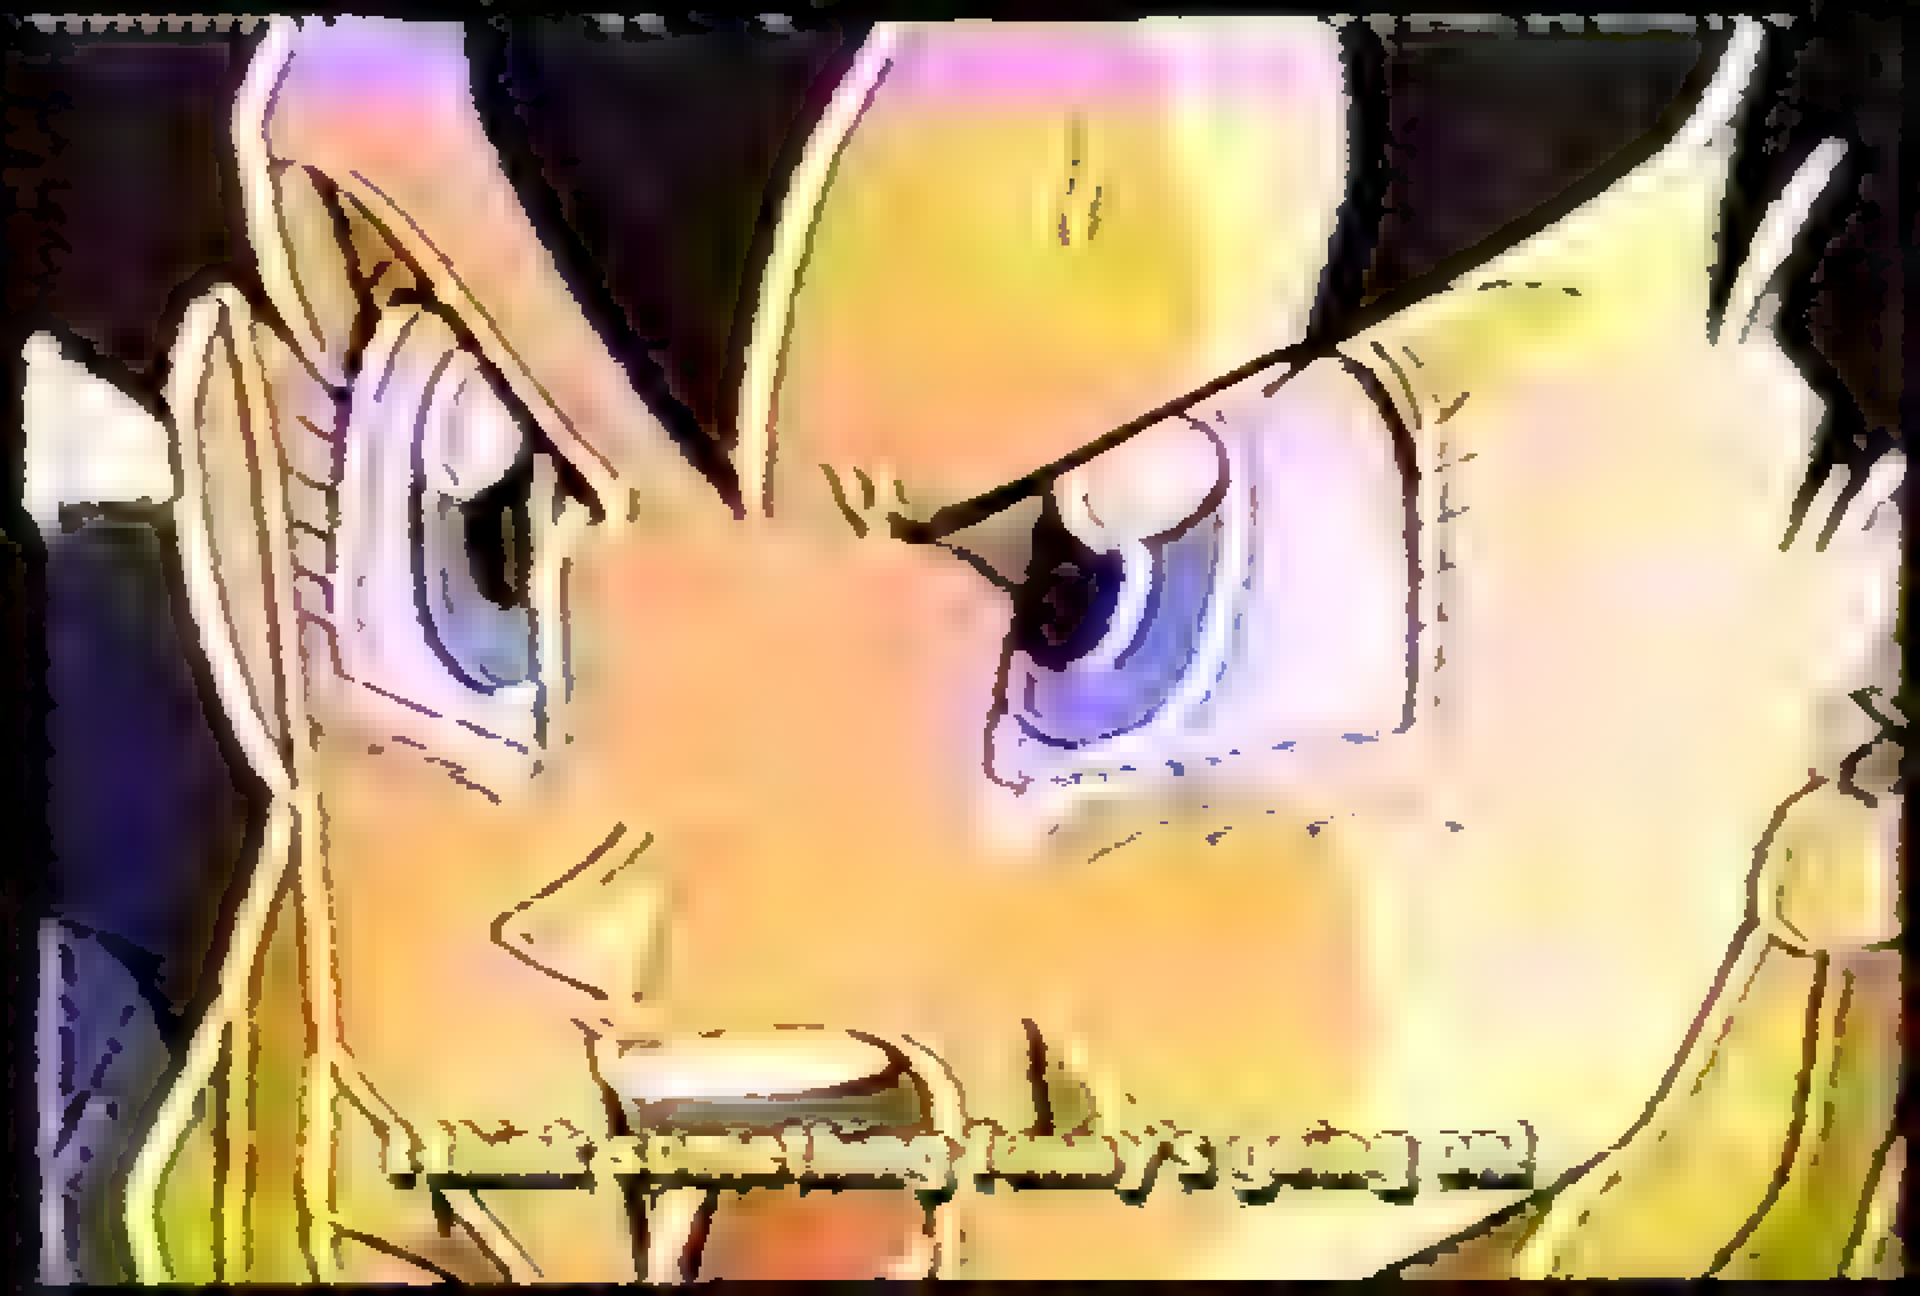

What are you all talking about?!

You're acting like you know they're dead

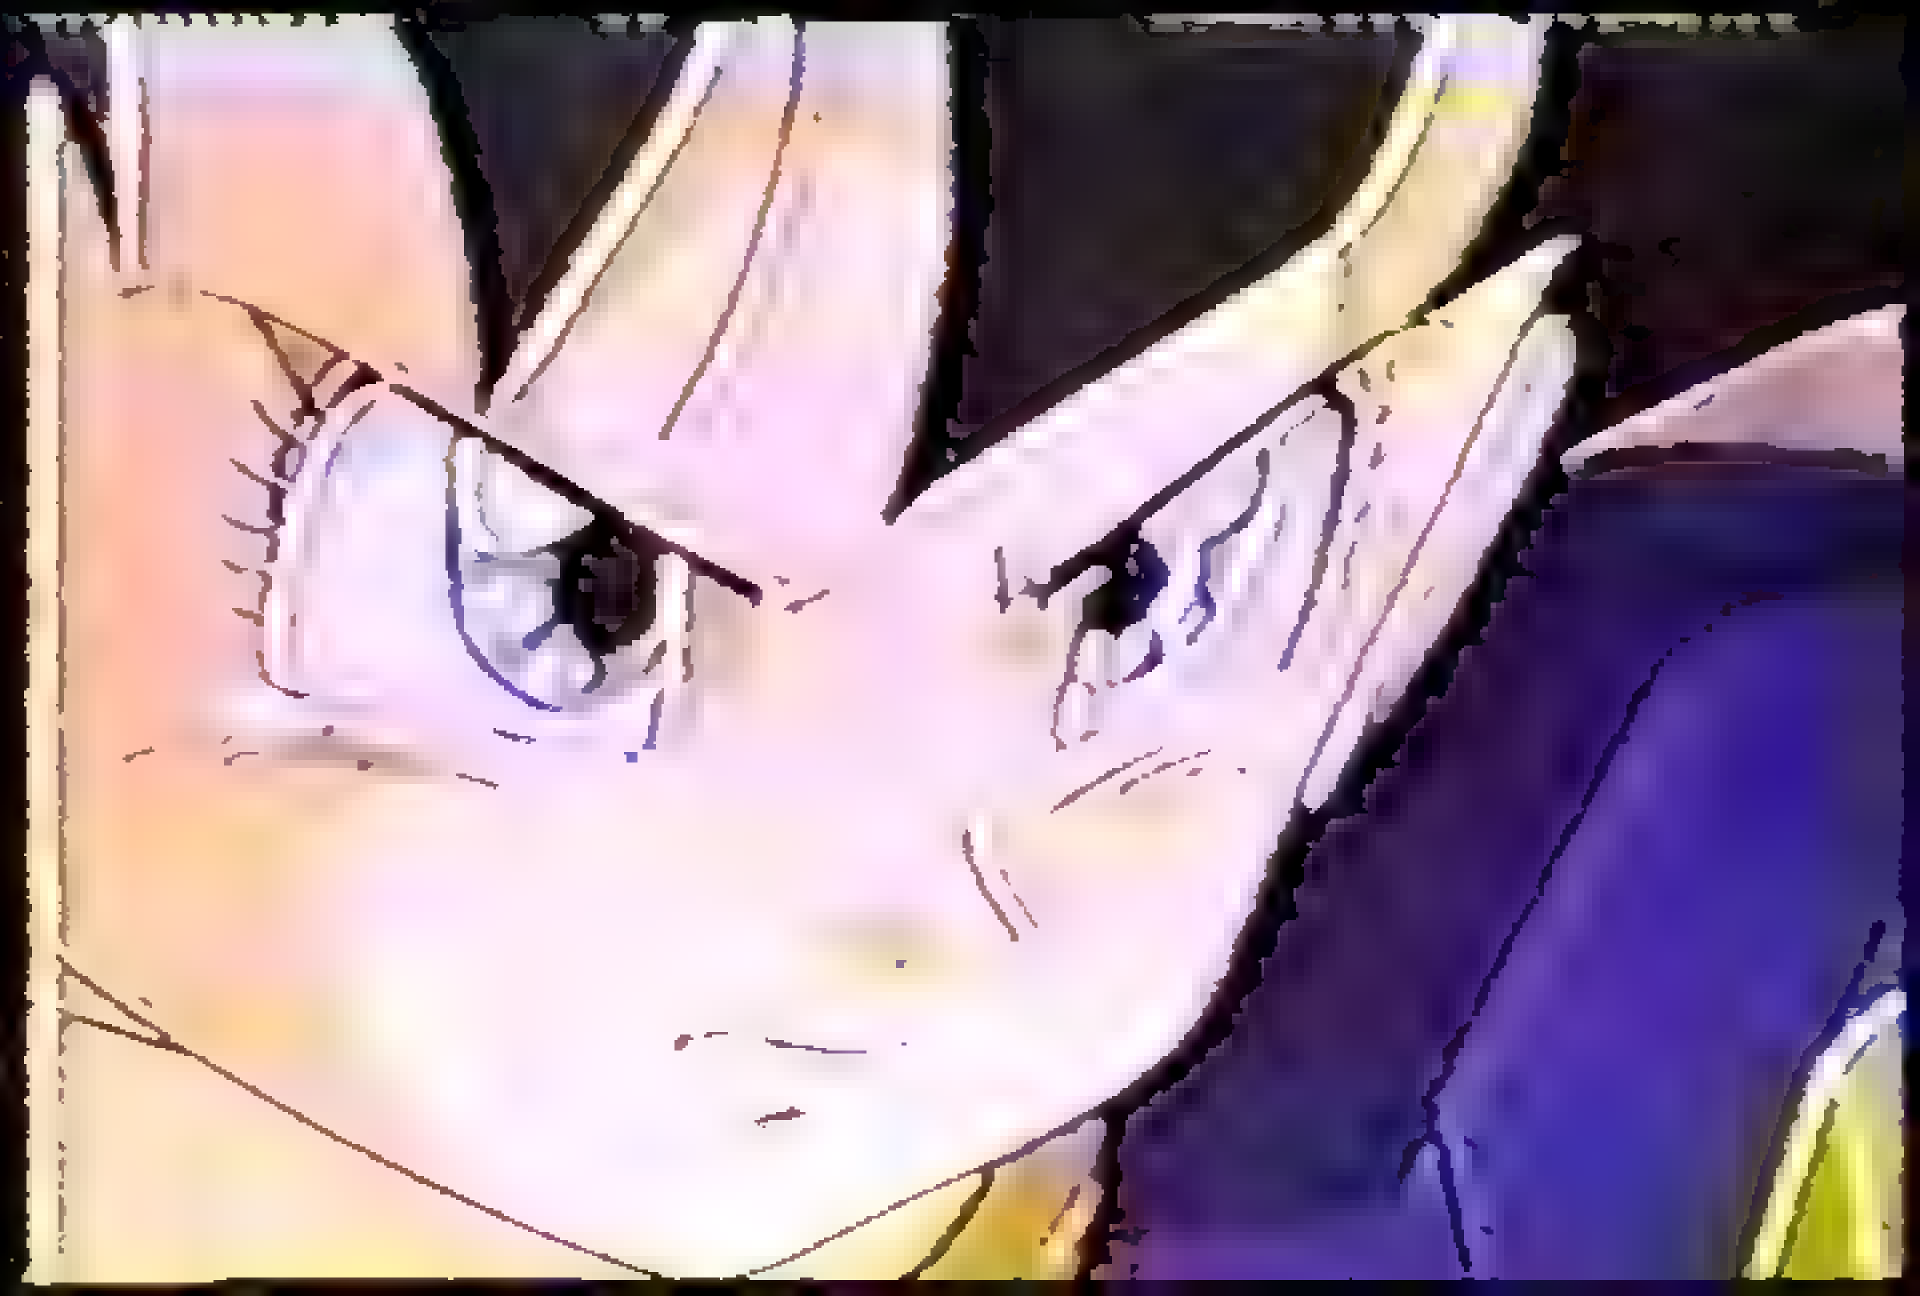

You're acting like you know they're dead

No one's found any corpses!!

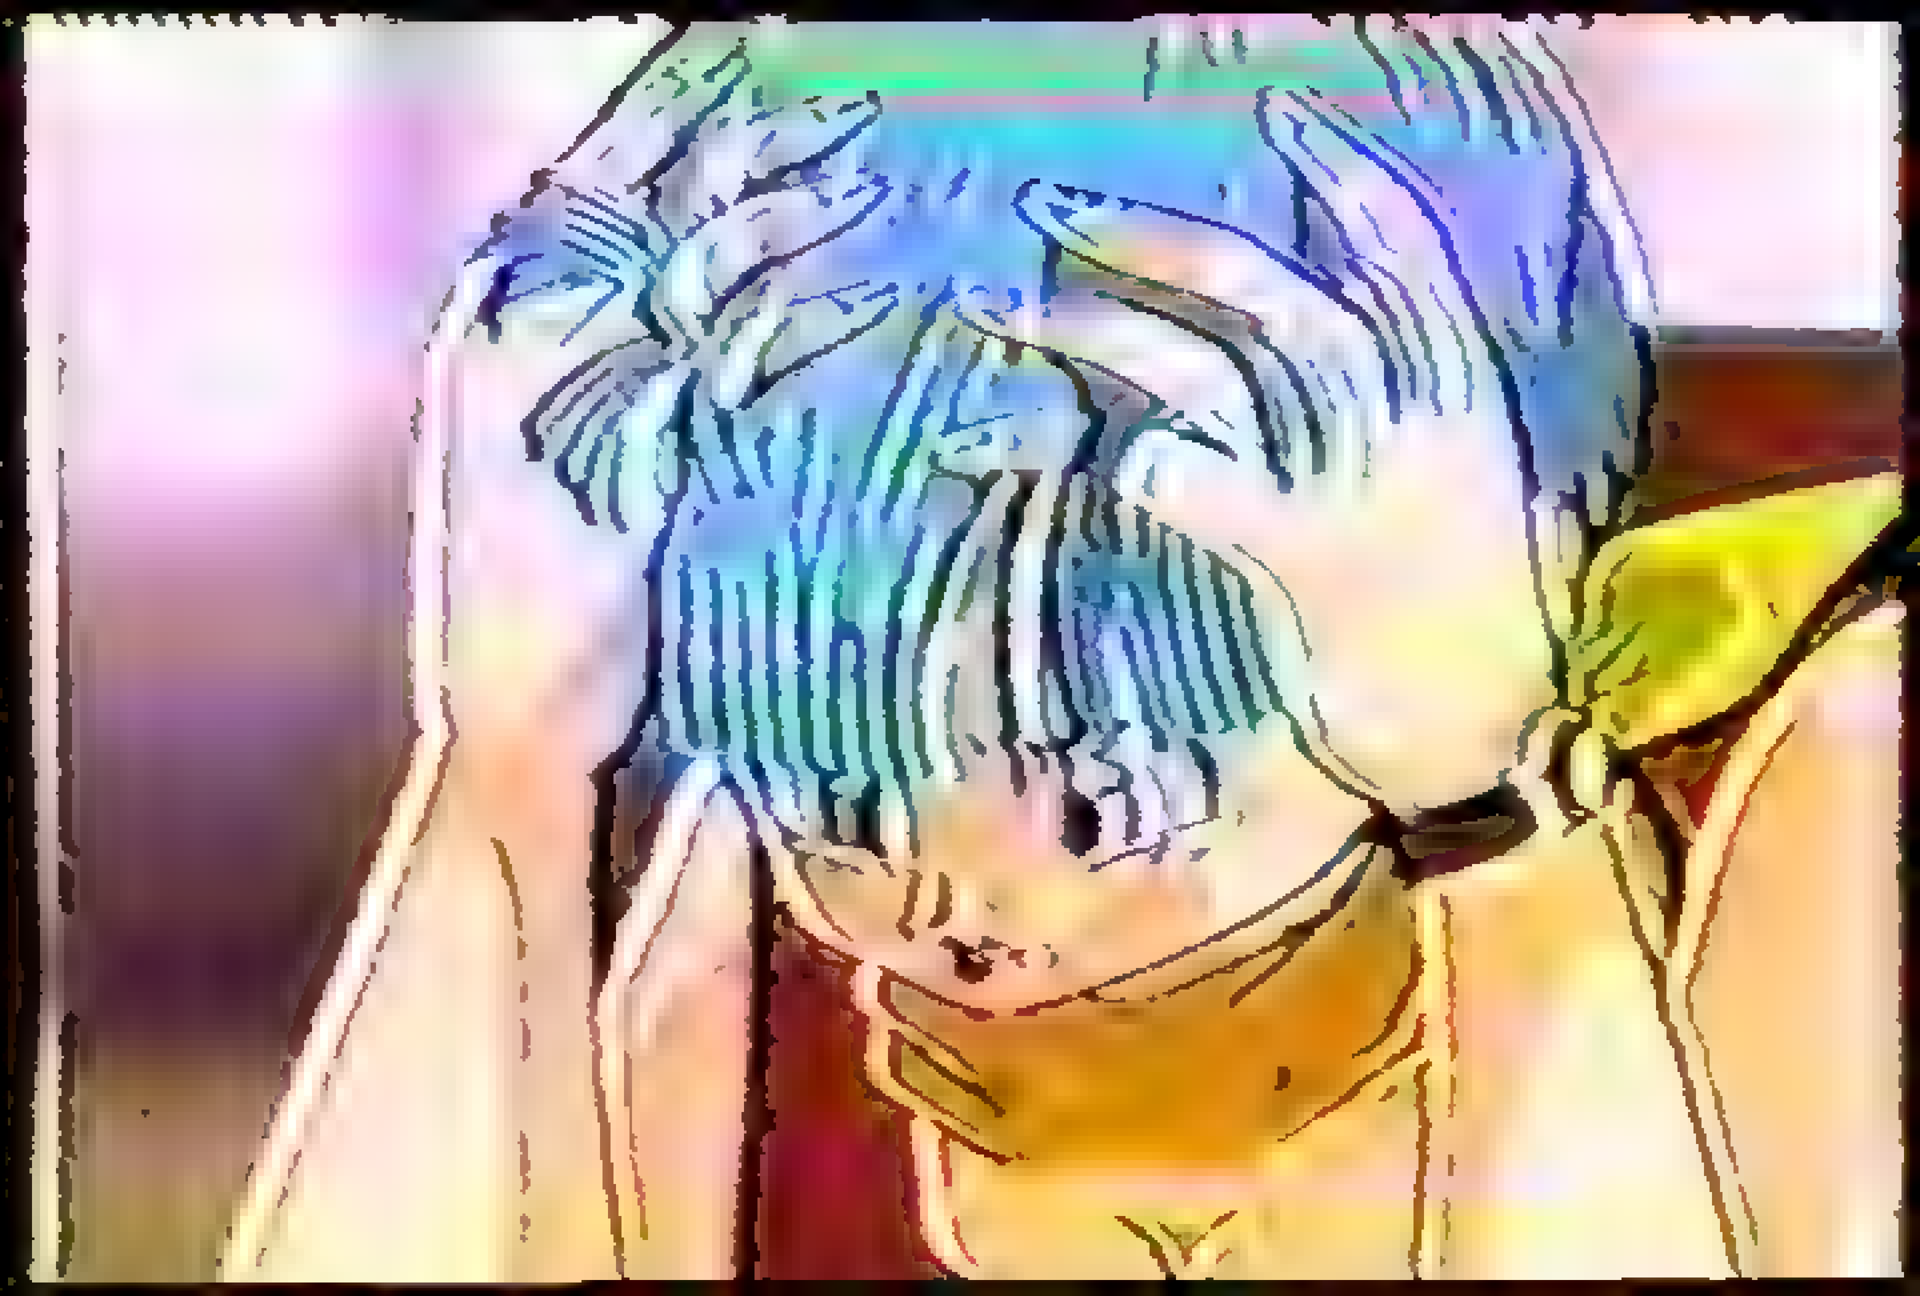

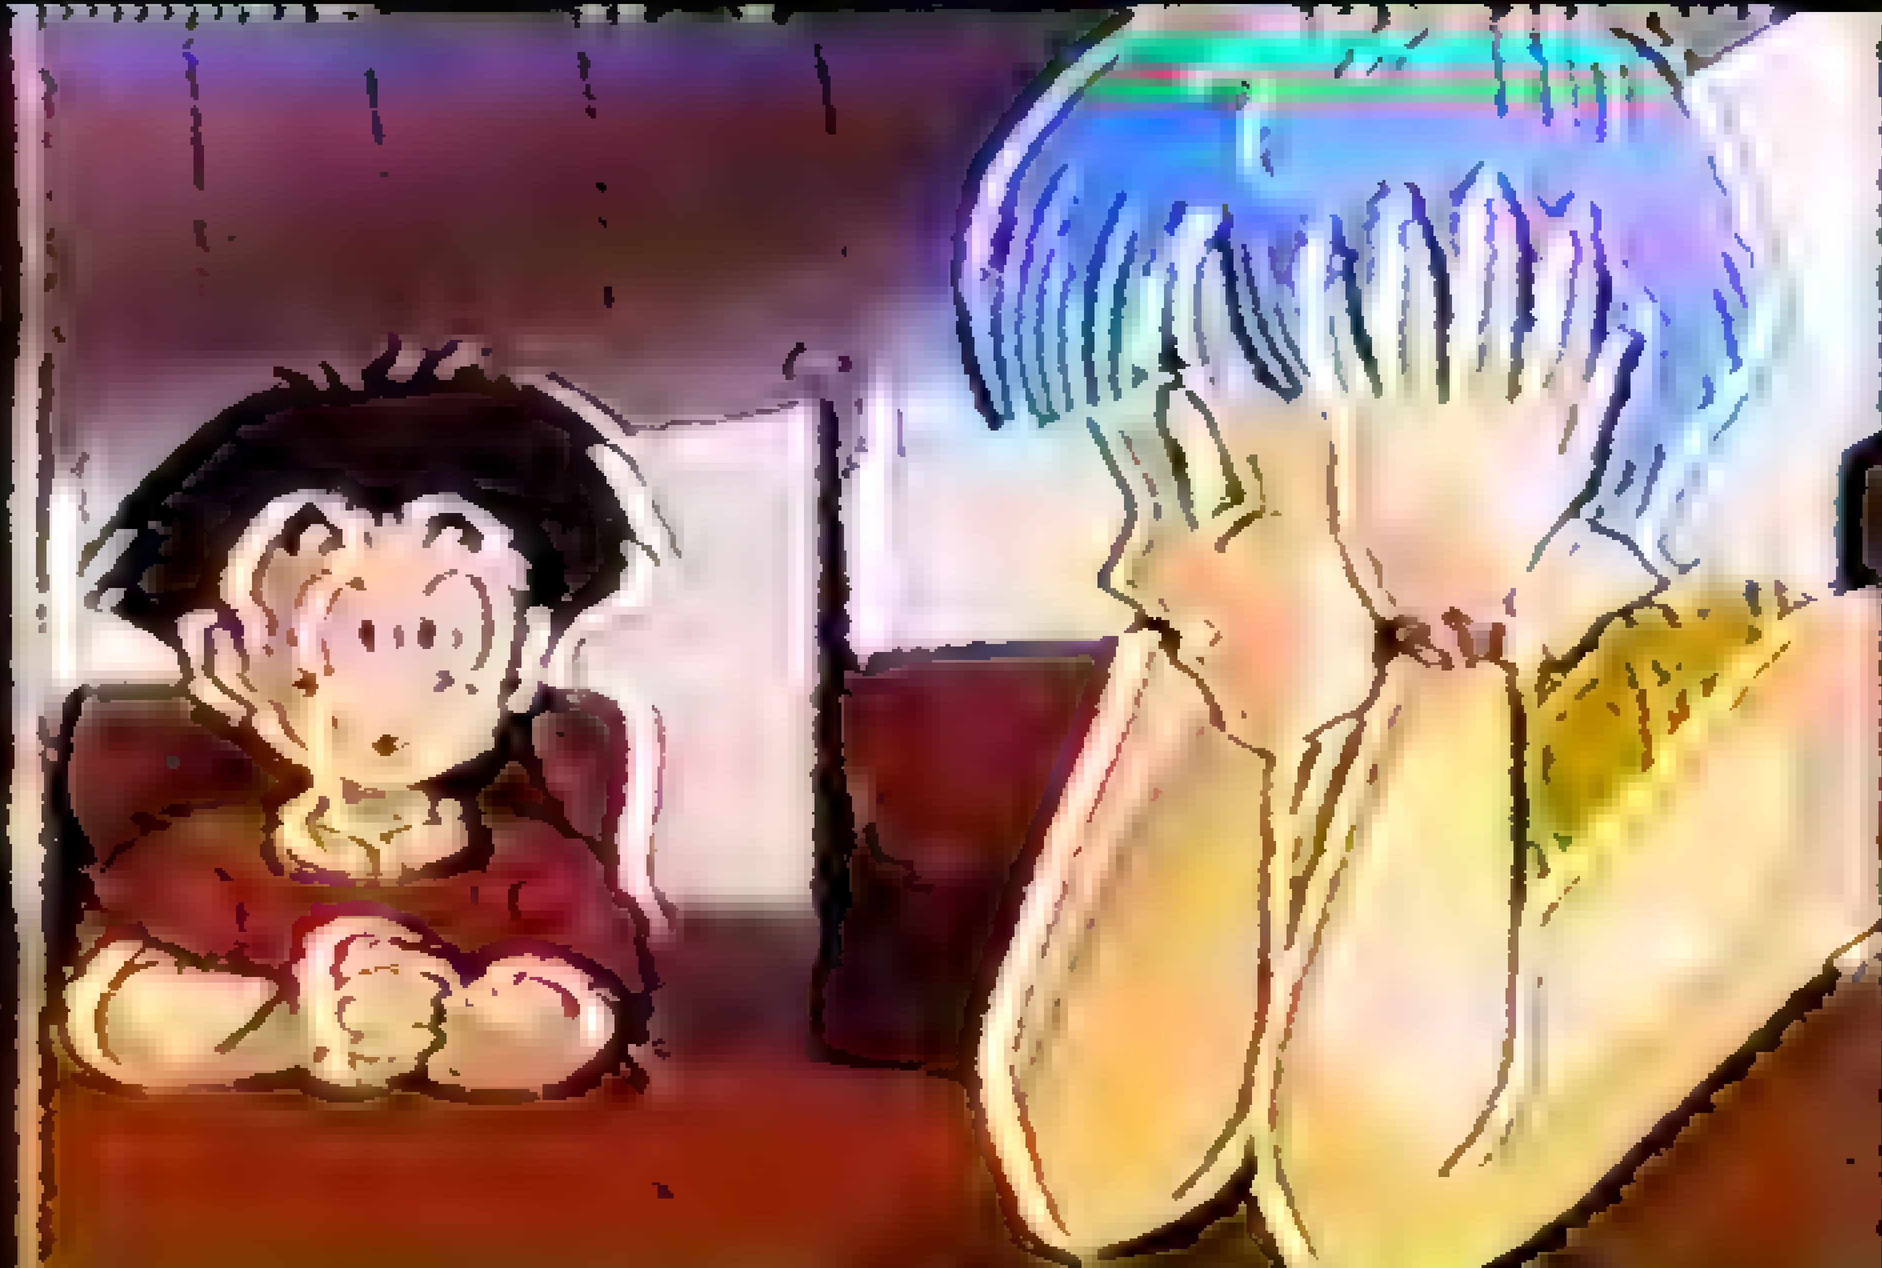

But since we can't feel

But since we can't feel his ki at all...

That Gohan is no longer...

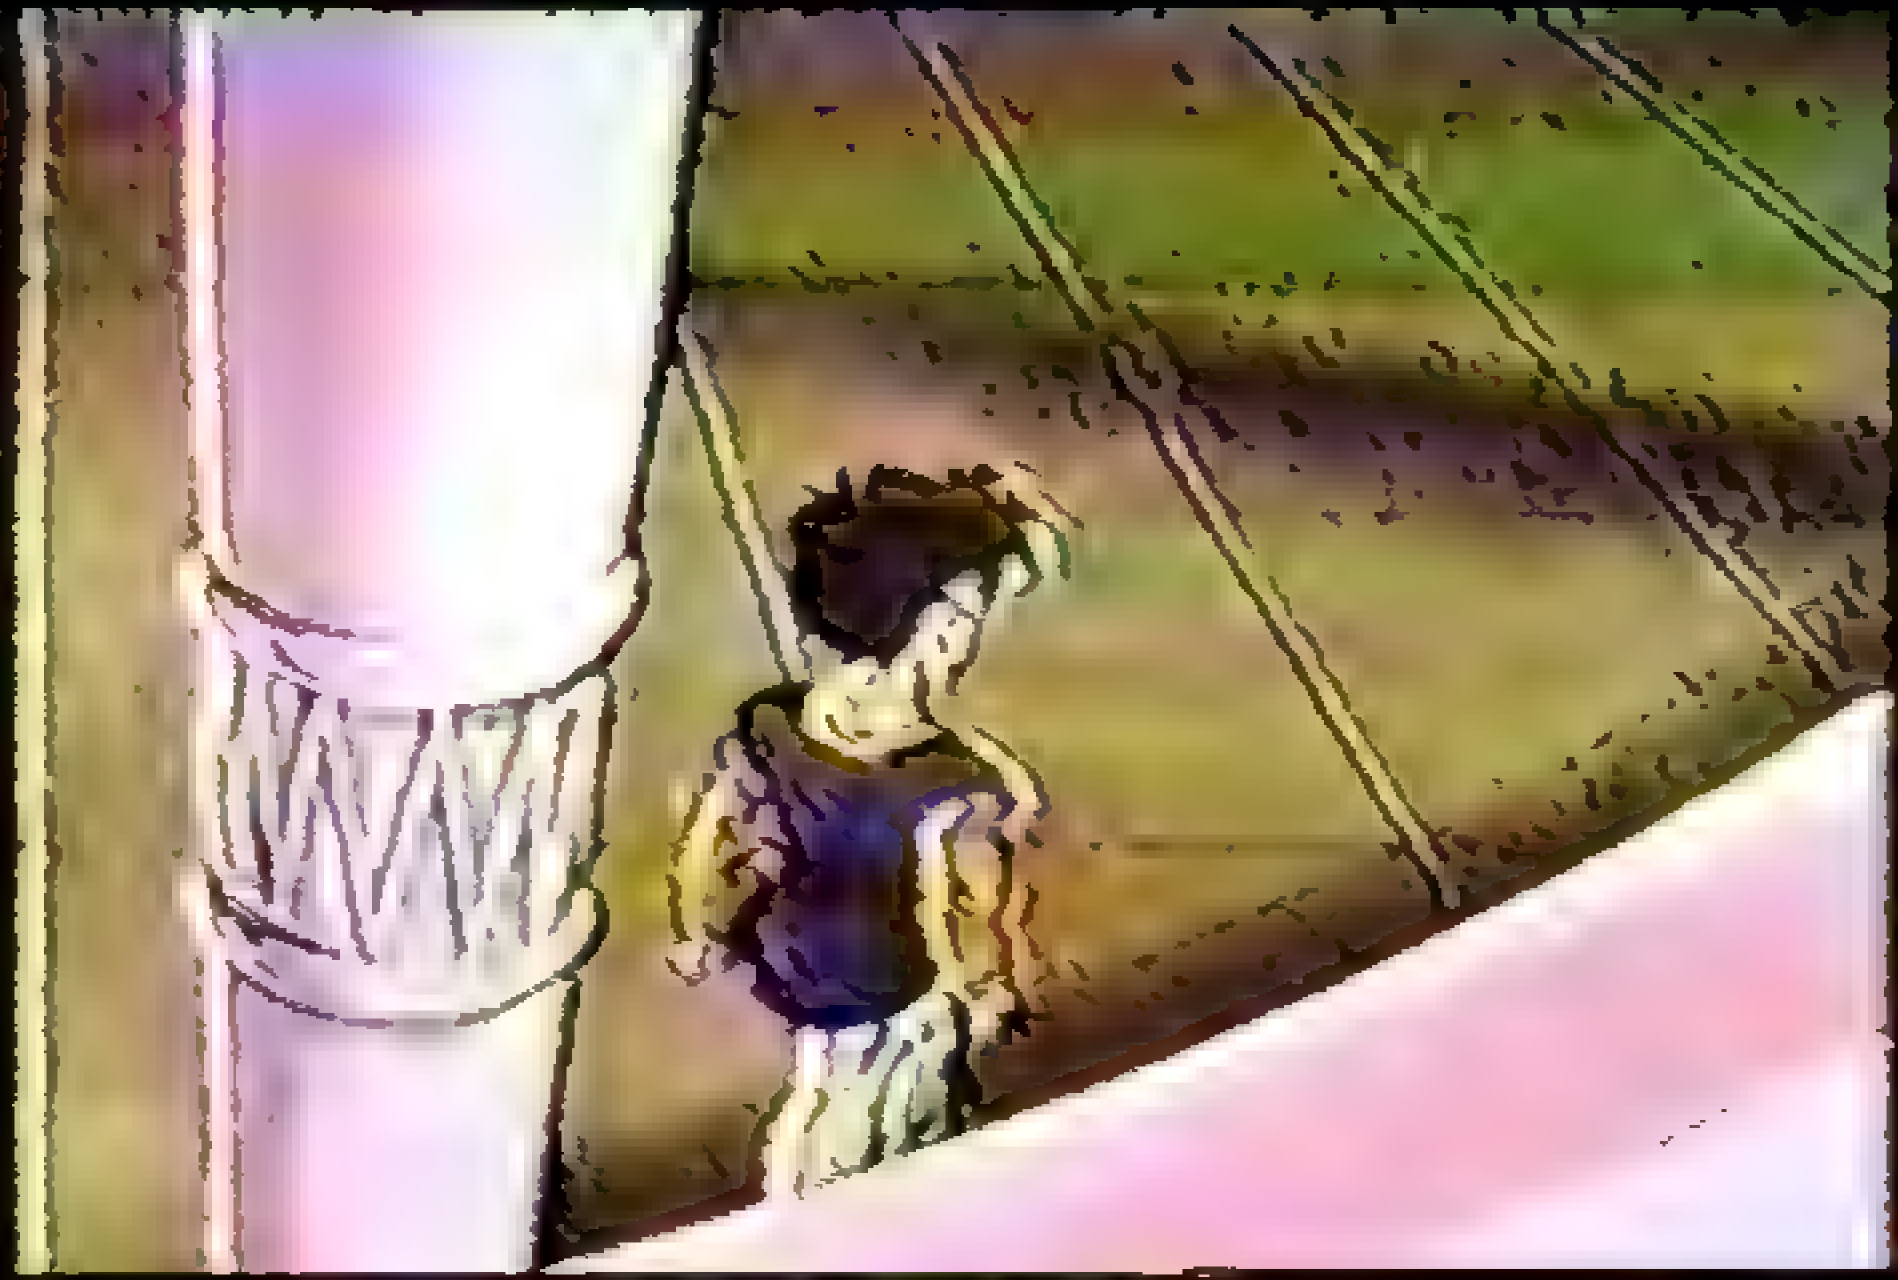

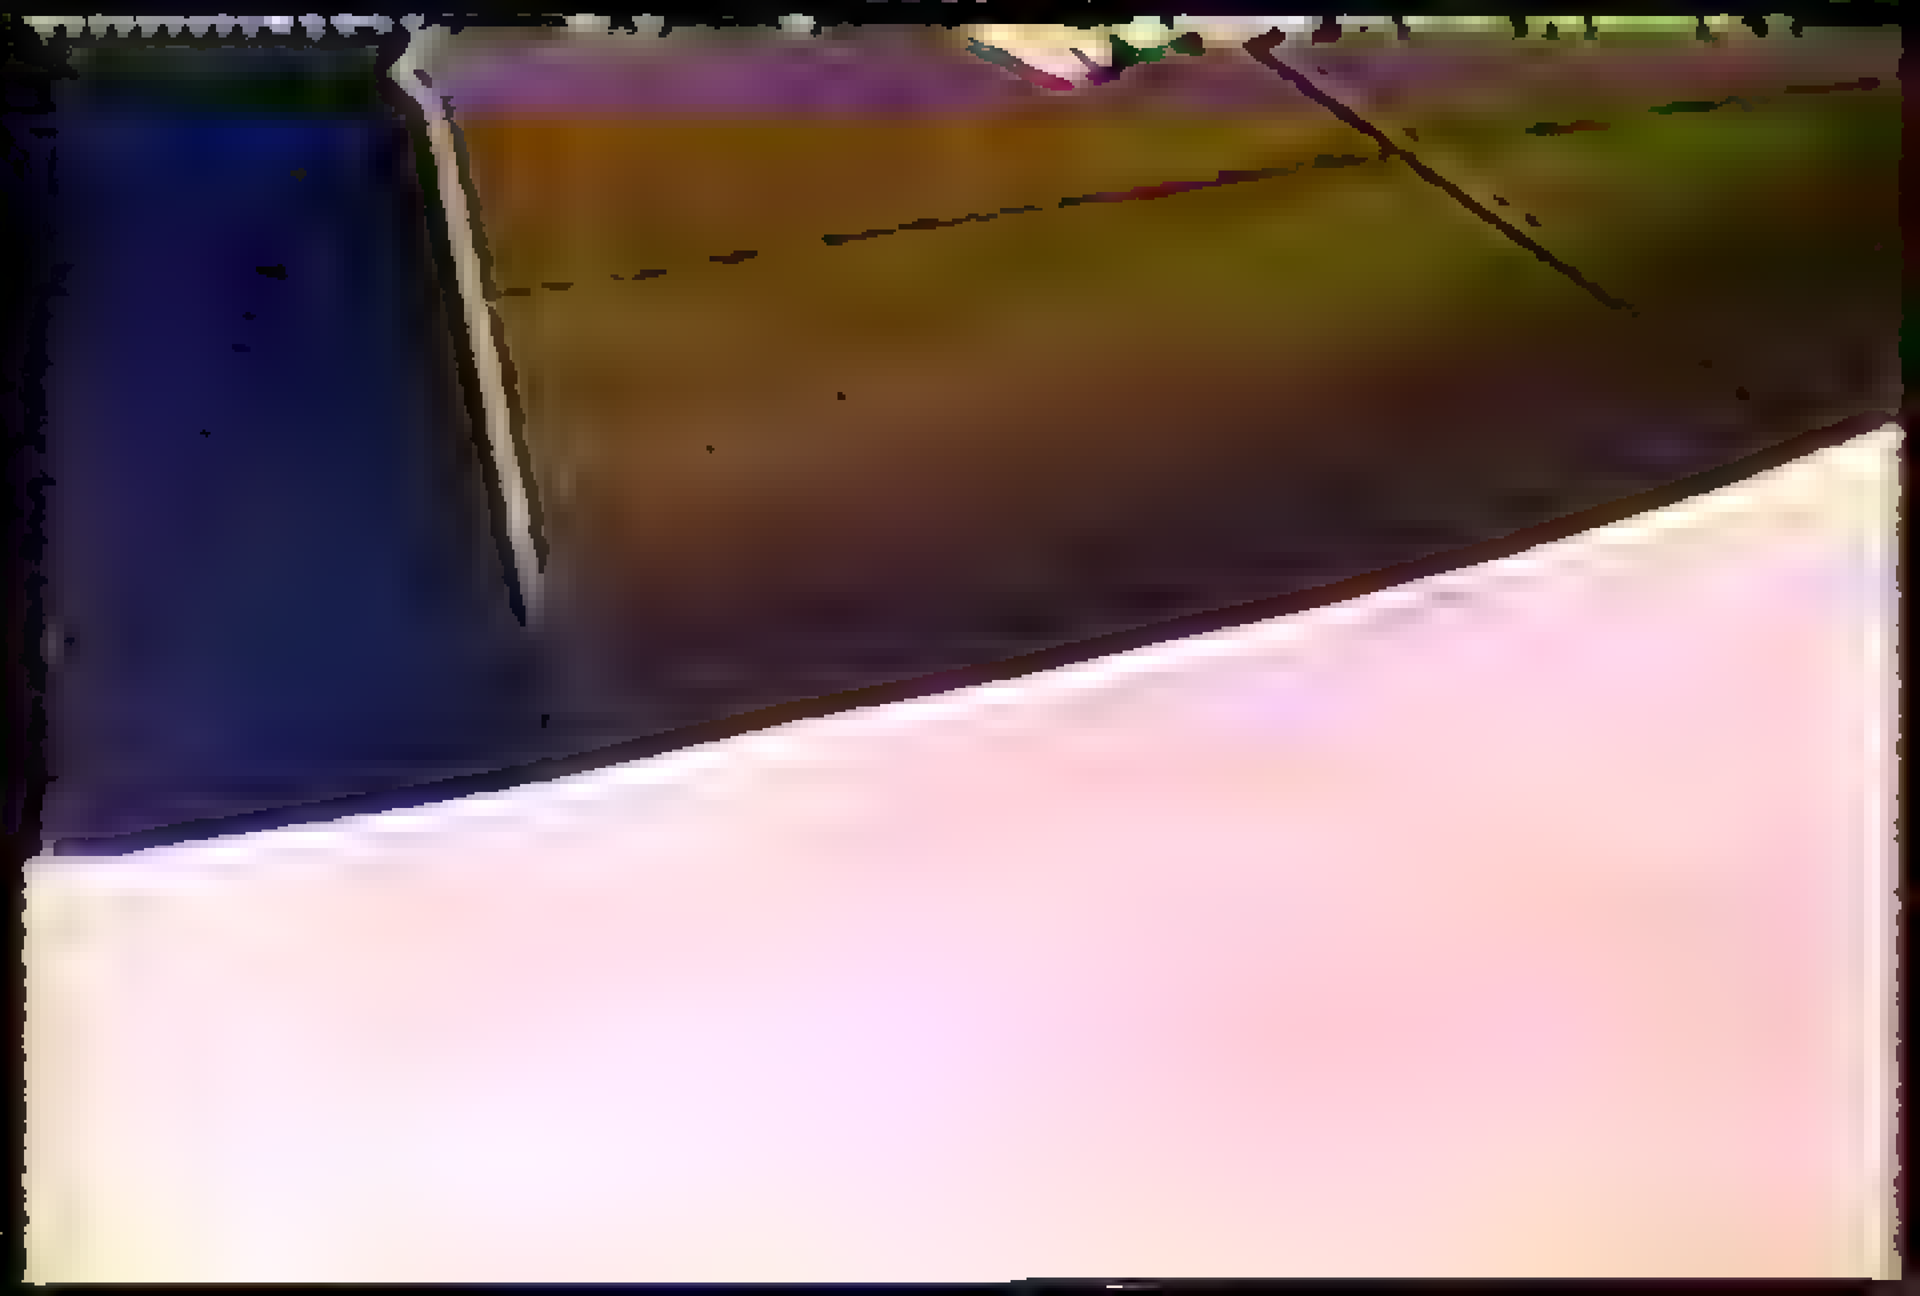

I don't believe you

I don't believe you

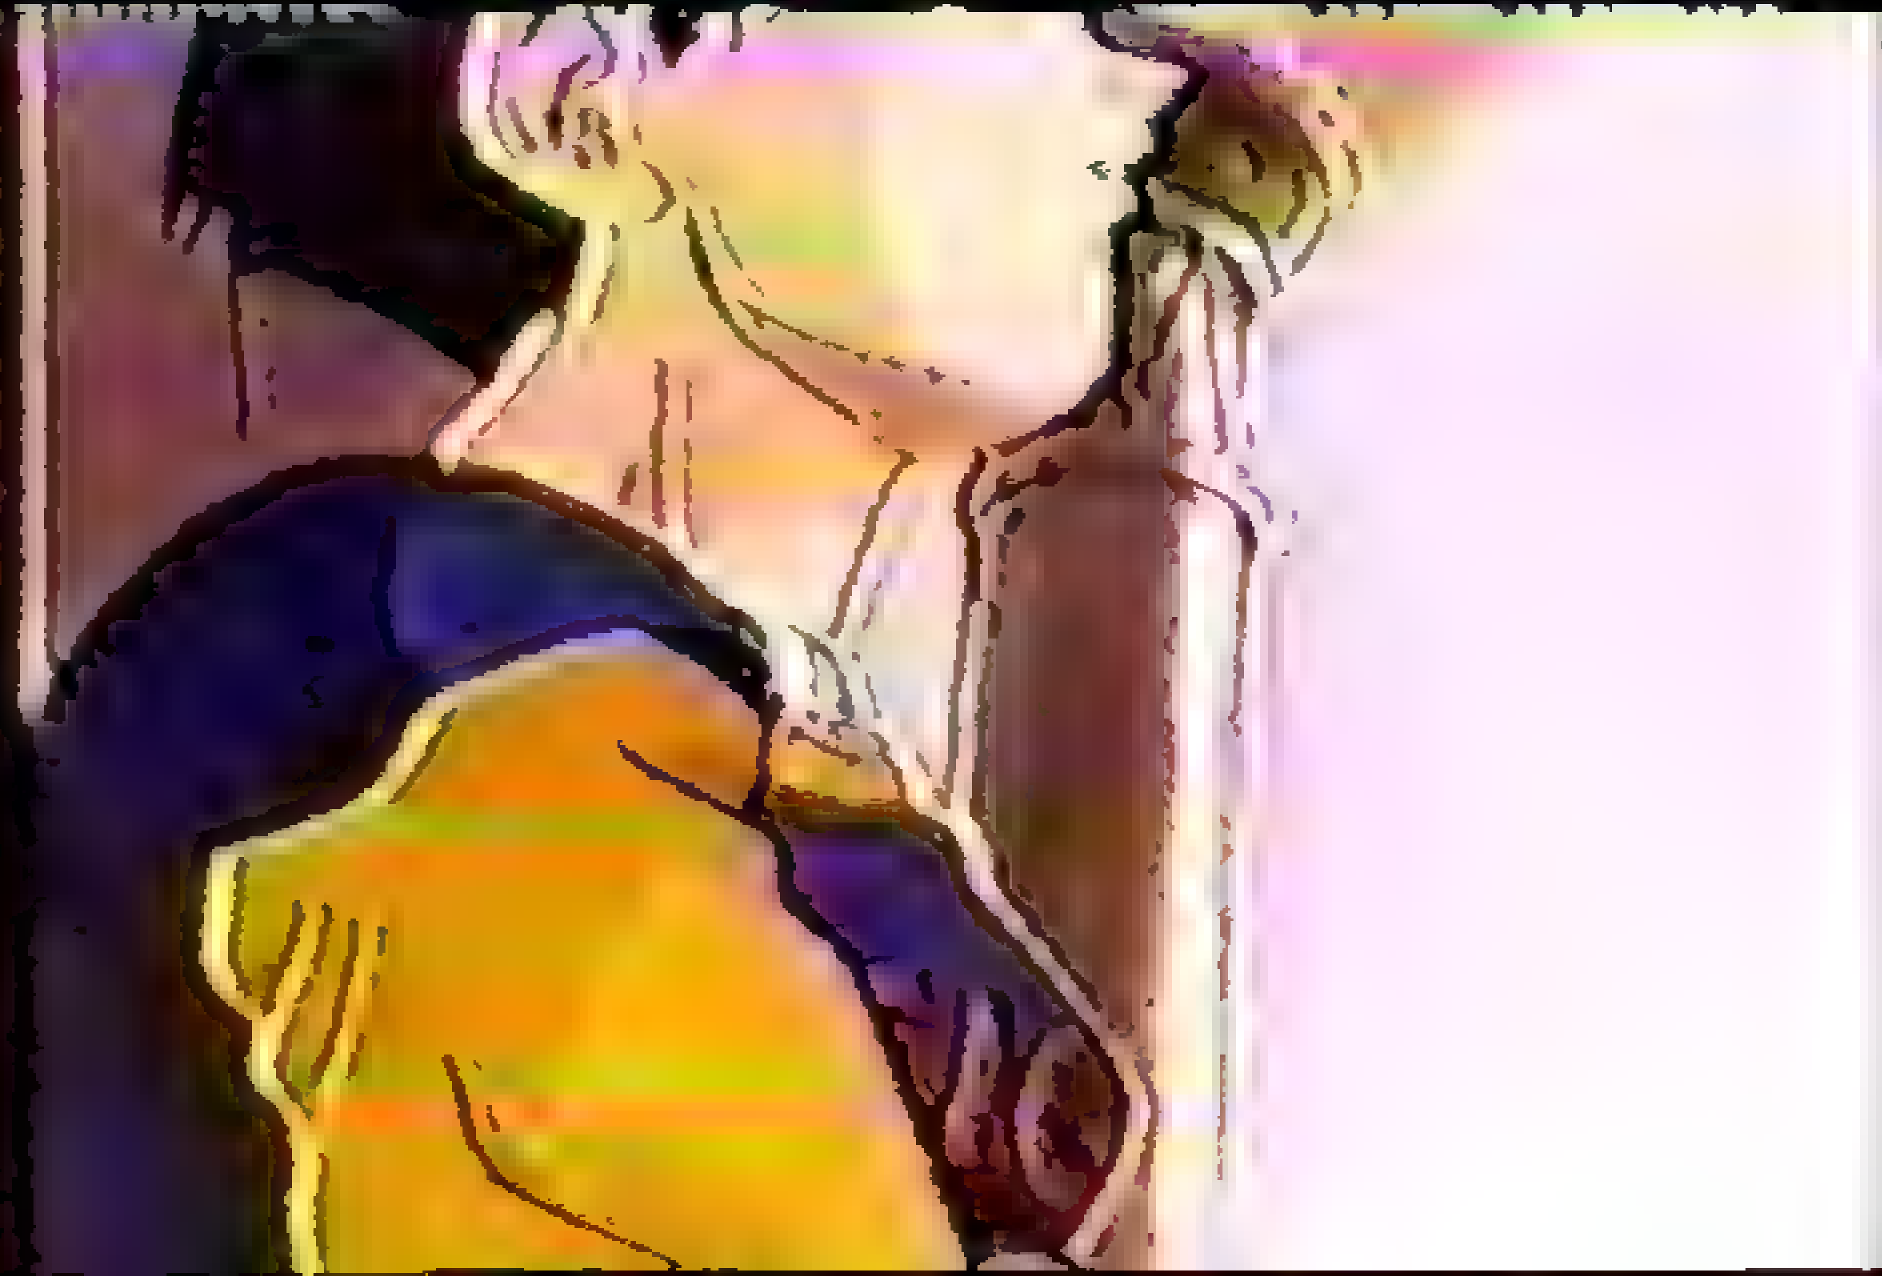

I don't believe any of it.

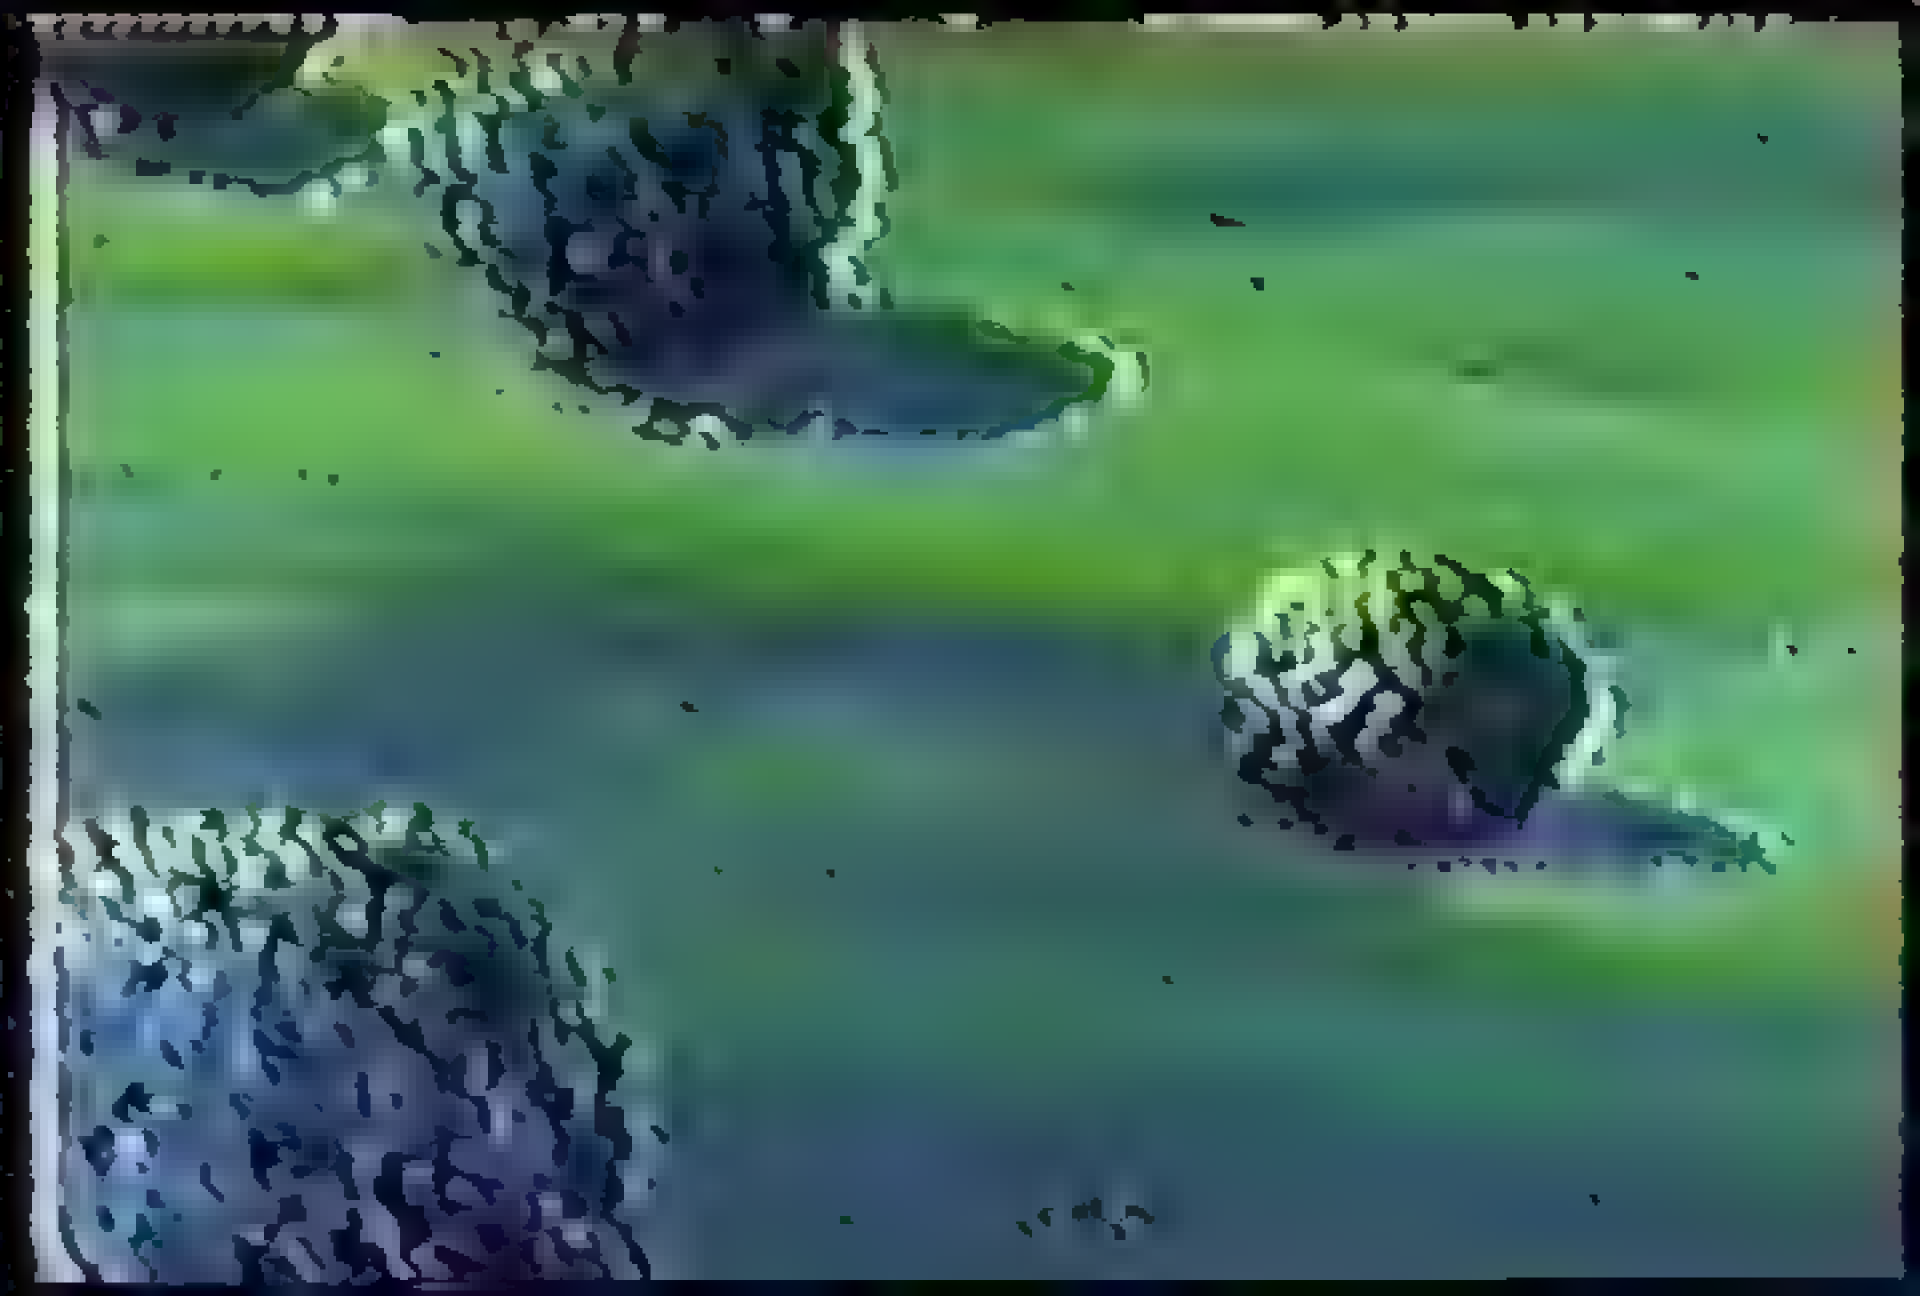

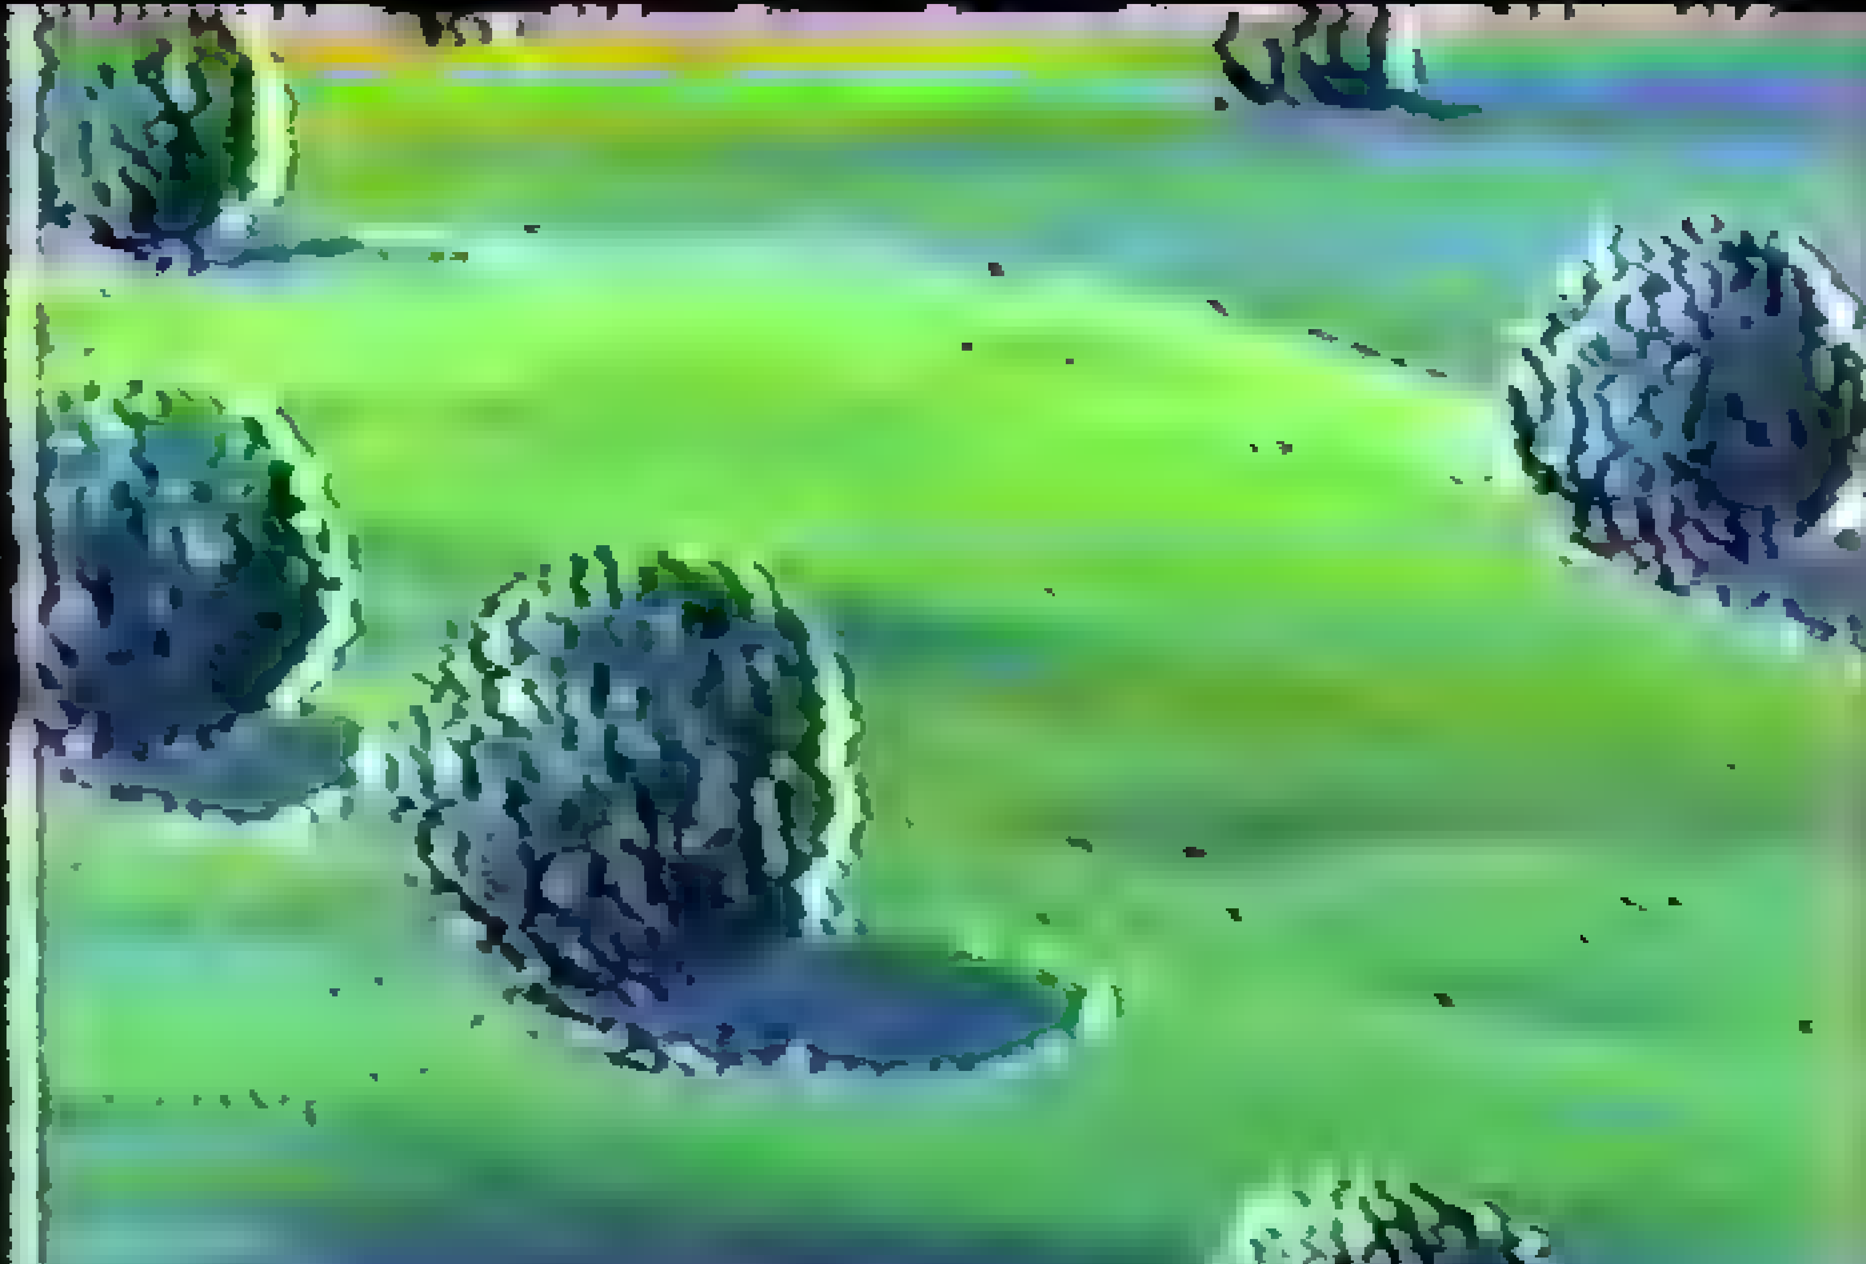

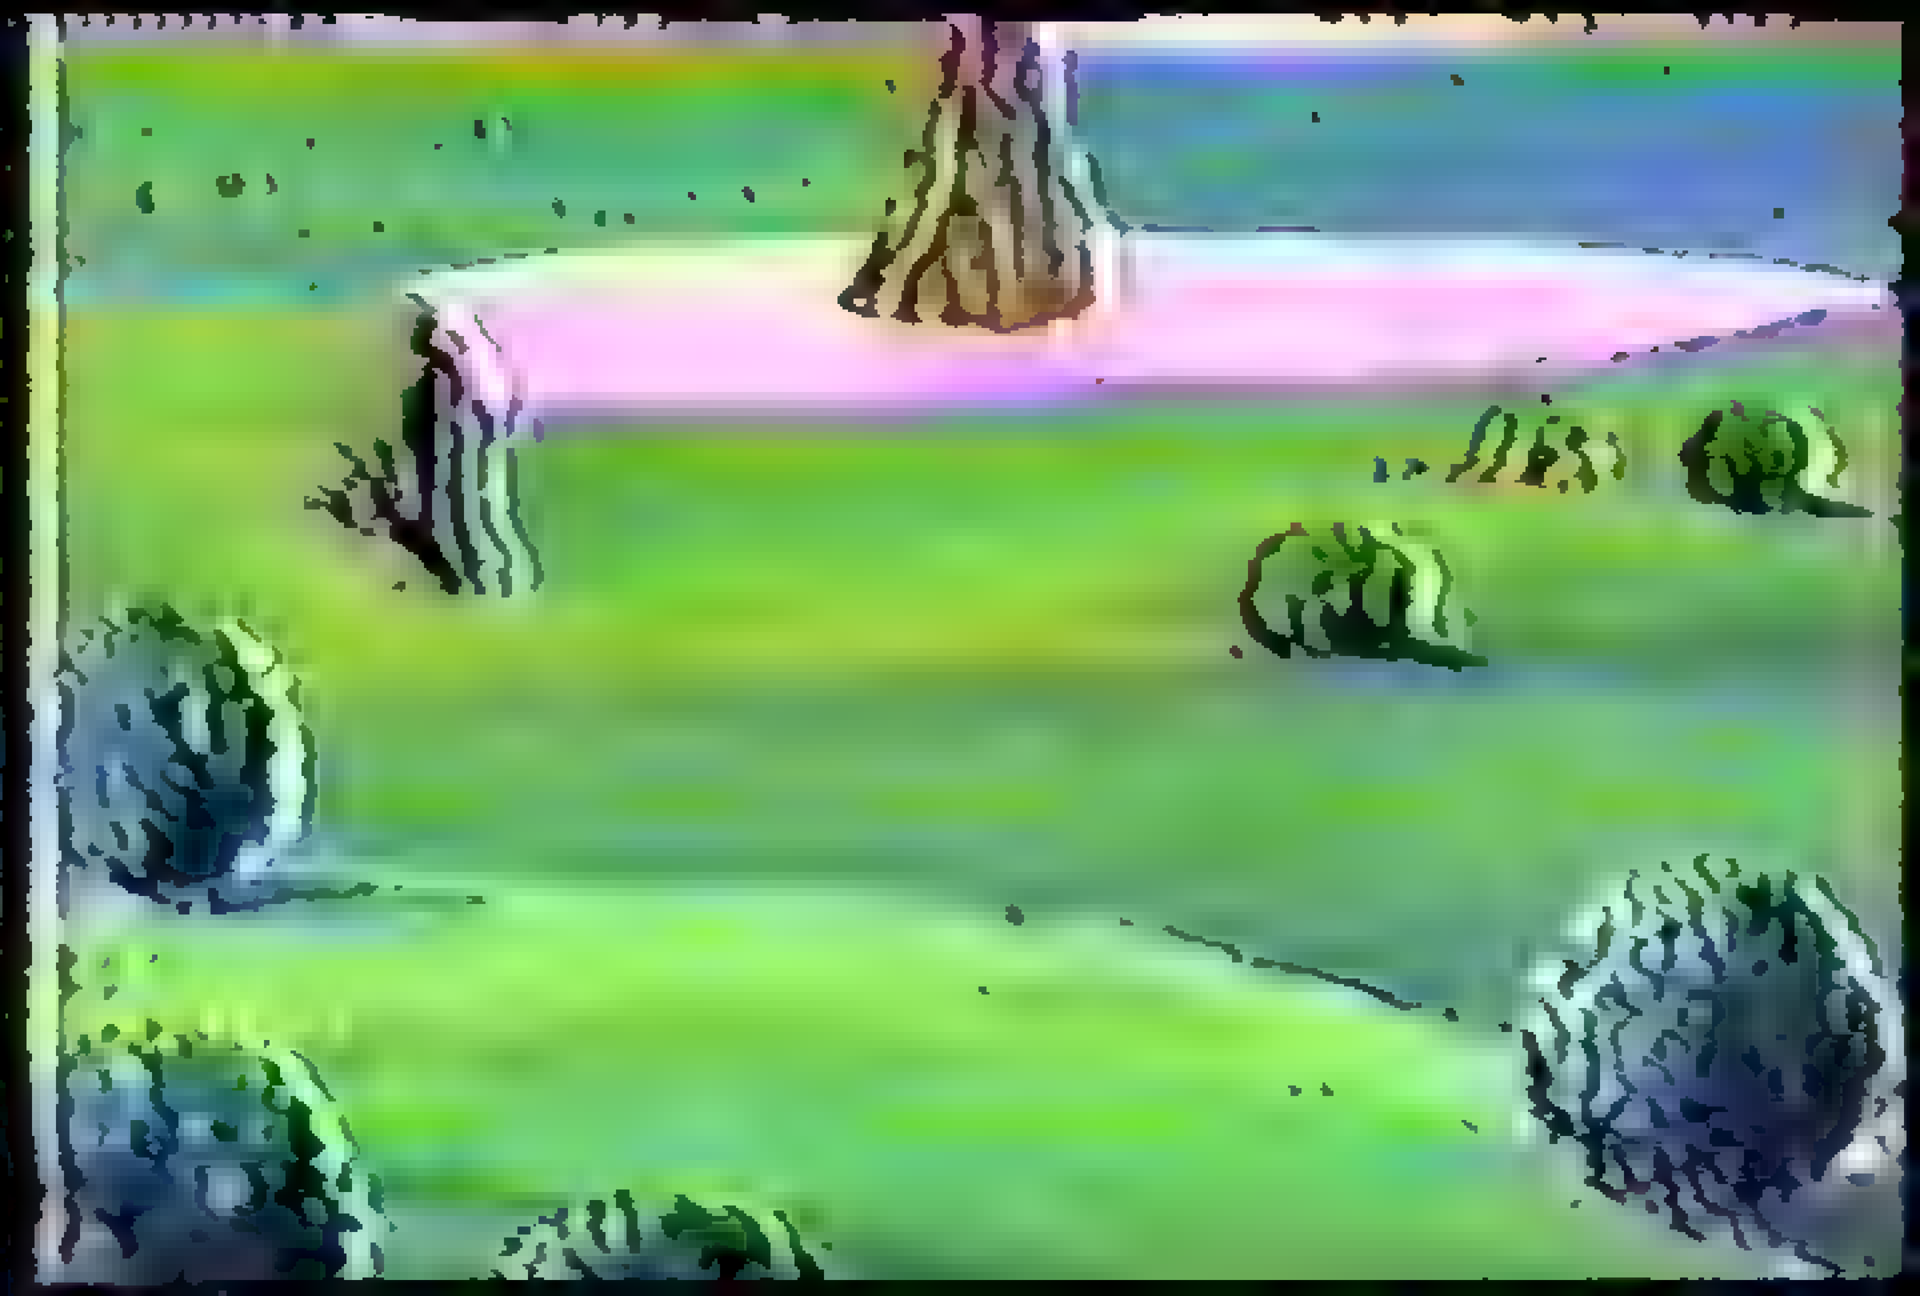

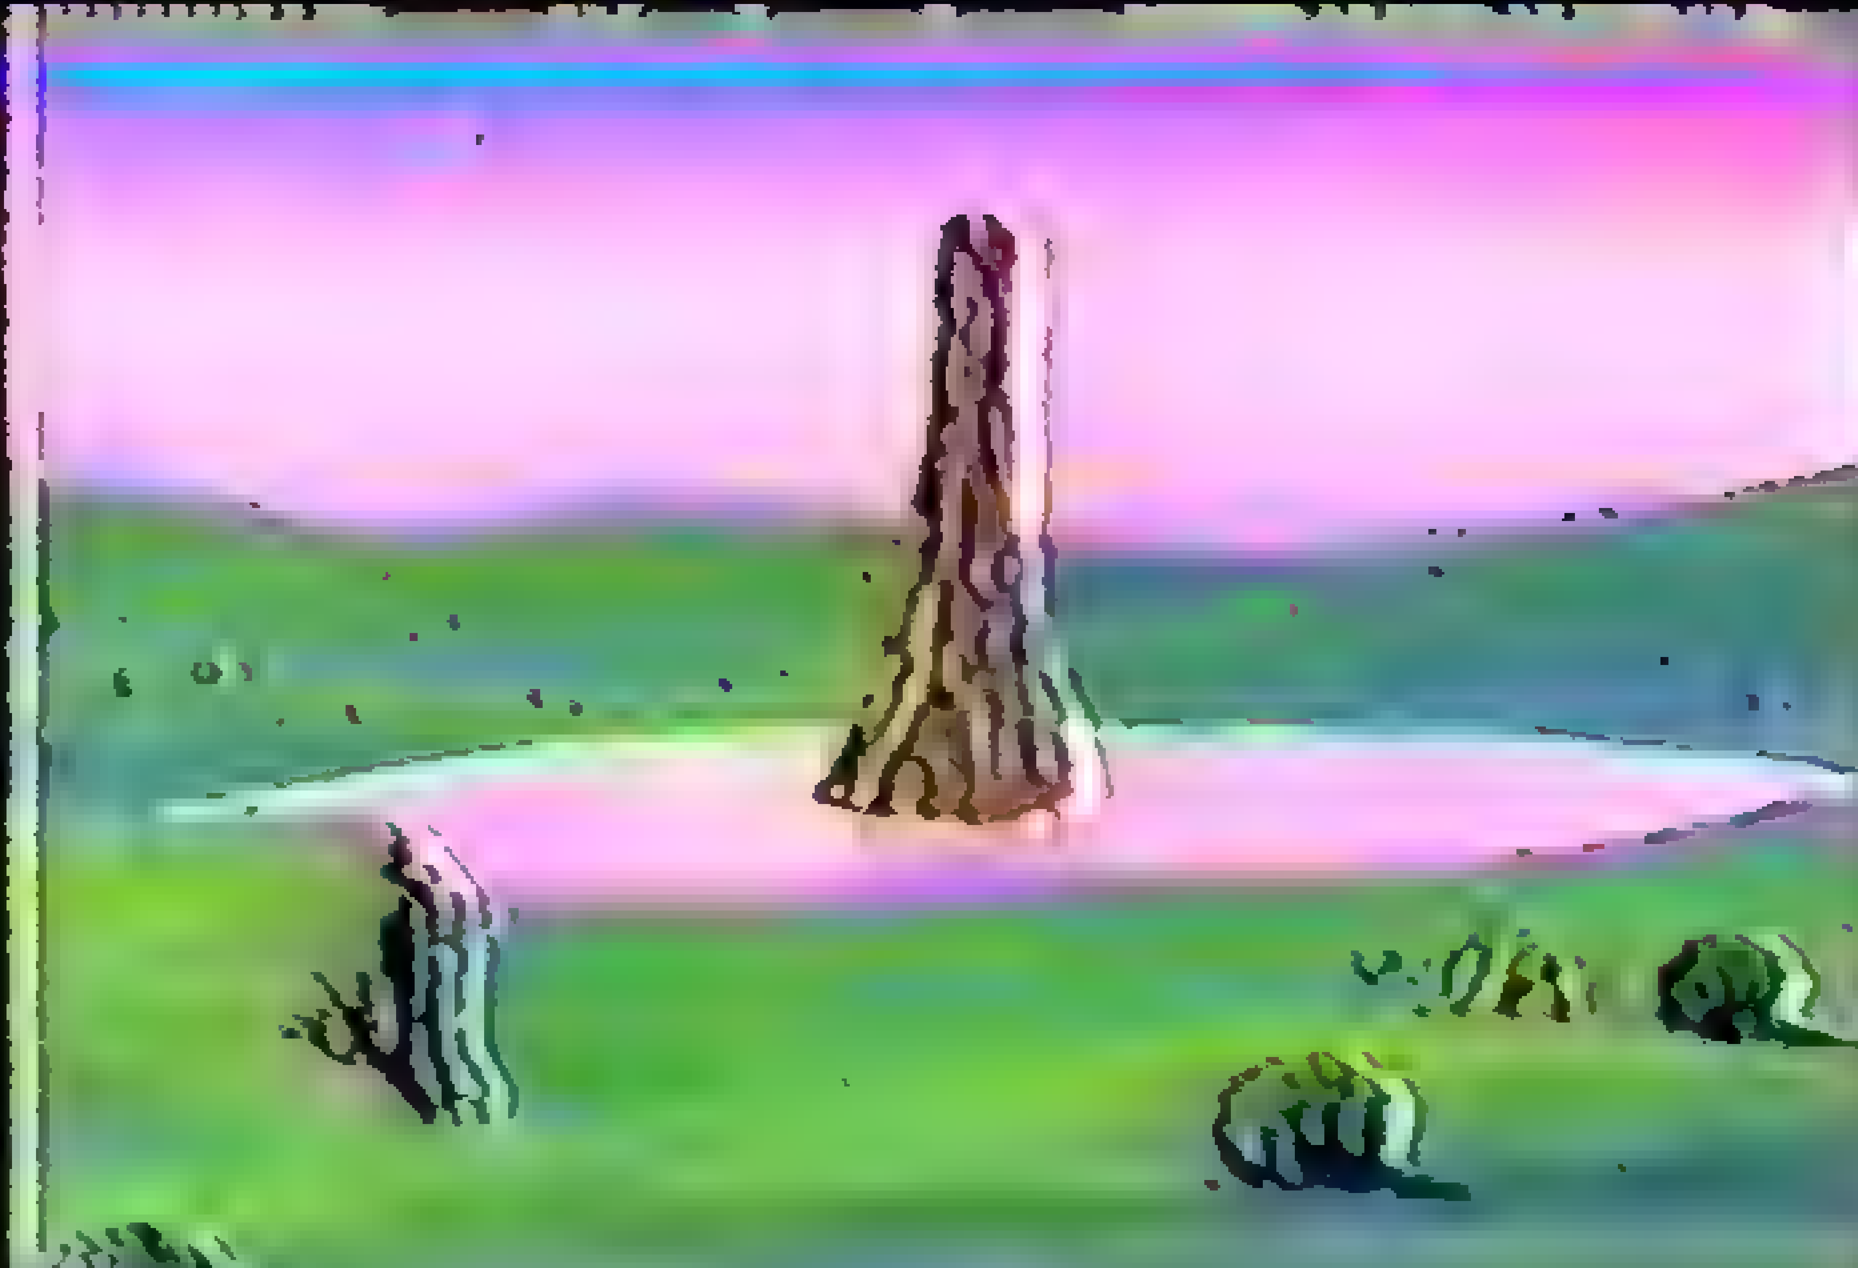

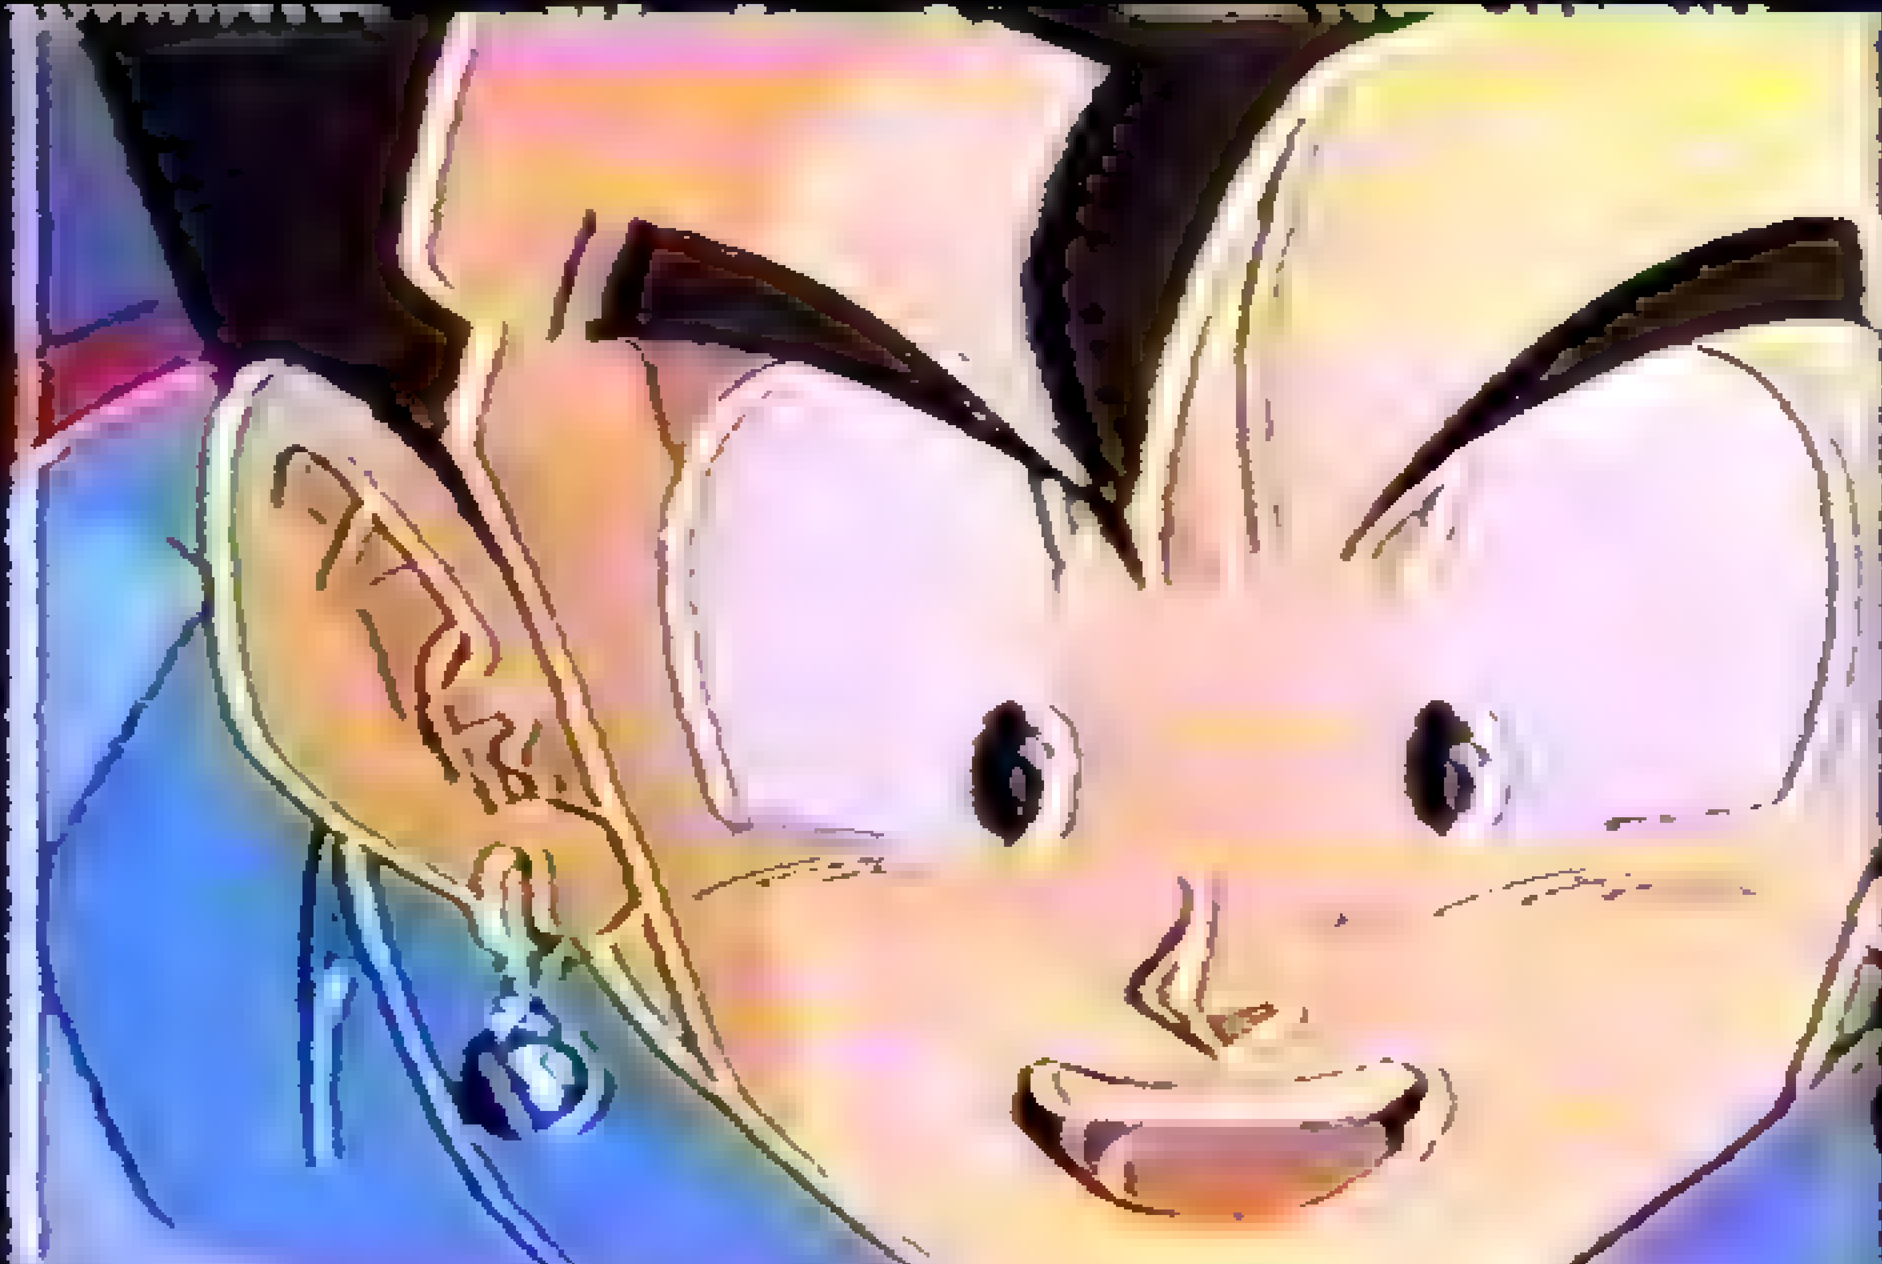

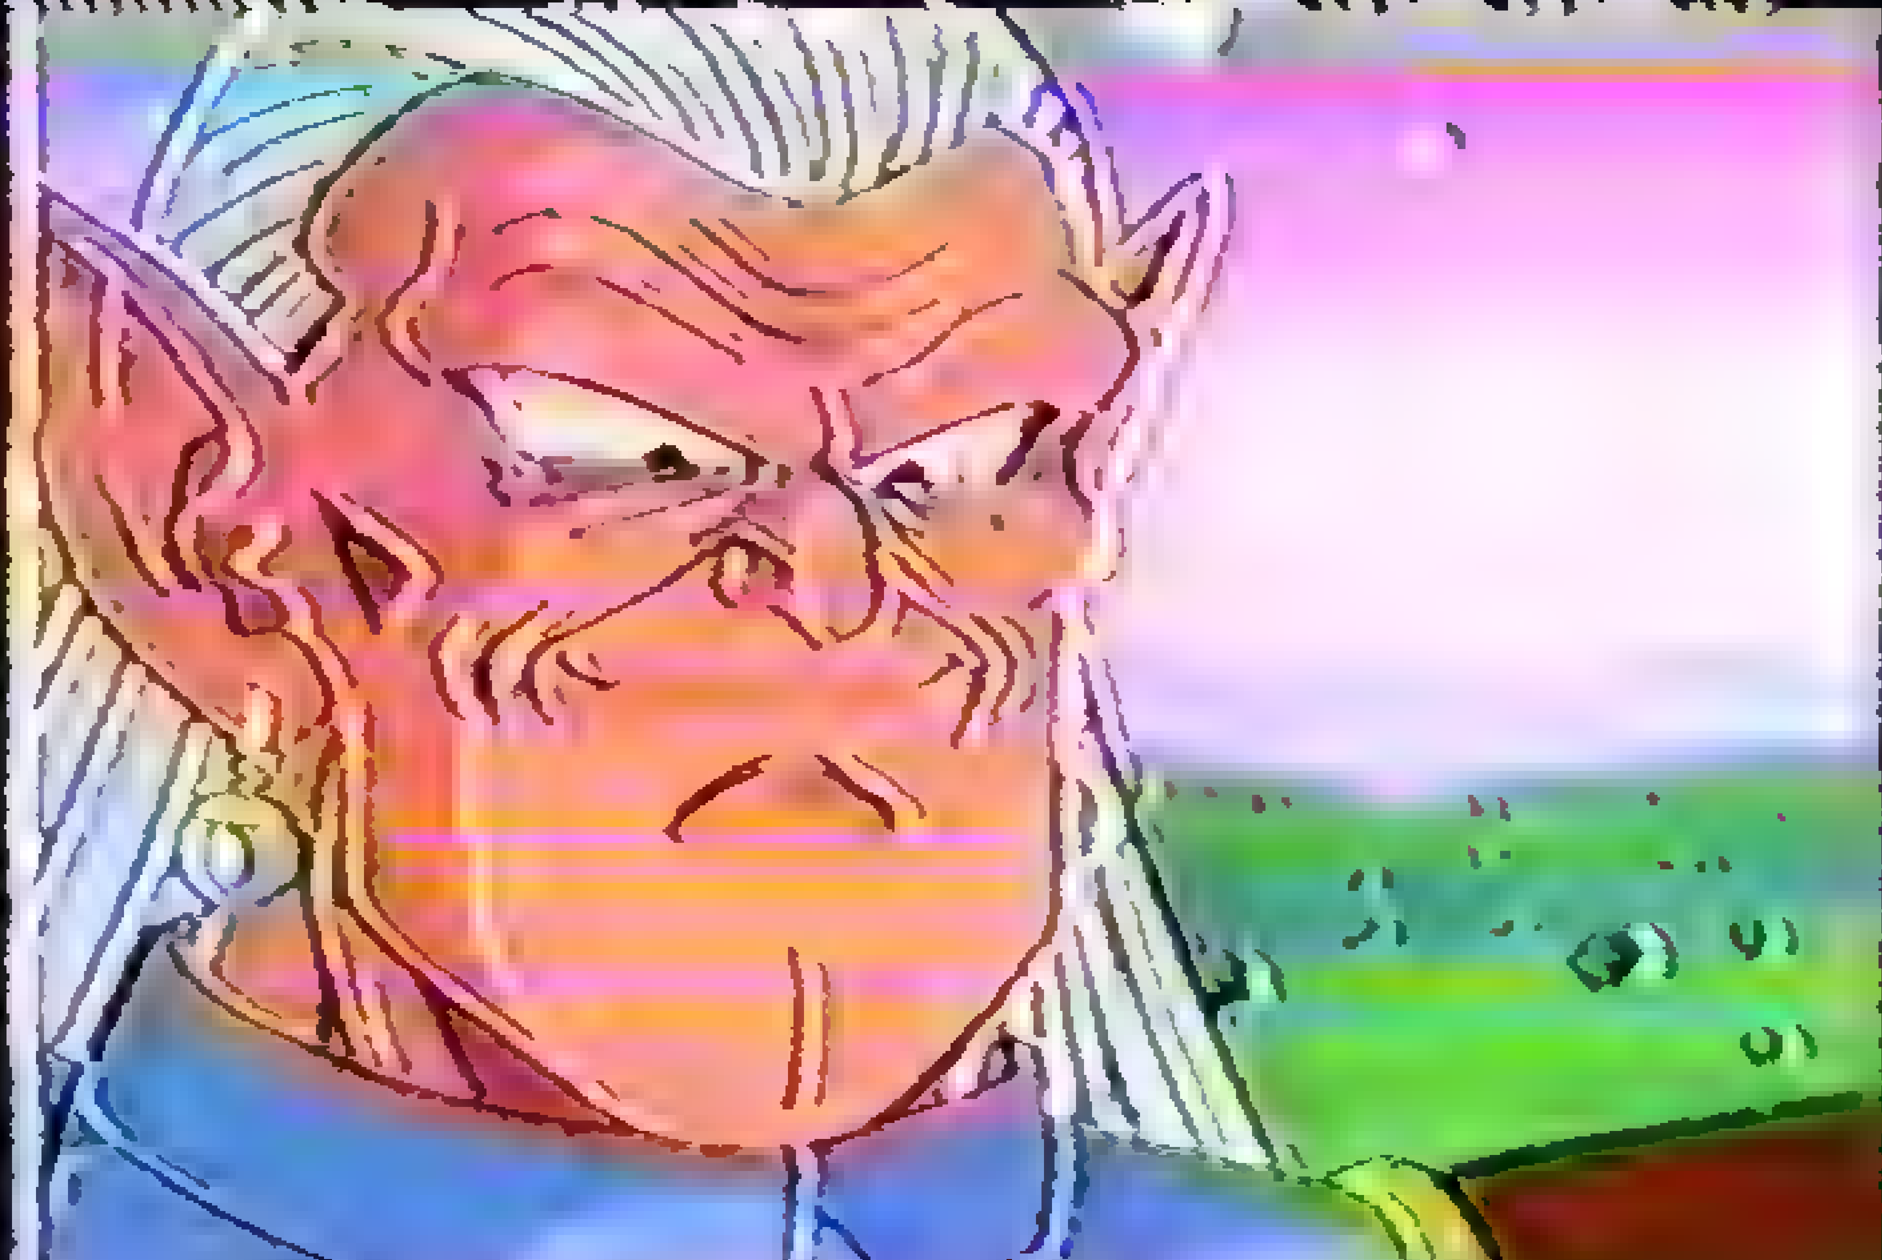

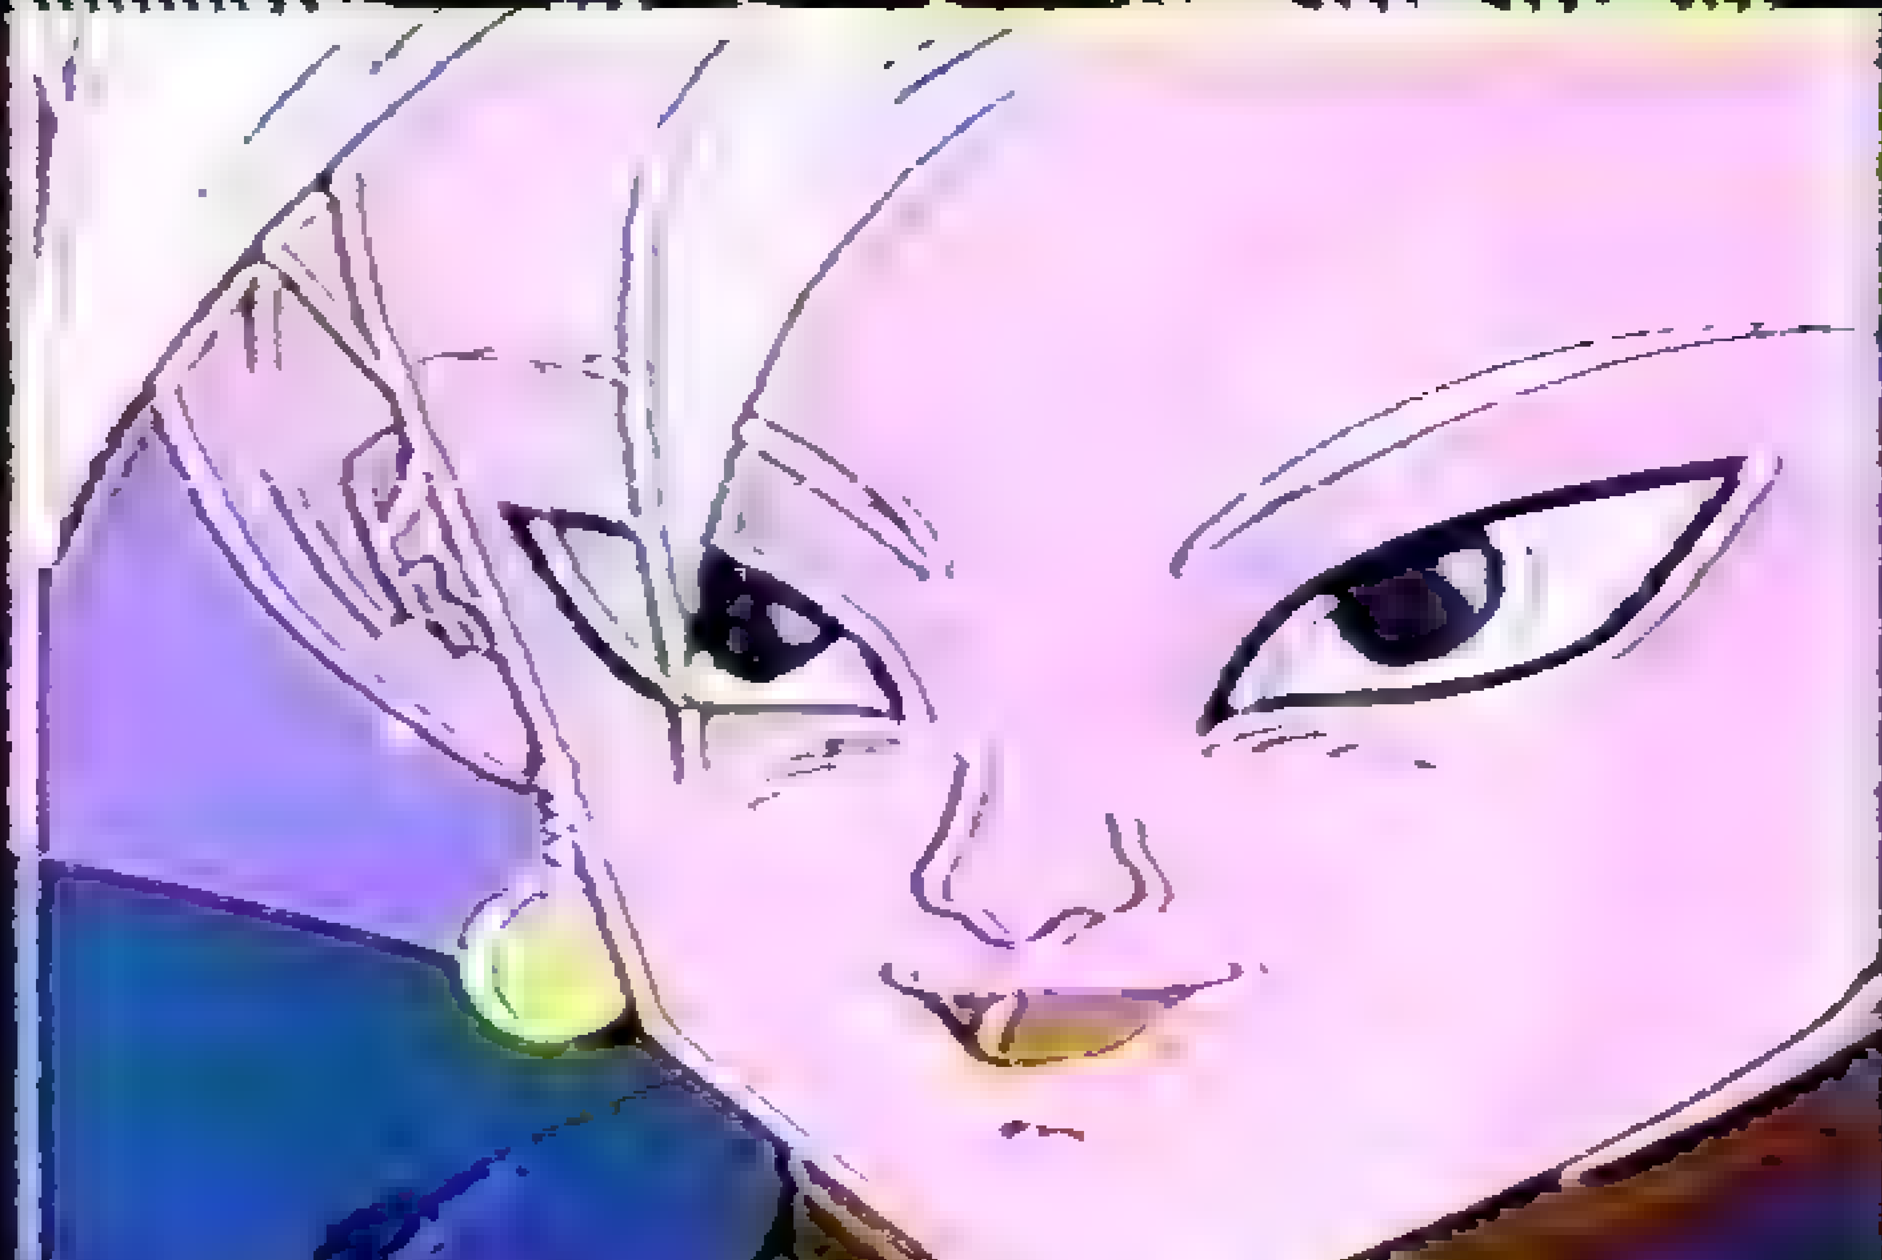

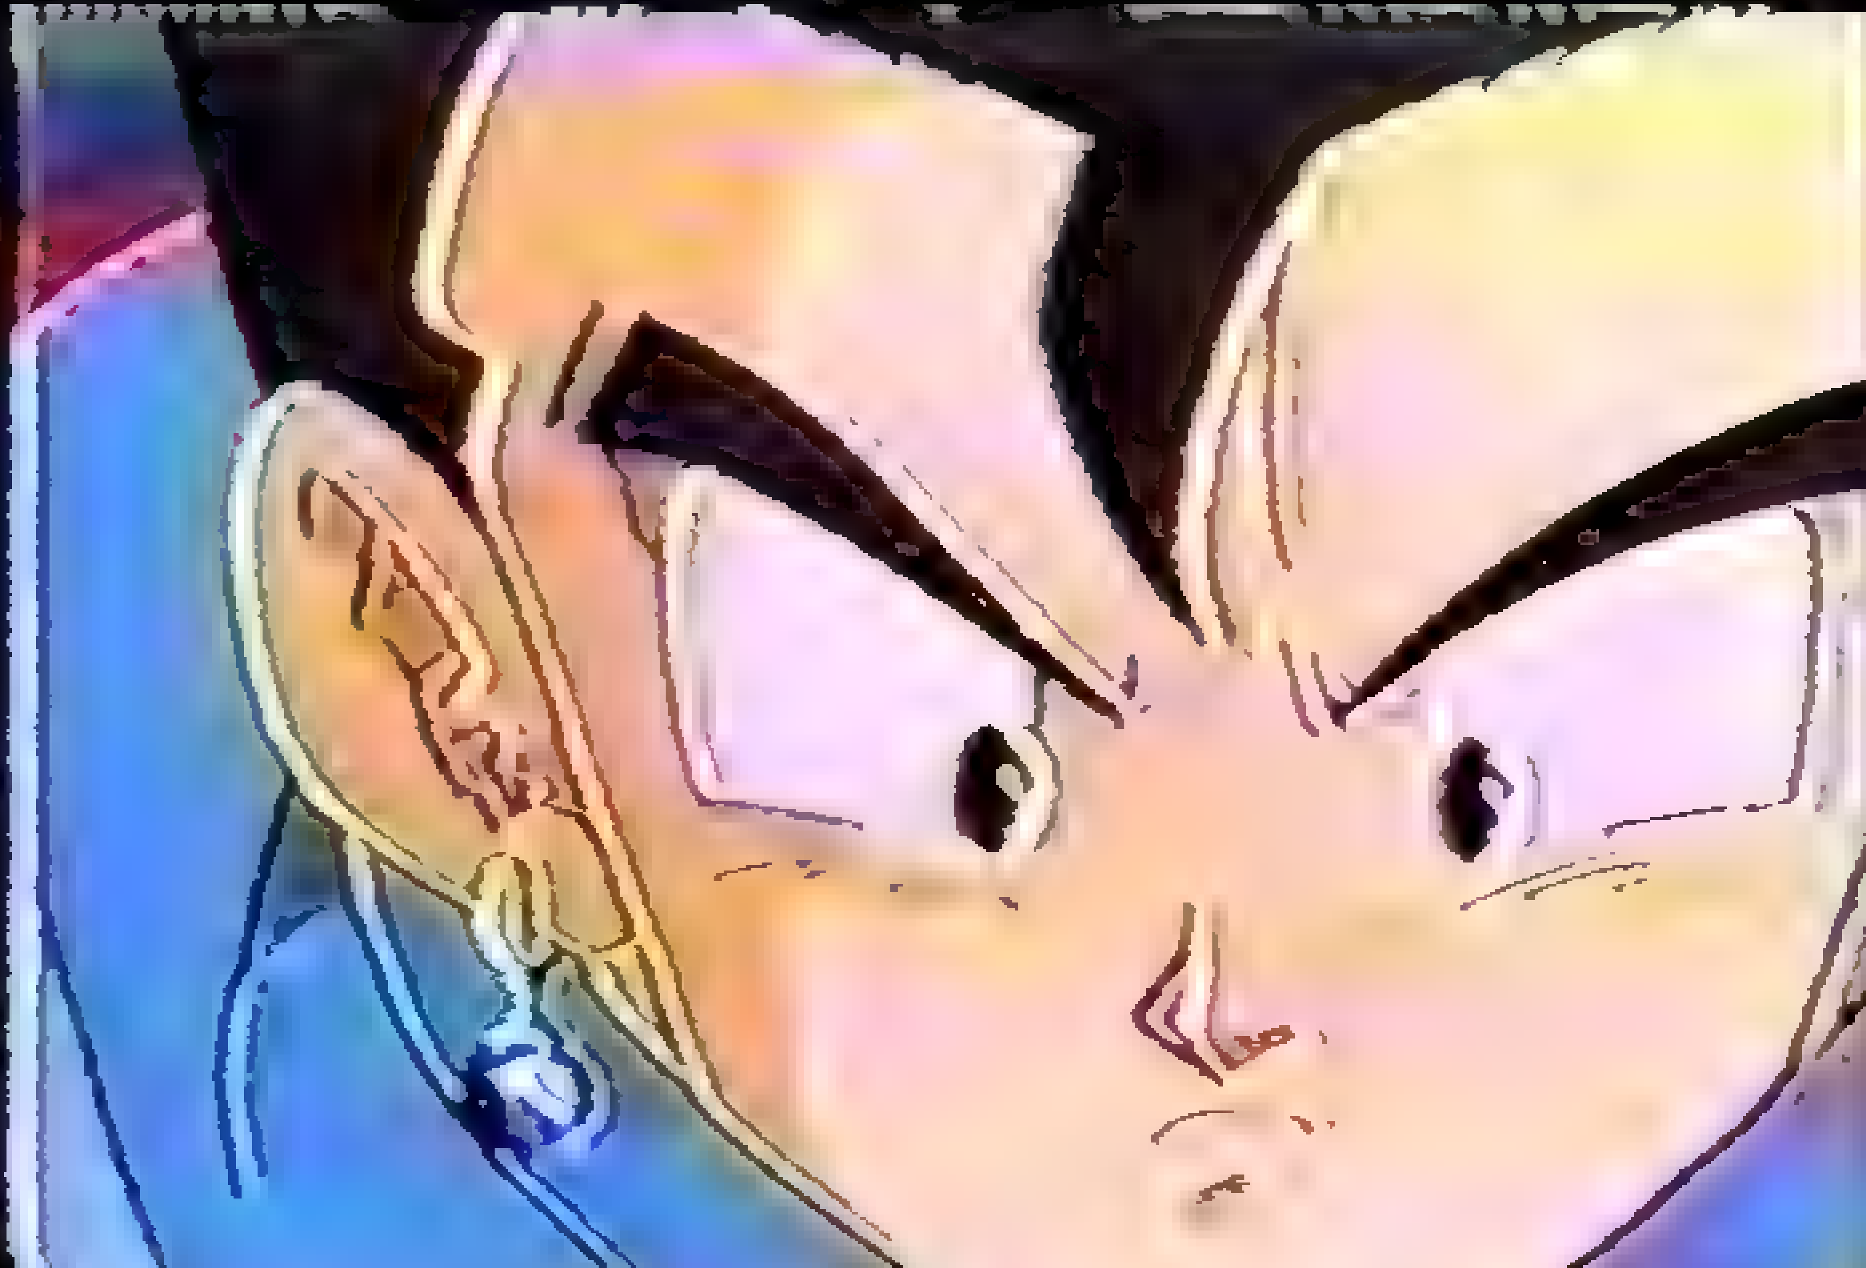

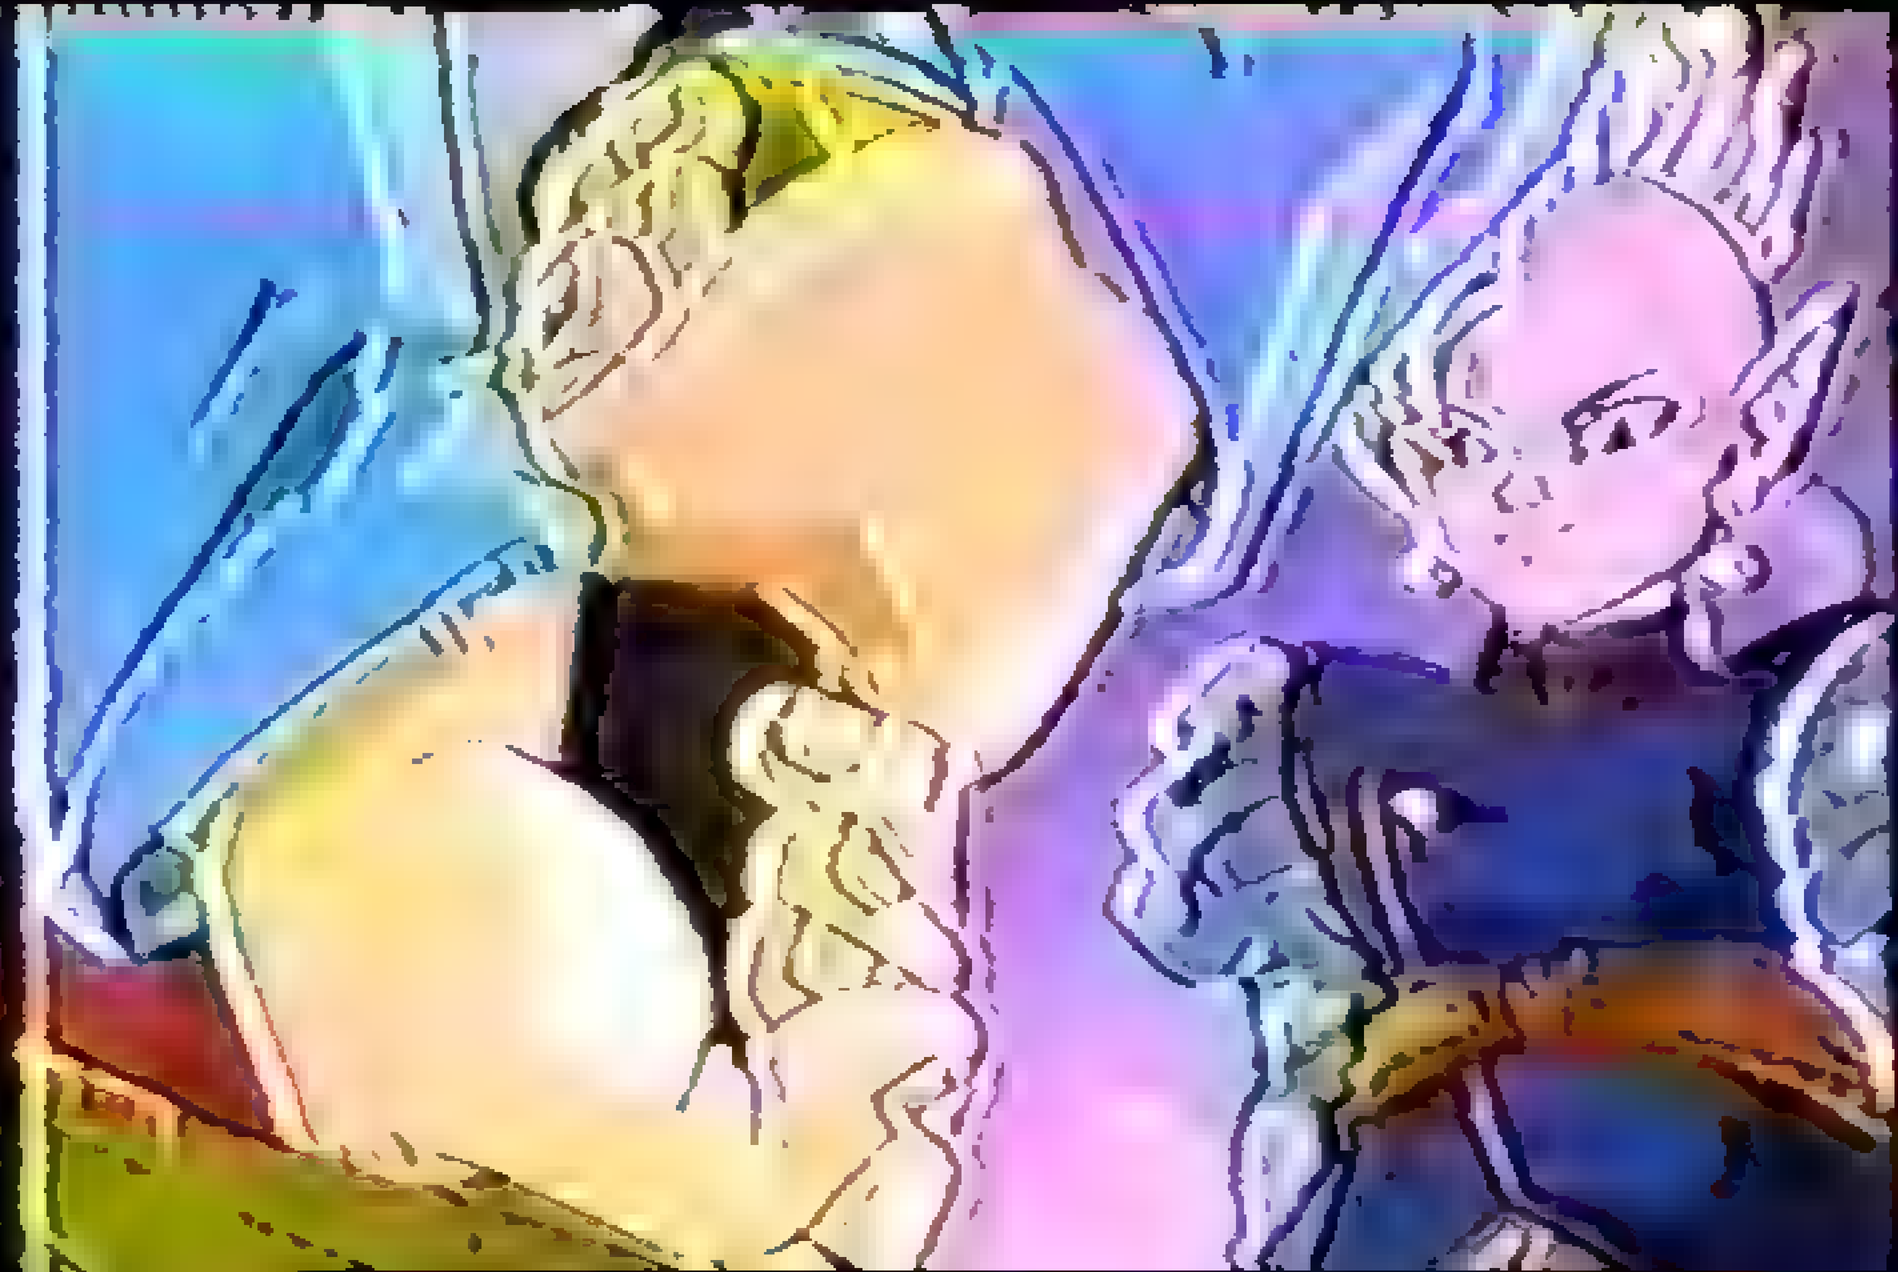

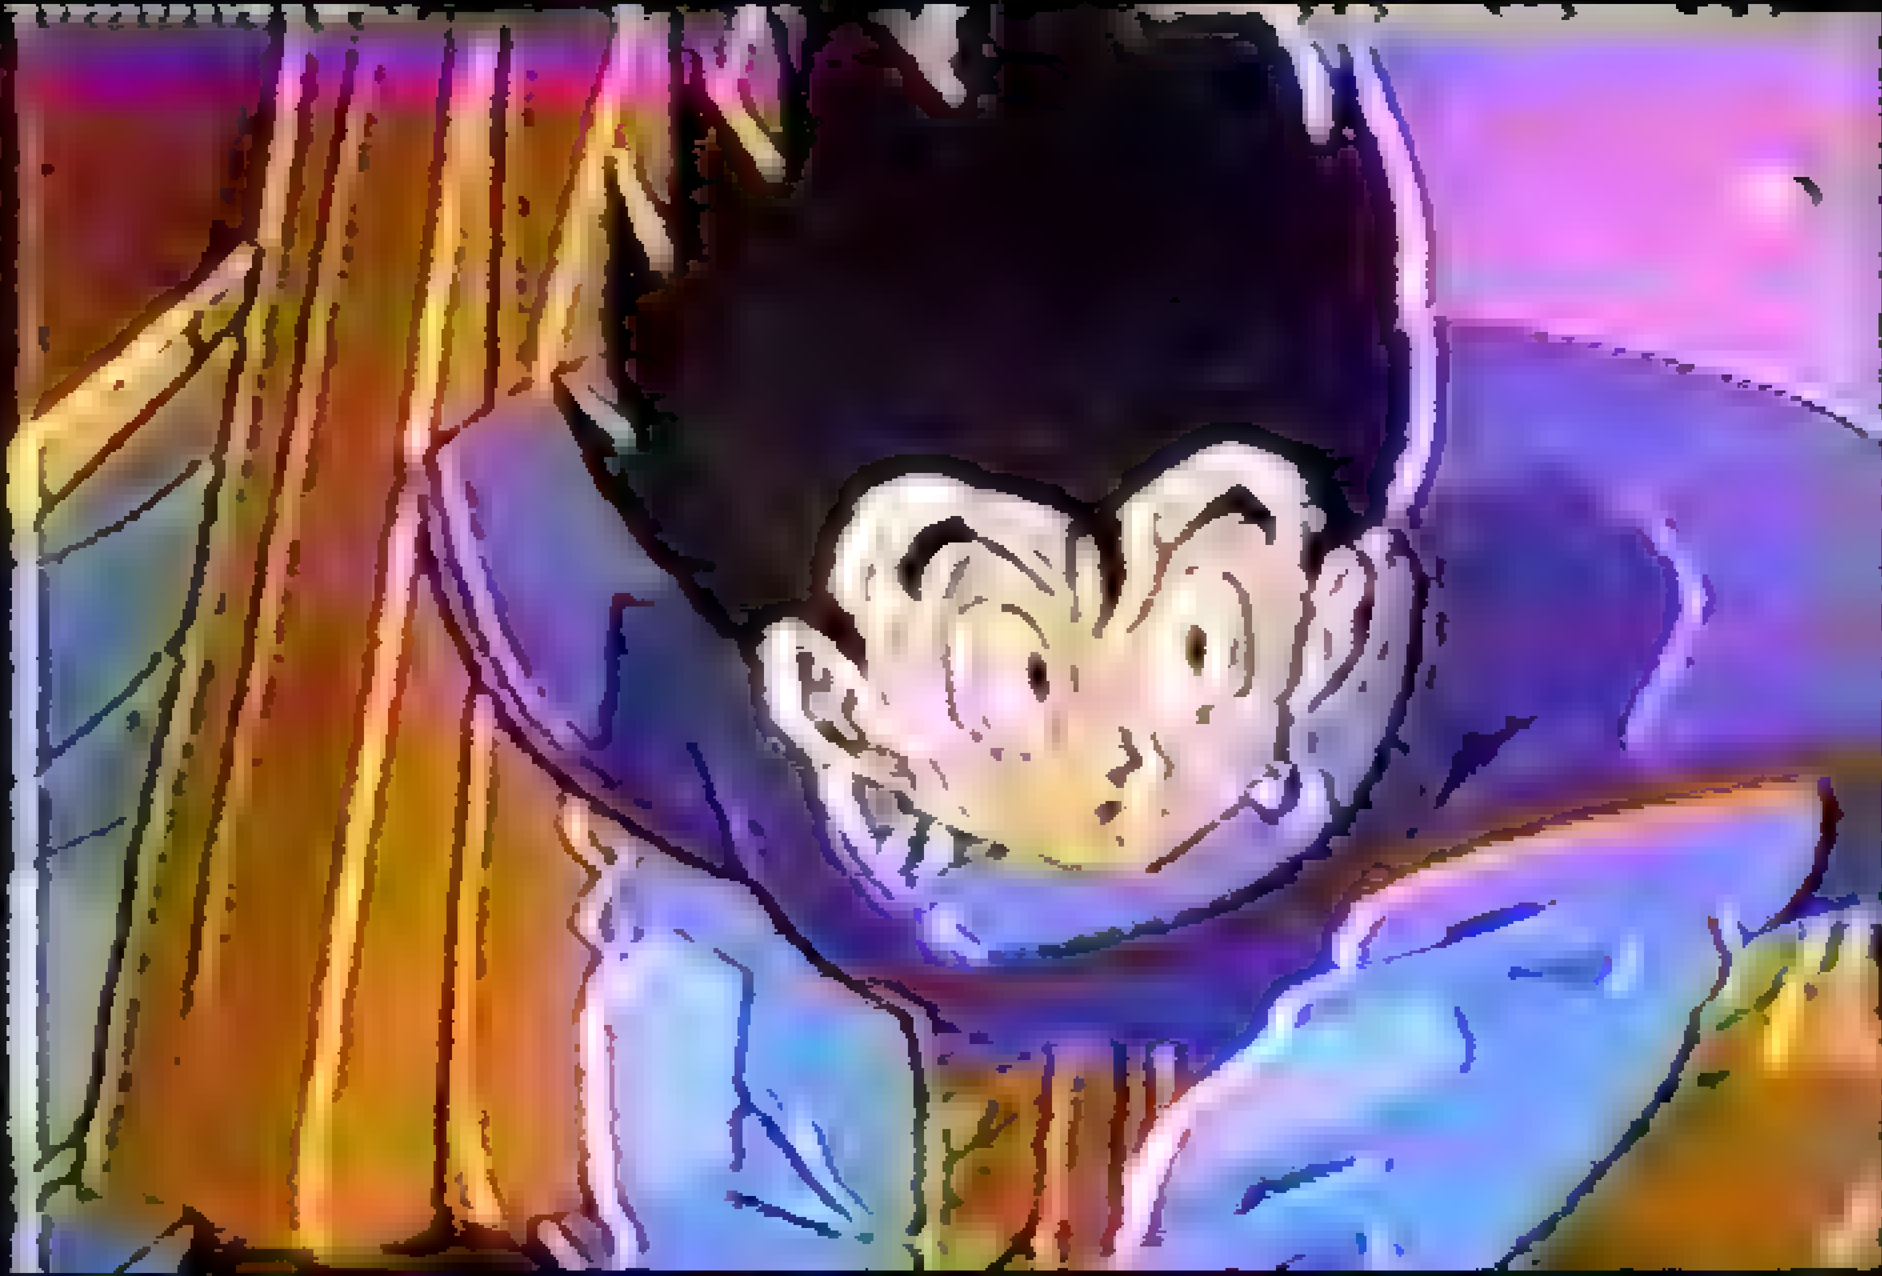

So what happens if I pull out the Zed Sword

So what happens if I pull out the Zed Sword

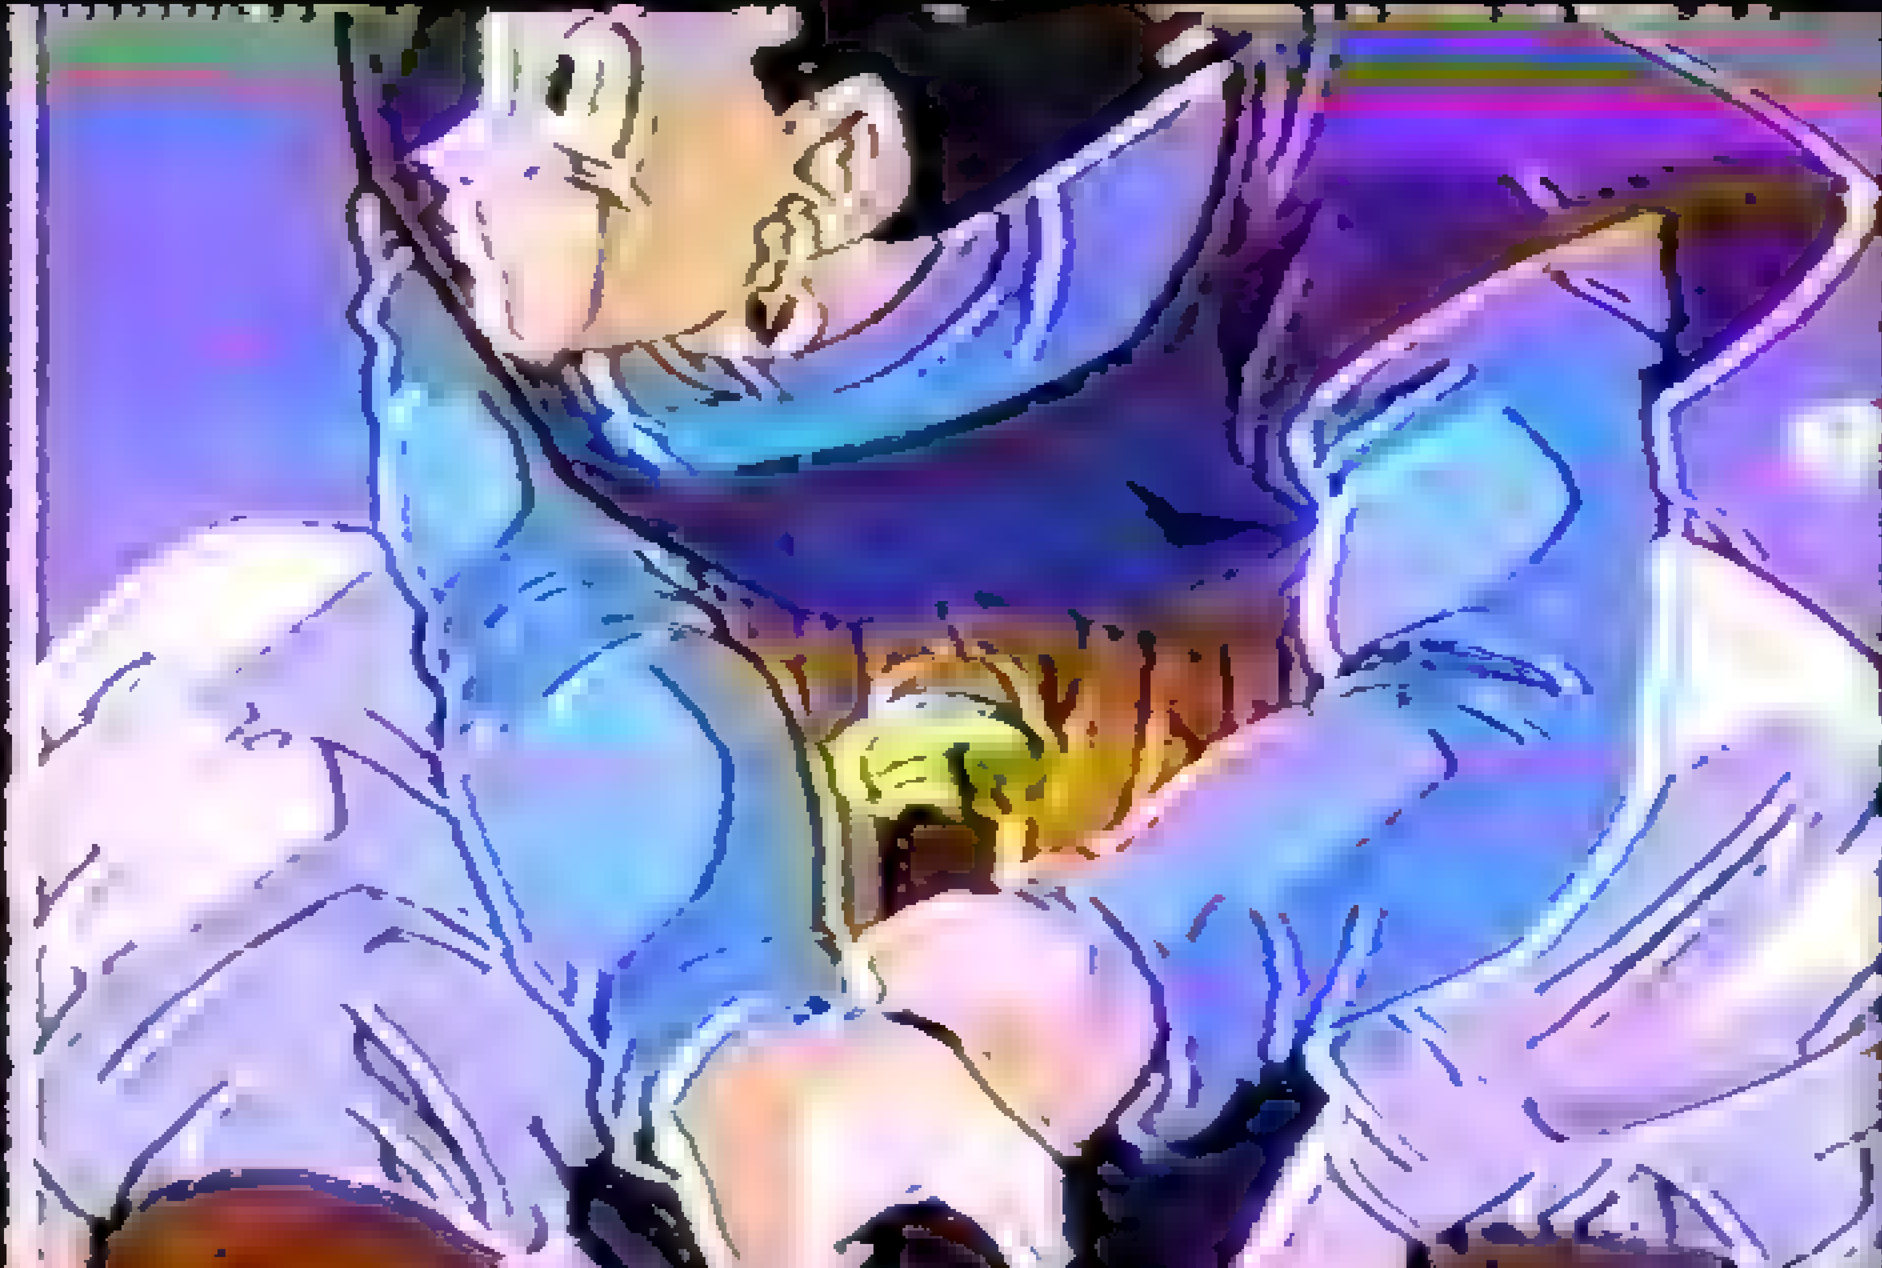

It's said that you'll receive an incredible power...

Even enough to destroy Majin Boo

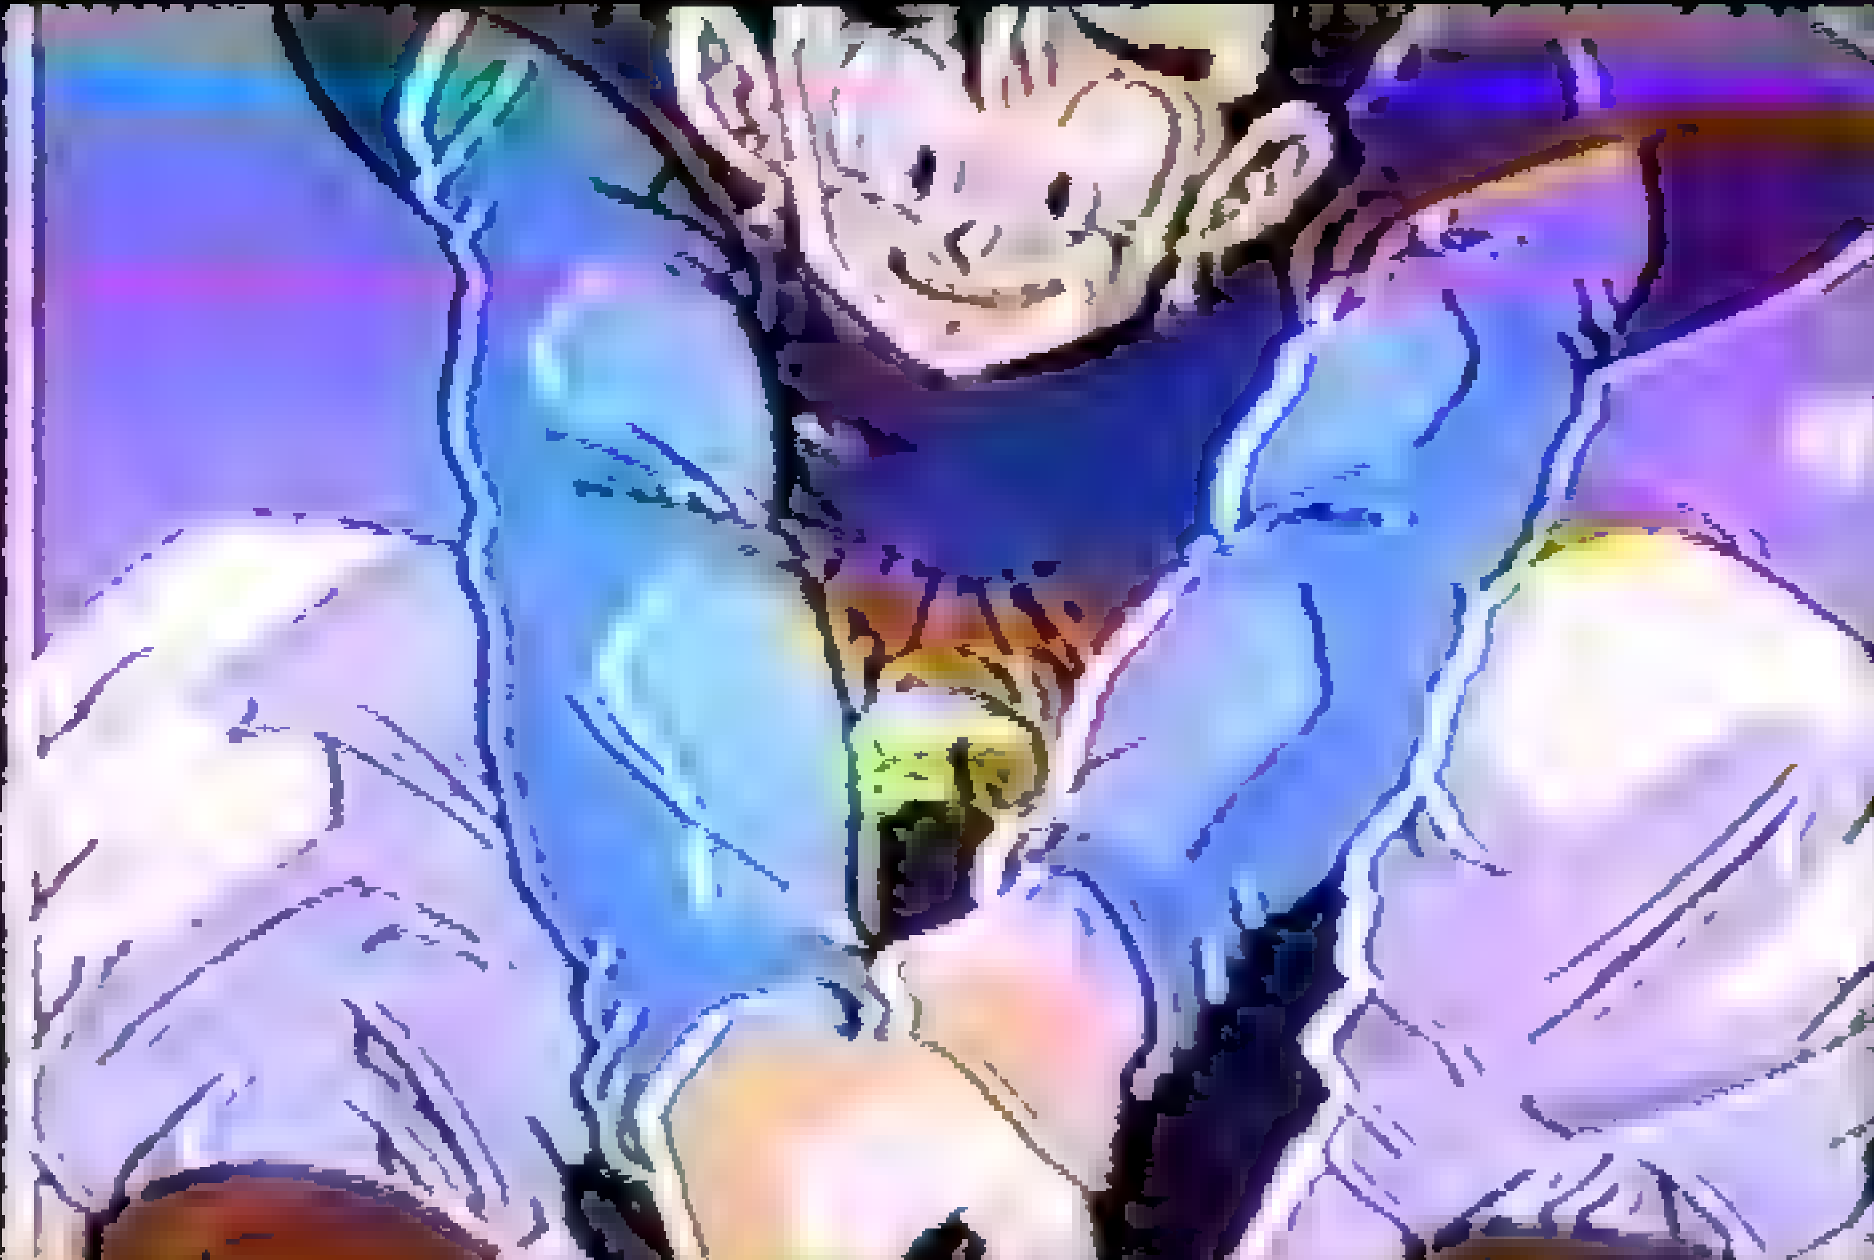

Even enough to destroy

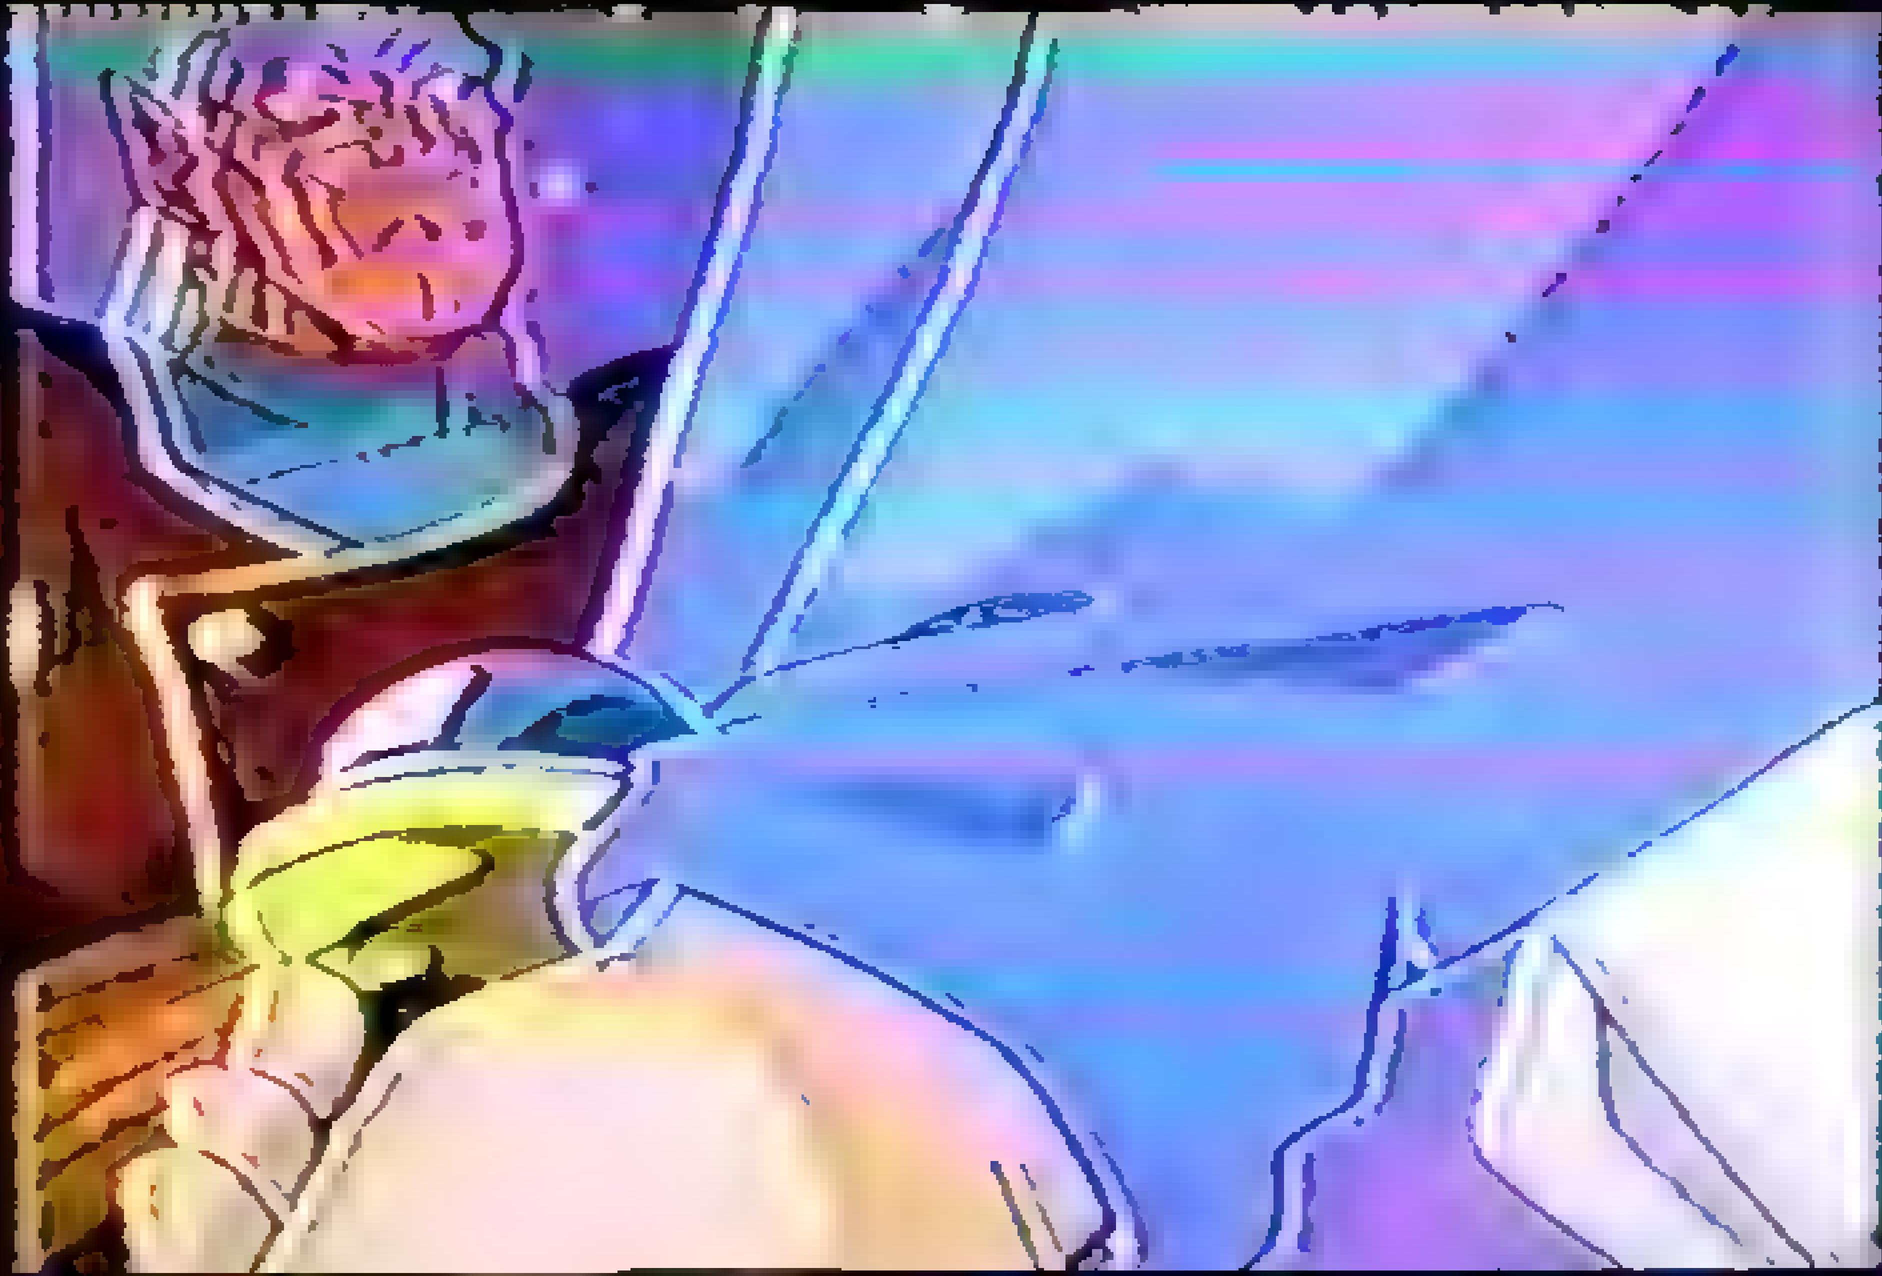

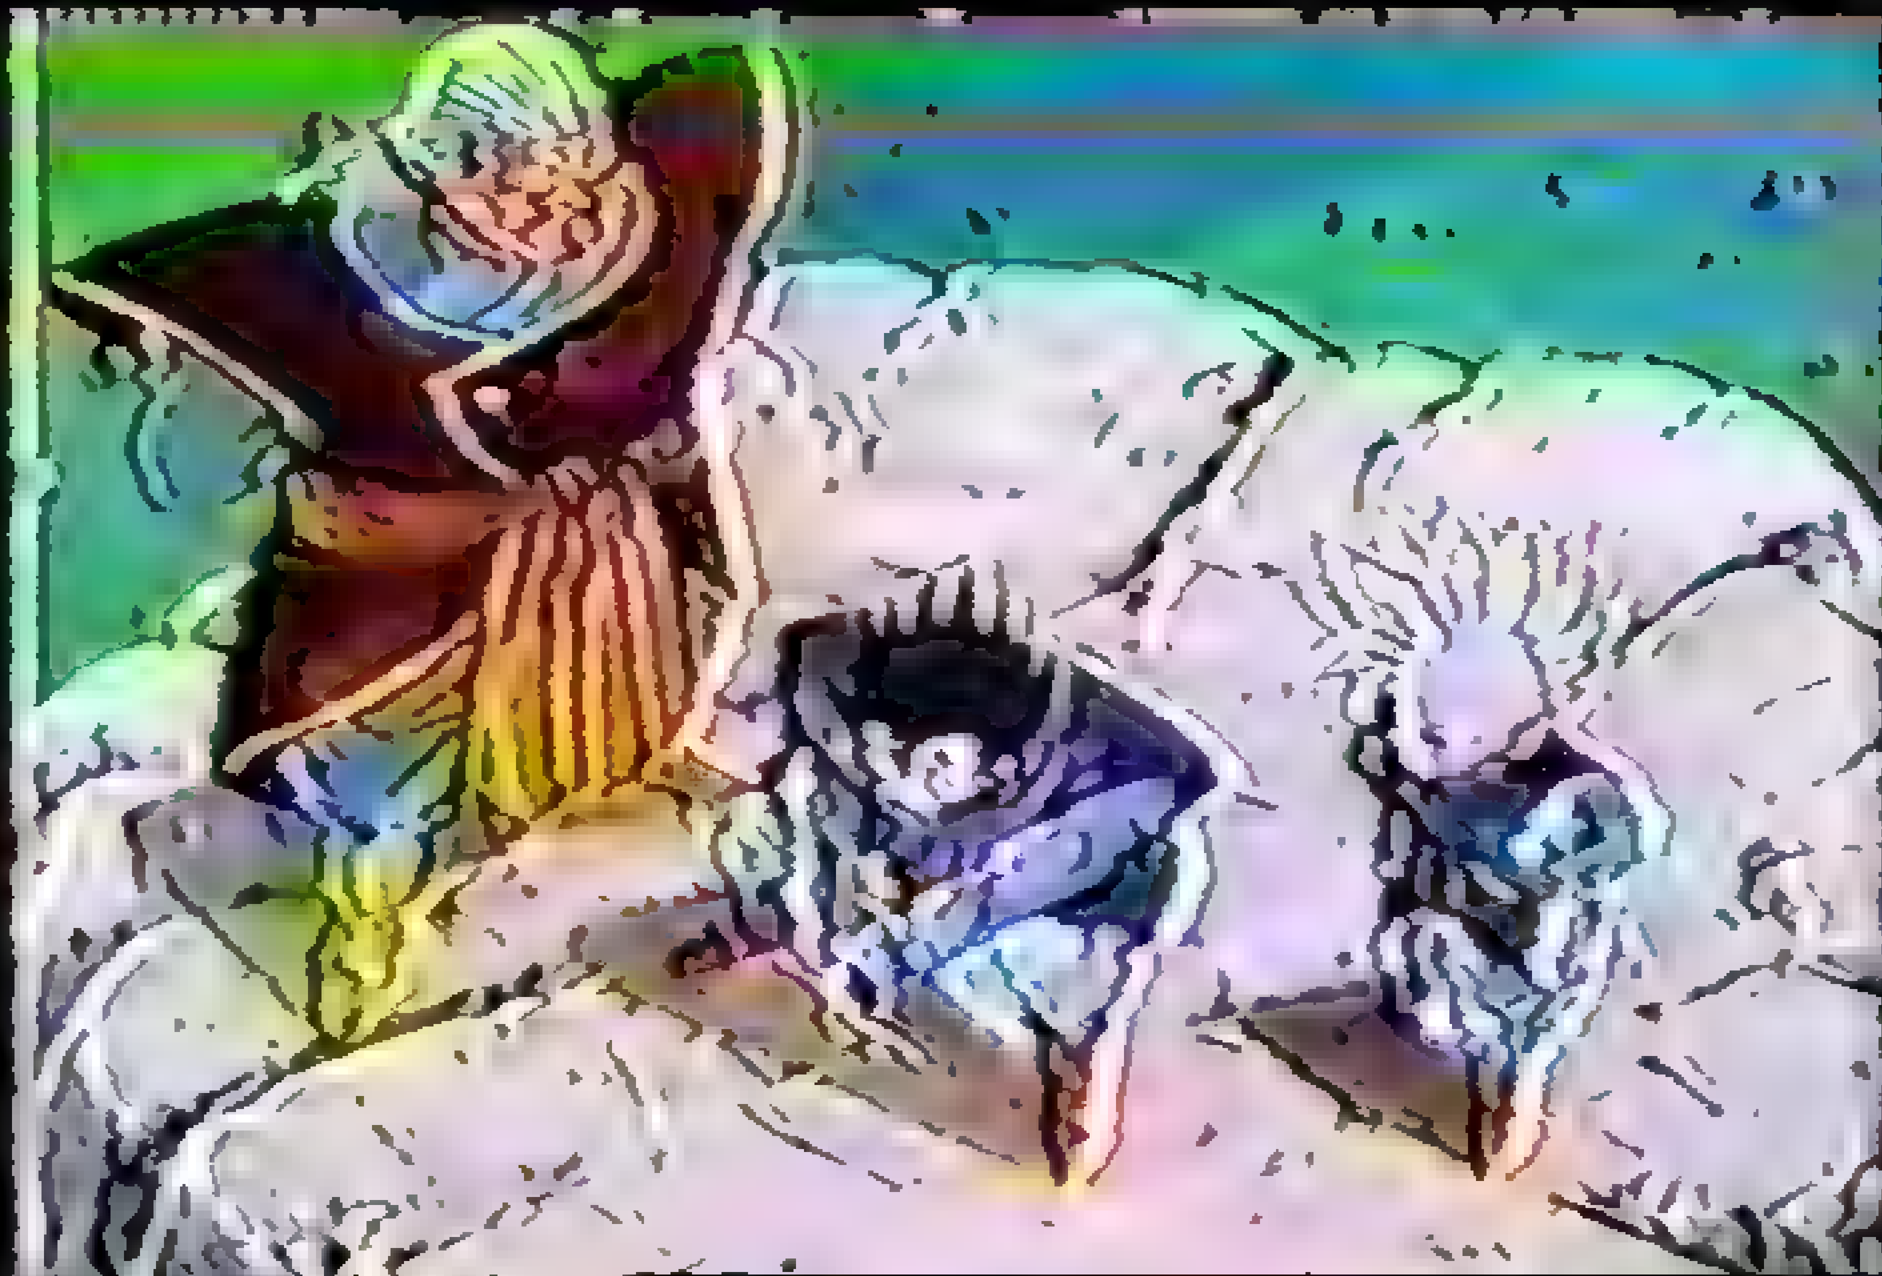

Don't worry about it!
You won't be able to pull it out!

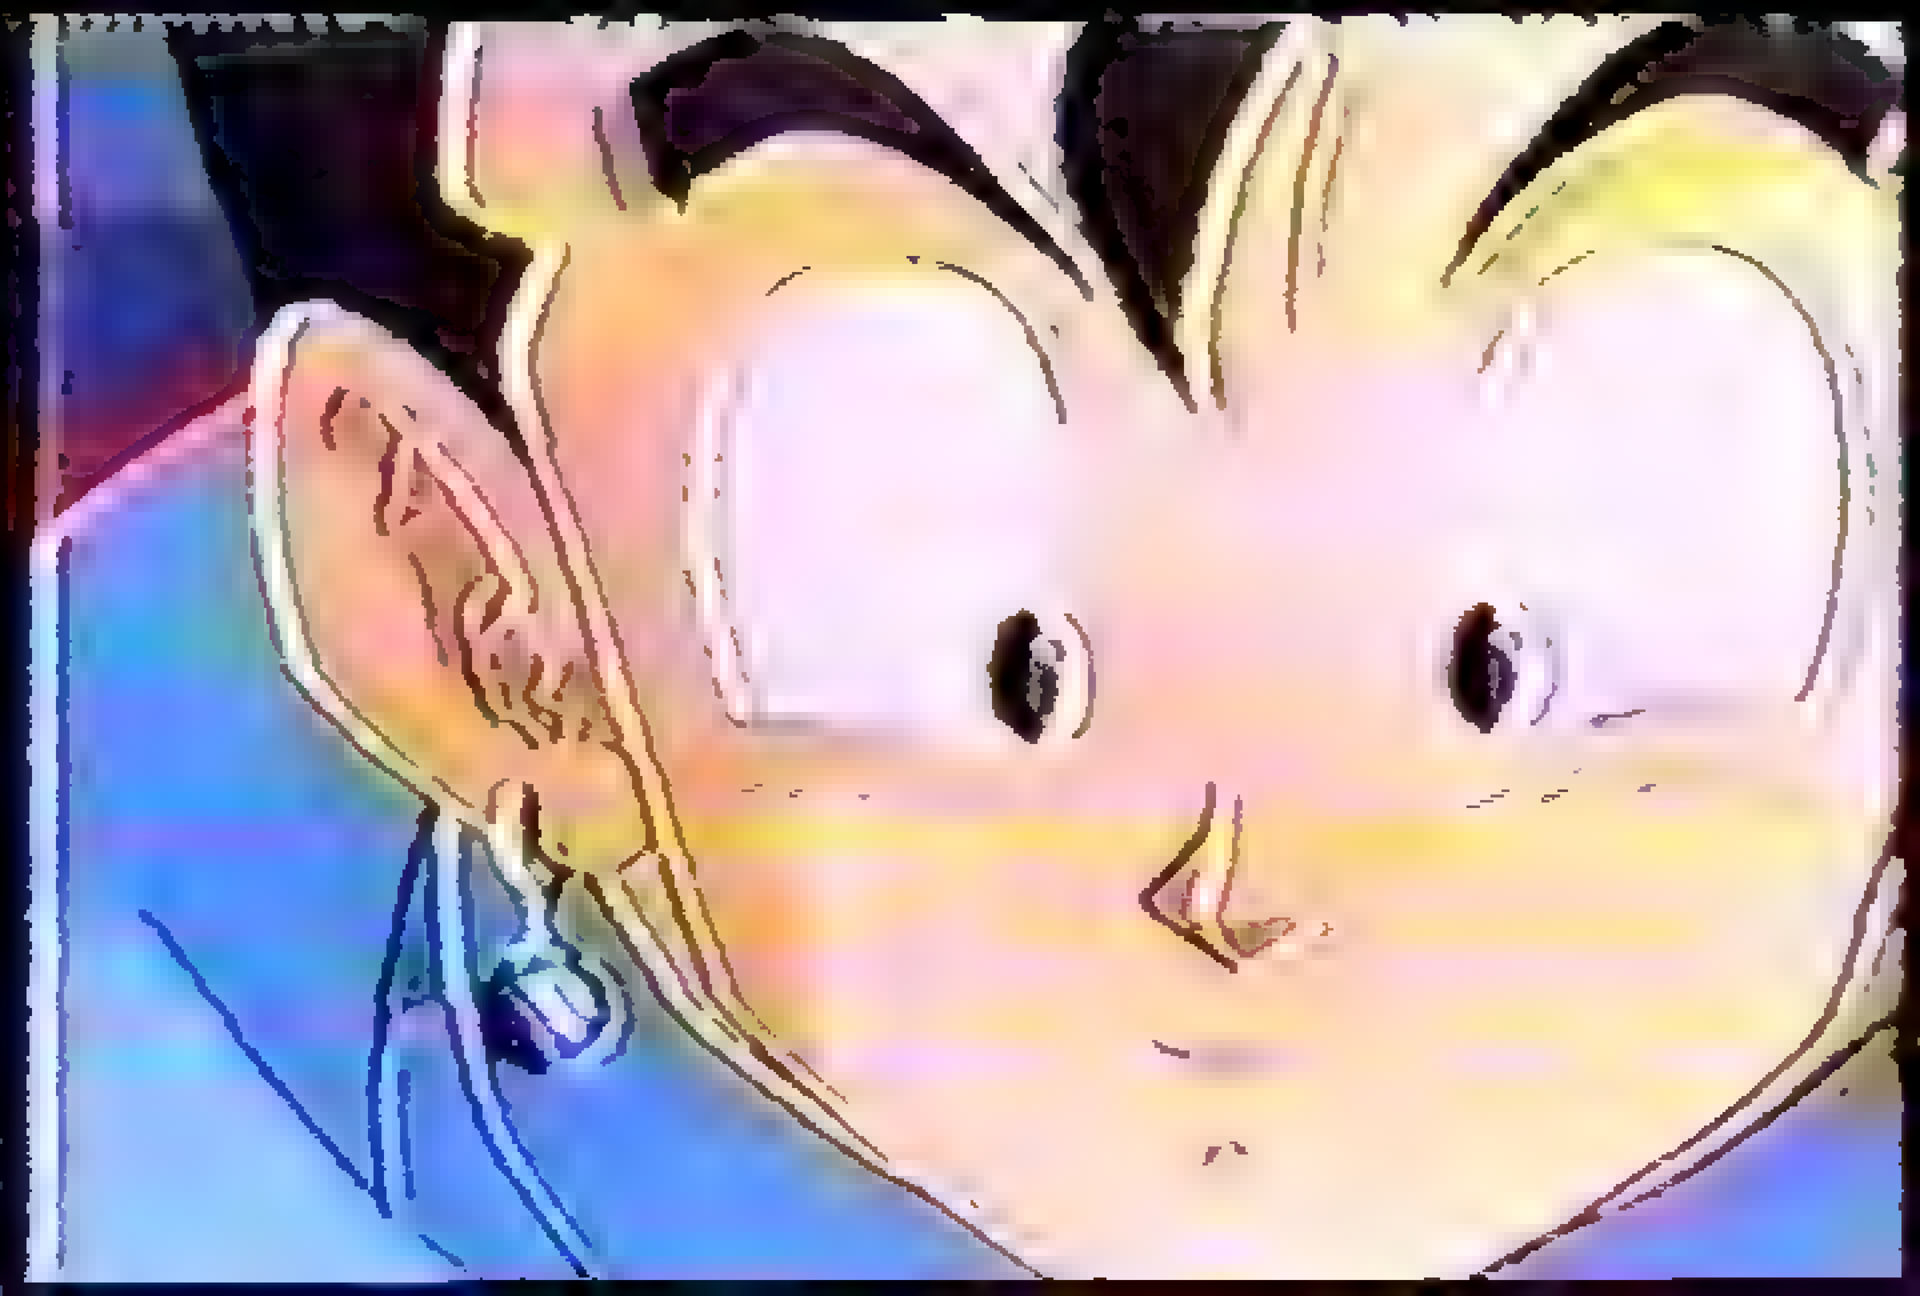

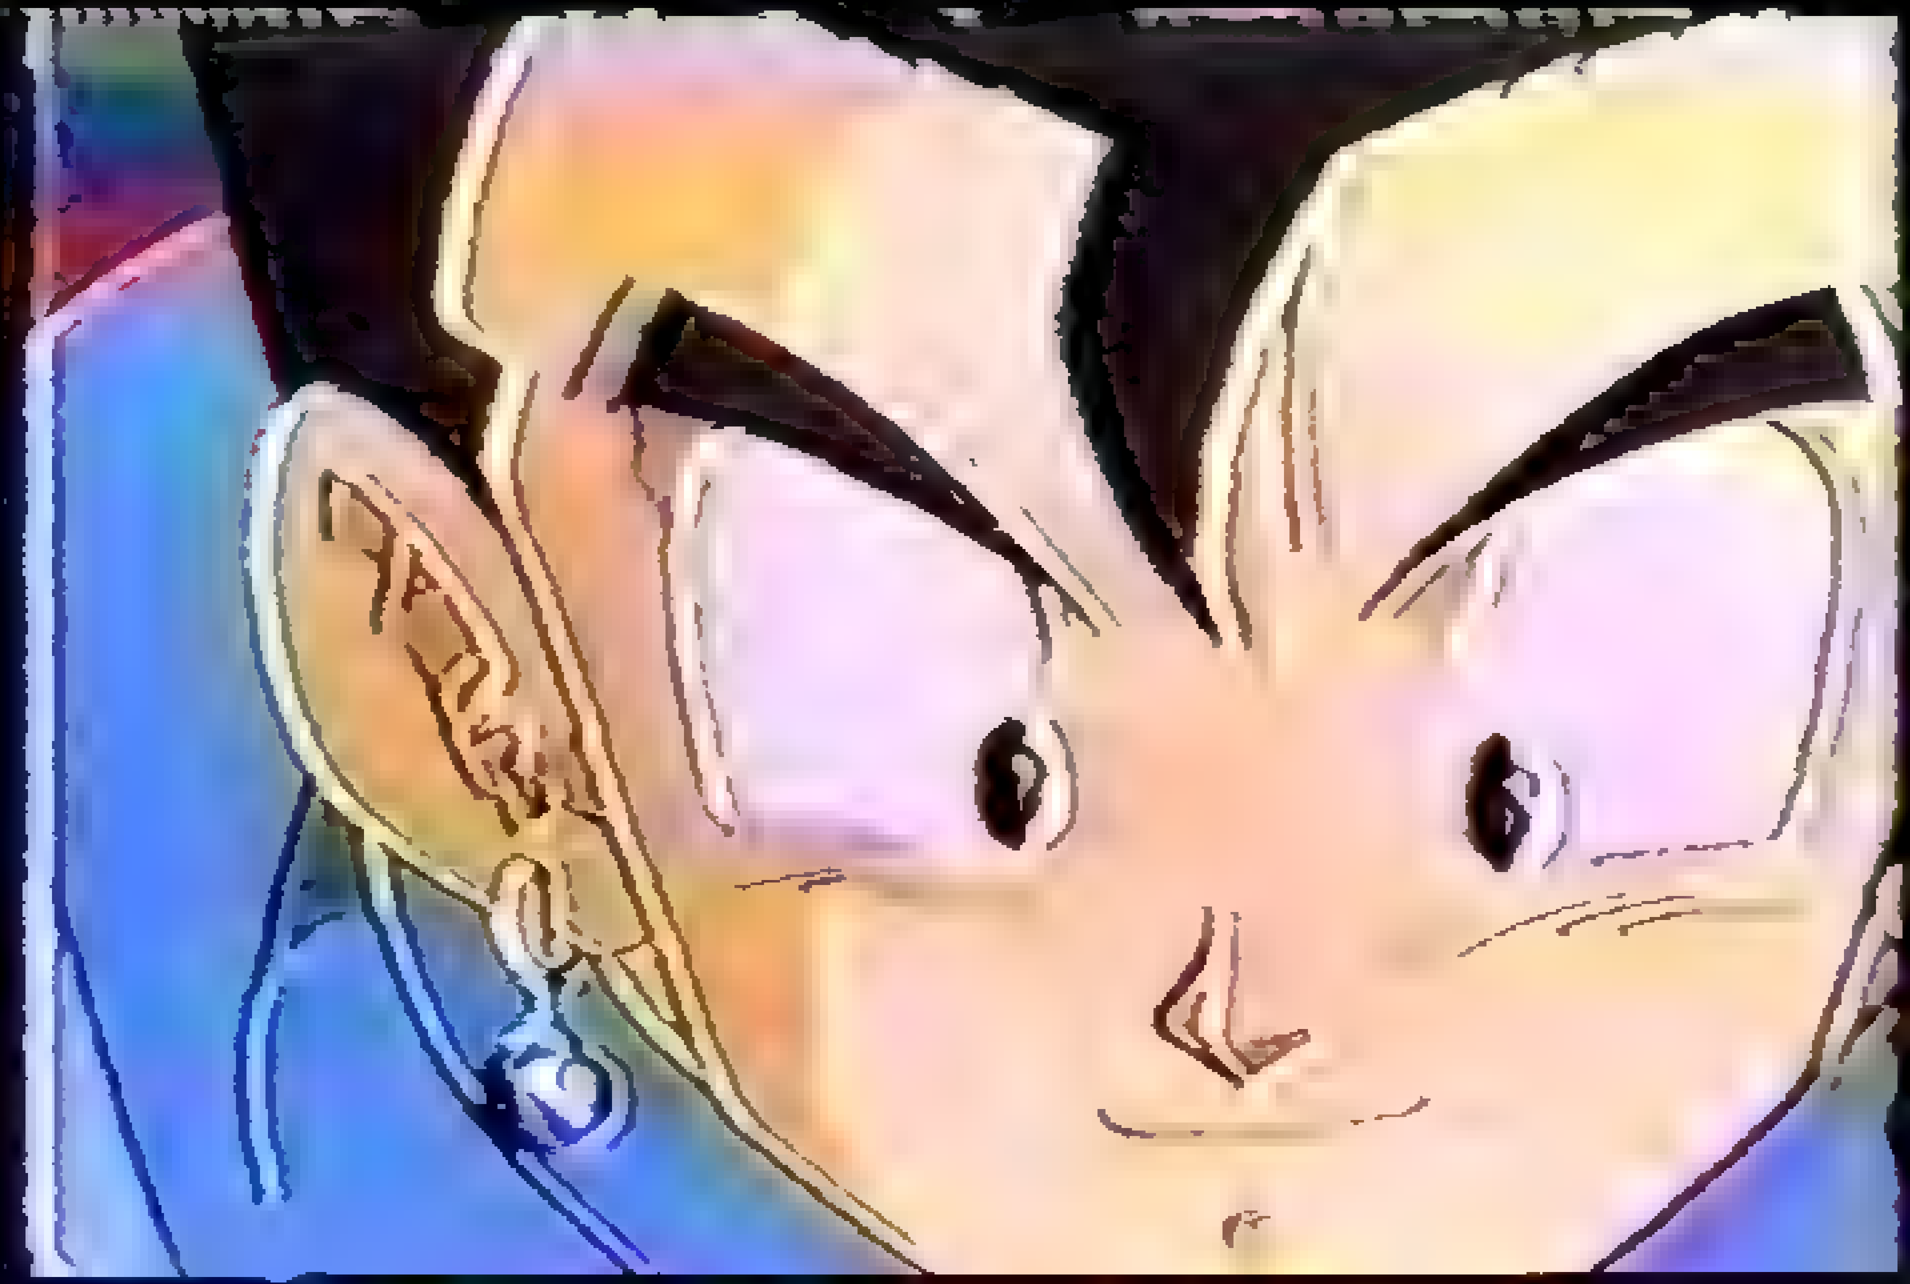

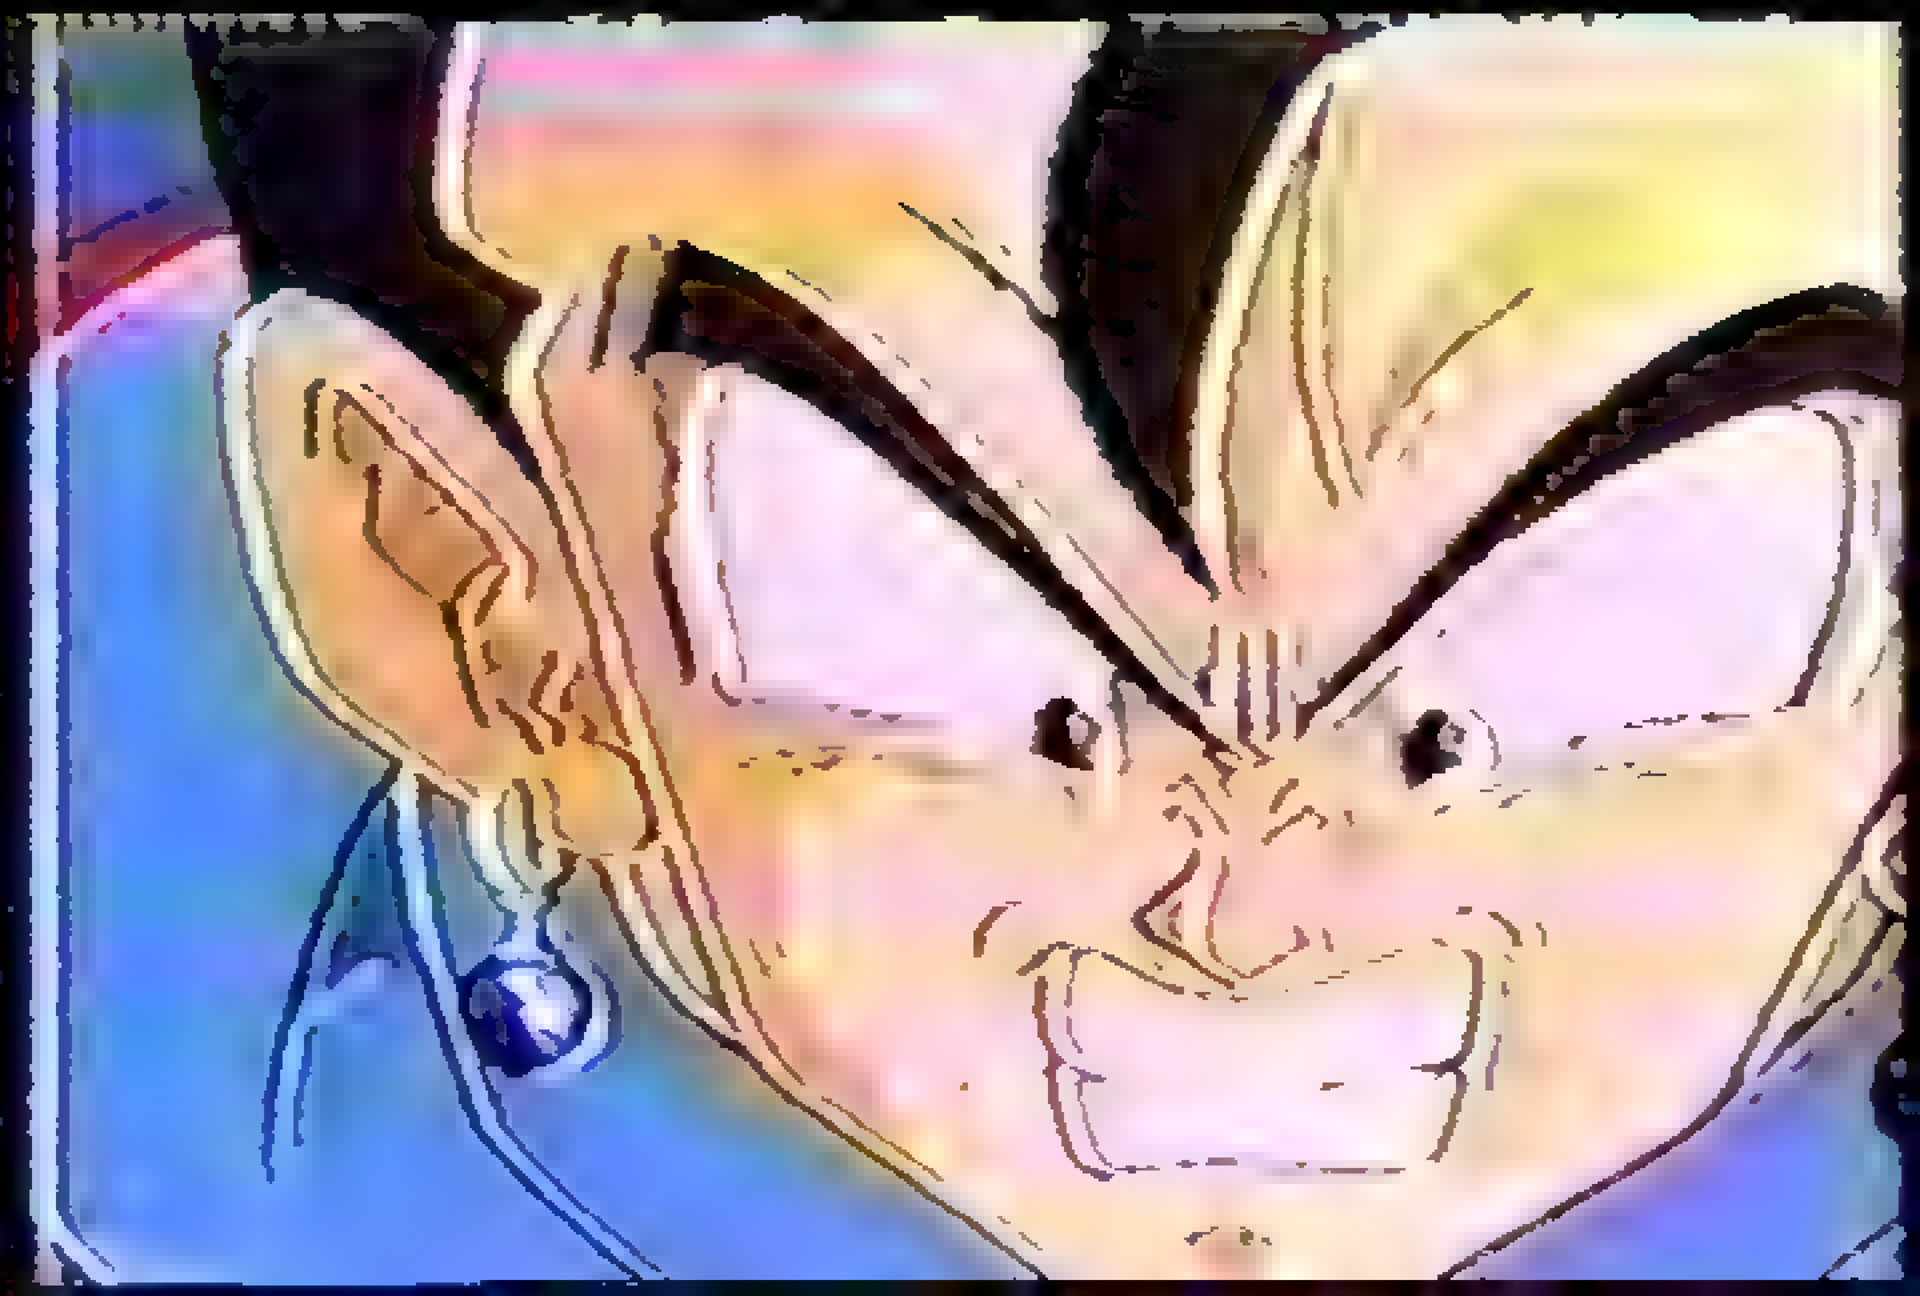

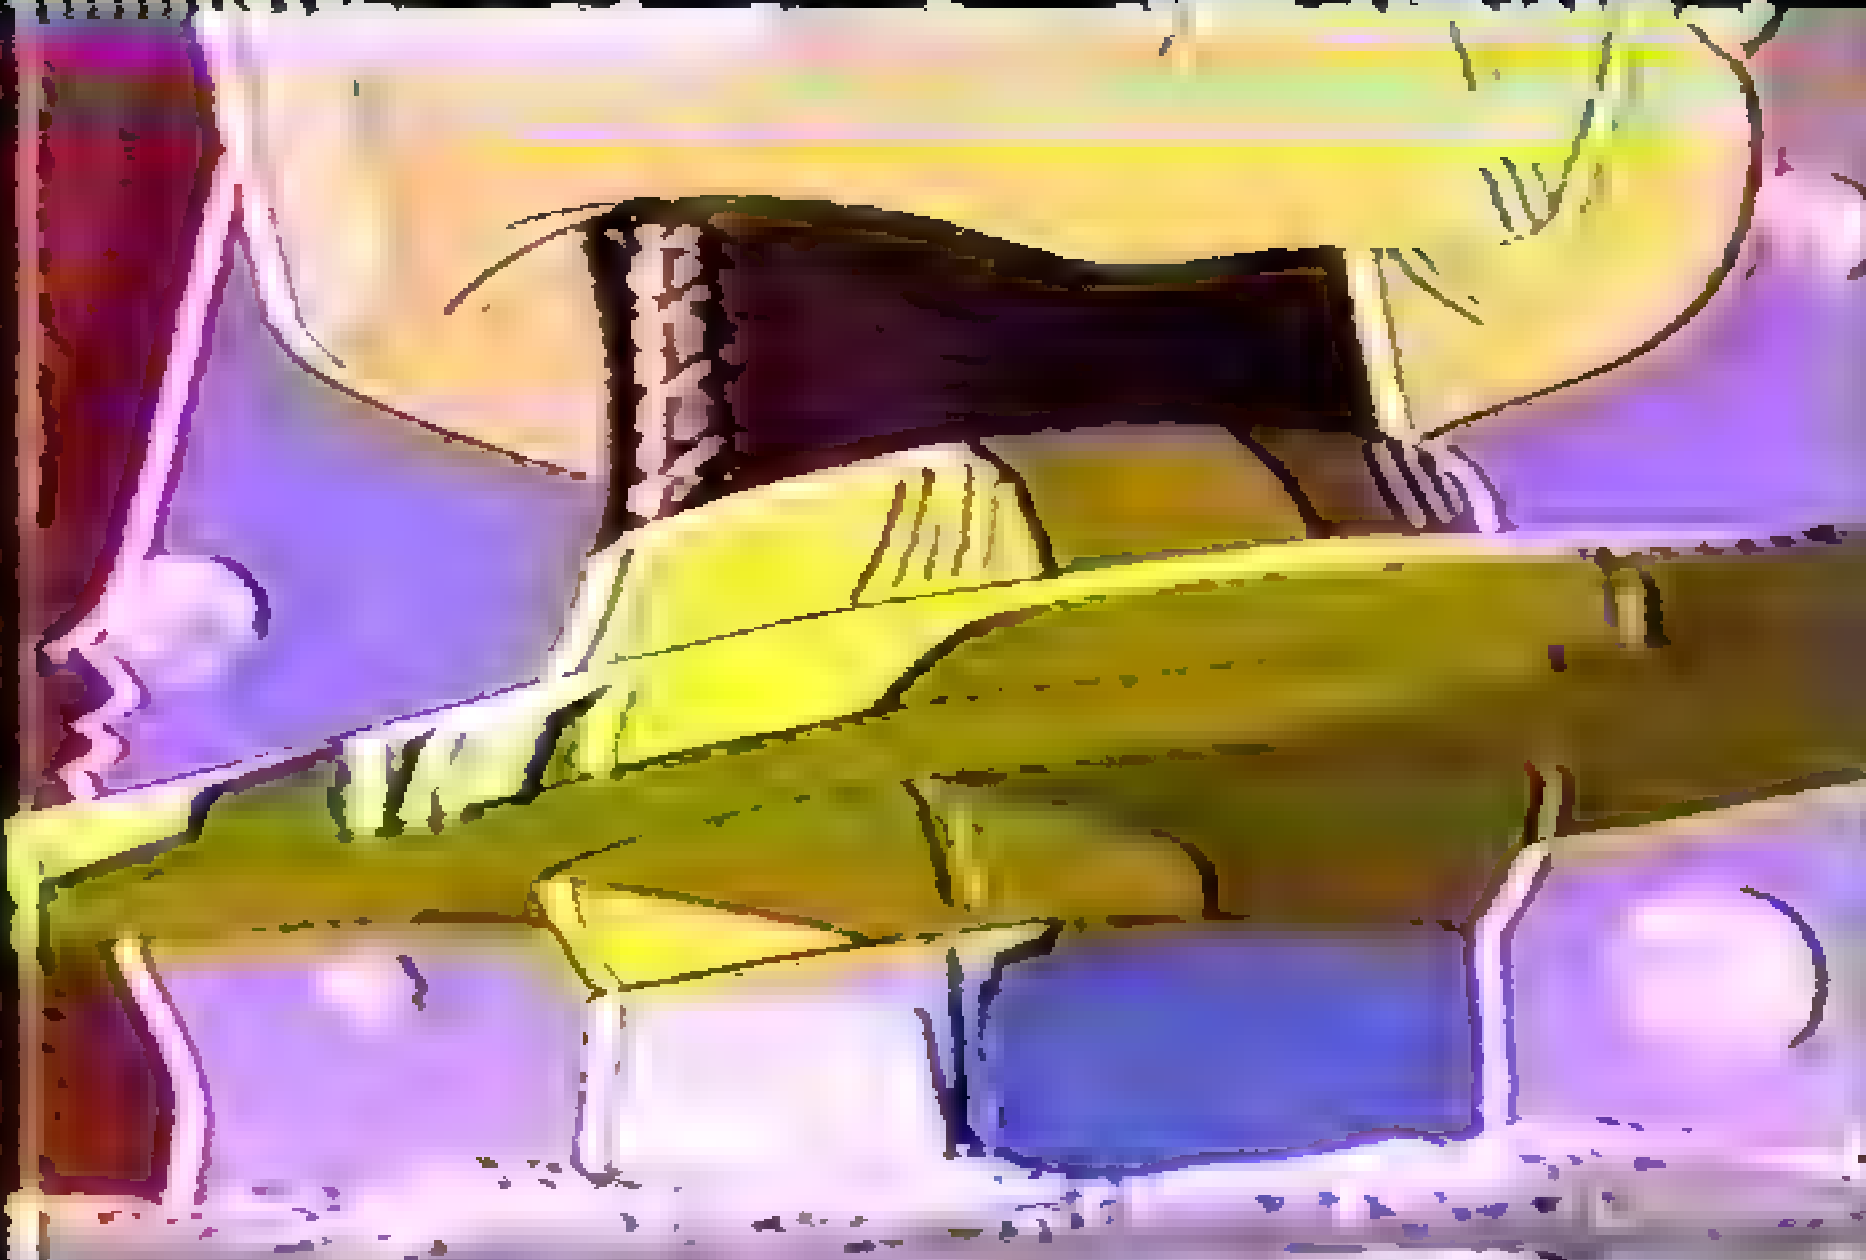

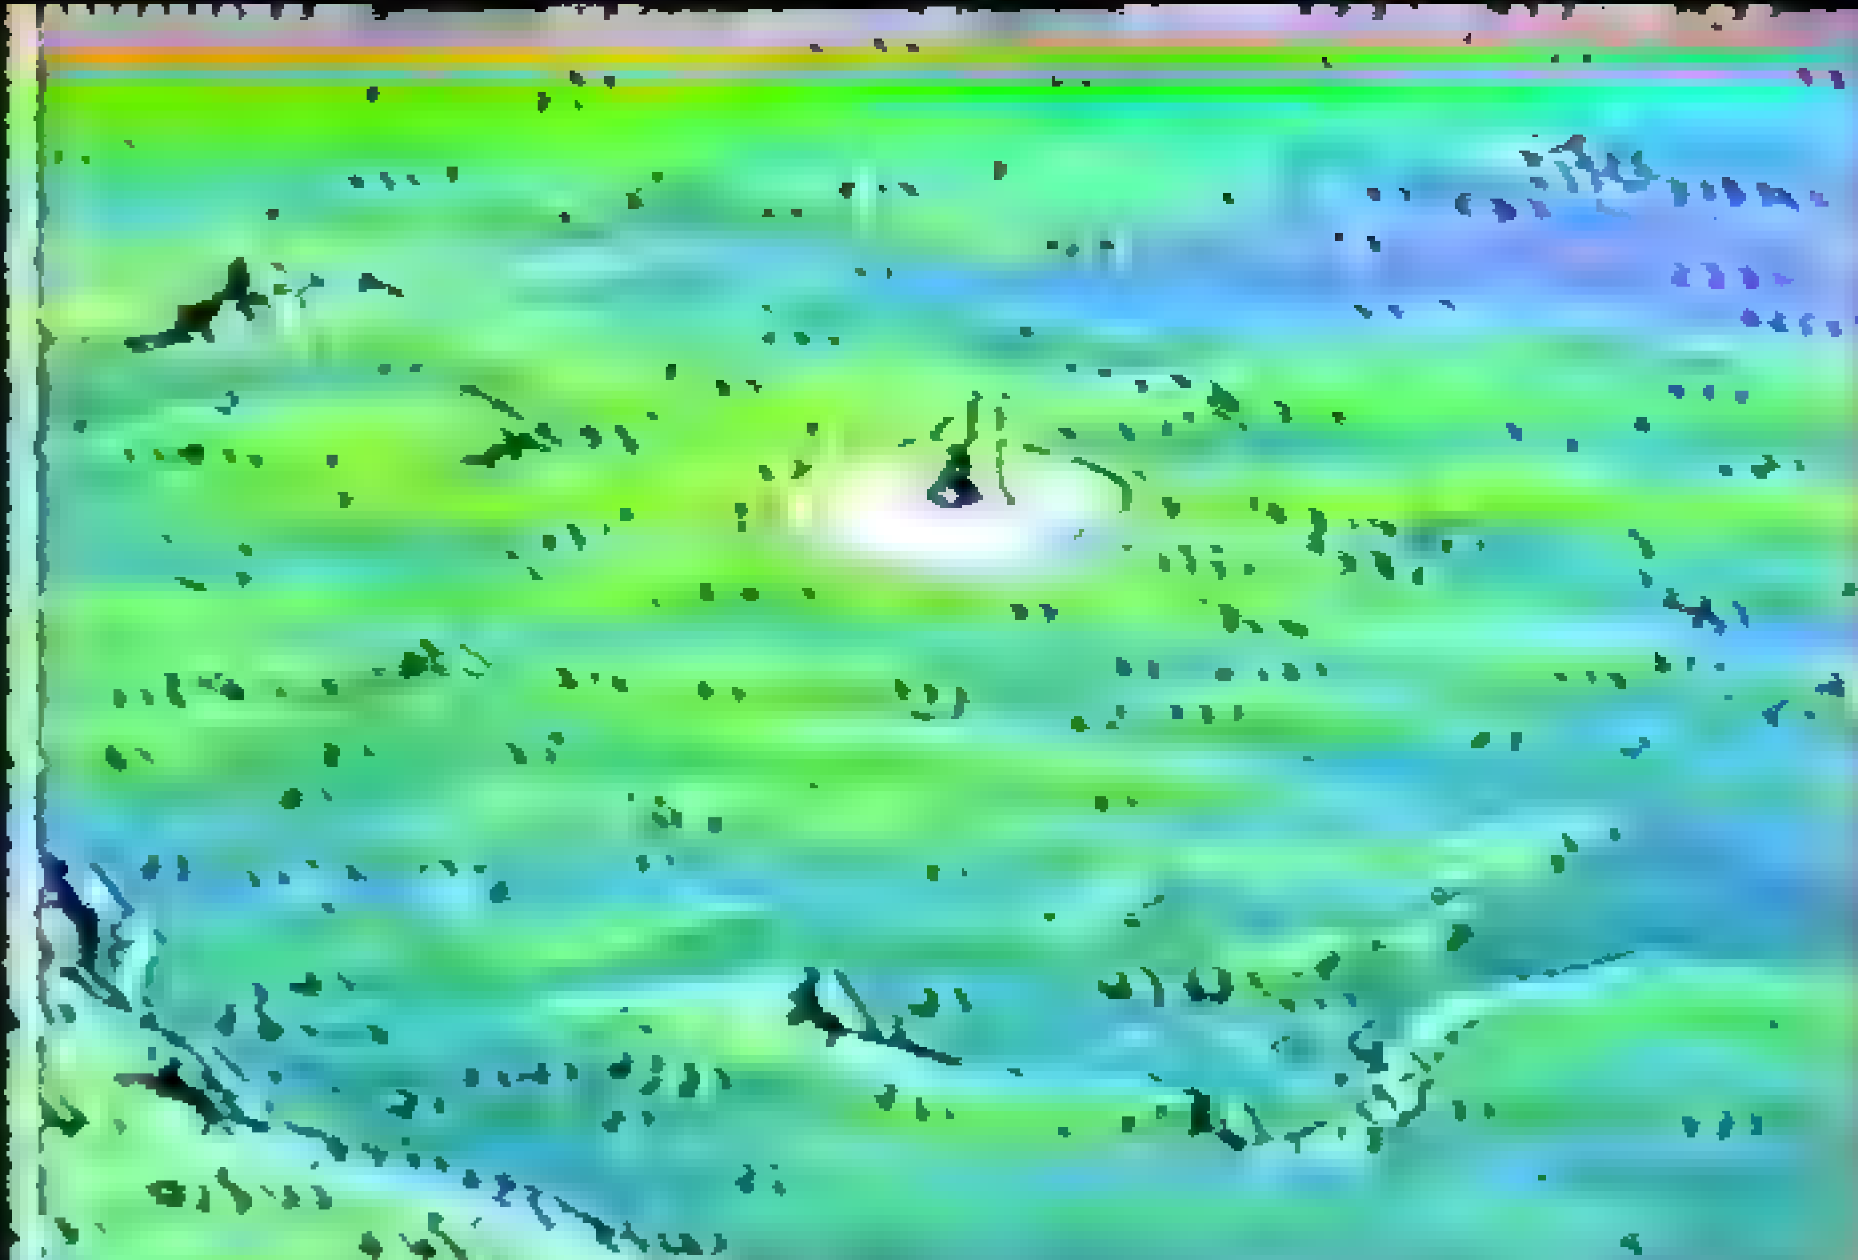

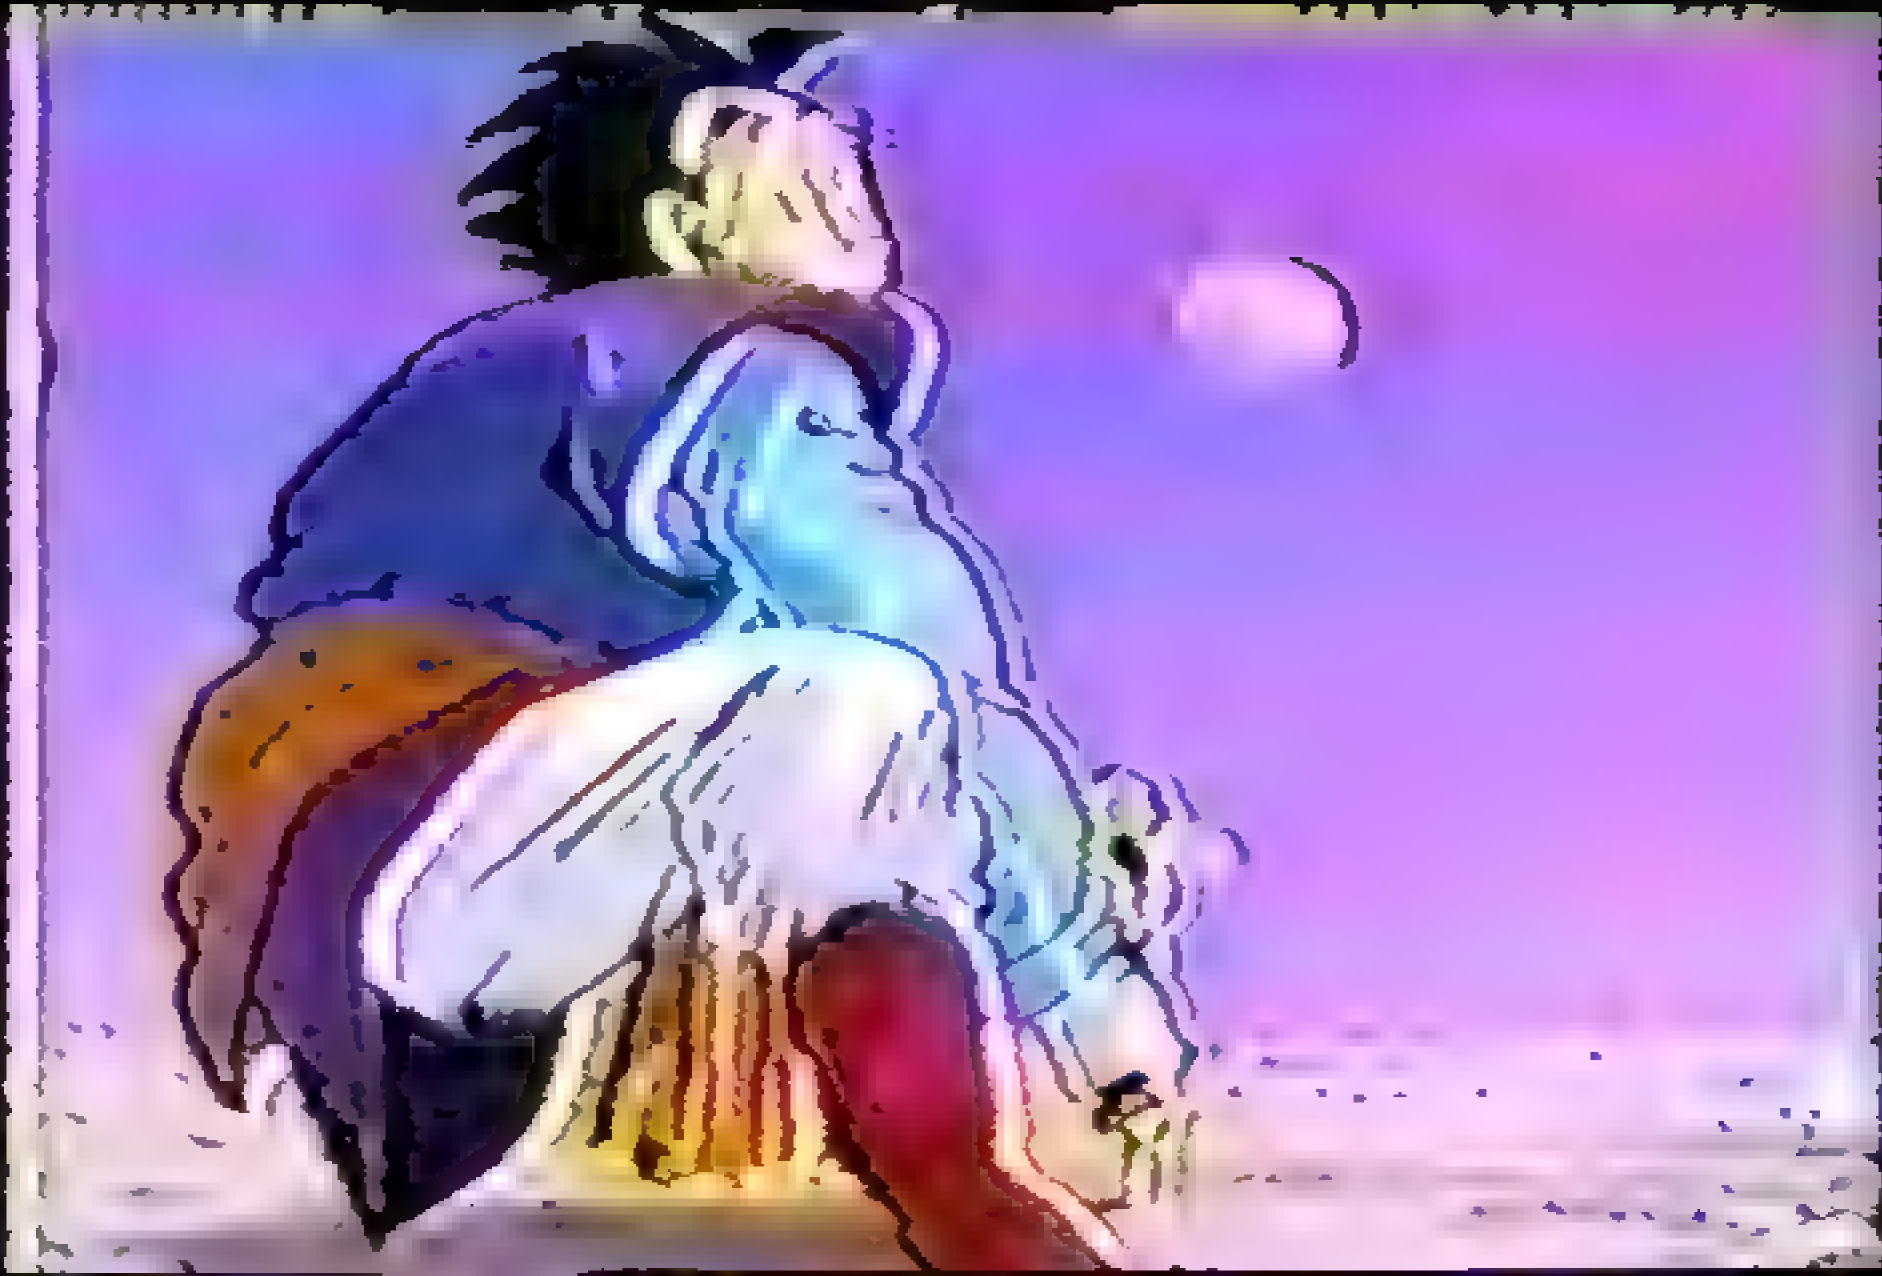

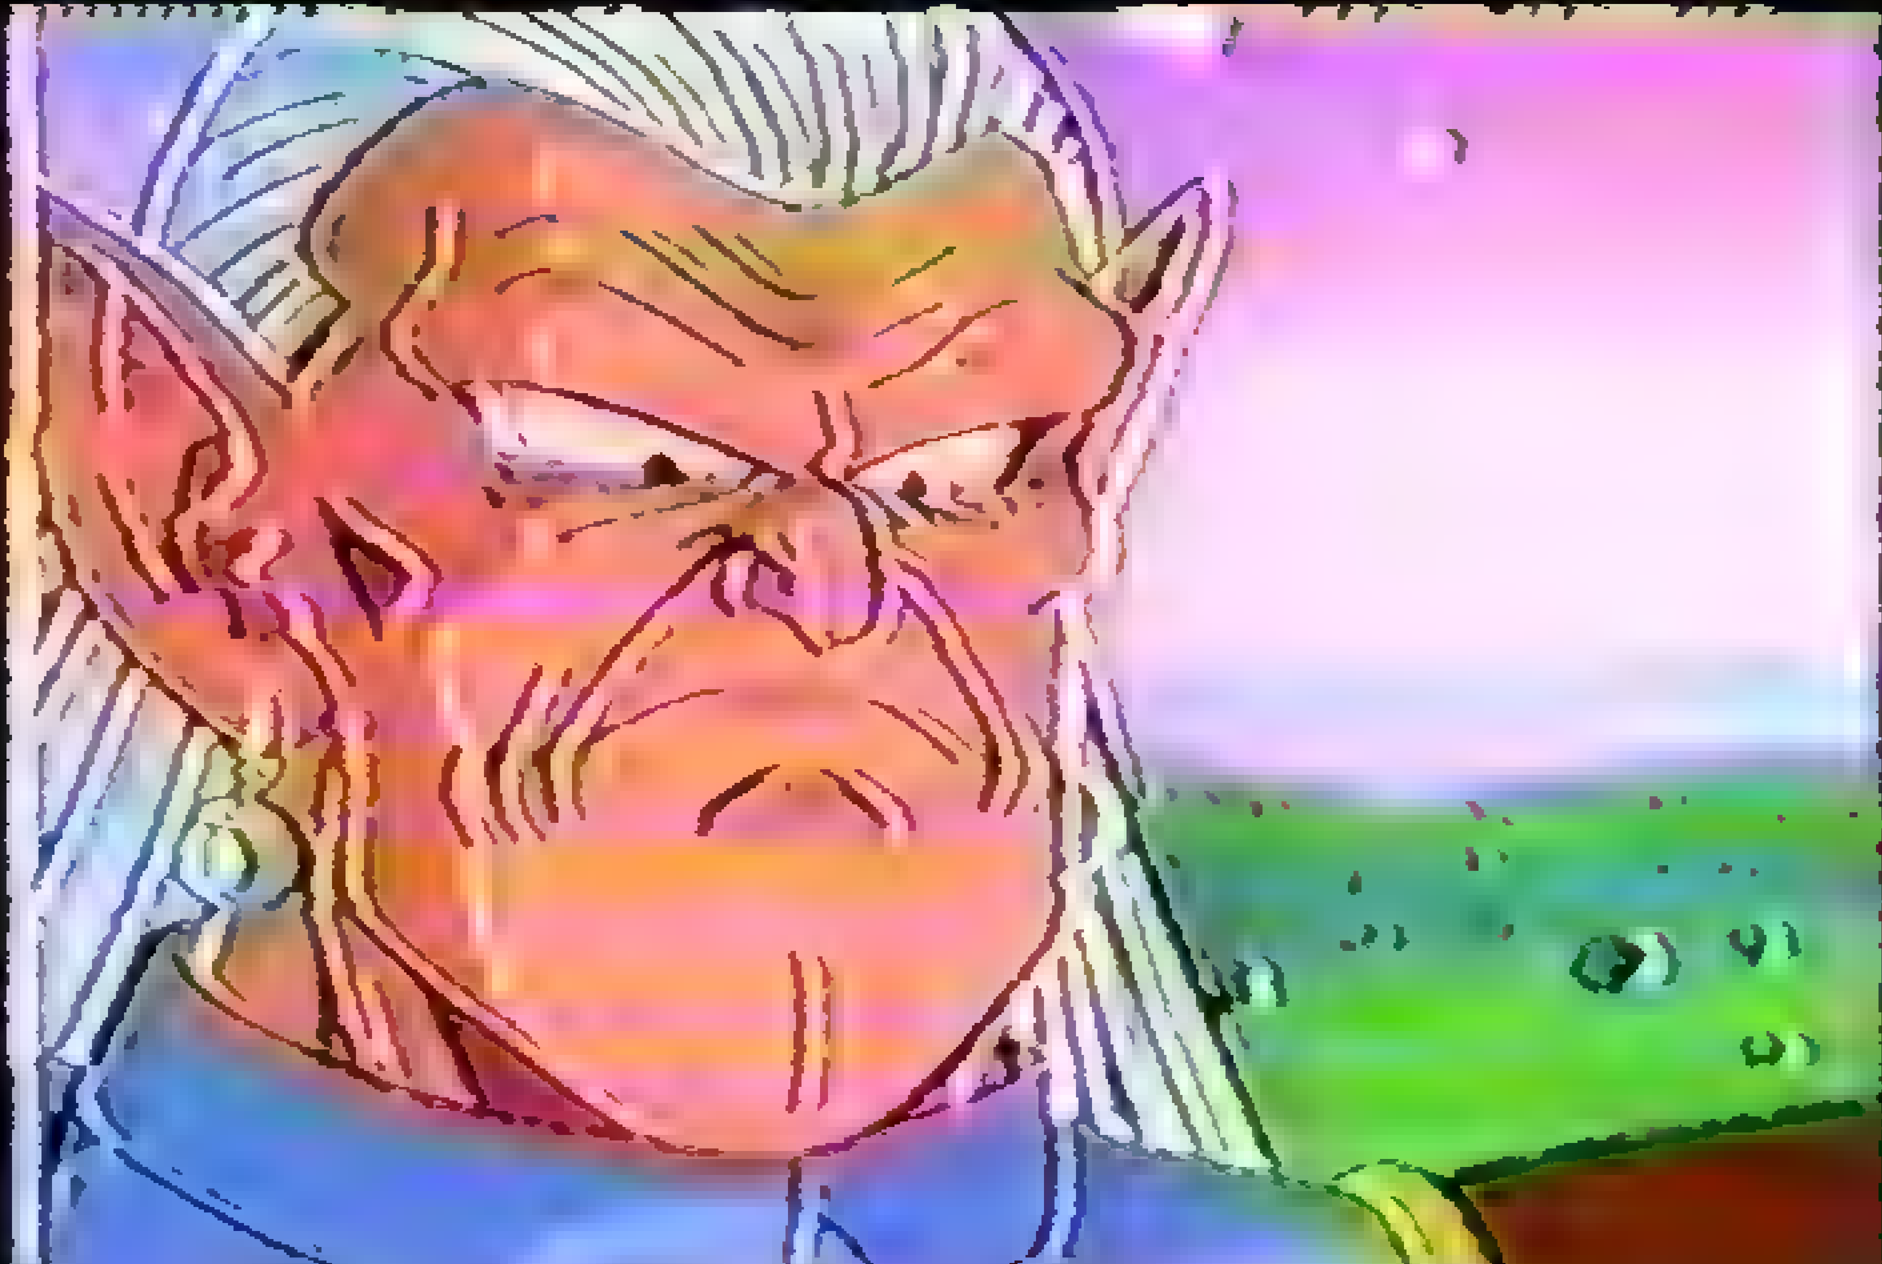

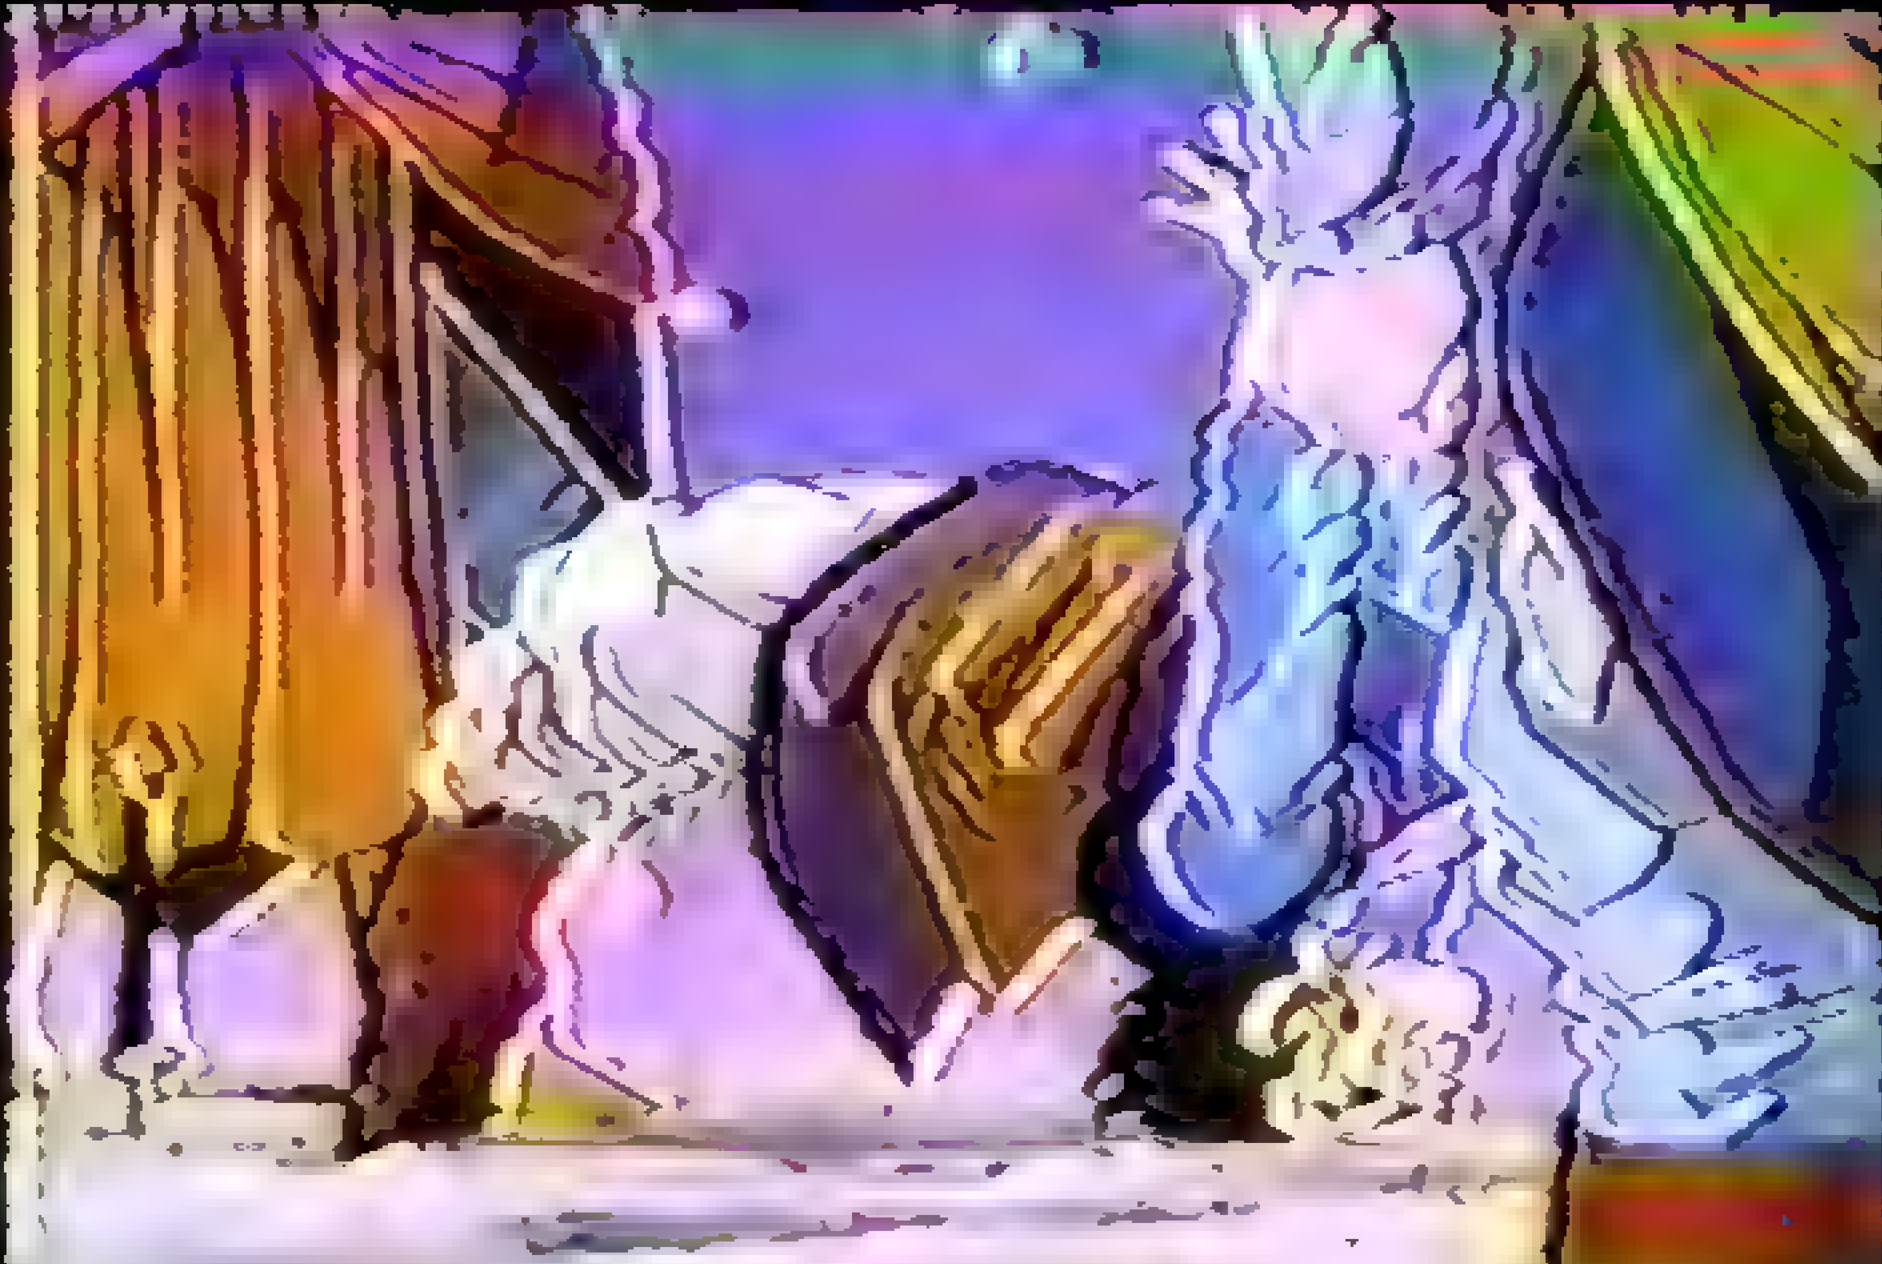

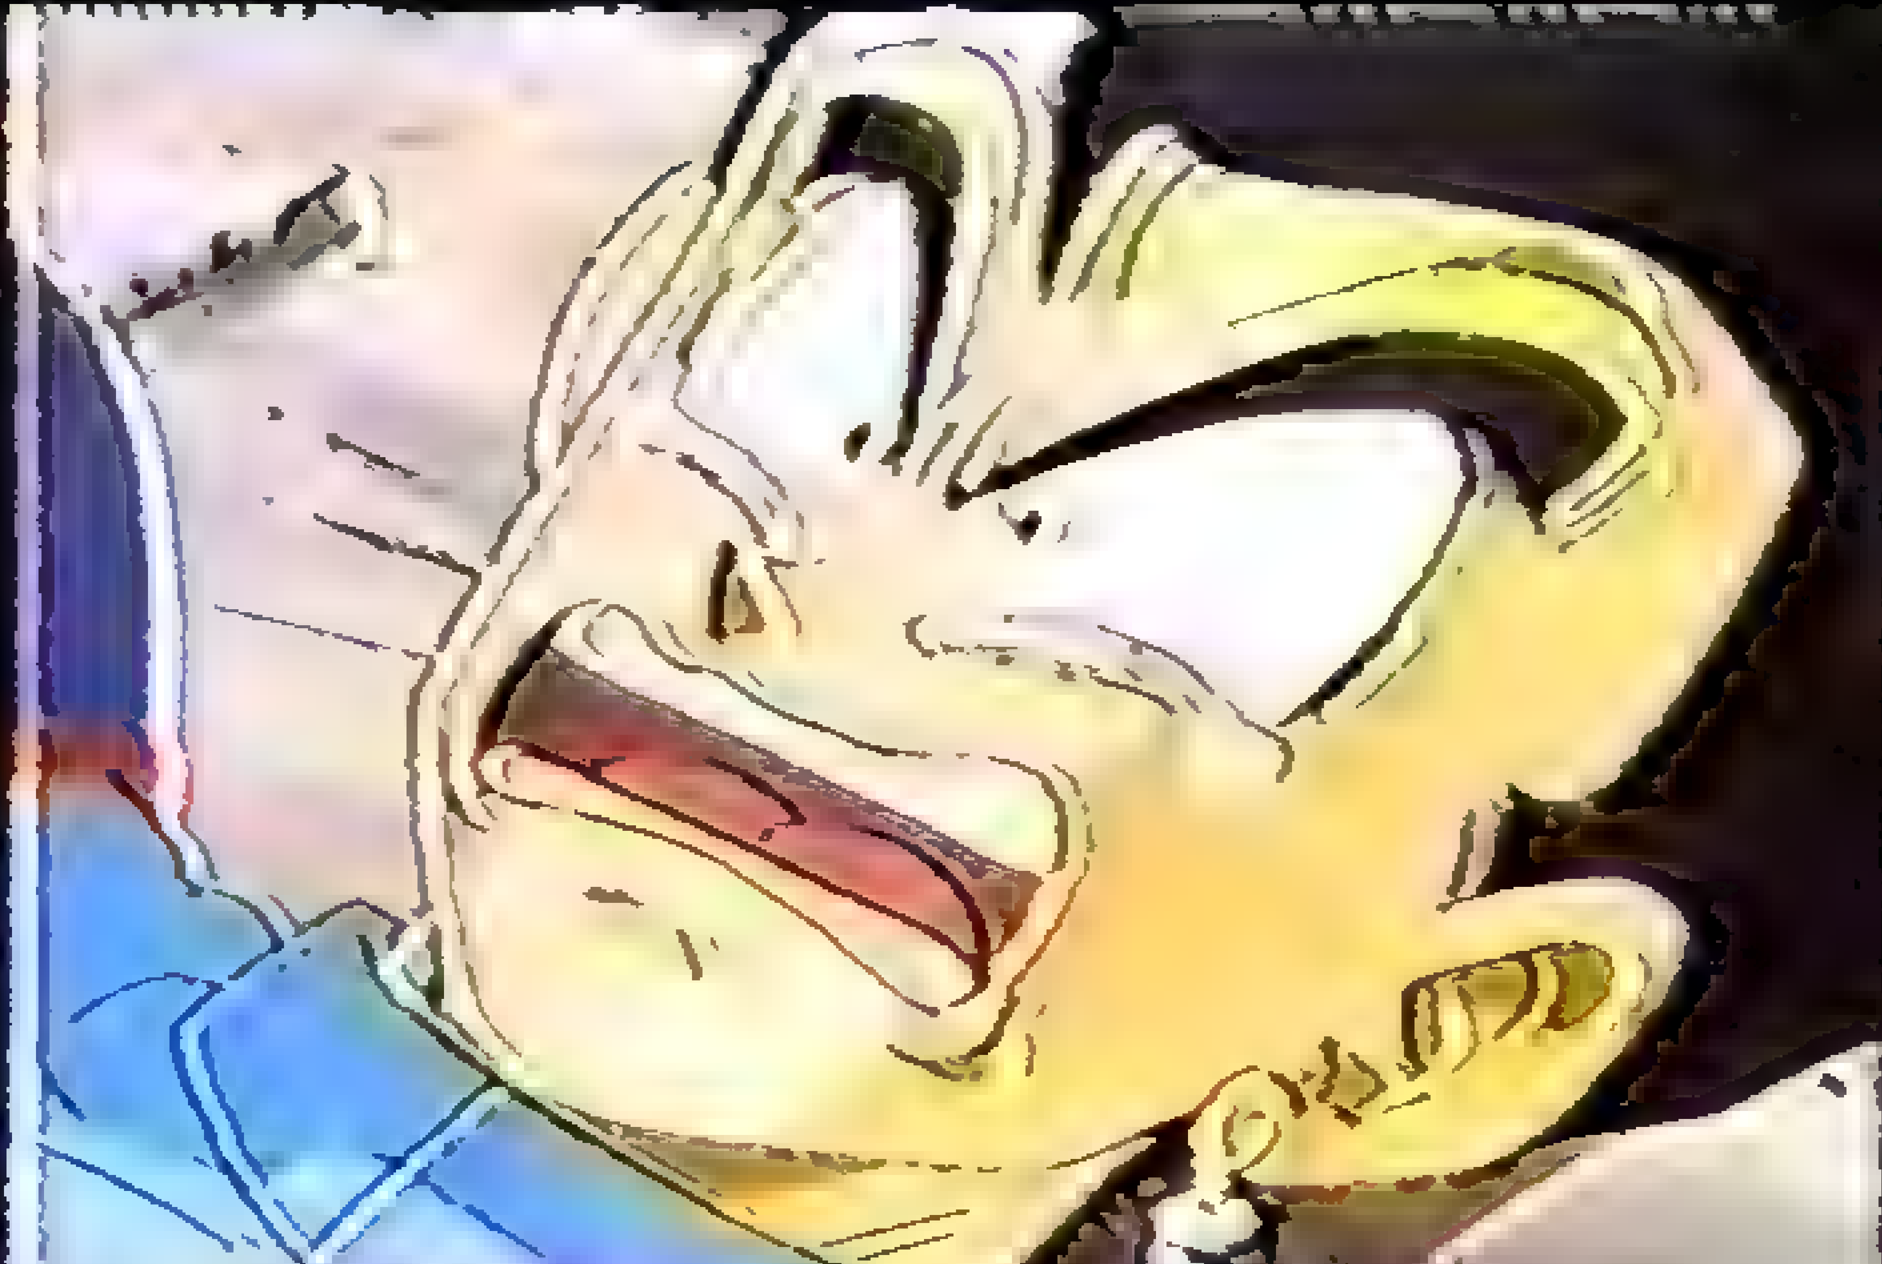

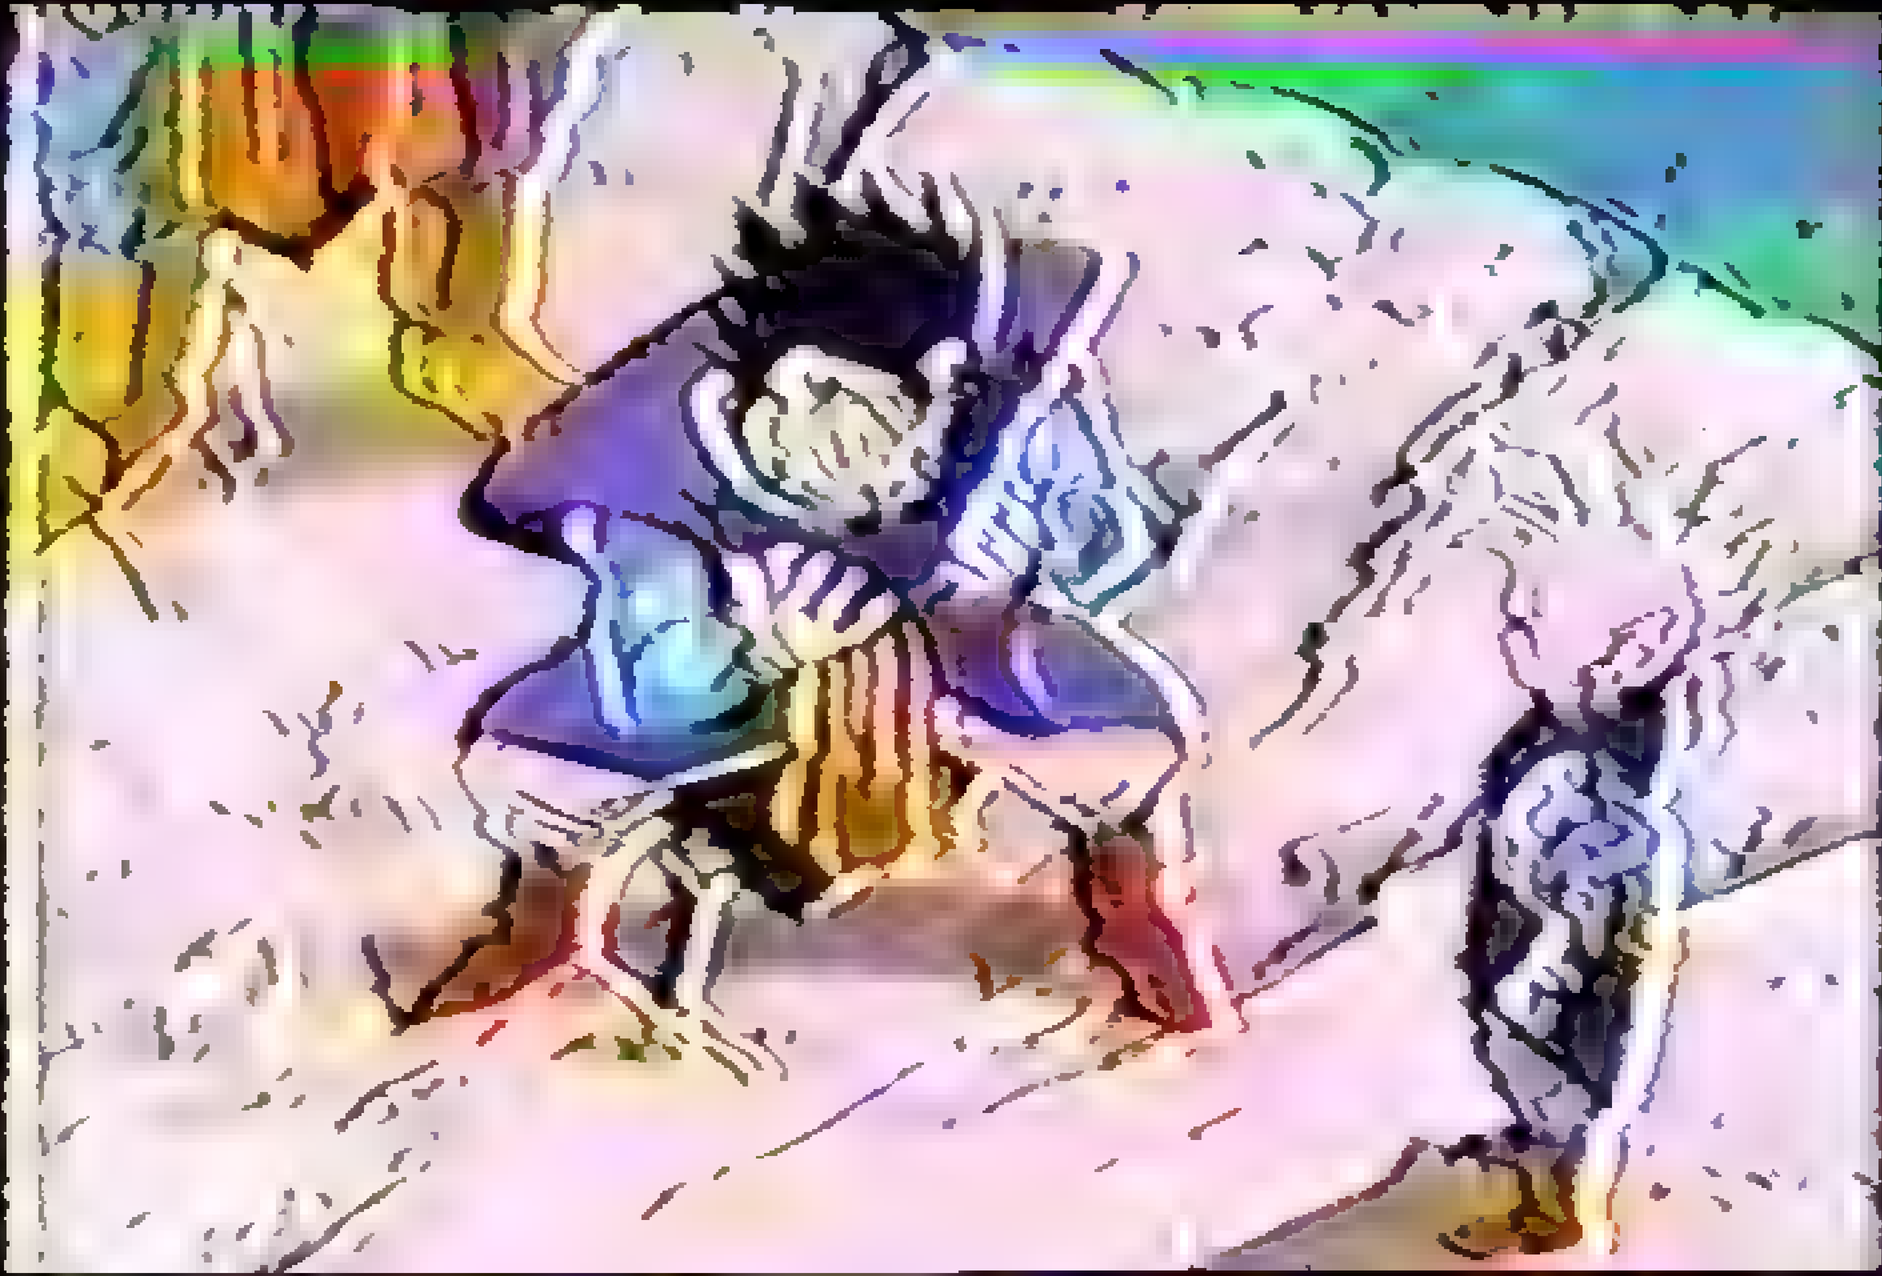

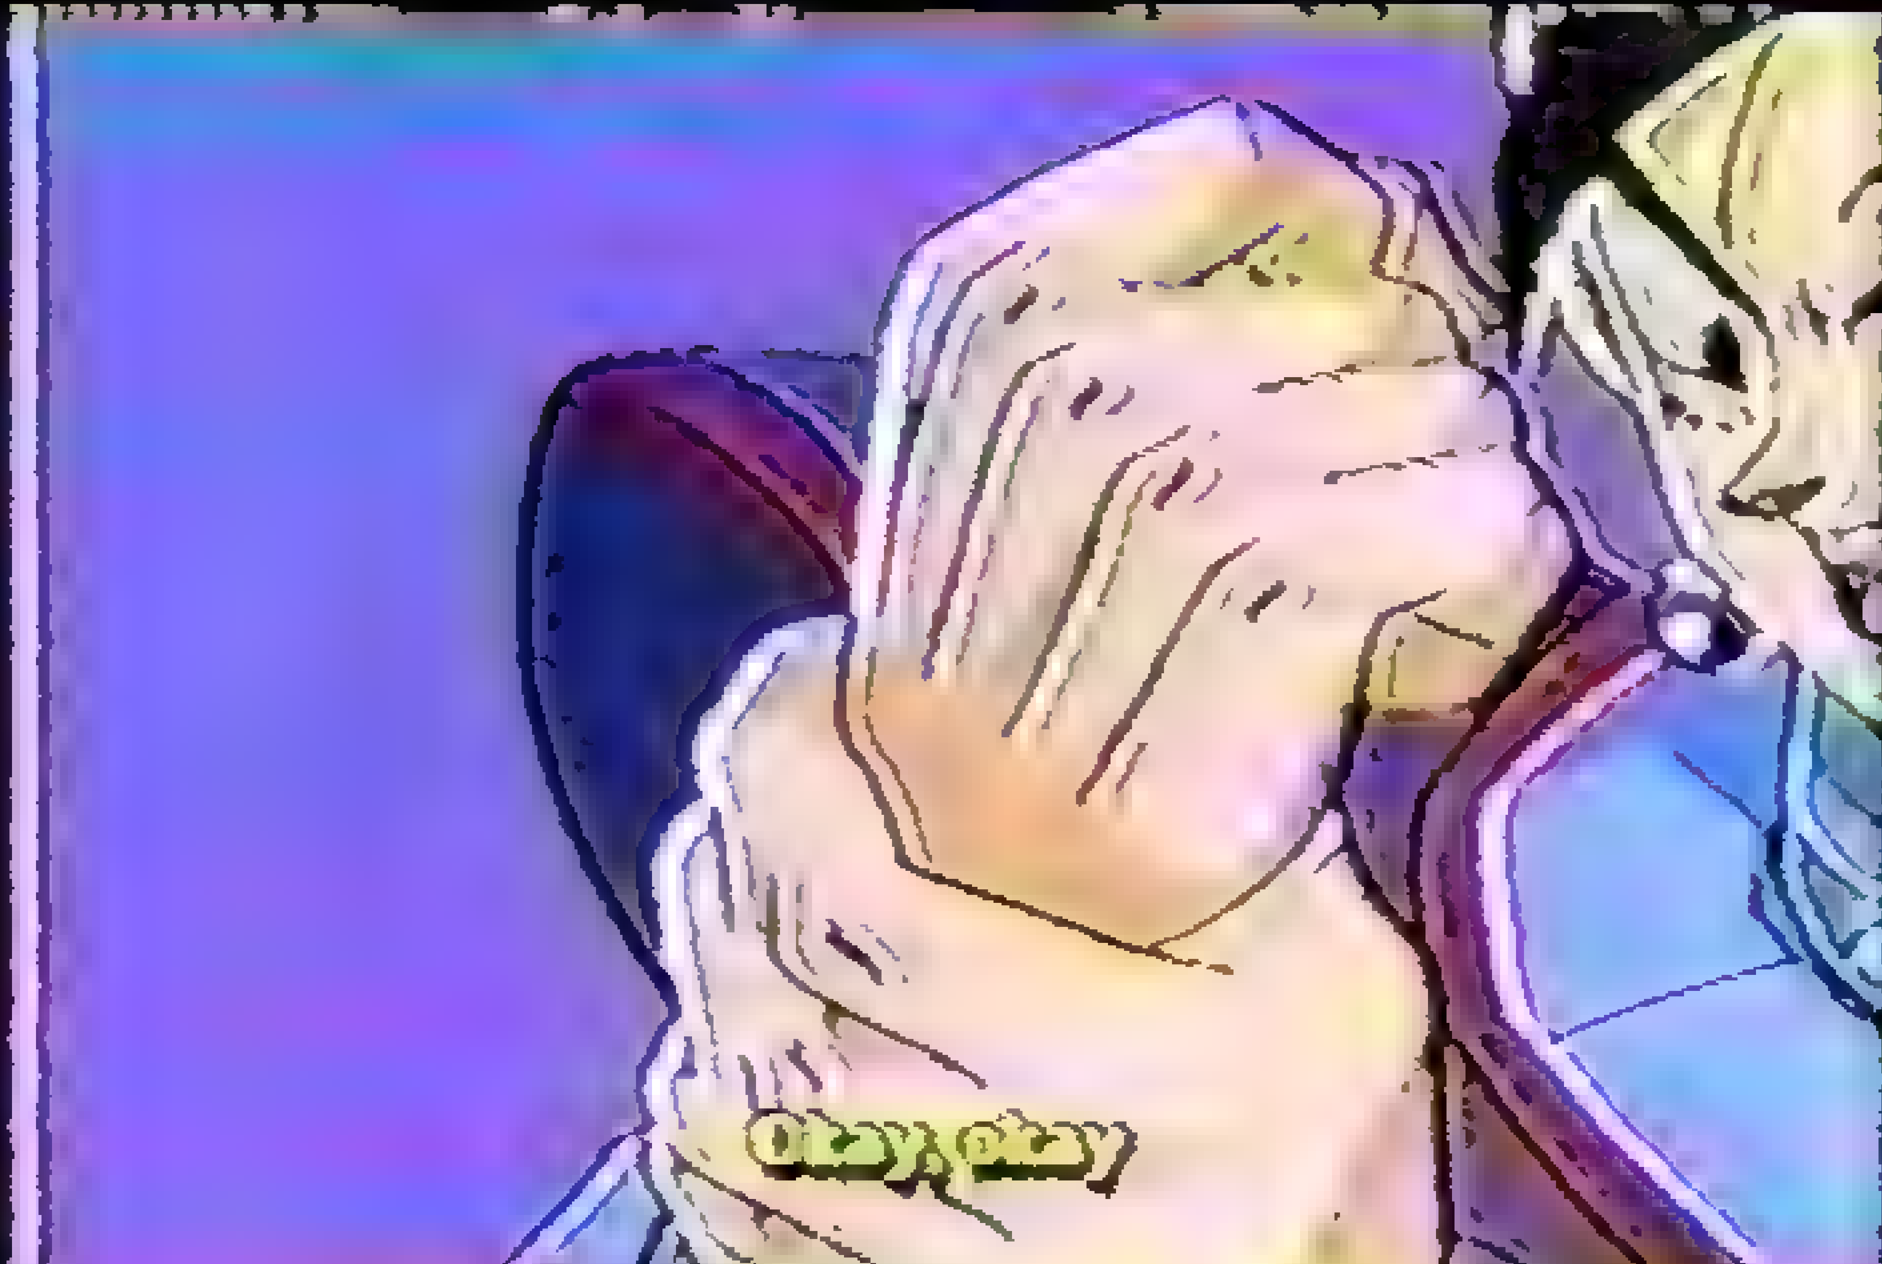

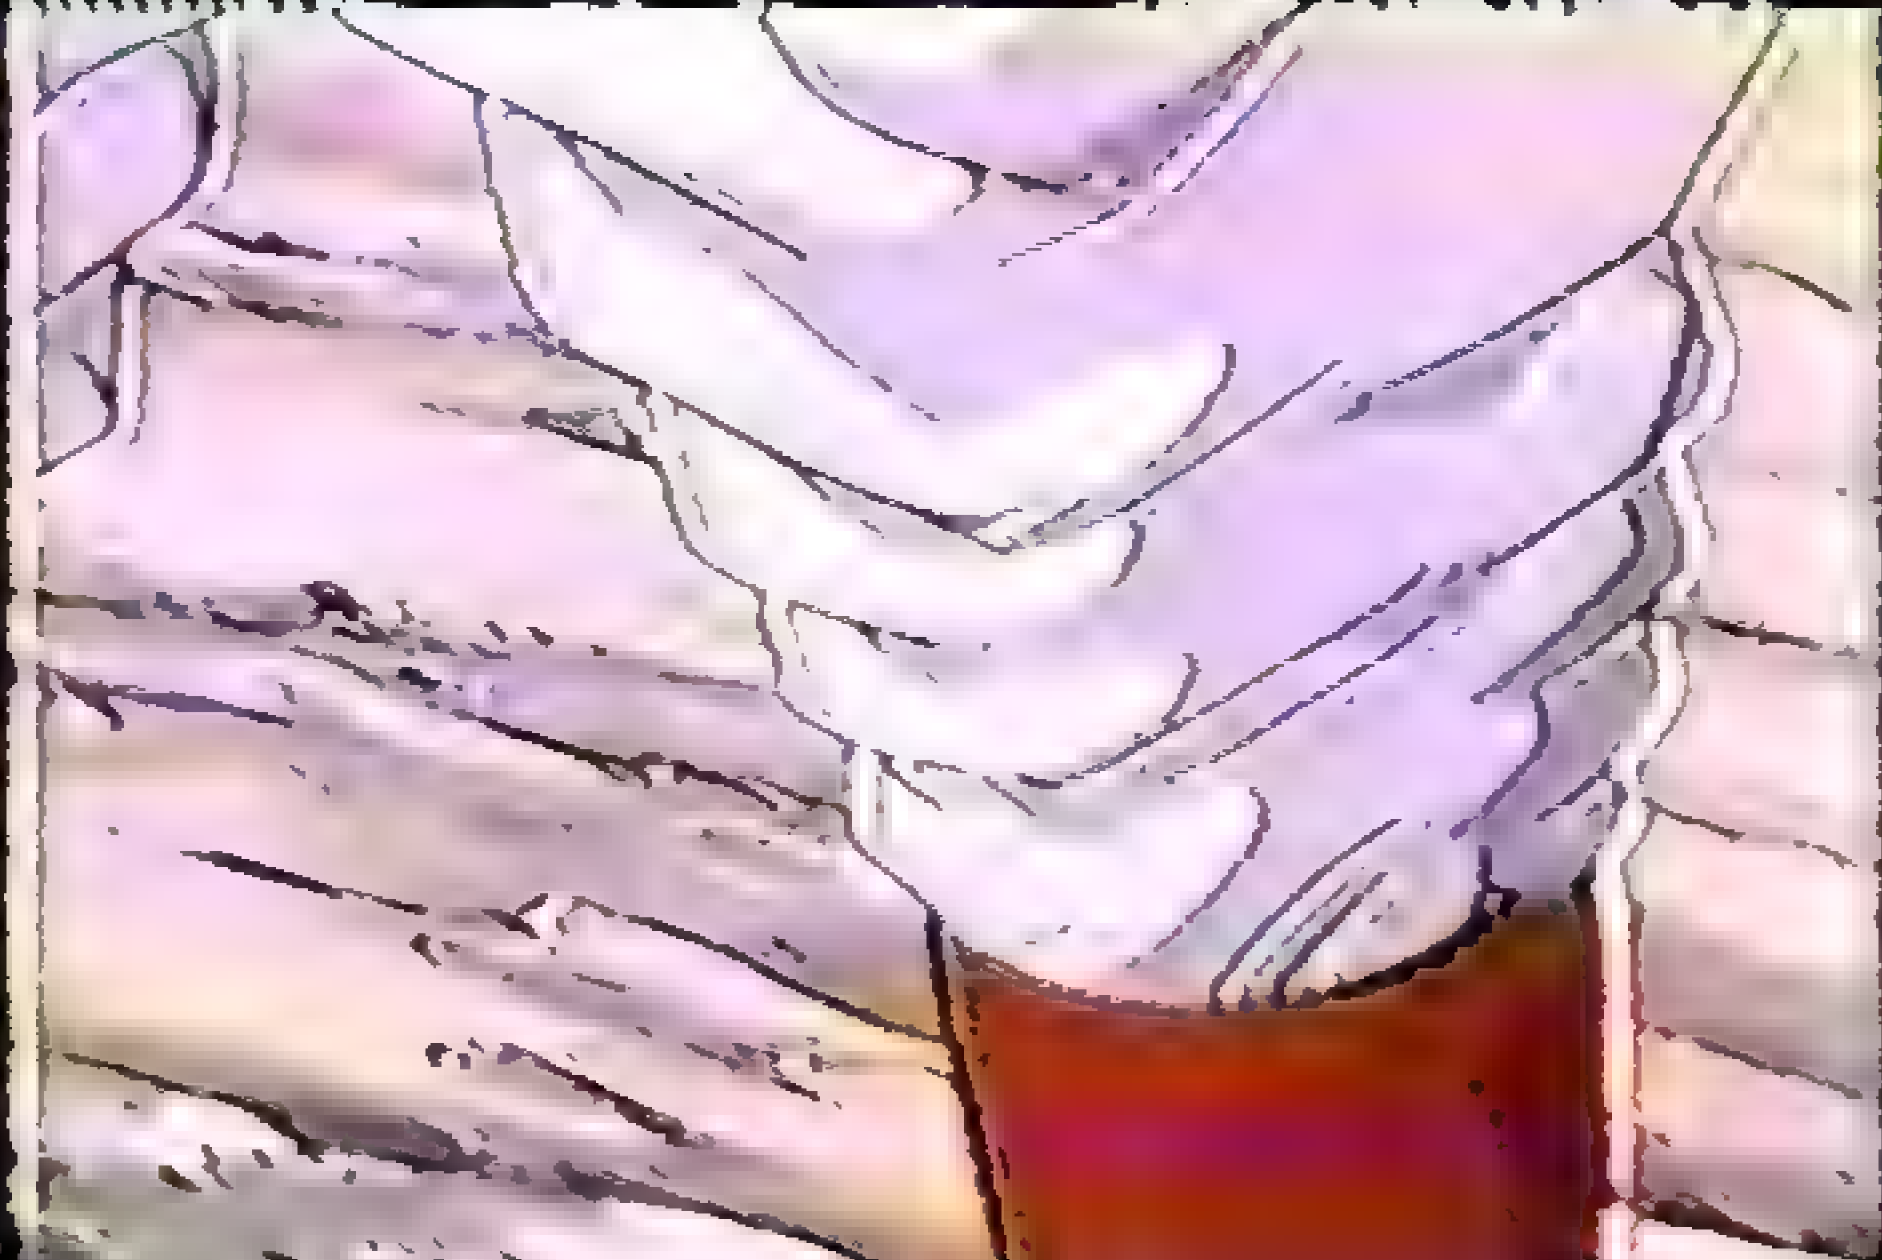

Damn it! It won't even budge

Okay, okay

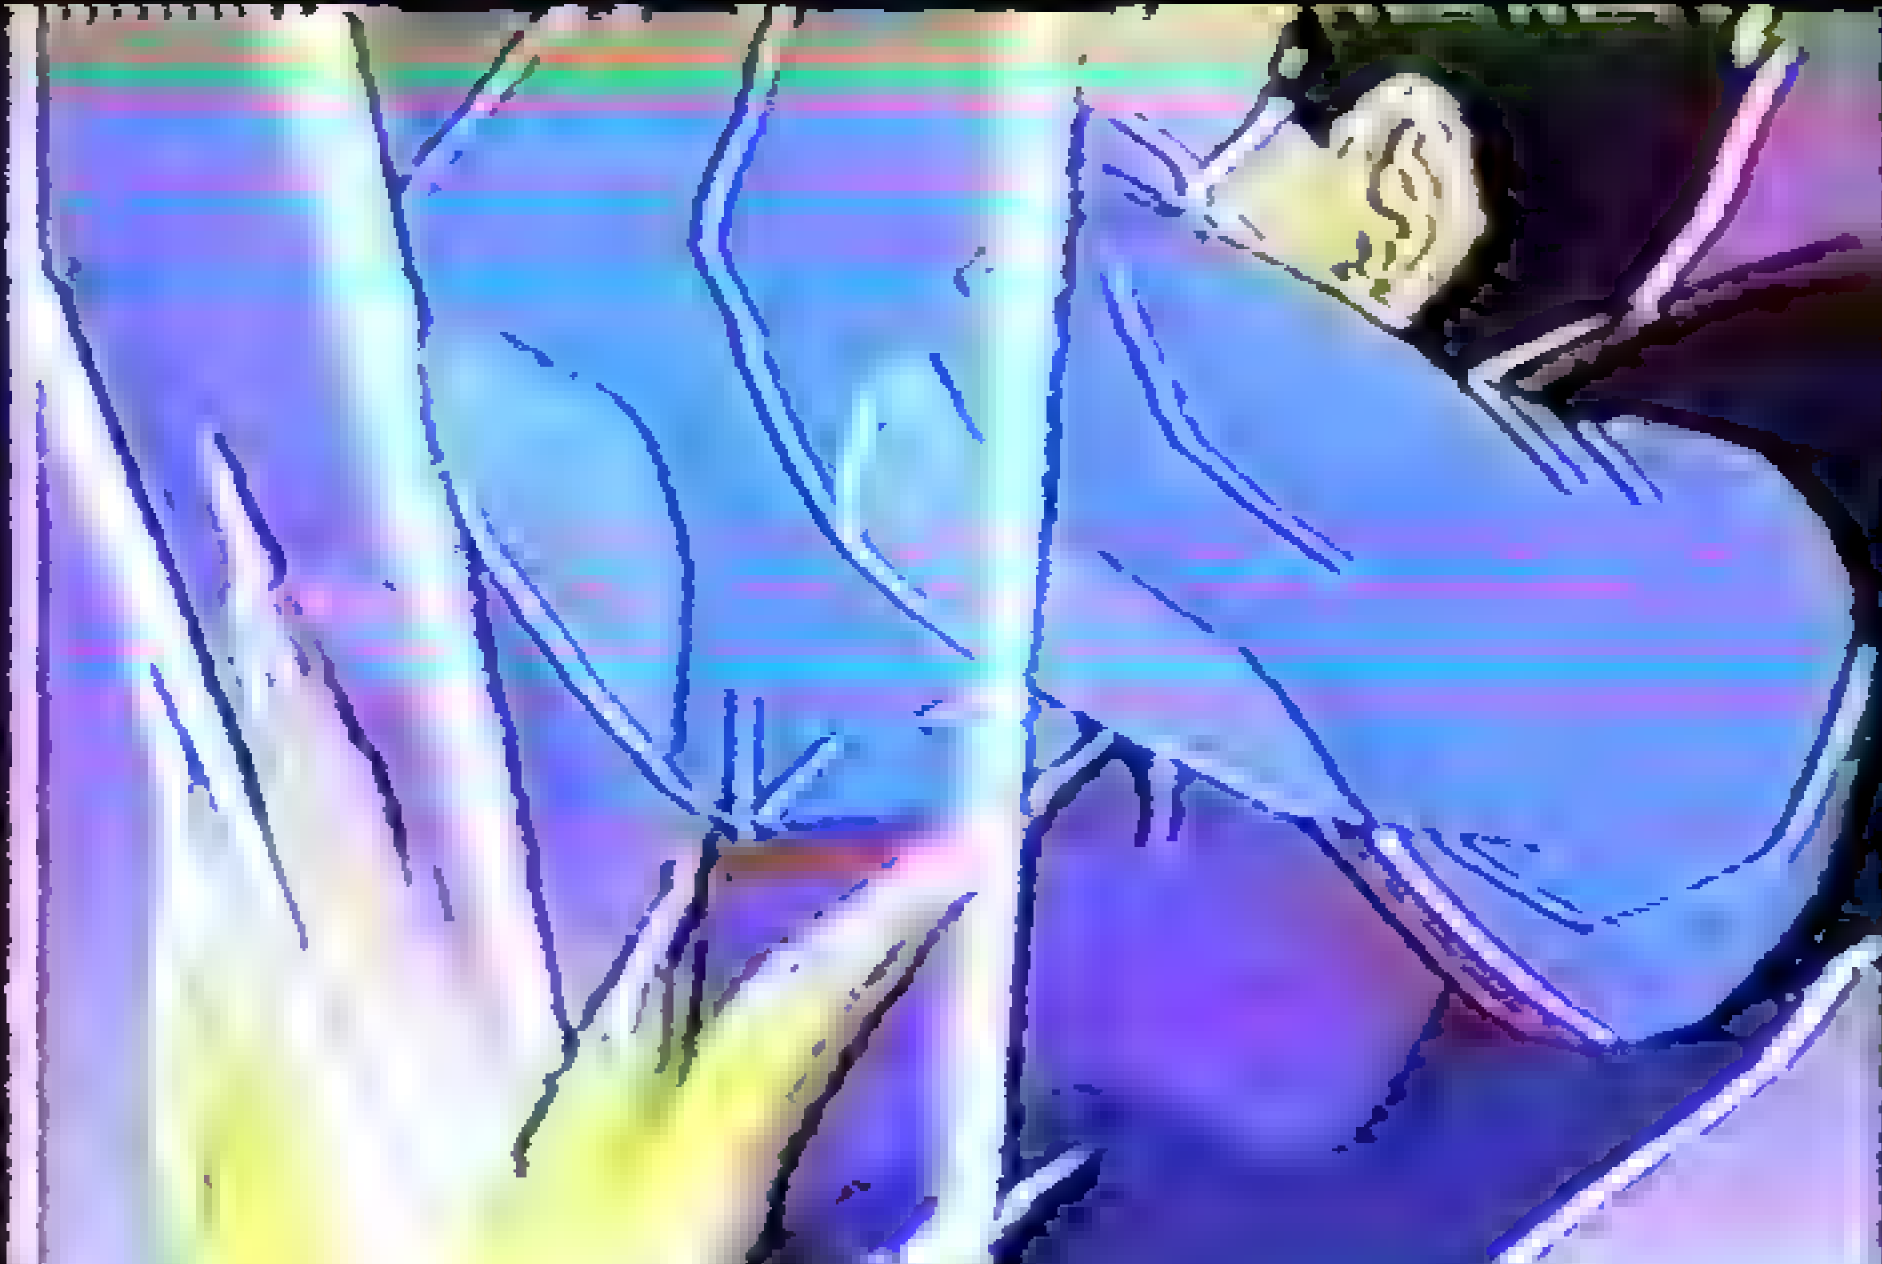

Okay, okay

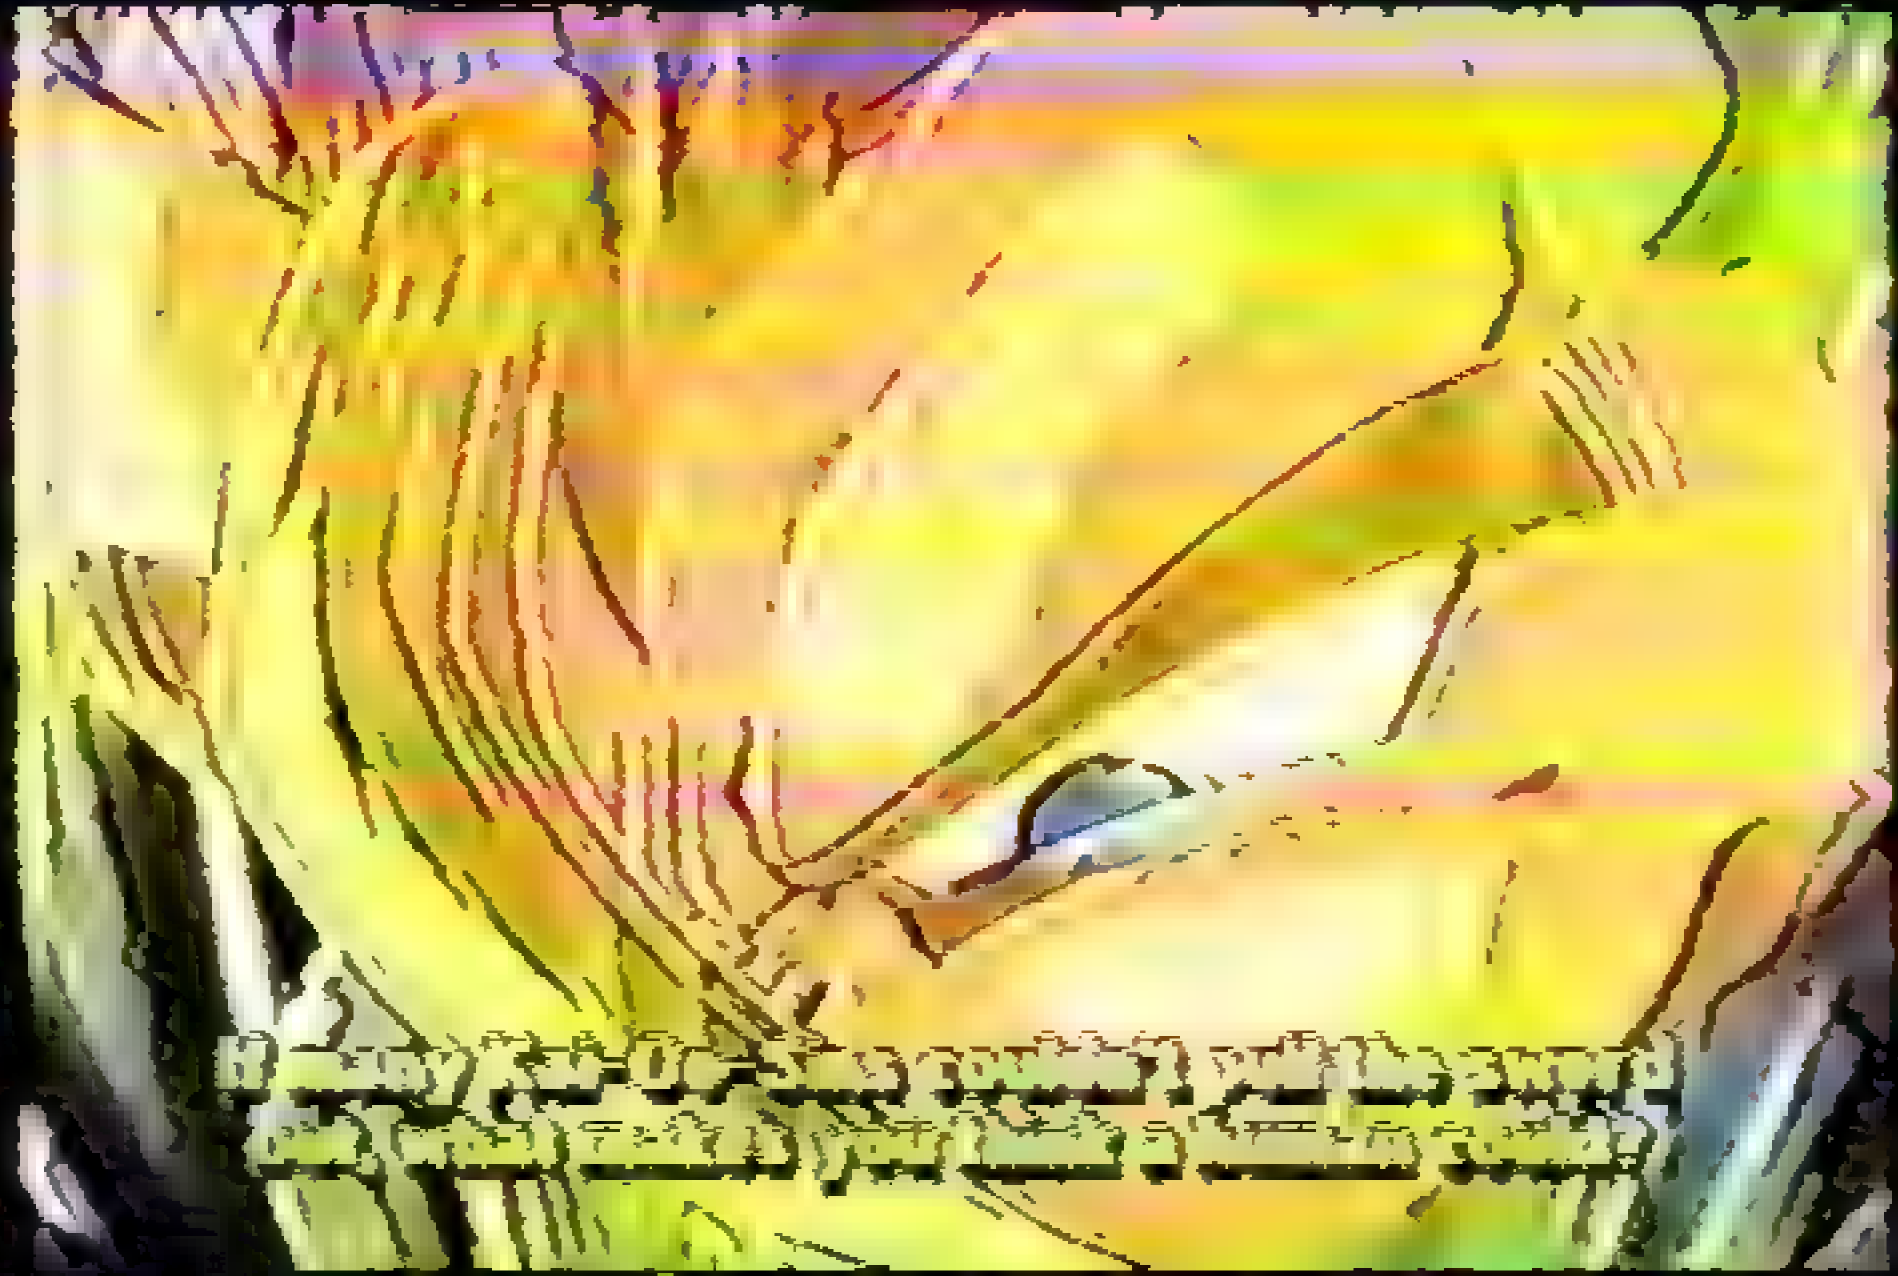

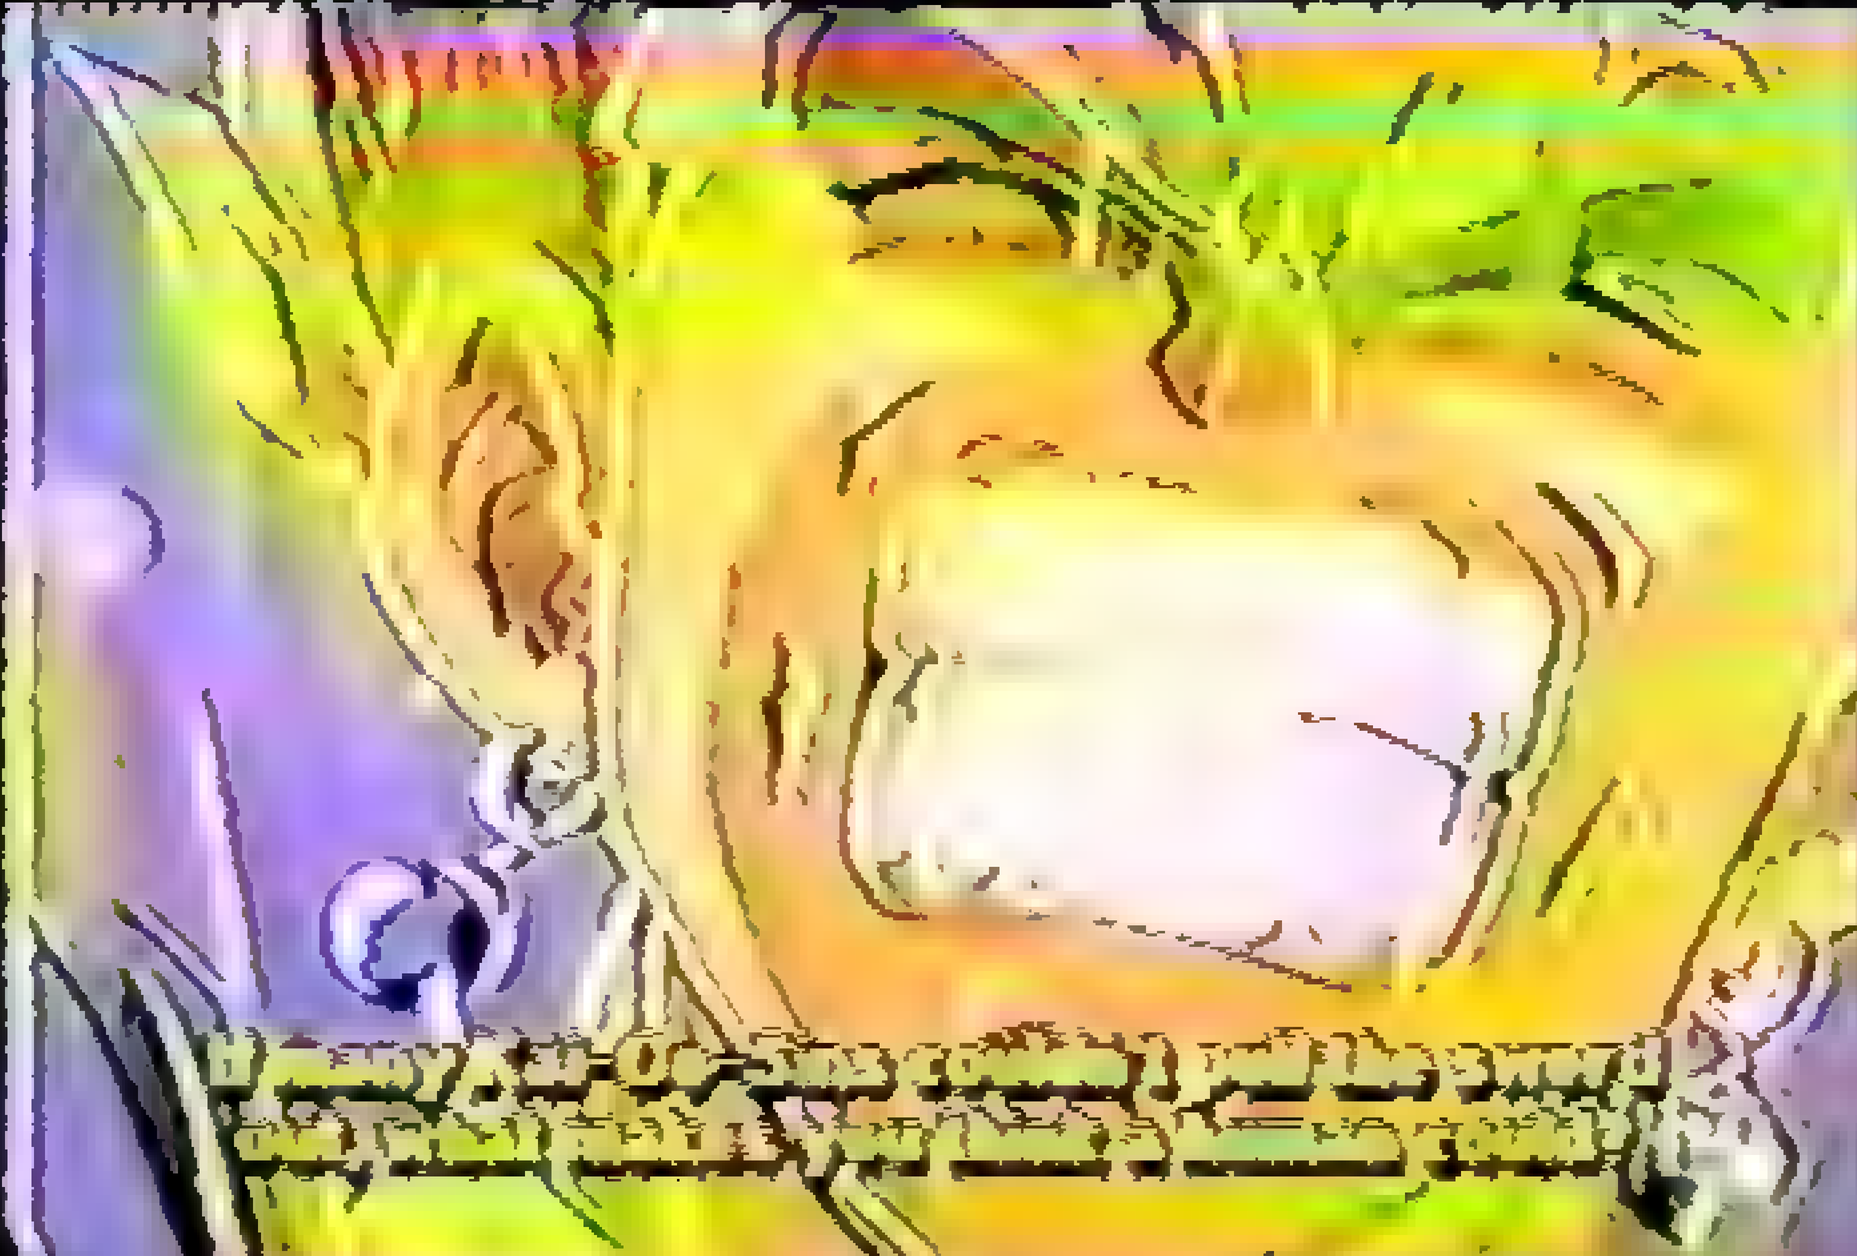

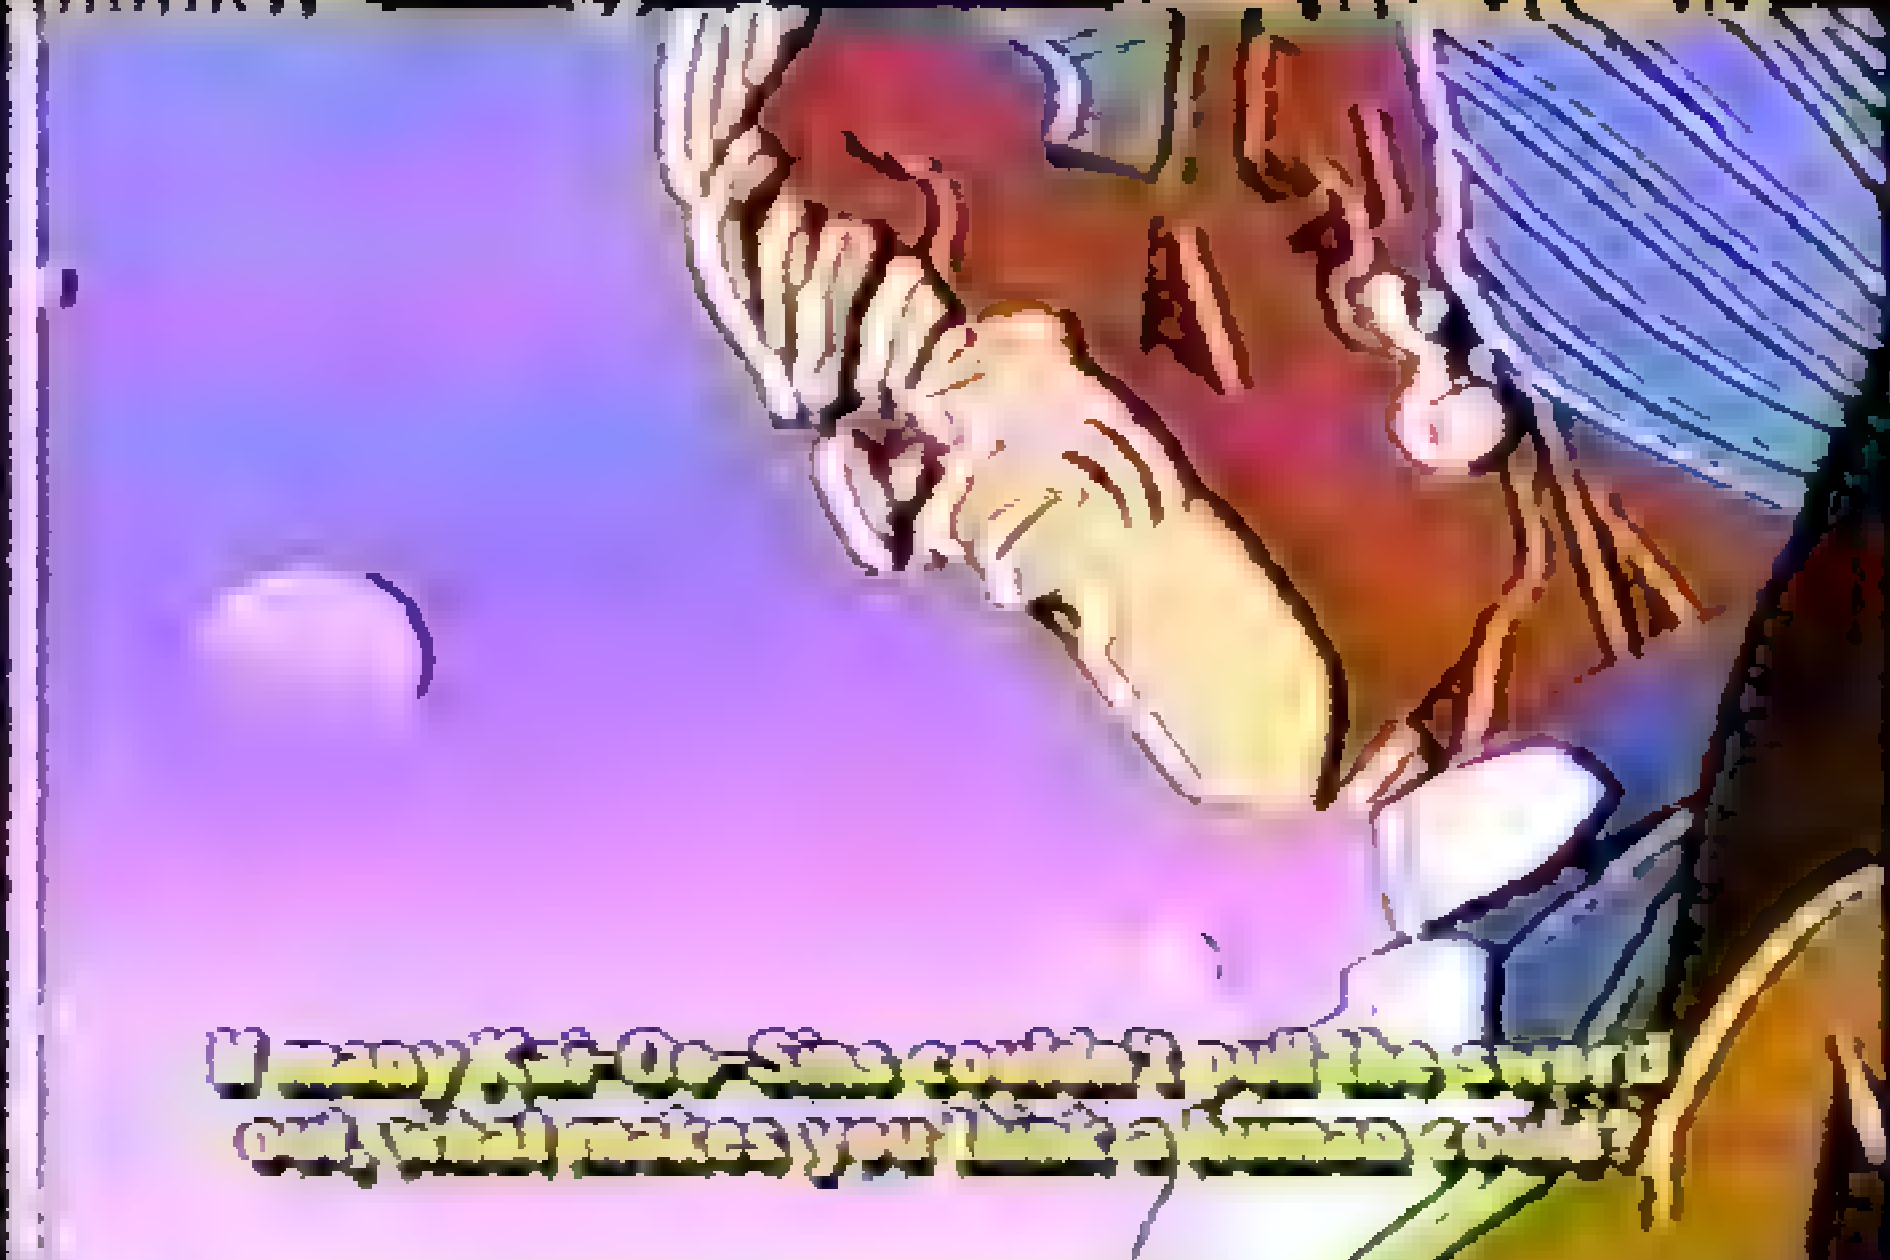

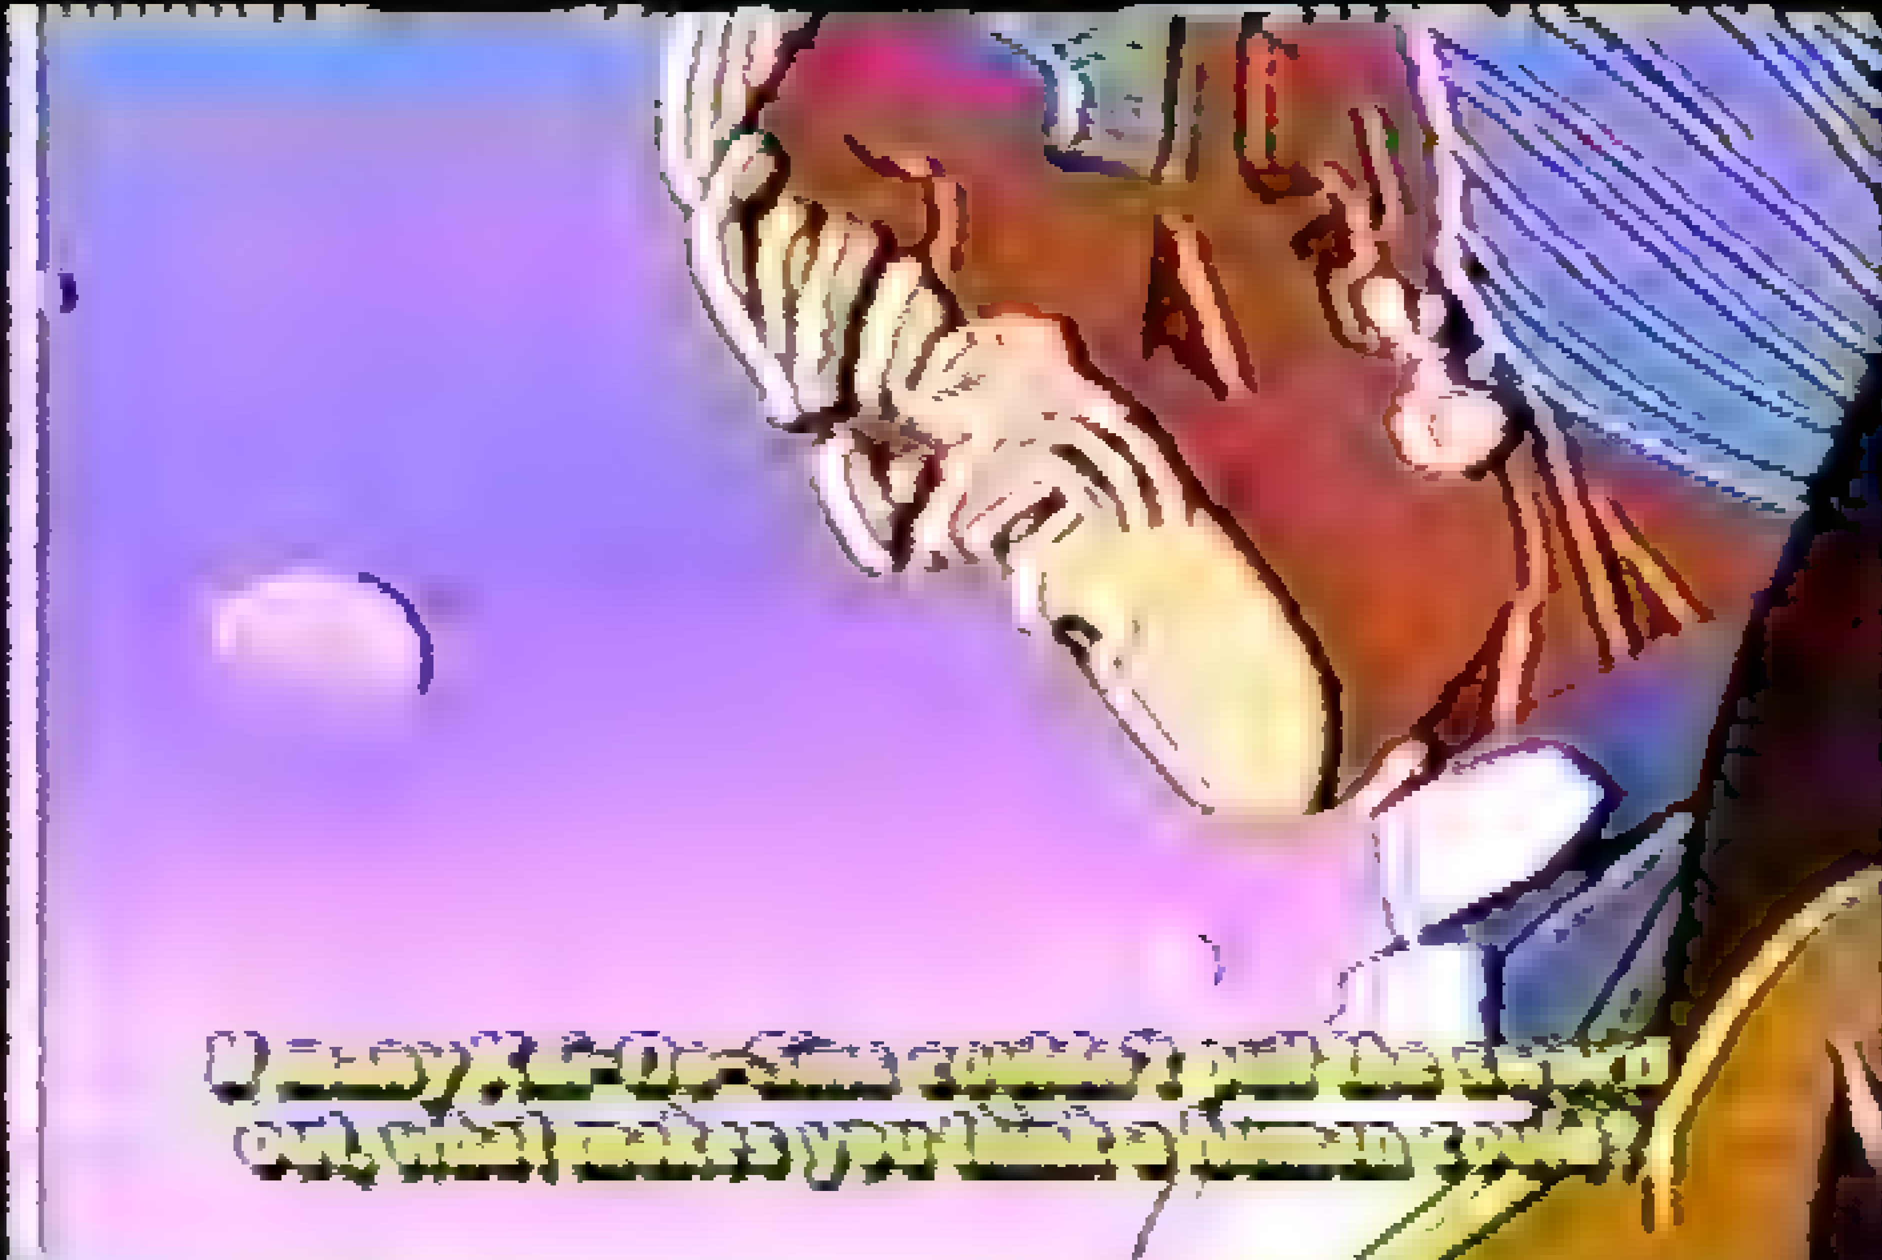

If many Kai-Da-Sans couldn't pull the sword
out, what makes you think a human could?

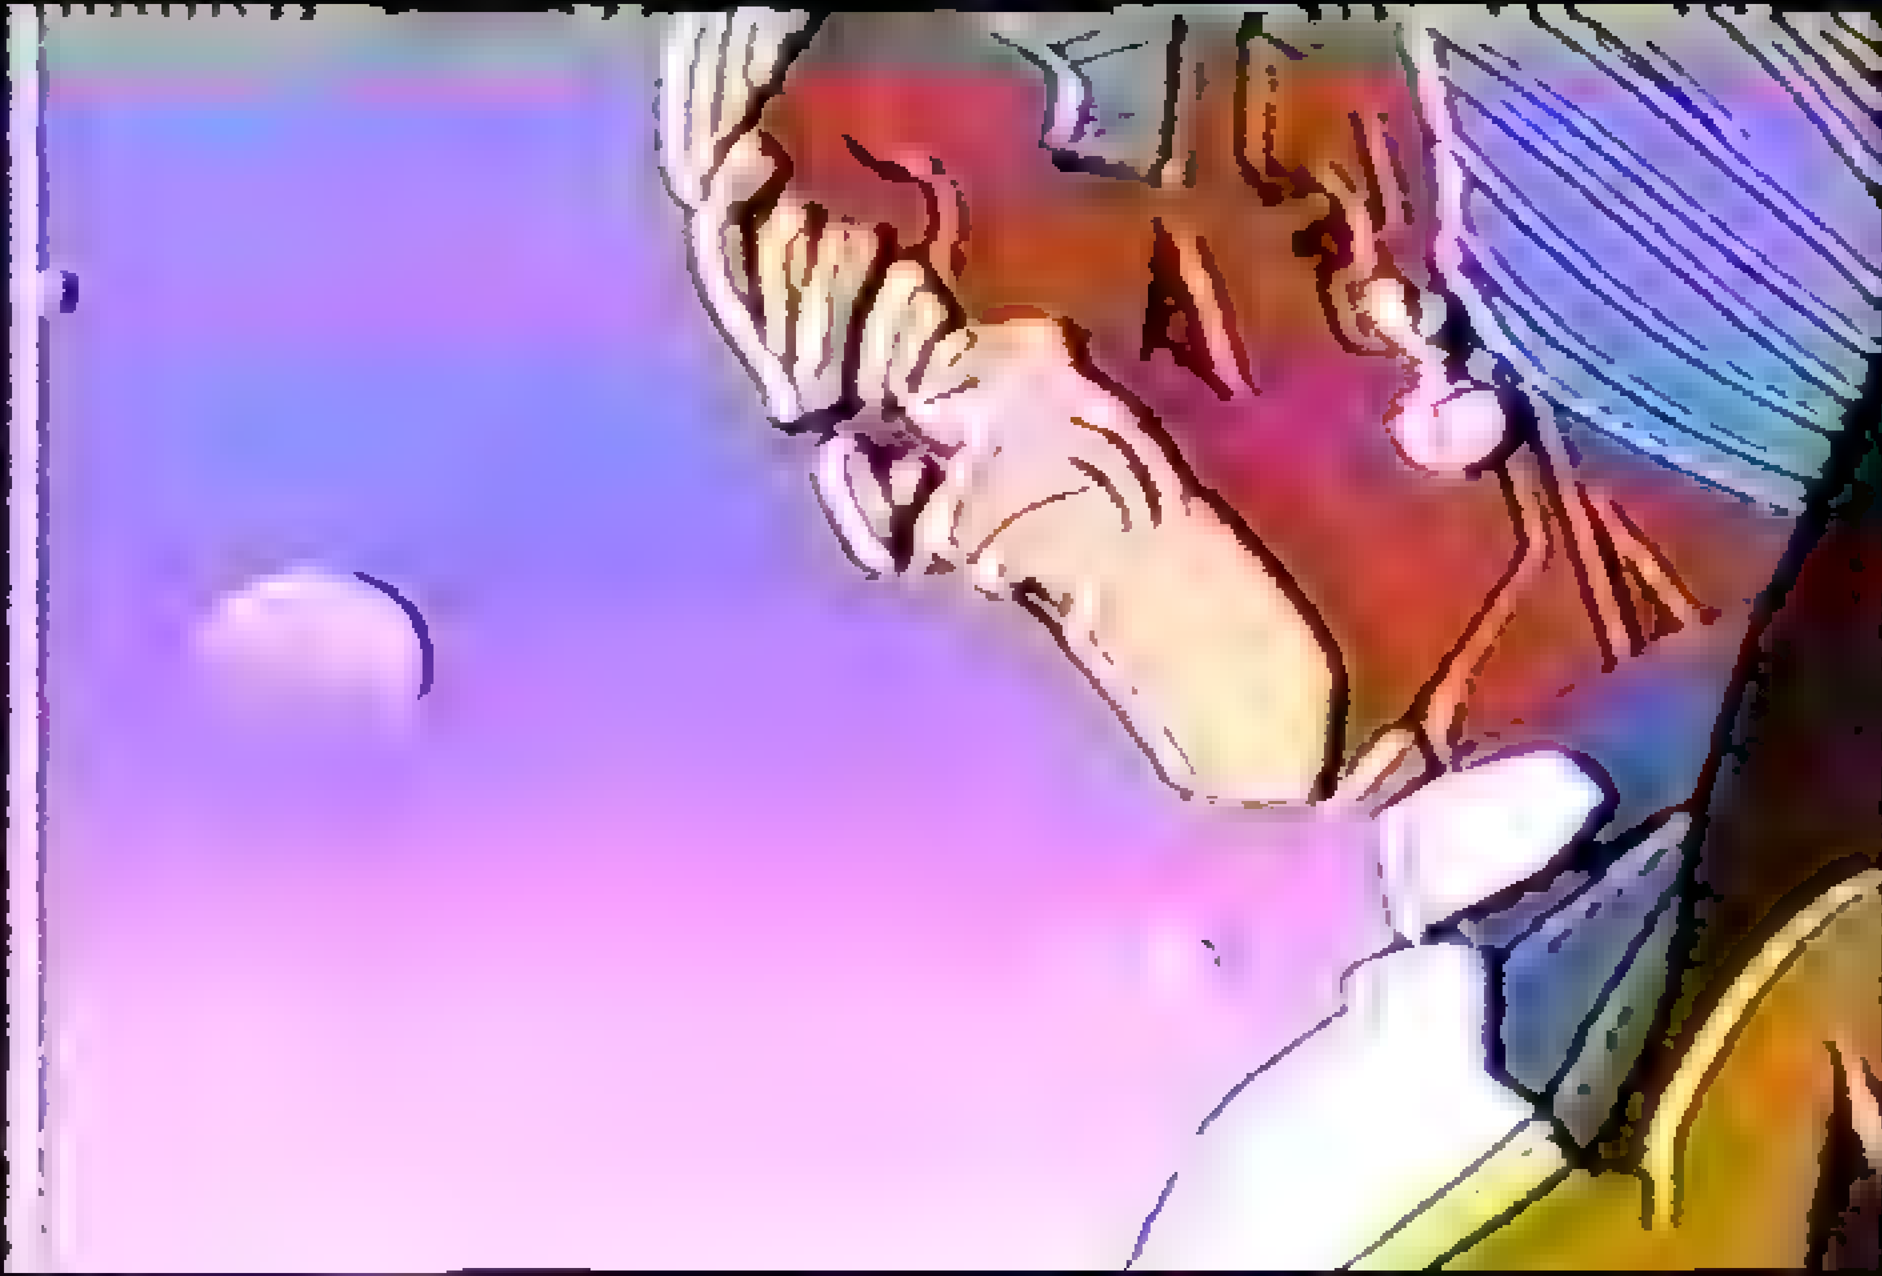

If many Kar-Dy-Sims couldn't pull the sword
out, what makes you think a human could?

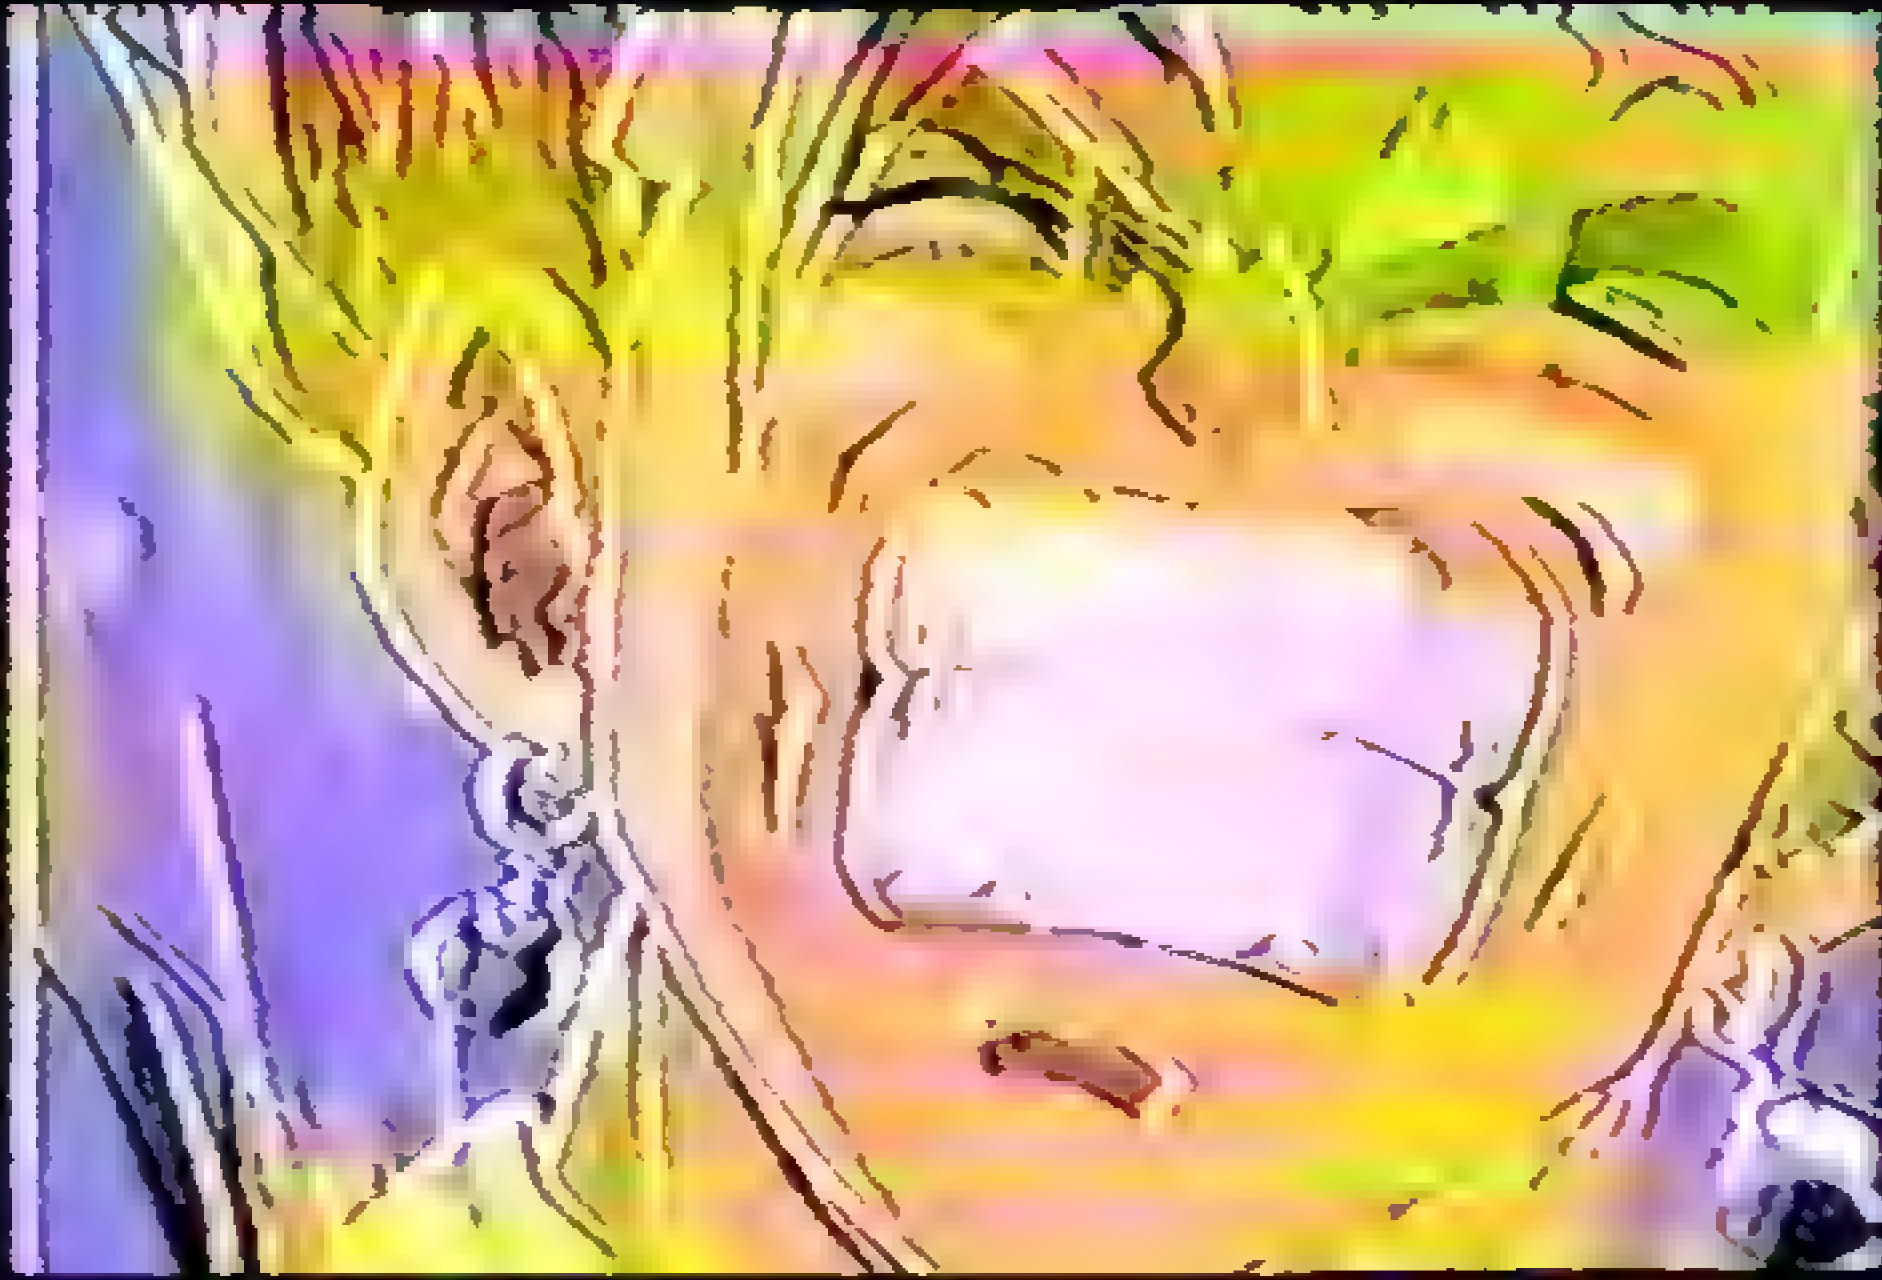

If many Kai-Oh-Shins couldn't pull the sword out, what makes you think a human could?

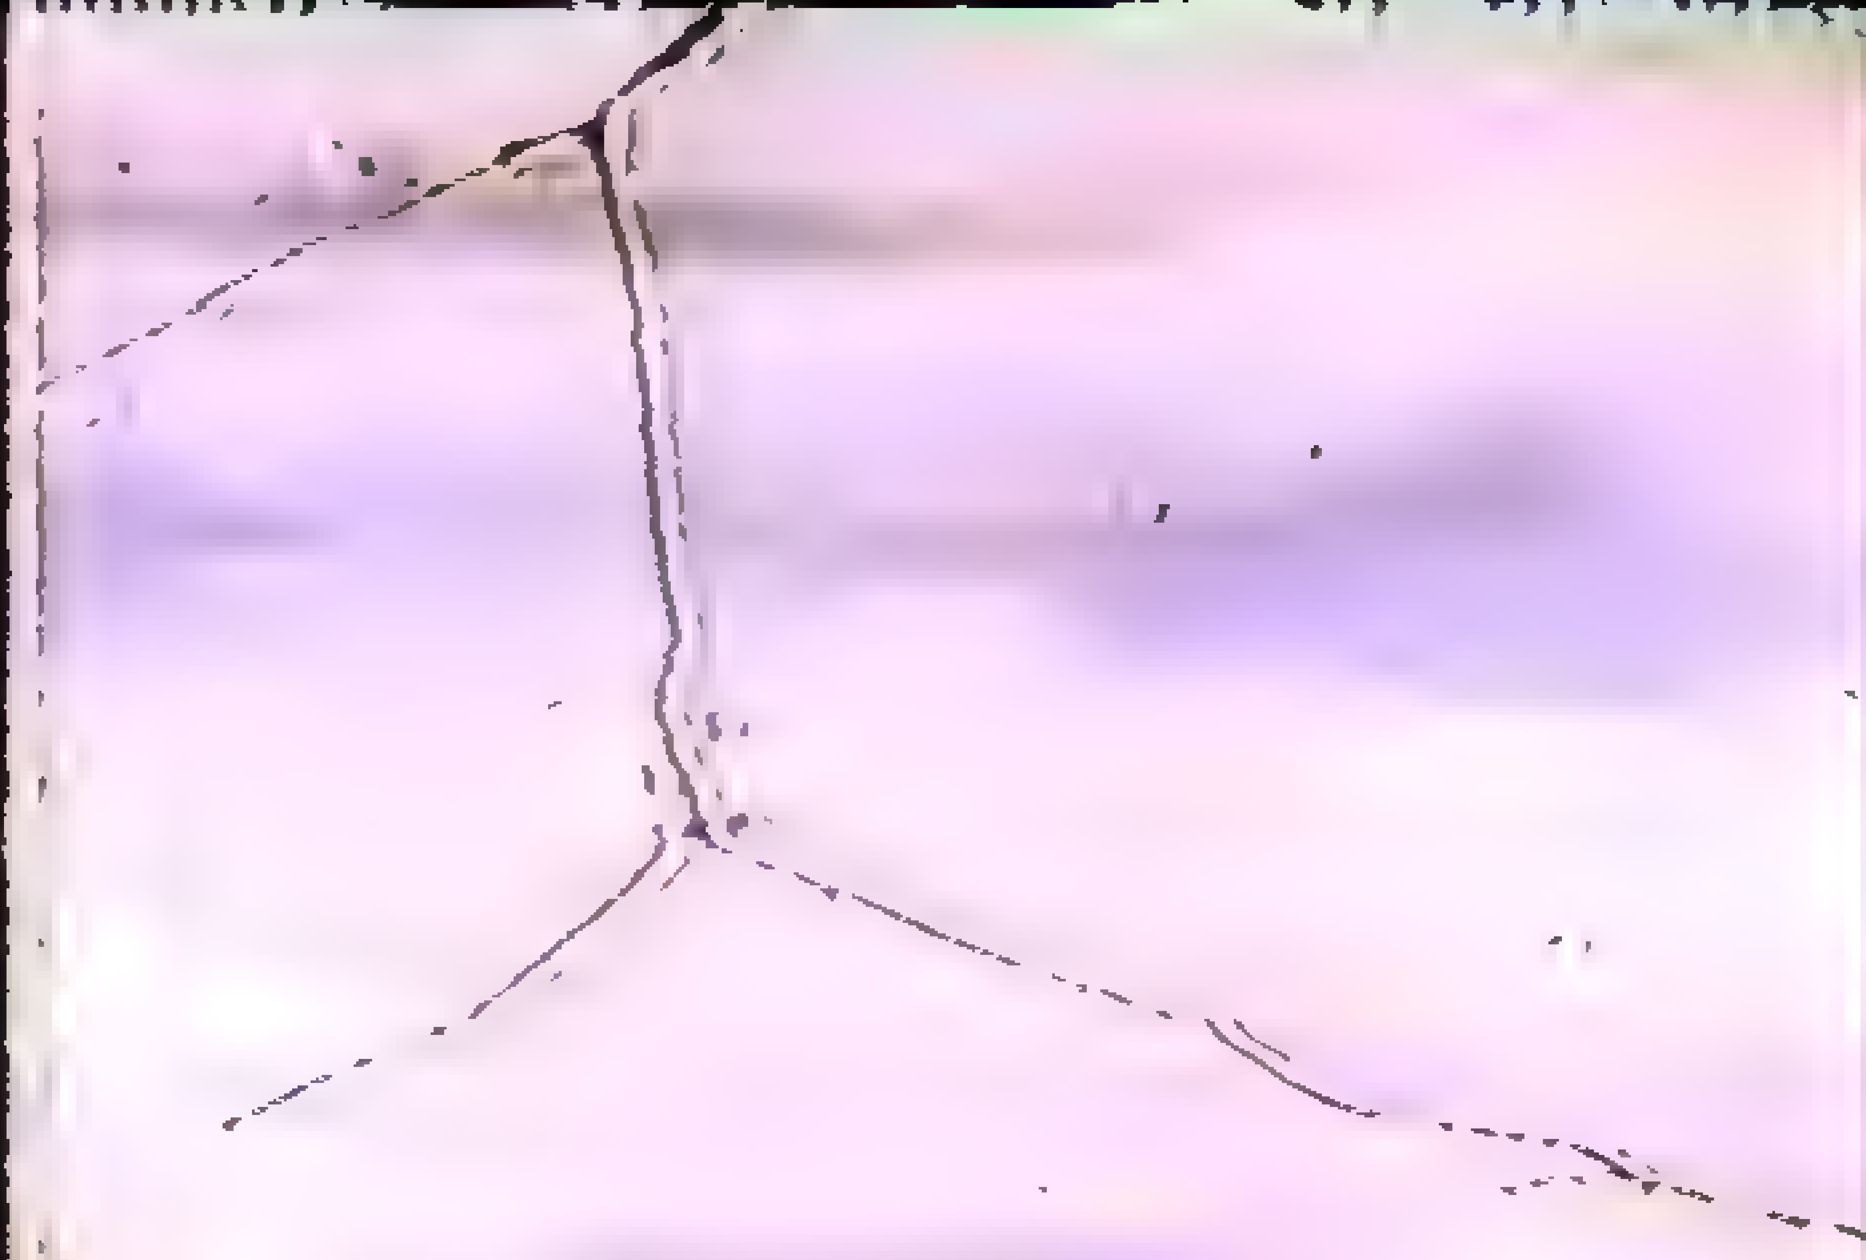

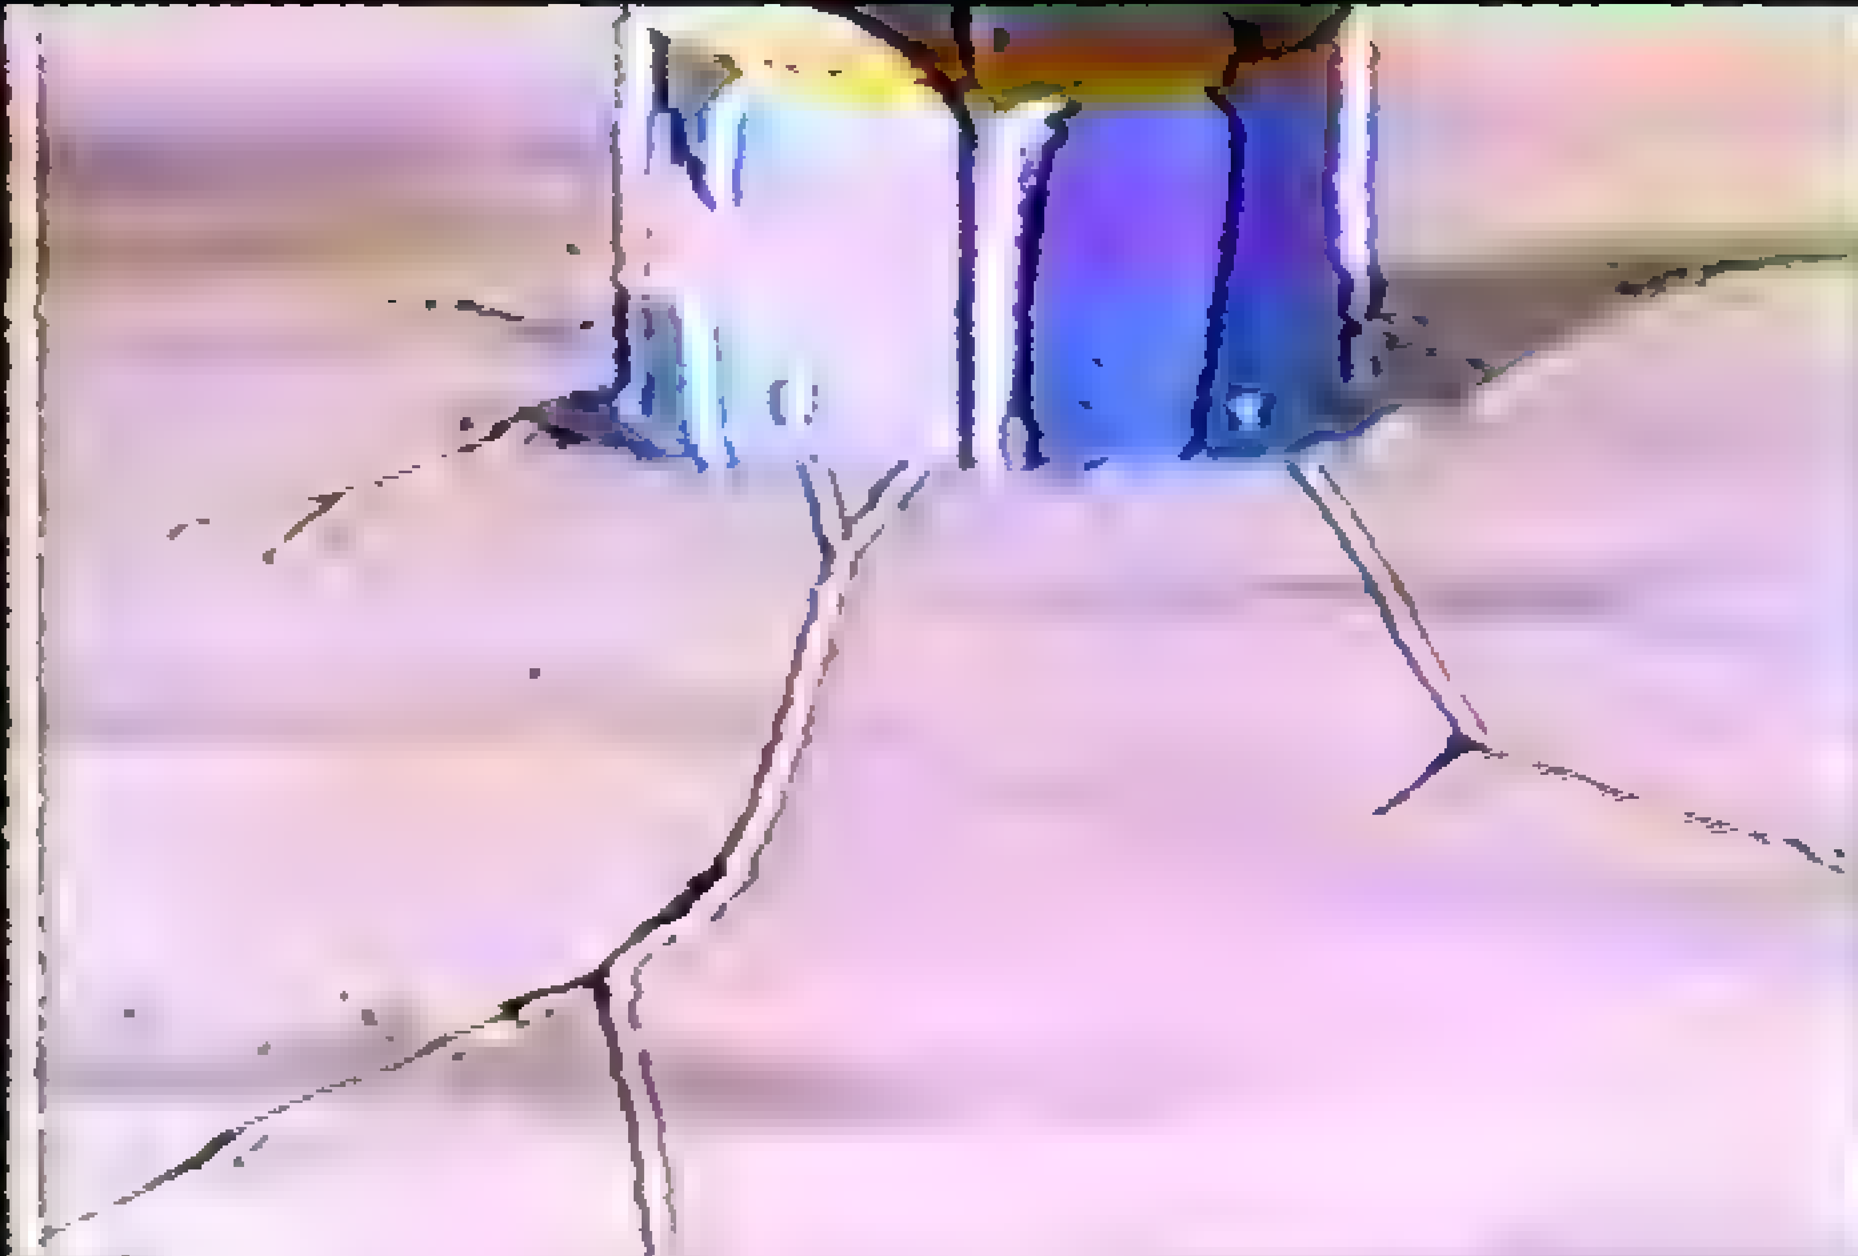

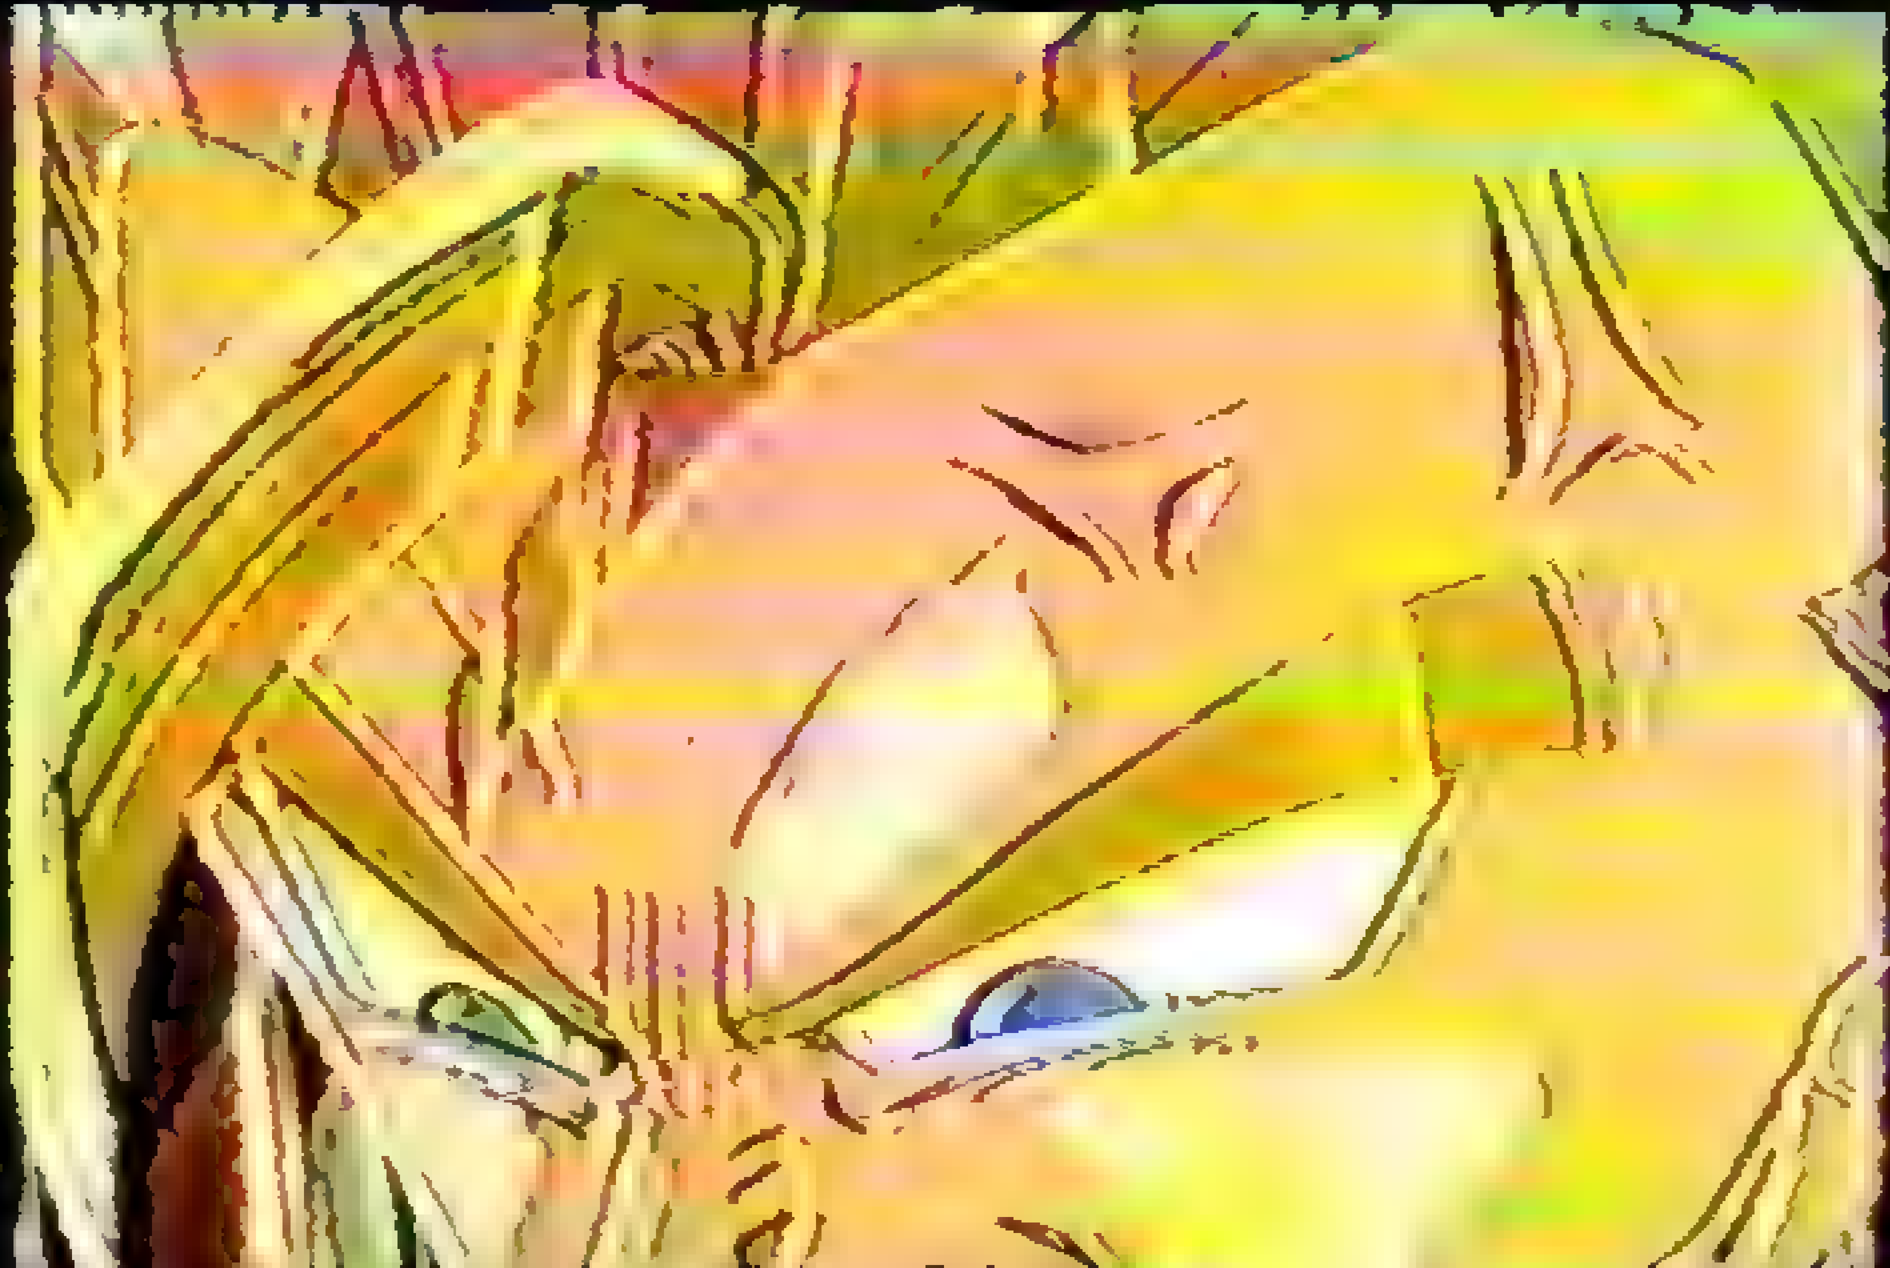

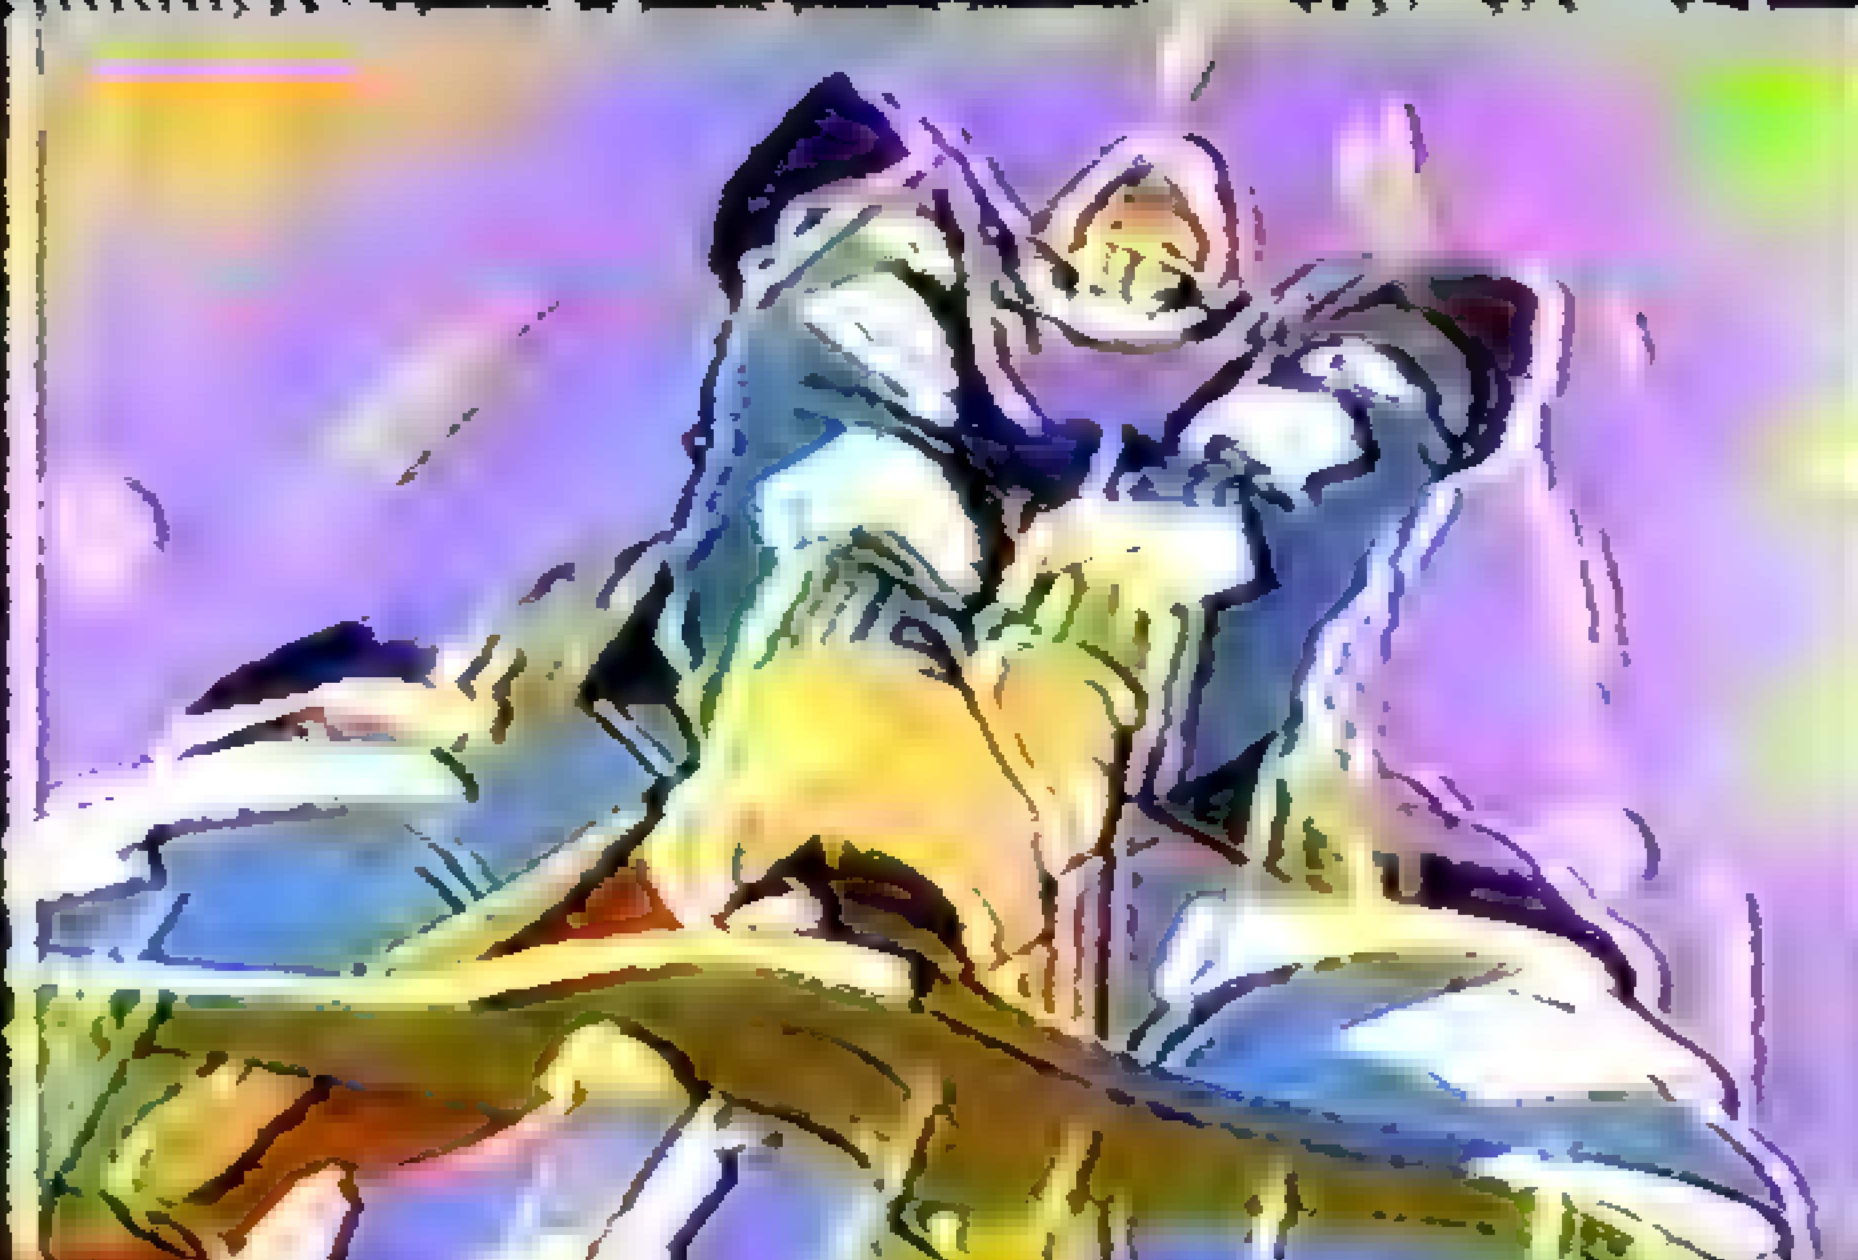

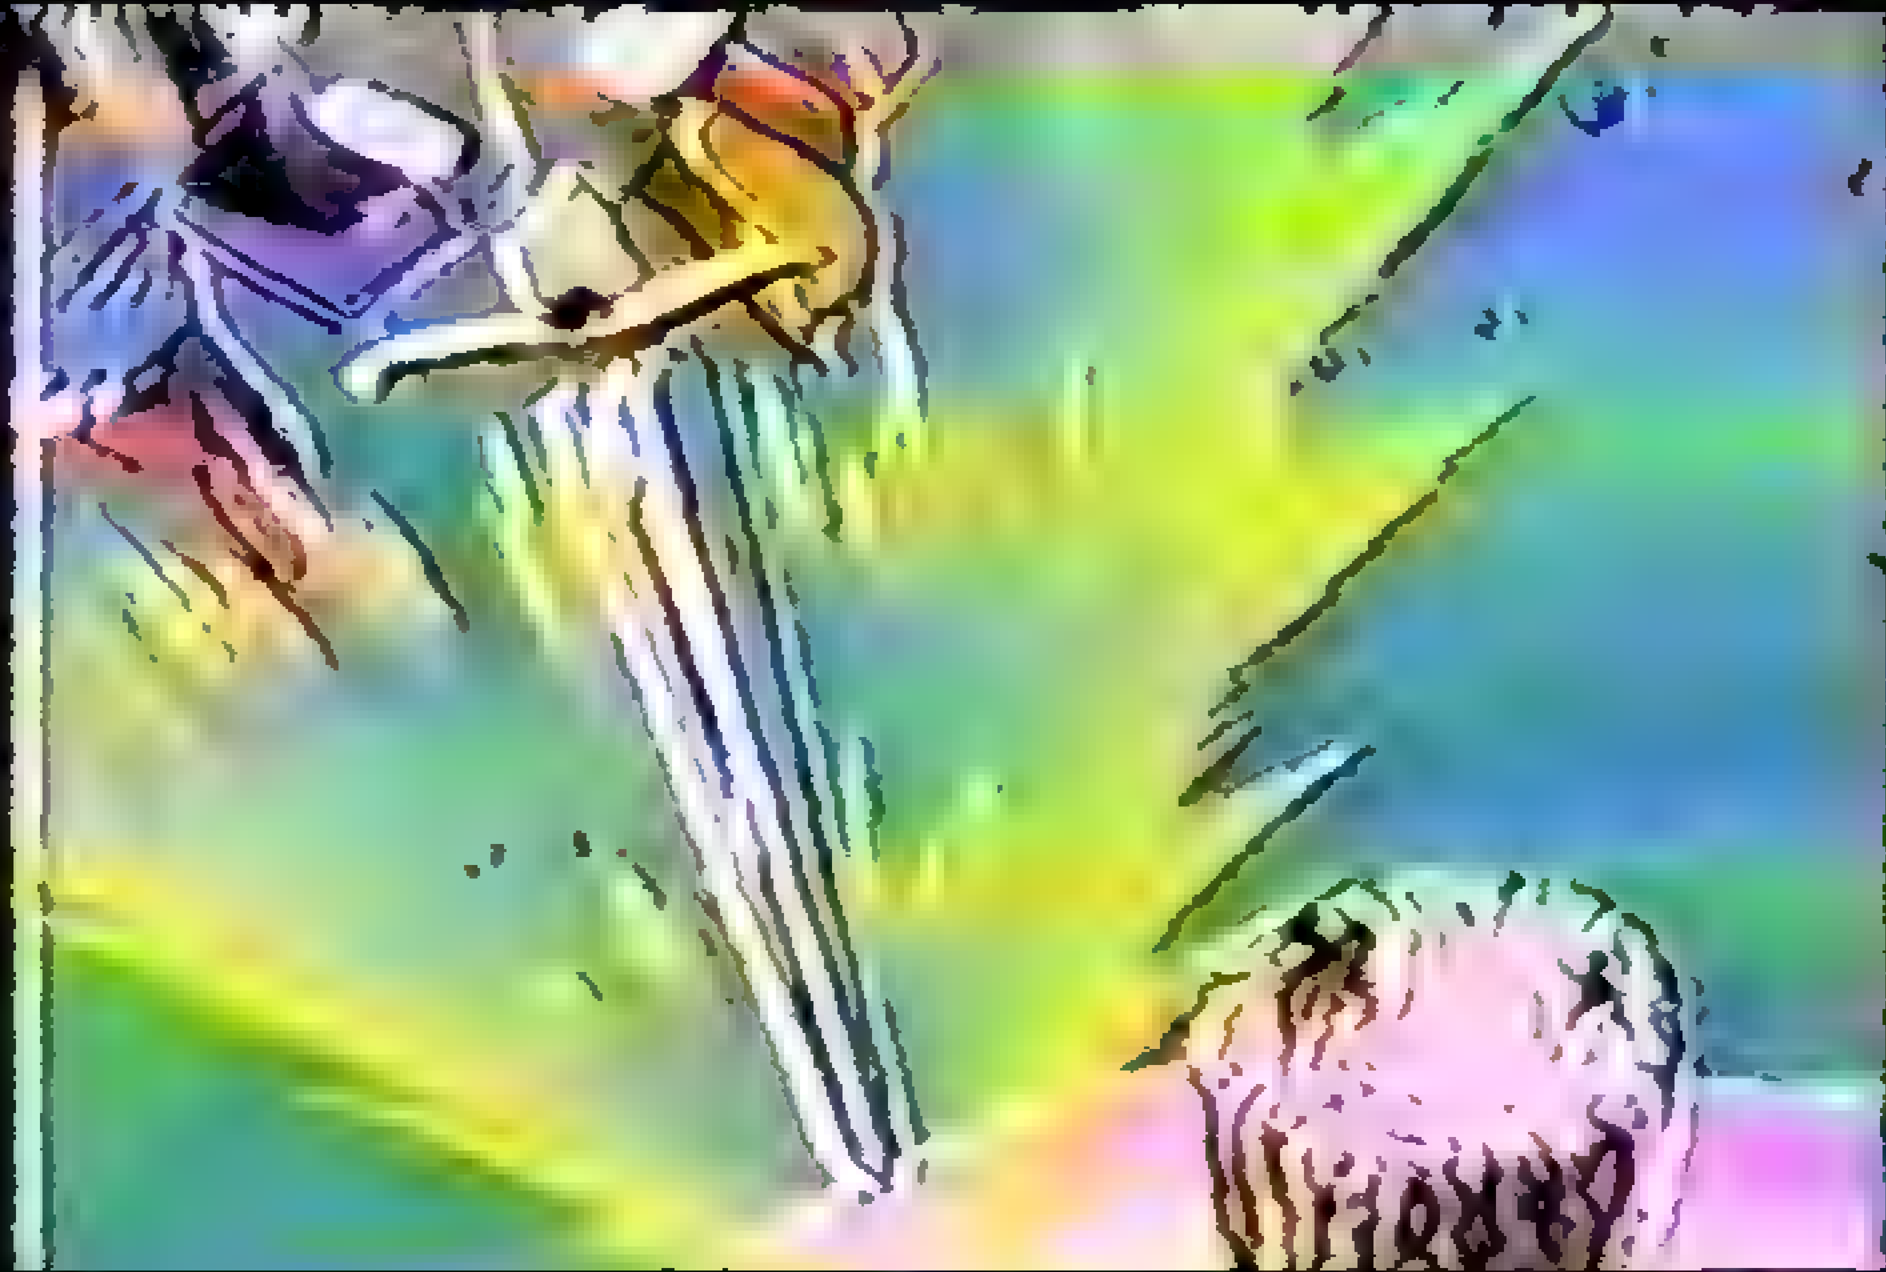

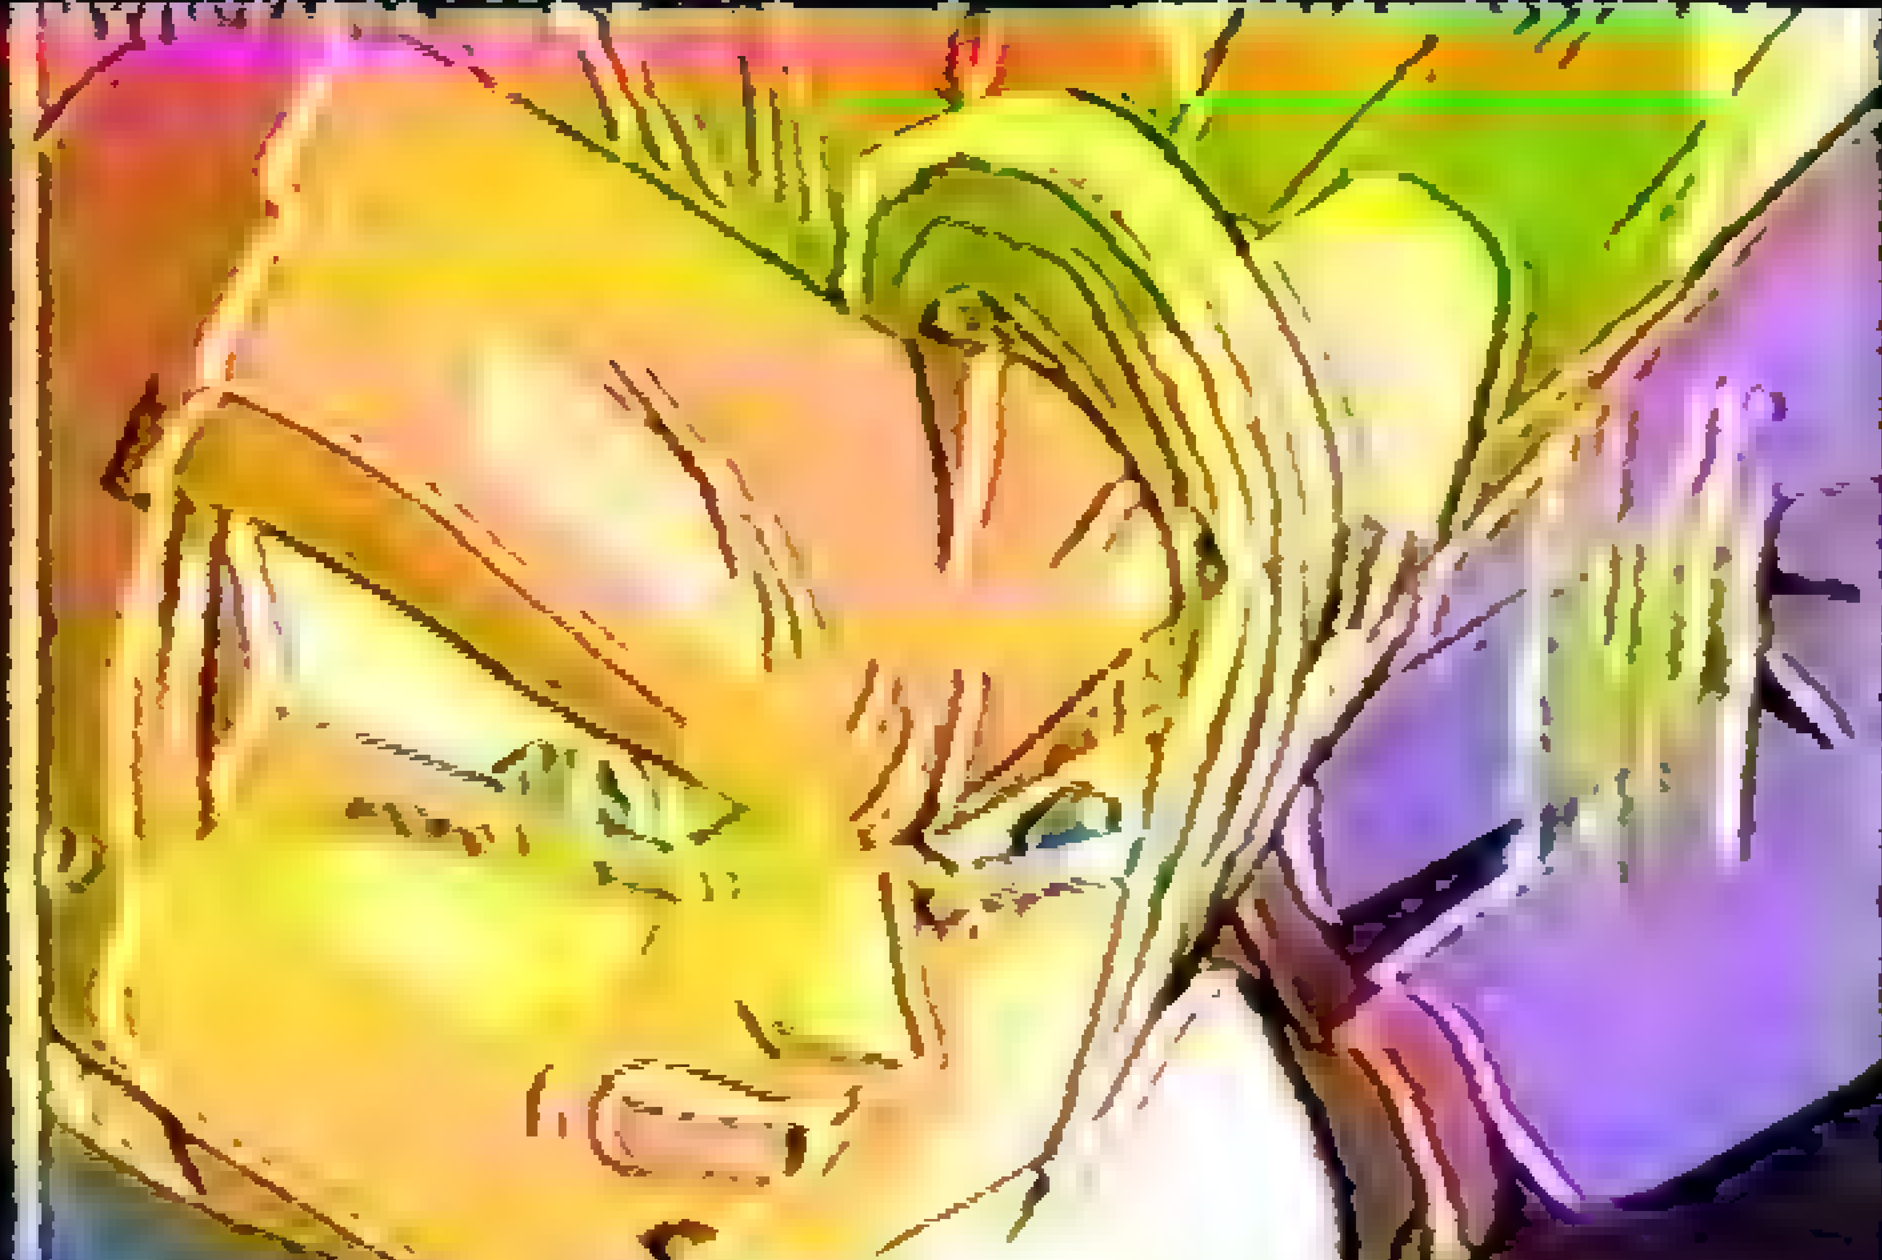

So what do you think of
the legendary Zed Sword?

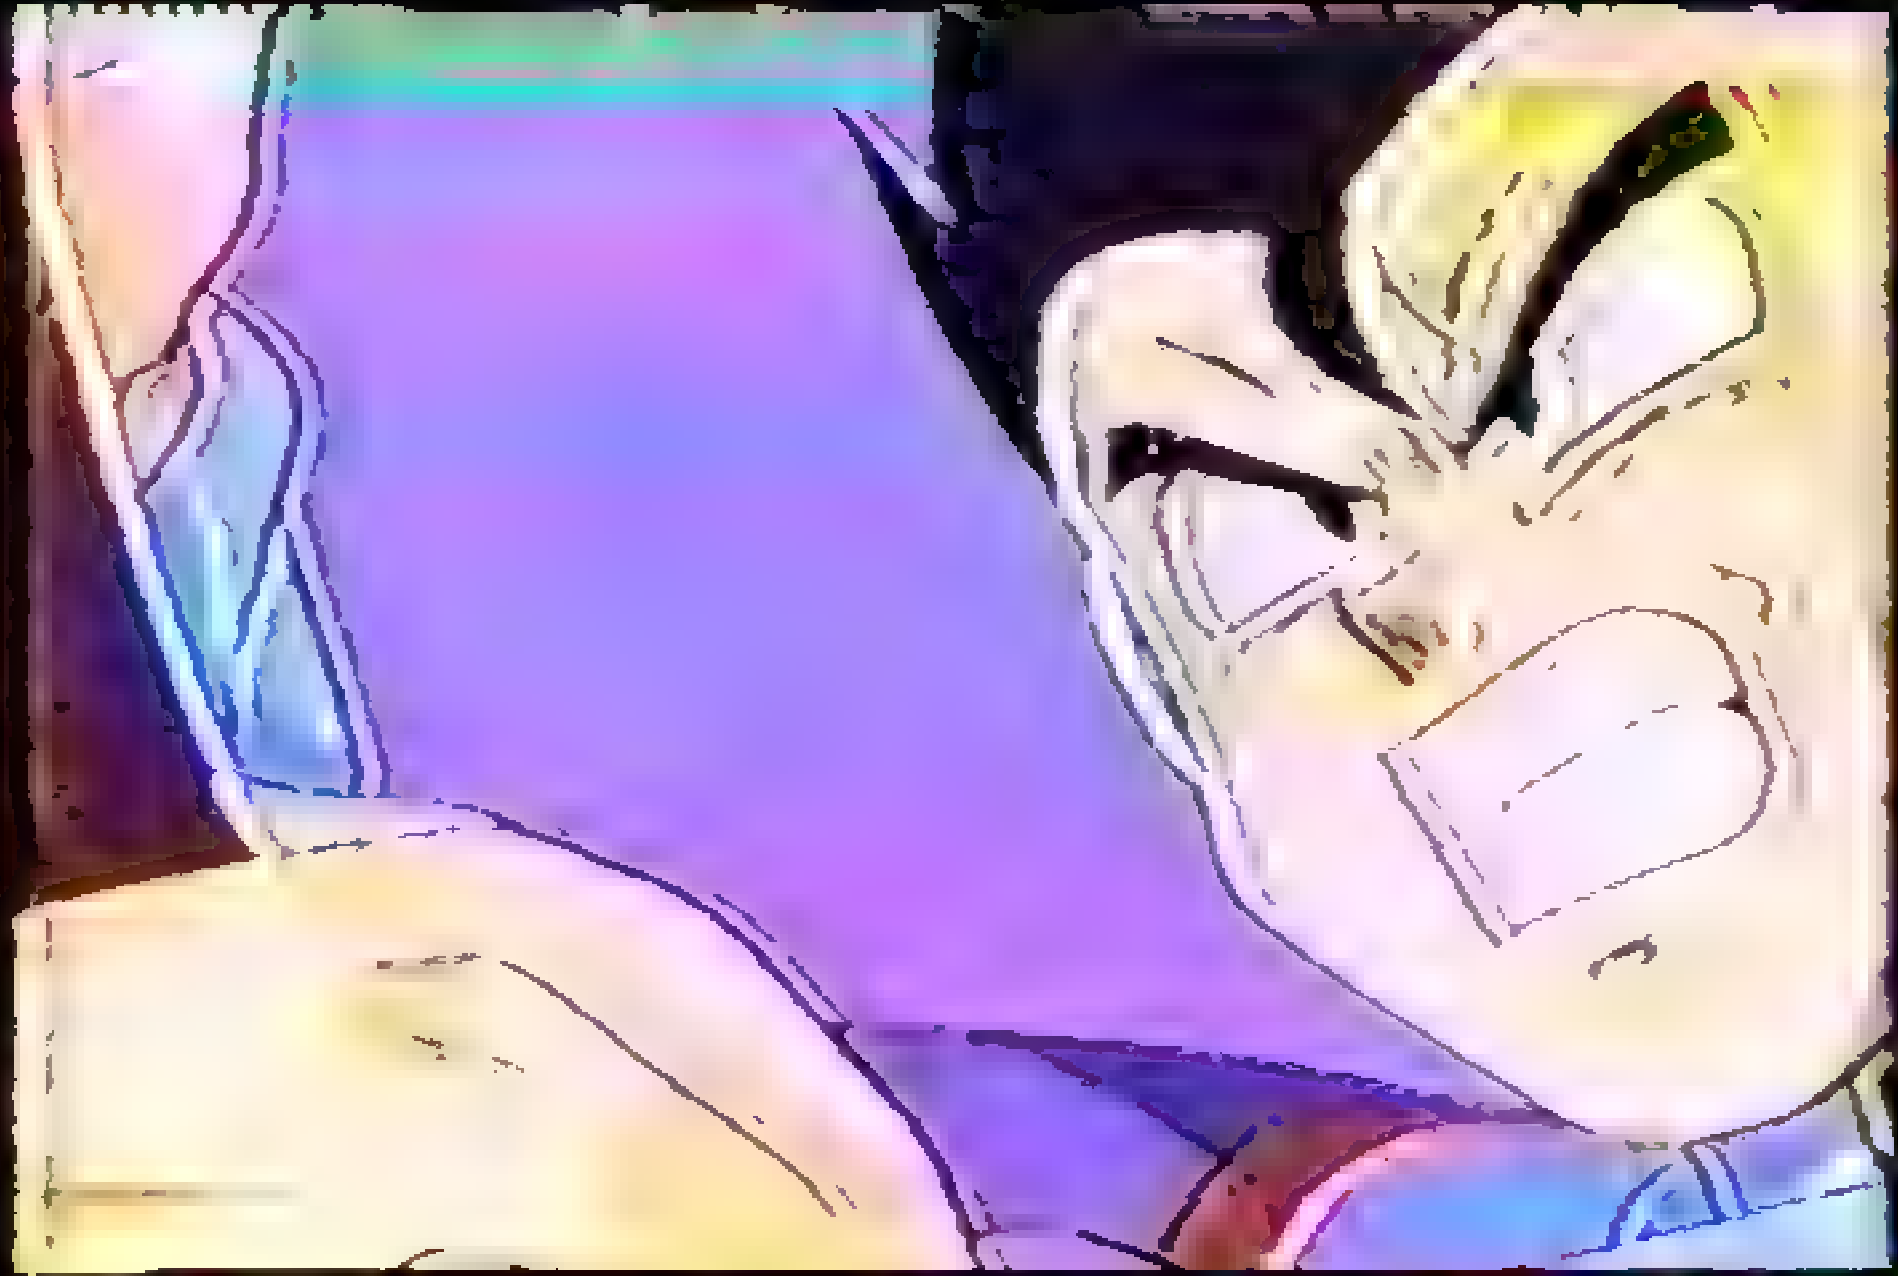

So what do you think of
the legendary Zed Sword?

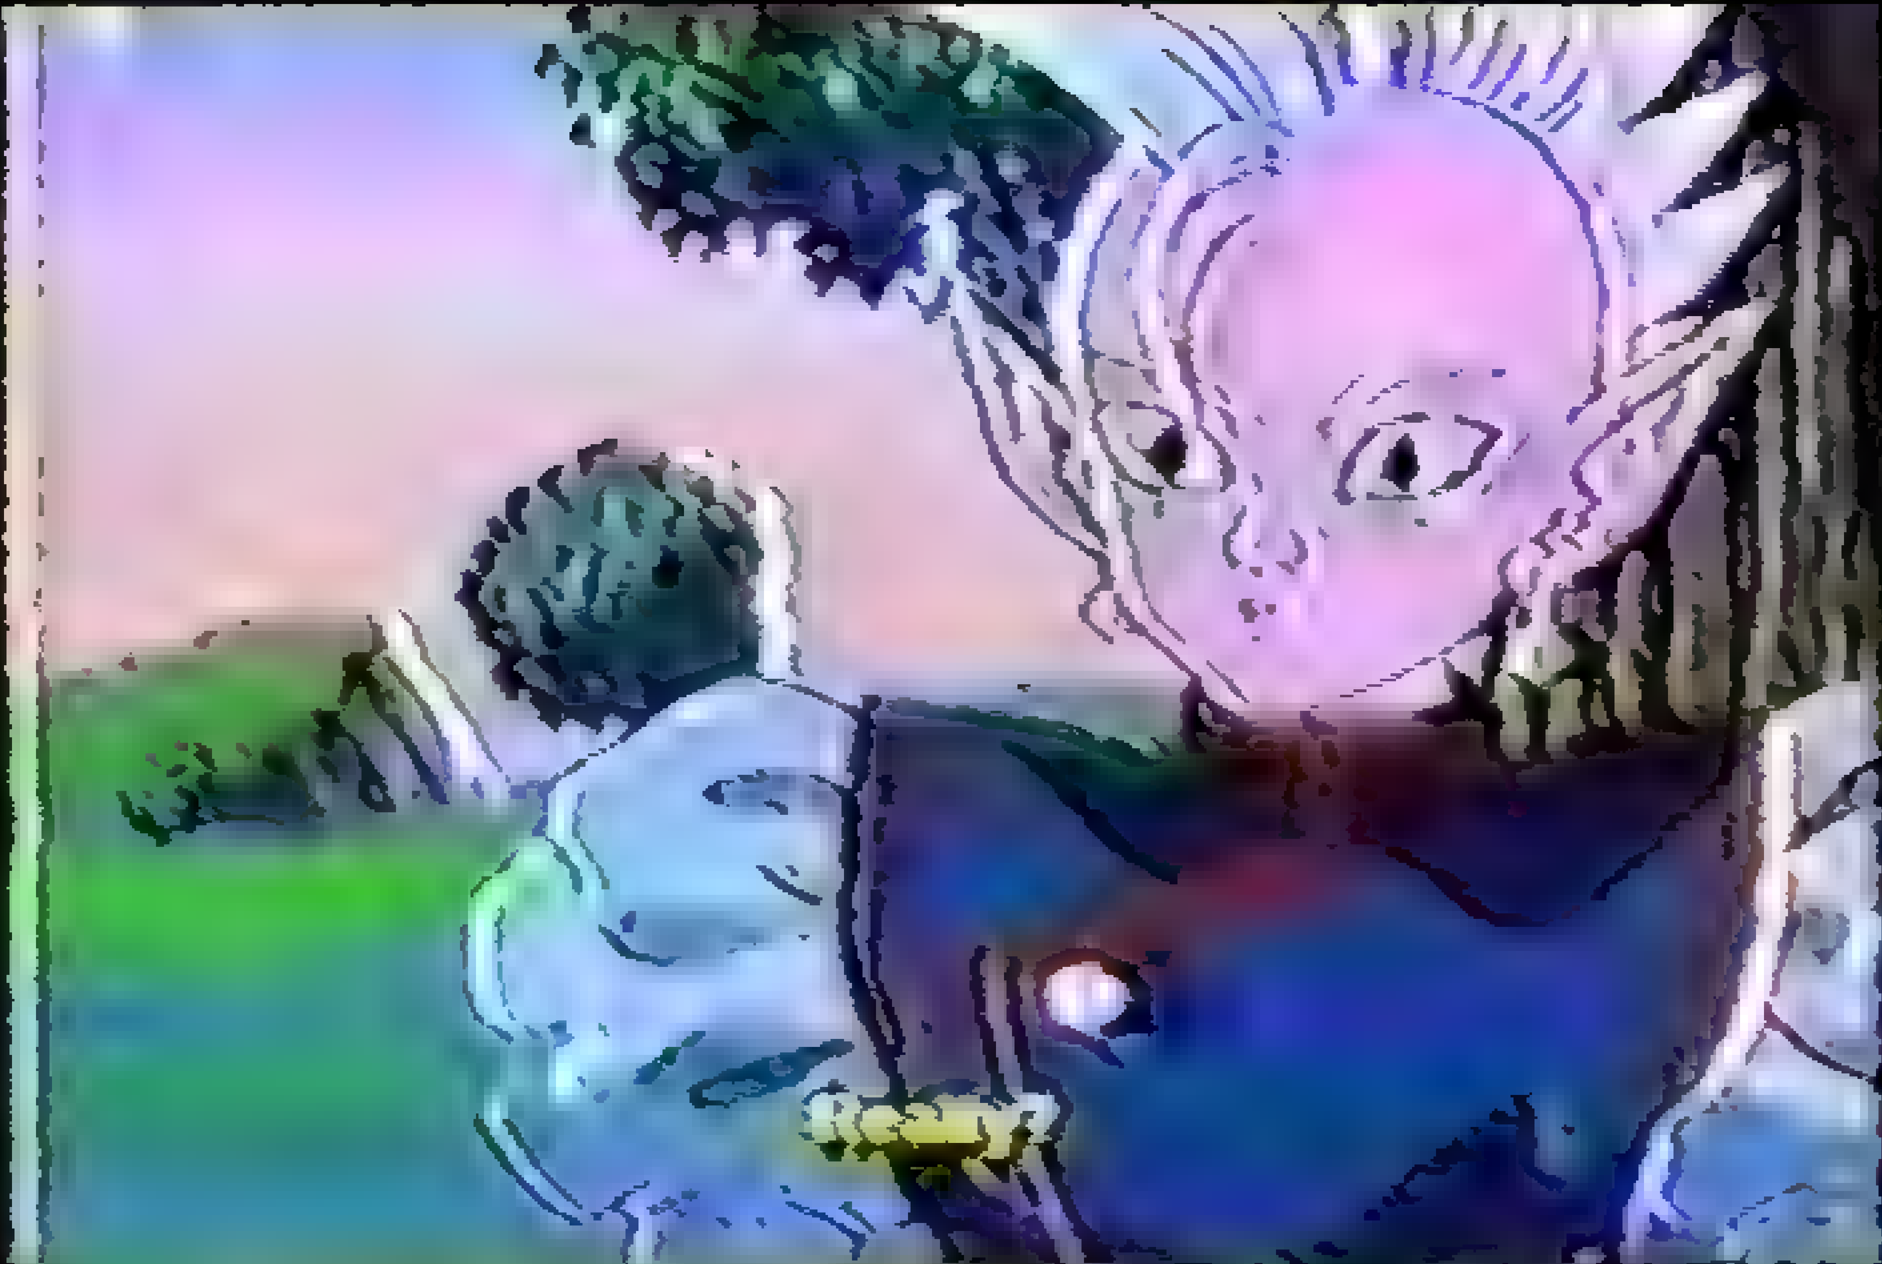

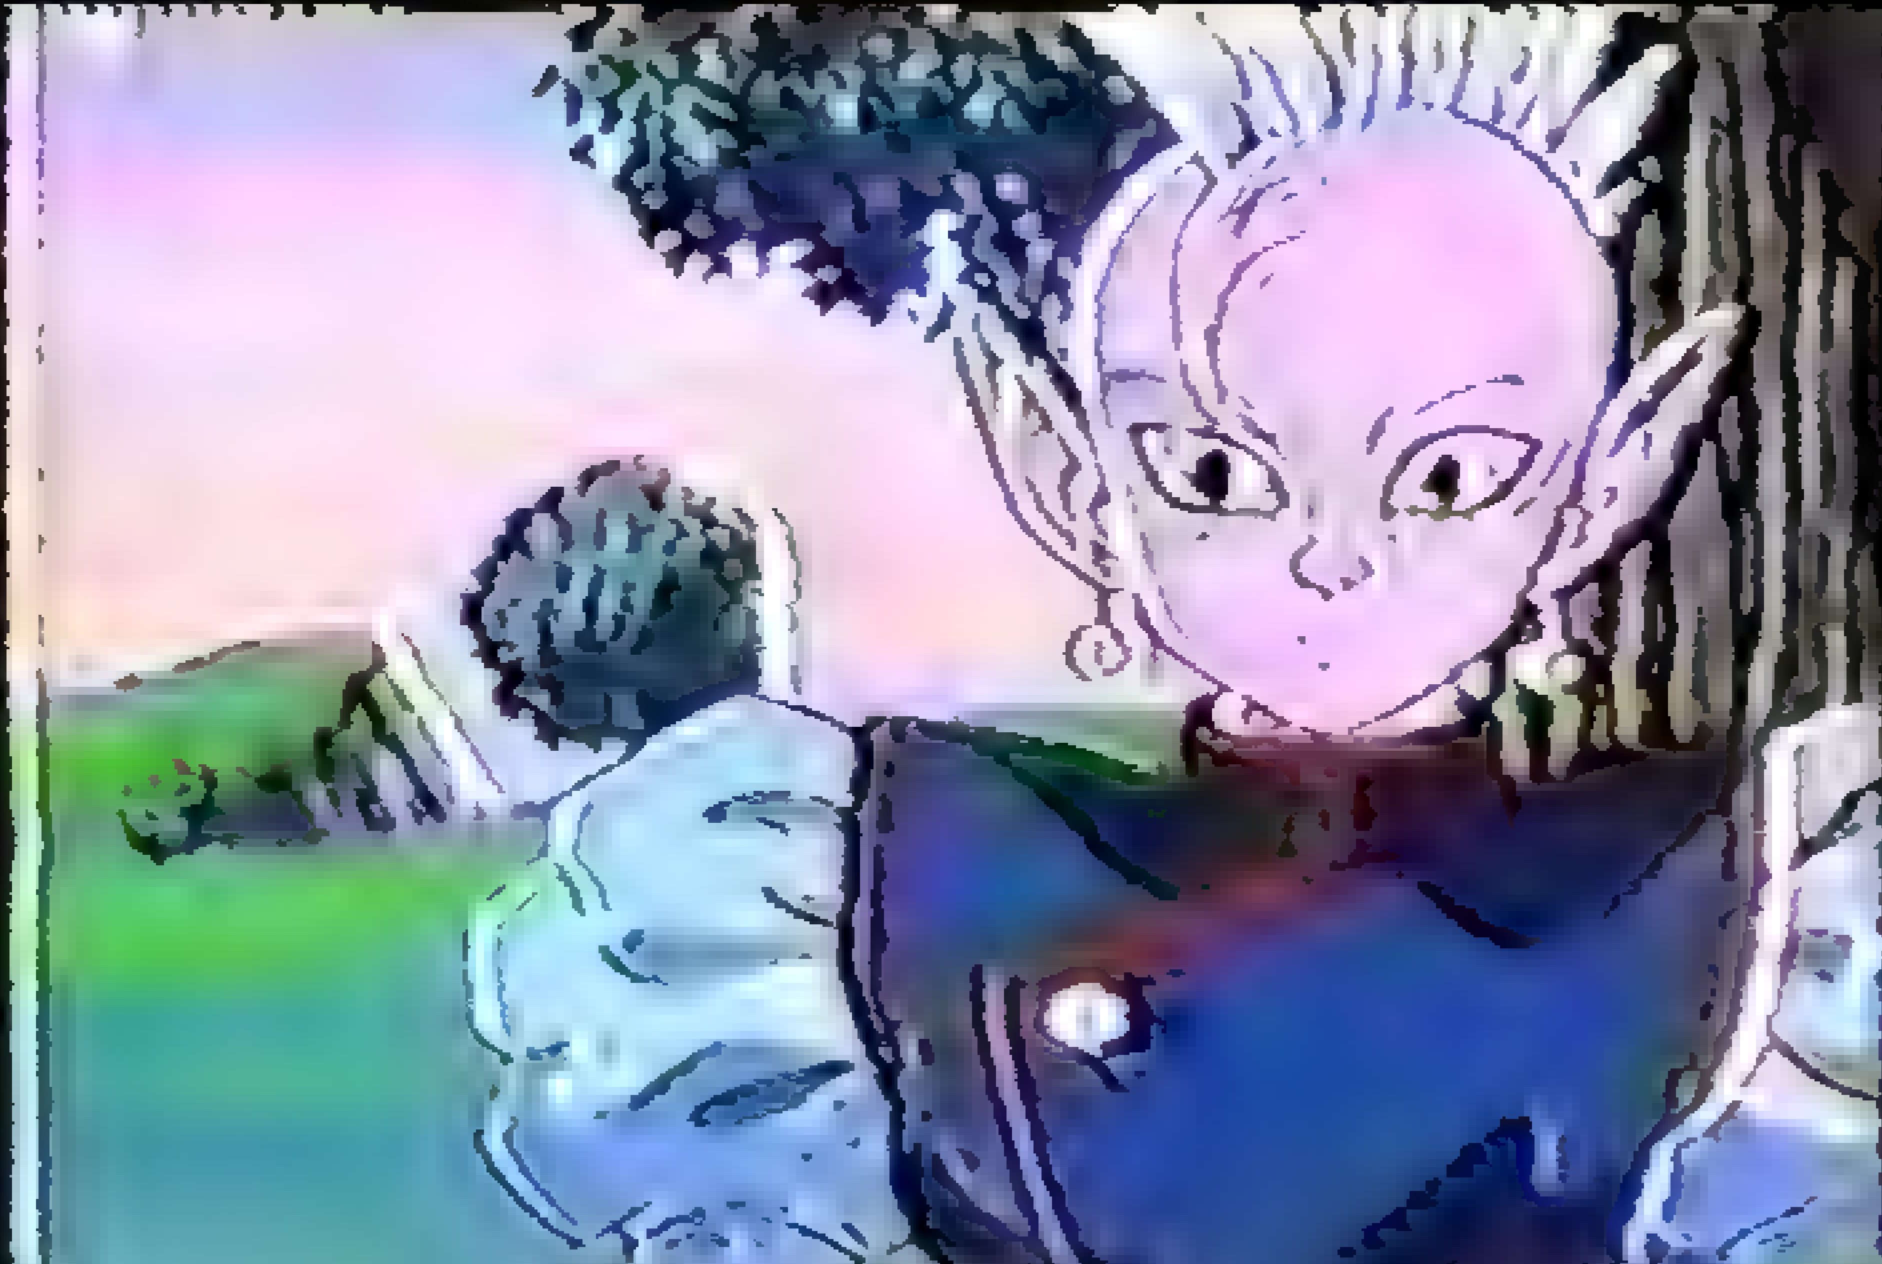

I don't feel that much power and I

I don't feel that much power in it

Can I really use this to defeat Majin Boo?

Can I really use this to defeat Majin Buu?

What are you talking about!?

That's the most powerful

That's the most powerful
sword in this holy space?

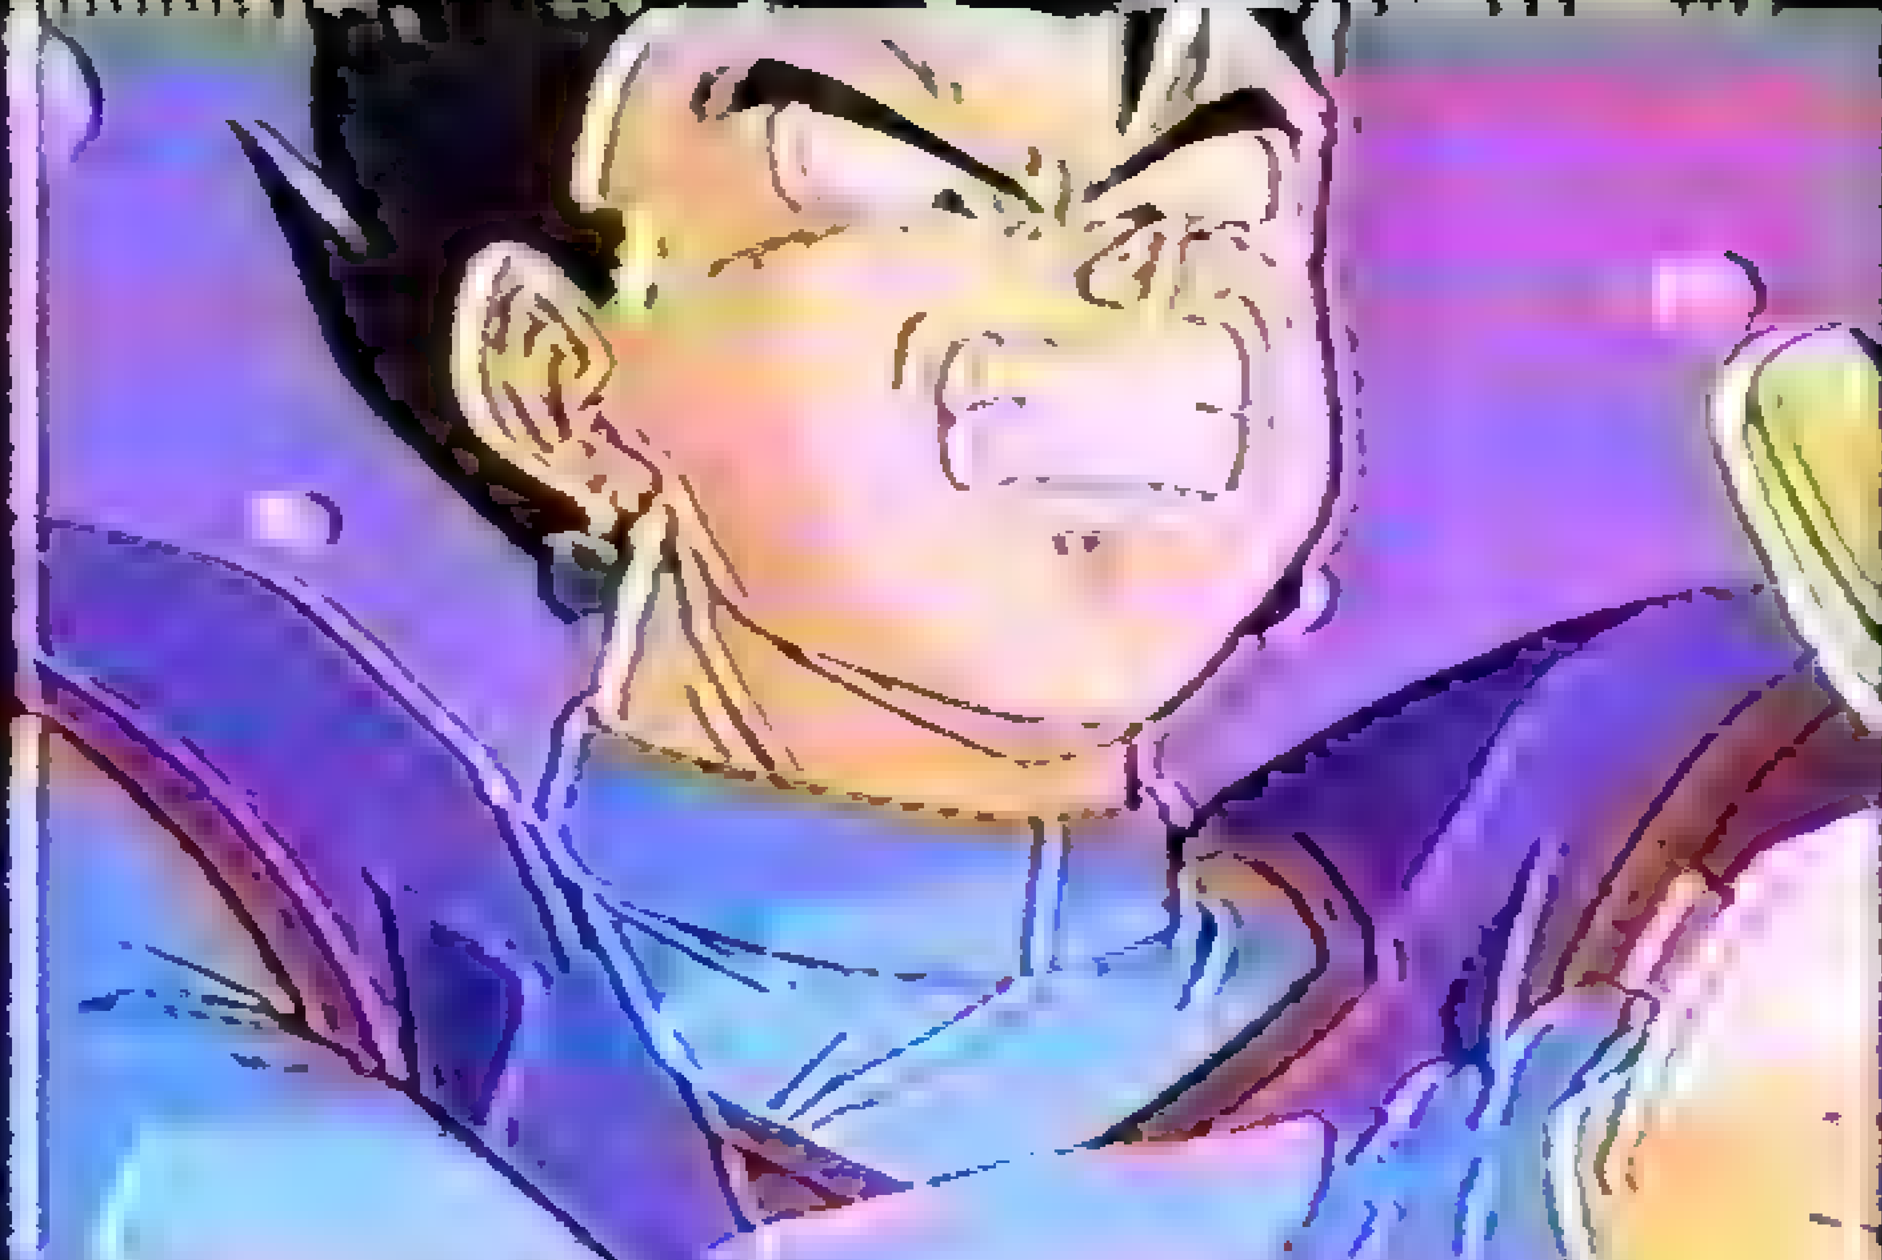

But not until you learn how to use it

But not until you learn how to use it

I won't let you fight until you have
perfect control over that sword

I won't let you fight until you have
perfect control over that sword

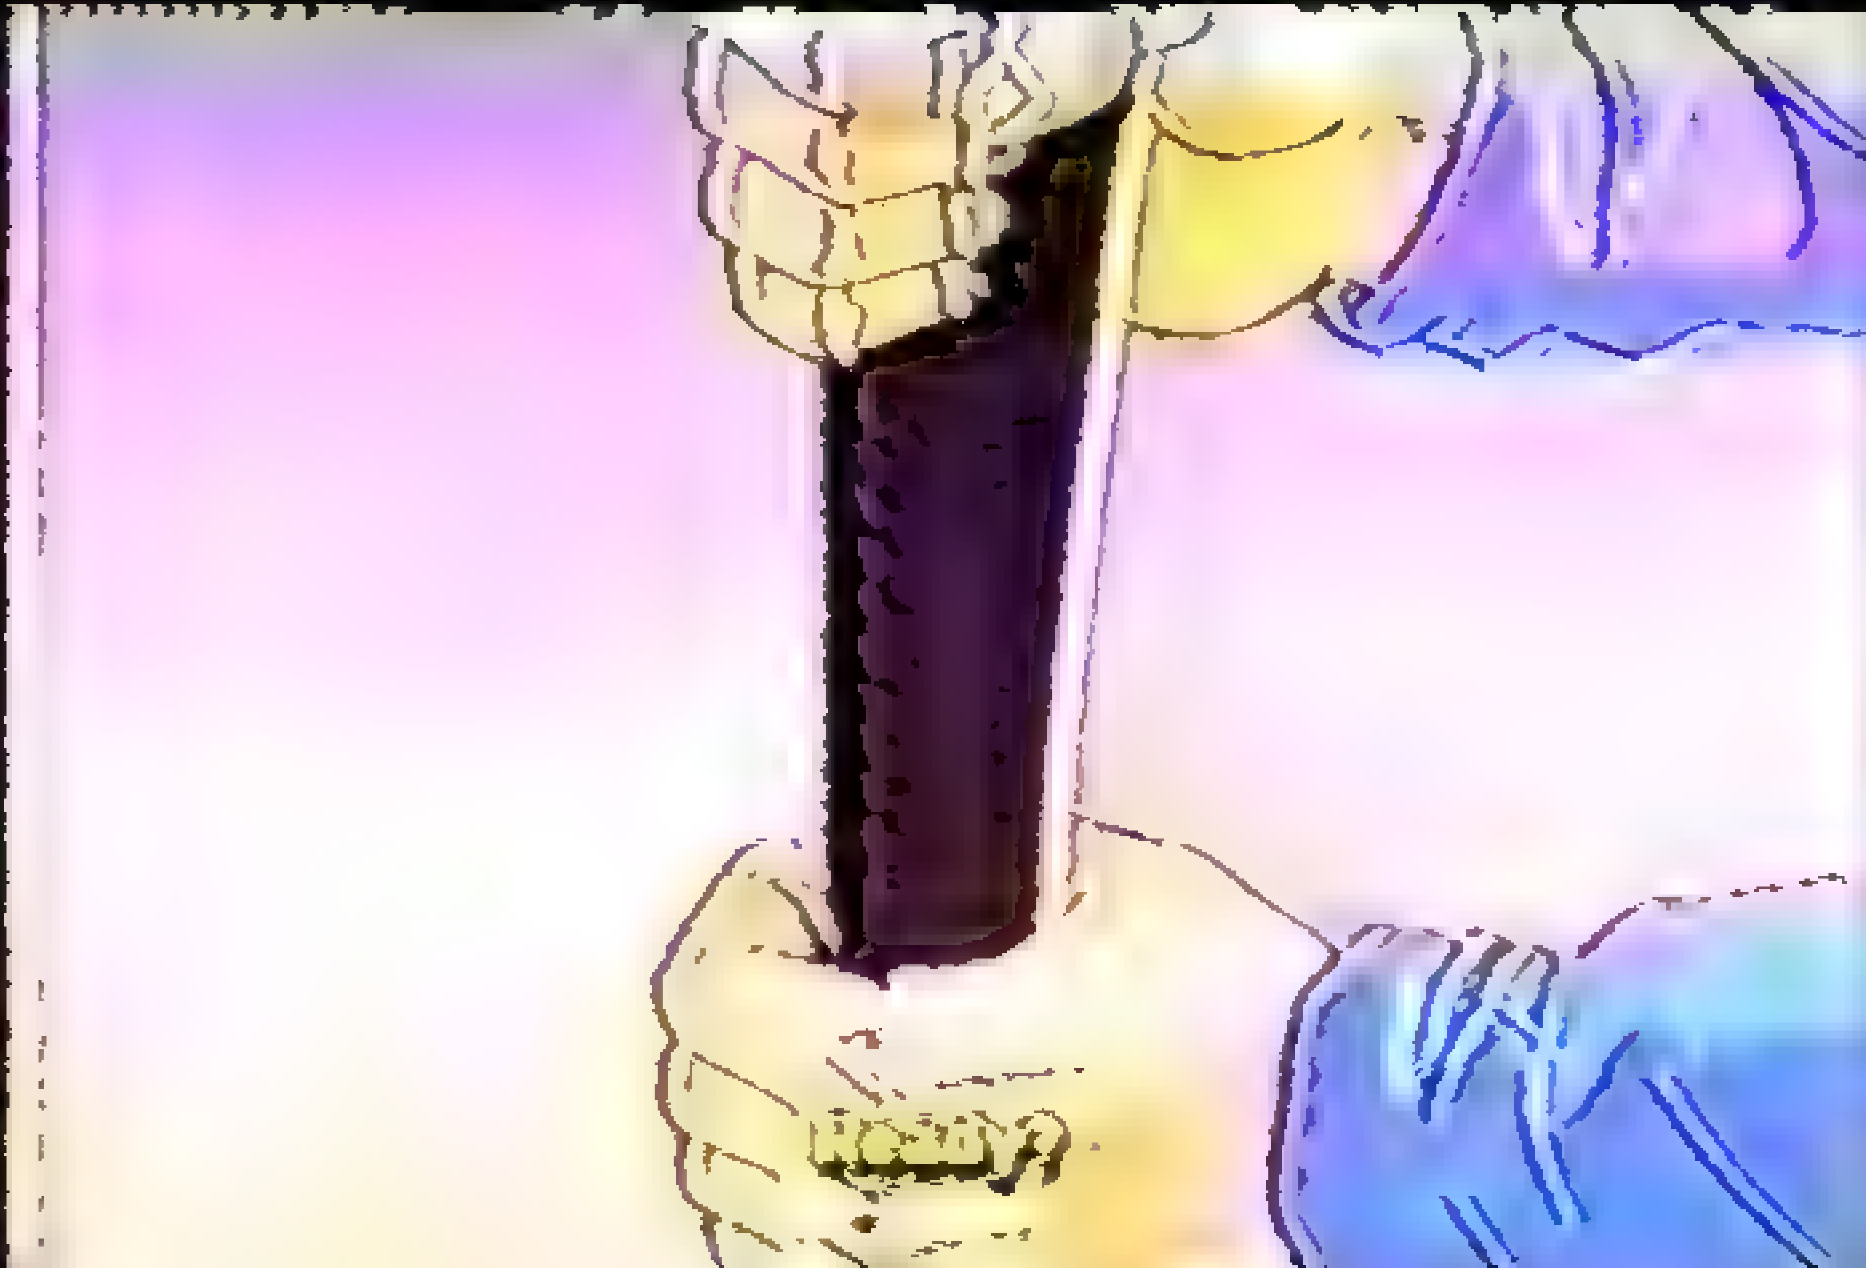

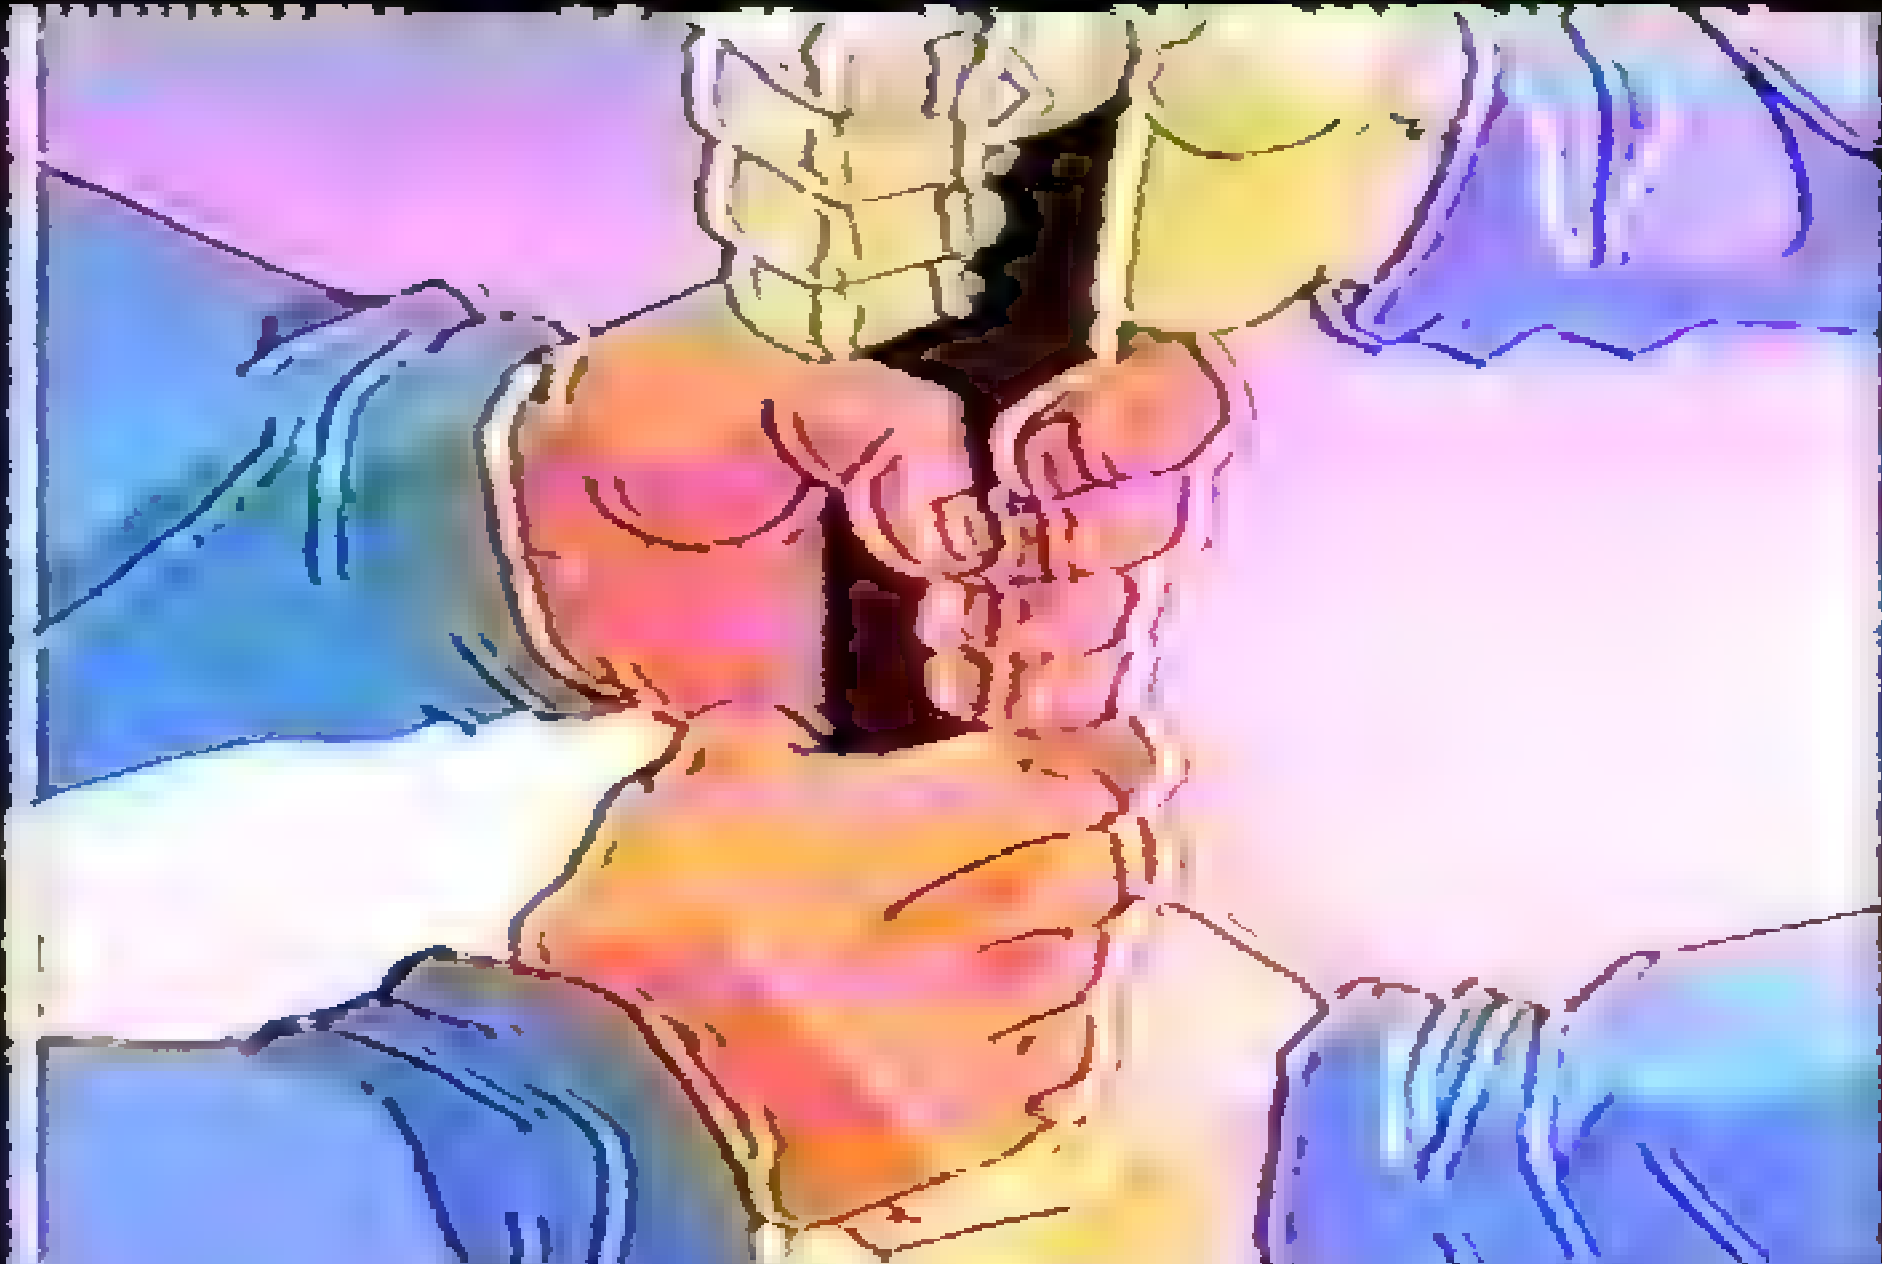

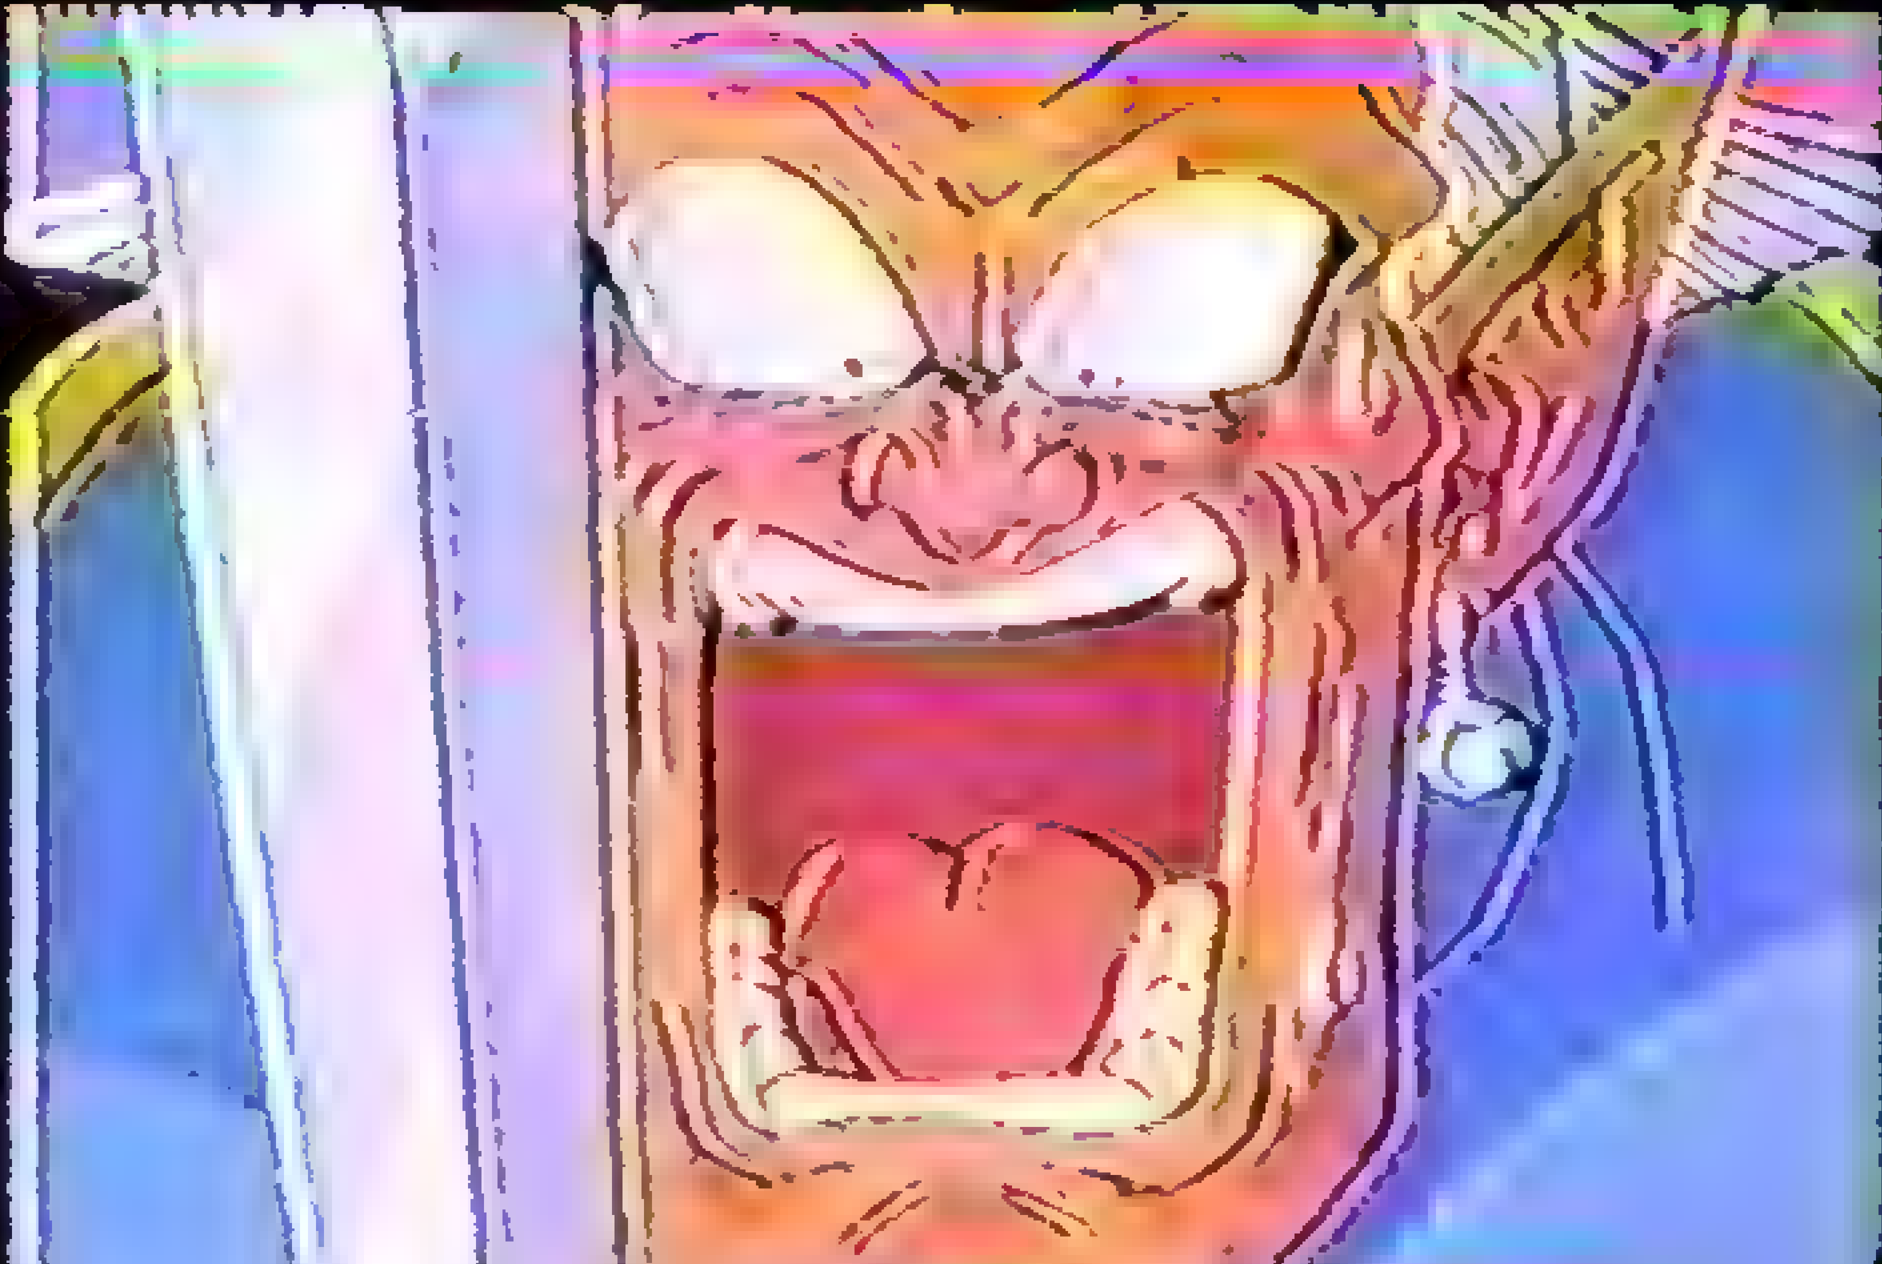

That's easy for you to say,

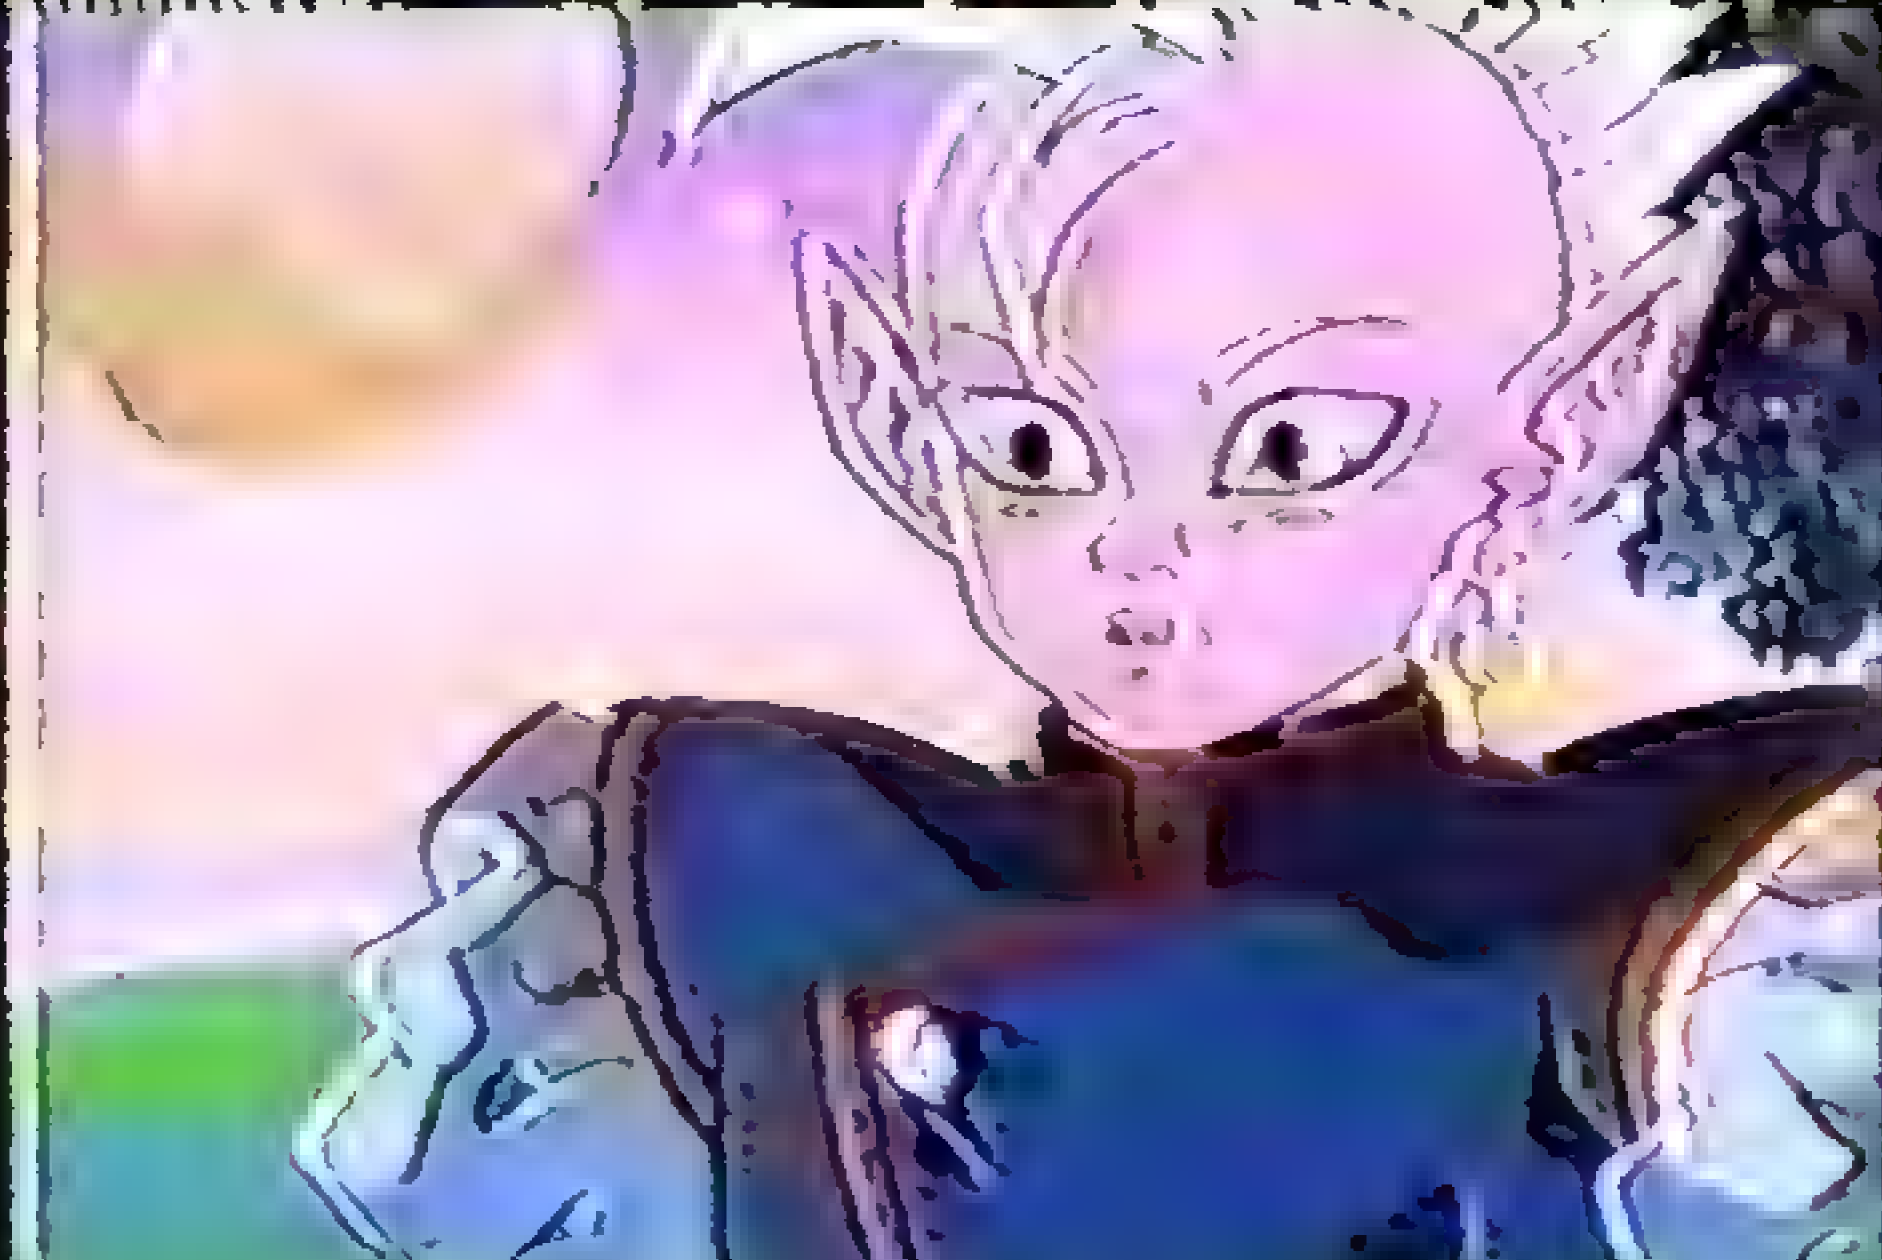

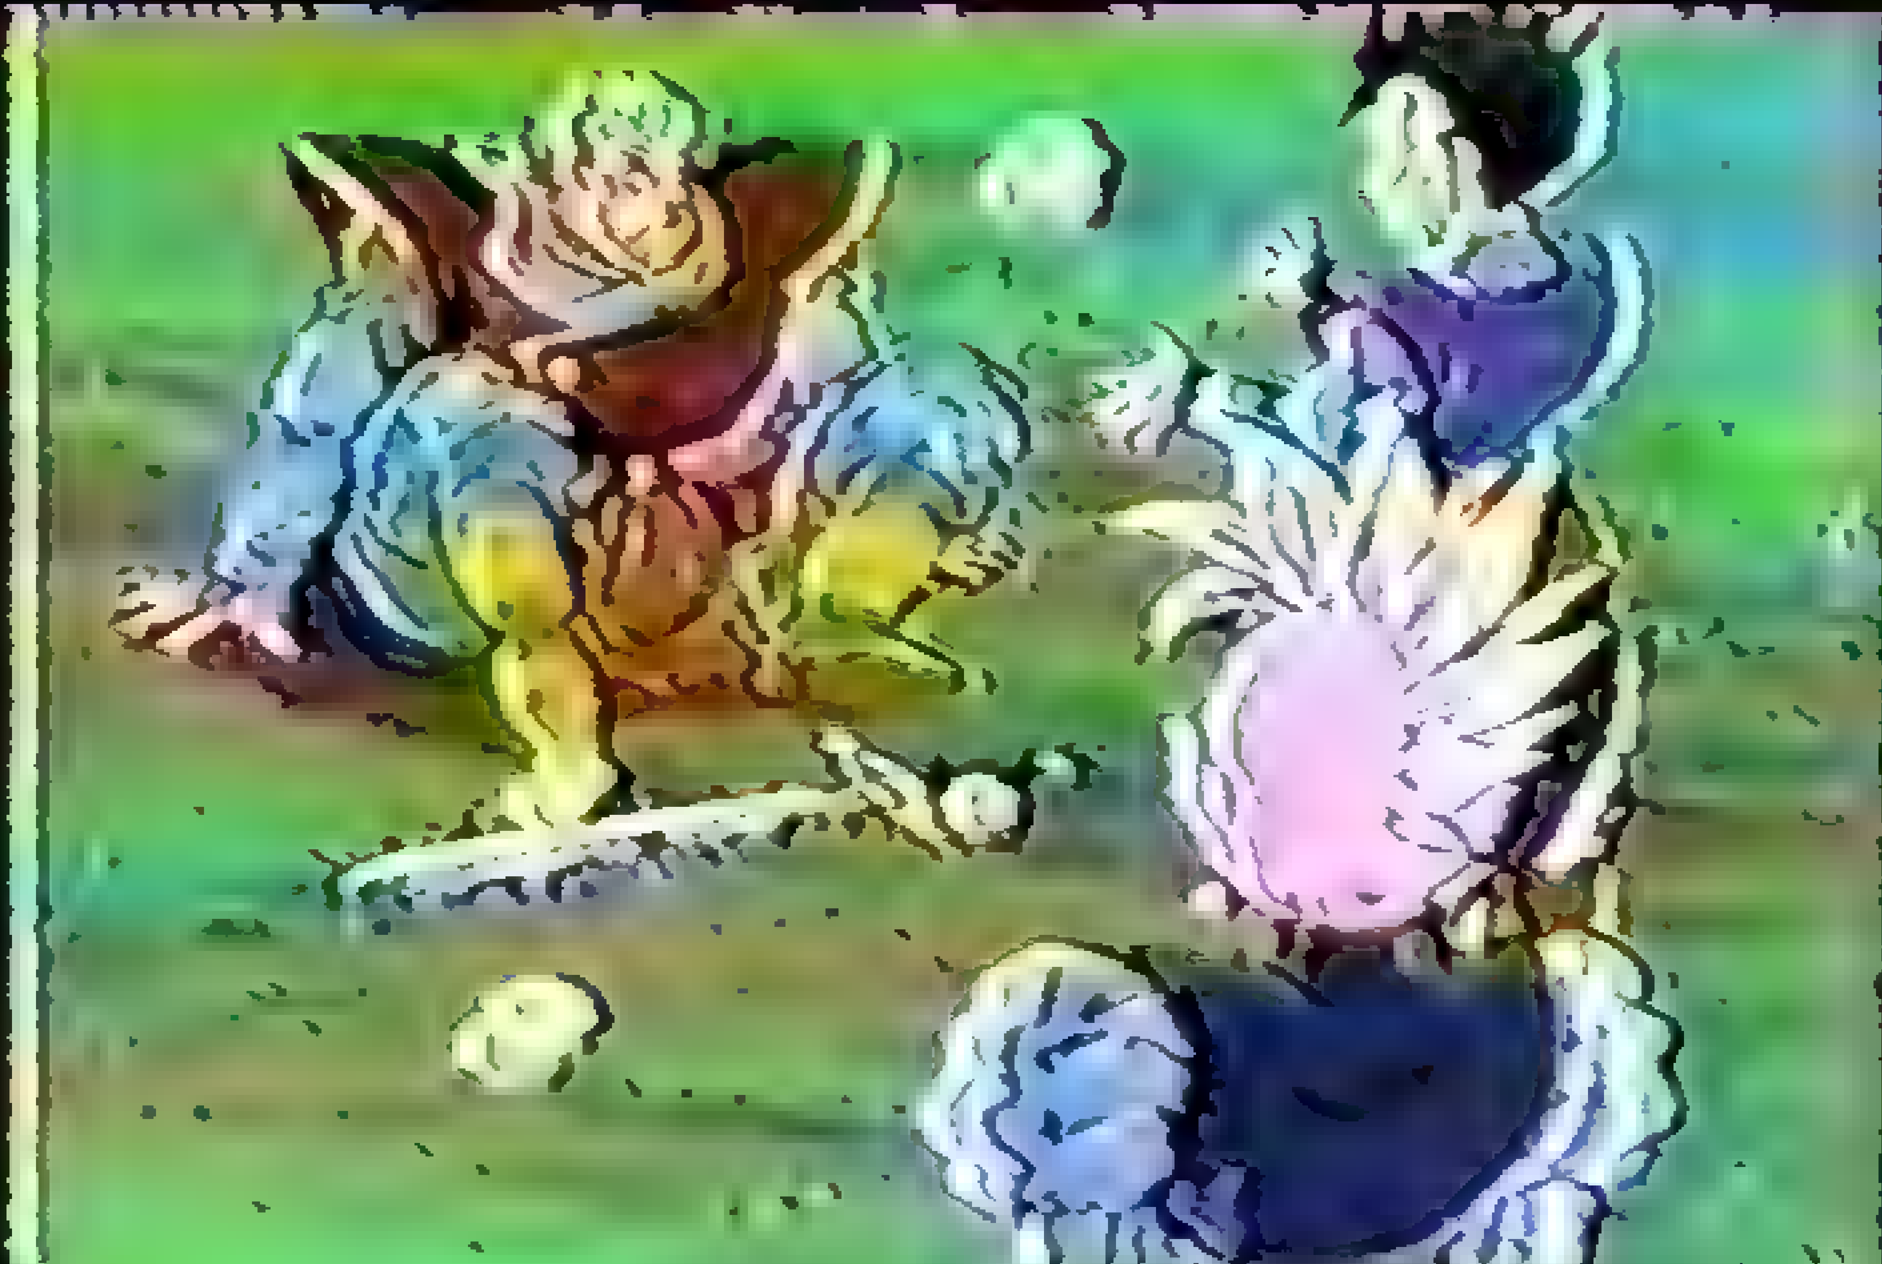

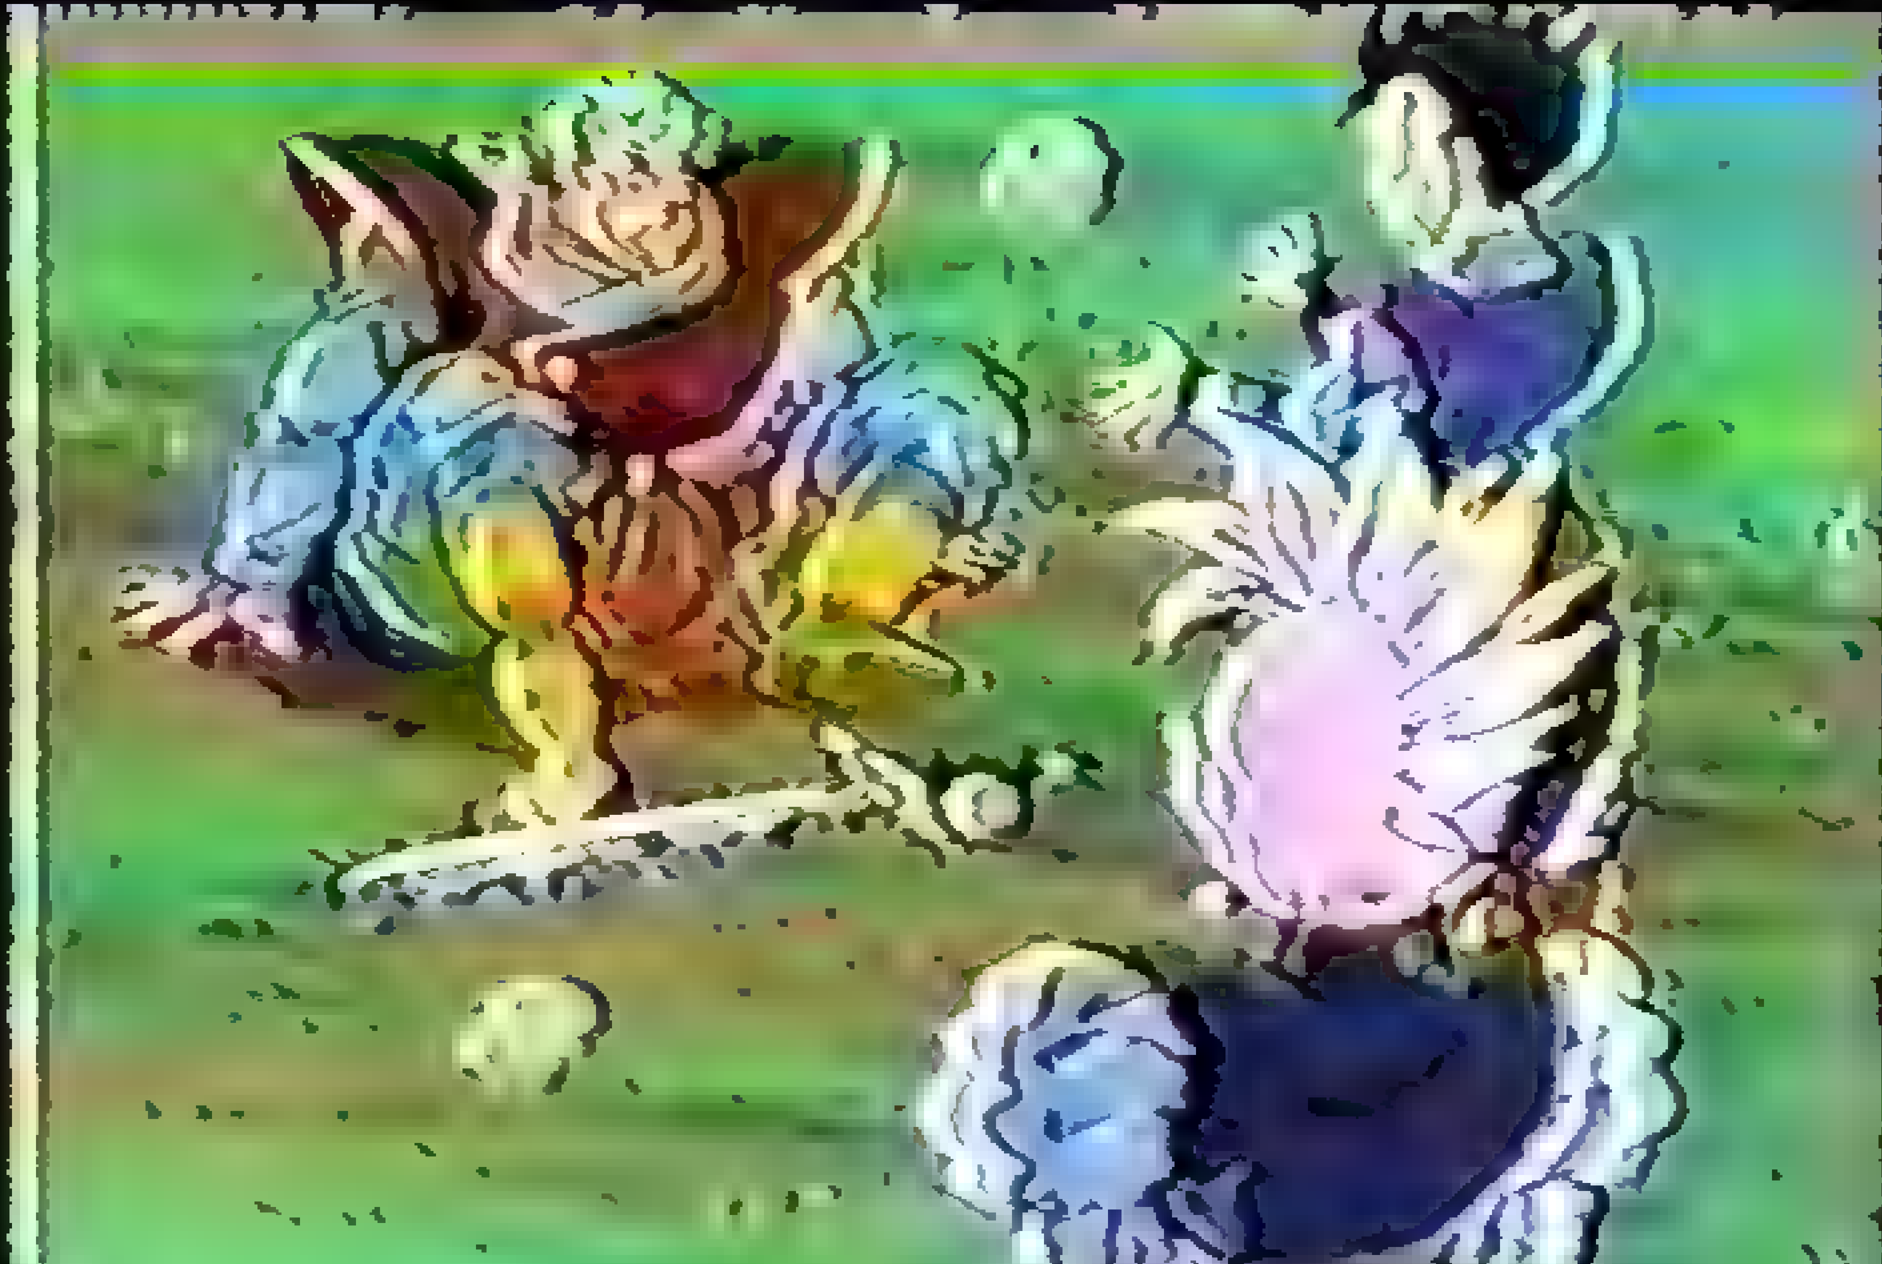

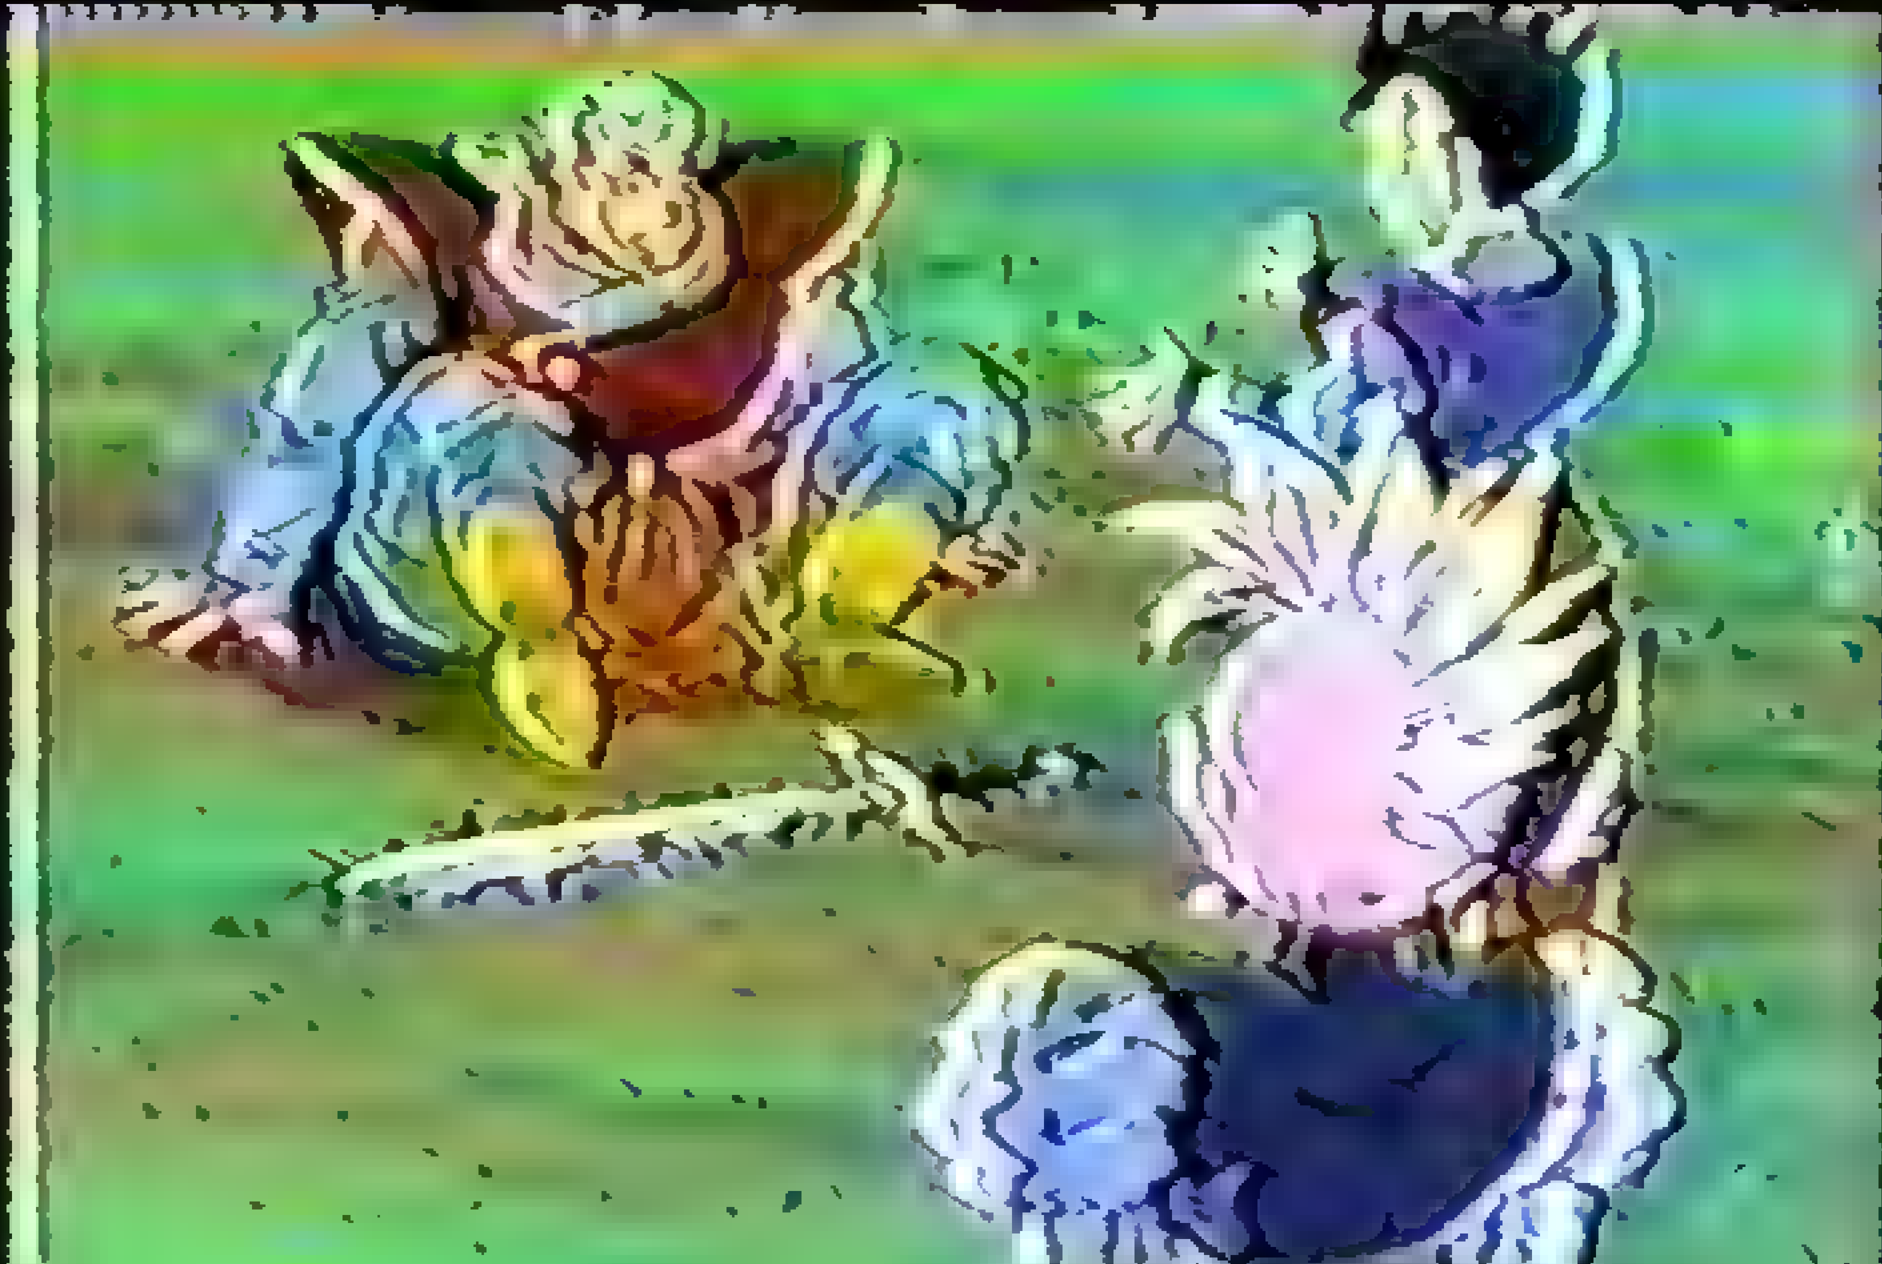

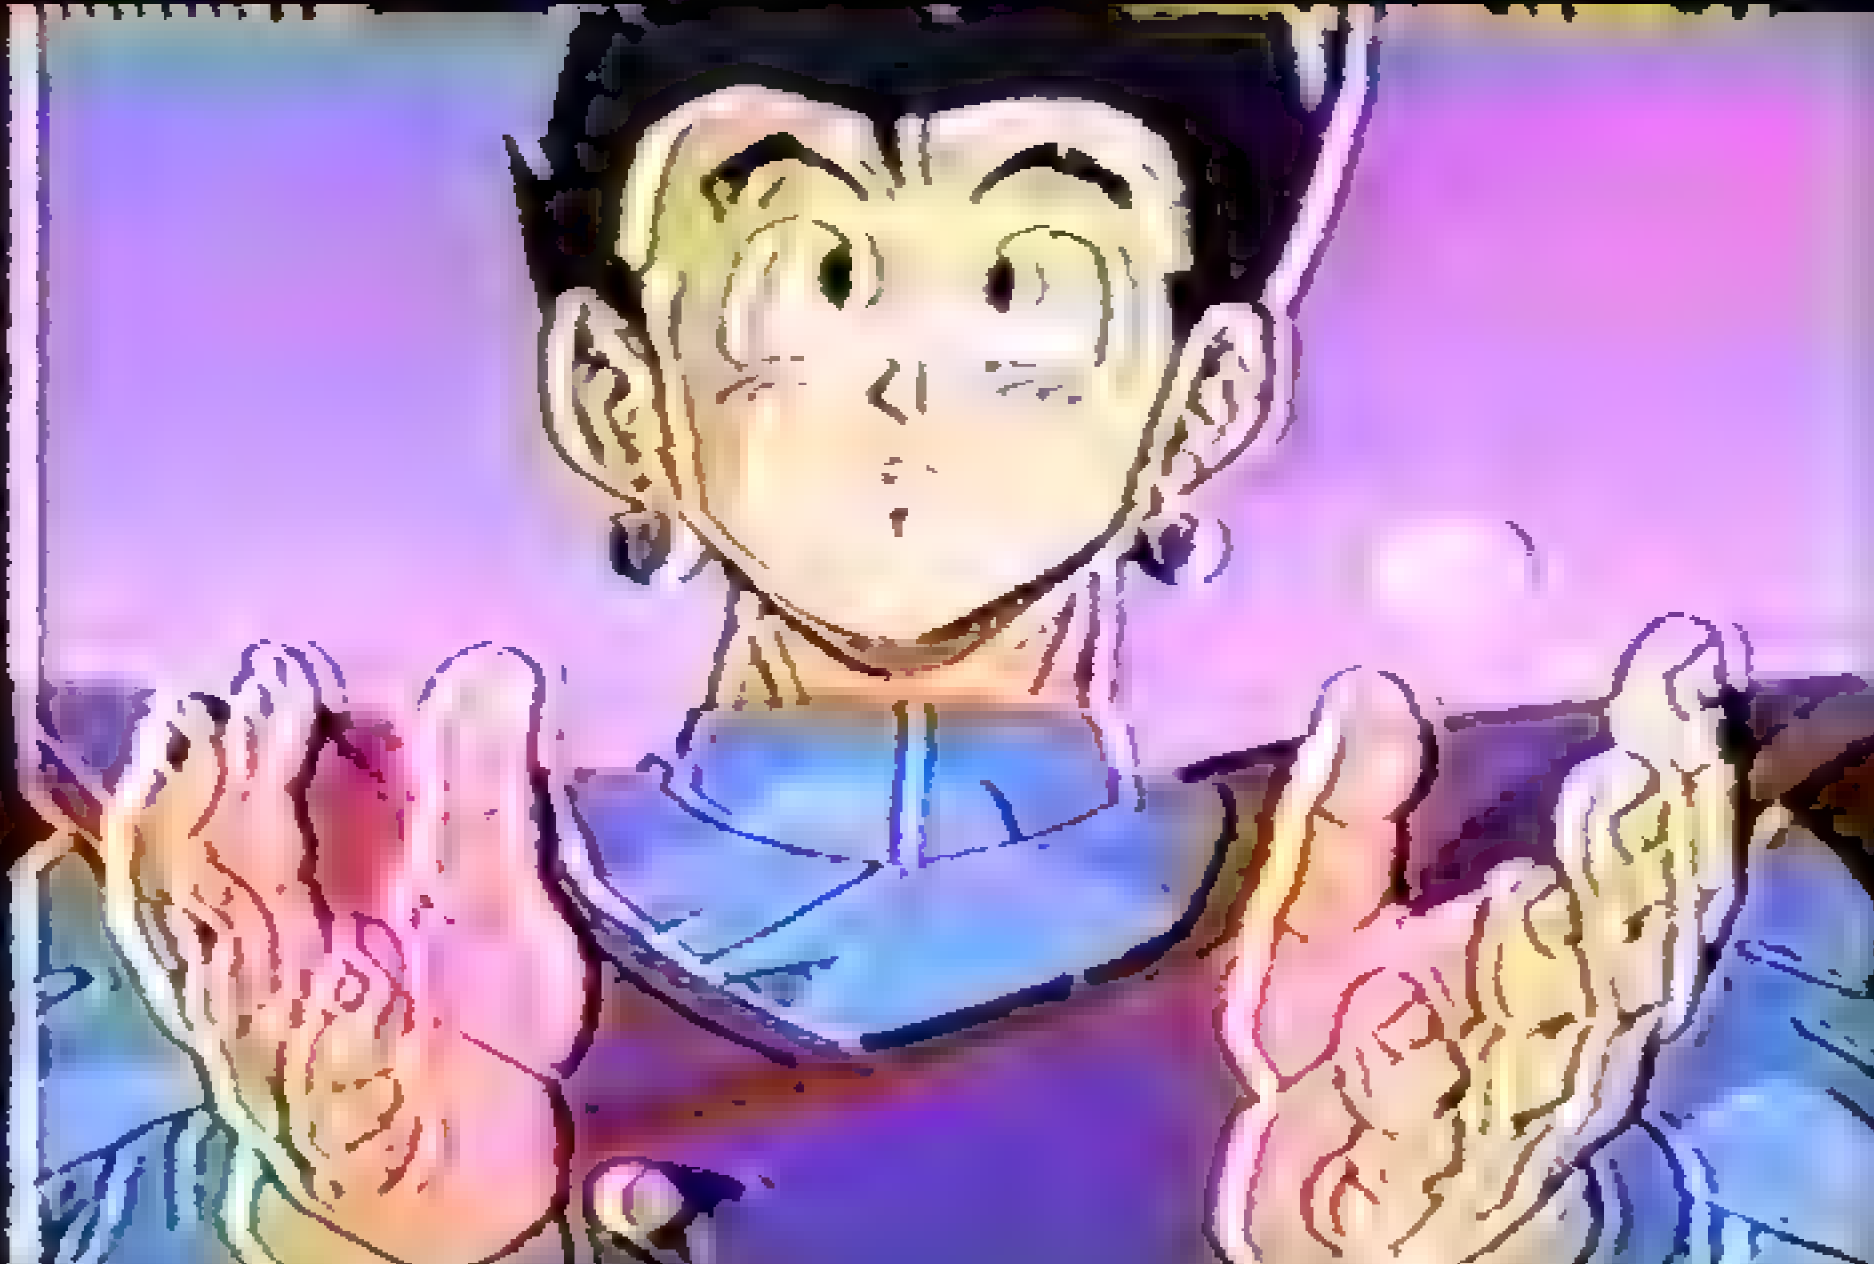

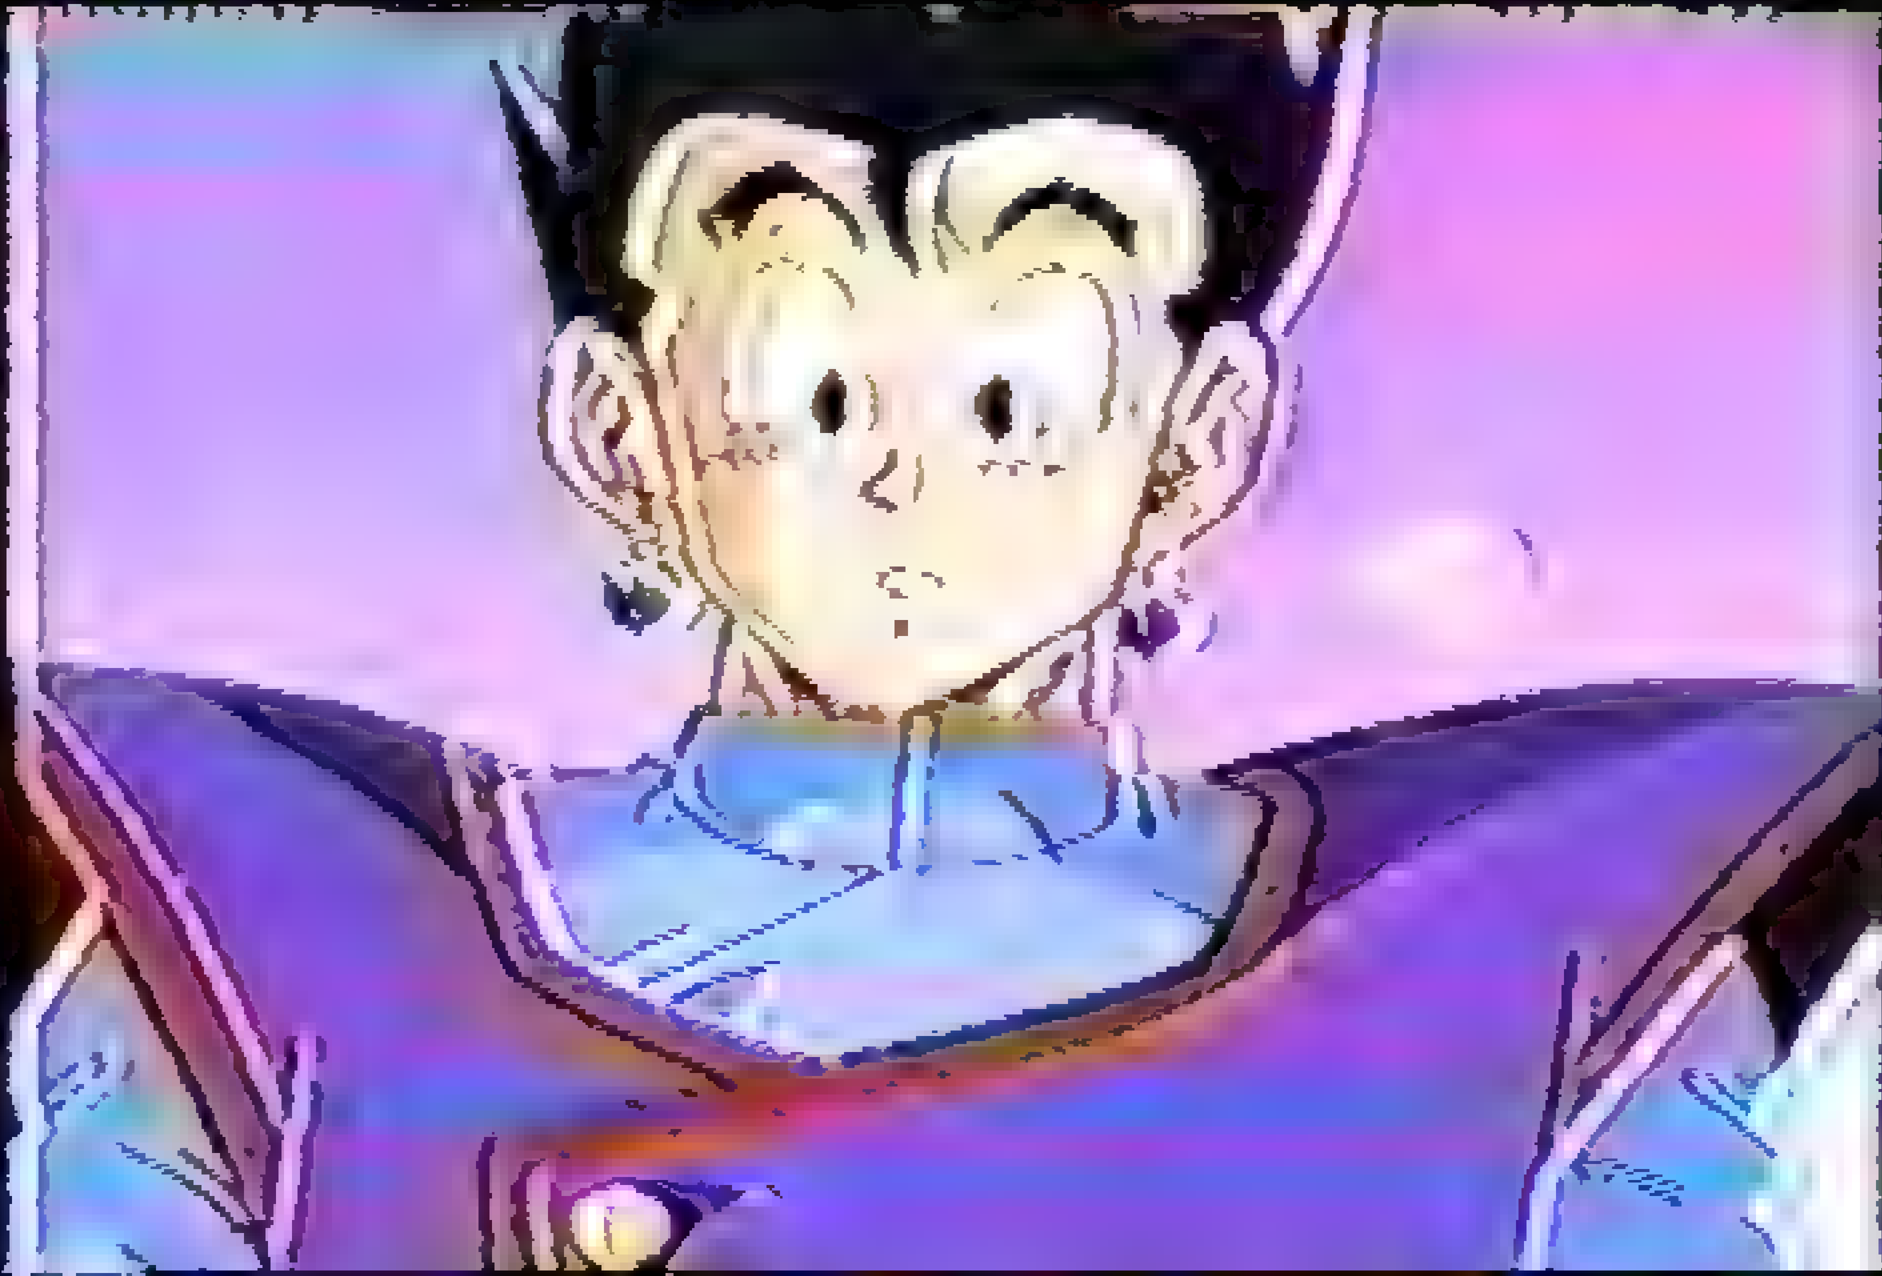

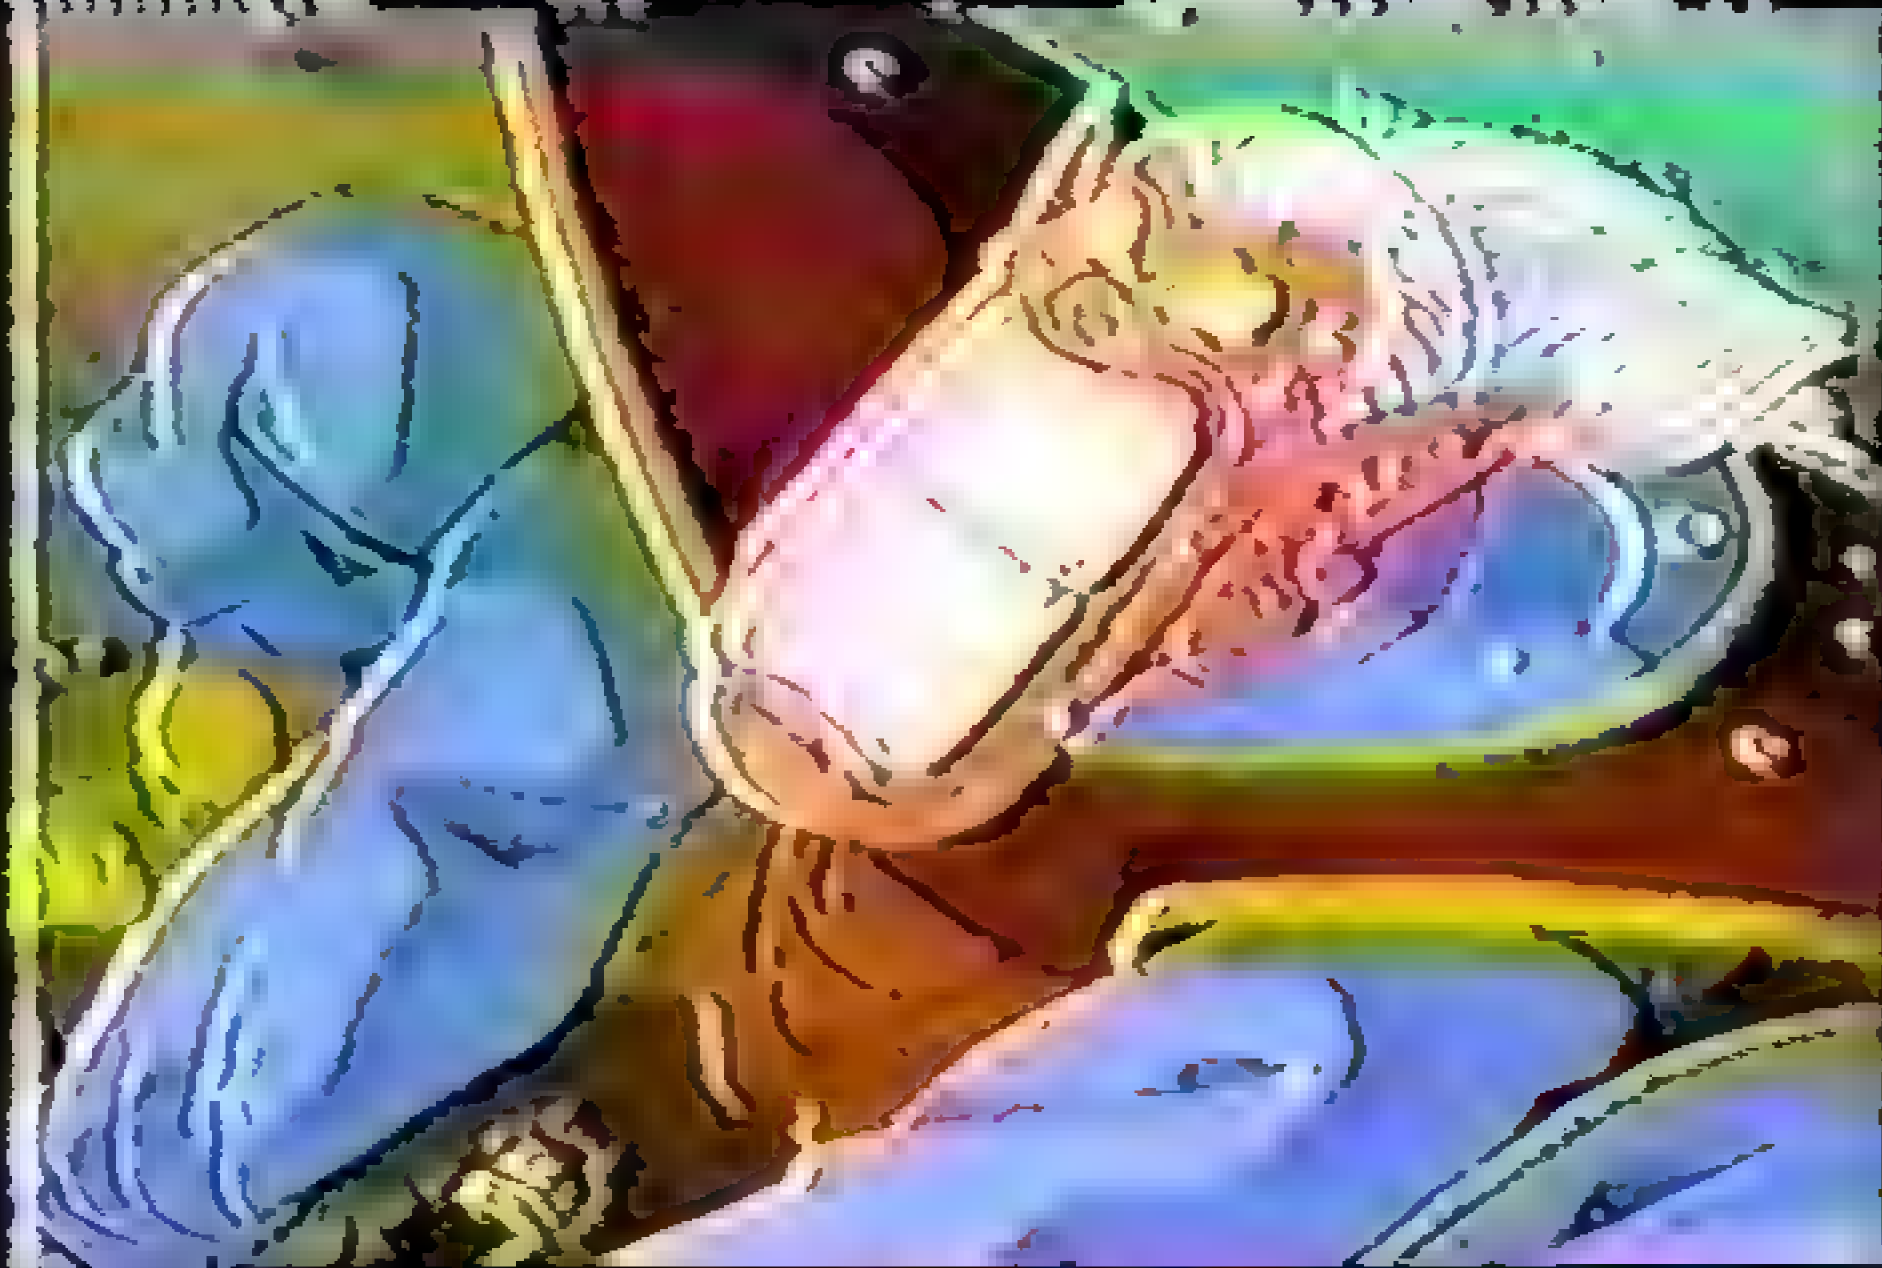

See, I told you

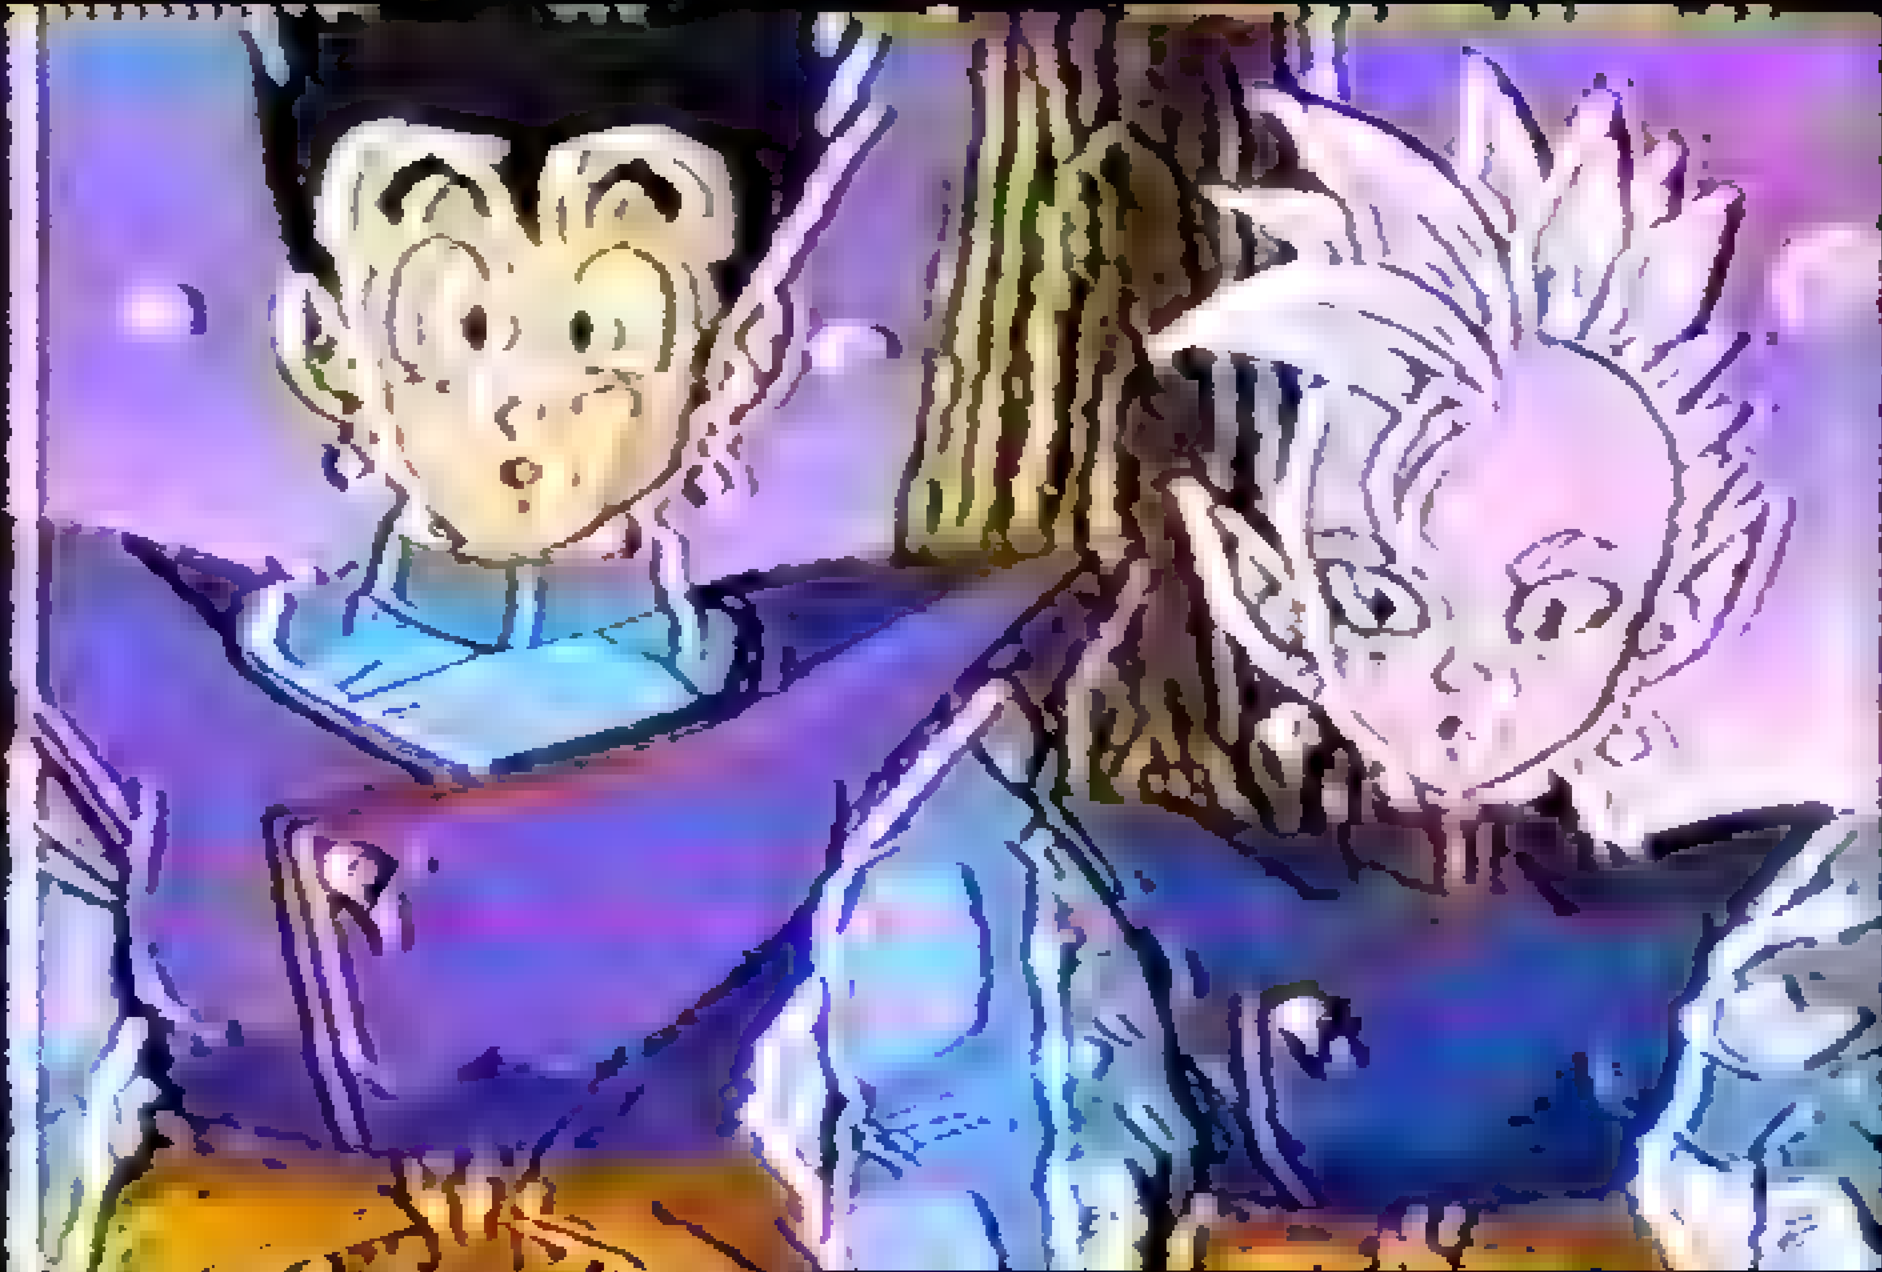

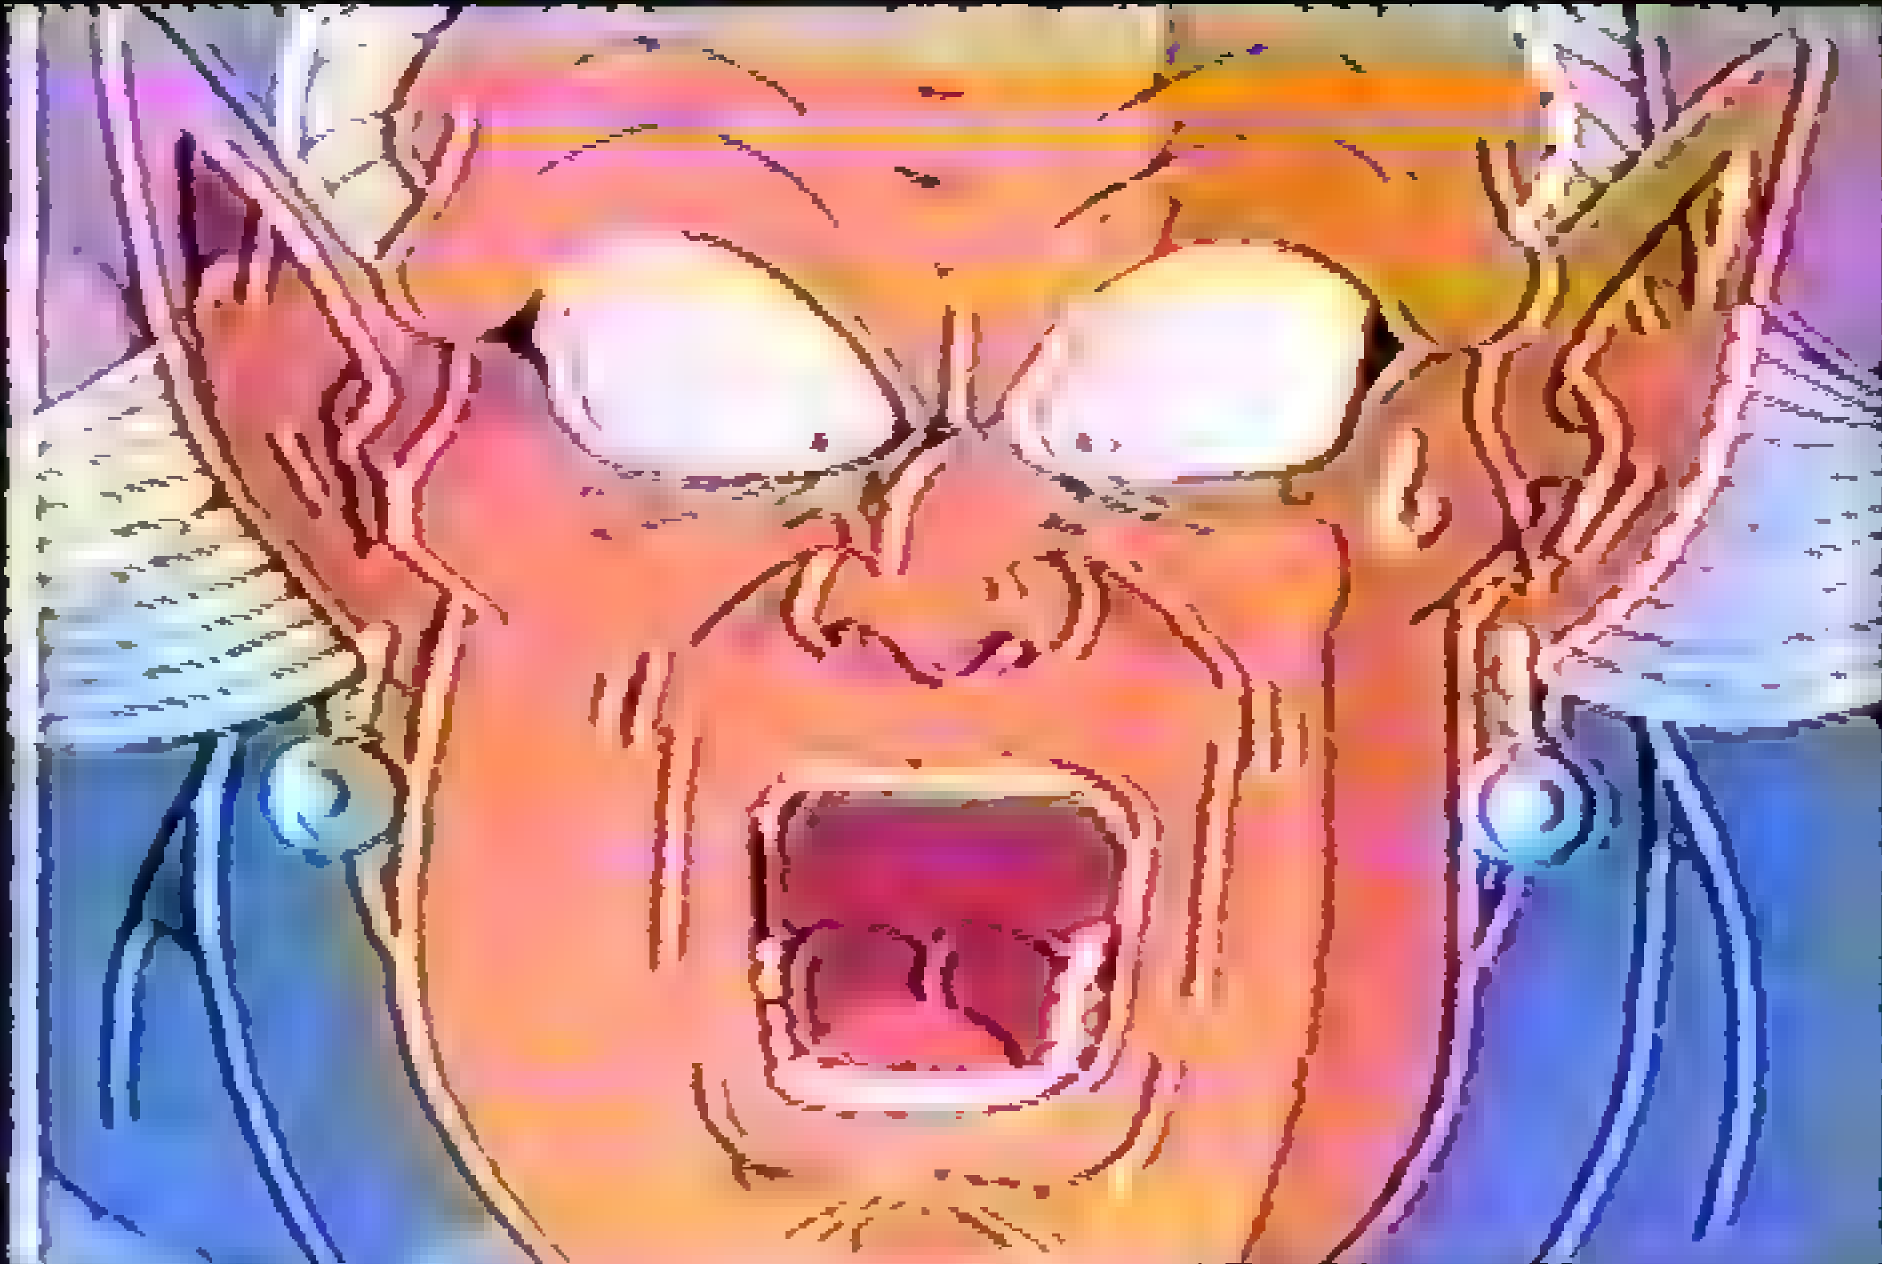

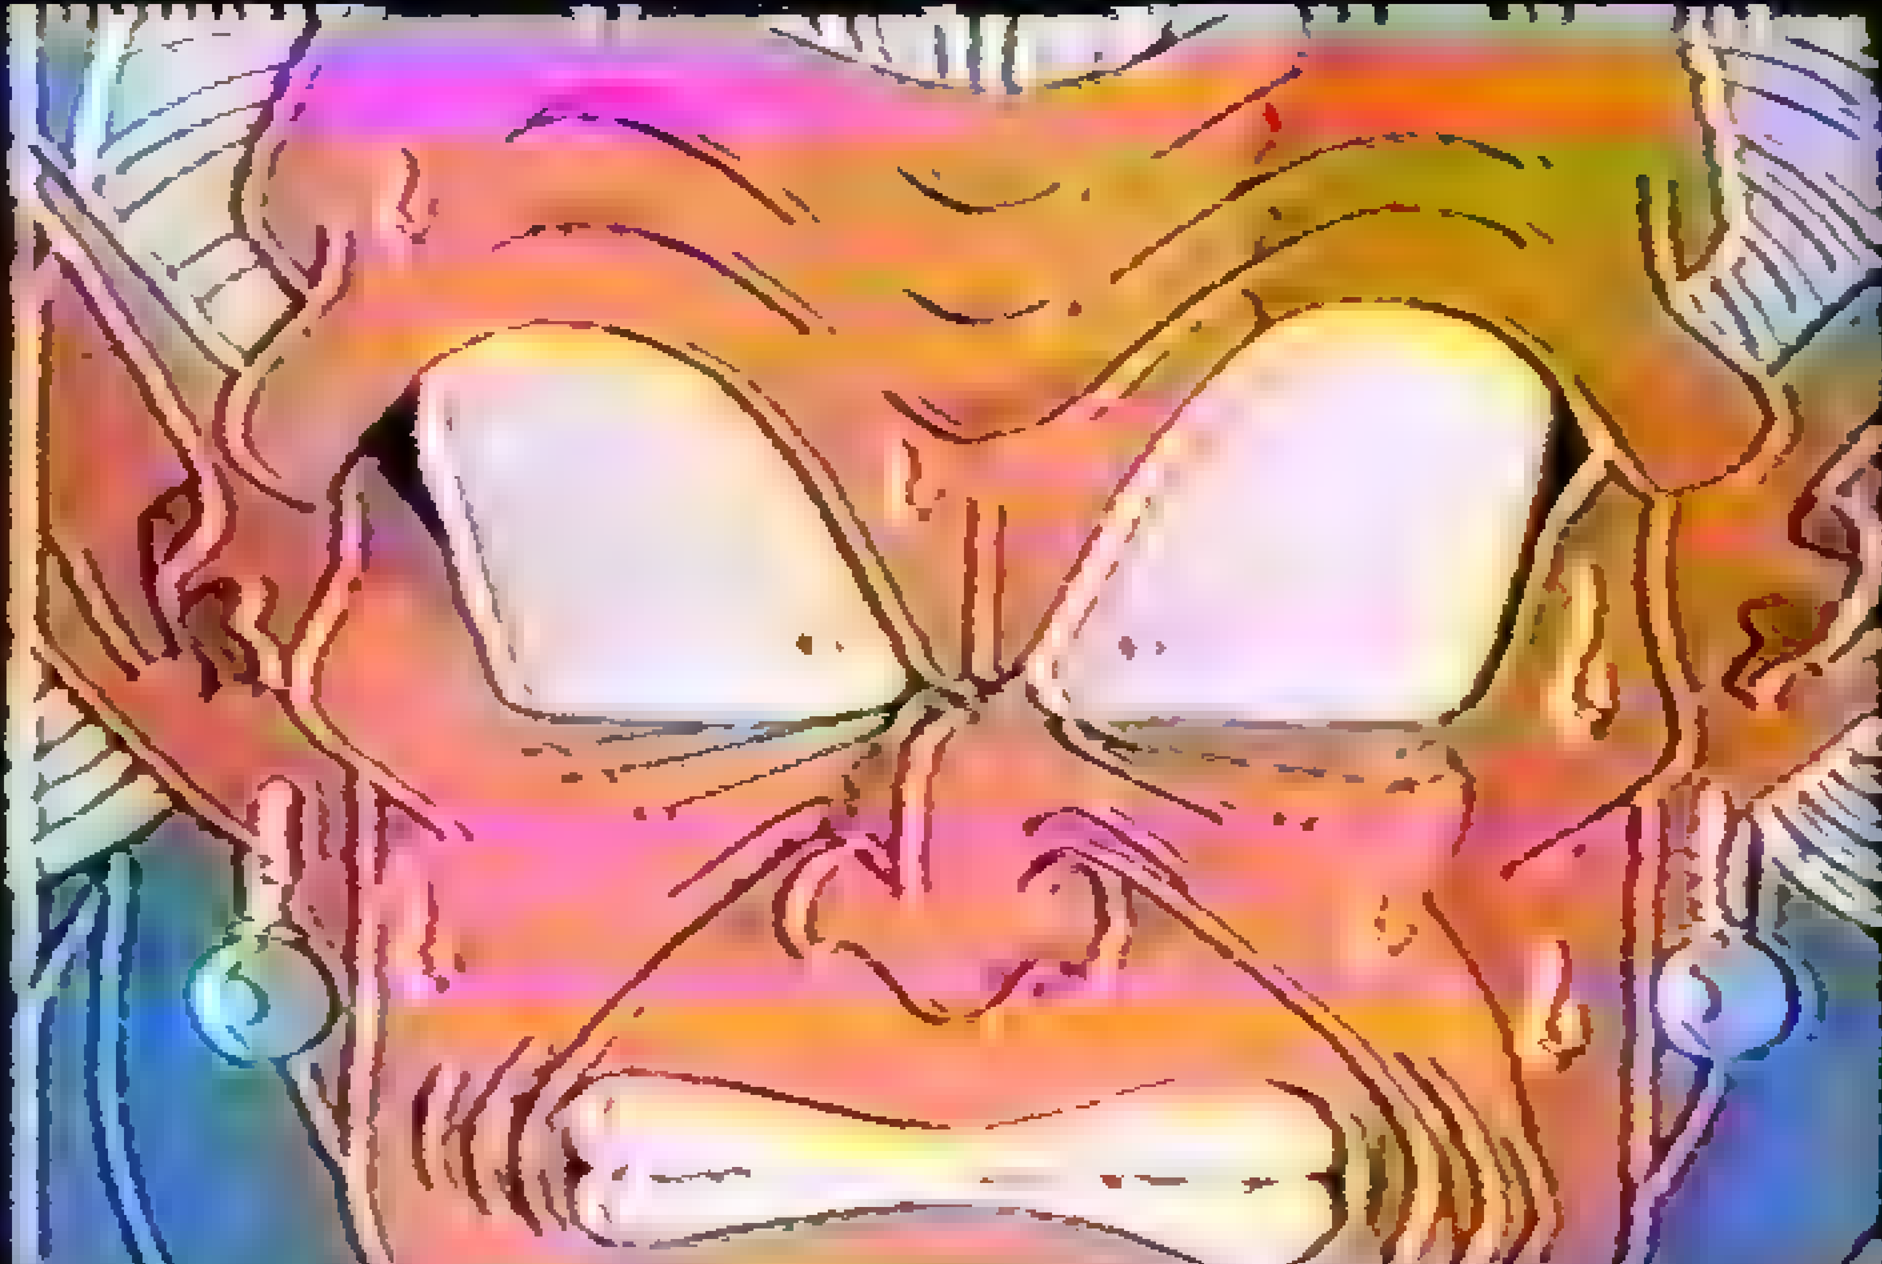

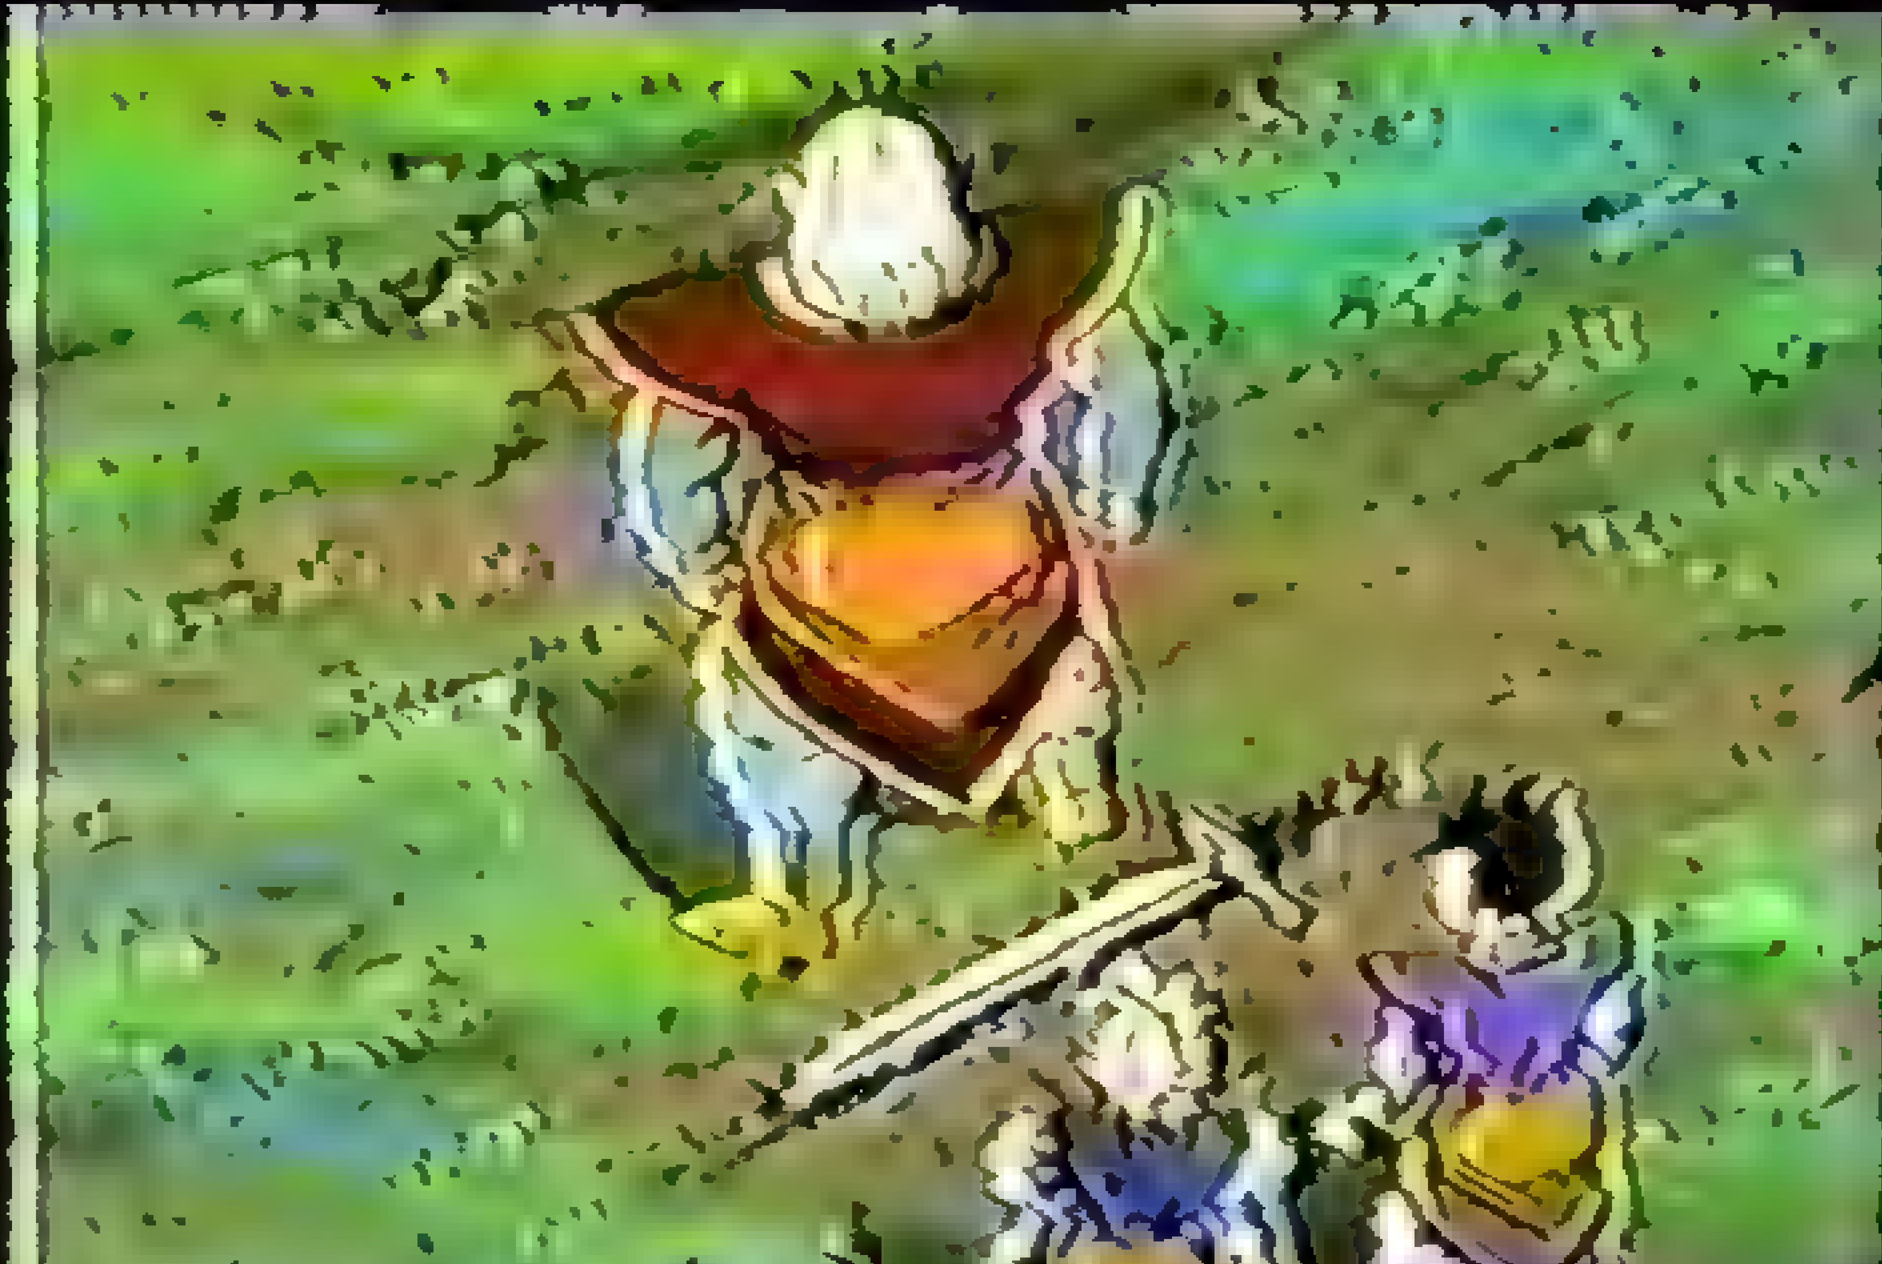

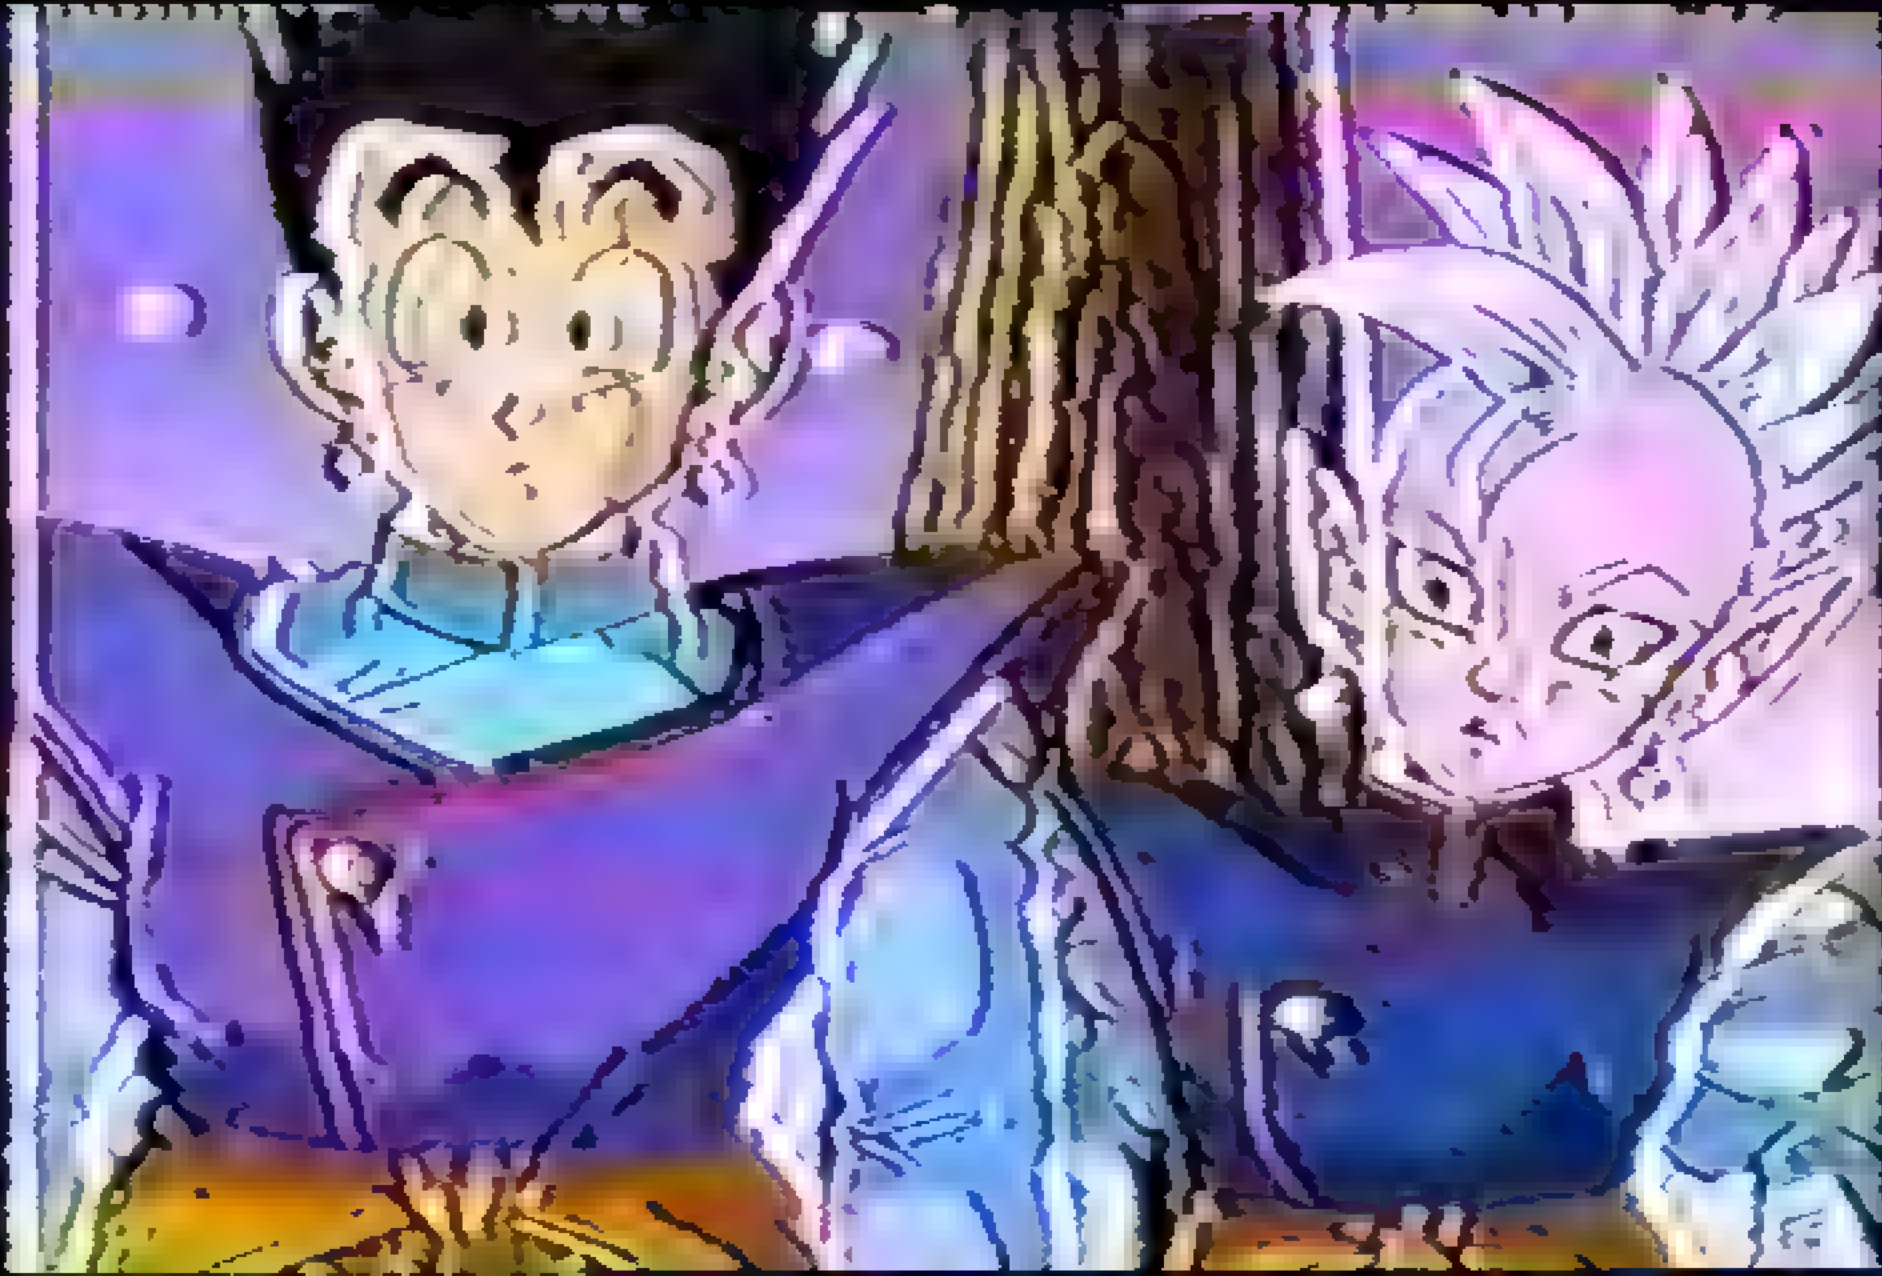

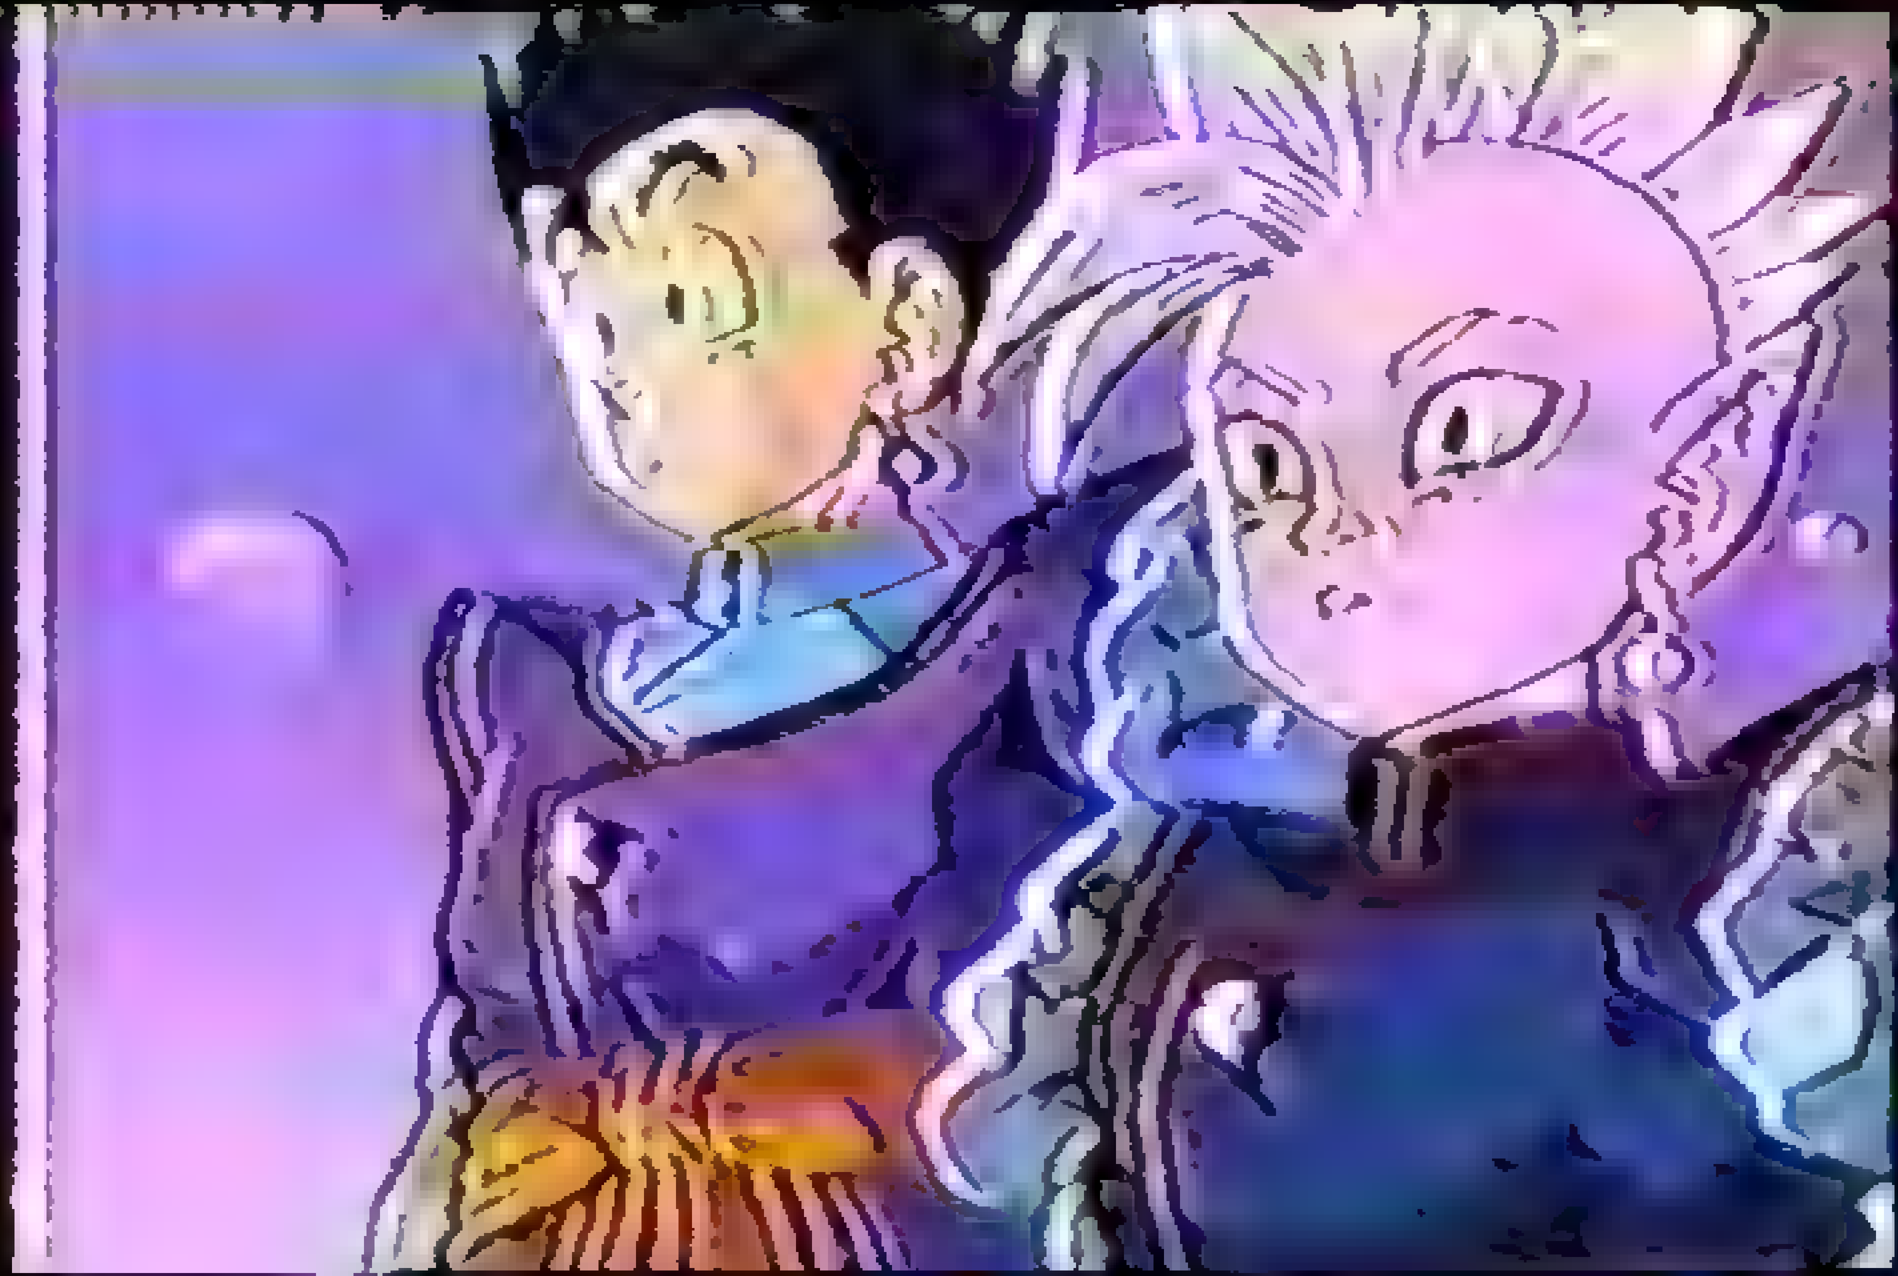

What does he mean, a wife...?

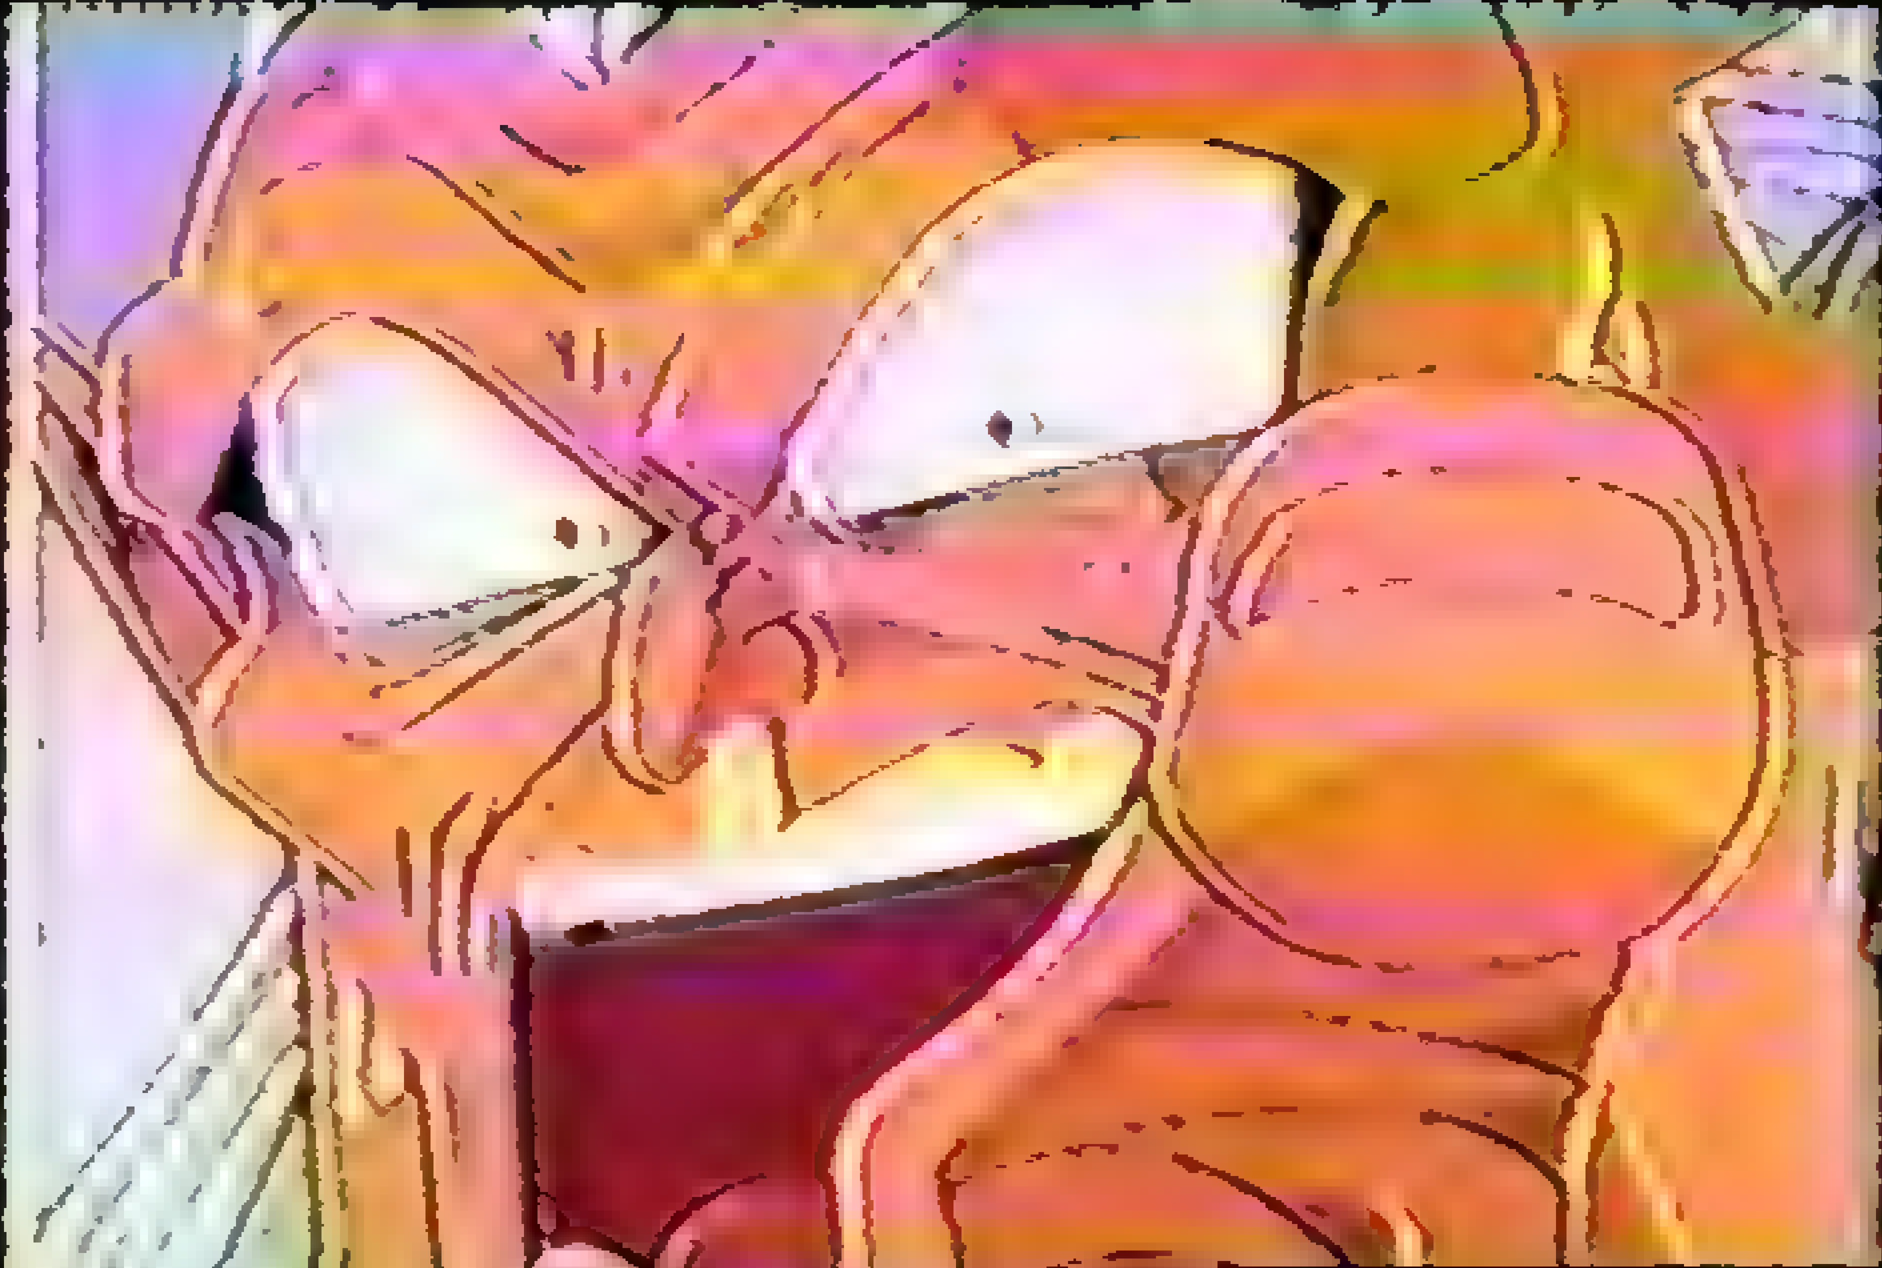

Anyway, you must learn
to use the Zed Sword!!

After you perfect Fusion, you can
only stay in that state for 30 minutes

After you perfect Fusion, you can
only stay in that state for 30 minutes.

After you perfect Fusion, you can
only stay in that state for 30 minutes

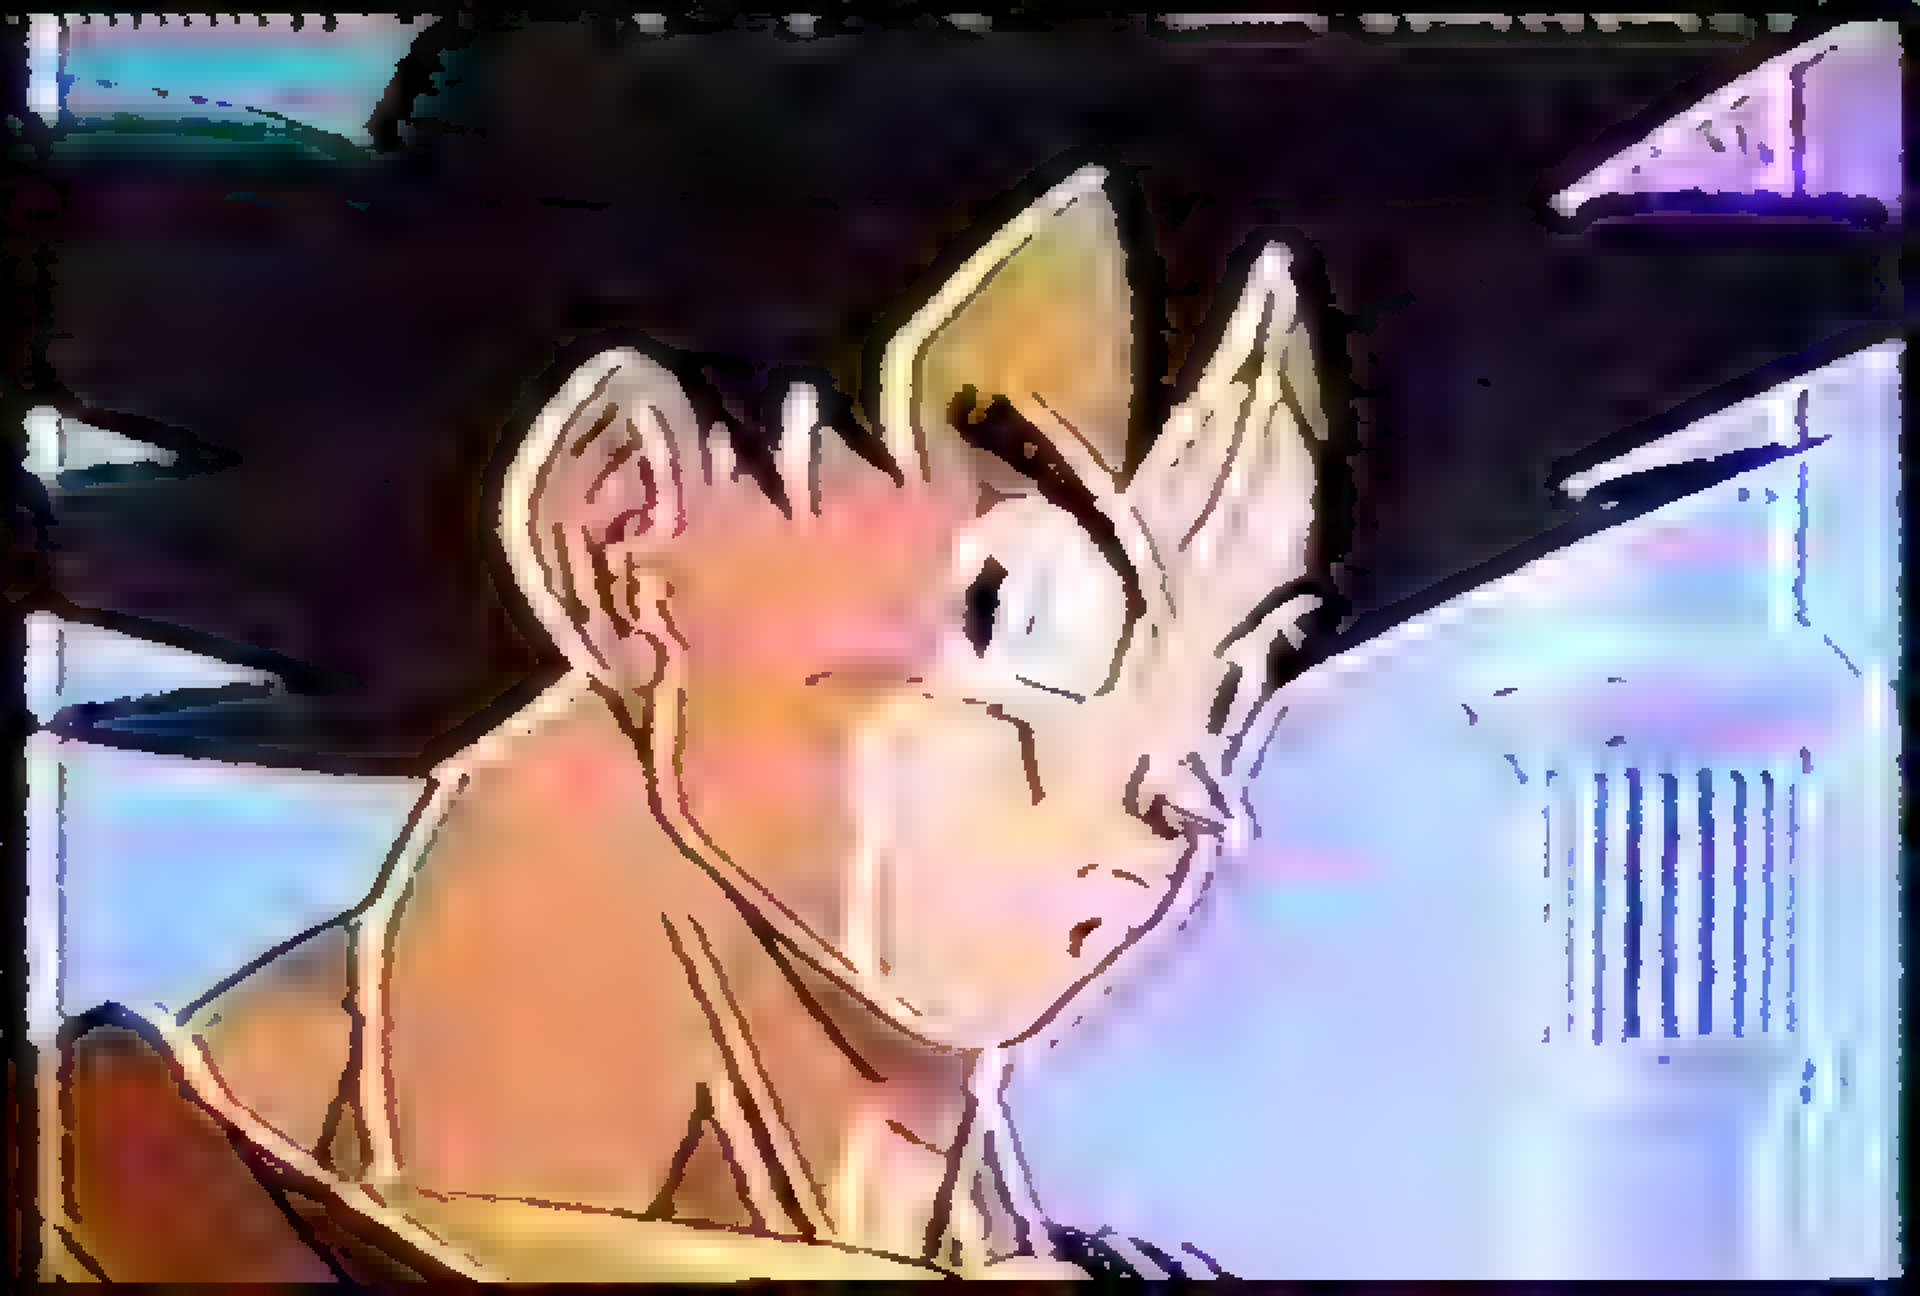

Only 60 minutes? That's not enough...

If they fuse correctly, 30 minutes
will be more than enough time

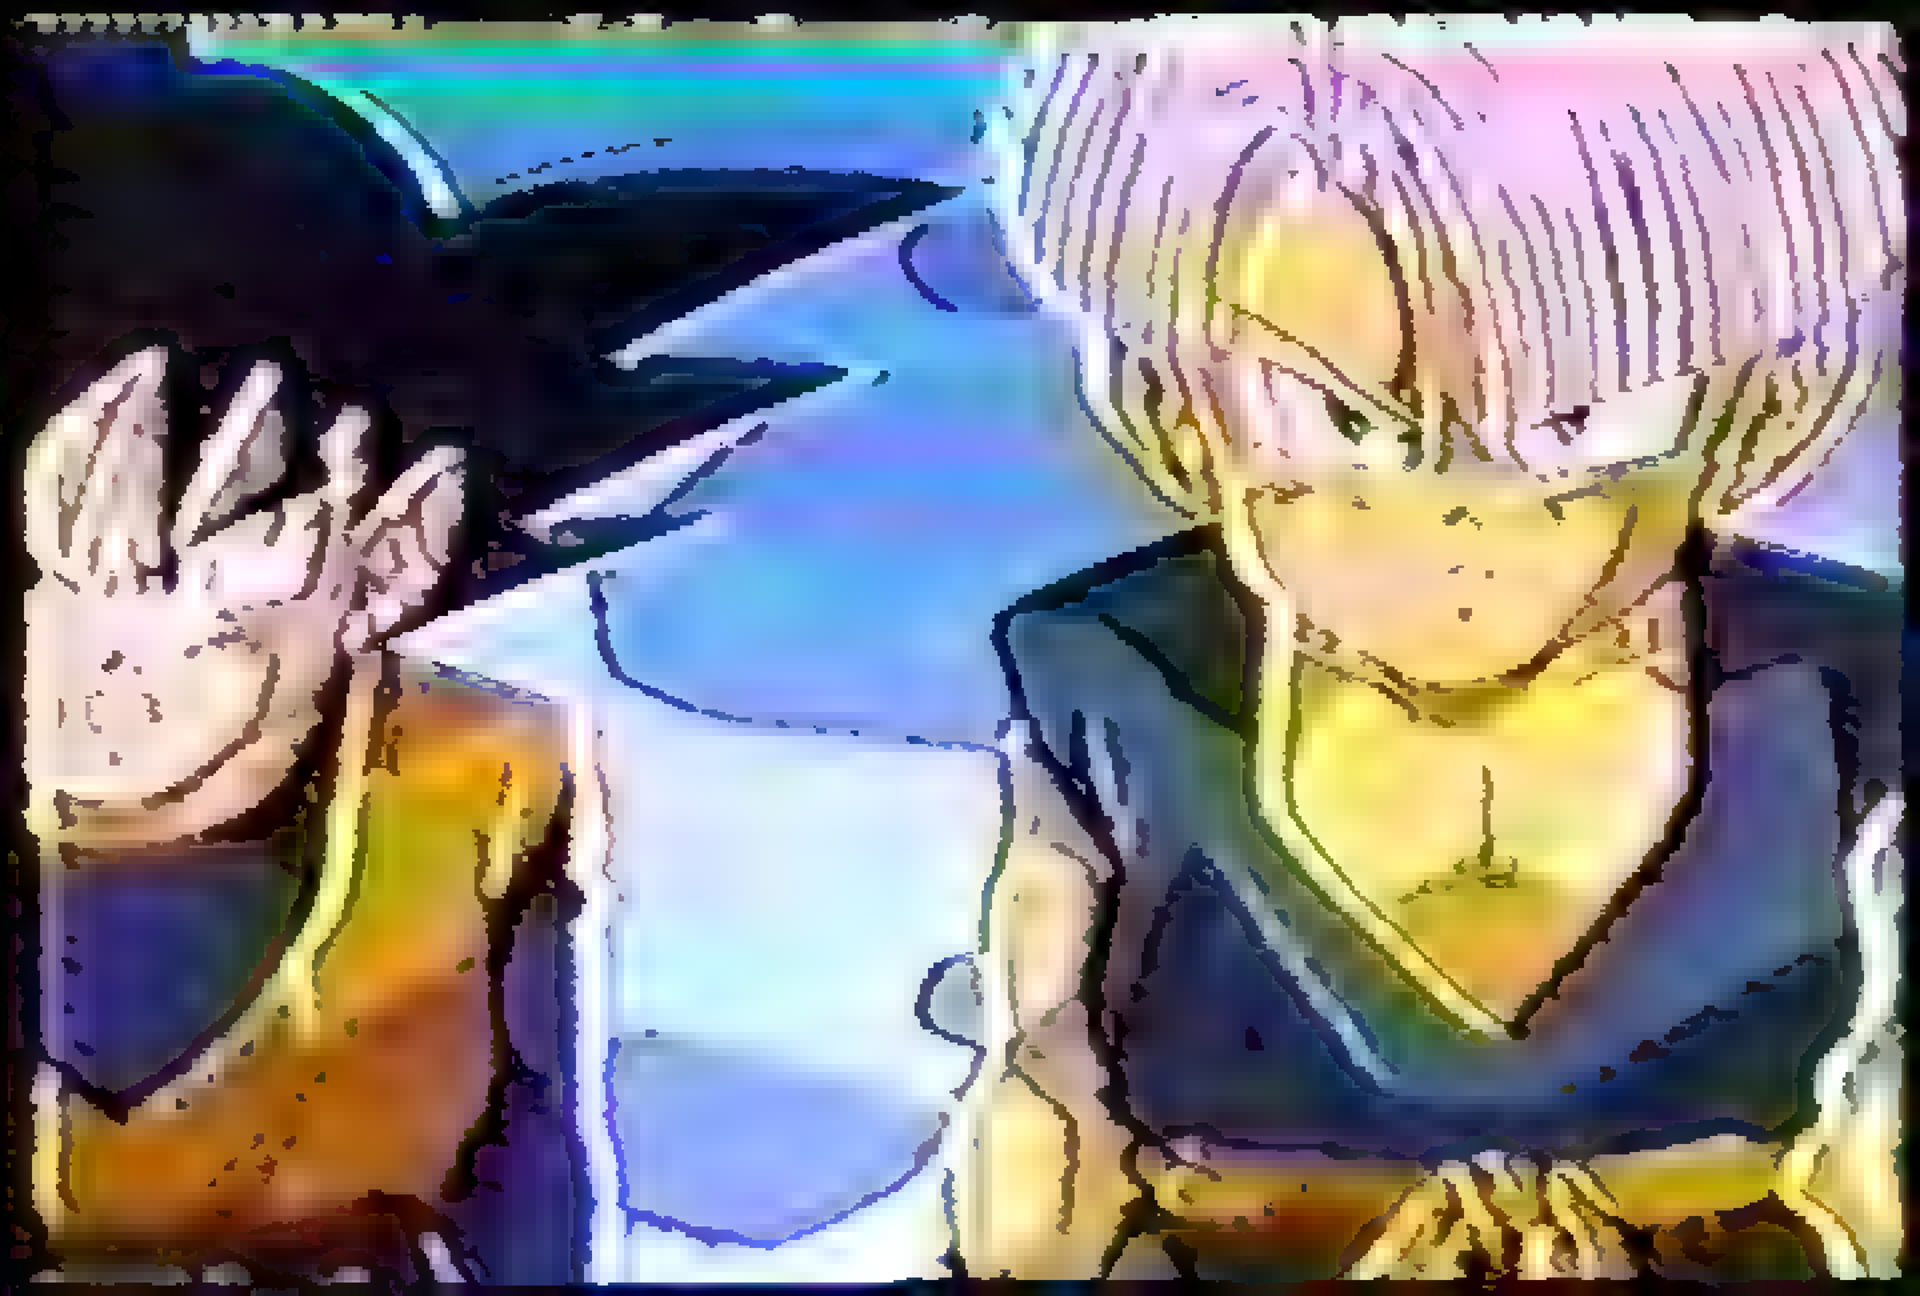

If they fuse correctly, 30 minutes
will be more than enough time

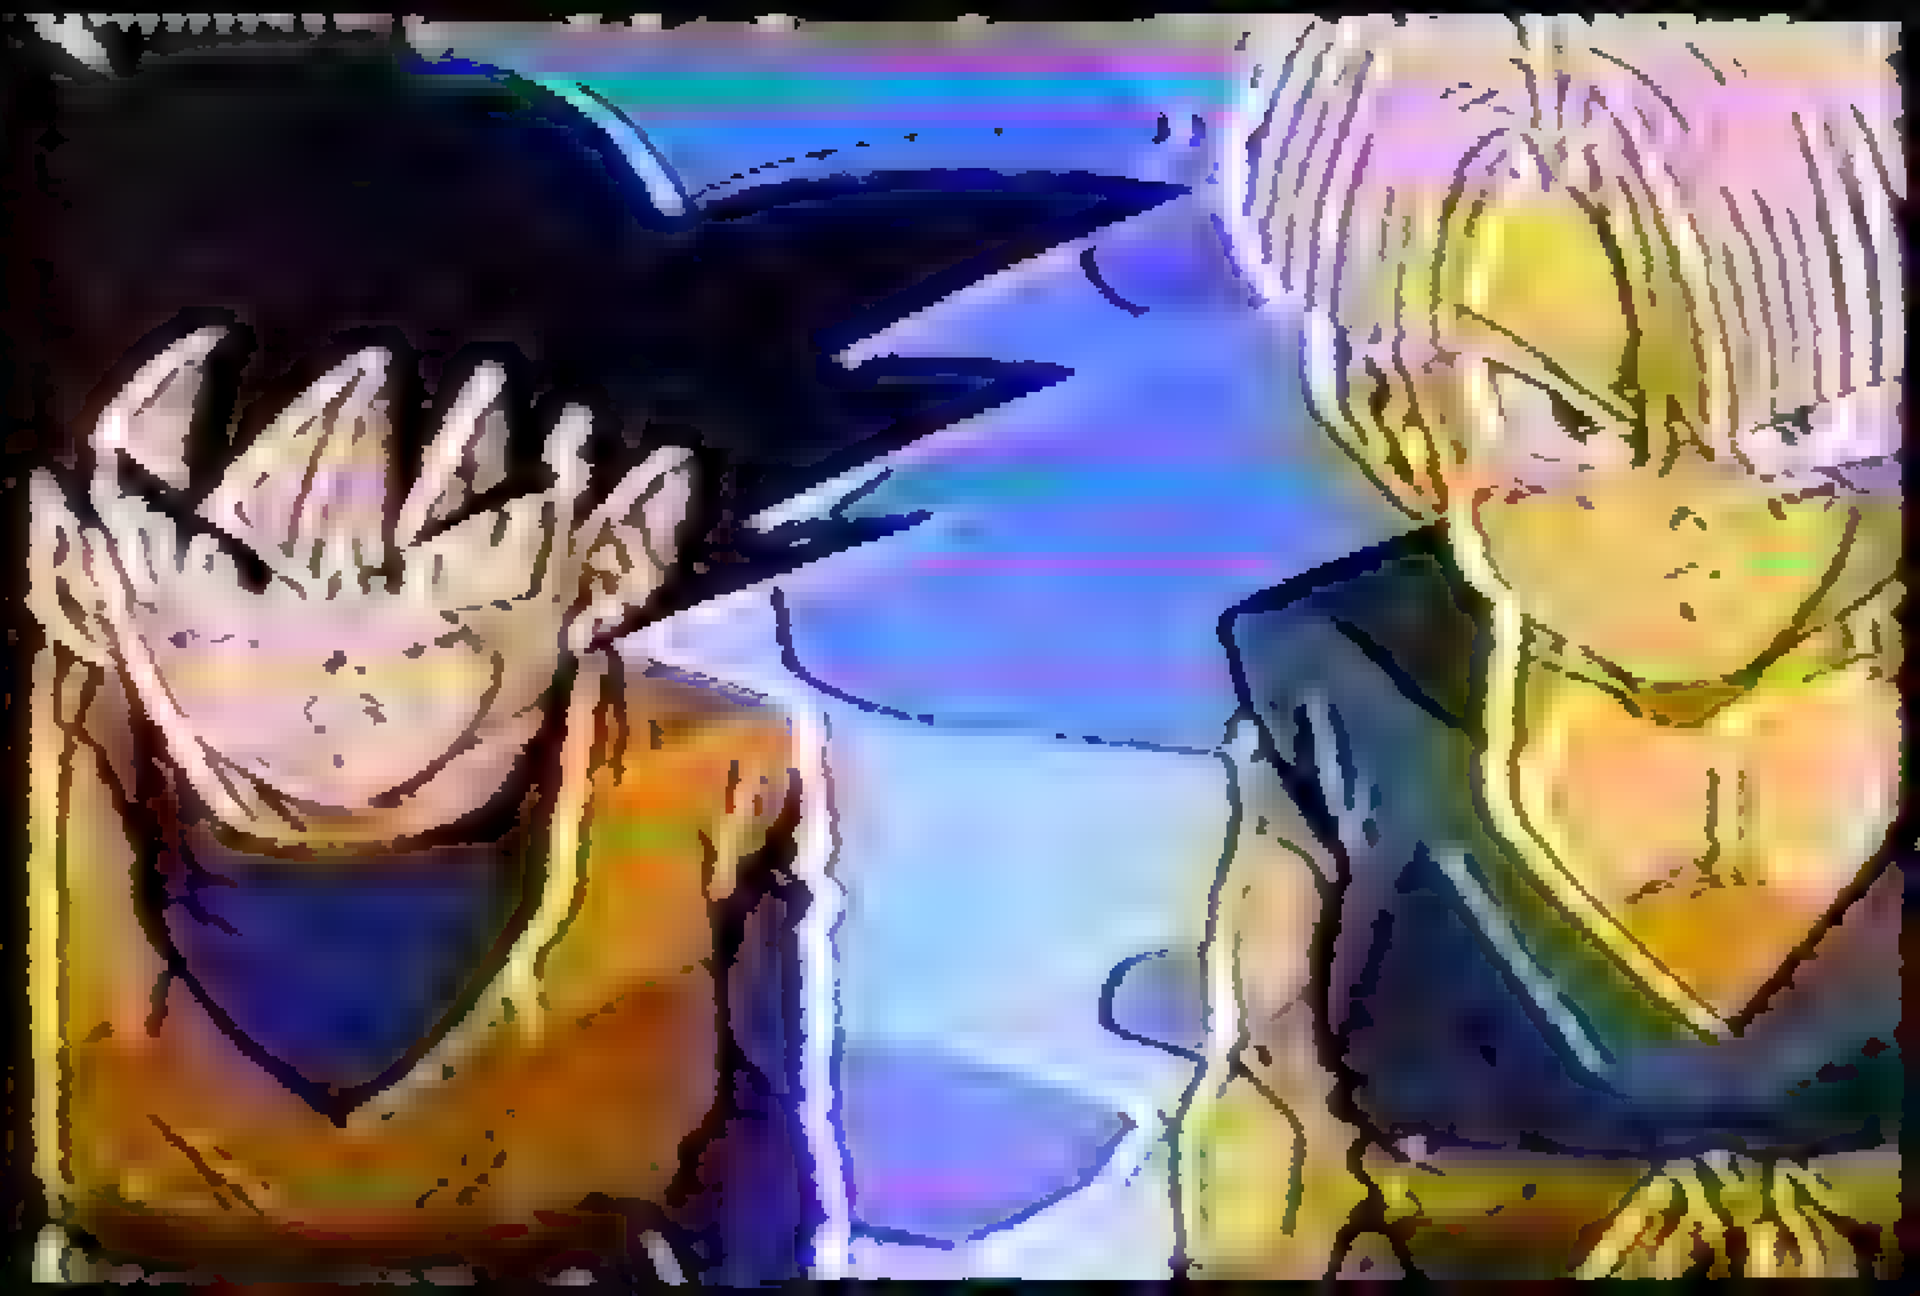

Fusion is that strong

Fusion is that strong

become Super Saiyan...

Magician Babi Dee and Majin Boo

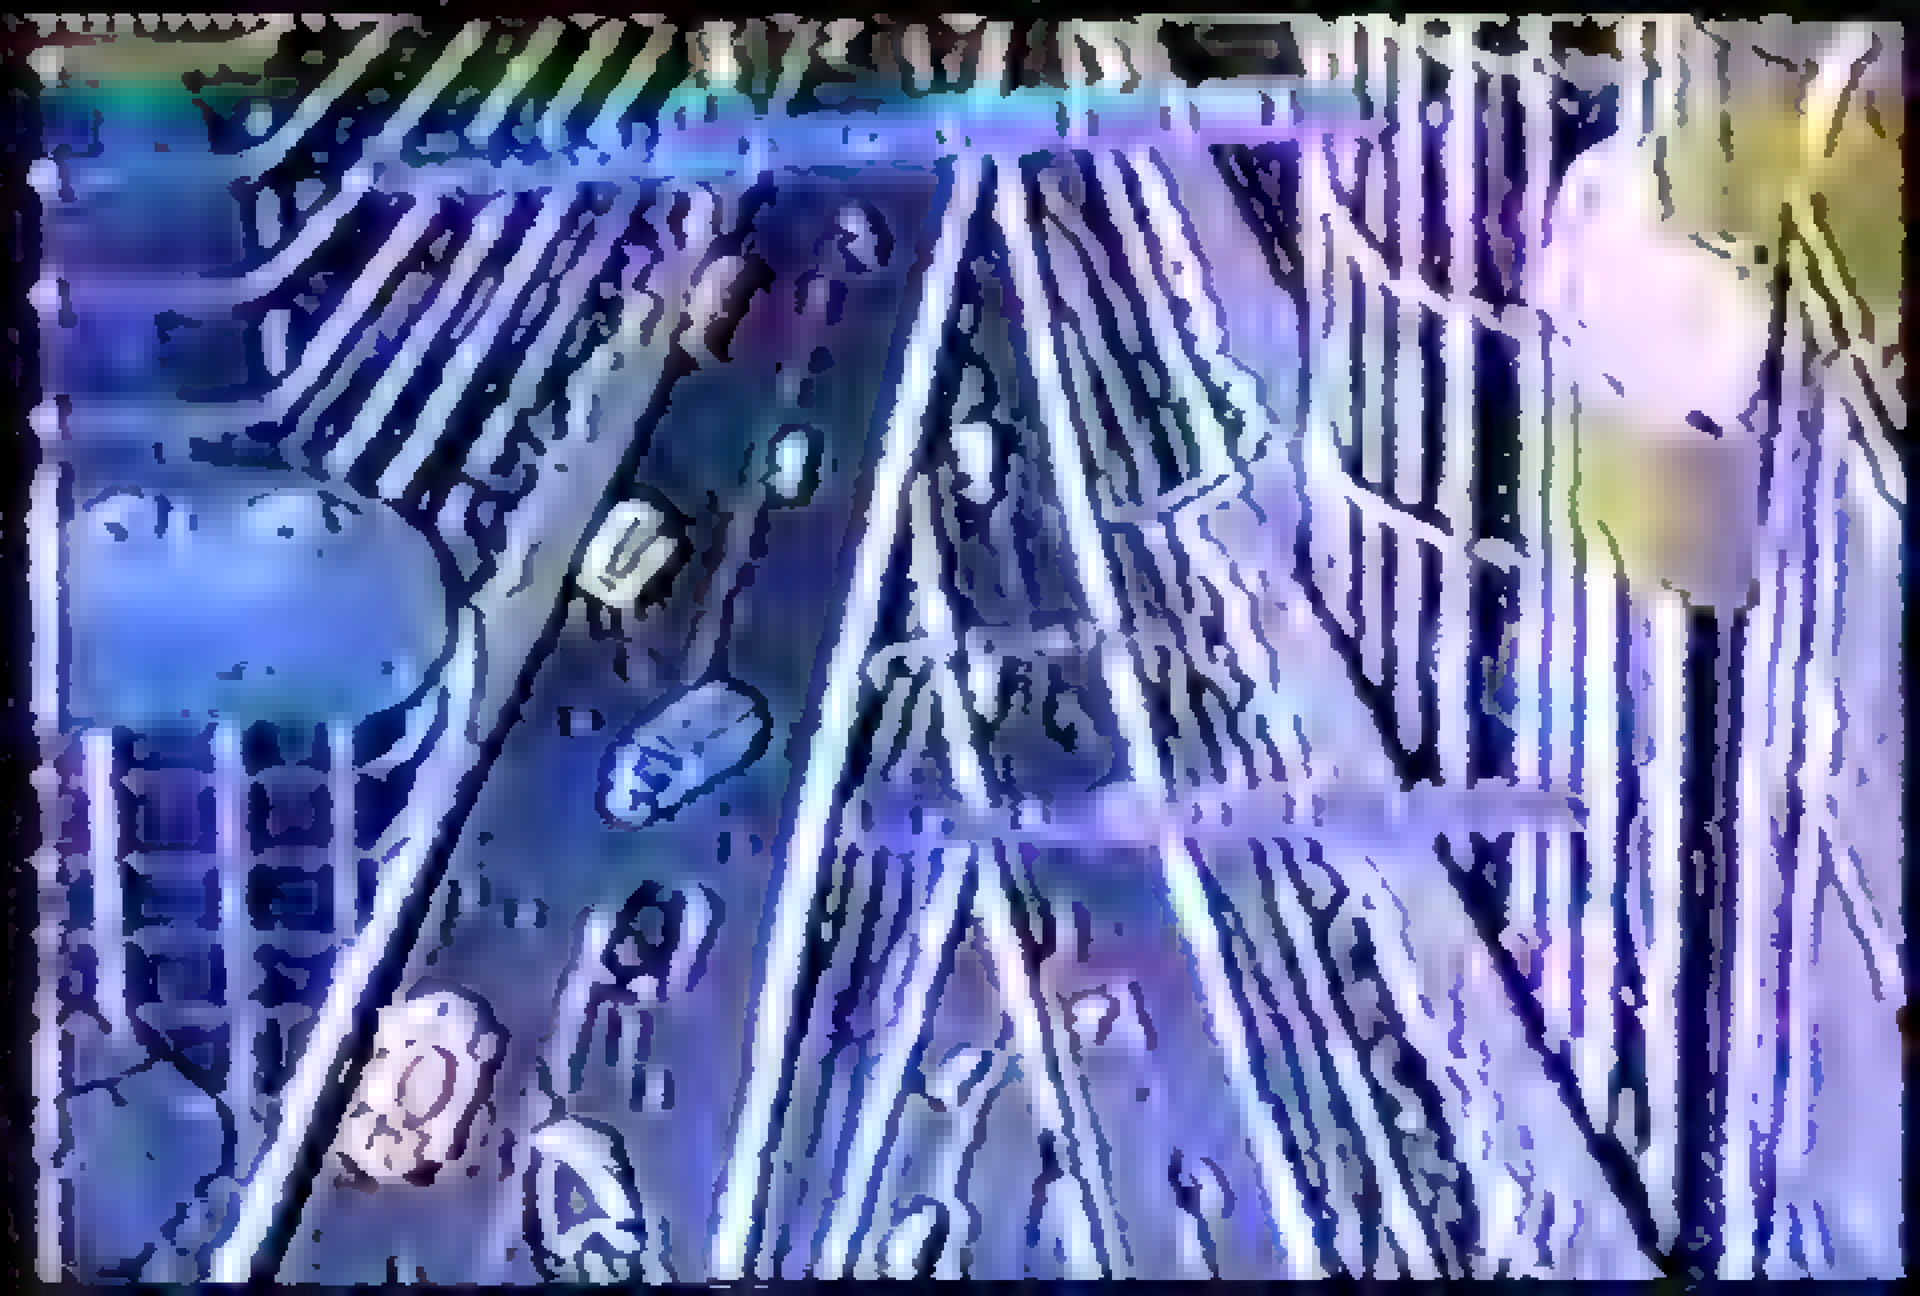

We're going to erase this city now

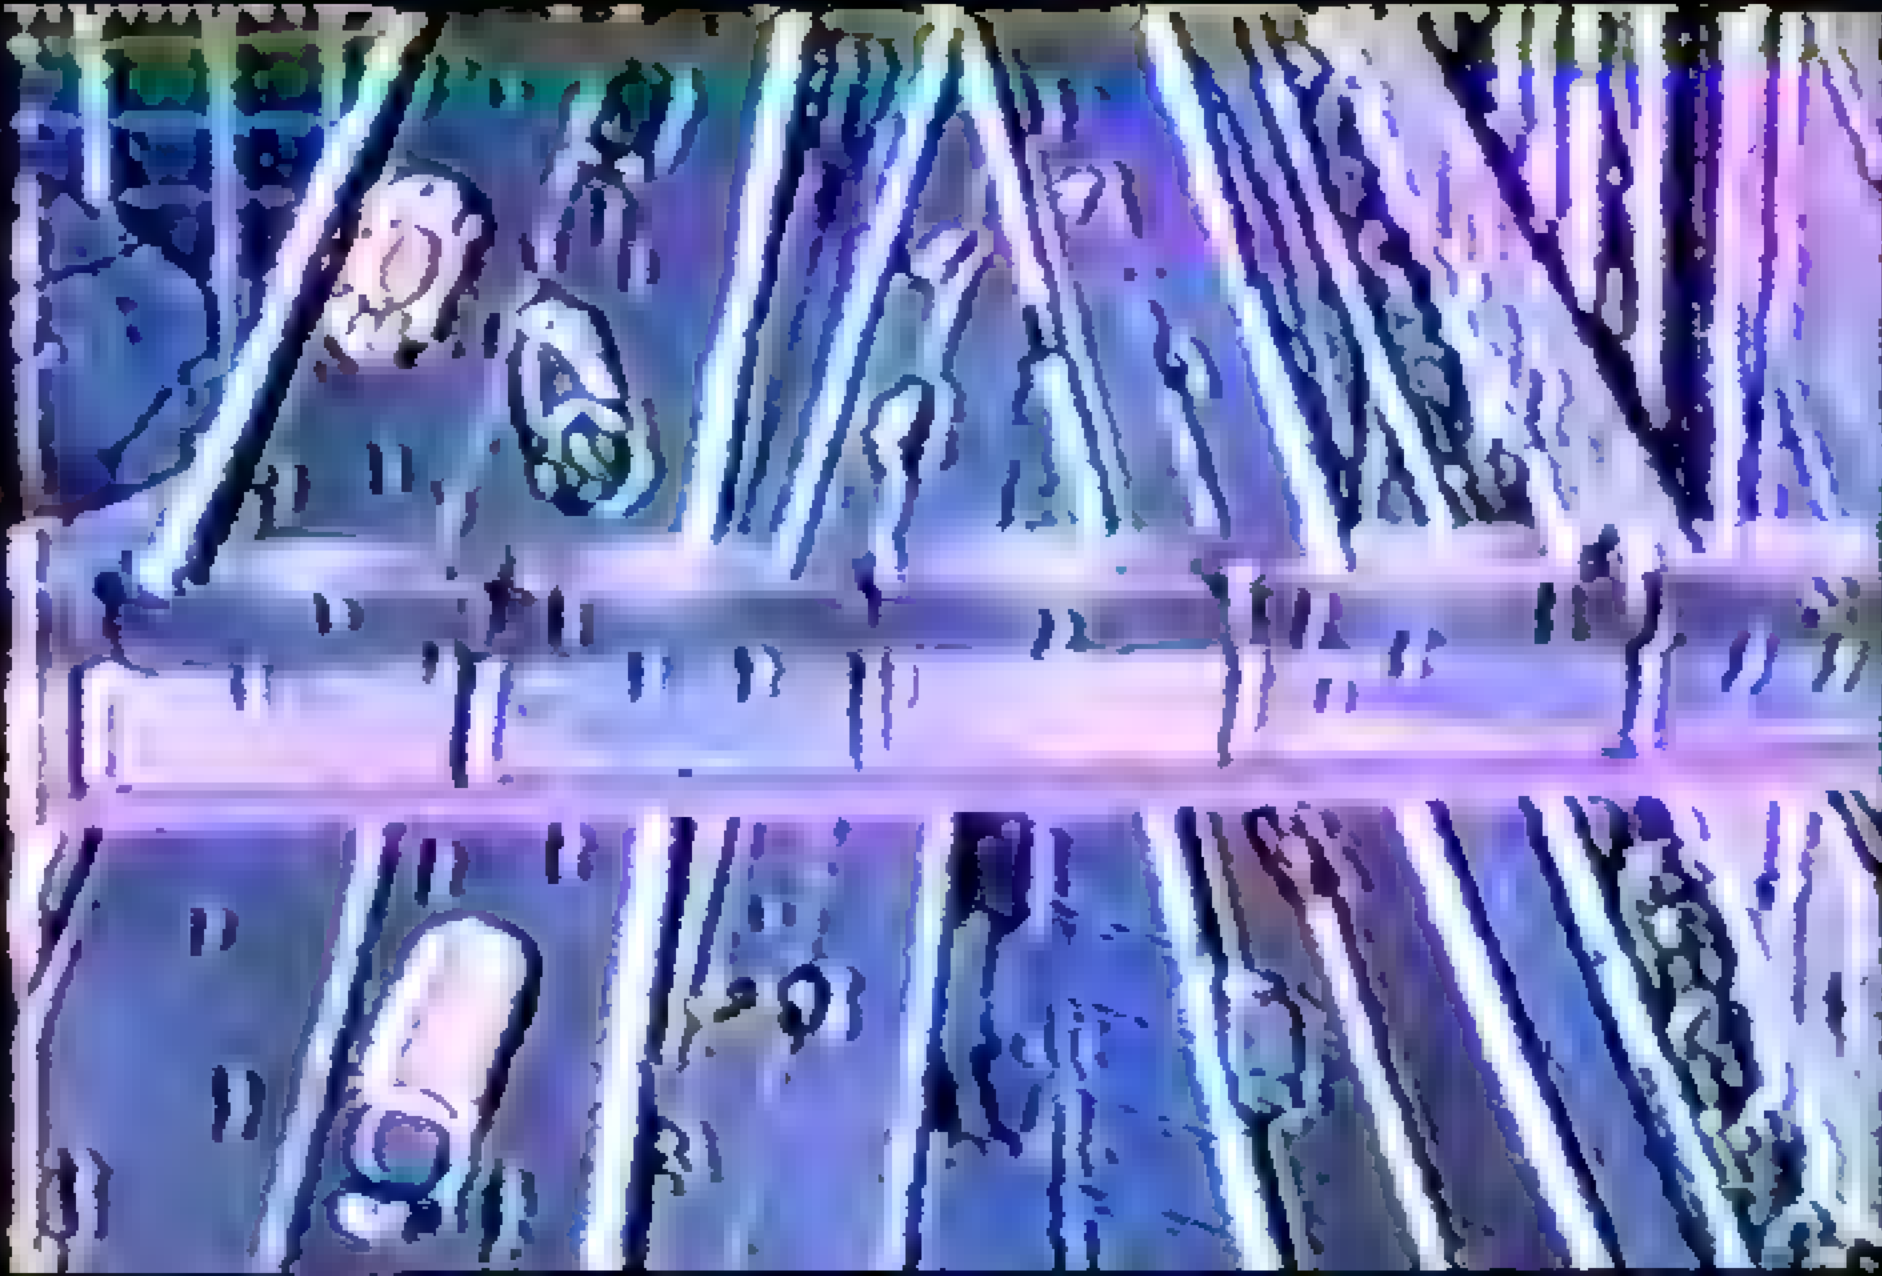

Unless Demon Jr., Trunks and

That picture! That's our city!

Look up there! It's Papa Bear!

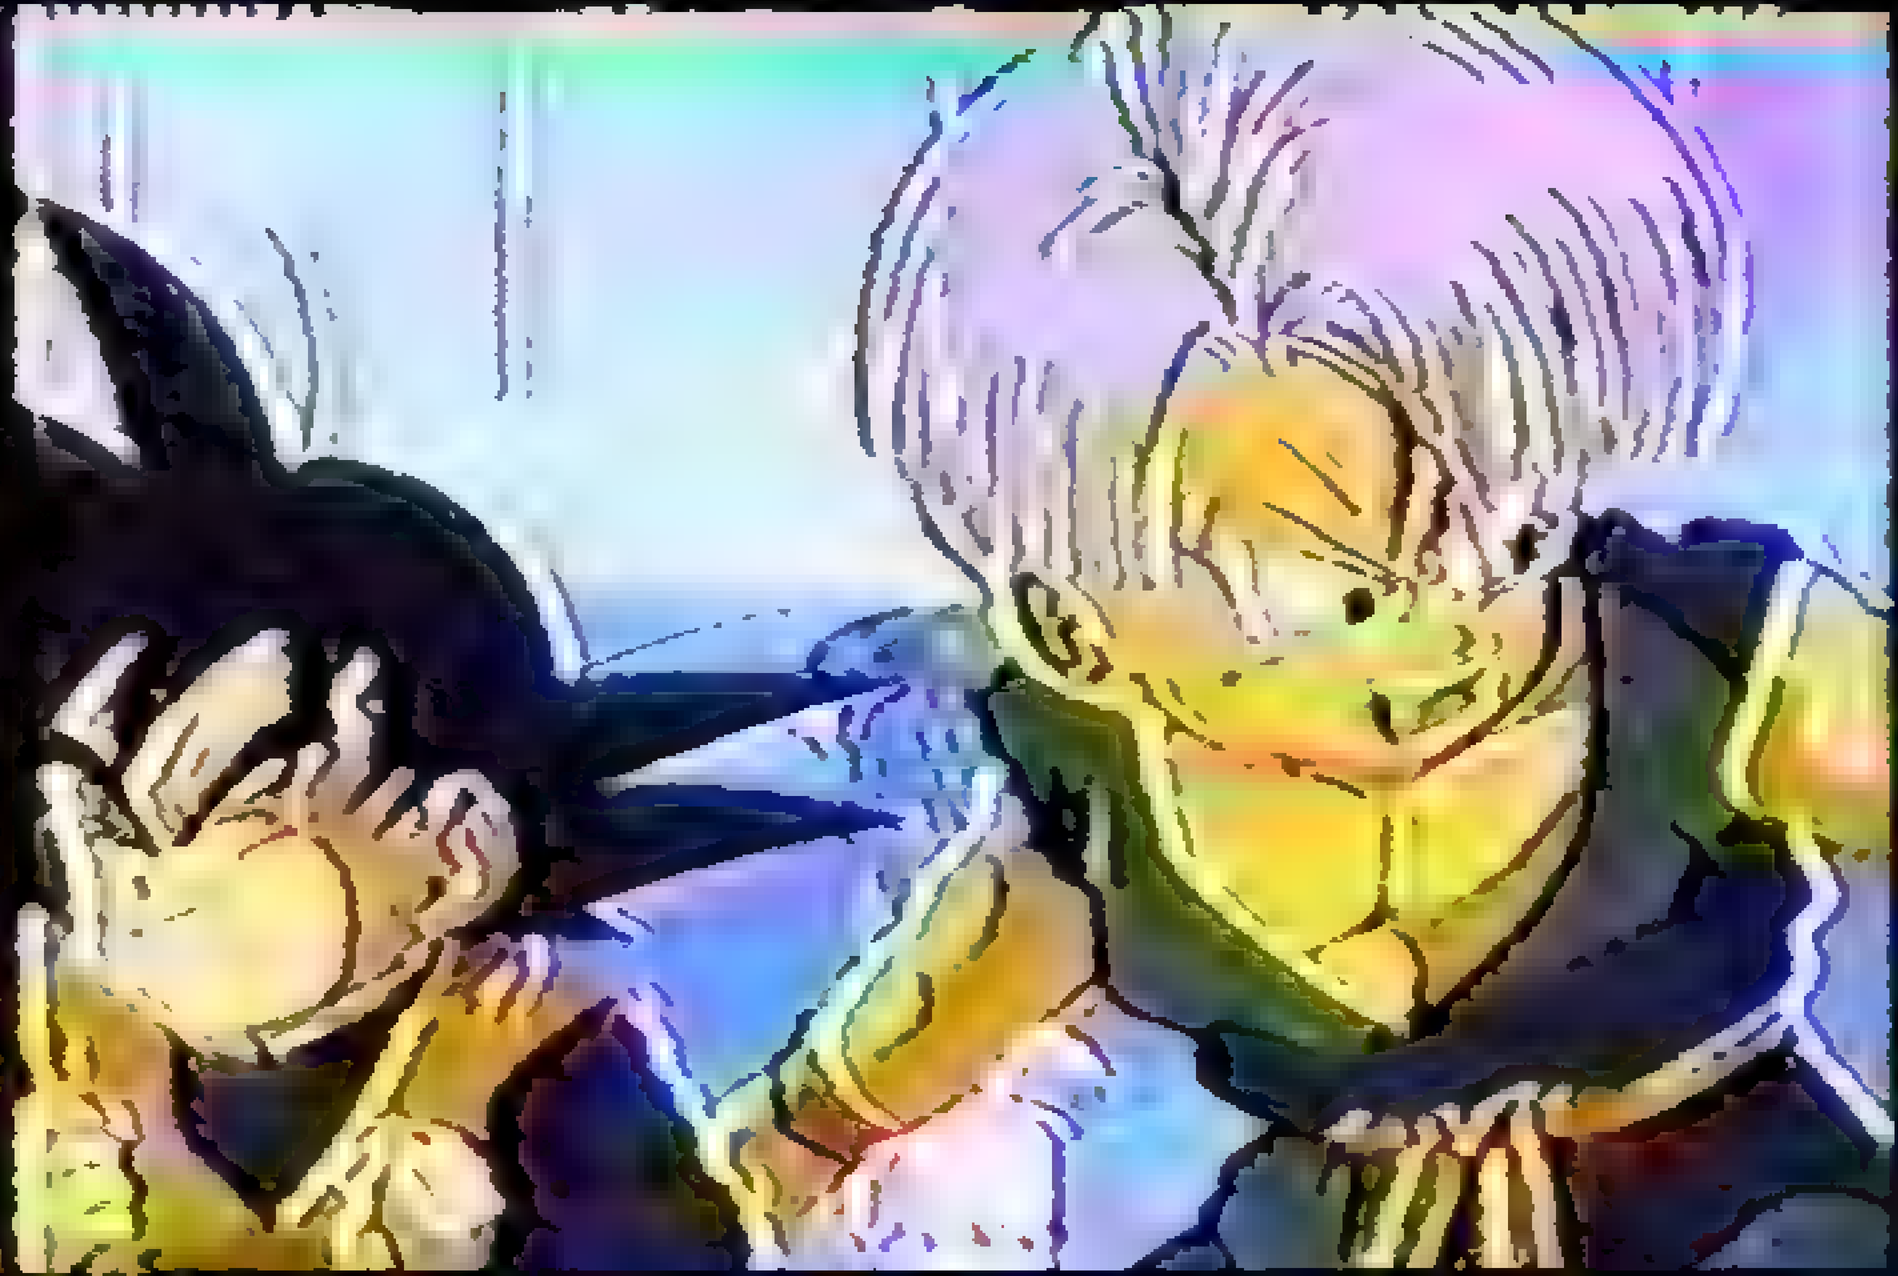

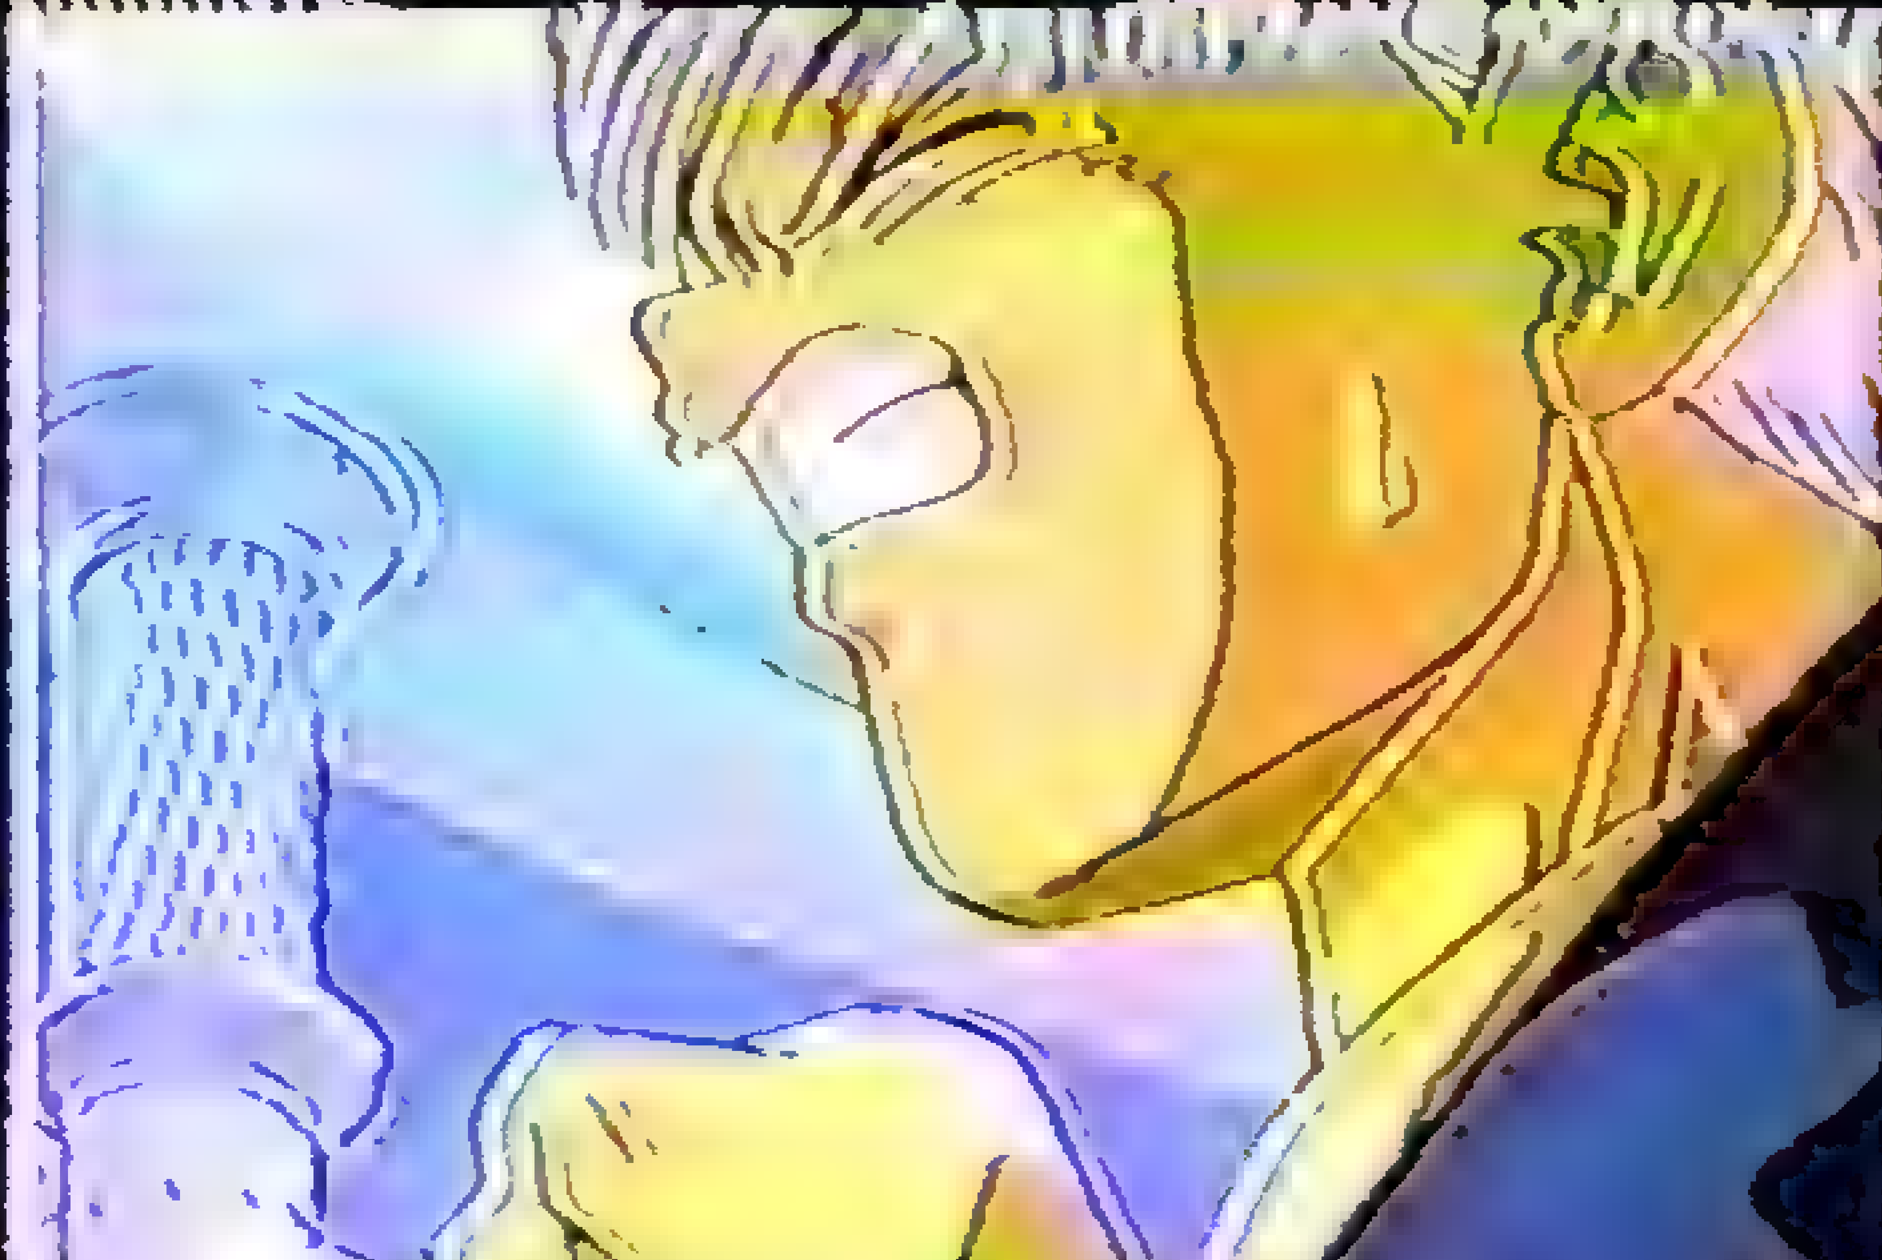

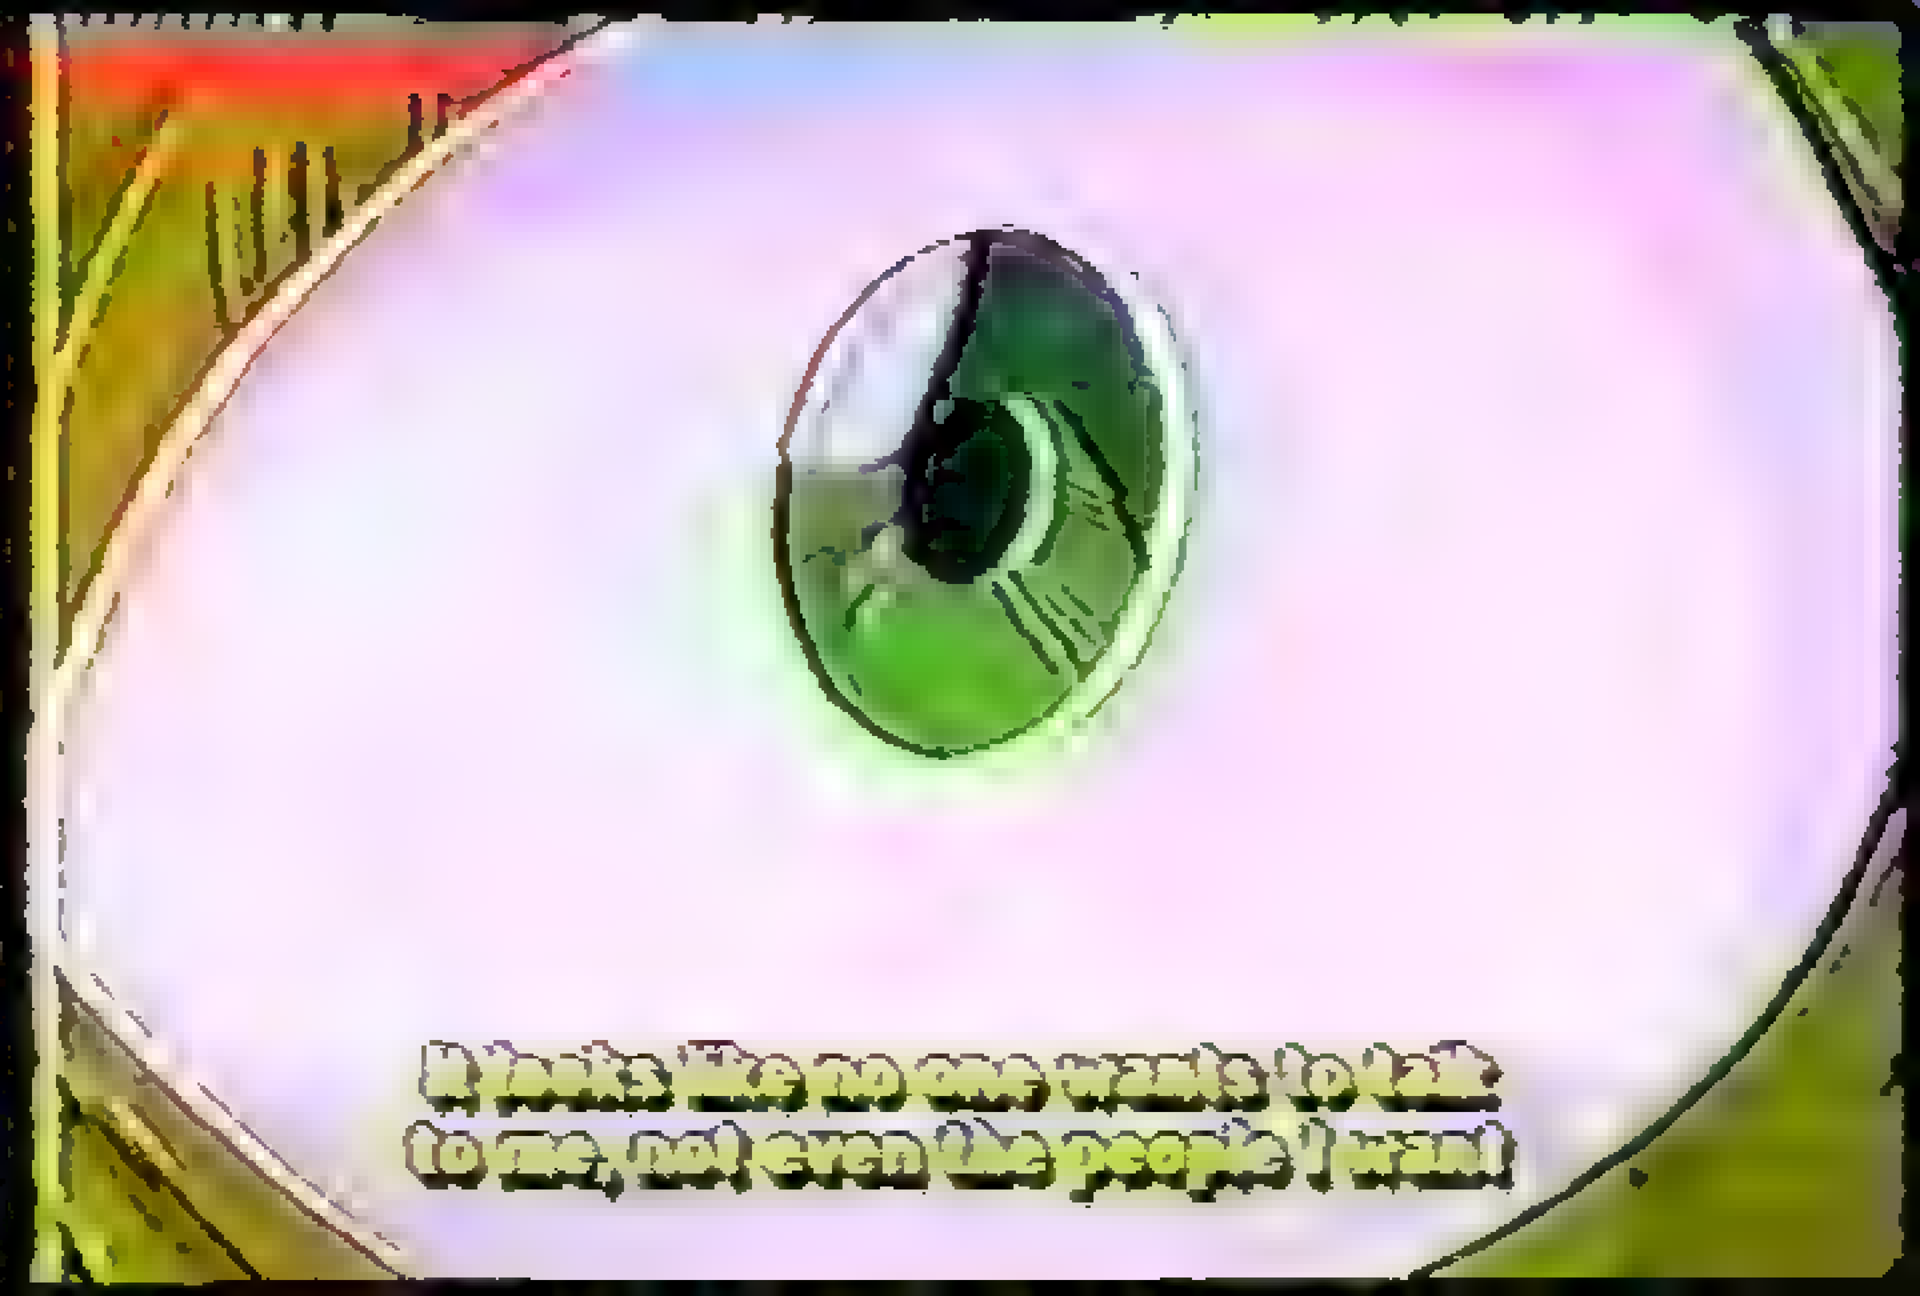

Trunks, close your eyes! You can see Boo!

Don't look...
It's better if you don't look...

It looks like no one wants to talk
to me, not even the people I want!

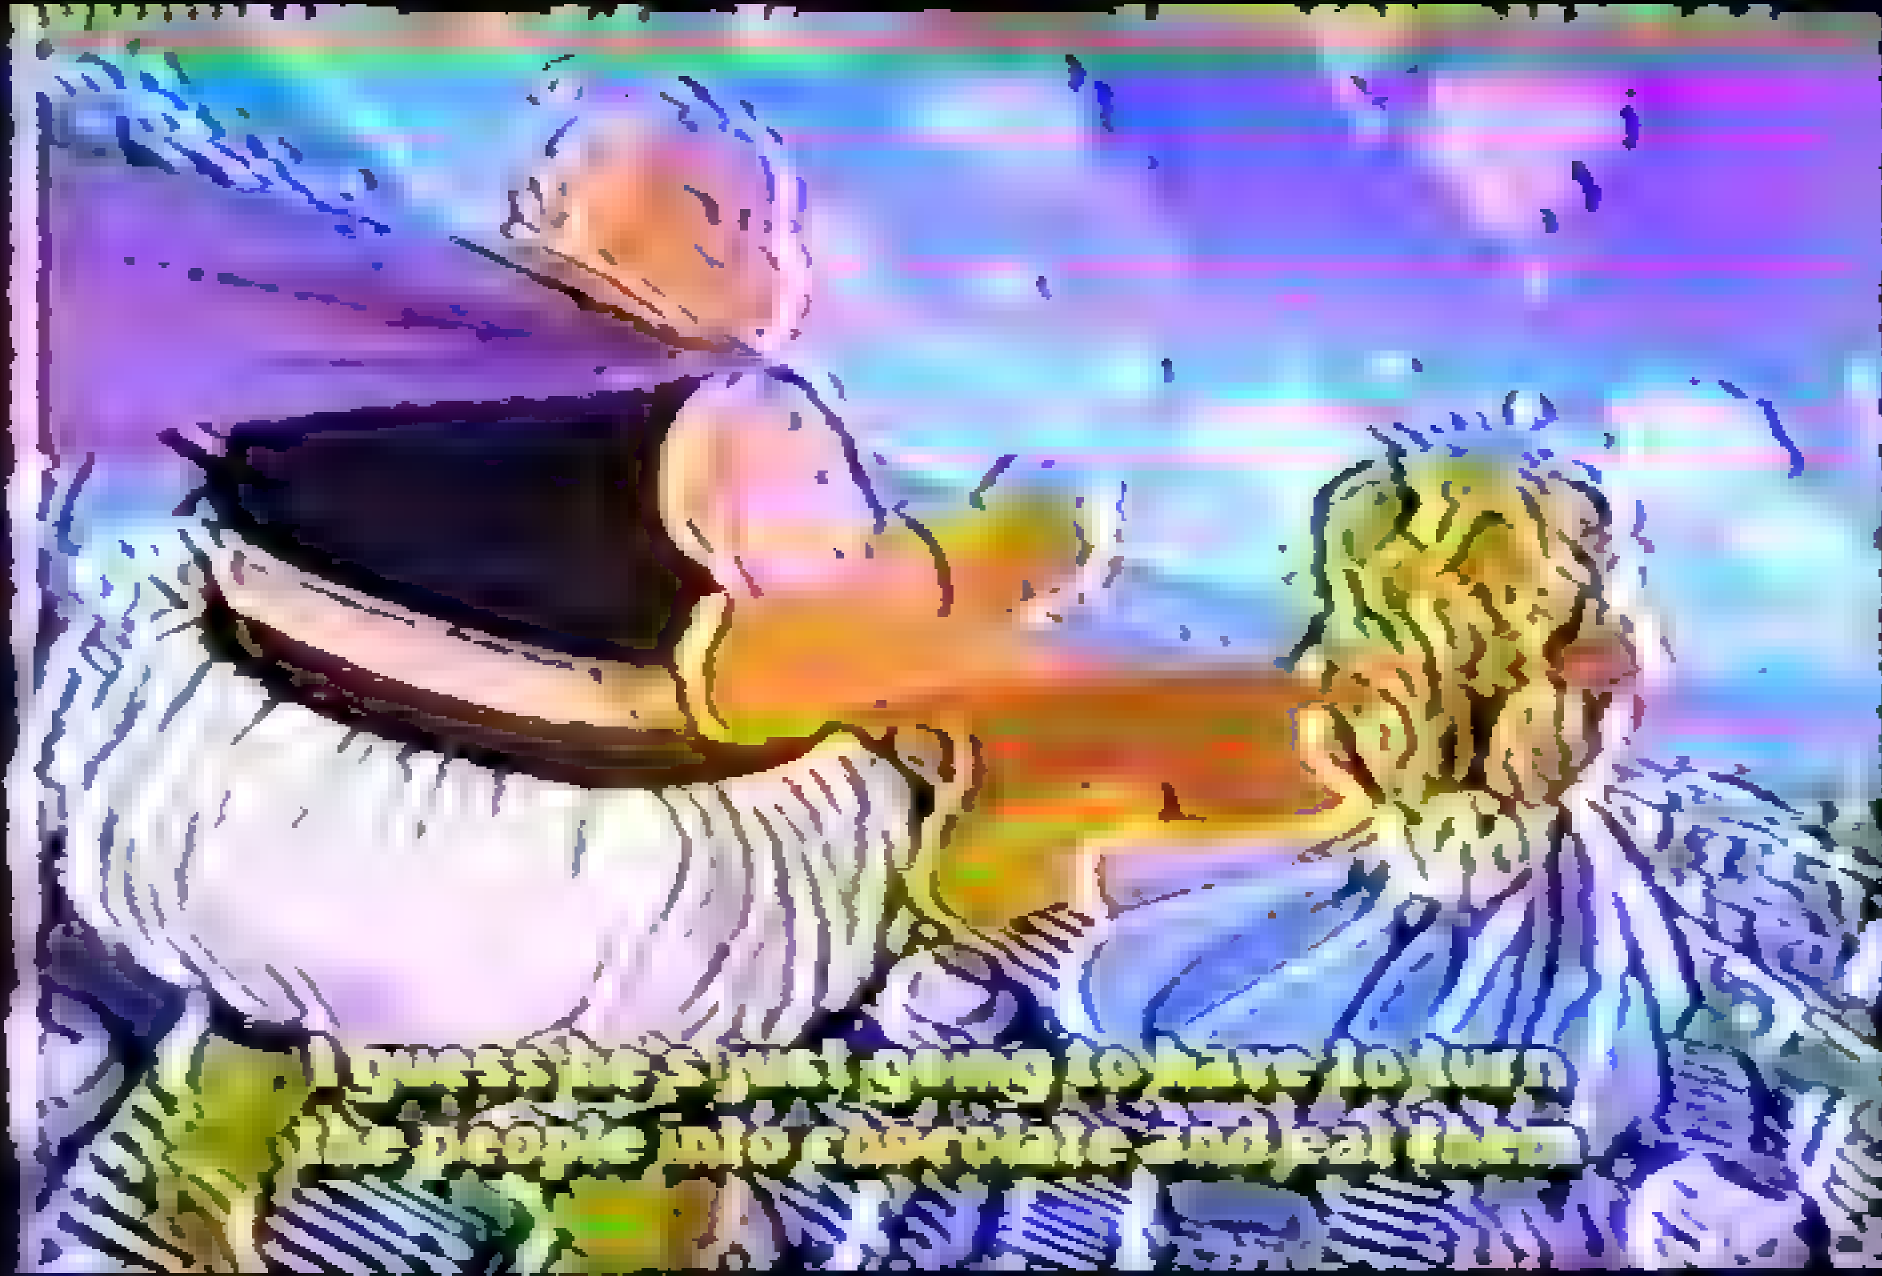

It looks like no one wants to talk
to me, not even the people I want

Let's see, last time we made them into candy...

I guess he's just going to have to turn
the people into chocolate and eat them

Okay, Majin Buu! Turn all the people of
this city into chocolate and eat them!

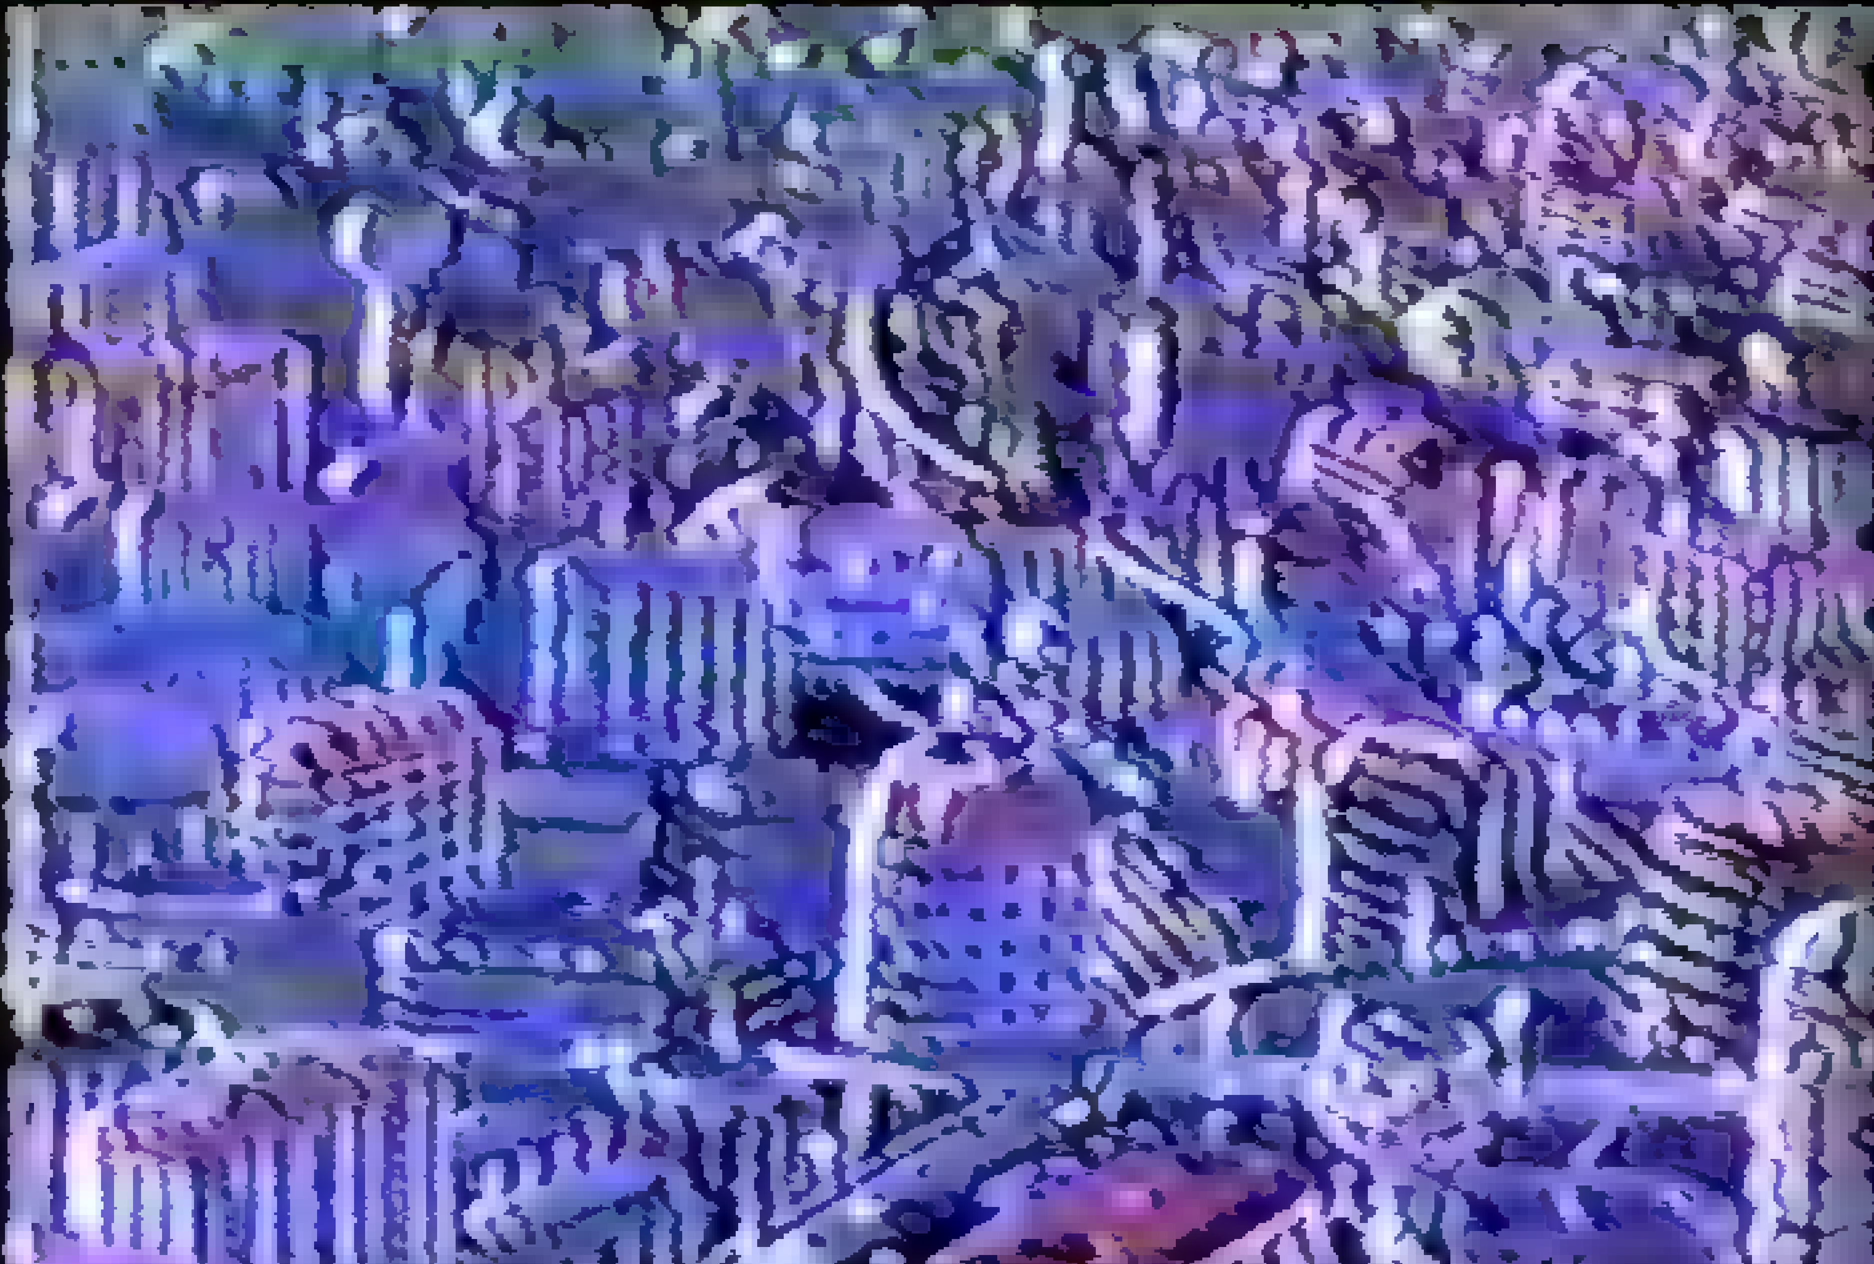

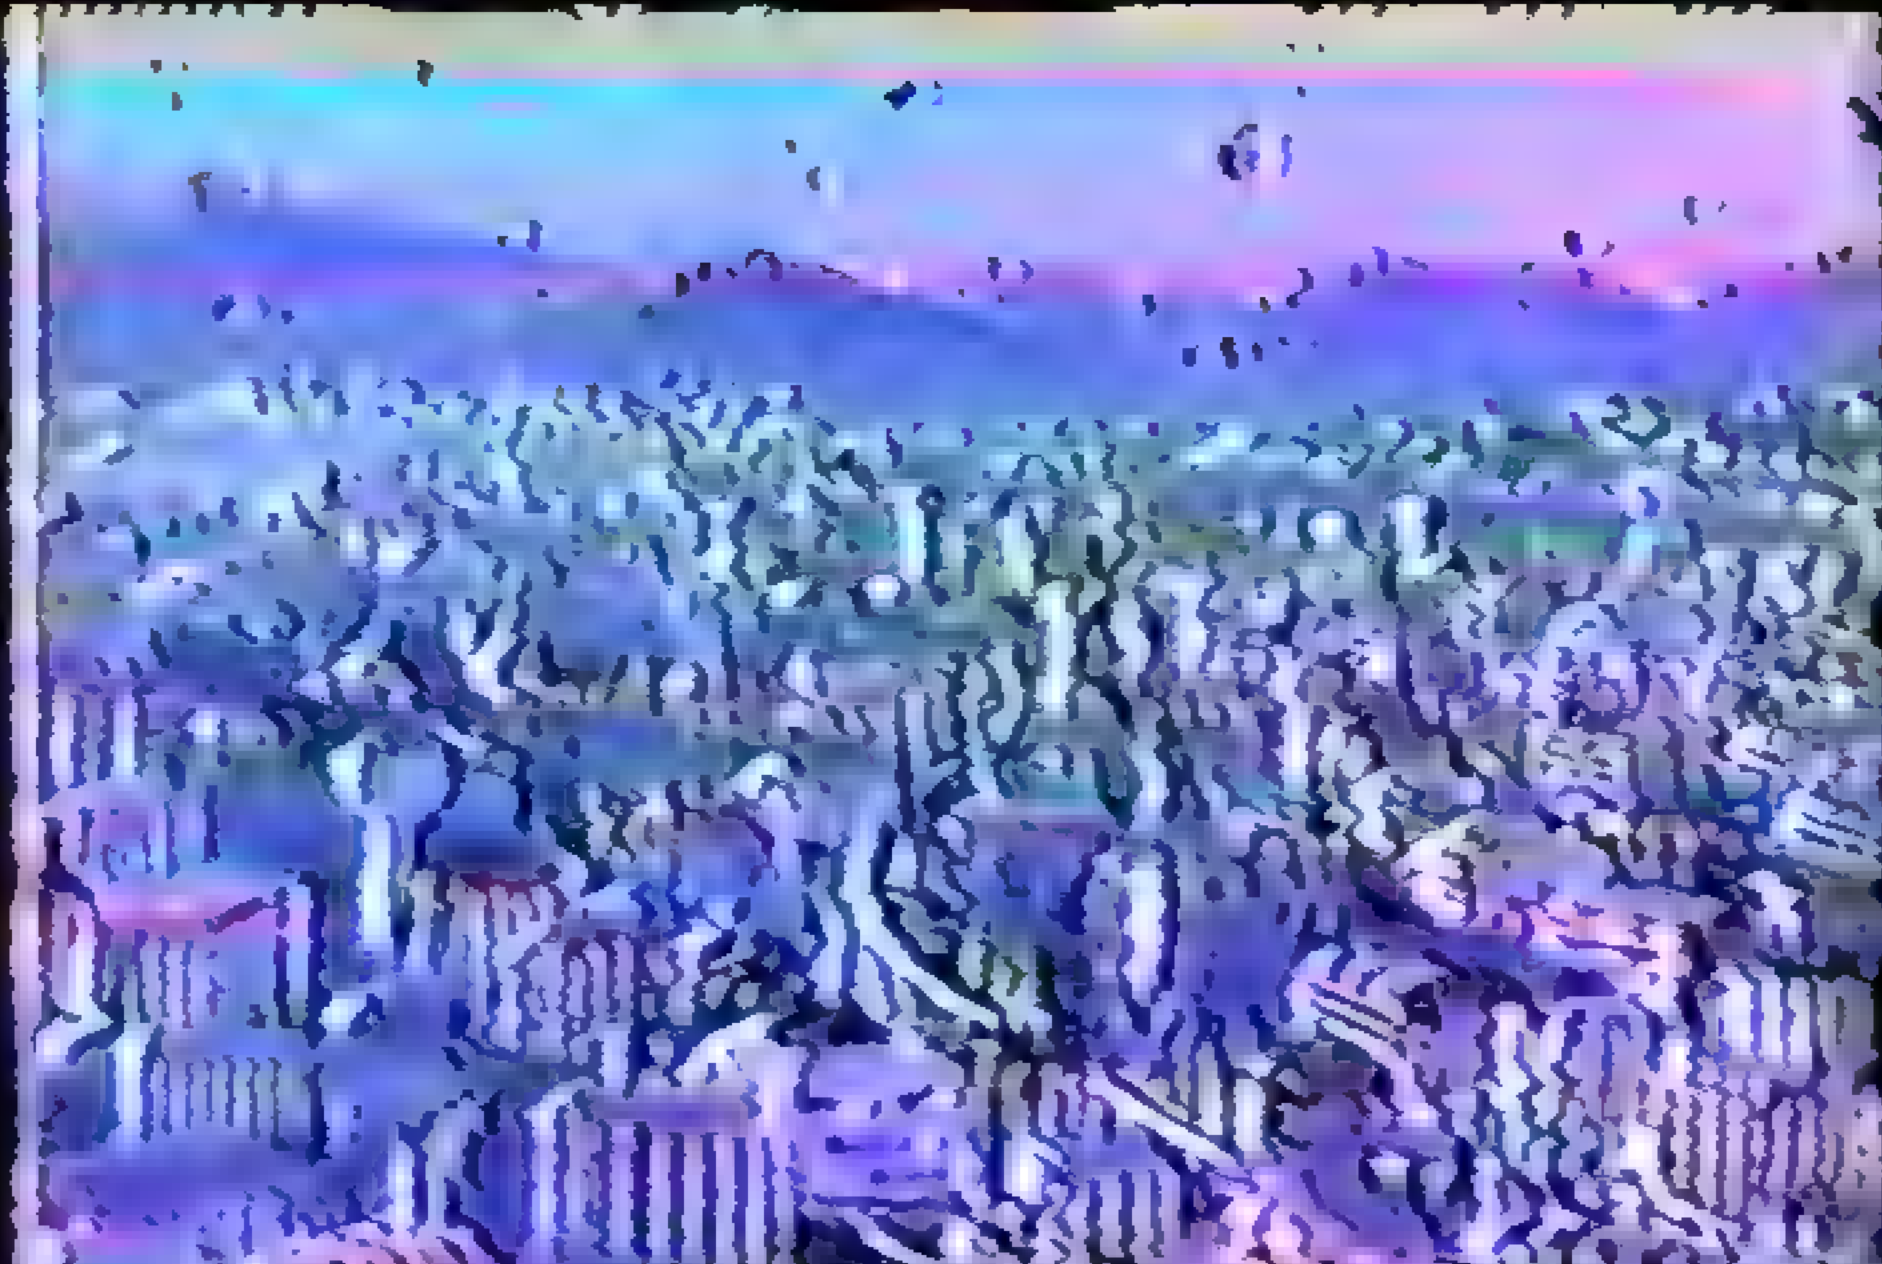

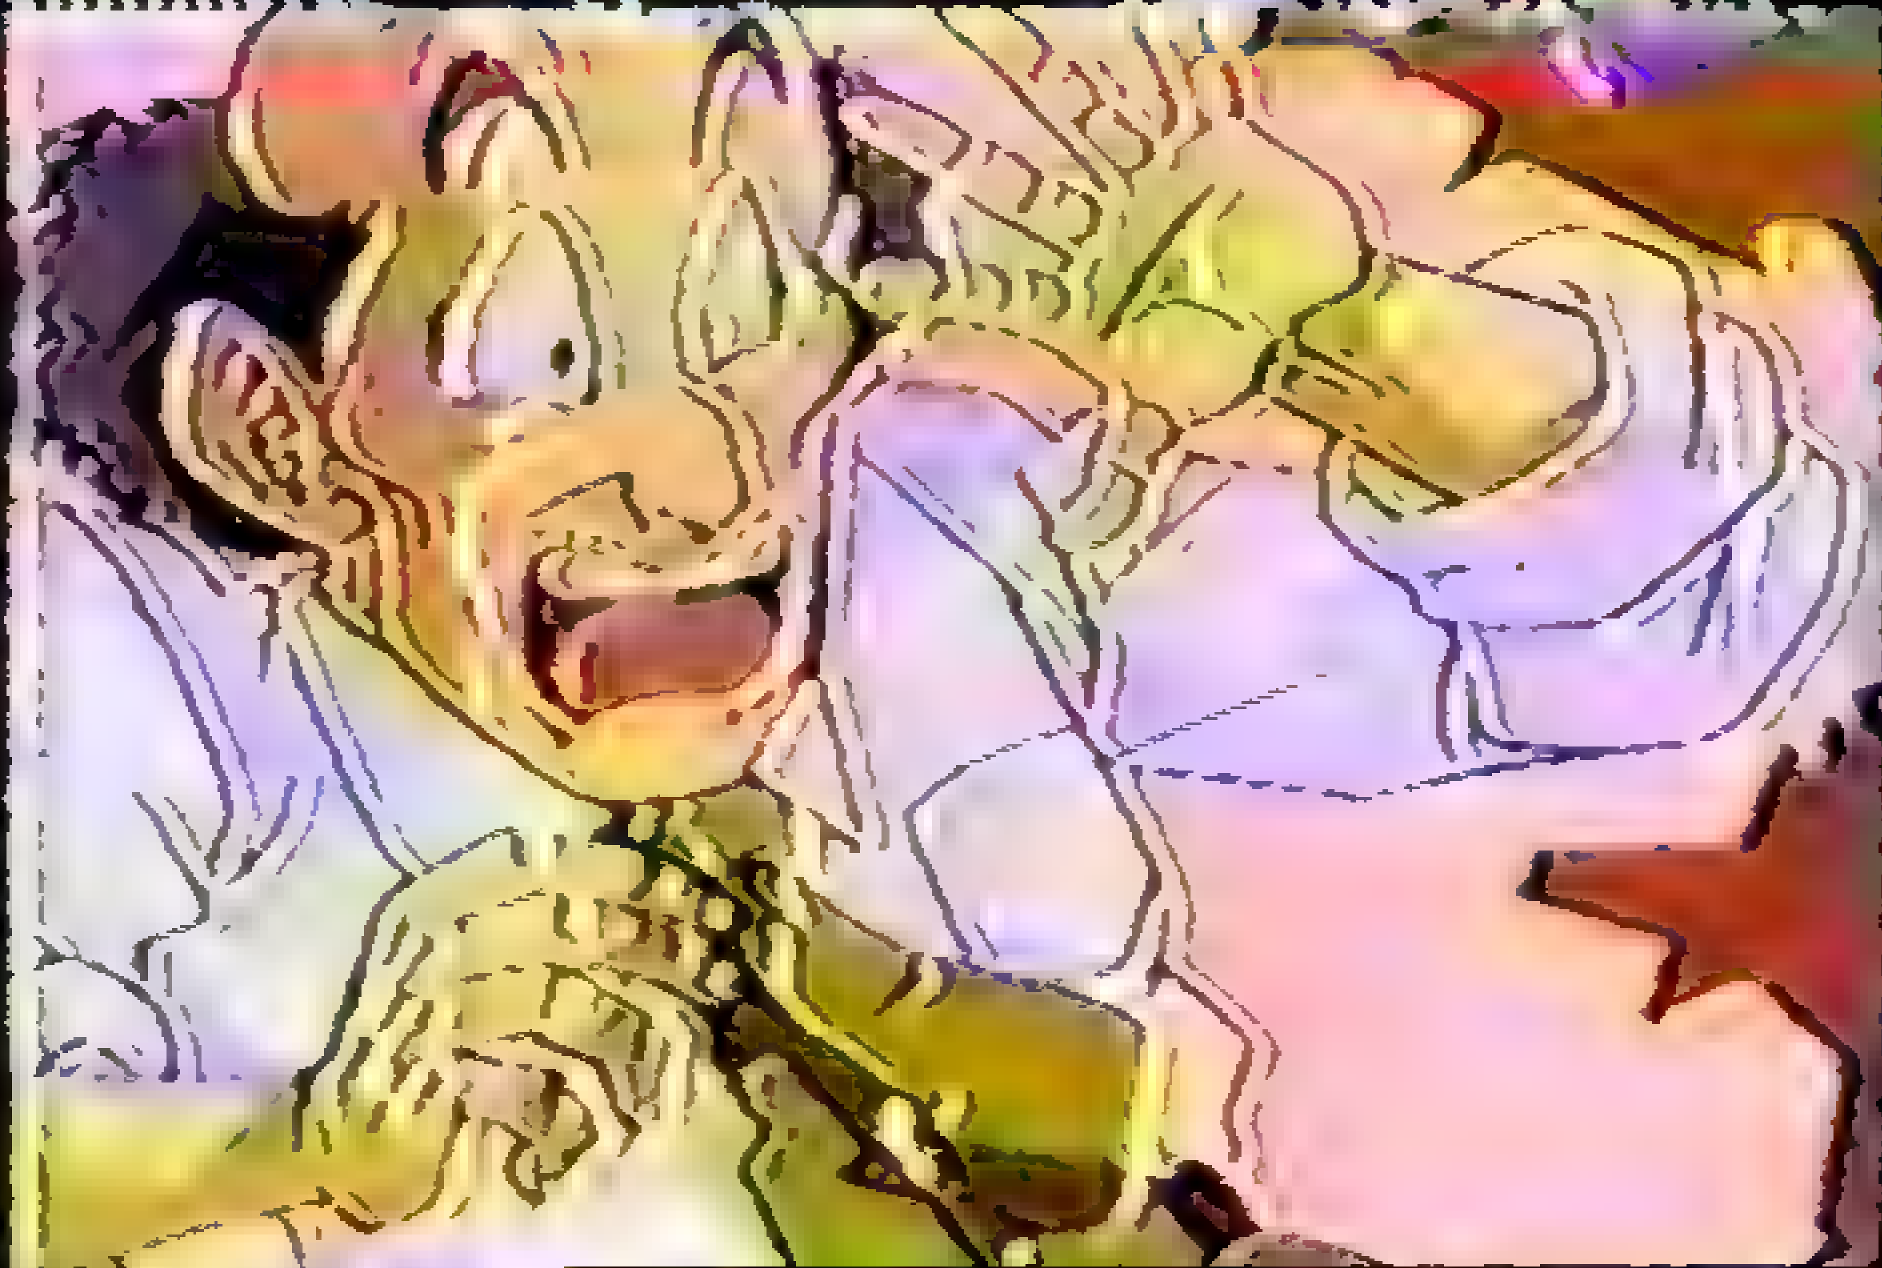

Become chocolate!!

Become chocolate!

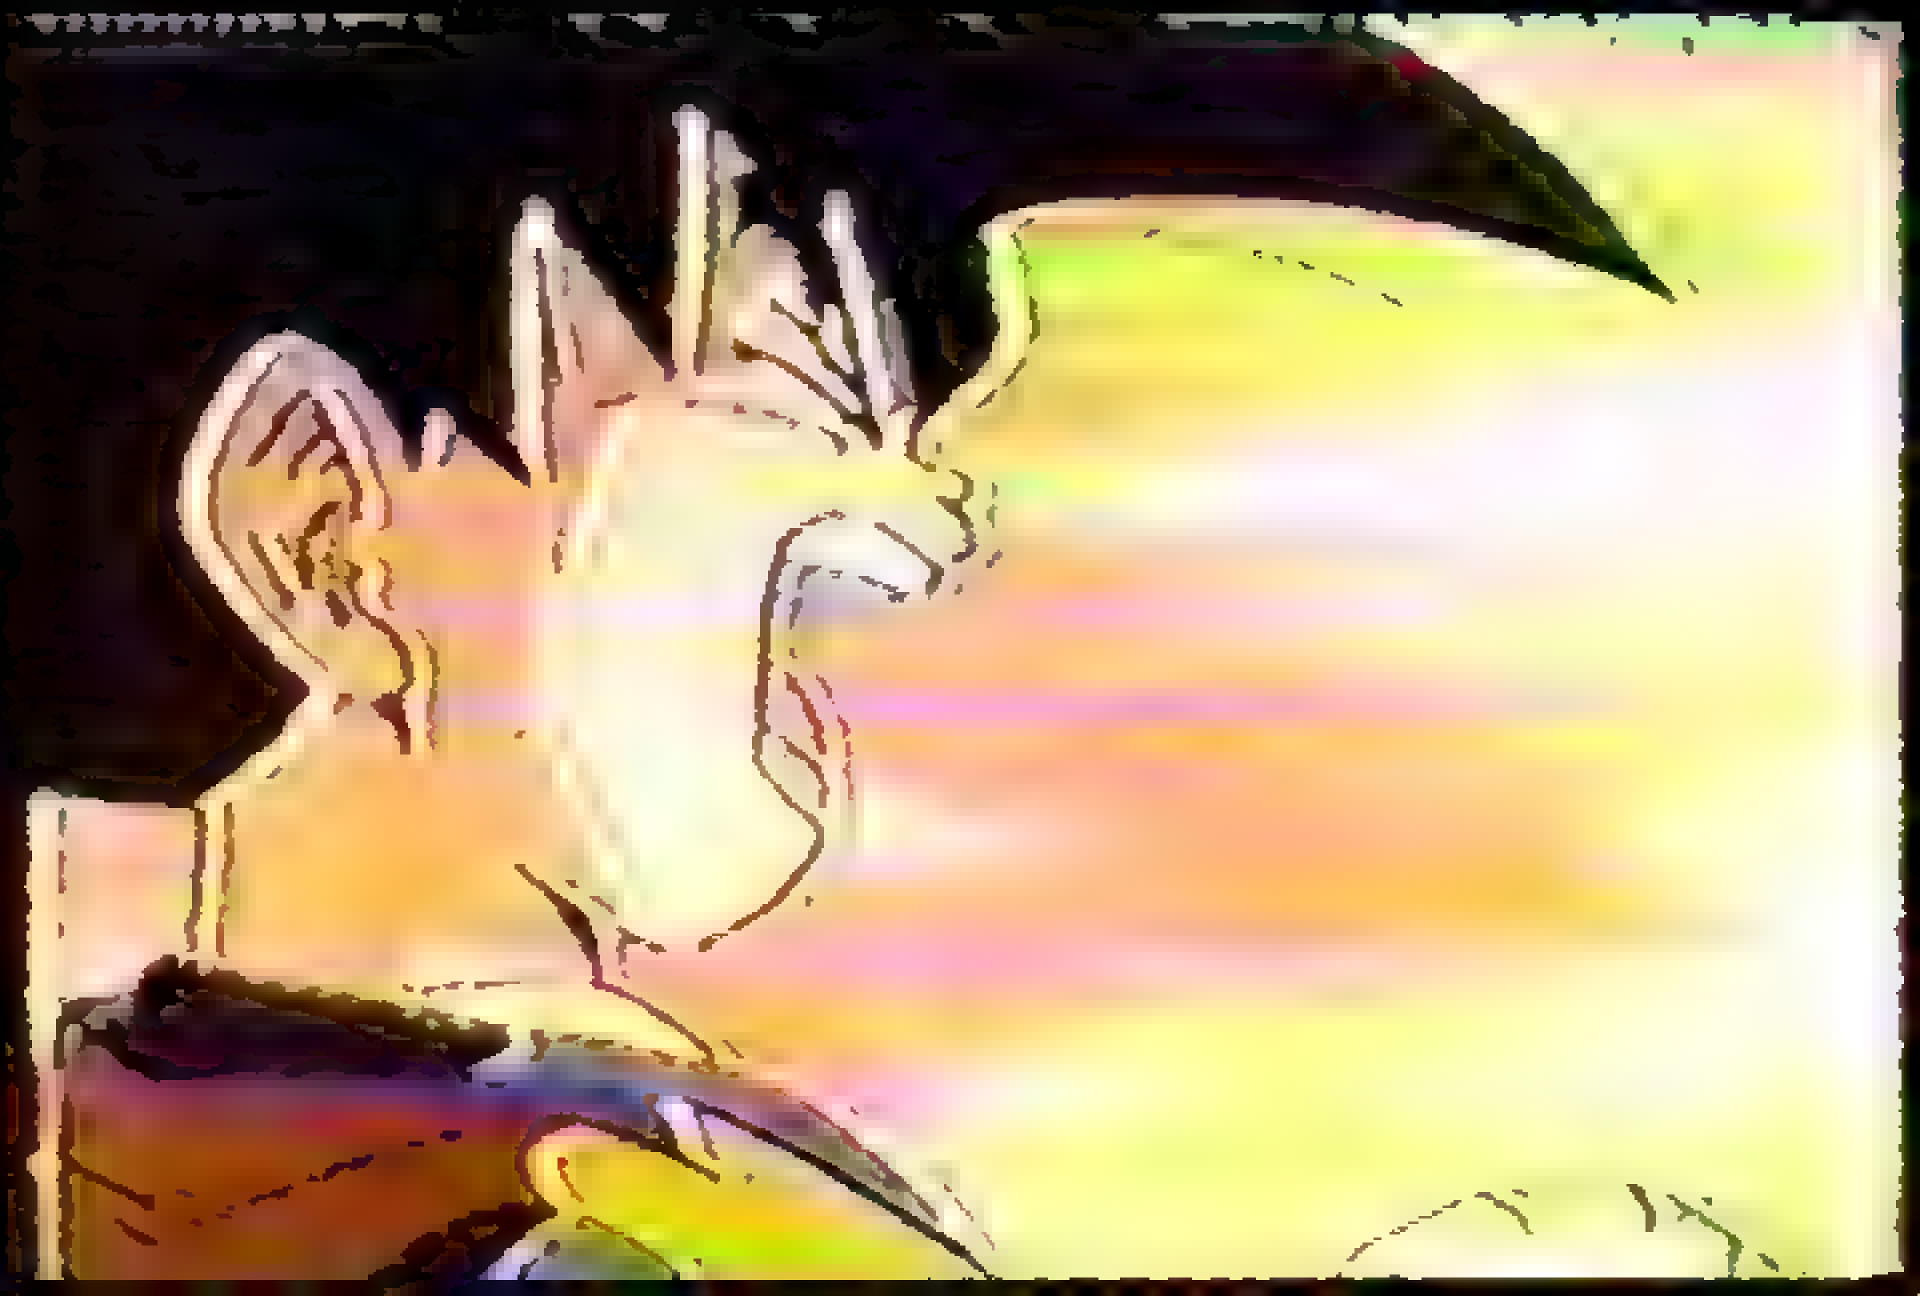

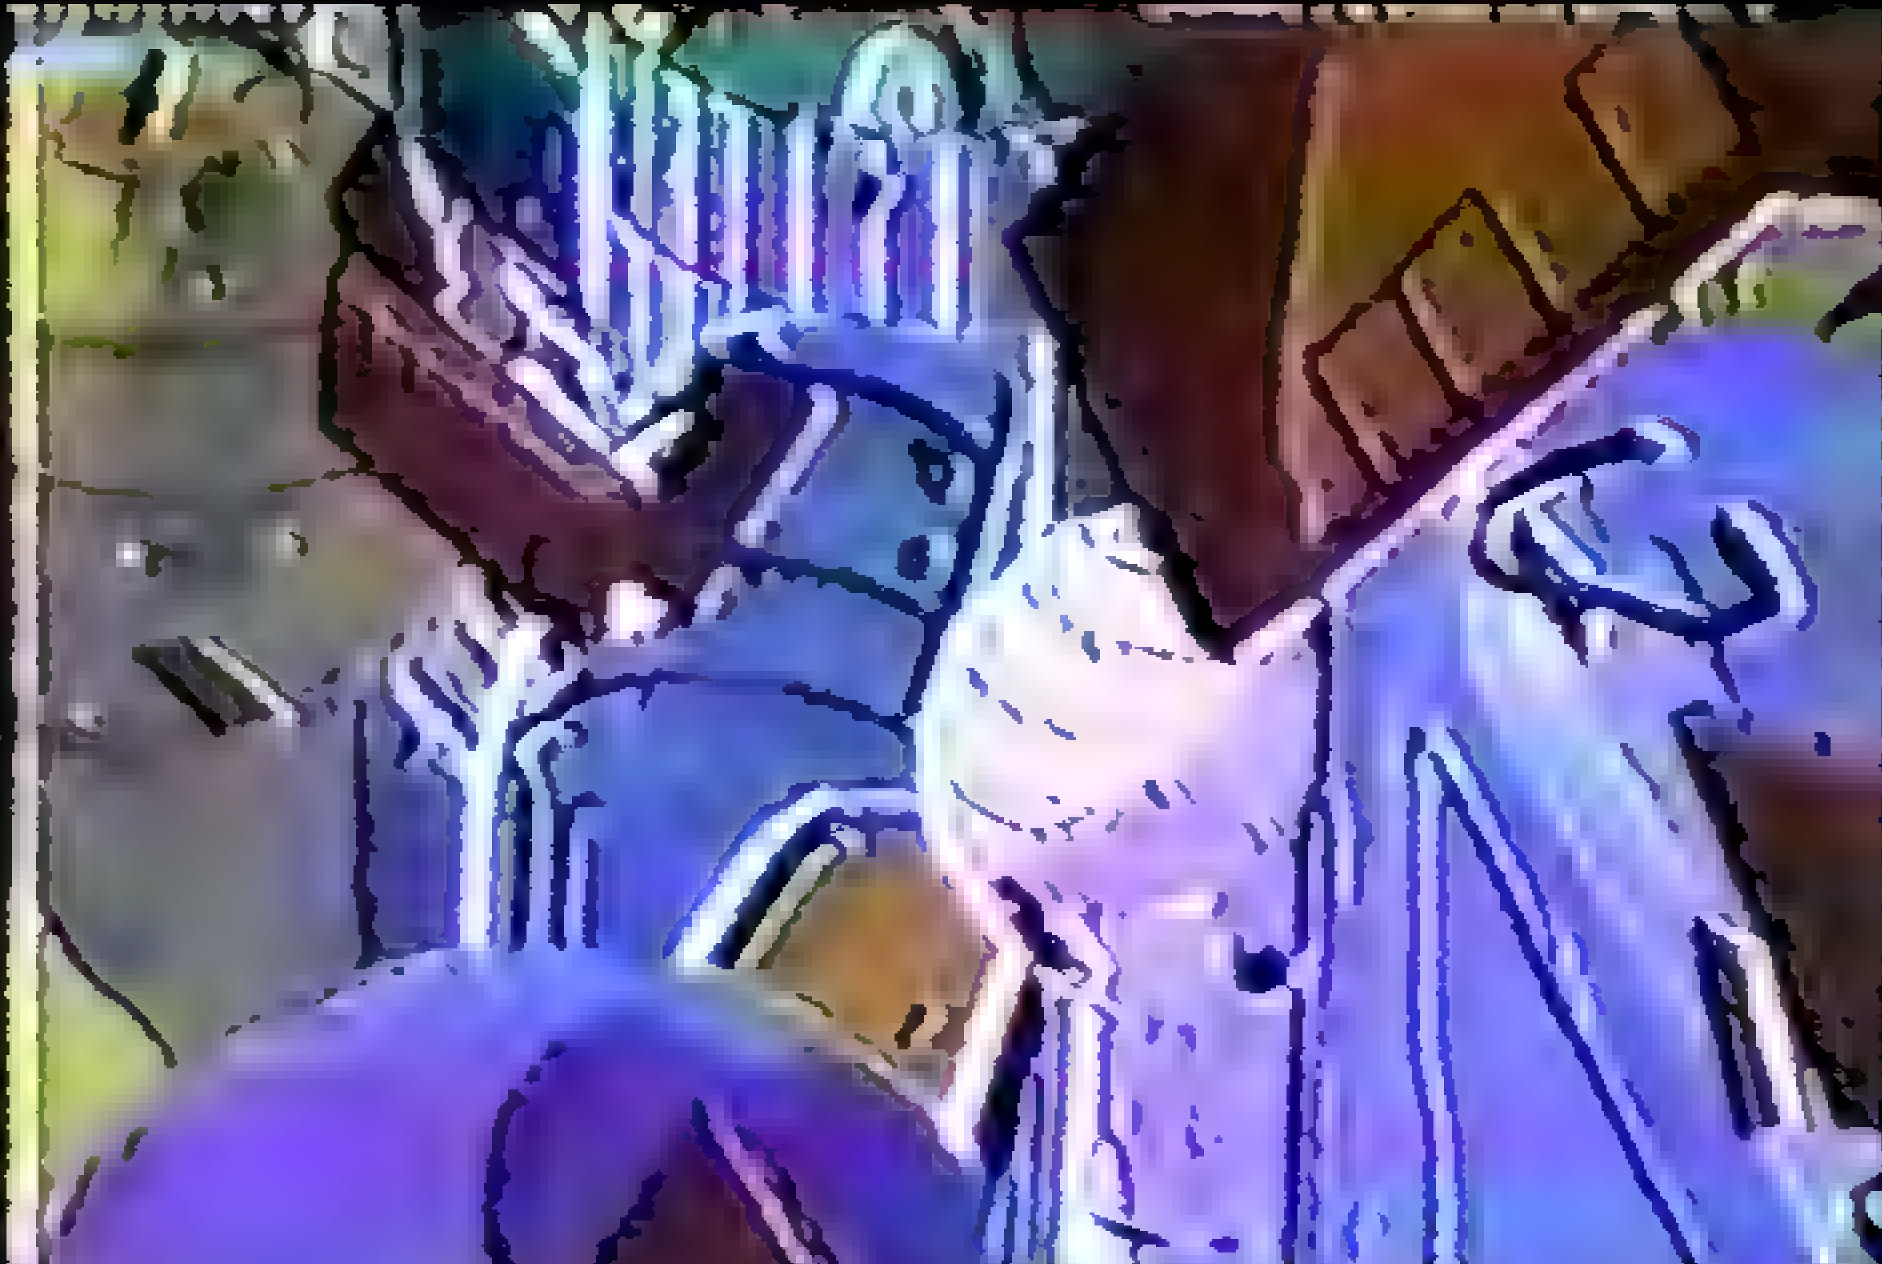

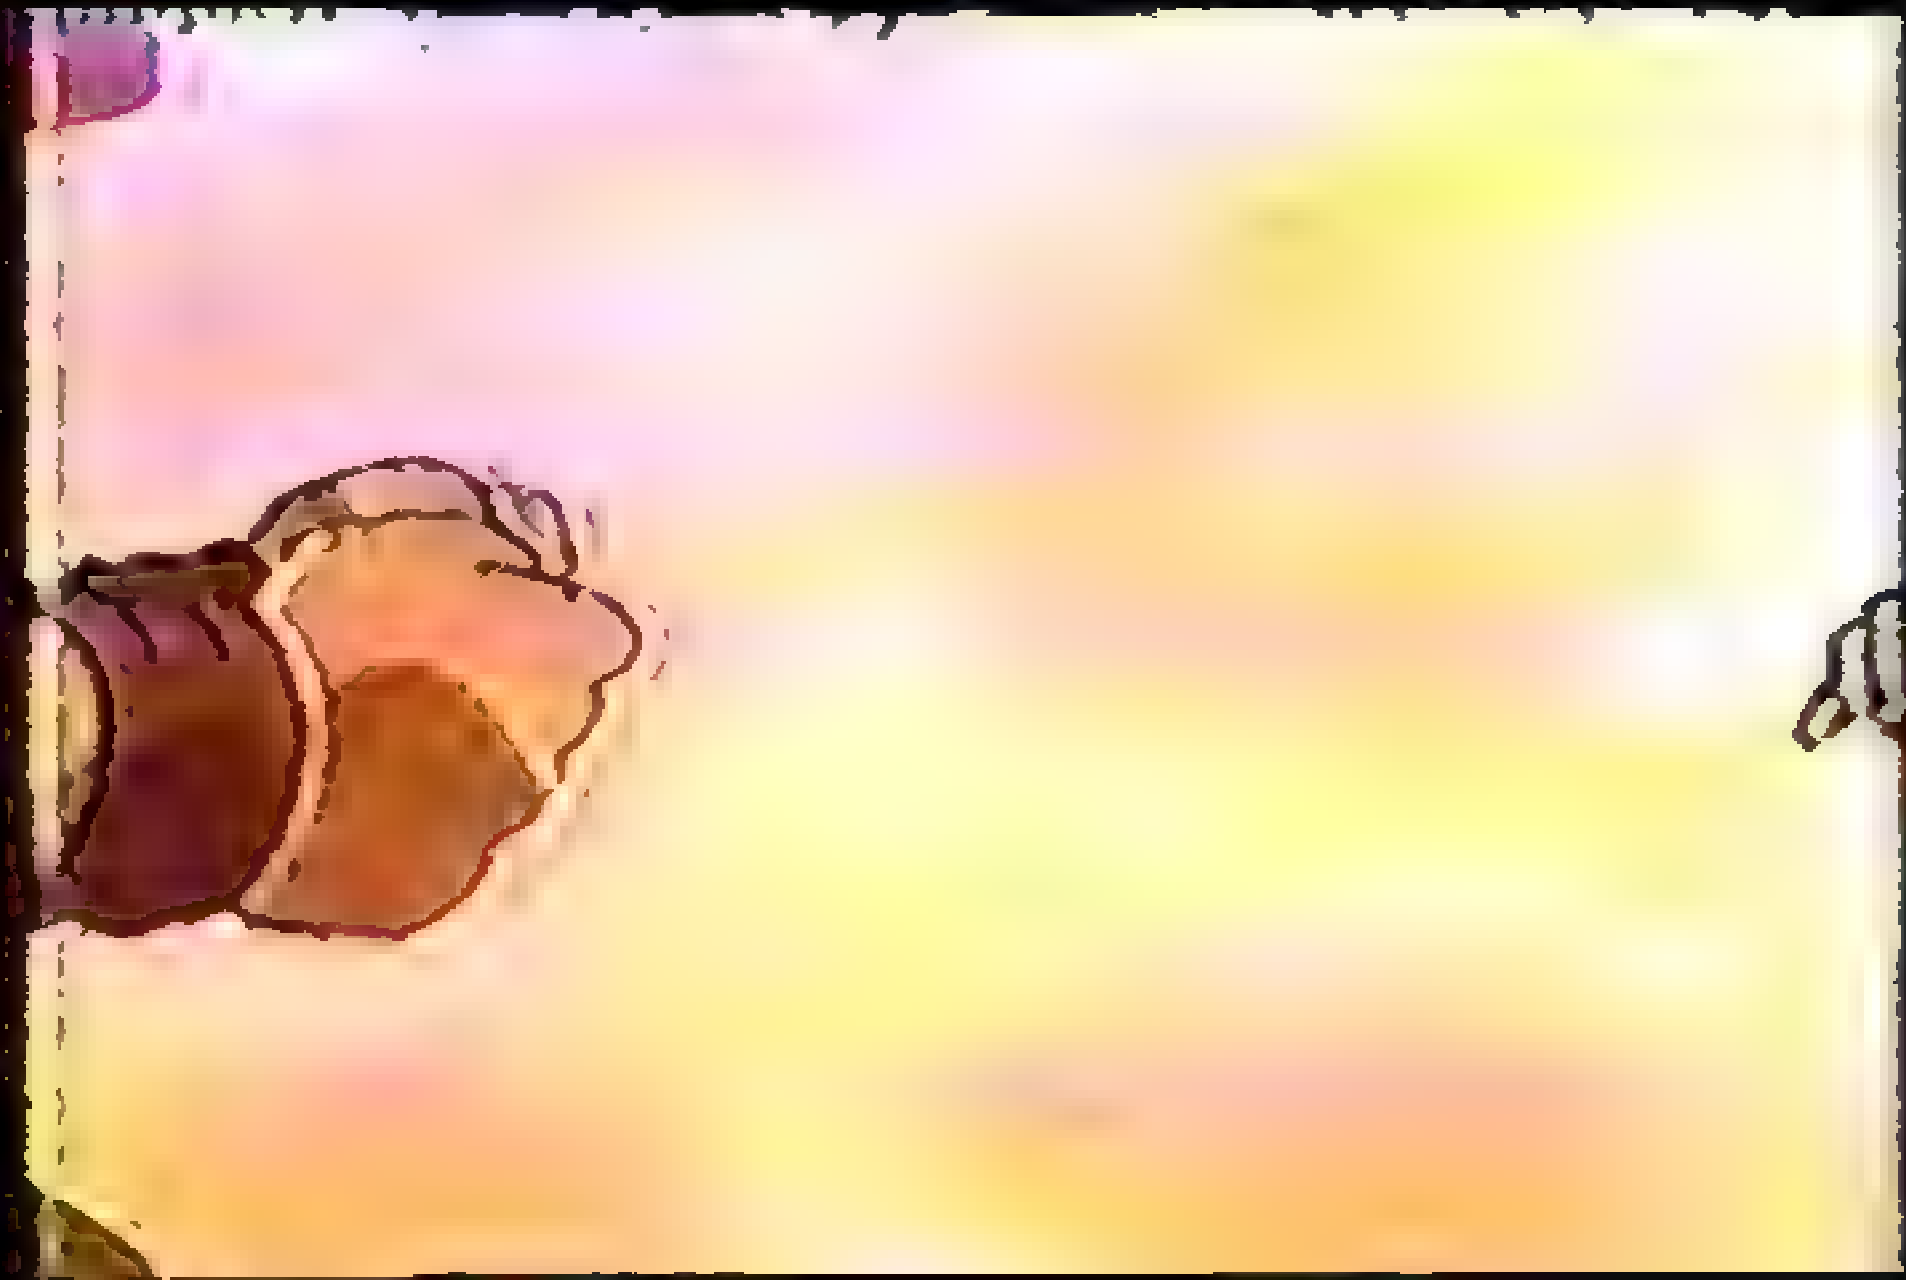

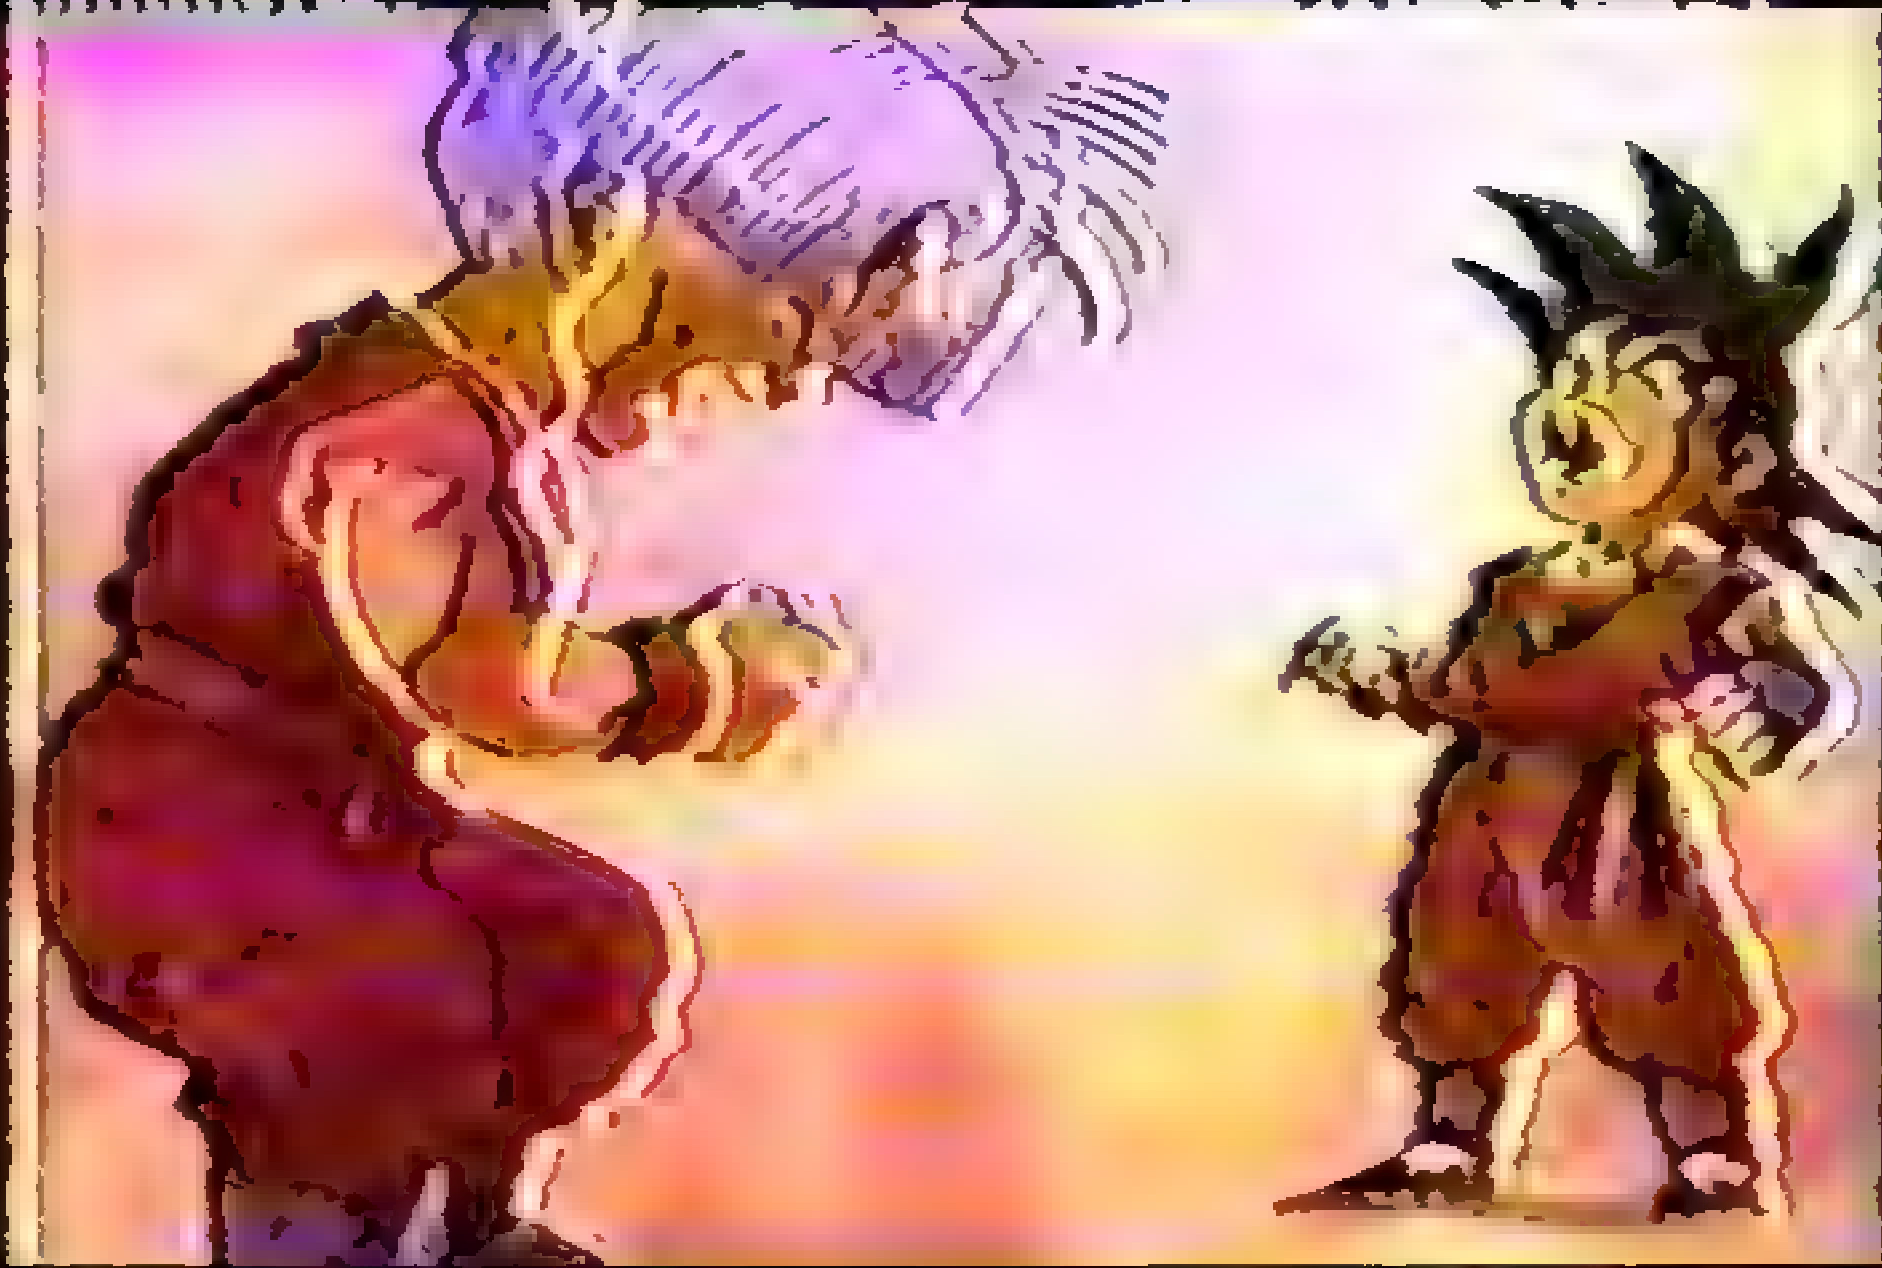

He's turning them into chocolates!

Isn't that Porsche City?

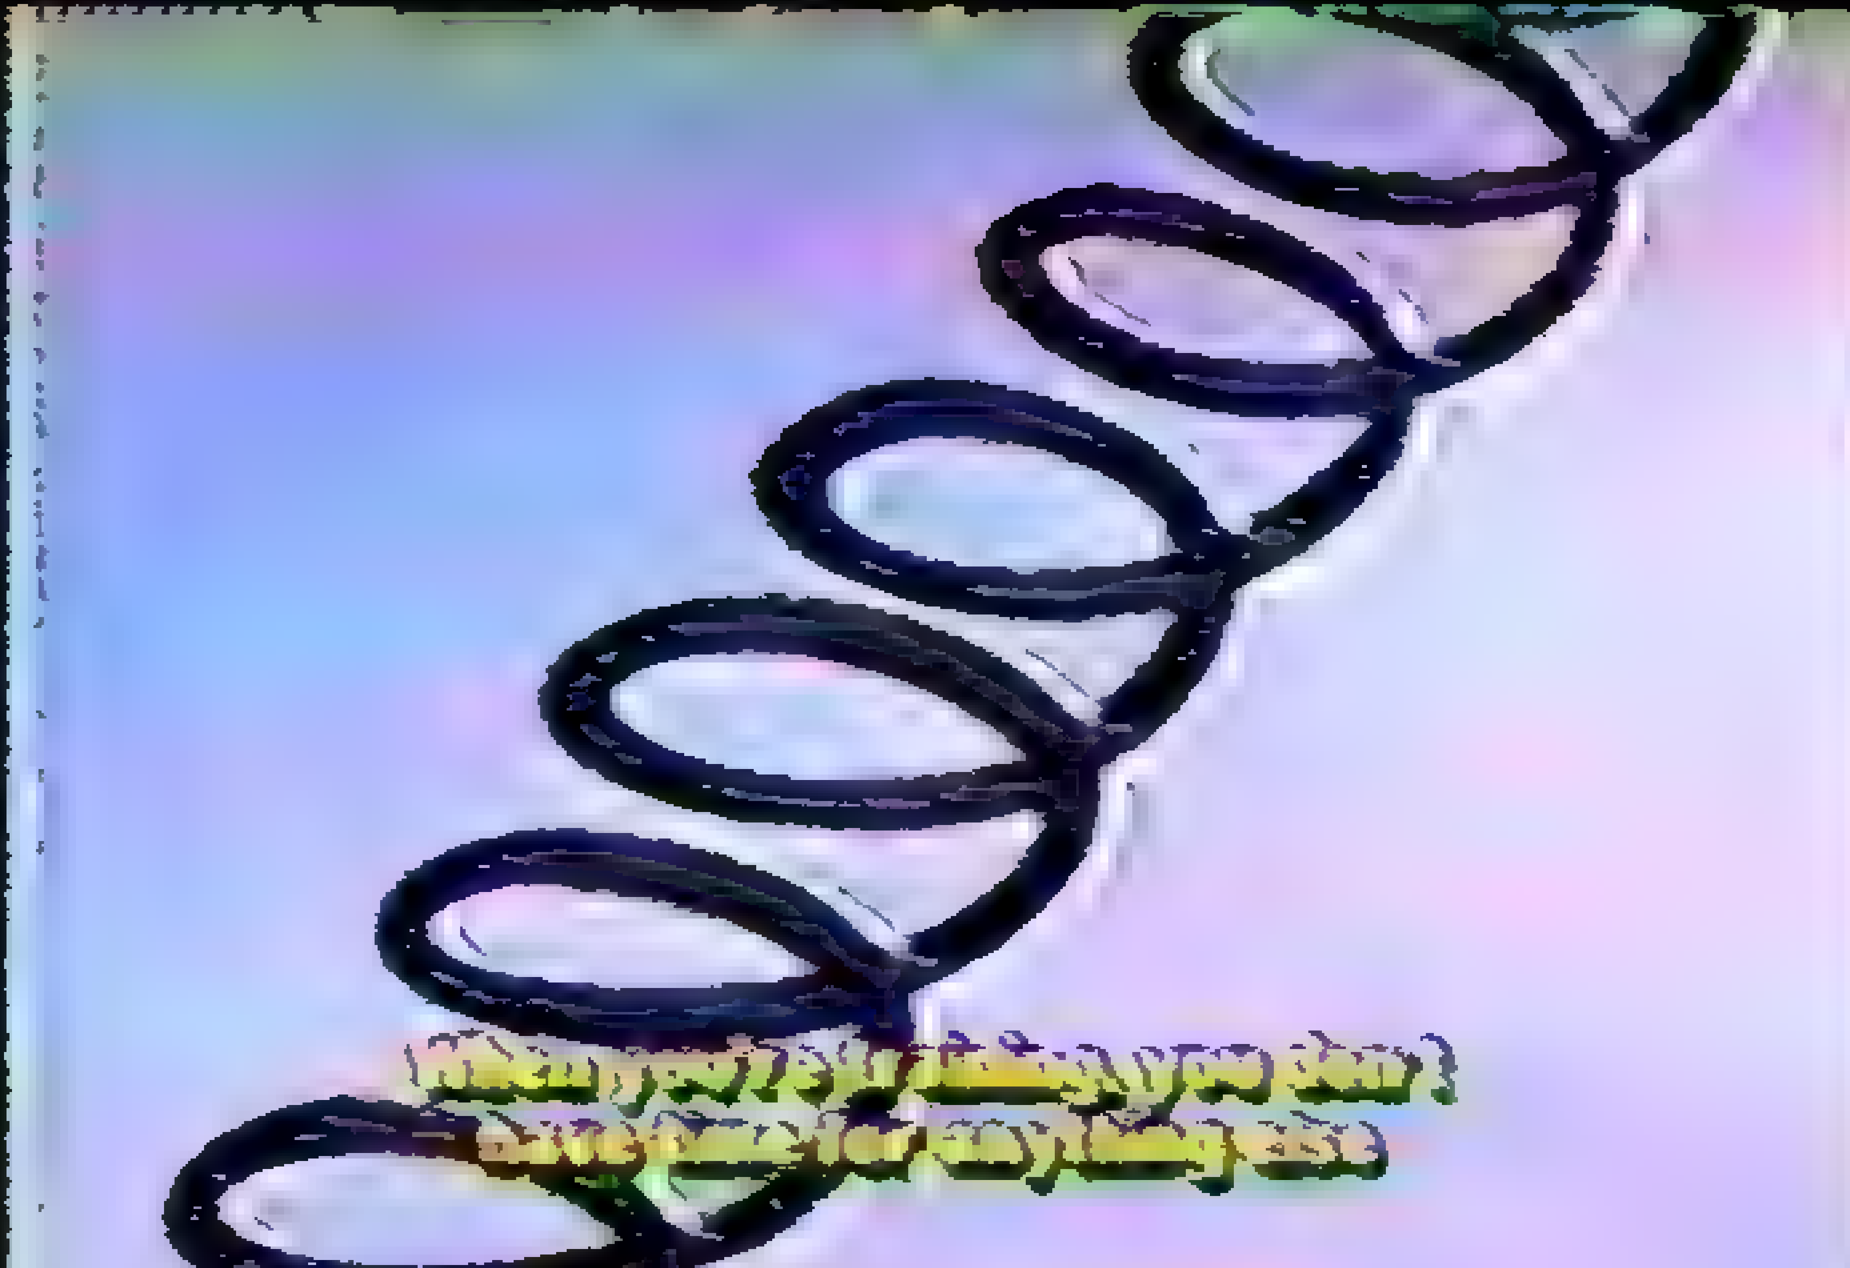

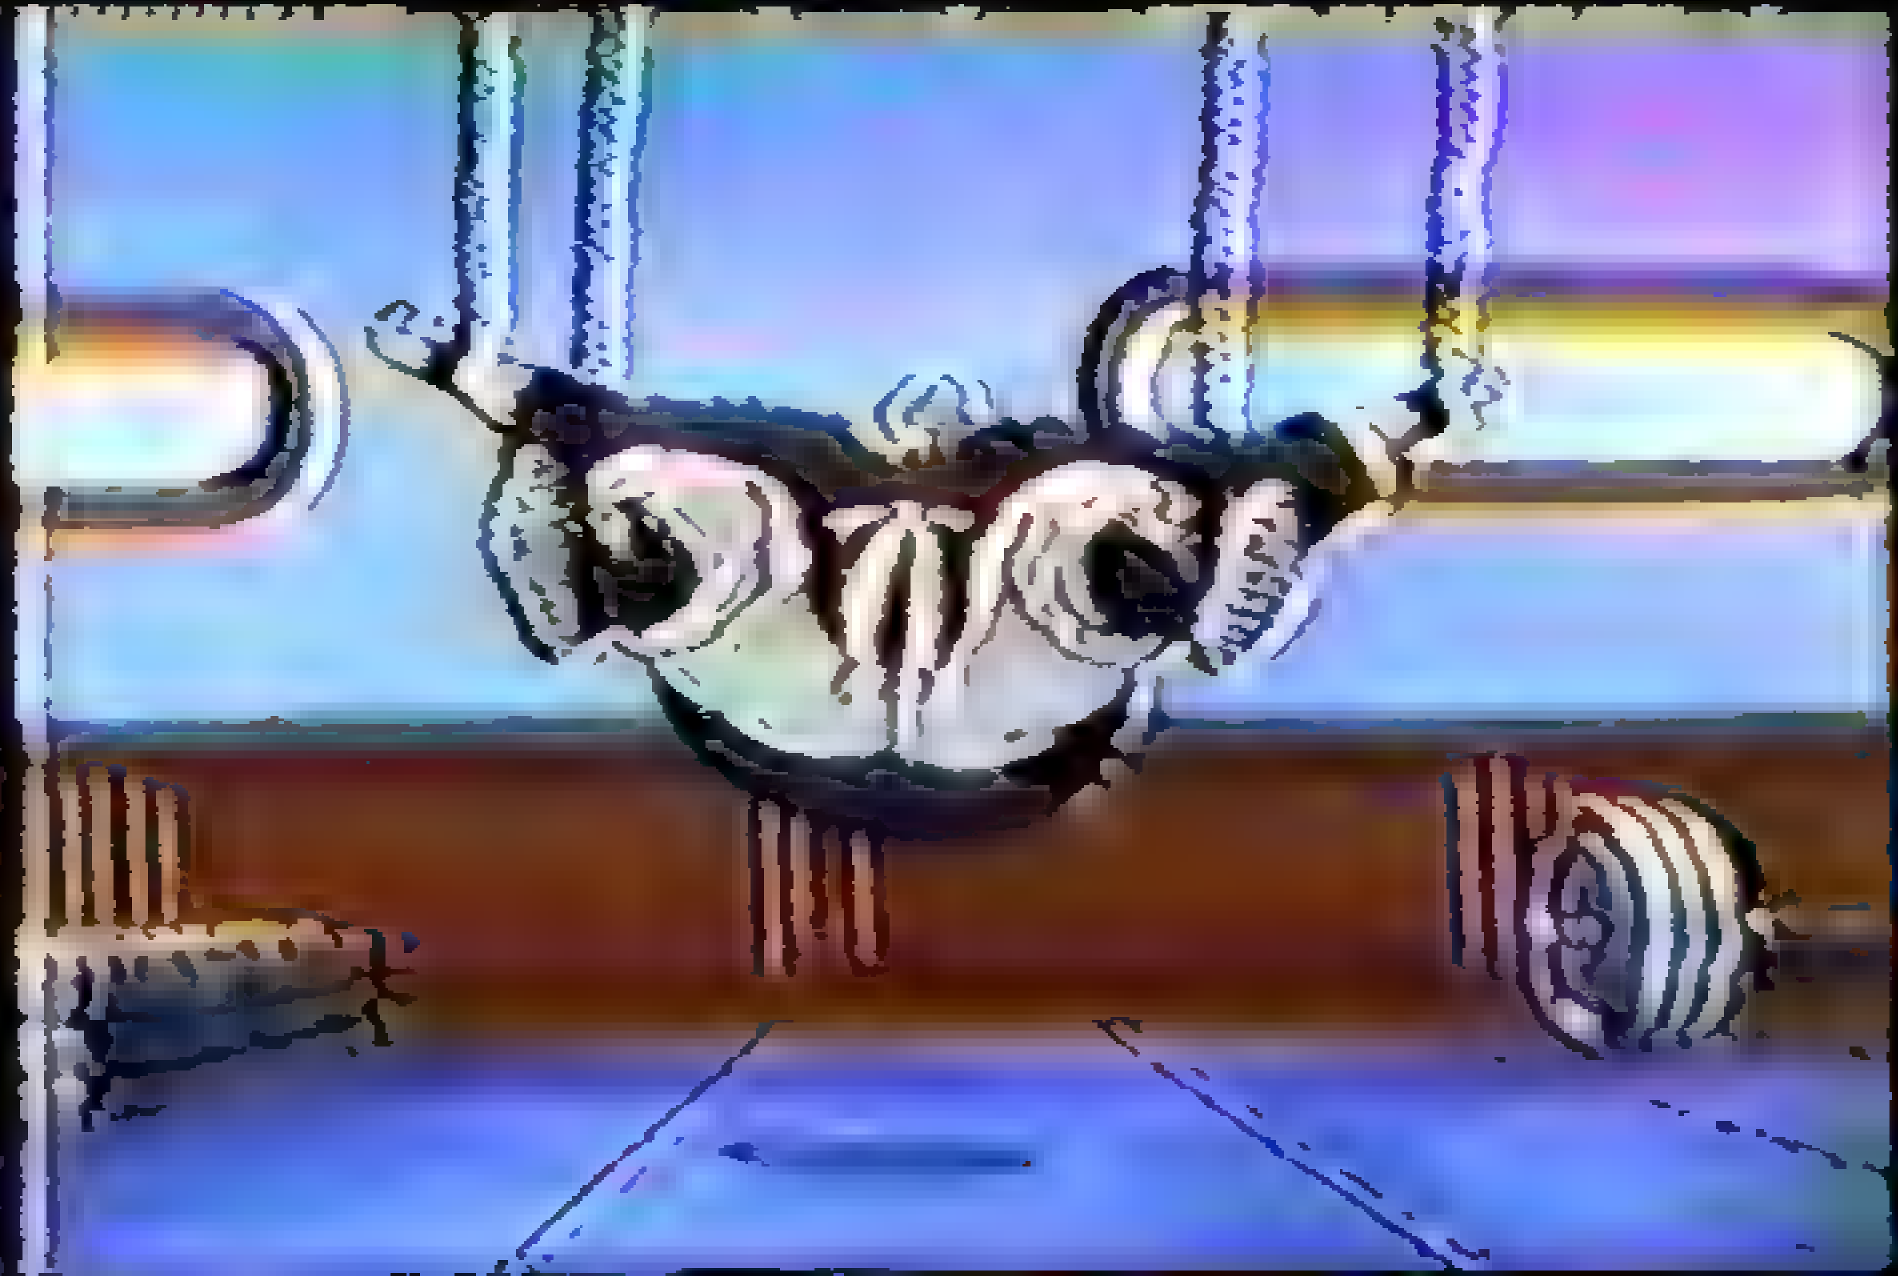

Stop thinking about 17(eleven)
stuff like that and concentrate

We're just forgotten how

Otherwise, there's no way that

Okay, do it!

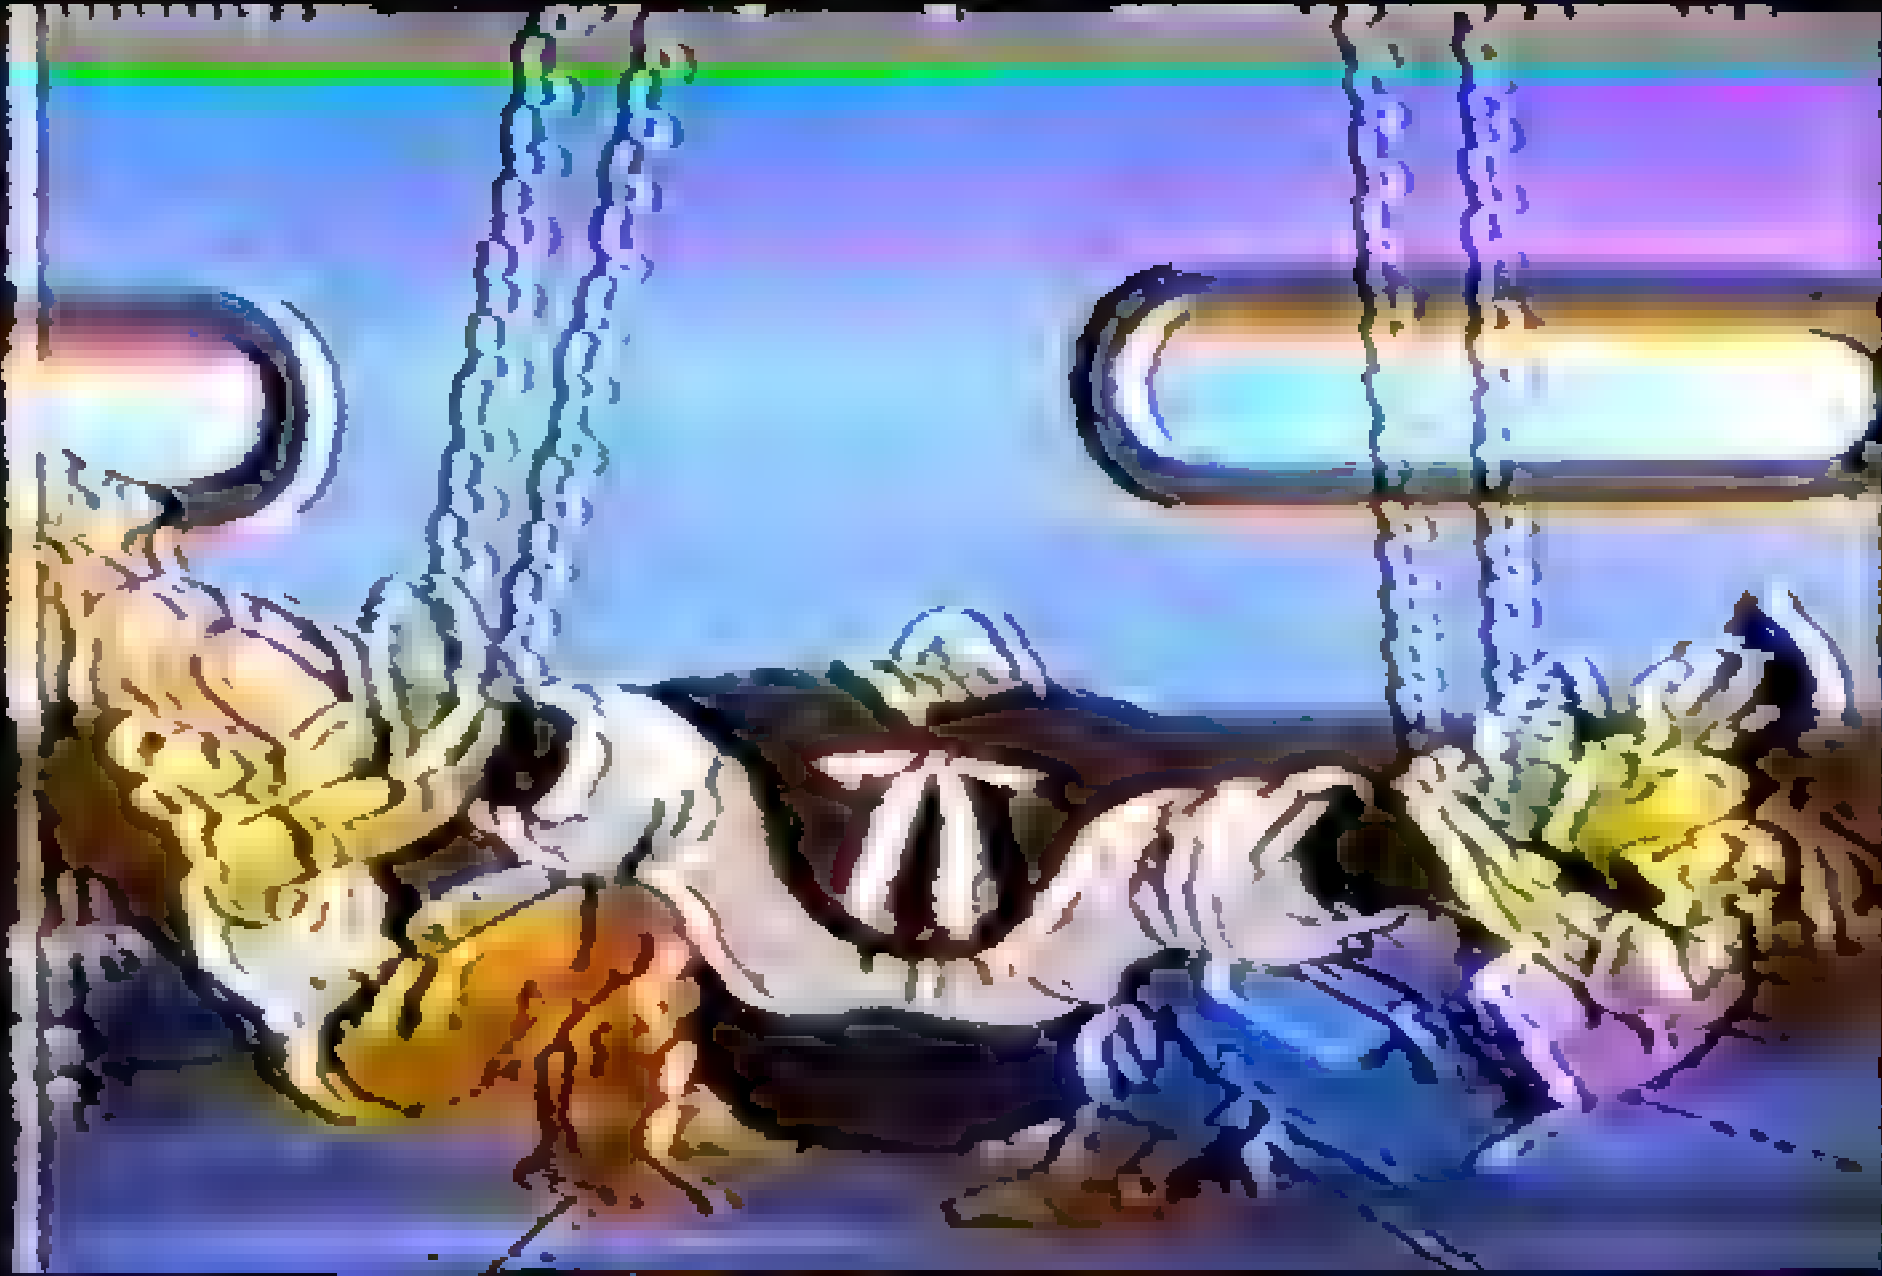

Wake up,
And give me a new power!

Wake up, body!!

At least they've decided to talk to me

We can't do it now but soon...
